Chapter 292

THE EMPIRE WAR AGAINST MAN

"God¹ said, Let us make man² in our image, after our likeness ... So God created man in his own image (the WORD), in the image of God created he him; male and female created he them." Gen 1:26- 27. God made man to be both king and priest and to rule the world. God ruled supreme as King of Kings ruling man with his Commands.³

1 *"His name is called The Word of God." Re 19:13*

2 Heb: Adam - "He who blushes red." Strong's Concordance.

3 *"Fear God and keep his commandments: for this is the whole duty of man." Eccl: 12:13; "He that keepeth not his commandments, is a liar, and the truth is not in him." I John 2:4; "Keep all his commandments." Deu 26:18; "Keep my commandments and live." Pr 4:4; "If you love me, keep my commandments." John 14:15*

In the event that God's Commandments were disobeyed - strict instructions were given as to how disobedience was to be punished.⁴

Kings Arrive

The WORD which was God was the supreme ruler and man was appointed to rule the earth as both king and priest under God's direction. The chain of authority was complete.

But, evil days came. Fallen angels called Devils came to earth and took daughters of man for wives and raised up a race of Naphidem-giants, giant in evil powers. These Strangers fought among themselves and they fought man. They taught man abortion, murder and weapons of war. They came in multitudes, each group having a king directing his subjects to their evil tasks. War was their avocation. With a king to direct them Strangers were formidable.

Nimrod

Sons of Man learned their evil ways. They, too, chose a king to rule them - one named Nimrod. Nimrod set the pattern for all kings who were to follow down through the ages. Here is his story:

"And Cush the son of Ham the son of Noah, took a wife ... and she bare a son and they called his name Nimrod. ...

⁴ **"Mine enemies, which would not that I should reign over them, bring them hither, and slay them before me." Luke 19:27; "Moses called the people together, with the women and children ... that they might engage themselves to the observation of these laws. ... that in case any one of their own blood, or any city, should attempt to confound or dissolve their constitution of government, they should take vengeance upon them, both all in general, and each person in particular ... but that if they were not able to take such vengeance, they should still demonstrate that what was done was contrary to their wills. So the multitude bound themselves by oath so to do."**
Antiquities 4:8:45

"And Nimrod ... fought the battles of his brethren against all their enemies round about. ... and ... all his brethren ... assembled to make him king over them ... And he set over his subjects and people, princes, judges and rulers, as is the custom amongst kings.

"(Nimrod's) kingdom became very great. And all nations and tongues ... brought him offerings, and he became their lord and king and they all dwelt with him in the city of Shinar, and Nimrod reigned in the earth over all the sons of Noah, and they were all under his power and counsel.

"... but Nimrod ... rebelled against the Lord, and taught all his subjects and the people of the earth his wicked ways." Jasher 7:23-46⁵

This has been the story of kings from the beginning until now. Kings are first made kings because they fight the battles of their people. Once they become kings they become as gods. They appoint princes, judges and rulers to rule their formerly free neighbors, who are now called *subjects*. They collect tribute (taxes) from these subjects. They conquer other peoples and tongues and build cities to stockpile these peoples. The conquered peoples also become their wage-slave servants, and as wage-slave-servants they no longer own their own self-sufficient- farms. The kings have taken them and given them to their favorites.

Lastly, kings are wicked. It is an occupational hazard. To do what kings do violates God's Commandments from the first. They fight God to continue doing what kings do.

⁵ *"And king Nimrod reigned securely, and all the earth was under his control, and all the earth was of one tongue and words of union. And all the princes of Nimrod ... took counsel ... come let us build ourselves a city and in it a strong tower, and its top reaching heaven ... so that we may reign upon the whole world Whilst they were building against the Lord God of heaven, they imagined in their hearts to war against him and to ascend into heaven. ... (And the Lord smote them) And they ceased building the city and the tower; therefore he called that place Babel, for there the Lord confounded the language of the whole earth." Jasher 9:20-37*

Man's Dilemma

In this manner Man is placed on the horns of a dilemma. To obey God man must oppose the king, which is to invite death. But, obey the king and oppose God is worse since the Scriptures say *"It is a fearful thing to fall into the hands of the living God."* Heb 10:31. The Scriptures go on to say, **"Fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell."** Matt 10:28

Given this fearful choice - Man is forced to choose the one or the other. One man will choose to serve the king and win his earthly rewards; another will choose to serve God, believing **"We must obey God rather than men."** Acts 5:29

Israel Demands A King

Man did not learn from Nimrod's example. When a king of the Strangers confronted the Israelites with 900 chariots of iron and a great multitude of soldiers, the Israelites demanded a king to fight their battles for them.

In I Samuel 8:5 (1040 B.C.), the prophet Samuel commented on this wickedness of demanding a king.

"When ye saw that Nahash the king of the children of Ammon came against you, ye said unto me, Nay; but a king shall reign over us: when the Lord your God was your king." I Samuel 12:12. He said; "Your wickedness is great, which ye have done in the sight of the Lord, in asking you a king." I Sam 12:17

God told Israel that if they insisted on having a king other than himself, evil things would result.⁶

Kings And Their Laws

Once again, each and every king has his own set of laws. If you have two kings ruling at the same time, each with his own set of Laws, there are two Law systems in force at the same time. Conflict is certain as the two law systems struggle for supremacy.

The Solution To Having Two Law Systems

God's solution to the evil of having earthly kings ruling man was to have the earthly kings study God's Law day and night⁷ so that they might have the wisdom to rule. This is what kings are supposed to do. Obedience to God's WORD keeps kings from doing what they want to do. Power tends to corrupt and absolute power corrupts absolutely. History shows, with few exceptions, kings demand their way even when it defies God's Commandments.

6 *"This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots.... And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants. And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants. ... He shall take the tenth of your sheep: and ye shall be his servants. And ye shall cry out in the day because of your king which ye shall have chosen you; and the Lord will not hear you in that day." I Sam 8:11-18*

7 **"When he sitteth upon the throne... he shall write a copy of this law... and he shall read therein... to keep all the words of this law... That his heart be not lifted up above his brethren." Deu 17:18-20**

Buddhism - Religion Of Kings

Kings tend to support people and systems which support them. The religion created to tame gods and permit rulers to govern as they please is called Hinduism. Its missionary arm is Buddhism. Hinduism teaches that all gods are different manifestations of the same one great World Force. Buddhism teaches that all religions may join together simply by accepting *Dharma* - "non- violence, obedience, tolerance of other peoples and their gods without regard to 'race, creed, or nationality." *Dharma* is the Buddhist technique of pacifying divergent populations in order to expedite trade.⁸ When a king rules over many different peoples he is faced with a complex problem which Buddhism can solve for him. Many different peoples have many different gods - each with his own law system. These differing systems can slow down or stop trade. The king must have trade to support both himself and his followers. A referee is required for these competing law systems in order that trade not be stifled. The king insists that this referee be himself. As the judge of gods - the king becomes greater than the gods he judges. To be greater than God is what the king desires.

Kings organize Establishment Churches whose priests are paid agents of the king. By being given exemption from taxes, or in some other way, Establishment Priests are placed on the king's payroll. Their purpose is to Dharmatize God-fearing people into obedient subjects of the king. This is done by making people believe that all gods are the same and of equal worth. In this way the king subverts the people's God and turns their priests into enemies of both God and the people.

⁸ "Dharmitized - to be subdued by *Dharma*. "*Dharmamatra*" - government enforcer of *Dharma*.

Evolution

The most successful weapon available to the king in recent years is the Evolution Theory. From the moment it emerged, it was promoted by government agencies, courts and state schools. It was also promoted by all institutions financed by the International Merchant. It was not taught as a theory, but taught as a proven fact. Those on the establishment's payroll were required to believe it and teach it. Evolution is not an optional belief.

The Evolution Theory states simply that man "evolved" rather than being created by God. A one-celled amoeba resulted from a cosmic explosion. This amoeba mutated into two cells, then into a fish, next into an amphibian and then into a monkey and finally into a man. In other words, man was created by the cosmic "bang" - not a God whose irritating Laws limit the king in everything he chooses to do. With God vanquished, his Law System collapses. This leaves only the law system of the king.⁹

Unfortunately for the Evolution Theory's scientific basis, neither Darwin nor any of his converts was ever able to produce something actually evolving from one thing into something else. Even the dinosaur, the supposed ancestor of many of today's creatures, said to have existed long before man, was found to be man's contemporary. Human footprints were discovered preserved in fossilized mud alongside dino-

⁹ This Evolution Theory was immediately accepted by Hindu priests worldwide. To them, "evolution" is a form of "reincarnation." A species is re-born in successive generations either in a higher or lower state depending on the "good" or "evil" of his past life. Hindu evolutionists redefine "good" and "evil" into scientific words more acceptable to the academic community, but which mean the same thing. "Evolution" became a re-interpretation of Hindu reincarnation. It satisfies the spiritual demands of Hindus who exist to serve kings. In this manner the Evolution Theory became a religious theory with a life of its own.

saur footprints. To further compound the problem, spear points were found embedded in dinosaur bones. This demolishes evolution from this direction, but the theory is state mandated; it has become part of the religion of king worship.

The king's propagandists ignore the final verdict on Evolution by its creator, Charles Darwin.

Charles Darwin's Death

Charles Darwin (1809-1882) lived a long work-filled life. His deathbed statement was recorded by a close friend:

"It was one of those glorious autumn afternoons that we sometimes enjoy in England when I was asked to go in and sit with Charles Darwin. ...

"He was sitting up in bed, propped up by pillows, gazing out on a far-stretching scene of woods and corn fields, which glowed in the light of a marvelous sunset.

"'What are you reading now?' I asked.

"'Hebrews,' he answered. 'The Royal Book I call it.'

'I made some allusion to the strong opinions expressed by many on the history of the Creation and then their treatment of the earlier chapters of the book of Genesis.'

"He seemed distressed, his fingers twitched nervously and a look of agony come over his face as he said, 'I was a young man with uninformed ideas. I threw out queries, suggestions, wondering all the time about everything. To my astonishment the ideas (of evolution) took like wild-fire. People made a religion of them.'

"Then he paused. ... 'I have a summer house in the garden which holds about thirty people. It is over there (pointing through the open window). I want you very

much to speak there. I know you read the Bible in the villages. Tomorrow afternoon I should like the servants on the place, some tenants, and a few neighbors to gather there. Will you speak to them?"

"What shall I speak about?" I (Lady Hope) asked.

"Jesus Christ ... and His Salvation. Is not that the best theme?"¹⁰

It has been more than a century since Charles Darwin died. The king, his hirelings, and his media have united in suppressing Charles Darwin's opinion of his own Theory of Evolution. The theory is kept alive to destroy the authority of God's Commandments. Once God and his Law system is replaced by the king's edicts, then, the king's authority becomes the undisputed "law of the land". The War against God is won and all else becomes only a mopping-up exercise. Forgotten is God's warning;

"Fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell." Matt 10:28

Open Warfare Against The WORD

HR readers have long known that the objective of the international merchant is to sell as much merchandise as possible for as high a price as possible to as many customers as possible in the shortest space of time possible. To accomplish this he hires kings to remove political barriers and priests to remove religious barriers.

¹⁰ John Myers, *Voices from the Edge of Eternity*, (Old Tappan: Fleming Revell, 1968), 247-248

There is something even more basic than the Stranger's insatiable craving for money; the Scriptures say that **the Satan-Stranger wishes to destroy man from off the face of the earth.**

From the beginning his plan has been to make Adam-man fight his own God. If man can be made to fight his own God, Man's God has said that he will destroy Man. The Satan-Stranger believes this and bases his strategy on it.¹¹

The International Trade Cartel has instructed the kings and priests in their pay to destroy the WORD which hinders their march to world domination. In obedience to their masters they have undertaken the task of dismantling the WORD. This is done one step at a time so as not to unduly alarm mankind. One step at a time the WORD is replaced with the king's statutes. One step at a time God responds to his being rejected by tightening the screws that will destroy a faithless people.

* **Outlawed Christianity** - The king's agents created a United Nations whose Charter outlawed the Christianity that God mandated be practiced. See HR #206.

* **Controlling Churches** - Practically all Churches are State Churches because of the mechanizations of the IRS. Having the form they deny the Spirit. See HR #285.

* **Prisons** - The WORD instructs that capital crimes are to be punished by death. The king seizes and holds most charged with capital crimes against their wills; they are in fact kid-

naped and held to justify the tribute collected by the king's agents.¹³

* **Whipping Children** - The WORD mandates a lesser punishment for children and fools - whipping. The king has outlawed this punishment.¹⁴

* **Fruitful & Multiply** - The WORD instructs, "**Be fruitful and multiply.**" **Gen 35:11**. The king heavily taxes man so he cannot afford children. At the same time, the king gives tribute collected from Man to Strangers so they can multiply. He also has opened the floodgates to Stranger immigration.

* **Abortion** - Protected by the king, abortionists have put 32,000,000 children to death - more than 60% of them children of Man. Abortionists who boast of having killed 65,000 children openly walk the streets.¹⁵

* **Homosexuals** - Homosexuality is protected by the king.¹⁶

13 "He that stealeth a man, and selleth him, or if he be found in his hand, he shall surely be put to death." Ex 21:16; "If a man be found stealing any of his brethren of Israel, and maketh merchandise of him, or selleth him: then that thief shall die." Deut 24:7

Then I will set my face against that man, and against his family." Lev 19:4-5.

* **Murder** - The WORD mandates that the punishment for murder is death.¹⁸

* **Swearing** - Once, a person who swore in public was locked up for being a public nuisance. He is now protected by the king.¹⁹

* **Other gods** - Gods other than God the WORD were once hounded from the land. Worship of the Stranger's gods is protected by the king.²⁰

* **Strangers In Churches** - The IRS mandates that churches be open to the public.²¹

* **Strangers Preach In "Christian" Churches**²²

22 "Neither of the hand of a stranger shall ye offer the bread of your God of any of these, because their corruption is in them, there is a blemish in them: therefore shall they not be accepted for you." Lev 22:25

23 "But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils. Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils." 1 Cor 11:20-21; "Withdraw from among the Gentiles and do not eat with them, and do not according to their actions, and be not their companion, for their actions are unclean and all their ways are defiled." Jubilees 22:17; "(Abraham) was the first one to celebrate the festival of tabernacles on the earth. ... Abraham would bring ... an offering of salvation ... And thus he celebrated his festival seven days ... he and all those that were in his house; and there was not any stranger with him nor any bastard (mixed-breed)." Jubilees 17:16-19

* **Blue Laws** - Once, the Sabbath was kept, mandated by the king's statutes.²⁴

* **Woman's Lib** - Once a Man and wife were a team combined to work for their home and children. No more.²⁵

* **Affirmative Action** - Strangers are given preference. The king has put them above us to rule us. He gives our taxes to them and we labor while they rest.²⁶

* **Strangers Over Us** - At the highest levels of government Strangers stand beside the king to advise him. A Stranger leads the army. The media-owners elect Strangers to the highest offices. Stranger-owned industry employ most men. Strangers furnish the police. Strangers teach the children of mankind. Forgotten is the basic: *"Thou mayest not set a stranger over thee."*²⁷

* **Usury** - We are permitted any economic system we choose - except the usury system. The punishment for using this system is severe.²⁸

* **Mixed Marriage** - The king's courts have struck down laws preventing mongralization.²⁹

24 "Six days shall work be done, but on the seventh day there shall be to you a holy day, a sabbath of rest to the Lord: whosoever doeth work therein shall be put to death." Ex 35:2; "The Creator ... did not sanctify all nations and peoples to observe the sabbath on it, only Israel alone: to them alone he granted to eat and to drink and to observe sabbath on it on the earth." 27 "Thou shalt in any wise set him king over thee, whom the Lord thy God shall choose: one from among thy brethren shalt thou set king over thee: thou mayest not set a stranger over thee, which is not thy brother." * **Beasts** - It is the Strangers policy to encourage those who act as beasts to marry the daughters of men, and to rule men. Every TV sit-com pictures one with a daughter of man.³⁰

* **Whores & Whoremongers** - Whores and whoremongers were once shunned by mankind. No more.³¹

* **Taxes** - Kings and priests cannot be taxed. Men cannot be taxed. Taxes are forbidden.³²

Enemies Of The State

There are many more Commandments of God which have been broken - done away - outlawed by the king. They were done away one at a time. Each time the king outlawed one of God's Commandments he increased his own power and the power of his statutes. The king also instructed his followers to treat those who continue to obey God's Commandments, and oppose his edicts, as enemies of the state. The king, having separated Man from the protection of his God, has sent

29 "Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "If the priest's daughter also be married unto a stranger, she may not eat of an offering of the holy thing (eat blessed food from his table). But if the priest's daughter be a widow or divorced, and have no child, and is returned unto her father's house she shall eat of her father's meat; but there shall no stranger (Heb: zûwr - "racial alien") eat thereof." Lev 22:12- 13.

30 "A multitude of beasts came all around them. It was satan's doing ... in order to wage war against Adam through marriage." I Adam & Eve 69:11

31 "Speak unto the priest ('And ye shall be unto me a kingdom of priests ... Ex 19:6.') ... they shall not take a wife that is a whore ... neither shall they take a woman put away from her husband." Lev 21:17; "Thou shalt be no whore of the daughters of Israel nor a sodomite of the sons of Israel." Deu 23:17; "They shall bring out the damsel ... and the men ... shall stone her ... that she die: because she hath wrought folly in Israel, to play the whore." Deu 22:21; "Whoremongers and adulterers God will judge." I Cor 6:9.

32 "Of whom do the kings of the earth take custom or tribute? of their own children, or of strangers? Peter saith unto him, Of strangers." (Gr: allotrios - foreign, not akin.) Jesus saith unto him, Then are the children free." Matt 17:25-17

his henchmen to incite man to rebel against the king so that the king might discover his enemies and kill them. The king has wantonly slaughtered and persecuted innocent people to arouse resentment: Gordon Kahl, Vicki and Sammy Weaver, Waco, Flight TWA 800, Oklahoma City, and the list is endless.

The WORD which is God, who in the beginning created man as both king and priest to rule the earth, instructed Man to obey the WORD or die. The WORD instructs Man that they are to act as kings and priests - to rule and not be ruled. What shall he do? If man obeys the king and violates God's Commandments - God will kill him. If he obeys God - the king will kill him . What now are his options?

The King's Sword Wielded by State-Priests

When kings go to war, their state-priests dust off what I call - their "War Scriptures" to inspire the king's warriors to perform feats of valor in the name of God to the glory and benefit of their king. When the war ends the soldiers who survive are sent home and the quotes are concealed again to await another war.

This system worked until the "Reformation". The single benefit resulting from this time of mass slaughter in the name of God was that the Scriptures were pried out of the iron clutch of the priests and given to the people.

Mankind began reading the actual Scriptures. Peasant revolts and all sorts of disorders resulted. The Catholics kept their followers under iron control by censoring what they read. The protestant kings and their priests, to keep their jobs, were forced to copy their Catholic rivals. They set up their own Protestant state-approved churches that taught a state-

approved Protestant religion. Then, Mankind, both Protestant and Catholic, discovered what the state- priests were *really* like - the Naphadim-media gleefully disclosed their peccadilloes daily.

By the tens of millions Mankind stopped going to state-churches, but they didn't stop reading the Scriptures. Without state- priests to misdirect them they read what kings were allowed to do and not do - they read the "*War-Scriptures*" - the Scriptures that state-priests had meant as curses against those who opposed the king and instead found that God meant the curses to fall on those who opposed God.

The War Scriptures

God promises that in dark days the WORD will come and save man:

"When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him." Isa 59:19; "I will send My Word and save thee and thy seed." Adam & Eve 12:6

"No weapon that is formed against thee shall prosper." Isa 54:17

"The land cannot be cleansed of the blood that is shed therein, but by the blood of him that shed it." Num 35:33

"If the revenger (the executioner) ... kill the slayer: he shall not be guilty." Numbers 35:27

"Because thou hast let go out of thy hand a man whom I appointed to utter destruction, therefore thy life shall go for his life, and thy people for his people." I Ki 21:42

"Therefore will I number you to the sword, and ye shall all bow down to the slaughter, because when I called ye did not answer, when I spake, ye did not hear; but did evil before mine eyes, and did choose that wherein I delighted not." Isaiah 65:12

"Think not that I am come to send peace on earth: I come not to send peace, but a sword." Matt 10:34

"If any man will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it." Matt 16: 24-25

"Let the saints be joyful ... Let the high praises of God be in their mouth, and a two-edged sword in their hand, to execute vengeance upon the heathen, and punishments upon the people; to execute upon them the judgment written: this honor have all his saints." Ps 149:5-9

"Cause them ... to draw near, even every man with his destroying weapon ... and the Lord said ... Go ye ... and smite: Slay utterly old and young, ... and begin at my sanctuary. Then they began at the ancient men (apostate elders) which were before the house." Ezek (9:1-6)³³

"Also he bade them teach the children of Judah the use of the bow: behold, it is written in the book of Jasher." 2 Sam 1:18

"Teach thy sons the bow and all weapons of war." Jasher 56:9

³³ In South Africa, the moderator of the Dutch Reformed Church, Professor Heynes, was shot by an unknown sniper as he sat at supper. He had been instrumental in leading the state church against its own Saxon people.

"Cursed be he that doeth the work of the Lord deceitfully, and cursed be he that keepeth back his sword from blood." Jer 48:10

"He said unto them ... he that hath no sword, let him sell his garment and buy one ... And they said, Lord, behold, here are two swords, And he said unto them, It is enough." Luke 22:36-38;

"Teach thy sons the bow and all weapons of war." Jasher 56:9

The penalty for not obeying the above is draconian:

"But if ye will not ... do all these commandments; ... I also will do this unto you; ... ye shall sow your seed in vain, for your enemies shall eat it ... they that hate you shall reign over you; and ye shall flee when none pursueth you. ... I will break the pride of your power ... your land shall not yield her increase ... I will send wild beasts among you which shall rob you of your children ... and make you few in number ... I will bring a sword upon you ... I will send the pestilence among you; ... I will ... cast your carcasses upon the carcasses of your idols ... And I will make your cities waste ... And I will bring the land into desolation: ... Then shall the land enjoy her sabbaths, as long as it lieth desolate." Lev 26:14-35

Barabbas

The Roman judge, to win the affections of the people, asked them who they would like set free - Barabbas or Jesus? The people cried "Barabbas"!

Who was this Barabbas? Barabbas was a nationalist. He knew the *War Scriptures*. With a band of followers he led a revolt against Rome which was quickly crushed. Barabbas was captured and his followers were killed or scattered. He

had once been a follower of Jesus. When asked why he stopped following Jesus, he replied;

"Because I am weary of these idle wanderings about Galilee, which bring forth no fruit. Not to sit on stools at the feet of a Scribe did I and my friends join ourselves to Jesus of Nazareth. Why tarrieth he so long idle? Why is his hand so backward to smite the oppressor?"³⁴

There are those like Barabbas who see the atrocities of the empire; Ruby Ridge, Waco, Gordon Kahl, Oklahoma, Twin Towers, and a thousand other crimes, and they burn with righteous fury. They see the Lawless enemy shamelessly parading their blasphemy. To them it seems that the empire's guarantee of protection for the thousands of Lawless aliens, perverts and murderers is an act of boastful foolishness. It is obvious that it is unable to do so; even the greatest and strongest empire can't be everywhere at once. With so many defenseless soft targets, the elimination of even a few - in obedience to the War Scriptures - may discourage great numbers of weaker brothers from dabbling in the blasphemy that will cost them their souls. And too, like their Crusader forefathers, if they die in the attempt to enforce God's Law they gain everlasting life.³⁵ To the Barabbas type it appears to be a win-win situation.

Jesus

In Jesus day, the crowd chose Jesus to be crucified in the place of Barabbas. Jesus was *"the WORD made flesh that*

³⁴ *Philochristus* 13:24, Restoration Press, Jerusalem, Israel.

dwelt among us." It was he who said that *"I and my father are one."* It was he who created the WORD, the warlike quotes just read, and it was this Christ who told believers *"... he that hath no sword, let him sell his garment and buy one."* Luke 22:36- 38. This was the very Jesus Christ who said *"But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me."* Luke 19:27

But, it was also this same Jesus who forbade his followers to defend him against those who came to arrest him, and ordered his people to pay tribute to Rome lest Caesar be offended.³⁶

Jesus Understood

Jesus read the times. He understood what others did not see. There is a time for war and a time for peace. One counsels peace when to wage war cannot profit. This is why he counseled:

"Put up again thy sword into his place: for all they that take the sword shall perish with the sword." Math 26:49-54

Violence should be carefully and thoughtfully entered into with much council and advice. Once loosed - it tends to run its course.

In earlier days, Greek-Syria, one of the greatest powers in the world, had conquered the Israelites and occupied their land. United by the WORD, the Israelites fought this great empire and won.

³⁶ He also left this hard-nosed instruction to his followers, *"Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's."* Matt 22:21; an instruction that his followers clearly understood.

In Jesus' day, things were different. Rome was their conqueror, and Rome itself had been conquered by Indian Dharma. The priests of the international merchant had conquered the greatest power in the world and used its power - her ships, legions, war machines and tactics - to open new trade areas and hold them. Rome's armed forces had proved invincible.

Even worse for the cause of Israelite nationalism, Dharma permeated the land of Palestine and turned separatists into integrationists. Israel had been betrayed by her kings, and her priests welcomed Edomites into the land. The WORD was now just another ritualized state religion. The people were divided. To openly fight a mighty power like Rome when the people were not united by the WORD was doomed from the start.

Jesus pointed out a different path. First, change men's minds and hearts so that they will know what the WORD requires of them, and the day will come when they will be strong enough to enforce God's WORD.

"For the word of God is quick, and sharper than any 2-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." Heb 4:12

The choice was - the way of Jesus or the way of Barabbas. The country chose the way of Barabbas. Rome incited Palestine to revolt and she did. Palestine went through the Roman meat grinder in 70 AD. The loot was tremendous.

Saxon-Israel living in Galilee avoided the war, they chose the way of Jesus rather than that of Barabbas, and the war has raged ever since.

The Peace Option

Jesus purchased peace with His life. It was a peace to gain time to turn Mankind to the WORD which is God. The WORD in turn teaches its followers everything they need to know.

Time bought with the blood and slavery of our kinsmen must be used profitably. The order given to those Jesus has chosen is:

"I have chosen you, and ordained you, that ye should go and bring forth fruit," John 15:16

The enslaved Saxon is beginning to stir. He is beginning to turn to the WORD and the WORD is showing him the WAY.

The Enemy Reaction

"The enemy is eager to destroy all that call upon the Lord. For he knoweth that upon the day that Israel shall repent, the kingdom of the enemy shall be brought to an end." Testament of Dan 2:16-17.³⁷

The Establishment's very existence depends on its crushing the WORD before man gathers a following too big to stop. The king has launched his "agents provocateur" to incite Mankind to lash out - and thereby reveal themselves so that the king can destroy them.

Today, the wise man offers his back to his persecutors and refuses to fall for the establishment's incitement to violence whereby he can be eliminated. He goes home to recruit his neighbor. By word, book or tract he tells his friend that God

³⁷ *Testament Of Dan*, From the "Lost Books of The Bible & The Forgotten Books of Eden, VPC, POB 997, Lynchburg, VA 24505, \$13.

is the WORD, that the WORD has the solution to all the problems of our nation. He tells him that our God is not some shadowy apparition sitting on a cloud in the sky strumming a harp and chanting "Sweet Jesus"! Jesus is "*the WORD made flesh*" and we have been created in his image and ordered by him to rule the world.

We are those whom God has chosen to bring the WORD to all who will listen. We also know the price - today and tomorrow:

"Greater love hath no man than this, that a man lay down his life for his friends." John 15:13; "Be thou faithful unto death, and I will give thee a crown of life." Revelation 2:10; Whosoever shall loose his life for my sake and the gospel's, shall save it." Mk 8:35

Robert E. Lee once said, "Duty is the sublimest word in the English language." The evil empire is teaching Mankind the meaning of the word "duty";

"Fear God and keep his commandments: for this is the whole duty of man." Eccl: 12:13

The reward will be:

"If a man keep my sayings, he shall never see death." John 8:51

LETTERS

WACO BILL: "Dear Richard: Haven't heard your opinion of the Clinton Impeachment." G.W. - Maryland

RKH: In my opinion the Clinton impeachment has little to do with Clinton. The *Naphidem-media* focuses on Clinton's zipper and diverts attention from "China Gate", where, with the knowledge of Congress national defense secrets were given to an enemy, and "Waco", where with the knowledge of Congress innocent men, women, and children were

given to an enemy, and "Waco", where with the knowledge of Congress innocent men, women, and children were machine gunned, burned alive, and the survivors sentenced to lengthy prison terms. Then there is NAFTA, and unlimited immigration. The U.S. Congress is responsible for all this and more. Public disrespect for the entire government has reached dangerous levels. The way out is to make a production of impeaching the occupant of the White House and redirect the public's attention away from Congress' own misdeeds. When the show is finally over - everything will be where it started from. Really now, just how does one go about harming the reputation of someone like a Clinton?

STERILIZATION: "Dear Mr. Hoskins; I have just learned that my fiance had himself sterilized. Is there anything about this in Scripture?" E.R. - Virginia

RKH: *"Let those that have made themselves eunuchs be had in detestation; and do you avoid any conversation with them who have deprived themselves of their manhood ... which God has given to men for the increase of their kind; let such be driven away, as if they had killed their children... for evident it is, that while their soul is become effeminate, they have withal transfused that effeminacy to their body also."*

Chapter 293

America's Hindu Gods

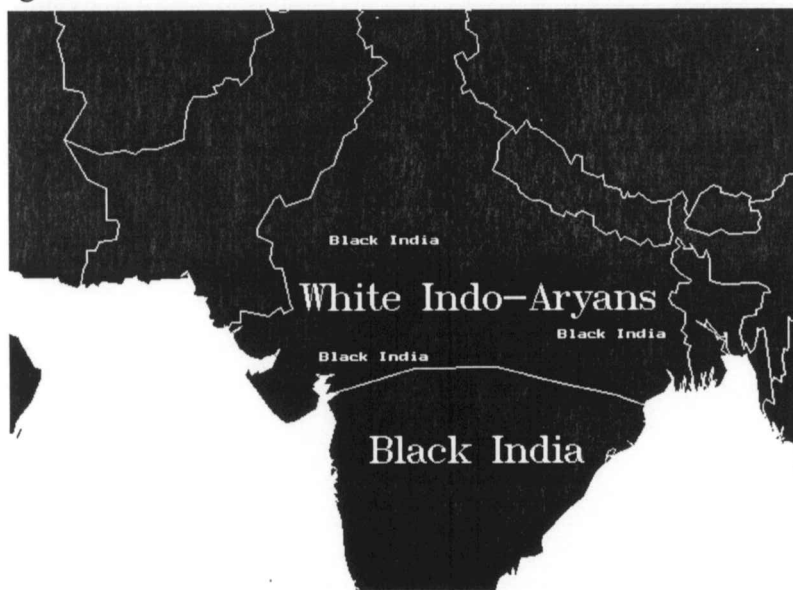

Man is made in the image of the WORD - which is God.¹ Strangers are made in the image of their gods. Man is forbidden to allow strangers in his midst² because Strangers are made in the image of their gods and Man will learn the Stranger's ways and worship his gods.

¹ "His name is called The Word of God." Re 19:13; "In the beginning was the WORD, and the word was with God, and the WORD was God." John 1:1, and "The WORD was made flesh, and dwelt among us." John 1:14; "He showed his word ... his statutes and his Judgments unto Israel. He hath not delt so with any nation ... they have not known thee." Ps 147:19-20

² "They shall not dwell in thy land, lest they make thee sin against me." 1 Ki 4:21

This will cause Man to turn against his own God and his God will destroy him because of it.³

The Alien who arrives in our midst arrives with his gods - since the creation and his gods cannot be separated. Our Great Commission, then, is twofold - tell Man about his own God the WORD, and also tell Man the danger of worshiping the devils the Strangers have brought with them. But, before we can tell about these gods - we must ourselves learn about these gods.

Aryans Invade Black India

Aryan-Man, made in the image of God the WORD, invaded India. He disobeyed his God and intermarried with India's black inhabitants whose god was *Siva*. He soon disappeared from the land leaving as his replacement a mixed breed race whose god was *Vishnu* - god of mixedbreeds.

³ *"Ye shall drive out all the inhabitants of the land from before you ... But if ye will not ... it shall come to pass, I shall do unto you, as I thought to do unto them."* Numbers 33:52-55

Aryan-Man Invades India

Aryan-Man, made in the image of God the WORD, poured over the mountains of Northern India and stormed into the great Indus Valley, overrunning its black inhabitants.

The god of the conquered Blacks was *Siva*. These conquered Blacks were made in the image of their god. Their god had arrived in India in the ancient past in the form of a black woman.⁴

Siva

Siva, the sex-god of the Blacks of India, is himself black. He is pictured dancing the cosmic dance. Surrounding Siva is "The Cosmic Force" - representing the oneness of all life. In one hand is a drum representing the importance of music and sex - which explains the strangeness of today's alien music in the West which arrived along with the aliens.

In another hand is a flame representing the ultimate destruction of the body by fire. (Conspiracy theorists point to the burning of Bob Mathews, Gordon Kahl, and the Waco victims - and speculate whether they were coincidence or ritual).

Siva is dancing on a demon. In front of the demon is an object representing the male sex organ. Siva is both the god of the beginning (sex) and god of the end (death).

Aryan-Man found himself in a land containing many temples dedicated to this god. In these temples idols of Siva

⁴ *"The Word of God came to the serpent and said unto it ... be thou dumb; and speak no more, thou and thy race, because ... the ruin of my creatures happened through thee ... And a wind came to blow from heaven by command of God that carried away the serpent from Adam and Eve, threw it on the shore, and it landed in India." I Adam & Eve 18:7-9.; "And God said to Adam ... 'look, O Adam, at him who said of himself that he is God! Can God be black? Would God take the form of a woman?" II Adam & Eve 4:1-4*

Siva: Black Sex-God

Siva, the popular black sex-god of Black-India, dances the cosmic sex-dance. Eve was captivated by Siva who came to her in the form of a serpent. The daughters of Man are still being captivated by Siva's children. He is also the god of sodomites.

Siva dances on a devil. Hindu devils are white. White devils must be destroyed before the new Hindu age can be born.

danced. Around the temple walls surrounding the central figure were more idols of black Siva and his beautiful black wife Parviti. They are acting out the many sexual positions of the reproductive act.

Sex pleased Siva and Parviti his wife. Sex pleases the Blacks made in Siva's image. Wherever blacks are found - India, America, Europe, S. Africa or Australia, their actions reflect Siva, the god in whose image they are made, even when they call him by other names.

Dr. Martin Luther King was notorious for his sexual escapades. He would come to town proclaiming that he came

in peace and would incite the Blacks and leave the town in flames and its stores looted. This is the way Blacks act the world over.

Strangers may speak with the sweet voice of the Serpent god, and call his name "Jesus", but *"By their acts ye shall know them,"* and know their gods.

Parviti

Black Parviti is the beautiful temptress wife of Siva. She shares her favors with all. This act is called "polyandry". Polyandry is defined by encyclopedias as "having more than one husband." More correctly, polyandry is the system where women take lovers of those they choose. This is why practically every race other than man trace their ancestry through the woman rather than the man; the woman is the only one who has any idea who the father is. There are countless thousands of Men who can trace their ancestry back to the patriarchs, and from there on back to Adam without missing a single generation (see *Saxon Identity* HR #266). With man, the

Parviti: Black Sex Goddess

Males are captivated by her charms.

ability to trace one's ancestry through the father is quite ordinary. With strangers it is extraordinary. Blacks and Jews trace their ancestry through the female.

Parviti has become the patron goddess of the daughters of man who act as paid and unpaid prostitutes. She was brought to our shores by Strangers made in the image of Siva and Parviti and they taught their ways to the daughters of Man.⁵ Parviti is practiced, experienced, and knows all the secrets of love and the ways to please her lovers.⁶

Kali: Black Goddess Of Death

A necklace of skulls hangs about Kali's neck. She is the mother of black magic - Voodoo of the black arts. She is more feared and worshiped than any other Indian goddess.

Kali

Behind Parviti's sweet seductive face there is another face. A sinister face. It is the face of "Death". This dark side is manifested in Kali,⁷ Siva's wife. Kali is even more devoutly worshiped and feared than Siva

5 "Let the Hebrews marry... virgins... and no... harlot, whose... prostitution of her body, God will not receive." *Antiquities* 4:8:23; "Speak unto the priest ('And ye shall be unto me a kingdom of priests.' *Ex* 19:6.) ... they shall not take a wife that is a whore." *Lev* 21:17; "Thou shalt be no whore of the daughters of Israel nor a sodomite of the sons of Israel." *Deu* 23:17

6 "There is no sin on earth greater than fornication, which they commit on the earth, for Israel is a nation holy unto God ... a nation of priesthood." *Jubilees* 33:18

7 "God ordered Satan to show himself to Adam ... And God said to Adam, 'Look at this devil ... and look O Adam, at him who said that he is God! Can God be black? Would God take the form of a woman?'" *Il Adam & Eve* 4:1-4

himself, and feared more than Parviti is loved.⁸

Those made in Kali's image operated Stalin's death camps, ordered the Bataan Death March, approved the murder of 9 million Germans after WW II was over, operate abortion mills, and reveal themselves again at Ruby Ridge and Waco. They do what they do because they are made in the image of their gods - and this is what their Gods do.

Vishnu

The Aryan invaders of India intermarried with the native Blacks. They formed a caste system to segregate the mixed members of their society, but blood poison gradually filtered its way through one caste to the next until it reached the very top. Ghandi, a member of the highest caste was a mulatto.

Vishnu The Preserver

Vishnu, the white brother to black Siva, is pictured resting on the great Serpent of deception.

⁸ Byron De La Beckwith was tried three times for the same offense. The last time by jurors made in the image of Kali. Their verdict was "guilty". Of course.

The new mulatto breeds of northern India were smarter than the native Blacks. Their god was also different. The Blacks worshiped Siva - who was black. The invaders worshiped Vishnu - who was white. Vishnu and Siva are pictured as being brothers.

Vishnu is pictured as reclining on a giant many headed serpent - who is the god of deception.

With the help of renegade Saxon priests, Strangers proclaimed that they had accepted the WORD and were now changed; they were no longer made in the image of Strange Gods, but were now made as Man in the image of the WORD. Because of this the prohibition against trading with Strangers was suspended.⁹ Man traded with the stranger and allowed the Stranger to settle in his land. Pretending to be newly made in the image of the WORD, the Stranger had no choice but to obey his own gods in whose image he was made. He imported cheap goods from his own lands and drove Man's manufacturers out of business. Then, Man worked for the Stranger¹⁰ in factories his own people had built.

He imported cheap farm produce and drove our farmers out of business - and his corporations now own their land. He established usury banks who favored his own corporations while denying money to Mankind. The Stranger prospered - and sent for his kinsmen to join him so that our cities are overrun with Strangers.

9 *"If thou has stricken thy hand with a stranger (2114), thou art snared with the words of thy mouth." Pr. 6:1: "They shall not dwell in thy land, lest they make thee sin against me." I Ki 4:21 "Nor do we delight in merchandise, nor in such a mixture with other men as arises from it." Flavius Josephus Against Apion 1:12*

10 *"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15*

His corporations own Hollywood, Broadway, TV, and the media. His productions endlessly display the acts of their gods in whose image they are made. What is normal and natural in the lands of Siva is turning the lands of Mankind into lands of paid and unpaid whores, of sexual perverts, of thieves and murderers. To us, Strangers and their serpent god are a false witness.¹¹

Magic

Siva's followers practice magic. In India, Siva priests cause people to float on air, climb ropes attached to nothing, jump 15 feet straight up, raise the dead, and do all sorts of things that strains the credulity of the Westerner. In various guises "witch doctors" practice their craft wherever Blacks are found. There is Voodoo in Africa and the Caribbean; even the Australian blacks have their variation. Wherever blacks or mixed-breeds are - the Serpent's servants are there.¹²

Siri

Siri is Vishnu's fickle wife, a lovely creature. She is also known

Siri

Fickle goddess of gambling.

¹¹ *"If a false witness rise up ... Then shall ye go unto him, as he had thought to have done unto his brother." Deu 19:16-19; "Woe to you who write down the word of falsehood, and the word of the wicked ... To them there shall be no peace; but they shall surely die suddenly." I Enoch 96:24-25; "Woe to them that call evil good, and good evil." Isiah 5:20*

¹² The offspring of the Children of Siva and Man practice variations of magic called "fortune telling", "tarot cards", "mediums", and "horoscopes". The wives of several of our present and past presidents frequented mediums and later advised their husbands. Siva and Vishnu are alive and well in the top echelons of our government.

as Lakshmi. She is the goddess of good fortune. She is wooed by all but stays with her latest lover only briefly. Siri is a favorite of orientals who are great gamblers.¹³

Westerners are prohibited from gambling.¹⁴ Strangers, or their agents, present compelling reasons to gamble and make it legal. It is only after misery and poverty descend on the land that gambling is once again suppressed.

Since Strangers have arrived in great numbers in the West, casinos, lotteries, betting parlors, racetracks, options, futures, and church bingo parties have become the order of the day. Siri is worshiped by all who buy a lottery ticket, bet on a horse, or wager over a card game.

Once I spoke to 6 old people at a church at Massies' Mill - all that was left of more than 300 who had been driven from their farms. From them I raised \$35 to buy Bibles for school children. Then I spoke to 600 at a prominent church in Lynchburg and raised \$35 - \$25 of that was given by a converted Jew. It was clear who worshiped the WORD that was God and who followed Siri.

13 These pictures were taken from *Larousse WORLD MYTHOLOGY*, Prometheus Press, NY. I was told that the book is out of print, but can be found in used book stores. It contains a wealth of information on the subject of gods. If a copy can be obtained for one's library it is well worth the expense.

14 "He that maketh haste to be rich shall not be innocent." *Prov. 28:20*; "But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition." *1 Tim 6:9*

Hari-Hara

Siva is black, Vishu is white. Hari-Hara is a combination of the two. He is the god of integration. A quick visit to your local church will reveal whether or not Hari-Hara is one of the gods worshipped there.¹⁵

Hari-Hara - God of Integration

¹⁵ "When the tabernacle is to be pitched ... the stranger (Heb: zūwr - racial alien) that cometh nigh shall be put to death." Numbers 1:51; "We are confounded, because we have heard reproach: shame hath covered our faces: for strangers are come into the sanctuaries of the Lord's house." Jer 51:51; "Ye shall make no league with the inhabitants of this land; ye shall throw down their altars." Judges 2:2; **Adultery** - Webster's 1828 Dictionary defines adultery in scripture as "idolatry, or apostasy from the true God." A violation of God's Commandments is adultery. The mixing of the races is adultery. "Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3. "God has separated you from other people." Lev 20:24.

Ganesa - Problem Solver

and tell their problem. The priest says a prayer to Ganesa, who he renamed "Jesus", and the problem is solved, and the one with the problem is expected to make a donation commensurate with the size of the problem. It's that simple.

Ganesa

Ganesa, with the elephant head, is the problem solver. Whenever a heathen has a problem he goes to a temple and tells his problem to a priest. Money changes hands and the priest says a prayer to Ganesa and the problem is solved. It's that simple.

In the Christian West, the priests have taught people to go to a temple

The Serpent

The Serpent spoke to Eve in the Garden. This is Nagini, the female serpent deity. The serpents have a mission; "They forbid access to spiritual truths to those who are not worthy of them; in the second place, they confer them upon those

who deserve them." To Mankind they are the great deceivers.¹⁶

Serpents are powerful, redoubtable and endowed with surprising powers. There are countless statues of them - especially in southern India. There are close links between the serpents and Siva. Adepts of Sivaist sects are never bitten by serpents. Their Western Christian copycats seem to be bitten all the time.

The serpent is also the messenger of Kali. He strikes our heel and we crush its head. The Serpent has spawned tens of millions like himself who arrive in our lands disguised in Western clothes and manners, to spread the poison of their gods wherever they go. Their bite is that of the vampire, turning Man into damned Lawless creatures like themselves. The Black Simbolese Army of the '70s that murdered Whites used the many headed serpent, similar to the one upon which Vishnu is resting, as their symbol. Man, look closely at the serpent - your hereditary enemy - and the one for whom he speaks!

Mankind**

UNFILTERED NEWS

WACO BILL: "One of the most important facts that the hearings brought out but was not reported was the fact that Bill Clinton, not Janet Reno, made the final decision to go ahead with the gassing of the children inside the compound at Mount Carmel. That's right folks! In spite of Janet Reno's bravado willingness to take the heat for the debacle, it was Bill who gave the final go ahead ... this from the testimony of Janet Reno herself. Reno testified that she informed Clinton of the plan and he, by not pulling the plug on the assault, approved by omission. He knew of the plan and supported it." *Bullet*, p.16, Nov/Dec 1995, 15 Millstone Rd., Woodlawn, VA 24381

Chapter 294

MONEY AT KELLY'S FORD

History is everywhere. One can learn history just by talking to members of his own family.

When I was 10 or 11, I asked Grandmother if any Kellys fought in The War.¹

Grandmother didn't know. She knew all about her own family - the Humes of Wedderburn - but she didn't know details about the Kellys, except to say that they were "mighty fine people". She sent me to see Uncle Wright.

¹ WWI was then the most recent war, but there was really only one war - the BIG ONE. Children played "Rebels and Yankees". We drew straws to see who would be the Yankees.

Uncle Wright

Uncle Wright Kelly was Granddaddy's older brother. He tried to keep the farm at Kelly's Ford, but times were so hard that he had to come to town. Uncle Wright was the family historian. Like Granddaddy he was six feet tall, wore a dark suit and bow tie, and had a full white mustache and a shock of white hair over his forehead. His house was across from the big red brick house where Cary-Hill Humphries lived. I had to fight Cary-Hill every day when walking home from

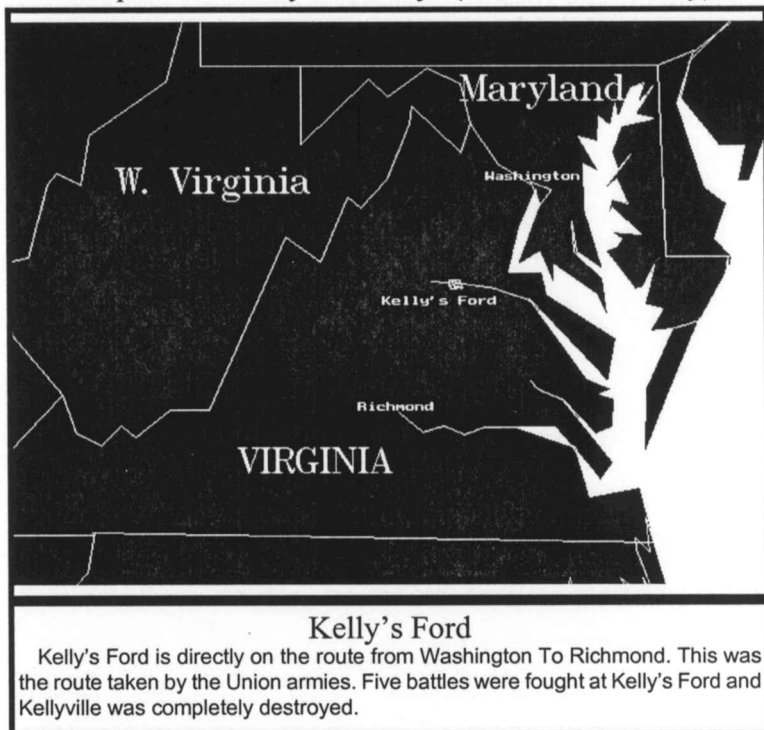

VIRGINIA'S EMPIRE

The title is a misnomer. Virginia was a confederation of Self-Sufficient-Farms. She never had an empire. All the above named states were part of Virginia. It was immense. The ideal was that every man was entitled to his own SSF. The land was virtually given away in grants and cheap sales to as many as would put a plow in the ground. The man on his SSF in Wisconsin was equal to the man on his SSF in Virginia. In such a system the individual was all important and big was bad. One's own state was more important than all the other states. One's own county was more important than everyone else's county. And, one's own farm was more important than all the other counties and states put together. One was sovereign on his own land. The state could not put a road across one's farm without the farmer's permission.

school to the farm with my friend Pat Johnson. One day I gave better than I got, and from then on he left me alone.

Uncle Wright was expecting me and led me through the dark hall past the "Kelly Secretary" (which I have today) into

the kitchen. We sat at the kitchen table and talked. He treated me like I was "somebody" - like my questions were important. Grownups didn't often do that and I appreciated it.

Uncle Wright answered my questions about kinsmen who fought in the war and about our "war songs". He gave me a copy of "The Bonnie Blue Flag", our national anthem, which I have in my copy of "Robert E. Lee".

After he had answered my questions, he then taught me things I didn't know - not like a teacher, but as an elder passing

on special private information to an honored younger member of the family, who in time must pass it on to others.

He told me that Virginia was the "Mother of States" and that *just to be* a Virginian was an honor. I had never known that before.

He told me that I was a "Kelly". Not just any Kelly, but a Kelly of Kelly's Ford. He told me that the first Kelly to come to Virginia was William O'Kelly who was transported in 1654. He and his descendants were honorable, hard working, and over the next two hundred years accumulated a sizable estate and married into the best families.

They eventually migrated up the Rappahannock River and started a town named Kellyville at Kelly's Ford. I was ten years old and had lived around Culpeper County all my life and had never heard of Kelly's Ford or Kellyville. I asked why? Uncle Wright told me that the town was gone. It had been destroyed in the fighting during The War and that there wasn't a single house left standing anymore. But, once it was the hub of commerce in that part of Virginia.

Five battles were fought at Kelly's Ford. The great Southern hero Major John Pelham of Stuart's Horse Artillery was mortally wounded there. The war turned peaceful Kellyville into a slaughter pen.

The Kelly house was out from the edge of town. Set apart like it was, it was almost the only house to escape the general destruction, but it was so riddled with bullet holes that after the war it was known as the Bullet House. When fighting would break out, the women, children, and servants would rush to the basement until "all clear" was signaled. People used to travel long distances to see it. The house burned in the 1930s.

John P. Kelly

John Payne Kelly was born in 1789 and was 72 years old when the war started. He didn't understand military tactics.

John Payne Kelly - Patriot
John Kelly of Kelly's Ford, was well to do at the beginning of the war. Like most Virginians, he was impoverished at its end.

One day the entire Union Army in their tens of thousands stormed across Kelly's Ford right into his back yard. The small Confederate picket of 25 men quickly scampered out of their rifle pits and ran. John P. Kelly, seeing the Southern boys run, mistook their strategic withdrawal for cowardice. He became infuriated and hobbled into the midst the flying bullets and shells and with his walking stick tried to beat the dodging Johnny Rebs, now as-

saulted on two sides, back into the line to fight the enemy.

Graves Registration

There were all sorts of stories about how the U.S. government treated their dead soldiers. A half a century after the War, during the '30s, the government sent men down to dig up the old burial trenches looking for Yankees. Confederate soldiers had buried most of them. They dug long deep trenches and buried their foes head to toe, layer on layer. When the Yankees dug them back up in the '30s, the first couple of layers were pretty well gone, but the bottom layers

Bank Note

Bank Notes are borrowed into existence when one mortgages property. If \$10 is borrowed into existence and it has been agreed to repay \$11 - more Bank Notes must be repaid than have been borrowed into existence. There is always a Bank Note shortage. Thus, it is impossible for many borrowers to repay their bank loans. When they can't pay, the bank is able to take over the mortgaged property for the

were in good condition. They even had their hair and mustaches. One could recognize their features. I was told that most burials were done by the Confederate Army. Often, the Yankees didn't bury their own dead, much less Confederate dead.

After the war Virginia sent men to Sharpsburg and Gettysburg to bring our boys home. The plowed fields where they had fallen were ringed in white bleached bones. The bones rested where they had been thrown out of the way by the farmers. The locals knew of our poverty, but still made us pay for our boys' bones before they would let us take them home to bury in Richmond's Hollywood Cemetery.

Kelly Business Interests

Uncle Wright's great-grandfather, John Kelly, moved to Kelly's Ford from Westmoreland County long before the war and was a prosperous farmer. The family branched out into other enterprises.

Plantations

The cornerstone of the family fortune was the farm - called "plantation" in the South. The word "plantation" as used in the early days had to do with the planting of people - incidentally, the planting of crops.

In the 200 years the family had lived in Virginia they had expanded their holdings. By 1850 John, his son John P., and his grandson Granville owned six plantations which required over 100 slaves to farm.

The Kelly's supported Southern Abolition (Repatriation). They also believed that all the planters and manufacturers should repatriate the slaves together to prevent one owner from gaining a business advantage over another. As the labor force was reduced in one place it should be reduced in another. Northern "radical abolition" - the instant freeing of slaves without compensating their owners or making plans to replace slave labor with white labor from Europe - forced slave owners to band together to oppose all abolition of slavery.

Canal Boat Line

Fredericksburg was an inland seaport on the upper Rappahannock. It had supplied plantation needs since colonial days. When the canal from Fredericksburg inland was built, the Kellys were among the first to start a canal-boat company that ran a large number of canal boats. In that day it was a toss-up which would prevail - canals or railroads. A canal boat could carry a load that required three railroad cars to carry.

The Kelly canal boat company was operated by slaves and managed by an intelligent slave named Joshua, whom I was told owned slaves of his own.

Woolen Mill

The Kellys opened a woolen factory in Fredericksburg, an inland seaport. It was named "Kelly, Tackert, and Ford". After the war started it was converted to make gray material for Confederate uniforms. Fredericksburg was in danger of being occupied by the northern army, so to continue production, the mill machinery was shipped by train to Lynchburg. Lynchburg printed its own scrip which the mill used to pay its workers. It was also good for payment of dues and taxes, and people used it for all other general purchases and payments. The mill left Fredericksburg in the nick of time. The Yankees sacked the town. In the three days they were there they wrecked every house. Chairs were thrown through windows taking out the sashes, doors were smashed down, private book libraries were dumped into the yards and streets, and the town became unfit for human habitation. It remained a ghost town until after the war.

Kelly Store

The Kelly's operated a store at Kellyville. It was a large operation that had developed over the years. Canal-boats owned by Kelly's picked up cargoes and delivered them to the Kelly store at Kelly's Ford. Surrounding plantation owners sent wagons to get things from the Kelly Store that they couldn't get anywhere else. The store at Kellyville was the biggest operation of its kind in that part of the country.

During The War the store operated as always, but now there were other customers. The store ledgers show open accounts for Mosby's Rangers, Longsteet's Corp, Stuart's Cavalry, etc. The Confederate troops took what they needed and left receipts signed by the commanding officer "payable after the war". Since there was no doubt in anyone's mind that

the South would win, the "receipts" were as good as gold and were used for money. The Federal armies took whatever they wanted without payment or receipts.

Flour Mill

In 1850, John P. and Granville built a flour mill to grind grain rather than having to send it to Fredericksburg to be ground. Not having the ready cash, they went to a bank and borrowed \$10,000 for the venture. Business was so good that they were able to pay the loan back in one year. This flour mill was the most profitable of the Kelly enterprises.

Gold Mine

In 1861 the price of gold was \$20.67 an oz. By 1863 the gold price rose to \$287 oz. and Granville opened a profitable gold mine at nearby Gold Vein, Virginia, whose output was welcomed by the desperate Confederate government.²

The Trunk Of Money

At this point, Uncle Wright went out on the back porch and returned with a trunk which he put on the table. It was full of money. I had never seen a trunk full of money before. He took out some of it and said, "These are bank notes." He said that borrowing banknotes in his father's time could get you in trouble.

I asked "why", and didn't understand a word he said in explanation. I learned one thing - banknotes were different from the other kinds of money in the trunk.

² Wedding rings were made from gold from the Kelly mine. The one that came down in our branch of the family is on my sister, Elizabeth Garnett Hoskins' charm bracelet. Each branch of the family has their ring.

Virginia Notes

To pay its employees, soldiers and sailors in its own state armed forces, Virginia issued its own notes. They were backed by the full faith and credit of the state and were good

for payment of taxes and other duties. These were not issued based on mortgaged property. The state could issue as many as they wished whenever they wished. They had done so for more than two hundred years prior to the War Between The States. It was nothing new.

Lynchburg Scrip

The City Of Lynchburg will pay the bearer of this scrip 15¢ in current funds (whatever that may be). This scrip was printed by the City of Lynchburg and spent into circulation as pay for its employees. It was good for payment for all tariffs and dues. Municipal or private scrip is entirely different from Bank Notes.

Municipal Notes

The City of Lynchburg issued its own paper scrip good for payment of taxes and services. Campbell County did also, as did most of the cities and counties in Virginia. The money was freely mixed with other paper currency.

Confederate Scrip

Most of the money in the trunk was Confederate money. There were all kinds. Some of the 1861 issues of one hundred

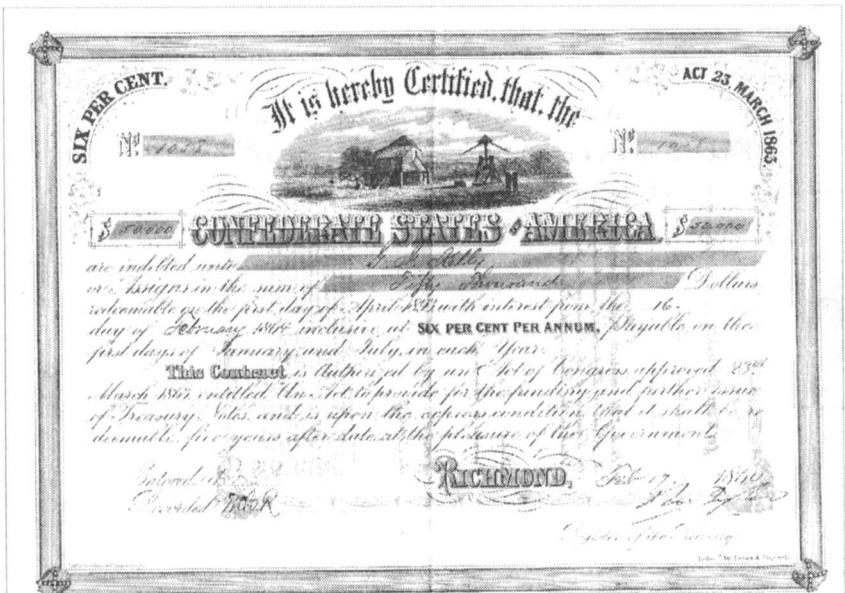

dollar bills paid 6% interest, the receipt of which was stamped on the back each year. Most didn't pay interest, they were just scrip, payable for taxes and tolls.

Tobacco Notes

The trunk didn't contain any "tobacco notes", which was to be expected since they had been tendered. Tobacco notes were issued at the Fredericksburg warehouse for each hogshead of 800 pounds of prime Virginia tobacco, and were traded over the entire eastern seaboard.³ Tobacco notes rounded out the list of types of money available in Virginia during the war. Gold was almost non-existent - except at Kellyville.

Bond Made Out To "G.J. Kelly" For \$50,000

³ "Twists" of chewing or smoking tobacco were used as small change and were still in use in Lynchburg when the writer was a youngster.

Bonds To Fight Inflation

To raise money and control inflation the Confederate government sold bonds. Kelly, Tackert & Ford bought a number of bonds. The one shown on the prior page is made out to Granville James Kelly for \$50,000. I saw one made out to him for \$300,000. I don't know which member of the family got that one. These bonds helped to take currency out of circulation and hold down prices.

Granville Kelly

Granville Kelly didn't serve in the army because of a stiff right leg received in a train wreck in 1855. However, he did not escape the attention of Union Army commissars. When ordered to give an oath of allegiance to the United States he

refused, replying that he had already given his allegiance to his native state. He would not violate that oath. He was arrested and confined in the notorious Point Lookout death camp in Maryland, where he almost died. The authorities took him outside the prison gates to die so they wouldn't have to register his death on the prison rolls. He was found by one of his slaves, who had been captured by the Union Army, and nursed back to health.⁴

Decline Of Kelly Fortune

Tobacco Notes - The Federal Army stormed through Fredericksburg. One of the things they wrecked was the State Tobacco Warehouse. This put an end to the issuance of Tobacco Notes.⁵

Kelly Canal Boat Company - The Federal Army took over Fredericksburg's inland port - blocking trade from England. They then wrecked the canal and burned the Kelly canal boats. This destroyed the Kelly Canal Boat Company.

Slaves - Land without slaves to work it stood idle. Slaves constituted wealth. A prime worker was worth \$1000-\$1500 - the equivalent of perhaps 50 times as much today. Taking 100 slaves without compensating the owner ruined him and was theft in the eyes of the Kellys, the people of the South, and many people in the North. Lincoln imprisoned over 50,000 people in the North who disagreed with his policies.

⁴ When my first born was on the way I wanted to name him Granville - it's too good a name to let pass. A daughter was born instead of a son so she was named "Granville" - and she is her father's daughter.

⁵ See *War Cycles / Peace Cycles, Hoskins, VPC, POB 997, Lynchburg, VA 24505, \$18.*

Officers of the invading armies commandeered slaves as their personal "servants" and to do the grunt-work for the army. Lincoln didn't free these slaves taken by the Federal army. They were abandoned wherever the Federal Army happened to be when the war ended. Some starved to death. Some made their way back to Kelly's Ford where they sharecropped the very land they had worked earlier.

Plantations - Without workers, the Kelly's six plantations had to be largely abandoned. After the war they were taxed heavily by the black legislators in Richmond at a time when they produced no income. Plantation land worth \$800 an acre in 1858 was sold to New York tax-free land- companies for 10¢-50¢ an acre to avoid the taxes - which was the reason for the taxes. They own the land to this day.

Woolen Mill - The machinery of the Fredericksburg Woolen Mill was transferred to Lynchburg to make woolen cloth for Confederate uniforms. When the war ended Confederate and State money scrip was declared worthless by the occupation forces. People without money can't buy cloth to make clothes. The Lynchburg mill was shut down because there was no money with which to do business.

Flour Mill - The flour mill at Kelly's Ford was shot to pieces during the war.

Kelly Store - The Kelly store near Kellyville, which had done a landoffice business before the war, was reduced to being a small country store and at last died on the vine.

Kelly Mine - The price of gold declined from its wartime high of \$287 oz back down to \$20.67, which was below production costs, and the mine was shut down.⁶

The Lesson

The war ruined the Kellys, as it did nearly everyone else in the South. The victors declared the scrip of city, county, state, and nation worthless. With a stroke of a pen the Southland was deprived of money. Business ground to a halt. The Kellys, old man John P. and his his son Granville, scratched out garden plots to feed their families. The trunk of money has been divided within the family. Each part is a reminder of the wolf that is loose in the land.

Conclusion

The Kellys arrived in America in 1654. It took 200 years to accumulate their fortune. The wolf saw this wealth and took what he wanted and destroyed the rest. The Kelly's were reduced to abject poverty. But, we are still here! It may be another 200 years before we regain what we lost, but I don't think so. After all this - we are still here.

The Wolf knows that what happened before can happen again. The money now in circulation can be taken and made worthless with the stroke of a pen. But, it doesn't have to be "us" from whom the money is taken.

We, too, have pens and can make money lawful or unlawful, valuable or worthless - all with a mere stroke. If we choose we can create brand new scrip whenever we like. We can

⁶ With the recent increase in the price of gold, the Kelly God Mine has been reopened by its new owners and is in operation today.

outlaw bank notes; make mortgages null and void, and substitute money of our choosing.⁷

Oh, yes! God is still in his heaven! We are still here and now we have friends, and tomorrow is another day.⁸

Letter From S. Africa by K.J

"Dear Mr. Hoskins,

"A small town in Transvaal had a problem with blacks. The taxes of a few whites had to carry the expense of thousands of non-paying blacks. It became impossible and water and electricity was cut off to the whole town. We hear now that the blacks are moving away. After all, they were promised free amenities, like the few houses built by the government for blacks in Northern Transvaal. With no control over material and work, these houses are falling apart; so the squatters moved back to their shacks. Funny, the houses built by the whites for the blacks in the early sixties, Verwoerd's time, still stand in the black township of Soweto.

"All schools started Jan 20, 1999, but I saw half a dozen black school buses empty on their way to school. No text books are available. As far as we know, books are printed but the wasteful government cannot pay for them as they have no money. Private schools are going up all over, and no wonder!

"With best wishes, K.J."

Chapter 295

LOYALTY LITMUS TEST

Hollywood's Strangers have developed a litmus test which Saxon actors must pass to get good acting parts; They must take a part where the character they portray has sex with someone of a different race.

After being deceived wholesale, Christians must learn that they can no longer believe the words of their "leaders". They too must develop a litmus test that will put them at enmity with the Stranger and demand that their leaders pass it.

1st Baptist Church

Kids often have a 6th sense. When I was 12, I sat beside my parents in our usual pew. We listened to the preacher holding forth about "love" and against the customs we had had for hundreds of years which regulated the strangers in our midst.

The preacher said that he didn't want to change anything, but, having said that, he talked about changing everything.

He talked about strangers worshiping with us, eating with us, living among us and becoming part of us.

To me that sounded like he wanted to change everything he said he didn't want to change. I sensed that he was up to no good and told my parents so. They poo-pooed my fears. It turned out that I was right.

The Civil Rights Era

Later on there was the "civil rights" era. Protests were led by the same sort of preachers who said they only wanted "fair play" for blacks. This included voting rights for them and the right to not only eat at their own establishments, but to eat at lunch counters and restaurants reserved for Whites.¹ Most of these preachers said that the last thing they wanted was "interracial marriage". That denial was supposed to make integration all right. But, they lied. They had been lying all the time. They are lying today. What they want is *Dharma*.²

The reason I'm still talking about things that happened so long ago is to say that I've seen it before. I've seen people passing themselves off as preachers of the WORD, saying one thing to put their listeners at ease, while actually doing the opposite of what they say. This tactic allowed them to take over the mainstream churches and destroy them while talking about other things. *"By their acts ye shall know them."*

1 Lynchburg's black business district centered on 5th Street, was quite large, and was protected by law. After the courts struck down the laws, out-of-town strangers put them all out of business except for one single lunch counter, a funeral home, and an office of a black lawyer. "Affirmative action" is the attempt to replace in part what the blacks lost through integration. But, the concept is unjust as judged by Saxon law and will be opposed.

2 Hindu: "Dharma" - non-violence, obedience, tolerance of other peoples and their gods without regard to "race, creed, or nationality." Buddhist technique of pacifying divergent populations to expedite trade. "Dharmitized" - to be subdued by Dharma. "Dharmamatra" - government enforcer of Dharma.

The same thing seems to be occurring again. The assault is coming not only from the anti-Saxonite media, as one would expect, but from preachers who are simply ignorant or who some believe represent other interests.

Giving The Litmus Test

The WORD lists a handful of prohibitions, which if taught and practiced, would keep us safe. Surrogates of the anti-christ can seldom be coaxed to accept one of the following list, much less all of them. The list therefore becomes a valuable tool in determining the genuineness of one who holds himself out as a minister of the WORD:

- 1) God has known Man ONLY - Amos 3:2
- 2) Man not to eat with Strangers - Le 22:15-16
- 3) Man not to allow Strangers in his midst - Jer 30:21
- 4) Man not to allow Strangers in our churches - Jer 51:51
- 5) Strangers forbidden from our pulpits - Lev 22:25
- 6) No marriage with Strangers - Numbers 36:6
- 7) Man may not transact business with them - Pr 6:1-2
- 8) Strangers may not rule Man - Deu 17:15

1) God Knows Man - ONLY

The Scriptures teach that the WORD is God and that God has known man³ - ONLY.⁴ This important fact directs the rest of our thinking:

³ *"In the beginning was the WORD, and the word was with God, and the WORD was God." John 1:1, and "The WORD was made flesh, and dwelt among us." John 1:14.*

⁴ MAN: Heb: Adam 119 - "to show blood(in the face), ie: to flush or turn rosy: - be (dyed, made) red(ruddy). *Strong's Concordance*

"You only have I known of all the families of the earth." Amos 3:2; "He showed his word... unto Israel. He hath not dealt so with any nation: and as for his judgments, they have not known them." Ps 147:19-20; "There are many nations ... all are his, and over all has he appointed spirits to rule ... but over Israel ... he alone is their ruler." Jubilees 15:23; "Our Gods are common to all men, and yours ... belong to nobody else but yourselves". Antiquities 4:6:8; "I pray not for the world, but for them which thou hast given me, for they are thine." John 17:9; "Thou art a holy people unto the Lord thy God: The Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth." Deut 7:6

The above explains why Jesus Christ, whose Commandments were in the beginning, issued his Commandment yet again;

"These twelve Jesus sent forth, and commanded them, saying, Go not unto the way of the Gentiles, and unto any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel." Matt 10:5,6.

2- Not To Eat With Strangers:

When man offers his food to God and asks him to "Bless this food" - that food is blessed by God and is holy food. That food is not to be given to strangers. You are not to eat with them:

"There shall no stranger (Heb: 2114 racial alien) eat of the holy thing (that which has been offered to God)." Lev 22:10; "They shall not profane the holy things of the children of Israel, which they offer unto the Lord. Or, suffer them to bear the iniquity of the trespass, when they eat their holy things: for I the Lord do sanctify them." Le 22:15-16; "Withdraw from among the Gentiles and do not eat with them, and do not according to their actions, and be not

their companion, for their actions are unclean and all their ways are defiled." Jubilees 22:17.⁵

Some while ago I received the following letter: "Dear Mr. Hoskins: How should prisoners go about NOT EATING food prepared by 'strangers,' as our culinary workers are a mixed lot? 90% of the things we get have a "K" on them, guaranteeing that an edomite blessed them. So, do we starve, or eat what we are not allowed to eat." S. - Nevada

The following is the answer I sent him. I told him that some men in an earlier age had been drafted into the Syrian army and were forced to act against God's Commandments. Since they were powerless to oppose the Syrians, they developed the following rule:

"In case one of their own blood ... should attempt to confound or dissolve their constitution of government (God's Laws), they should take vengeance on them, both all in general, and each person in particular ... that if they were not able to take such vengeance, they should still demonstrate that what was done was contrary to their wills. So the multitude bound themselves by oath to do so." Antiquities 4:8:45.

A simple act of verbally protesting to the unGodly was sufficient.

5 "In 1205, Innocent ... wrote ... to the Count of Nevers, whom he threatened with excommunication ... 'It is scandalous that Christians should have their cattle slaughtered and their grapes pressed by Jews, who are thus enabled to take their portion and to impose the leavings, prepared according to Jewish religious precepts, upon Christians. It is a still greater sin that this wine, prepared by Jews, should be used in the church for the sacrament of the Lord's Supper.'" (Epistole X, 120, od. Bulu2, II., p. 198 (J/E p687) Inquisition.)

Christian Punishment: Christian punishment consists of "restitution" or "death." If restitution is possible - you do it. If not, as in the case of rape, murder, or kidnapping, you die. Since your prison sentence is neither of the two, it is an unlawful "involuntary confinement" as a slave. Slaves must obey their masters or die. A simple protest that what is being done is against your will should be acceptable in God's eyes.

Business Lunches:

Eating food "blessed by God" is a holy act. This is why strangers try to arrange business lunches with "believers". They know that even if the business deal under consideration does not go through, the act of your being seen eating with him bread blessed by God infers YOUR blessing on HIM. Your endorsement is valuable when dealing with others of our kind.

Interracial Marriage & Eating

God made you a king and a priest.⁶ If your daughter or son marries a stranger, God's Commandment orders the following;

"If the priest's daughter also be married unto a stranger (2114), she may not eat of an offering of the holy thing, (the food that God has been asked to bless, "bless this food."). But if the priest's daughter be a widow or divorced, and have no child, and is returned unto her fathers' house ... she shall eat of her fathers' meat; but there shall no stranger (2114) eat thereof." Lev 22:10-13; " ... So shall they not defile the holy things of Israel, which they offer unto the Lord." Lev 22:10-15 (Geneva Bible)

⁶ "Jesus Christ ... hath made us kings & priests unto God and his Father." Rev 1:5-6

The mixed-breed offspring of a daughter or son is not allowed at the most holy place - your dining room table. A mixed-breed is not partly mixed - he is completely mixed. He is a stranger.⁷

Civil Rights Laws:

In the North until the 1940s and in the South until the 1950s, the problem of feeding strangers was met by establishing separate eating facilities serving un-blessed food. This practice resulted in separate schools, public facilities, and separate military facilities.

When the courts passed statutes outlawing separate eating establishment - hundreds and thousands of restaurants operated by believers all over the nation closed rather than violate God's Commandment. I remember one in particular located in Charlottesville on Route 29 across the street from the tennis courts at the University. It was always crowded and must have done a million a year - back then. The owner closed it rather than to disobey God. He was just one of thousands.

Rule: Those eating with strangers are not to be trusted.

3) Strangers Not Allowed In Our Midst

"Thou shall make no covenant with them ... they shall not dwell in thy land, lest they make thee sin against me." I Ki 4:21-24

4) Strangers Not Allowed In Our Churches

"When the tabernacle is to be pitched ... the stranger (Heb: zûwr - racial alien) that cometh nigh shall be put to death." Numbers

⁷ *"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord; even to his tenth generation shall he not enter into the congregation of the Lord (Israel)." De 23:2*

1:51; "We are confounded, because we have heard reproach: shame hath covered our faces: for strangers are come into the sanctuaries of the Lord's house." Jer 51:51

Jerusalem Temple - Josephus

"When you go through these (first) cloisters, unto the ... temple, there was a partition made of stone all round, ... upon it stood pillars, at equal distances from one another, declaring the law of purity, some in Greek and some in Roman letters, that 'no foreigner should go within that sanctuary'. ... there was a partition built ... This place was allotted to the women of our own country, and of other countries, provided they were of the same nation." Josephus, Wars of the Jews 5:5:2 p554

5) Strangers Forbidden To Preach

"Neither of the hand of a stranger shall ye offer the bread of your God of any of these, because their corruption is in them, there is a blemish in them: therefore shall they not be accepted for you." Lev 22:25.¹⁸

6 - No marriage with Strangers

The strongest prohibition in the WORD is against marriage with Strangers;

"Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "Thou ... shall go ... to my kindred, and take a wife." Gen 24:3-4; "They have dealt treacherously against the Lord: for they have begotten strange (zûwr - racial alien) children; Hosea 5:7; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congrega-

⁸ (Geneva Bible NOTE: "Ye shall not receive any imperfect thing of a stranger, to make it the Lord's offering: which hee calleth the bread of the Lord.")

tion of the Lord; even to his tenth generation shall he not enter into the congregation of the Lord (Israel)." De 23:2.⁹

7) Not Transact Business With Them

Man is not to make contracts with Strangers. This includes business.

"And ye shall make no league with the inhabitants of this land." Judges 2:2; "If thou hast stricken thy hand with a stranger, thou are snared...deliver thyself as a roe from the hand of the hunter." Pr 6:1-2; "What part hath he that believeth with an infidel? ... come out from among them and be ye separate." II Cor 6:15-17; "Thou shall make no covenant with them...they shall not dwell in thy land, lest they make thee sin against me." I Ki 4:21-24; "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? ... for ye are the temple of the living God ... Wherefore come out from among them and be ye separate." II Cor 5:14

⁹ The strongest of all curses against racial intermarriage is found in Jubilees which was extensively used by 1st century Christians: "Thus ye shall not do from now on and to eternity to defile a daughter of Israel, for in heaven it was ordained over them as a punishment that they should root out all the men of Shechem, because they committed a shame on a daughter of Israel. If there is any man in Israel who desires to give his daughter or his sister to any man who is of the seed of the Gentiles, he shall surely die, ... for Israel is holy to the lord and every man that defiles must surely die. For thus it is ordained and written on the tablets of heaven concerning all the seed of Israel, that he who defiles must surely die, and they shall slay him with stones. And to this law there is no limit of days and no ceasing and no forgiveness ... because he has given of his seed to Moloch ... And thou Moses, command the children of Israel ... that they shall not give any of their daughters to the Gentiles and that they shall not take any of the daughters of the gentiles; for this is accursed before the Lord. ... And it is disgraceful to Israel to those that give and to those that receive from the Gentiles any daughters, for it is unclean and accursed to Israel ... for there will be plagues upon plagues, curse upon curse, and all punishment and plagues and curses will come. ... and if they blind their eyes to those that commit uncleanness ... then shall the whole people together be punished, ... and there will be no respect for persons, and no consideration for persons, and no taking of ... offering and burnt offering ... as a sweet savor, that it may be acceptable. ... And on account of this I have commanded thee, saying: 'Testify this testimony over Israel: see how it happened to the Shechemites and their sons, how they were given into the hands of the two sons of Jacob and they slew them in torments, and it was justice to them, and it is written down for justice concerning them.'" Jubilees 30:6-15

8) Strangers May Not Rule Man

"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deut 17:15; "Their nobles shall be of themselves, and their governor shall precede from the midst of them." Jer 30:21; "Thou shalt reign over many nations, but they shall not reign over thee." Deut 15:6

9) Drive Them Out

"Thou shall drive them out before thee. Thou shalt make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me." Ex 23:31- 33

"The Lord ... hath cast out many nations before thee ... thou shall smite them, and utterly destroy them; thou shalt make no covenant with them, nor show mercy unto them: Neither shalt thou make marriages with them." Deut 7:1-4

"Ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molden images, and quite pluck down all their high places: And ye shall dispossess the land and dwell therein: for I have given you the land to possess it. And ye shall divide the land by lot for an inheritance among your families ... But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them (shall be) pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. Moreover it shall come to pass, I shall do unto you, as I thought to do unto them." Numbers 33:52-56

Watching The Faithless

It is our duty as kings and priests to watch those who claim to keep watch over us. If they teach the following, then, in time it is certain that we shall be free from the plague of strangers who have descended on us.

- 1) God has known Man ONLY - Amos 3:2
- 2) Man not to eat with Strangers - Le 22:15-16
- 3) Man not to allow Strangers in his midst - Jer 30:21
- 4) Man not to allow Strangers in our churches - Jer 51:51
- 5) Strangers forbidden from our pulpits - Lev 22:25
- 6) No marriage with Strangers - Numbers 36:6
- 7) Man may not transact business with them - Pr 6:1-2
- 8) Strangers may not rule Man - Deu 17:15

If the reformation preacher serves the WORD, he will have no problem with the WORD. If he serves other gods he will have many problems.

Dharma is the basic religion of the Stranger, and Dharma demands integration of all races, creeds, and national origins. If *Siva* or *Vishnu*, whom they rename "Jesus", fails to order Man to be integrated on earth, then the teacher of Dharma will, as a last resort to keep his foot in the door, try to integrate them in "heaven". The fact that there is no Scriptural support for such nonsense bothers him not a bit. The WORD says of "heaven": "*Thy will be done on earth as it is in heaven*". If conditions are to be on earth as they are in heaven, then, God's Commandments will be in force on earth, and God's Commandments specify who will and who will not enter heaven:

10) God the WORD is The Same In Heaven

"Not everyone shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven." Matt 7:21;

And the will of our Father, the WORD, says;

"The people shall dwell alone, and shall not be reckoned among the nations." Num 23:9

Therefore, the WORD in heaven will be the same as the WORD on earth. Our people will dwell alone there as here.

Conclusion

We must be faithful to the WORD who created us in the beginning. This includes being alert for wolves in our midsts who would open the sheepfold gate for the wolves.

Chapter 296

SLAV

History

Three identifiable groups live in large numbers in Europe - Slavs, Turks, and Saxons.

Religious historians have theorized that the Slavs are descended from Noah's son Japheth,¹ the Turks from Ham, and the Saxons from Shem.²

Secular historians seem to doubt the descent from Japheth, ascribing to the Slav race such names as Scythians, Sarmatians, Thracians, Illyrians, etc. The name Scythian is obvious

¹ *"God shall enlarge Japheth, and he shall dwell in the tents of Shem."* Gen 9:27.

² Only the Saxon has adhered to his ancient religion that forbids interracial marriage. The WORD forbids mixedbreeds from joining Israel. Both the Slav and Turk are mixed breeds in varying degrees depending on their location.

in error since that is one of the three names given Saxons (Saxon, Scythian, and Goth).

Herodotus mentions Slavs under the name of *Neuri* on the upper waters of the Dneestr in what is now Russia. Pliny calls them *Venedi*; Ptolemy calls them *Venedae* and puts them along the Vistula on the Gulf of Danzic on the Baltic. The name *Venedae* is clearly "*Wend*", the name that the Germans have always applied to the Slavs.

By the 6th century the Slavs had made themselves well known to the Graco-Roman world by their southward movement into northern Dacia and to the Danube (200 AD). The gradual spread of the Slavs was hidden behind the wholesale migrations of the Goths fleeing the invading Huns. For two centuries the Goths (Saxons) ruled the Slavs on the Vistula, and later in southern Russia.

When the Huns (early Turks) succeeded the Goths as masters of central Europe (Hungary), they made the Slavs supply them with military contingents. The defeat of the Huns gave the Slavs the freedom to migrate and by 512 they held the German Mark of Brandenburg in force.

Russian Rivers

In Russia proper, the Saxon-Goths, under the Swedish name *Rus*, settled areas near the Russian Rivers - especially

the islands, river junctions and portages.³

³ In *The Beginning*, Hoskins, VPC, POB 997, Lynchburg, VA 24505.

developed with the Rus as leader and protector and the Slav as soldier and worker.⁴

Subdivisions

There are three main groups of Slavs - Eastern, North-Western and Southern.

Eastern - The Russians form the Eastern group (excluding the Finns and Tartars who are considered Turk). The Russian Slavs stretch from Europe into central Siberia and are Orthodox Christian in religion. In appearance a great many look like the pictures of their leaders seen on TV: Almost completely round heads (around the hat brim), no visible necks or waists, long arms and short legs. When they profess religion it is Eastern Orthodox Christian.

North-Western - The North-Western Slavs include the Poles (who are Roman Catholic), Kashubes, Wends, Czechs and their eastern neighbors, the Moravians, now included in Czechoslovakia, the Slovaks and the Teutonized Slavs of central Germany. In appearance the North-Western Slavs seem to be a cross between the Eastern Slav and Saxon. Some of the North-West Slavs are particularly beautiful physical specimens and are often confused with the pockets of Saxon-Rus still living in Russia. Since everyone in this region speaks Slavic languages they tend to think of themselves as Slav even when they are Saxon. When I was on active duty with the US Army I worked with an intelligence officer in division G-2. He was a NW-type Slav - Polish, round skull, blond, medium height, nice looking, and was one of the best intelligence

⁴ It appears that the larger number of Slavs have always been ruled by outsiders. Often they invited Saxons from abroad to come and rule them and keep order. These rulers usually adopted Slavic names, religion and language.

officers I have ever seen. He was also an alcoholic - a weakness shared by almost the entire Slavic race.

Southern Slavs - Slovenes, Serbo-Croats and Bulgarians. Prior to WWII the Southern Slavs were cut off from the rest of the Slav world by German (Saxon) settlements. These Germans have since been forcibly repatriated to Germany. This has caused the Slavic empire inhabited by Slavs to expand enormously at the expense of the ancient colonies of Saxon-Germans. When the ancient Saxon- Greeks destroyed themselves in the Greek peninsular by internecine wars, they were replaced by Slavs who are by now a mixture of Slav and Turk, although violently anti-Turk in political attitude. Some of these people show Slav characteristics and some show Turk racial characteristics. Many of the Yugoslavs have long skull types (front to back) and except by language are difficult to tell from Westerners. There are a great many Slavs living in France - replacing the French-Saxons killed in France's never ending wars.

Characteristics In General

To the Saxon - the Slav presents a kaleidoscope of contradictions and appearances. They are among the world's worst farmers having to import a large part of their food. However, under the direction of their Rus aristocracy prior to WWI they were exporters of food products. During WWII they exhibited fantastically stupid military tactics, but by war's end they produced the marvelous T-34 tank, excellent fighter planes, and some military tacticians as good as their German opponents - who were considered the best in the world.

In war they exhibit a fatalism and ferocity seldom seen anywhere else. Ordered to attack they will climb over piles

of their dead to reach their enemy again and again. Stories from the Crimean War tell of British medical workers, attempting to aid the wounded of both sides, often had to fight off attacks by badly wounded Russian Slavs whom they tried to help. Some attempted to stab them if they could and even try to bite them when their arms were shattered and they were unable to hold a weapon.

Slav relationship with the Saxon has been a love-hate affair which will be dealt with in future newsletters.

Slav vs. Turk

The Slav relationship with the Turk has been no love-hate affair - it has been wholehearted, unrelenting, unqualified hate.

It was the Turk who gave the Slav his name - "Slave"! While the rule of the Saxon-Rus was largely benign, there has been nothing benign in the rule of the Turk. He treated the Slav as a commodity; using Slav men as soldiers and Slav women in Turk harems.

Huns - The Huns stormed into Europe, demolishing all resistance in their way. They reached France before the combined armies of the Romans and Goths managed to turn them back. Their leader Attila was killed by a German princess and the Huns retreated to Hungary and settled among the Slavs whom they treated as slaves.

Golden Horde - The Turk-Mongols swept over Russia and settled for centuries. The Khazar-Jews, a Turk tribe, acted as their tax collectors among the Slavs - earning their eternal hatred.

Turks - The invasions of Europe by the Turks provided the Slavs an opportunity to fight their ancient enemy. It was

the Slavic armies of Poland that provided the reinforcements that saved Vienna from the Turks.

Slav-Crusades - Under the leadership of Saxon-Rus and Saxon- Germans, the Slavs undertook a centuries-long ongoing crusade to remove the Turk from lands they had conquered from the Slavs. This crusade consisted of intermittent wars surpassing in ferocity almost the West can imagine. These were wars in which all the captives taken by one side or the other were massacred - and the men, women and children shared the fate of the warriors.

WWI - Before WWI Russia was ruled by descendants of the ancient Rus aristocracy. Turks who had been made captive by the Saxon-Rus allied themselves with the Slav peasants and revolted. In the war that ensued the Saxon-Rus were exterminated. The Turks then took over the government and ruled the Slavs with an iron hand. In their grip tens of millions of Slavs were sent to their deaths in great extermination work camps. The ruling Turks, a merchant group, have since relaxed their grip because there is nothing left of value in Russia, and they themselves are greatly reduced in numbers having chosen to migrate to more profitable parts of the world - leaving Russia in the hands of surrogate rulers.

Field Of The Blackbirds

In 1389, Prince Lazar led a Serb-Slav army against a vastly superior invading Ottoman-Turk army in Kosovo. After valiant feats of heroism the Slav army of over 70,000 were slaughtered almost to a man. The Serbs then fell under merciless Turk rule for almost 400 years.

Yugoslavia Today

Centuries of fighting the Turks has foisted a Pan-Slavic feeling among Slavs. A blow against one, for whatever reason, is perceived to be a blow against all. This is a particularly sensitive matter when all parties involved have access to nuclear and bacteriological weapons.

Serb-Slavs hate the Albanian-Turks with a hatred completely misunderstood in the West, and this hatred is reciprocated. Balkan Slav-Turk warfare has been an on-again off-again thing for centuries. Because of economic and political reasons at home, the US has lead NATO into the midst of this boiling cauldron.⁵ The one sided atrocity stories told by the Nato propaganda machine is causing Turk volunteers to flock to the aid of Albania from all over the Islamic world. The one sided atrocity stories told by the Slav propaganda machine is causing volunteers to flock to Yugoslavia from all over the Slav world. An old brush fire is being fanned into something much more than it has been.

There is one thing that through the smoke of war, the atrocity charges and counter charges, the death and the pain of civilians, and the never-ending media lies - stands above all else. It is this:

The Saxon Christian West is attacking a Slavic Christian nation - an act which benefits Turkish-Muslims.

If someone doesn't see something odd in this - that person is brain dead.

⁵ Like the brief "Monica War" with Iraq, this most recent spur-of-the-moment war takes the American president's peccadilloes off the newspaper front page and also primes the economic pump with war spending to off-set a down turn in American private sector spending.

This could only happen if the West, meaning the U.S. and its allies, are acting as Turk surrogates, just as most of the Slav world has acted as Turk surrogates since WWI. If the Turk is manipulating Slav and Saxon to benefit Turk - then Christian Saxon fighting Christian Slav makes sense! It explains what is otherwise inexplicable.

Letter From S. Africa by K.J.

We had to have the alarm system seen to again. A black connected the negative to the positive on a battery. He has been working for security firms for the last ten years and learned nothing.

In Sunday's newspaper is an article on Johannesburg and surrounding towns' fire department - which is in fact now non-existent. Since the blacks have come into power they have been cutting back on what they see as non-essentials. Many firemen left because of non-payment and the white who complains is naturally called a racist. Instead of receiving support, most of the white political parties condemn him for racist remarks which happen to be perfectly true.

After the Randburg council got rid of most whites, they had to recall the one who operated the water supply to train a black. Well, the black took over on two weekends and the reservoirs were bone dry. He never watched the panel or pushed a button, so large areas now end up without water.

We now have politically correct white politicians, but ordinary liberals hate blacks now more than the rest of us.⁶, Mbeki gave a hatespeech in parliament that was so bad that

⁶ While being ruled by blacks during Southern Reconstruction, Southern liberals learned to hate not only black rule, but the anti-Christ creatures who put them over us.

people wanted to know who writes Mandela and Mbeki's speeches for them and advises them. It turns out that they are Jews. No wonder so much hatred flows from these two blacks. Their media is inciting blacks to such an extent that they feel they have done something of merit when they murder a white.

The past weekend was the yearly HNP political party congress. I only went on Friday afternoon for two hours. I got the feeling that we can expect some major problems. No only are the blacks killing black opponents before the June 2 election, but they are beginning to murder whites with the aim of driving them out of the country. When two blacks cruelly murdered an elderly couple, they placed a sign on their bodies with the words "You have oppressed us too much" and they came from Zimbabwe (formerly Rhodesia). It makes you wonder.

Esau is truly at war with Jacob, using millions of the black hordes who vote. They will riot when the time comes and they kill with the greatest pleasure.

A family at the congress had to return home when someone began to poison their stud sheep. Other cases of where the tendons of animals were slashed were also told. The cruelty of blacks to animals as well as people knows no bounds.

We enjoyed your Hoskins Report about your family history. Where would we be without a background. That makes me wonder what some of the traitors are going to tell their grandchildren about their part in this bloodless surrender of their nation to heartless strangers.

Large firms are moving out at a fast rate, even those who in 1992 threatened people who were going to vote against turning the country over to the blacks. Yes, and they even fired people from their jobs who did vote against the takeover.

Well, they are the ones who are leaving the country. Maybe it is prophetic that they are all going to London.

With Best Wishes, K.J.

AIDS: "Sir; The enclosed article from the *NY Times* reveals that the AIDS epidemic is accelerating at an unbelievable rate. It has now reached an increase of 21% per annum. Note that the 10% rate cited in the argument does not follow from the reported increase from 1996 to 1997. The second revelation is that the epidemic is confined 98% to the colored races of the world. Of the whites, it is mainly the homosexuals and those who associate with them that are being infected.

At the present rate of HIV infection, blacks in Africa will be greatly reduced in number in 13.5 years. The same will occur in N. America and Cuba in 20 years. India and the Orient will be decimated.

HIV is clearly a disease of the coloreds and white degenerates. A white woman having intercourse with a black has over a 150 times greater opportunity of being infected than with a white man. Women as a whole are more likely to get HIV and later full blown AIDS by a factor of 10 than a white man. This information should be communicated to the white women of the world. For those who have lost their racial pride, let them be ruled by fear, or perish as the unwholesome and loathsome specimens that they have become. Whites who lead moral and monogamous lives have nothing to fear. That is all that our God asks of us." A.J. - Tennessee

PINOCHET: The Rest Of The Story

While the controlled media are gunning for the former Chilean head of state Pinochet, accusing him of "serious infringements of human rights" during his reign, his erstwhile subjects are protesting in Santiago and other Chilean cities against his arrest in Great Britain in violation of international law. Whereas many communist mass murderers from the

former Soviet Union, Cuba, Cambodia, Vietnam, China, North Korea, Ethiopia and elsewhere are today at liberty to do as they please, without any complaints from the media, the aging General is to be subjected to a show trial. As always, the story has another side to it: In the late "sixties", the Chilean people elected the Marxist Salvador Allende as head of state. By 1973, Chile's economy had collapsed, owing to Allende's socialist experiments. Mass unemployment, hyperinflation, negative growth, exploding taxes and interest rates were the outcome. Although Chile had previously been a net exporter of food, it now suffered famine. It was impossible to buy basic foodstuffs, the Mafia controlled the black market, and criminal chaos reigned. The population was terrorized by communist gangs (Maoists, Trotskyists, Red Brigades, and others). At the height of the terror, Allende's old friend and communist bedfellow Fidel Castro offered his help. He sent 5000 Cuban soldiers to assist the regime in subjugating the Chilean people. Angered by the invasion of his country by foreign troops, a Chilean naval captain then took it upon himself to organize an uprising. The situation in the country worsened daily. The army stepped in and Pinochet assumed power. The Cubans were driven, en masse, into the capital's national stadium, where they were summarily executed. What followed was described by the greater part of the population as a necessary "cleansing of the country". The military gave short shrift to the communist gangs roaming the country. Many were killed, some probably also tortured, including Spanish activists who had no business to be in Chile. Nevertheless, peace and calm ultimately returned to the country. Under Pinochet's rule, Chile developed into S. America's most flourishing economic power. The population's per-capita income doubled every ten years. Pinochet produced what

the Marxist Allende had promised. And it is for this that the socialists and Marxists of all hues now want to take revenge! (*Insider* Jan 15, 1999, PO Box 17200, Groenkloof, Pretoria 0027, RSA)

Richard Snell - Voice From The Grave

Richard Snell's *Last Call Ministries* of May 1992 contained information worth reviewing:

"Just recently I had a Federal Habeas Corpus hearing to determine if I deserved a new trial in my Death Penalty conviction. My counsel was the firm of White & Case, Washington, DC, the largest law firm in the world. W&C became involved back in '86 when I was within 3 days of execution, had no attorney and no money to hire one. Someone, unknown to me, contacted them and they stepped in, 'pro bono publico,' meaning 'for the public good'. They claim to have spent over a million dollars in investigating and preparing for the hearing. William Currier, ex-federal prosecutor, with a mind like a steel trap, headed the team of five attorneys and five legal assistants present at the hearing.

"All the above should immediately raise questions in every thinking Patriot's mind. Like why would the government spend so much money for the defense of a White Christian Patriot when they hate us so much? And what do they expect in return for their investment? ...

"The judge ruled to vacate the death penalty, but upheld the guilty verdict, which means I have two sentences of 'life without parole, at hard labor.'

" ... The real essence is contained in the testimony of one Dr. Brad Fisher who supposedly testified on behalf of the Petitioner (myself). Dr. Fisher is the nation's leading clinical

psychologist on dangerous behavior and we believe that his testimony was not merely intended to give justification to said ruling, but was intended to give a foundation in establishing a guideline which will soon affect every White Patriot in the nation, Christian or not. Therefore the need for this letter of warning. Although there is no thought crime per se, there is a thought disease from which the public must be protected, remember Mr. 'Pro Bono'. Following is a brief summary of Dr. Fisher's diagnosis, you decide on intent. Questions asked by Bill Currier, lead attorney for Petitioner.

Q. Based on your evaluation of Mr. Snell what is your diagnosis regarding his mental condition prior to and at the time of the commission of the crime, and now?

A. Mr. Snell is suffering from what is best described, or what is in the diagnostic manual as a delusional disorder, a paranoid delusional disorder.

Q. Is this order deep-seated?

A. Yes.

Q. And when you say 'deep-seated,' what does this mean? That is, can they be changed?

A. In the area of his delusion they are deep-seated in that they are persuasive; they don't change, and their impact level is high. It doesn't go away. It doesn't disappear, you had it before and it will be there tomorrow.

Q. With those provisos then, would you go ahead and describe the symptoms.

A. In his case, noting that his behavior is quite normal - he's quite bright, he's quite logical in most areas other than

his delusional symptom. His delusion is of a large level conspiracy. It's - it includes a perception that the government, in his case, he thinks it is world wide, but absolutely the government within the United States - is under the control in his belief of a group called the Zionist Occupational Group. In turn, there are controls related to this group of agencies functioning from the government. Of primary concern are agencies such as law agencies and financial agencies. His opinion is that the Zionist Occupational Group controls our government, is working to enhance its control. Part of this process includes the proliferation of drugs and subsequent crime. This is part of their plan, in his belief. The drug epidemic is connected with the effort to enhance this control.

"Unusual testimony for one's attorney to present in one's defense, that is if one ever wants to be free. Don't you think? Paranoid 'Delusional Disorder. Won't go away.' Label me mentally sick. Rapidly developing events will soon show who is deluded. This is a dangerous criterion for all Patriots still running free, especially in the light of recent Presidential speeches by a President under siege for possible criminal activities when he said, 'under no circumstances is there any excuse for racism or anti-Semitism'. It bodes no good for Patriots.

"Fisher's complete testimony is in March/April *Seekers*. Those desiring a copy write to Mary Snell, PO Box 6708, Texarkana, TX 75505-6708. A donation for postage and handling would be appreciated." Richard Snell.

RKH: Richard Snell's writings became a thorn in the side of the establishment and he was executed in 1995.

Chapter 297

TURK

" Isaac have I loved but Esau have I hated." Romans 9:13

Among the sons of Noah - Sham, Ham and Japeth - the descendants of Ham are the predators.

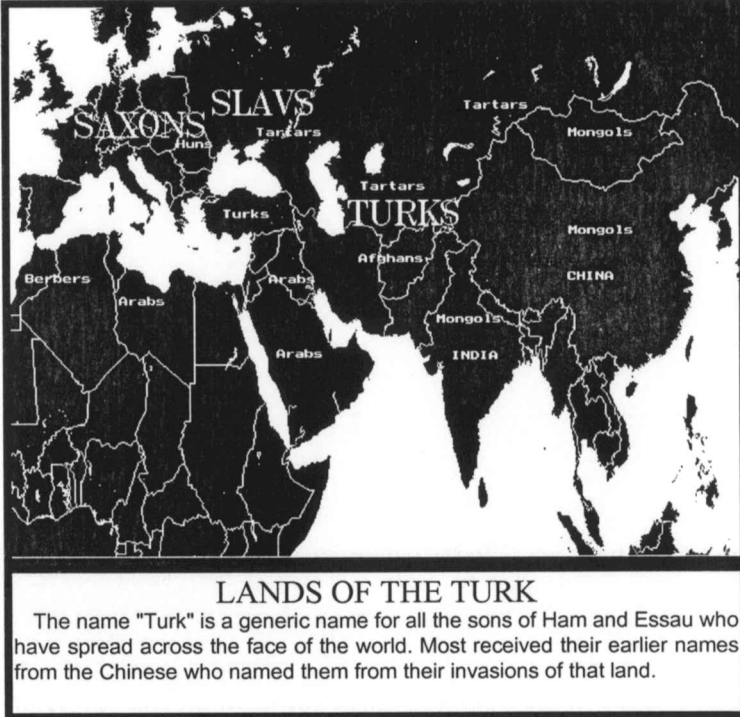

Who Is A Turk?

An Arab is a Turk - The Arab and the land of Arabia used to be defined as follows:

Arabia: "Arabia lies athwart the enormous belt of desert, commencing near the Atlantic Ocean with the Sahara, and extending through Chinese Tartary, almost to the Pacific Ocean. ... Among the Hebrews the name Arabian denoted the inhabitants of the desert portion (Jer.iii.2). (Illustrated Davis Dictionary of the Bible)

In the year 1900, a Westerner traveling to North Africa, Arabia, or to the deserts north of China described the desert

nomads he encountered as "Arabs". This description no longer suffices since the oil rich country of "Arabia" was created out of the ruins of the Turkish Ottoman Empire following WWI. Today's Westerner now thinks of the Arab

as being the inhabitant of the Arabian peninsula. Because of this we now identify the inhabitants of this vast region from the Atlantic to the Pacific as *Turks*.

"Turk" - Generic Name

"Turk" is a generic name which is used to include "Huns", "Arabs", "Mongols", "Tartars", "Khazar" and many others who have different names, but are close kin having intermarried extensively over the years. The Chinese gave most of them their tribal names based on the date of their attempted invasions of China. Otherwise they would all be named Arabs, or now - Turks.

These dwellers of the deserts are a nomadic people who trade with others when they cannot overcome them and take everything they have.

Habitat

Many Biblical scholars believe that the Turks descend from Ham and come from the deserts because that is the land apportioned to them from the time of Noah:

"The Children of Noah began to divide the earth ... into three parts, to Shem and to Ham, and to Japhet, each one his inheritance ... And for Ham came out as the second portion ... toward the south ... And for Japhet ... a great land in the north; only it is cold, but the land of Ham is hot, and the land of Shem ... is mixed in coldness and heat." Jubilees 8:8-25

Ancestry

Mongrel Race - Turks are a mongrel race. Having no laws against interracial marriage, they take wives from those they conquer or trade with. In northwest Europe, Turks tend to be fair. In the far east they tend to have an oriental appearance. In India, where an entire race of "Adam-man" invaded and inter-married with the native Blacks - a mixed race has developed having all degrees of appearances from the coal black in the south to the Saxon type in the north with Saxon facial characteristics but with the darkening that comes with racial admixture.

The Arab-Turks in the Mideast claim descent from Abraham. Abraham's son Esau married daughters of strangers. One of those whom he married was a daughter of a Canaanite. This is how the descendants of Esau are also descendants of Cain, since Turks the world over share the same ancestors:

"Esau ... in the course of time went as usual to hunt; and he came as far as the field of Seir, the same is Edom. ... And Esau there saw in the land of Seir the daughter of a man of Canaan, and her name was Jehudith ... And Esau took her for a wife." Jasher 29:20-23

The Scriptures say:

"Esau the father of the Edomites in mount Seir." Gen 36:8,9

The Edomites were cursed by God and Esau was their father (Is 34:5-6).

Characteristics Of Esau/Cain

The Scriptures say this about Esau:

"Esau was a designing and deceitful man, one who hunted after the hearts of men and inveigled them." Jasher 29:20- 23

Since Esau married a daughter of a Canaanite, his descendants also inherited the curses of Cain which are now the characteristics of Esau/Cain:

NO REST - TERROR: *"Cain, ever since he had killed his brother, he could find no rest in any place." I Adam & Eve 74:28; "Then the Creator said to him, 'Be trembling and quaking.' Then Cain trembled and became terrified; and through this sign did God make him an example before all creation, as the murderer of his brother." I Adam & Eve 74: 24-25*

Cain hallucinates. He sees his victims' ghosts in every attic, behind every tree. He accuses his wronged victims of being "out to get him" - of being "anti-canaanite." He accuses them of "hate!" Cain even invented a special crime to accuse his victims with - "hate crime." "HATE" accusation is another sign of Cain. They always are "*trembling and quaking*". This is their sign. They have inherited other curses:

Thistles: *"Cursed be thou from the ground which opened its mouth to receive thy brother's blood ... when thou shall till*

it ... thorns and thistles shall the ground produce." Jasher I: 31-32.

Esau/Cain has difficulty making the land produce. Almost never does one see Esau/Cain as a profitable farmer. Whatever they touch seems to die.

Political Episcopacy: *"(Cain) first of all set boundaries about lands (countries); he built a city, and fortified it with walls." Antiquities 2:2*

While Adam-man established his Saxon nation with its self-sufficient farm system - Esau-Cain conquered peoples and established taxable entities called "cities" and "countries" in which to stockpile people to be workers and to be more easily taxed and policed.

Hater: *"The meaning of Cain is 'hater.'" I Adam & Eve 74:7. The "sign" of Cain's hatred and that of his descendants is legend. Even Cain's hate motto is a "sign" - "never forgive - never forget!" Boasting a "hate" motto - he constantly accuses others of "hate".*

No Fellowship: Adam/man is warned to have no dealings with the Esau/Cain Turks: *"Make no fellowship with the children of Cain the murderer and the sinner, who killed his brother." II Adam & Eve 12:11. "Then command again thy people not to hold intercourse with the children of Cain, and not to learn their ways; for I am God who loves not hatred and the works of iniquity." Adam & Eve 19:4; "Sever thy children and thy children's children from Cain's children; do not let them ever mix with those, nor come near them either in their words or in their deeds." II Adam & Eve 8:14,15.*

There is also this warning:

Robbery: *"Among the children of Cain, there was much robbery, murder, and sin." II Adam & Eve 13:2*

Whiskey: There is also the "strong drink" curse which the Esau- Cain-Turk counts as a blessing:

"After Cain... and his children had multiplied... there was one of them... Genun... Satan came to him in his childhood, and ... taught Genun to bring strong drink out of corn; and this Genun used to bring together companies upon companies in drink-houses;... Then when they were drunk, hatred and murder increased... Then sin increased greatly; until a man married his own sister, or daughter, or mother,... or the daughter of his father's sister." I Adam & Eve 20:1-10

Look to see who produces "strong drink". If the Scriptures are true - you will find a Turk.

Restless Turk: The hot lands were settled on Ham and his descendants. Ham's descendants, Esau-Cain, constantly travel from one part of the hot lands to the other,¹ stopping off at one place or another for a few generations, and then picking up and moving to another place. It is what they do.

TURK TRIBES

HUNS - The Huns are one of the first Turkic tribes that the West had to deal with. They were unknown until they stormed out of the deserts and swept into the Crimea and from there all the way across Europe until they were stopped in France at the battle of the Catalonian Fields - the greatest one day battle known to Christendom. Retreating, they invaded Italy. In 453 AD, Attila, their leader, took a German Princess, Ildico, the daughter of a Germanic chief whom he had executed for treason (Attila indulged himself in wives and had 300).

¹ *"Cain ... could neither settle nor find rest in any one place; but wandered from place to place." II Adam & Eve 13:5*

The morning after his marriage he was found dead in a pool of blood. Ildico had killed him to revenge her shame of being taken by a stranger.²

TURK INVASIONS

There have been five major Turkic invasions of the West, besides their invasions of Russia, India and China. In the West - 1- The Huns; 2- Arab; 3- Turk; 4 - Mongol 5 - the Khazar invasion - a continuation of the the Mongol invasion of a thousand years ago.

In the usual Turkic manner, the Huns fought among themselves to determine who would be their new leader. Thus weakened, they were pushed back into eastern Europe and settled in a land that today is called Hun-gary - the land of the Huns - where their descendants reside today along with Slavs and a few remaining Germans.

² "Thou shalt not take a wife ... of the Canaanites ... but thou shalt go ... to my kindred, and take a wife." Gen 24:3,4; "So shall we be separated, I and all of Thy people, from all the people that are upon the face of the earth." Ex 33:16; "I am the Lord your God, which have separated you from other people." Lev 20:24

ARABS - Arabs, living in the Arabian Peninsula, were united by Mohammed under the banner of Islam. In a few short years, they stormed out of the Arabian deserts and conquered Palestine, Syria, Egypt, and North Africa. Crossing over into Europe they swept through Spain and into France where they were stopped at the hard fought Battle of Tours.

Retreating back into Spain, they dug in their heels and held that land for almost a milleium and a half before being expelled. However, they left behind colonies. Because of them large parts of Southern Spain are in fact Turk. These are the same Turks who furnished so many "Spanish" settlers to Mexico and South America where they mixed with Indians and Negro slaves. The result is the Hispanic who is invading the southern United States.

HISPANIC: The Hispanic is a Esau-Cain/Arab-Turk/Indian-Negro mixture - a Turk. He has all the characteristics of the Turk. He conquers by migrating, building colonies, and taking over the land, and moving again. The following describes them very well: *"Among the children of Cain, there was much robbery, murder, and sin." II Adam & Eve 13:2*

SICILIANS & S. ITALIANS: The Arab Turks invaded Sicily and from there they invaded Southern Spain. To this very day, both regions speak Italian with a Saracen accent. The southern Italian and Sicilian are a very different breed from the Germans who settled northern Italy a millenium and a half ago. Their colonies in other parts of the world are duplicates of the ones they left behind in Europe and the Mideast.

TURKS: The great Mongol invasions pushed more Turks into the Near East during the time of the Christian Crusades and these Turks soon ruled and intermarried with the earlier

invaders whom they conquered. Mohammedan Egyptians, Kurds, Christian Armenians and Jews became "Turks".

MONGOLS: The nomads living in the great Mongolian Desert were also named by the Chinese. They were united under the dynamic leadership of such men as Genghis Khan and in a short while invaded, conquered and ruled China, India, and Russia - a vast area.

China The Mongol Turks were absorbed into the peoples of their great Chinese empire. In China's northern portions many "Chinese" have decidedly Turkish features and most are much lighter in color than southern Chinese. The Chinese Turk among the merchants of China has a close relationship with Turk merchants in other parts of the world. China is the far eastern terminal of the ancient spice route.

India: The Mongol Turks invaded and conquered India - and are called by historians - "Mongols". They too were absorbed by the multi-racial Indians, but maintain a close relationship with other Turkish merchants over the world. India is mid-way, and a very active partner, of activities on the east-west spice route. It is these Indian Turks who have furnished most of the basic Hindu-Buddhist religious practices and beliefs to other Turks and through them to their conquered peoples.

Russia: Another branch of the Mongol invasion swept into Russia and conquered and ruled that land for centuries. The invaders then passed into Poland and destroyed its army; then into eastern Germany - defeating and almost destroying the Teutonic Knights. Then they passed into Hungary and destroyed the great Hungarian army. From there they drove into the Near East and became embroiled with the Turks living there.

The death of Genghis Khan caused a recall of the Mongol army's commanding officers, but the Mongols held on to their conquests until they were absorbed by the Turks they had conquered, or were driven out a bit at a time as happened in Russia.

Khazars: The Khazars were a Mongol tribe that participated in the conquest of Russia. They were the Mongols' tax collectors. After the great Mongol invasion broke up into its component tribes, the Mongol-Turk-Tartar tribes were driven out of Russia one at a time. The Khazars broke up under heavy assault and were scattered over Russia, Poland, and Eastern Europe. Some made their way into Western Europe. This is what the *Academic American Encyclopedia* has to say about them.

KHAZARS (kah'-zars): "The Khazars, a Turkic people... dominated substantial parts of S. Russia during much of the 7th through 10th centuries. During the 8th century the Khazar aristocracy and the kagan (king) were converted to Judaism.... and for 4 centuries thereafter this Jewish empire held the balance of power between the Christian Byzantine Empire and the Muslim Caliphate.... The Khazars controlled many of the trade routes to the Orient; some of the Radhanites (Jewish merchants from Gaul), for example, were accustomed to crossing the Khazar empire while traveling to and from China and India.... In 965, Svyatoslav I, duke of Kiev, decisively defeated the Khazar army.... new waves of Turkic invaders overran the remains of the Khazar state."³

The Roman Catholic Church, forbidden by the WORD to engage in usury, enslaved the Jews for that purpose and then

taxed them. In time these Turkish-Jews achieved a degree of independence and accumulated great wealth as agents for Turk sponsors in India and China as well as for themselves.⁴

The Khazar Turks and their Christian Jannisaries now provide the cutting edge of the Turk crusade against Christendom.

The Cloak Of Nimrod

To understand the Turk one must more closely understand their ancestor, Esau. Esau got his power from Nimrod. Here's the story:

"And king Nimrod reigned securely, and all the earth was under his control, and all the earth was of one tongue and the words of union. ... (And Nimrod said) let us build ourselves a city and in it a strong tower, and its top reaching heaven... they imagined in their hearts to war against him (God) and to ascend into heaven. ... and they forgot each man his neighbor's tongue, and they could not understand to speak in one tongue ... And they ceased building the city and the tower; therefore he called that place Babel, for there the Lord confounded the language of the whole earth." Jasher 9:20-37

From the above, one learns that Nimrod ruled the entire world, and that under him *universalism* (ie. integration and assimilation) was rapidly taking place. But then, God stepped in with *separatism* and ruined everything.

The basis of Nimrod's power rested in a cloak, or clothing, that had originally been given to Adam by God. Here is that story:

"Cush the son of Ham, the son of Noah, took a wife ... and she bare him a son, and they called his name Nimrod ... And the garments of skin which God made for Adam ... were given to Cush.

⁴ "Edom is in modern Jewry." *Universal Jewish Encyclopedia*, 1925 edition, vol 5, p 41.; "Strictly speaking, it is incorrect to call an ancient Israelite a Jew, or to call a contemporary Jew an Israelite or Hebrew." *Jewish Almanac 1980*, p. 1., Identity Crisis.

For after the death of Adam ... the garments were given to Enoch ... Enoch ... gave them to Methuselah ... and Noah took them and brought them to the ark ... And in their going out, Ham stole those garments from Noah his father ... And when Ham begat his first born Cush, he gave him the garments in secret.. And Cush ... begot Nimrod and gave him those garments through his love for him, and Nimrod grew up, and when he was 20 years old he put on those garments. And Nimrod became strong when he put on the garments." Jasher 7:23-30

The "*Cloak Of Nimrod*" made possible the great Turkish conquests. This cloak is simply - DECEPTION! - which he disseminates through his Media.

Whenever Nimrod put on the Cloak he became powerful and ruled over his neighbors. This is how Esau got the cloak from Nimrod:

"And Nimrod ... came ... when Esau started suddenly from his lurking place, and drew his sword, and hastened and ran to Nimrod and cut off his head ... and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land." Jasher 17:7,10

When Esau put on this cloak, he too ruled his neighbors. His descendants have used it from that time to try to regain the birthright that God gave to Isaac.

The great Arab leader, Saladan, to bring quarreling kinsmen under his rule to fight the Christian Crusaders, set rooms of scribes to work writing and sending letters to followers of his enemies with news stories that deceived them.⁵ Believing Saladan's deceptions, the people of his contending neighbors⁶ left their rulers and fell under his power one after

another. Saladan hardly had to raise a hand to make them submit. With the Arab Turk world united under his rule - the Christian kingdoms in the Mideast were quickly destroyed.

The great Christian Fortress of Kraak withstood every Saracen attack for decades. It was taken by the Turks who used the simple stratagem of counterfeiting a Crusader command that ordered them to evacuate the fortress. "Deception!"

The Cloak Of Nimrod: The "*Cloak of Nimrod*" has been and is being used primarily for three things:

* 1) To destroy Adam-man from off the face of the earth so the Turk might inherit the earth for his own. This mission was first undertaken by the serpent in the garden of Eden and next by the Naphidem giants (see HR 286). This mission has now descended to the Turk - the offspring of Esau and Cain.

* 2) The second use of the Cloak has been to deceive the scattered tribes of Turks and to unite them under one leader into a great irresistible nation. This was the aim of Attila, leader of the Huns; Genghis Khan of the Mongols; and Saladan of the Arab Turks.

* 3) The third use of the Cloak is to deceive and separate Saxon- man from his God. This has been done by teaching Saxon-man that they have been replaced as Saxon Israel, that the Turks are now "God's Chosen People". So few of Saxon Israel know their God's Commandments that they don't know that the Turk claim is impossible since it violates God's Command: "**A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord (Israel).**" De 23:2

⁶ Turks are constantly contending for supremacy. They are remarkably brutal to each other - they always have been. It's their nature. It is also their nature to later join together as if there had been no prior bloodshed to fight a third party. Viewed in this manner it is important to know that the present unpleasantness between the Khazar Turks and the Palestinian Turks will pass and they may likely form an alliance against another whom they consider a mutual enemy. Already the Turks of Turkey and the Turks of Palestine have a close alliance.

If the Saxon can be made to believe this lie - that the Turks are "God's Chosen People",⁷ it separates the Saxon from their God because God's Commandment also says, "*I was not sent but to the lost sheep of the house of Israel.*" Matt 15:24. Consequently, many Saxon/Israelites (including foolish "ministers of God") believe this Turk lie and consequently believe that both the WORD and the "Word made flesh" is alien to them. There are other things the cloak hides.

Interracial Marriage: The most ancient of all the Turk strategies he learned from his forebears:

"If you ... gain a victory over them (the Israelites, then do thusly) ... Set out the handsomest ... of your daughters ... then ... send them to be near the Israelites ... and when they are enamored of them ... persuade them to leave off their obedience to their own laws and the word of that God who established them ... for by this means God will be angry at them ... This Balaam ... did ... suggest ... by making us of which, our enemies had well-nigh corrupted the whole multitude of the Hebrews with their wiles ..." Antiquities 4:6:6-13;

"Adam and Eve returned from the mountain ... but when there a multitude of beasts came all round them. It was Satan's doing ... in order to wage war against Adam through marriage." I Adam & Eve 69:9-11.

This is why the Turk pushes so hard for the integration of the races and sexes in schools, military and the market place. It is what his fathers did.

Turk Money Builds Turk Buildings: Turk money builds buildings in New York that look like the buildings in Johannesburg, Leopoldville, Hong Kong, Singapore and Suez.

⁷ *"Ye are a chosen race, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light." I Peter 2:9; "The LORD thy God hath chosen thee to be a special people unto Himself, above all the people that are upon the face of the earth." Deut 7:6.*

They all look alike because they were all built with Turk money and the piper calls the tune.

True Owners: ALL large stock corporations are owned or controlled by Turks. This is why there are stock companies and bank nominee names - to conceal the Turk ownership. If competing Turks had not needed the Saxon as allies against other Turks - the Saxon would have outlived his usefulness long ago.

Usury: Usury is forbidden to the Saxon, but the Turk practices usury even when the Islamic religion of some of them forbids it. If this usury chain is not broken, in time it enslaves all who use it.⁸ In the meantime it allows its practitioners to amass tremendous wealth.

Politics: The Turks use their usury wealth to set up kings to protect their trade markets. In today's world, all kings (or their equivalents) are agents of the Turk's "International Trade Cartel" (ITC). Rebels in the American South, South Africa, Germany and Japan have been destroyed in wars levied by cartel surrogates to remove competition, potential opposition and to open new markets.

Religion: The Turks use their usury wealth to make friends with the Gods of their trade markets so that these Gods will not tell their people to destroy the Turk merchants. This is done by endowing seminaries, training priests and allowing priests to use their media to gain personal wealth. All that they are required to do is to tell their flocks that they must accept everyone without regard to "race, creed, or national origin." This is "trade Buddhism".

⁸ (See *War Cycles/Peace Cycles*, Hoskins)

Kings and emperors set on their thrones by Turk merchants established episcopal type religious organizations to bless the kings and emperors who created them. If the "behind the scenes" rulers are Turks it is reasonable to assume that the episcopal religious organizations will bless the Turk and represent his views. It therefore comes as no surprise that the head of one of the largest episcopal religious organizations is said to be a Polish Turk.

Media: Turk wealth enabled them to buy a world-wide media monopoly. All news (except for the small alternate media) is Turk in origin. Saladin's newsletter copying rooms have been expanded to include thousands of newspapers, radio and TV stations and magazines. The media and their personnel have become the Turk's foremost intelligence gathering/propaganda agents.

Politicians: The Turk media owner advertises his agents for Saxon political office. Knowing no one better, the people select the one they like best of the Turk's agents to be their ruler. Thus, the Turk actually selects the Saxon's rulers while making the Saxon believe that he has elected one of his own.

These Turk ruler agents appoint judges to rule that whatever the Turks do is "legal". Thus, the judges are also Turk agents. Nimrod's cloak of deception covers the land and rules the people - and lawlessness, as defined by the WORD, abounds. Few see that the "emperor has no clothes."

Names: The Turks disguise themselves as Saxons by adapting their haircuts⁹, their clothing styles, and their Saxon names.

⁹ "Neither shall they shave their heads nor suffer their locks to grow long; they shall only poll (closely cut) their heads." EZ 44:22.

The Turks have created Hollywood to condition and program the Saxon. This Hollywood has awards presentations. Whoever is the best "deceiver" - wins - and the people cheer as if rewarding the ability to deceive was a good thing.

6-Million Deception: Without proof, the Turk media alleges that 6-million Turkish Jews were gassed during WWII. The Turk media must repeat the charge weekly, otherwise, the actual holocaust of 9-million Saxon Germans, who were put to death on Turk orders AFTER WWII ended, will be discussed.⁹ Such a discussion will have repercussions. This is why it must be pre-empted by the weekly never-ending 6-million "hate - the German Saxon" campaign.

Janissary: Turk rulers discovered that having organized bands of armed Turks was not conducive to the ruler's own long life. They solved this dilemma by taking Christian children and raising them as Turks. By nature these captives were made in the image of the WORD; they were not naturally liars, thieves and murderers.

In Saxon lands today, Saxon children are placed in government schools and taught Turk customs, and history. The more promising of them are recruited into the Turk occupation government. Thoroughly indoctrinated and reliable, they can be sent to Ruby Ridge and Waco to slaughter their own Saxon people. The Turk courts protect them from punishment and the individuals involved are rewarded and told that they have done a good thing. In America their name is "FBI" and "ATF". They are "Jannisaries". If ordered - they will come to your house and kill you, your wife and children without blinking an eye or asking why. The Turk media will provide

8 "Neither shall they shave their heads nor suffer their locks to grow long; they shall only poll (closely cut) their heads." EZ 44:22.

9 *Crimes and Mercies: The fate of German Civilians Under Allied Occupation, 1944-1950*, By James Bacque, London, England: [Little Brown & Co, 1997]

the necessary "demonization" to justify the act, the courts will make it legal, and Saxon priests will say nothing for fear of losing their tax- exemption.

Other Jannisaries will kill thousands of innocent Iraqis and Yugoslavs. They, too, have been trained to believe that their Turk-ruled government is always right. This is today's Turk Jannisary. The word Jannisary is Turkish for "white slave".

Kosovo

Warlike America: Basic Turk strategy has always been to separate their chosen victim from his friends and allies.

The chosen victim is the American and European Saxon. The Turk leaders of Saxon America have led America to attack foreign countries without first being provoked. These attacks have had the effect of separating America from any allies which she may have had in the world. The attack on Ruby Ridge and Waco by America's Janissaries isolated her from even her own Christian patriots. The result of these attacks is that America has become the most hated country in the world. Internally, she racially divided and is becoming more so as waves of Saxon-hating immigrants are allowed to form colonies in her midst. When the world turns on America to destroy both her and her Saxon people - there will be no one to come to their defense.

Separating Brothers: With an occasional exception - Ham has been the usual predator - Shem and Japeth the victims. If Shem and Japeth were to form an alliance against Ham's Turks - the Turks predatory ambitions would quickly be contained.

To prevent this from happening, the Turks encourage strife between the Slav and the Saxon. What better way than to have Turk-led Saxons assault relatively defenseless Turk-led Slavs and kill them by the thousands? There are other reasons, but this is the strategic reason for the attack on Yugoslavia.

Problem: The plan would collapse if the Yugoslavs refuse to fight. The aversion to fighting an overwhelming NATO force can be accomplished by the determination, in the early 1990s, that the Yugoslav leaders would be tried as war criminals. What nation's leaders will meekly submit to being hanged in a Nürnberg kangaroo trial? There would be nothing to lose and perhaps something to gain by fighting.

Justice: What about the 500,000 Serbs who were themselves uprooted from Croatia and Bosnia - with the encouragement of NATO? NATO is NOT demanding that these refugees be returned and their property restored to them by the confiscating Turks. In other words - the Serb Slavs will be shown no justice. Their choice is to fight and chance the fortunes of war, or surrender and undergo occupation, dismemberment, and have their leaders tried as war criminals.

Immediate Gain: In the short term, the annexation of Kosovo by Turkish Albania provides the incentive for Yugoslavia's Turk neighbors to pile on. The reason is that Kosovo contains some of the richest mining deposits in Europe.

Deep Pockets: Sara Flounder, on July 30, 1998, wrote an article entitled: "Kosovo, The War Is About Mines". She says that the 'Stari Trg' mining complex is at the heart of the matter and quotes the mines director, Novak Bjelic, "The war in Kosovo is about the mines, nothing else. This is Serbia's Kuwait - the heart of Kosovo... In addition to this, Kosovo has 17 billion tons of coal reserves." Apparently the mining complex with its glittering veins of lead, zinc, cadmium, gold, and silver, topped by 17 billion tons of coal is reason enough to turn a Turk's eye, which has been turned for much less in days past. The South African gold mines were enough to cause Turk-ruled Great Britain to send a third of a million soldiers to the tiny nation of S.Africa.

To turn the *Stari Trg* mines over to Muslim KLA terrorists would destroy Yugoslavia economically - and doubtless enrich members of the International Trade Cartel who are powerful enough to use the US and NATO's armed might to implement their private ventures and the KLA as their "on-the-spot" surrogates.

If the UN or NATO troops are put in charge of the mines, a massive transfer of wealth will take place. The Slav-Serbs lose their greatest natural resource - the Turk gains the mines AND - an irreparable wedge is driven between the Saxon and the Slav.

Either way the beneficiary is the "Turk", by whatever name he chooses to be called.

Problem: The Turk has *Nimrod's Cloak*. Because of this the Saxon cannot see that he is being deceived and destroyed.

Solution: The solution lies in a revival of the Saxon's faith in the WORD, which is his God, and what it requires of him - which is why the Turk and his agents are actively persecuting the new Christian Reformation.

"The enemy is eager to destroy all that call upon the Lord. For he knoweth that upon the day that Israel shall repent, the kingdom of the enemy shall be brought to an end." Book of Dan 2:16-17.

Chapter 298

SAXON

Saxon Slaughter

Nemmersdorf, in East Prussia, fell to the Red Army for only 48 hours in October 1944, and was then recaptured by the German Army. All villagers had been murdered in the most brutal manner. Women and children were gang raped and then killed. Some had been nailed, naked and in cruciform position to barn doors.

The American historian and diplomat George Kennan wrote: "The disaster that befell this area with the entry of the Soviet forces has no parallel in modern European experience. There were considerable sections where, to judge by all existing evidence, scarcely a man, woman or child of the indigenous population was left alive after the initial passage of Soviet forces... The Russians swept the native population clean in a manner that has no parallel since the days of the Asiatic hordes."

East Europe was ethnically cleansed of between 17 to 19 million Saxons with over 3 million dying in the process. Saxon cities built centuries ago are now inhabited by Strangers. Two million were ethnically cleansed from Rumania, Hungary and Yugoslavia. Three million from Germany's Sudatenland. A total of up to 12 million were starved or died of disease after WWII ended in a holocaust planned before the war started.

Even before the beginning of WWII there were atrocities such as the Bromberg Bloody Sunday Massacre of defenseless German citizens. "Hardly a house in the German district of Bromberg can be found which has not lost 2 or 3 family members to the murderers ... More dead are still being found. ... German residents were attacked on the streets by mobs and beaten to death. Their bodies were later mutilated. Their limbs and hands were broken, ears, noses and tongues cut off. ... In Schwersenz, German victims were found disemboweled and castrated by their assailants."¹ Now, the land of captive Germans has been flooded with Strangers to destroy them through intermarriage.

In Russia, 30,000,000 Russian Saxons died in Gulags during the late teens and twenties after being conquered by the Turk/Slav alliance.

In South Africa, the entire land was burned by the British Empire - homes, barns - everything. The livestock, sheep and cattle were shot down in the fields - entire herds. There was almost nothing left alive for hundreds of miles except smoking ruins. Boer women and children were rounded up by the soldiers and herded into concentration camps and starved. A

large part of all the Saxon women and children in the land died there. Now, Blacks have been put in power to rule the Saxons and finish the job of destroying them either through intermarriage or the sword.

The American South was invaded and torched to destroy their Self-Sufficient Farm system that made Southerners free and independent of the International Trade Cartel (ITC).²

Some Southern Saxon states lost a quarter of their male population. The land was systematically looted. Again, women and children starved. Defeated, they were deprived of the vote and Blacks were put over them to rule, making their lives a living hell. Allowed a breathing spell, Southern Saxons were released so that they could help destroy their Saxon-German brothers. Now they are again being subjected to ethnic cleansing and the ITC is flooding the land with Strangers to destroy the Saxon through intermarriage or the sword.

What We Have Done Wrong

Saxons have meant well - they have tried to do that which was right. But, they made a tragic mistake. They listened to

2 FARMS: "Next, Karl Marx. The Protocols say, 'The aristocracy of the peoples, as a political force, is dead ... but as *landed proprietors* they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they live. It is essential therefore for us at whatever cost *to deprive them of their land* ... At the same time we must intensively patronize trade and industry ... what we want is that industry should drain off from the land both labor and capital and by means of speculation transfer into our hands all the money of the world ..."

"Karl Marx in his *Communist Manifesto* exactly followed this formula. True he declared that Communism might be summed up in one sentence, 'abolition of private property', but subsequently he qualified this dictum by restricting actual confiscation to *land* and implying that other types of private property were to remain intact. (In the later Marxist event, of course, all private property was confiscated, but I speak here of the strict parallel between the strategy laid down *before* the event alike by the Protocols and Marx)." *The Controversy of Zion* by Douglas Read, Noontide Press, Newport Beach, CA, 1985. p. 219

Strangers and as a consequence they don't know who they are. And, not knowing who they are they can't know who their God is. As a result of not knowing their God they have been unable do what their God has commanded them to do - the only thing that will save them from their enemies.

Identity Crisis

Most Americans of British extraction call themselves Saxons. They are told that their ancestors were Anglo-Saxons who came from the British Isles. That's all they know.

Others have studied their ancestry by reading books like the *Saxon Chronicles*. They discovered that they are also descended to even a greater degree from the waves upon waves of Vikings who arrived from northern Germany and Scandinavia and stormed into the British Isles and settled there. The Angles and the Saxons were merely the first of many waves of these early "Vikings".

Still others have paid attention to what is actually said at the coronation of Europe's kings and queens. At Queen Elizabeth II's televised coronation in 1954, with great pomp her genealogy was read tracing her descent and claim to rule back to the earliest Saxon rulers and beyond.

Many royal genealogies are traced back beyond Charlemagne to Kings Thor and Oden and from there on back to the patriarchs of the Bible - Abraham, Isaac and Jacob.

These claims are accepted by the Roman Catholic Church, the England's Episcopal Church and are on file in the Vatican, Edinburgh, London, Belfast, Stockholm, and in the archives of governments and the better libraries throughout the West. The student of such things soon discovers that these genealogies are legal and binding in courts of law.³

The question arises, why isn't this information general knowledge? The answer is simple. It is! Everyone who is interested knows. It is only the man-in-the-street, the one most affected, who doesn't know. There is a reason that this knowledge has been kept from him; every time this information has become general knowledge and people discover who they are and what their God requires of them, the people have risen and attempted to overthrow their kings. This is why the

³ Chapter 266 contains several such lines.

ancestry of the Saxon nation is information for their kings and nobles and certain others but not for the people on whose collective backs kings and their followers ride.

The Bible

The word "nation" is different from "country". A country is a taxable entity established by kings. A nation is something different - it is a people who have a common ancestry and is established by God. We are a nation - the Saxon nation.

All Westerners are blood kin - that is what is meant by the word "nation". Most people can trace one or more lines of descent from the kings of Scandinavia, Germany, France or Great Britain. In other words, what applies to the kings also applies to the entire nation. If kings of Europe can trace their ancestry back to Abraham, Isaac, and Jacob - so can the rest. With this understanding also comes the understanding that the Christian Bible is more than a book of religious instruction, it is a history-book-genealogy of our nation.⁴

God's Commandments contained in the Bible were put there to keep his people safe from those who would destroy them. The Bible also contains "covenants" concerning land, marriage, government, ownership and rule. These covenants were made with the patriachs and their descendants forever. Since we are their descendants, we inherit the benefits of the covenants.

⁴ *"Think not that I am come to send peace on earth: I came not to send peace, but a sword. I am come to set a man at variance against his father, and the daughter against her mother, and the daughter-in-law against her mother-in-law. And a man's foes shall be they of his own household." Matt 10:34-36*

Forbidden Knowledge

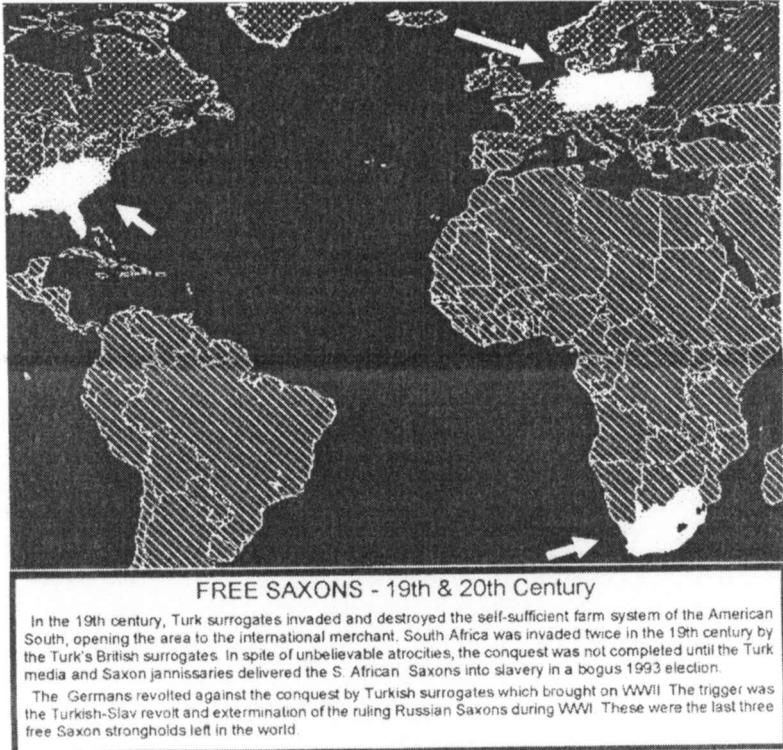

The ITC has ruled us for a long time. It is not to their benefit to have Westerners think that this is not as it should be. This is why, in recent years, they have claimed to be us and have claimed our heritage and right of descent. The whole thing would be laughable if the results were not so tragic. The result of telling our people that we are not Israel called by a different name⁵ then gives new meaning to Jesus' statement, "*I am not sent but unto the lost sheep of the house of Israel.*" *Matthew 5:24*. If we aren't descended from Israel it means that we can only understand God through those who call themselves *Israel*. This takes the Bible from us and gives it to an alien race; it completely and effectively separates us from God the WORD - as it was intended to do.

This is why ITC religious surrogates attack us so ruthlessly for the crime of studying our past. After all, what usurper wants his victim to know that he is really the king and the usurper a thief and a liar? The victim might take strong exception to the deception.

India

Formerly, the international merchant operated in the West through surrogates who were members of Western society. Only recently has the merchant's grip on governments and the media become so powerful that they feel secure in openly sending representatives of their own kind to directly manage their business affairs.

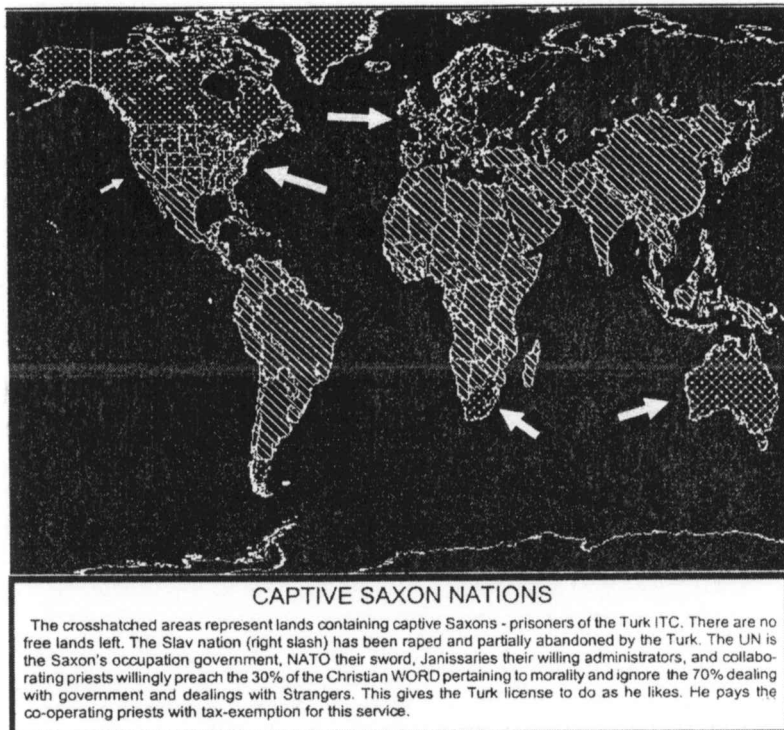

⁵ *"The Lord God shall ... call his servants by another name." Isaiah 65:15; "They shall no more be remembered by their name (Israel)." Hos 2:17; "In Isaac shall thy name be called. (Isaacsons, Saxons)" Romans 9:7*

Today, Hindu temples are springing up all over the land where few Hindus live. This indicates a tremendous surplus wealth. Today, one sees Indians appearing on TV who are Chief Executive Officers of major corporations. Some are even major televangelists expounding the mysteries of our own Christian religion. The sudden appearance of these people, seemingly out of nowhere, has sparked an interest in India, its history, and its gods:

The Dharma Weapon

In the second century B.C. King Asoka of India developed the "*Dharma*" technique of warfare to force India's different

racess and religions to accept one another so that they might be easily governed.

Dharma - "*Dharma*" teaches Dharma-tolerance; tolerance of all races and religions as being different manifestations of the one great world force god - Brahma. Dharma is taught to prevent religious disturbances and disrupting trade and tax collections in ITC trade areas:

India's Merchants - India's merchants cannot trade India's wares unless they make peace with the gods of that market area. Protection against irate gods must be purchased

to make a market area safe. This involves bribing kings who in turn bribe priests.

Bribing Kings

ALL kings in ALL market areas used by the International Trade Cartel (ITC) are in the pay of the ITC. This includes those who are apparently enemies.⁶ Otherwise irate gods and irate peoples would have long ago driven the ITC from their lands. The bribery of kings takes place in this manner:

* Little kings are given gold to buy arms and pay soldiers so that they can become big kings.

* Big kings are promised wealth so that they might become even more powerful.

* Uncooperative kings are replaced by financing and arming pretenders.

* Rebellious kings are overcome by alliances of kings loyal to the ITC.

Bribing Priests - Kings, as ITC agents, give tax-exemption to priests who add "Dharma" to their religious ritual; ie to love everyone "without regard to race, creed or national origin." Once a people are taught by their priests that their god accepts everyone, the merchant can then safely enter and buy and sell.

Dharma has proved itself extremely effective. King Asoka boasted of conquering the world-powerful Greeks even while Greek historians were telling the world that Alexander The Great had conquered India. Here is the story:

⁶ Saddam Hussein and Ho Chi Minn both were once in the pay of the CIA.

Asoka's Boast

"King Priyarsi (Asoka) considers moral conquest (that is, conquest by Dharma), the most important conquest. He has achieved this moral conquest repeatedly both here and among the peoples living beyond the borders of his kingdom, even as far away as six hundred (yojanas) (about 3000 miles), where the yona (Greek) king Antiyoka rules, and even beyond Antiyoka in the realms of the four kings named Turamaya, Antikini, Maka, and Alikasudara, and to the south among the Cholas and Pandyas (in the southern tip of the Indian peninsula) as far as Ceylon." *The Edicts of Asoka*, N.A. Nikam & Richard McKeon, Univ Chic Press, Chicago 1959, p. 29.⁷

King Asoka reveals more of his system of conquest:

"King Priyarsi (Asoka) says: My officers charged with the spread of Dharma are occupied with various kinds of services ... they are empowered to concern themselves with all sects. ... Different officials are thus assigned specifically to the affairs of different religions, but my officers for spreading Dharma are occupied with all sects."⁸

Financing Conquests

To finance and continue *Dharma* conquest, King Asoka transferred 1000 million gold pieces to the monastery of

⁷ "The five kings referred to have been identified as follows: Antiyoka = Antiochos II Theos of Syria (261-246 B.C.); Turamaya = Ptolemy II Philadelphos of Egypt (285-247 B.C.); Antikini = Antigonos Gonatas of Macedonia (278-239 B.C.); Maka = Magas of Cyrene (300-258 B.C.); and Alikasudara = Alexander of Epirus (272?-258 B.C.)."

⁸ *The Edicts of Asoka*, N.A. Nikam & Richard McKeon, Univ Chic Press, Chicago 1959, p34.

Kukkutarama for missionary work. This is a stupendous amount of money. In addition, he appointed the Hindu priests to be custodians and managers and bequeathed to them the entire world in which to practice their craft.

This illustrates the power, influence and wealth that the Hindu priests and merchants were and are now able to put into their missionary movement. It explains how multimillion dollar temples are erected in areas of the West virtually devoid of Hindu followers, and multi-billion dollar corporate buy-outs of Western companies appear from nowhere.

Asoka's efforts bore fruit within his lifetime. The conquering Greeks were themselves conquered by Indian *Dharma-tolerance*. The Greeks added foreign gods until they too worshiped a galaxy of gods just as in India, and they accepted and mixed with strangers just like India and became lost to our nation just as India had become lost to our nation many years before.

Jesus

Israel was taken into captivity almost 700 years before the time of Jesus.⁹ Only a fraction of her people were left in Palestine and these were rapidly accepting Dharma and tolerating the gods of the Greeks and Romans.¹⁰

9 "There are but two tribes in Asia and Europe subject to the Romans, while the 10 tribes are beyond Euphrates till now and are an immense multitude." Josephus, *Antiquities* 10:5:2

10 "The 10 tribes, which were carried away prisoners out of their own land ... whom Salmanasar the king of Assyria led away captive ... But they took this counsel among themselves, that they would leave the multitude of the heathen, and go forth into a further country, where never mankind dwelt, That they might there keep their statutes, which they never kept in their own land. And they entered into Euphrates by the narrow passages of the river. ... For through that country there was a great way to go, namely of a year and a half and the same region is called Arsareth." *II Esdras* 13:39-45

Jesus brought the WORD back to a nation dying for the lack of it. He spoke with authority and not as the preachers of that day. Once his listeners heard the WORD, they learned that their nation was ordered by God the WORD not to trade with, live with, or follow the gods of strangers.¹¹ This is the WORD that Jesus Christ brought to his people and the religious hierarchy killed him to stop it. But, the WORD spread and impacted the trade and profits of the Roman empire.

Rome's State Religion

The ITC demanded that Rome's emperor protect their business interests. Emperor Constantine pre-empted Christianity and made it a state religion. He appointed his own priests. They taught what they were told to teach and concealed what they were told to conceal.

The Thirty Percent Religion

The priests of the new empire church taught the people parables that they selected from the newly proscribed Bible dealing with personal improvement. This consists of 30% of the Bible. The remaining 70% dealing with government they considered to be the government's business and so it was concealed from the people. From this time, the teaching of only 30% of the Bible became the trademark of ITC Christianity.

¹¹ *"If thou has stricken thy hand with a stranger (2114), thou art snared with the words of thy mouth." Pr. 6:1: "They shall not dwell in thy land; and thou shall drive them out before thee. Ex 23:31; "They shall not dwell in thy land, lest they make thee sin against me. 1 Ki 4:21.*

Episcopal Rites

This censorship of God's Commandments left a great void in the WORD which was filled with ritual in an attempt to give substance to the state religion. The new religion adopted the rituals shown to the right..

Many Westerners believe that it is no coincidence that these are the same rituals used by the Hindus in India, the home of the international merchant. All episcopal religions the world over utilize combinations of these rituals.

- * processions
- * parading relics
- * body parts for relics
- * incense
- * shaven heads
- * celibate priests
- * pointed hats
- * works for merit
- * robes
- * idols
- * rosaries
- * integration
- * tax exemption
- * monasteries & convents
- * missionaries
- * holy water
- * male & female priests
- * saints
- * auricular confession
- * pilgrimages

Charlemagne

A powerful king, Charlemagne, was commissioned to conquer peoples lying outside the control of the Roman Church. He conquered the northern Saxons. Those he conquered were forced to convert to the new episcopal religion and believe that the teachings of the priests were God's own word. They also had to pay tribute (taxes). The tribute was split between King Charlemagne and the church.

The WORD Causes Revolt

As long as God's Commandments remained suppressed the people remained in bondage and peacefully labored for their oppressors. Whenever God's Commandments became known to the people - they revolted. There were many such revolts.

One of the most memorable occurred in 1381. There was a disagreement between the English king and Rome over the division of tithe and tax money collected from the people. The king needed God on his side so he allowed a Catholic priest, John Wycliffe, to print and distribute the Bible. The people quickly learned that God's Commandments said that they were free of taxes and that the land didn't belong to the king and his nobles, but was to be divided among the people and never sold. Suddenly, 40,000 men in their manorial militias were marching on London. It was a near thing. The king and the church quickly became friends again, and together they beat the people back into servitude and hanged their leaders. Once again the Bible was banned.

This revolt was followed by that of Huss (1372-1415) and Zwingli (1481-1531). Both of whom died in a sea of blood.

Again there was a dispute over the division of the people's tithes and taxes and the church land-monopoly. This time the disagreement was between German kings and the Roman Church. The kings wanted to keep church land they had seized and needed God on their side. They allowed their supporter, the Catholic priest Martin Luther (1483-1546), to translate and print the Bible in German.

The people learned God's Commandments and instead of supporting the kings, they took back their own land that had been taken by the church and the German "peasant revolt" (1524-1526) began. It was suppressed by the kings in an unbelievable blood bath and their leaders were hanged. The German kings seized the land taken by the people and for 30 years (*30 Years War* 1618-1648) they fought supporters of the Roman Church to determine its ownership. When it was over the kings appointed their own protestant episcopacy priesthood who carefully censored Biblical teachings before

teaching the people, and the Catholic ban on Bible reading remained as firm as always. With God's Commandments again carefully suppressed the peace of the slave returned to Germany.

Tyndale (1494-1536) printed the Bible and was burned at the stake for doing it.

Calvin (1509-1564), Knox (1514-1572), and other reformers translated and printed the Bible in far away Switzerland. These Bibles were smuggled into England and Scotland. Again, the people learned God's Commandments and they rose and overthrew the king. Their protestant leader, the turncoat Oliver Cromwell, seized power for himself, gave the land to his own followers, suppressed dissent, and put the reformation on "hold" for his lifetime. His successor, Charles II went after the English Puritans and Scottish Covenanters with a vengeance. Presbyterian preachers were hunted down and shot on the spot or tried and hanged; entire church congregations holding services in fields and woods were killed or taken captive and thrown in prison. God's Commandments were again suppressed and the serfs peace returned to the land.

A few renegade presbyterian preachers escaped to America where their teachings revealed things the king's Episcopal Church had long gone to great trouble to conceal - and America broke into revolution.

It has only been in the last 50 years that the last teachings of the WORD by these valiant and self-sacrificing preachers have been stamped out. Now, once again, the teaching of only 30% of the Bible is tolerated by the king's edict. The rest, the 70% that tells of the government that God wants his people to have is banned. As a result of apostate heathen in the pulpits of the land, the country is sinking into a morass of

disbelief and the punishment promised those who reject God's teachings is settling on the land.¹²

The Guru

In India there are no laws or commandments other than general admonitions to do right. Therefore, to reach *Nirvana* one must find a teacher to reveal god's will, and then he must give to that teacher, his "guru", the respect and veneration that Westerners reserve for their God.

This places the ITC approved preacher on a pedestal. When others come teaching all of God's Commandments these Western copy-cat gurus become offended - their opinions are being challenged.

Today Is Like Yesterday

Today is like yesterday. Once again we have no leader and can see nothing but troubles. But, we have read the operating manual; we know who we are and know how the story ends:

"Thus saith the Lord which giveth the sun ... and the ordinances of the moon and of the stars ... If those ordinances depart ... then the seed of Israel also shall cease from being a nation before Me." Jeremiah 31:35-36.

"When thou art in tribulation ... even in the latter days, if thou turn to the Lord thy God, and shall be obedient to his voice ... he will not forsake thee, neither destroy thee, nor forget thee, nor forget the covenant of thy fathers which he sware unto them." Deut 4:30-31

¹² *"But if ye will not ... do all these commandments; ... I will send wild beasts among you which shall rob you of your children." Lev 26:14-22*

Conclusion

With the discovery of his true identity the Saxon discovers his God. When he discovers his God he will discover what his God requires of him; then he will be saved from those who would destroy him.

"I will send my word and save thee and thy seed." II Adam & Eve 12:6;

Letter From South Africa by KJ

The election circus was a catastrophe and on the last day of counting they more or less sat down and worked out something amicable to the ANC. Mbeki tried to make Buthelezi (Zulu) vice president if he gives up his premiership of Natal, so far, Buthelezi has refused. But from what we hear he has been close to the ANC since before the 1994 election and a last-minute meeting at the Kruger Park. A black is most unpredictable so it is difficult to say what the outcome will be.

Today is the inauguration party in Pretoria costing millions to be paid by us. They have been cleaning, tarring and painting the place. Gardens are clean and green. What a charade when the country is falling apart.

Before the election the Dutch Reform Church promised their assistance and they delivered - making their church's halls available as polling stations. But we have become used to expect the worst from them. As time goes by, like other Afrikaans churches, they will experience a big fall in income from disillusioned church members.

The Conservative Party has all but disappeared having only 1 or 2 seats in parliament. The same goes for Viljoen's

Freedom Front. Some liberal Afrikaners voted for Tony Leon (Democratic Party) who is Jewish. The Jews have always been the enemy of Afrikaner nationalism and have worked their whole lives to advance the blacks over the whites.

We do not like the Russians, but it was good to see them in Yugoslavia before the rest of Clinton's and Albright's army.

Mbeki in his speech spoke of "beginning of a new dawn". Wonder where it will start? In 1994 the state was still functioning. Hospitals, schools etc., but now things are coming to a halt. Those whites who maintained services are gone. The blacks never spend a cent on upgrading and they have spent the once carefully controlled finances on themselves. Some say the quicker things collapse the better.

Not many here were taken in with the air-strikes by England and America on Yugoslavia, destroying and killing to satisfy their own program of world domination. That is the work of the shadow government.

The Nato generals on CNN in the afternoons give answers that are full of lies. We should be used to false propaganda emanating from the British Foreign Office and its media. A BBC documentary on police brutality in SA upset many. Since these police were all white and no faces were shown it makes me think it was a set-up. The things these police were supposed to do to black hijackers are simply not true.

It still seems that England cannot mind her own business, and for Tony Blair to tell Mandela that they are on track with their crime prevention efforts, can only mean that England is satisfied with the results of Britain's own ever-increasing crime rate. On TV we saw a gang fight in Brixton London seconds after a white and black gang passed each other on the street.

Salaries for black domestic workers have gone up so much that few will be able to afford them. It is just as well. Black servants learn the white families habits and pass that information on to terrorists who attack when they are not prepared.

Last Sunday an article appeared about a young Afrikaner and his family now living in Florida USA. Tom Visser is an agriculture engineer and developed an orange harvester that will replace 250 good orange pickers. The family wrote to me last year but in the tone that it is best not to resist black rule and better to leave our country.

I was not amused. We have a duty to this country which God gave to our forefathers and we made a Covenant with Him. Although it is not nice living here now the tide will turn when we return to God's ways. Only sometimes one wonders if many of our people want to return. Pubs sprout like mushrooms and big casinos are being built. But if some are right and WWII is near, things will change very quickly, although that thought is nothing to look forward to. The white race always loses the most in wasted lives and they are the ones who have to start from scratch.

Very few white people beg. One woman told my husband yesterday in the post office that she picks up aluminum cool drink tins for recycling next to roads, near stores etc. and she pays her way. She is lucky that blacks always throw out empty tins through the nearest window. I admire her spirit.

With best wishes, K.J.

Chapter 299

PRIESTS

Lynchburg - City Of Church Steeples

Lynchburg is a city of church steeples. This is the way it has been since it received its charter in 1786, and the way it has been described by travelers over the last two centuries. Churches everywhere with a God-fearing population to fill them.

There is also another Lynchburg. In the 1920s, Lynchburg was said to have had more whorehouses, gambling joints, and booze establishments than any other city east of the Mississippi.

Billy Sunday Comes To Town

Billy Sunday came to town. He couldn't believe what he saw. He vowed that he wouldn't leave Lynchburg until it changed.

Putting action to his words he rented the fairgrounds near where Timberlake Road and the Airport Road meet, set up a tent, put sawdust on the ground, and started to preach - sunny days, rainy days, cold-wet-snowy-winter days, sweltering hot summer days - Billy Sunday preached under that big tent. He preached all the things the establishment churches didn't preach. Sometimes he preached to a handful, at other times he preached to overflowing crowds.

One at a time, non-establishment Lynchburgers (and some establishment ones) walked the sawdust trail and accepted God's Commandments to rule their lives. Gradually people stopped going to whorehouses, saloons, and gambling joints. One at a time these establishments closed up for the lack of customers. When Billy Sunday left Lynchburg, Lynchburg had changed. While "establishment Lynchburg" was the same, the rest had changed. Lynchburg was different.

For years I belonged to the Gideons; many of the old timer members were saved under Billy Sunday. They told me what Lynchburg was like before Billy Sunday, and what they were like before they changed. Billy Sunday did something that no one else in Lynchburg was doing. He told people what God required of them - God's Law. While people may forget what Billy Sunday said and what their preacher said, they aren't going to forget God's Law. Billy Sunday spoke with authority because he spoke God's Law when no one else did and people respected that. This was Billy Sunday's secret weapon. It changed Lynchburg.

Moses' Warning

The Children of Israel left Egypt and spent 40 years in the wilderness where a new generation could be born that was cleansed of the evils of Egypt and fit to enter the promised land. But, when the Children of Israel emerged from the wilderness, they brought with them a full blown Priesthood that was as worthless, destructive, hypocritical and evil as the priesthood we have today.

They were so rotten that Moses wrote the following to warn Israel:

"Moses commanded the Levites ... saying, Take this ... law and put it in the side of the ark ... that it may be there for a witness against thee. For I know thy rebellion ... behold, while I am yet alive ... ye have been rebellious against the Lord; and how much more after my death? ... For I know that after my death ye will ... turn aside from the way which I have commanded you." Deut 31: 24-29

Moses spoke truly. Preachers are the root cause of all our troubles. They prostitute *"the WORD which is God"* for filthy lucre, and except for a few who have often sacrificed all by carrying the light of the WORD, these evil creatures would have destroyed us long ago.

Two Kinds Of Preachers

* A few preachers serve God and teach that God's Commandments are supreme.

* Most preachers serve the king and teach that the king's statutes are supreme.

State Priests: - Priests who serve kings are called "state priests". Evil kings need evil priests to bless their rule. This keeps the people docile and agreeable when the king's rule flagrantly violates God's Commandments.

30%C - State priests keep the King's subjects peaceful by censoring 70% of the Bible - the 70% of God's Commandments dealing with government. The Scriptures say, "*ALL SCRIPTURE is given by inspiration of Yahweh and is profitable for doctrine.*" II Timothy 3:16-17. A 30% Christian priest who allots 70% of God's Commandments to the king for his interpretation isn't Christian at all. That priest's god is the king! He teaches only the 30% of the Bible that deals with the individual. This is why those who hear and believe the teachings of State Priests are called "30% Christians" (30%C), because that's all they are - Thirty Percent Christian! The world can go to hell in a handbasket and all they know is - "love", and, they don't know the true definition of love because that secret is part of the forbidden 70% dealing with government that the state priest tries to keep them from learning.¹

The king pays the priests performing these services for him with "tax- exemption".

God's Priests - The few pastors who teach God's Commandments, including the 70% of the Scripture that deals with government, are punished by being condemned and hounded by the king's State Priests and by having the King deny them the same tax-exemption he gives his own priests.²

The International Merchant

For the benefit of those who have only recently discovered that there is something drastically wrong in the Christian West, a brief review is necessary:

Esau is the international merchant. He married the daughter of a Canaanite, one cursed by God, therefore Esau's

descendants are also cursed by the Lord God of Israel.³ They go under the generic name of "Turks".

Their organization is like the organization of a wolf-pack - rule from the top down - and is known as the International Trade Cartel (ITC). It's several branches are perpetually at on-again, off-again war with each other. However, they are united in their determination to destroy the sons of Jacob from

2 GOVERNMENT REGULATIONS FOR CHURCHES: State Churches must: 1) be incorporated. 2) have a recognized creed and IRS approved form of worship. 3) a definite and distinct ecclesiastical government - an hierarchical government. 4) IRS approved formal code of doctrine and discipline. 5) a denomination with a distinct religious history. 6) ordained ministers. 7) ministers educated in state accredited colleges. 8) be neutral on political issues. 9) have tax exempt status issued by IRS. 10) pay a tax to the IRS for tax-exempt status. 11) be engaged in activities furthering exclusively public purposes. 13) Cannot bar its services to the public. 14) The pastor must answer to the IRS as to the daily activities of the church. 15) The IRS must be privy to all financial transactions including sources, donors, expenditures, and if cash is used the leadership will be a likely suspect of money laundering. 16) books and records available to the IRS at all times. 17) The Pastor must inform the IRS of the names of all donors. 18) Gifts to missionaries and evangelists over \$600 require a form 1099. 19) May use only IRS approved methods of fundraising. 20) The pastor will be called to account by the IRS over any stand taken against the tax system. (501(c)3 requires the church support, which is why ministers always say to pay one's taxes. 21) Must submit names of all church workers; pastors, teachers, clerks, counselors, educational directors, office help, associates, and maintenance personnel. 22) Must give unlimited submission to civil magistrates pertaining to all laws - federal, state, and local - including public policy. 23) Must advocate and promote racial integration, and not oppose racial integration. 24) Must not publicly oppose licensing of church ministries. 25) May not engage in political activities opposing pornography. 26) May not support legislation saying that children belong to parents not the state. 27) May not form a Political Action Committee nor actively support legislation opposing lotteries and gambling activities. 28) May not advocate support of the US or state constitutions as the supreme law of the land. (Public policy takes precedence.) 29) May not actively participate in opposing the public school system. 30) May not publicly declare that the church is to obey God rather than the government." the face of the earth so that they can inherit the blessings that God took from their father Esau.

King

God made "man" both king and priest and said that man's insistence on having an earthly king to rule them instead of depending on God's WORD to rule them was the same thing as rejecting God. It still is:

"Then all the elders of Israel... came to Samuel... make us a king to judge us like all the nations.... And the Lord said... the people... have not rejected thee, but they have rejected me, that I should not reign over them.... howbeit yet protest solemnly unto them, and show them the manner of the king that shall reign over them. And Samuel told all the words of the Lord...

"This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots.... And he will take your daughters to be confectioneries, and to be cooks, and to be bakers. And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants. And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants. ... He shall take the tenth of your sheep: and ye shall be his servants. And ye shall cry out in the day because of your king which ye shall have chosen you; and the Lord will not hear you in that day." I Sam 8:11-18

In spite of God's warning, man insisted. They claimed they needed an earthly king to fight their battles so God gave them the best man available to be their king; all the time warning them that earthly kings are not to be trusted - that they would oppress those they ruled. From that day to this, kings (by whatever names they are called) have oppressed their people.

The Stranger Arrives

The stranger found that kings can be bribed. Bribed kings will accept the merchants' money and grant them monopoly privileges, a thing forbidden in the 70% of God's Commandments that State Priests do not teach.

If the king is uncooperative, a pretender to the throne can be easily found who will exchange trade agreements for ITC help to obtain the throne. In this way the ITC has bought the world's rulers and is the power behind their thrones - which would be impossible if strangers were banned according to the priestly censored 70% of God's Commandments.⁴

The Job Of Kings

The job of kings selected by the ITC is to protect the interests of the ITC. The welfare of those the king governs is of secondary importance.⁵

Judges

Kings appoint judges to settle disputes among the king's subjects and to rule that what the king does is legal.⁶ To do this, the judge must rule that the king's statutes are superior to God's Law when the two come in conflict. Only a man who cares nothing for his soul will rule against God and for the

5 The following must be seared into the reader's consciousness if he is to make sense of today's events: Except for the occasional rebel, ALL of the world's kings, premiers, presidents, senators, congressmen, governors, state senators, mayors, judges, lawyers, etc. are either willing or unwilling ITC agents. Most of these personages are media-elected, or are appointed by those who are media-elected.

6 In all my years of speaking at church conferences, I have never seen a judge present and only one lawyer (and this lawyer no longer practices law).

king. No mercy can be expected from these kinds of judges who don't fear God. And God will hold them to account for their acts.

If lawyers appear before the king's judges and argue that God's Law is superior to the king's statutes - the king's judge will see that the lawyer is punished in some way. Kings appoint judges to rule that the king's acts are legal and lawful. He is not appointed to rule that God's Commandments are supreme over the king's statutes.

Money Managers

Most of the world's multibillionaires are appointed to manage a portion of vast ITC assets. In spite of stories to the contrary, these managers are not former penniless immigrants who by dint of struggle and sacrifice and by saving their nickels and dimes for twenty years, manage to accumulate multibillions. In fact, very little of the money they manage is their own. Kings work with these money managers by passing NAFTA type laws to help these people to do their thing.

Media

The ITC owns ALL the world's major media. These media managers select those of their own agents they wish to receive coverage by their managed media. With this publicity the voters will know for whom to vote for public office.

Conscientious citizens vote for the best man they know, but the only ones they know are the ones receiving media coverage. Thus, ALL elected kings with very few exceptions are hand picked ITC agents elected by the ITC's own media.

Priests

There are two kinds of priests:

* One serves God and teaches that God's Commandments are supreme.

* The other kind serves the king and teaches the king's statutes are supreme. Most priests serve the king. Without them there could be no kings, judges, strangers' media, usury banks, etc.

Moses spoke against these priests as we have seen; so did our Lord Jesus Christ:

"Then spake Jesus ... 'The scribes and the Pharisees sit in Moses' seat: ...

"They bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers.

These scoundrels condemn our kinsmen whom they send off to fight, refusing to tell us that God says that we are not to raise our hand against our kinsmen: this is in the forbidden 70%.⁷

"But all their works they do for to be seen of men: they ... love the uppermost rooms at feasts, and the chief seats in the synagogues, And greetings in the markets, and to be called of men, Rabbi, Rabbi.

"But be not ye called Rabbi: for one is your Master, even Christ; and all ye are brethren. And ... Call no man father ... for one is your Father, which is in heaven. ...

⁷ "Ye shall not ... fight against your brethren the children of Israel." I Kings 12:24; "Thou shalt not avenge, nor bear any grudge against the children of thy people." Lev 19:18. "Blessed is the man who does not direct his heart with malice against any man." Enoch 44:3.

"Woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in. ...

Worthless 30% preachers teach us to pray "Thy kingdom come, thy will be done on earth" and then censor the 70% of God's Commandments that would teach us how it is to be done.

"... ye devour widows' houses,

The biggest usury banks in the world are owned by Christian religious organizations. Corruption in one of the Pope's Catholic banks forced it to go bankrupt, and corruption in the Barings Bank owned by the Queen, head of the Protestant Episcopal Church, forced it to bankrupt.

Thirty-Percent Preachers can preach in a church directly across the street from a usury bank and not see it. Heaven forbid that they should warn their listeners about what usury can do to them.

"and for a pretense make long prayer: therefore ye shall receive the greater damnation. ...

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves. ... Matt 23:15 ...

To gain a stranger as an agent for the king, one whom they can frighten by denying them the "keys to heaven", these snakes will step over their own in their rush to gain strangers - violating God's Commandments in the process.⁸ They then

have the audacity to take a dozen scriptures out of context to justify their treason against their God and their nation. When have you heard a 30% Priest tell you that strangers are forbidden to enter the sanctuary? This, too, must be part of the forbidden 70% of the Scriptures.⁹

"Ye pay tith of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone. ...

"Ye blind guides, which strain at a gnat, and swallow a camel.

"Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess. ...

Believe the Scriptures! Beyond appearances, there is little good that can be said in their behalf:

"Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchers of the righteous, And say, if we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers.

8 *"Jesus sent forth, and commanded them, saying, Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not. But go rather to the lost sheep of the house of Israel." Matt 10:5; "I am sent but to the lost sheep of the house of Israel." Matt 15:24; "A bastard (mixedbreed) shall not enter into the congregation of the Lord." De 23:2*

9 *"When the tabernacle is to be pitched ... the stranger (Heb: zûwr - racial alien) that cometh nigh shall be put to death." Numbers 1:51; "We are confounded, because we have heard reproach: shame hath covered our faces: for strangers are come into the sanctuaries of the Lord's house." Jer 51:51*

Look at Arlington Cemetery - practically every tombstone you see there is the result of the silence of these "priests of God".

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

Remember, a serpent is a messenger, a messenger of the devil. The *WORD made flesh* called them serpents - not I:

"Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city:"

Many times I have spoken to church conferences at family camp grounds where all of God's Commandments are being taught. More often than not while this is talking place these snakes are threatening the conference grounds owner if he fails to cancel future meetings. Those who *"call themselves Jews but aren't"* usually instigate these persecutions, but these preachers are eager to join in. *"Can two walk together lest they be agreed?"* They lie and none of their brothers will stand and refute them.

"That upon you may come all the righteous blood shed upon the earth ..."

Our blood-soaked history could never have happened without the collaboration of these 30% State Priests who pretend to serve our Lord while censoring His Commandments.

"Verily I say unto you ... Ye shall not see me henceforth (the WORD made flesh), till ye shall say, Blessed is he that cometh in the name of the Lord." Matt 23: 1-39

Who Betrayed Jesus?

God made us "Kings and priests". We admit that we have sinned grievously in allowing kings to set themselves over us in place of our own 10s and 100s. We have sinned further in allowing merchant strangers to enter our lands to buy and sell. But, our greatest sin is to blame wolves for doing what they do naturally and ignoring the treason and persecution by our own flesh and blood. The Scriptures say clearly who betrayed Jesus:

"The chief priests and elders of the people took counsel against Jesus to put him to death." Matt. 27:1

These priests who took council to put Jesus to death were the same ones who paid Judas 30 pieces of silver to betray Jesus - they were *"The chief priests and elders of the people."*

We are told at every turn that these people were Edomite Talmudic Jews, but, were they? It's easy to blame the Edomite Jews because they are always so obviously guilty - they are always being caught with their hands in the cookie jar.

Some were, perhaps, Edomite Jews, just like there are Edomite Jews among Christian ministers today. And, definitely some of their arguments were Talmudic,¹⁰ just like today. But, the Scriptures say:

"He came unto his own, and his own received him not." John 1:1

Jesus called himself "Son of man", he called himself an "Israelite". If he came unto his own - he came to his own who

¹⁰ *"Pilate saith unto them, If that speech of his was blasphemy, do ye try him according to your law. The Jews say to Pilate, Our law commands us not to put any one to death." Nicodemus 4:15.* This is a different law. The Law of Moses followed by the Israelite Jews contains many crimes for which the death penalty is demanded.

were also "sons of man" and "Israelites". Therefore, the majority of the priests who took counsel against Jesus to put him to death were his and our own Israelite kinsmen!

They were the priests that Moses warned against. They were the same kind of "Thirty Percenters" that we have today - the ones who curse God by censoring his WORD and suppressing 70% of God's Commandments in exchange for Roman accommodation.

If Jesus were to return in person oday, these same chief priests and elders of the people would again plot to put him to death.

The Game Is Up!

The end of the king/priest game is in sight. Our Saxon brothers feel contaminated and betrayed by contact with and listening to the treasonous talk of these types and they are leaving the Baal temples in droves. They are setting up churches in their own homes and are becoming priests and kings of their own families.

Most important, they are beginning to call upon the WORD¹¹ which is God, instead of relying on the word of today's Judas-priests - the spiritual descendants of the Judas-priests who condemned Jesus Christ to death.

God's Condemnation

What condemnation lies in store for these "Thirty Percent Priests" who dare to censor God's Commandments and lead people down the wide road to destruction? God spells it out:

¹¹ *"When thou are in tribulation ... even in the latter days, if thou turn to God and shall be obedient ... he will not forsake thee ... nor forget the covenant of thy fathers ..."*
Deut 4:30-31

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city: That upon you may come all the righteous blood shed upon the earth." Matt 23: 33-35

Letter From South Africa by KJ

"Dear Mr. Hoskins: As the whites become fewer in the civil service, standards deteriorate further. Had a fight yesterday with the local branch post office. They opened late, stood around talking, then went to their counters only to finish yesterday's work. When I got to the counter I said, "You are late again!" She closed her window and left on strike with the rest of the black staff. One chap got hold of the postmaster and his black superior and gave them a talking to. The rest of the whites waiting were not in a good mood. Parcels stolen and they deny responsibility. Feelings between the races are turning to hatred. We will have to keep our weapons in top condition even after they are supposed to be turned in.

"About conditions in our state hospitals, once our pride: A woman took her elderly mother to the H.F. Verwoerd hospital in Pretoria. They had to be there at four in the morning. The mother died at 11 o'clock still waiting in a chair. Some die on dirty trolleys, etc. Blacks will not lift a finger to save a white life, and the feeling is mutual as far as we are concerned. If the Jews set out to do this in the first place they succeeded.

"Our feelings go out for those whites young or old who have to use these cockroach, rat-invested places, because they cannot afford medical aid. They are ill treated by the black staff or are totally ignored.

"The latest newspaper (Afrikaner) has an article on the poisoning of white political prisoners by black prison staff.

"Buthelezi did not fall for the clever trap prepared for him and remains Minister of Interior. All and all it is the most communist, illiterate government imaginable, which can only accelerate its fall.

"AIDS figures are at best very vague, but our own estimate is that at least 3 in 5 have AIDS in the black communities.

"A few high-ranking army officers are instituting legal proceedings against F.W. deKlerk after their unfair and false dismissal by the jew Richard Goldstone." With Best Wishes, K.J.

LETTERS

MULTI-ETHNIC: "Dear Brother Richard; *Straws In The Wind* reported that NATO's supreme commander, Gen. Wesley Clark, on CNN News sinisterly stated: 'There is no place in modern Europe for ethnically pure states. That's a 19th century idea and we are trying to transition into the 21st century, and we are going to do it with multi-ethnic states.' What we have in Yugoslavia is forced integration, where people of opposing religions are being forced to live together. Only ONE religion: The Christians of Yugoslavia are being forced to accept people of the Muslim faith in their midst." W.H. - Pennsylvania

RELIGIOUS FREEDOM: Benjamin Smith shot several strangers. Benjamin Smith belonged to a religious group called *The World Church of the Creator*. The state of Illinois has filed a lawsuit against this group to find out if the group is a charity. If it is found to be a charity it must register with the state. Once registered with the state, the Illinois Attorney

General says that he will then make the group stop all activities until it accounts for its funds - which could take years. This effectively shuts down *The World Church of the Creator* disapproved by the state.

If Illinois is allowed to succeed in its effort, it will be able to shut down Catholic, Baptist, Episcopal, Presbyterian or whatever religious group it chooses. The only ones that will be allowed to operate will be those which meet religious guidelines set down by the state. We will again have a state religion.

ANTI SAXONISM: In Oklahoma City, Israel Byrd, a 15 year old Saxon boy was hospitalized in serious condition after being attacked by a carload of six teen-age strangers while riding his skateboard. His facial bones were smashed and driven back into his brain by repeated kicks to his face. The investigating officer, Police Sgt. Nate Tarver, a stranger, denied that there was anything racial in the attack. As of the last report, there was no indication that the Justice Department would look into the matter. He was just a Saxon.

MEDIA LIES: "A BBC reporter/photographer admitted last year that the photograph that had helped to trigger public outrage against Serbs during the Bosnia-Herzegovina crisis had been a fake. The photograph showed some rather thin young men without shirts standing behind a barbed wire fence, and the caption described them as inmates of a concentration camp. She admitted that the picture was actually taken at a food depot surrounded by barbed wire. She had asked the men to take off their shirts to show their leanness, and made them stand on the other side of the fence, to give the impression that they were prisoners.

"People might remember the 'news' that Iraqi soldiers invading Kuwait had entered a maternity hospital and had bayoneted babies thrown out of their cribs. "The daughter of the Kuwaiti ambassador to the USA later boasted that it was she who had originated this false report.

"* Citing two cases of faking of documentary films, the *London Mail on Sunday* (Feb 7, '99) wrote: 'Deception, lies and cheating are obviously widespread amongst television producers ... What it is that makes television so vulnerable to program makers prepared to lie, cheat and deceive their viewers? ... So far as television documentaries are concerned, seeing is certainly not believing.'"

"* One of the earliest examples of false news on film was the British 'documentary' made during the Anglo-Boer War, purporting to be an actual event captured on camera. It showed a dastardly Boer throwing a bomb into a Red Cross tent filled with injured soldiers. Later research revealed the entire film to be a total fabrication. (*Impact*, April-May, p.11, P.O. STAND: "Dear Mr. Hoskins; In this prison our Reform Christian brotherhood eat together. Strangers force themselves on us to try and make us to break our Law. I am not the first to object, be chained, and taken to segregation, and I won't be the last." P.G. - prisoner Indiana

IN SECRET: "Greetings; To be a true white God-fearing Christian is taboo in this prison now. There are still some true brothers here and we pass information, but in secret. I never thought I would see it come to something as this. I will never give up the struggle to voice the truths of Yahweh." D. T. - prisoner North Carolina

Chapter 300

THE MEDIA BLITZ

Cloak Of Nimrod

Nimrod had a cloak. When he wore the cloak all who heard him believed him and became his servants. He used these servants to build Babylon and the great Tower of Babel.

Esau hid in ambush and killed Nimrod and stole his cloak.¹ Fleeing from Nimrod's bodyguards he rushed exhausted to Jacob and sold him his birthright in exchange for food. He believed that his birthright was worthless because he would soon be killed.

¹ *"And Nimrod ... came ... when Esau started suddenly from his lurking place, and drew his sword, and hastened and ran to Nimrod and cut off his head ... and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land." Jasher 17:7,10*

Esau lost his birthright, but his descendants obtained the Cloak and became powerful. They fought Jacob's descendants and also fought among themselves. Their internecine warfare caused them more distress than had the war with Jacob, so they agreed never to be ruled by one of their own kind again. They agreed to always be ruled by a foreigner.²

Turkey saw its greatest days when ruled by foreigners called Janissaries (Turkish - "white slaves". Egypt became great ruled by foreigners who were slaves. These appointed slave-rulers abused their adopted countries and so the Turks and Egyptians slew them - and both countries immediately declined in power and wealth.

Today, Esau's rulers are again appointed by strangers who operate under the shadowy name of "The International Trade Cartel" (ITC).

Professor Carroll Quigley in his book *Tragedy and Hope*:³ had this to say about this system:

"The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements, arrived at in frequent private meetings and conferences. The apex of the system was the Bank for International Settlements in Basel, Switzerland, a private bank owned and con-

2 "The sons of Esau swore, saying, from that day forward they would not choose a king from their brethren, but one from a strange land until this day." *Jasher 57:40*. The Jews recently revealed that their Rabbis have different blood markers from themselves. Turks worldwide are ruled by ITC appointed rulers.

3 *Tragedy and Hope*, A History of The World in Our Time (Macmillan Company, 1966,) Professor Carroll Quigley, Georgetown University.

trolled by the world's central banks which were themselves private corporations. The growth of financial capitalism made possible a centralization of world economic control and use of this power for the direct benefit of financiers and the indirect injury of all other economic groups."

They appoint the rulers of the nations of Esau and also the nations of Jacob conquered by the ITC. They use Esau to fight Jacob, and Jacob to fight Esau, while the ITC rules unseen. It's agents study our Scriptures, Scriptures banned by ITC appointed Christian Priests, and the ITC then uses God's WORD to destroy God's own children: *"Go ... to the reprobates, to the children of fornication; and destroy the children of fornication, the offspring of the Watchers, from among men; bring them forth, and send them one against another. Let them perish by mutual slaughter."* Book Of Enoch 10:13.

This command is to be used against the stranger - the stranger is not supposed to use it against us. Instead, the stranger studies Scriptures forbidden to us, and uses them against us. It is they who rule using Esau's Cloak.

Cloak Over Virginia

When working with the "Defenders" in the 1950s to stop the federal takeover of Virginia's schools, the "Defenders" informed the country through the wires of the Associate Press (AP) that Prince Edward's black schools were newly constructed and far superior to the white schools which were old and shabby. This information was suppressed. We told the country through the AP that Black thugs were being imported from Philadelphia to beat up Prince Edward blacks who had allied themselves with Whites to keep their own schools. This information was suppressed.

The AP allowed no information favorable to the cause of separation to escape Virginia. No spokesman for separation was permitted to be heard - except traitors such as the George Wallace, Orval Faubus and Lindsay Almond types.⁴ Hearing nothing but ITC spokesmen, the ITC agenda continued to advance on the backs of those who had become victims of the Cloak of Esau's deceptions.

Truth - The Real Crime

This author wrote a revisionist history book called *"Our Nordic Race"* debunking the "Cloak" version of white racial history. He wrote *"War Cycles / Peace Cycles"*, debunking "Cloak" economic history. He wrote *"Vigilantes Of Christendom"*, debunking the "Cloak" version of historical resistance to ITC domination. All of these writings undermine the ITC and their Cloak of Esau. After 15 years the writings begin to reach the people of Jacob.⁵

ITC Response

The ITC responded with a blistering, overwhelming, devastating attack on its miniscule enemy, this old author and his books. They pulled all stops and used the sledgehammer to kill a gnat. The attack revealed the vast power and extent of the Esau's Cloak, now the "ITC's Cloak", to those who were still dubious. Almost every single media in the country, in slavish obedience and without checking the story or the facts, participated in the feeding frenzy.

4 *"(Pharaoh) placed officers over them from amongst the children of Israel, and over these officers he placed taskmasters from amongst his servants." Jasher 77:10*

5 *"I will send my WORD and save thee and thy seed." II Adam & Eve 12:6, Lost Books*

Since Esau's Cloak encompasses all establishment media, there can be no response to their attack through their own media - the devil would be fighting himself. Whatever is to be done must be done through the small alternate media - all the while trying to avoid the blows of the Cloak's sledgehammer.

This media blitz has nothing to do with a madman in California shooting children. It has nothing to do with "hate". It has everything to do with the fact that the WORD has escaped from beneath the ITC Cloak.⁶ For that reason it is foolish to think that things will fade and be forgotten. The existence of the ITC is at stake. The war will go forward.

Now for MY version of what happened:

Fireworks

I woke up one morning last week with the phone ringing off the hook, a mob of reporters at my front door, and batteries of cameras lining the street. I knew something had happened but I didn't know what. I soon learned that my name and the name of my book, *"War Cycles / Peace Cycles"* was on the front page of every newspaper in the country.

A man had shot some children in California and it was alleged that a book on Christian economics that I had written 15 years ago was found in his van. The usual media spokesmen inferred that my economics book had incited the shooter to do his deed.

⁶ *"In those days the hand of Pharaoh continued to be severe against the children of Israel, and he crushed and oppressed them until the time when God sent forth his WORD and took notice of them." Jasher 71:16*

Not having had to deal with this sort of thing before, I called some people whose opinion I respect and they advised me not to give interviews, but issue "statements". The reason being that I would at least have a written record of what I said. If I didn't, reporters would swear that I said things I didn't say. Heeding their advice I issued the following statement:

RICHARD KELLY HOSKINS
Speaks in his own defense.

August 16, 1999

The unwarranted killing of innocent men, women and children is as grievous to me as it is to the rest of the country. I would never condone such acts.

I have been wrongfully labeled as an intellectual supporter of such reprehensible acts. Nothing could be further from the truth.

The media has quoted the Southern Poverty Law Center, the ADL, and other left-wing fringe groups that are as radical on the left-wing as the groups on the right it condemns. The rhetoric of such left-wing radical groups is couched in inflammatory and excessive language not based in fact. In quoting such groups the media becomes a spokesman for them.

The media have quoted allegations from such groups that my writings advocate violent acts against Jews and other minorities because of race. That is a lie and a gross distortion of my writings. My books defend Christian values as found in the literal teachings of the Bible.

The nationwide attack on me and my writings is not necessarily personal. It is just a prelude for stampeding Congress into passing laws censoring the internet, confiscating the guns honest citizens possess for self-protection, outlawing patriot rights, and destroying the growing Christian Reform movement in America.

I was unaware that I had become a part of this agenda. I woke up one morning and found my name on the front page of practically every newspaper in America. The media alleges that my book, "War Cycles/Peace Cycles" was found in the van of a California shooter of Jewish children and suggested that is what incited him. My book, "War Cycles/Peace Cycles" is a book on Christian economics. Newspapers are certainly more likely to incite violence than this economics book. My books do not incite violence any more than history books on George Washington, the Bible, or the local newspaper (the "News and Advance" in Lynchburg).

The media reported that I am a member of the Nazi party. This is a lie. They said I spoke at a KKK/Nazi Party rally. This lie is based on the time I was once invited to give the invocation at a political rally in North Carolina. The media alleges that there were Klan members present. Maybe there were. People have the right to come to political meetings if

they want, but the rally was a kick-off of America's then-hero, Col. Bo Gritz's run for the presidency. It was a political rally.

The media says that I am anti-Semitic and anti-Black. That is a lie.

The media soon found that they had egg on their faces by associating "WC/PC" with violence. They then switched and now claim that another of my books, "Vigilantes of Christendom" was the one found. The title makes it more acceptable for their hatchet work. To allege that book is associated with the heinous act in California is grossly deceitful but indicative of the broad brush with which the liberal media paints a misleading scenario. I do not believe for one second that book was found in California, and that it has any relationship to a violent act, which I condemn.

"Vigilantes" was written ten years ago predicting that if America's rulers do not stop their flagrant violations of God's Law, Christians will copy the acts of militant Jews in Palestine and Arabs in Islam, both of whom fight for what they believe their God requires of them.

The media says that I am a spokesman for "Identity". "Identity" is the media label for "Reform Christianity". Much of my writings criticize churches who refuse to take stands against the evils of the day and confine their preaching to 30% of God's Commandments dealing with self improvement while ignoring the 70% of God's Commandments that deal with government. This effectively prevents Christian revival in America. Reform Christianity isn't any of the things the

lying media accuses it of being. Reform Christians just believe God's Commandments - all of them.

I want to thank my friends who have stuck by me during this most recent media attack. I would also like to take the opportunity to ask my Jewish and African-American friends in Lynchburg not to believe the media lies, half-truths and misrepresentations. After one of their last attacks on me, a local Black newspaper was the only one who printed my reply, and they did it in its entirety. I appreciate that. It shows a fairness by the African-American media not shown by Lynchburg's establishment media.

Lastly, my persecutors refuse to print my letters in my defense. I have sent them three letters in the last 10 years and they have refused to print each one of them. I recently gave them two statements in my defense and they took little snippets out of context and ignored the rest.

While the media's nationwide attack on me and my writings is not personal, it has never the less had the effect of destroying my good reputation and my livelihood.

If you believe that fair play has not been exercised in my case, it would be appreciated if you would copy this letter and pass it to your friends. It is the only way that I know for this information to be circulated. I have no other means at my disposal to obtain justice.

If the media can get away with persecuting me for my political and religious views today, rest assured, tomorrow it will be YOU.

"War Cycles / Peace Cycles" can be obtained from the Virginia Publishing Company, POB 997, Lynchburg Virginia 24505, \$28/copy. Read it and judge for yourself. Or, take the media's word that they are telling the truth.

Cloak Attack

The local paper, the *News & Daily Advance*, did four front page articles bashing me and my writings. It was a bit much. Perhaps "too much". There is such a thing as "overkill"! At some point the public reacts against this sort of thing.

I have issued three "statements" in my defense. The above is the third one. I have appeared in no public interviews, even though ABC, CBS, NBC, Larry King Live, Dateline, Good Morning America, Niteline and perhaps 50 more have asked me to be on their shows. The temptation has been great, but, why enter the snake's den? I have seen nimble-witted talk hosts lead their guests around by the nose too often to relish having it done to me.

When I walk down the street my old friends driving by wave to me. When I can, I hand them one of the above letters.

The phone has been ringing off the hook from well wishers. I have had one "semi-hate" piece of hate mail: someone in California sent me a bumper sticker that said, "End Racism". I pasted it on the wall of my office. I wish I had a bumper sticker to send back to him saying, "End Anti-Saxonism".

One newspaper article included a report that Jerry Falwell had denounced me. Long ago I went to Jerry's church. I went there for 18 years. Jerry called to tell me that he did not say what the reporter said that he had said, that the reporter had completely misquoted him. He said that the reporter had asked him if I were violent, to which he replied, "No". He asked if I owned guns. Jerry said that he didn't know about that, but that his own son has an arsenal. He said that he told the reporter that he judges people by their children, and that he knew that I had 6 fine upright wonderful children, and added, "How can a man raise such a great family and be bad?" He said that the reporter just made up the last part of his interview.

I asked Jerry if he would tell the local radio talk show, WLNI 105.9FM, the same thing. He said he would do it first thing in the morning. I guess he forgot.

This WLNI 105.9FM, after a certain initial hostility, showed a certain even-handedness after a number of callers objected to my treatment. They took my statement and posted it on their web page. Their "poll" at their web address (www.WLNI.com) that asked people, after they had read my statement, whether or not they believe that I had been treated fairly by the media. The last time I looked, 81% said "no" and 19% said "yes".

(Amazon.com) is a company on the internet that sells books. It sells a lot of books. Their page on my books indicated that most were unavailable or out of print. I straightened that out. About *WC/PC*, they have a "review" section where readers can give their opinion of the book and rate the book "one star to 5 stars". A dozen readers listed their opinions. They all said the same thing, that it was bad for homeschooling, and said that it was among the worst books

that they had ever read, and gave it a single star. Michael A. Hoffman II read it and gave it only two stars. One person, who I believe actually read the book, gave it five stars.

I have a stack of letters half an inch high from people who have actually read the book and said that it is the best thing since cotton candy. I wish a few of you who have actually read the book and can, in good conscience, give it a good review, would do so. The address is (amazon.com). Just ask "books". Then ask for *War Cycles Peace Cycles*.

News & Advance Questions

Terry Scanlon, a reporter of Lynchburg's *News & Advance*, called and said that he wanted to do a feature story on me. Because of the extreme bias of his earlier reporting, I was reluctant to trust his even-handedness. I asked him to fax me the questions that he wanted answered. This is what arrived:

* "Is it fair to describe you as a racist and anti-Semitic? Why or why not?"

* "To what degree do you feel responsible for the shooting in Los Angeles earlier this week?"

* "Do you agree with Richard Butler that there is a war against the white race?"

* "Do you believe that any of your writings have inspired anyone to take violent action?"

* "What was your reaction when you learned that Buford Furrow wanted to send 'a wake up call to America to kill Jews'?"

* "How many firearms do you own, and why do you have them?"

The man who pays the fiddler calls the tune. I didn't pay him. I could ask him questions in return, to define "racist" and "anti-semitic". He would have then gone into a spiel about hate, killing and blood. I could answer, I "don't believe in that". But it is an exercise in futility. He wouldn't print it. He is an agent of the Cloak.

One could say that Scanlan's hatespeech reporting would be more likely to trigger a psychopath to violence than any of Hoskins' writings. He wouldn't print that either.

One could ask Scanlon if he believes that there "isn't" a war against the White race. And, does he believe with Farrakan that the White race is the "great devil"? And if not, why not? And he wouldn't answer this either. Or, what was his own reaction when he learned that a Jew was a shooter of mostly White children in Colorado? Was that a hate crime? Or the Goldstine shooting of Arabs on the Temple Mount in Palestine. Was that a hate crime? He would refuse to print that question, too.

Why? Because these are just muck raking questions. These are the people who are condemned by the WORD. Therefore their enemy is the WORD and those who hold to its truths. Conversation about shootings, hate and guns are just a means to an end.

Website Canceled

My wonderful website lists all of my books and how to get them. Since the media had given my books such wonderful free publicity I wondered why I had not gotten any orders. The answer was simple. The webmaster canceled my site. Just like that! My computer advisor said that he thinks that he must have had a "philosophical difference" with me.

This may have worked to my advantage. Most of those calling initially were media snakes looking for books to aid their bashing. They had to get them quick because this "15 minute fame" is short lived. They have to make hay while Hoskins is still the hot news. Most of them couldn't get their books. By the time they do - I'll be stale.

By the time you get this letter I will have a new web site **www.RICHARDHOSKINS.COM** It's easier to remember than the old address, and it will be up and running by the time you get this newsletter.

Conclusion

If the establishment permitted the teaching of the 70% of God's Commandments that deal with government, the people would hear and with their hearing would come belief and repentance. With repentance comes obedience, and, when the Saxon obeys God's Commandments, the government as now constituted is doomed to disappear; the International Trade Cartel will cease to operate because no one will buy their goods; Strangers will depart, each seeking his own land.⁷

The ITC cannot allow this if they can help it, so, it attacks gun ownership by law abiding citizens⁸ as a way of indirectly attacking the requirements of the WORD. It attacks the militia because it is a visible threat to the anti-Christ. It attacks the

7 *"They will each turn to his own people, and each one will flee to his own land. Anyone who is found will be thrust through, and anyone who is captured will fall by the sword. Their little ones will also be dashed to pieces." Isaiah 13:14- 16 and, "Israel then shall dwell in safety alone." Deut 33:28*

internet because it does not presently have the power to censor the WORD as it is being exchanged between believers. Most of all it attacks everyone and everything that tell others what God requires of them.

God has given us a wonderful opportunity. Each of us can help. We can take books like *War Cycles / Peace Cycles* from the shelves (there are 47,000 copies out there), dust them, and lend them to friends telling them that you will return to pick it up in two weeks. This gives the friend a chance to learn about the evils of "usury" - something that terrifies the ITC.

We must all remember that we have have gotten as far as we have and have succeeded as much as we have without ANY help from Esau's Cloak. This media blitz of theirs must be understood in that context. It is a marvelous opportunity to take the WORD to those who have never heard of Reform Christianity.

For as long as it lasts, take your books off your shelves and lend them out. Become a missionary to your own people. If you run out of books, visit (**www.RICHARD-HOSKINS.COM**) and replenish your supply. Give books as presents. Not just my books, but any book that contains the forbidden 70% of God's Commandments. Remember, you can get all five for just \$50 - with *Virginia Publishing Company* paying the postage.

"Reform Christian" ministries across America are doing something right; they are the only Christian ministries under ITC blitz. No one belonging to the mainstream or the charismatics are even being remotely criticized - just "Reform

Christians" who are obeying God's WORD to "*Go into all the world and teach the gospel to every creature*" - of Israel⁹

We have gotten where we are with no help from the ITC's *Cloak of Esau*, or from the Scribes and the Pharisees of our own people. Now that we have this new opportunity we must become more active than ever before to reach our own in the name of God.

We have the publicity, the opportunity, the interest - all in a field where we never before had access. Let's make hay while the sun shines.

300th Newsletter - 26 Years Lessons Of 26 Years

This is my 300th newsletter since I started writing it 26 years ago when I was about 45 years old. Through the years certain things have happened that I believe are important. I had a list of them scheduled for this month. As can be seen - events have delayed my agenda.

sage. It is amazing how few will tell Israel this crucial message. Everybody in the right wing wants to overcome the enemy but they won't use the ultimate weapon - the LAW. We aren't gonna win awards for marksmanship or glories for valorous deeds with this weapon. Using the LAW to our advantage isn't noticeable; it doesn't feed our egos but reflects God's glory and wisdom. Most people want to be paid for doing right. I also liked the part where it was our own people who crucified Jesus, and we'd do it again, today." Randy Duey, 09884016, POB 1000, Oxford, WI 53952, Member of The Order

FROM S.AFRICA: "Dear Mr. Hoskins: The letters I receive from the S. Africa of my youth cause me distress and sadness. The financial situation for poor and middle class whites there is getting worse daily. In certain areas you can't sell your home or farm for any price. Remember my Mother being so proud cause I always brought home grades of A's & B's. Remember being placed in a private school when the busing started. Still made A's & B's. The next year no private school. New baby, my sister, no money. Remember the first day my mother drove me to the next city to keep me from having to ride the bus. Town called Dolomite

"Dear Brother Richard; I now tape the inside pages of HR to hold them in place and keep them in a large envelope - several issues to each envelope. They are always 'loaned out', in demand, and one of the best tools for getting the WORD out to those who need to become interested that I have found. And, amazingly, I had them all 'back' the other day, and not one issue is missing." R.K. - Prisoner Oklahoma

LETTER FROM BOER WAR: "Medical doctor Andrew Murray Neethling's letters, in English, are informative. 'Every dead Boer to date has cost England £50,000. Oh Anne, if ever there has been an unjust - a cruel, disgraceful war, an outrage on civilization it is this one.

'Dr. Neethling was horrified at the callous way in which the British treated their dead. He describes a 44-yard trench on top of Spioenkop 13 days after the battle as a putrid, maggot- infested heap of protruding arms, heads, trunks and legs.

'Other bodies lay in the open with their faces eaten off by birds. Later, on a white flag trip into Ladysmith to fetch Boer wounded, he was disgusted to see the body of a soldier lying next to the road.'" Terence Friend, (Copied from *The Citizen*, S. Africa, April 12, 1999.)

RKH COMMENT: Episcopal organizations - religious, political, or social - do not represent the people but represent the ones who established the episcopacy. The God of Man requires that the dead be decently buried. When they are not

decently buried - it indicates a disrespect of the Commands of the God of Man by those who established the episcopacy.

David Duke

I have been asked countless times my opinion of David Duke. Since his latest book has come out, which I understand is good, the questions have started again. The answer I gave in 1991 still holds until David Duke comes into compliance with the WORD.

Letter to HR Dec 1, 1991

RE DAVID DUKE: "Dear Mr. Hoskins: What do you think of David Duke?" - H. H. - California

ED: What I am about to say is important. **The only way an aspiring white politician can secure media coverage today is to promise the minorities access to his women.** David Duke on the Donahue Show said that he would not like it if his daughter married someone of another race, but he would still accept her if she did.

The scriptures teach:

"If the priest's daughter also be married unto a stranger (Heb: zûwr - racial alien), she may not eat of an offering of the holy thing (The Word). But if the priests' daughter ("Ye are ... a royal priesthood." 1 Pet. 2:9) be a widow or divorced, and have no child, and is returned unto her fathers' house ... she shall eat of her fathers' meat; but there shall no stranger (Heb: zûwr) eat thereof." Lev 22:10-13.

Duke, a self-proclaimed "born-again-Christian", took the media's litmus test on racial intermarriage and passed. He passed the media test and failed God's. *"By their acts ye shall know them."* Now he gets media coverage and the resulting underdog sympathy vote.

The chapter "Plot To Destroy Israel" in *Vigilantes* relates the identical story occurring in another time. Refresh your memory by reading the story from the scriptures - or the condensed version in *Vigilantes*, p. 27.

Remember, Duke was a KKK man. I have warned you about the KKK. I spent the summer speaking against it. I regard both the KKK and the Nazi party as federally controlled fly-paper organizations designed to trap the unsuspecting. Active membership may equal to a prison term. The suppressed truth is that the Federal government ran the KKK in the South after the War Between The States, from 1869 until the late 1870s, which is why Southern intellectuals flee these type of organizations. In the 1920s the re-born KKK became acceptable only because it was strictly a political organization. It was then destroyed by the media when radical agents provocateur infiltrated and committed atrocities in their name. The present KKK is an 1869 type in my opinion. It's all in my book **Vigilantes**, VPC, POB 997, Lynchburg, VA 24505

LOG CABIN: "Dear Richard; My son took me back to the log cabin where I was born. One end was sticking up surrounded by a lot of brush and weeds. The buildings on the place were built with money made on the farm. Most are either in bad repair or gone. In the 1930s the Feds decided to steal the land for one of their many boondoggle projects. The whole valley is now weeds and brush. This had been excellent farm land producing a lot of good clean food. Desolation. Thousands of acres. We've got a lot of repair work to do when we take back our inheritance." L. J. - Ohio

Chapter 301

SCRIBES

Saladin 1138-1193

Once upon a time there was a great son of Islam whose name was Saladin. It was he who united the Arabs into a solid wall of resistance to the Crusader invasion of the Holy Land. It was he who thwarted the Crusaders at every turn. His acts of bravery, chivalry and generosity to both friend and foe are spoken of throughout Islam in tones of awe, for Saladin was unlike any son of Esau who went before or has come after. His exploits are legion and are related from father to son in lonely desert oasis as well as being written in the world's history books. His military exploits are common knowledge. How he consolidated his power is not common knowledge.

Saladin's Problem

The Arab world was in turmoil. Just as stability had been achieved in the Arab world, it was struck from the east by fierce invaders from the Mongolian deserts. Turning to meet this threat it was struck from behind by Christian Crusaders from Western Europe who had seemingly materialized from nowhere. The Islamic world fragmented. Little Islamic kingdoms sprang up governed by warlords who fought the Christians and each other, but who owed no real allegiance to anyone but Allah.

At this time there was a great Arab king who was Sultan of Egypt and Syria. His armies had blunted and then defeated the invasion of the fierce invaders from the east. He then turned to deal with the powerful Christian Crusaders from the West. But, before he could really begin his task, he died.

His understudy was a young man named Saladin. He was slightly built, medium height, and he was most unlike other Arabs as his nature was generous and truthful.

His first order of business was to consolidate his own rule. This he did in short order. He then undertook the cause of throwing the Crusaders out of the mideast.

If all Islam could be united into one mighty force the relatively few Crusaders would present but a small problem. But, to get at the Christians ensconced in their fortresses and castles, Saladin had to pass through the lands of independent Arab states, the ones that had sprung up following the chaos of the invasions from both the east and west. This passage would involve him in endless wars with Arab co-religionists. The Arab rulers of these independent states would fight an invasion by Saladin as soon as they would an invasion by the

Christians. The following is how Saladin went about solving this problem.

The Scribe

The normal method of communication in the Arab countries was for the name of the ruler to be mentioned in prayers made in each mosque. In this way the people would know who their ruler was, an ever-changing event in the violent lives of Islam's rulers, few of whom died natural deaths.

Short proclamations made by the warlord ruler were relayed to the worshipers on Friday by their mullah and then prayers were said. Afterward, people gathered in groups and discussed politics and business - just as they do today.

Saladin was effectively cut out of the religious communications network loop of these independent states. To open an alternate means of reaching the people, Saladin set up in his palace a large room filled with scribes. Their job was to write letters - personal letters to individuals living in the rebellious Arab lands that lay between Saladin and the Crusaders.

In that day of slow communication and expensive mail, these letters were welcome, treasured, and passed on from hand to hand and group to group, each letter reaching many people, and just like today, each letter contained news eagerly sought by gossip-starved people.

Besides gossip, which was the honey that drew the reader, these letters contained Saladin's praise of the local rulers. Saladin's praise increased the stature of the local rulers, who did not mind letting contenders to their thrones know that the great Saladin himself appreciated them and perhaps he might be called on to support them if need be to keep them on their thrones.

The letters also contained news of the Christian invasion and the desecration of Arab holy places; Christian atrocities against defenseless peace-loving Arabs by these infidel invaders. They also told how cowardly it was for Arabs to sit by doing nothing while their God was being defamed and their holy places desecrated.

The letters also told of how Islam's great religious leaders were calling for a holy war against the Christians and how the Allah's faithful servant, Saladin, was obeying by gathering war materials and supplies, and arming his men to fight the *Jihad*. The letters also called on all who loved Allah to support the holy war and it was expected by everyone that the independent kings would do their share in the name of Allah.¹

These letters went out by the thousands and they gradually converted the people to the cause of Holy War. When at last Saladin began his march against the Christian infidels, he passed through the lands of the rebel rulers and was welcomed in every hamlet and city. The ruler of the independent lands dared not oppose Saladin or the Holy War against the Christians when all their people supported it, and so they too added their support and their armies to Saladin's great war effort - with Saladin as its leader.

It was in this way that Saladin's scribes won a great victory over rebel Arab rulers without a life being lost.

¹ The Crusaders wondered how the Saracens seem to know about events almost as soon as they happened. The answer was pigeons. Traveling merchants were required to deliver a carrier pigeon to the authorities of a city which was brought from the last city they had visited. They had to do this before they could were allowed inside the gates of their destination. By using these pigeons, news in the world of Islam spread as fast as a bird could fly.

The Scribe's Mission

The scribe's job is to broadcast the will and policy of his king. He informs the people of the king's wishes. If the king orders his people to gather - it is the scribe who issues the orders:

"... the principal scribe ... which mustered the people of the land, ... and brought them to the king of Babylon." II Ki 25:19

The job of this scribe was to "muster the people" or gather them together.

Sometimes, a king may contact a scribe who serves another King - the King of Kings. Or, as it says here;

"Artaxerxes ... unto Ezra the priest, the scribe, even a scribe of the words of the commandments of the Lord, and of his statutes to Israel." Ezra 7:11-12

So, we have scribes both of kings and scribes of the King of Kings. Kings cannot rule unless the people know the king's wishes and the only way they can learn his wishes is through the use of scribes.

Intelligence Agents

Local newspapers contain extensive files on anyone who has ever attracted public attention. My mother was active in women's organizations and her file at the newspaper was thick. Scribes act the part of intelligence agents in gathering this data.

Recently another reporter came by the house. He represented a large Virginia newspaper. He was courteous and pleasant. I asked him to submit a list of questions, and he did. They weren't bad like those of the Lynchburg *News & Advance* reporter. I hated to turn him down, but I've learned

that if they aren't Janissaries they aren't employed by the stranger's media.²

The next day I received a phone call from the military school I had gone to as a boy. They wanted to know how much info they should release to this Richmond reporter. He later called to tell me that he had talked to one of my classmates in North Carolina who sent his regards. I learned two things from that call. First, the establishment was investigating me back to age 15. Second, that classmate he talked to was a nice fellow, everyone liked him. The reporter went out of state to question him about me.

When someone is that thorough in their research they are compiling data - data that can either be used for a book, or sometimes, even blackmail. There are any number of people in the country who can't open their mouths because if they did someone would spill the beans.

The Million Dollar Scribe

About ten years ago someone sent me the papers of a trust that rewarded "deserving" young talented writers. The awards were substantial - almost a million dollars in three disbursements over a ten-year period. This is a lot of money for a youngster in his 20s. I remember thinking at the time that this was giving away a lot of money in exchange for nothing.

² Janissaries were Christian children stolen or bought by Islamic agents and raised in the Islamic religion. They were the most fanatical warriors that Islam ever had. They were first to be met in an Arab invasion. When captured they could only be killed - seldom converted. The same was true of white children captured and raised by Indians. They often rose to be chiefs and were among the most brutal of all in their treatment of white prisoners. Today's media scribes, the journalists and reporters, are compared to the Janissaries and renegades of the American frontier. They are taught by establishment schools to hate themselves, their God, and their nation - and they do, they passionately do.

It was only later that I realized the significance of what I had seen. These grants bought establishment scribes and added them to the establishment's reservoir of talent. I have little doubt that the grants included side agreements as to the subjects the writers were to write on and the forfeiture of the grants if the recipient ever turned on the grantor. The staggered disbursements kept the recipients waiting for the next one, and the side agreements kept them on the leash - or made them give up the million for non-compliance.

I have often wondered how many of today's so called "independent" writers are actually "million dollar scribes on a leash". I know a number of writers who plead poverty, but always seem to have plenty of money. The establishment can easily afford a million each, and that money buys the soul of the recipient for the rest of his life. Without the scribe, the king can't rule and the merchant can't trade, because that is how the world is ordered.

The Merchant

The WORD says:

"The love of money is the root of all evil." I Ti 6:10

Just who is the one who uses this money for evil? The WORD points to the culprit:

*"Babylon ... for thy merchants were the great men of the earth."
Rev 18:21,23*

This is opposed to the vision of our own people: *"Nor do we delight in merchandise, nor in such a mixture with other men as arises from it ... having a fruitful country for our habitation, we take pains in cultivating that only. Our prin-*

... ciple care ... is ... to educate our children well; ... to observe the laws that have been given us ... Since ... there was no occasion offered us ... for intermixing among the Greeks, as they had had for mixing among the Egyptians, by their intercourse of exporting and importing their several goods; as they also mixed with the Phoenicians, who lived by the sea-side, by means of their love of lucre in trade and merchandise." Flavius Josephus Against Apion 1:12

It is these "great men", the merchants, who rule the earth. These merchants who have divided the world amongst themselves, each claiming a part as his own market area.³

The Merchant's Rule

In as few words as possible, the following describes the imperium of the merchant and his method of operation:

The Merchant - PRIME DIRECTIVE:

The merchant must find a market for his goods.

The King

The merchant must establish a king to protect him and promote his interests.

The Priest

Before the Merchant can trade in a market he must first secure the blessing of its god, or the people may kill him.⁴

³ "A merchant shall hardly keep himself from doing wrong." Ecclesiasticus 26:29.

⁴ *In The Beginning*, p.1, Virginia Publishing Company, POB 997, Lynchburg, Virginia 24505

The "great merchant's" method of conquering and ruling a market area is ancient and through the millennia has developed into a science. He first hires a king to rule the market area claimed by himself. If the land has no kings, the merchant furnishes the gold necessary for their selected agent to hire soldiers so that he can become more powerful than his neighbors and then become king.

The merchant's "king" functions as the merchant's "policeman". He is hired to keep order in the merchant's market area so that trade can take place without hindrance. The king and his retainers support themselves with tribute taken from the people they rule.

Need For A King

To make the people rely on their "king" for protection, the king creates a perpetual state of emergency. He sees to it that there is always an "enemy at the gate".

Because of the merchants' usury system that requires 11 units to be repaid for each 10 borrowed, wars become an economic necessity. They force people to borrow money into existence to keep the system operating. The defeated kings, who are also members of the system, are seldom destroyed.⁵ They may be needed as enemies again in the future. Usually, the enemy fought today will be the same enemy that will be fought tomorrow. Without enemies at the gate the people would soon realize that the WORD was right and that they have no need for kings - that kings do all the evil things that God said that they would do.

⁵ The exception being the leaders of nations who actually try to throw off the merchant's rule. These nations are treated harshly when they are finally conquered.

Religious Endorsement Of Sin

Kings rule only when they are supported by scribes and pharisees. When a king's policy comes in conflict with the Law of God and conflict results, the people must be persuaded to obey the policy of their king rather than the Law of God.

If the people were ever permitted to decide themselves whether to obey either God or the king - their decisions would soon lead to revolution. This is why kings must either appoint priests to endorse his sin, or pay priests with tax-exemption and a franchise to fleece the sheep tax free, to do the same. Buying the loyalty of the pharisee helps the king avoid conflict with his subjects.

This is what Jesus was talking about when he said:

*"We wrestle ... against ... spiritual wickedness in high places."
Ephesians 6:12*

Counter Reformation

Whenever a people repents and determines to obey God rather than man, this constitutes revolt to their un-Godly rulers, a revolt that may not only unseat the king, but also unseat the merchant whom he serves.

To keep his king on the throne, the merchant first unleashes his scribes against those who would pull him down. Today's scribes make no secret who they look to for their information. It is the *Southern Poverty Law Center* and the *Anti Defamation League*. The FBI, local schools, city governments, police and military do also - all organizations under the command or influence of the king are expected to accept information from these two organizations and their fellow traveler organizations without question, even when patently

untrue. These organizations speak for the international merchant and as such are above criticism.

Hue & Cry

If the enemy is weak, and the scribes skillful, they can "outlaw" an enemy by raising a "hue and cry" against him. If this is successfully done - one or more unbalanced members of society might be persuaded to kill the enemy pointed out by the scribes and think that they have done God a service.⁶

The scribe's justification for starting a "hue and cry" can be anything. The easiest method is to plant evidence, say, a book, at the scene of a crime and then say the writings of the author inspired the criminal to commit the crime.

Don't be too quick to discount this modern Soviet-type "Trust" operation. It is an old technique and it is effective.⁷

6 "Yea, the time cometh, that whosoever killeth you will think that he doeth God a favor." *John 16:2*

7 Buried on page B8 of the *New York Times* of Sept 15, 1995 was a story titled "FBI Chemist Says Experts Are Pressured To Skew Tests." An FBI chemist, Frederic Whitehurst, complained about the handling of the evidence in the Trade Center case and in the 1991 trial of Walter L. Moody, convicted of mail- bomb killings. Louis J. Freeh, now the Director of the FBI, led the prosecution of the mail- bombing case. Frederic Whitehurst worked for 13-years for the FBI. He received a doctoral degree from Duke and was the FBI's top bomb- residue expert. In 1994 he was demoted after taking his complaints to his superiors.

"On February 11, 1976, the late Congressman Larry McDonald inserted evidence into the Congressional Record (pages E-617-619) documenting how various US terrorist groups were actually being funded and controlled by the federal government. The government secretly funded a section of the *Weather Underground Organization* (which was repeatedly involved in terrorist activities - including bombings, arson, and murder).

A January 10, 1976 Associated Press report stated: "The FBI created and funded a ... group called the Secret Army Organization (S.A.O.) ... in the early 1970s the San Diego Union reports." The newspaper described the S.A.O. as a "centrally designed and externally financed infrastructure designed for terror and sabotage. ... These acts were sanctioned by the nation's most powerful and highly respected law enforcement agency: the FBI."

Actually, evidence doesn't even have to be planted. Media scribes can just "report" that evidence was found. If someone objects, the actual "evidence" can be planted at a later date.

Establishment's scribes can quickly gloss over the fact that a planted book might be only a history book on economics, and using the "alleged" report as an entry, they can go to work to demonize what they say are the author's REAL beliefs.

Five, Three, Ninty-two

An important political leader of the 20th century said that 5% of the people are patriots, 2% traitors, and the remaining 93% just watch to see which side is winning so that they will know whom to join to be on the winning side.

Perhaps the percentages may be off one way or the other, but, if the basic concept is true, then the opinions of the 5% are more important than those of the 92% and are critical to the future of both the International Merchant and the subject people who live in the merchant's market area.

What has happened

It appears that while the ITC boasted of its victories, quietly and unheralded the 5% who are Saxon America's Christian patriots have become almost solidly "Reform Christian". In spite of the establishment media, "Reform Christians" have quietly come to believe that the WORD of God is "the Way" and there is none other. And there they stand. Their motto is the motto most dreaded by the establishment: *"It is better to obey God than man."* This is outright rebellion to the establishment credo - "It is better to obey man than God."

The worldwide media blitz unleashed this last two months is the attempt by the establishment's scribes to retrieve a situation that they have only just discovered. The world as

they know it suddenly appears to be deteriorating before their eyes.⁸

Consequences of Saxon Obedience

Saxon's who believes the WORD believe the following:

*** God the WORD appointed man to be both king and priest.**

"Jesus Christ ... hath made us kings and priests unto God and his Father." Rev 1:5-6

*** Man is to have no other king than God the WORD.**

"In the beginning was the WORD, and the word was with God, and the WORD was God." John 1:1 and "The WORD was made flesh, and dwelt among us." John 1:14; "Thou shalt have no other gods before me." Ex 20:3

*** There are to be no monopolies.**

"Woe unto them that join house to house, that lay field to field, till there be no place, and they may be placed alone in the midst of the earth." Isaiah 5:8

*** No taxes.**

"Of whom do the kings of the earth take custom or tribute? of their own children, or of strangers? Peter saith unto him, Of strangers." (Gr: allotrios - foreign, not akin.) ... Then are the children free." Matt 17:25- 26.⁹

⁸ The way the ITC gained its newspaper monopoly is through advertising. Not one person in a hundred reads the mass of advertising that comes stuffed inside newspapers. People throw it away. This unneeded advertising is really a newspaper subsidy. It is the reason there aren't four or five newspapers in your area. Establishment newspapers get advertising from ITC industry and non-establishment papers don't. Where there used to be several papers in each city there is now one. ITC corporations give advertising dollars to subsidize ITC newspapers. Saxon-owned papers have been forced out of business. Practically all media now speaks with one voice because they are all owned by the ITC. ITC advertising made it possible.

The *King of Kings* who issued these commandments is a King different from the king appointed by the merchant. The priest they follow is a different priest than the pharisee priest appointed by the merchant. The Scribes they listen are different scribes than the merchants' scribes. Saxons who obey God the WORD consider themselves to be Christian, and they consider those who disobey the WORD to be anti-christ.

Consequences Of Saxon Obedience

When Saxons obey the WORD, International Trade Cartel merchants cannot enter the land and buy and sell. Consequently, the ITC must stamp out the WORD that forbids them from operating in their land.

But, throughout history, in spite of their efforts, the WORD has managed to get out. Each time it has produced dire results:

1381 The Peasants Revolt - Wycliffe translated a Bible and it got to the 5%. All was quiet until a tax increase triggered a flash revolt. Within days, the 5% led 50,000 armed men who marched on London, hanging corrupt priests and judges on

the way. Their mission - to reform England. The establishment almost fell.

1524-1526 The German Peasants' War - Martin Luther translated the Bible into German. It got into the hands of the 5% who proceeded to put what they learned into action. They took the vast church and crown lands and divided them among the Saxon nation and lived under the Laws of the King of Kings. The establishment almost fell.

1509-1564 Calvin - Calvin, Knox and others went to Switzerland and translated the Bible into English. This Bible was smuggled into England and Scotland. The Word spread across Europe and people began learning their rights given them by God. Revolt broke out everywhere.

1514-1572 John Knox - Knox went to Scotland and soon Scots signed the Covenant vowing to obey God and no other.

The English Civil War - In England, the 5% became "puritans" and most of the 92% followed them. They demanded that the land be divided. It was only by making deals with Oliver Cromwell, the rebels' leader, that the establishment was able to hang on.

1572 French Huguenots - The WORD spread over France. Under leadership of the 5% the people began obeying the King of Kings when his Law conflicted with those of the king. The king of France woke up one day and discovered that more than a quarter of France had abandoned his rule for the Law of God and he was in danger of losing the rest of France. It was a near thing.

More than four centuries have passed since these days and once again rumblings are being heard in the land. The Scribes are striving one against the other.

Their Scribes

The job of the ITC scribes is to provide gossip, inform the consumers of the merchants' market area, promote the policies of the king, and to vilify his enemies.

Our Scribes

The job of the scribes of the King of Kings is to spread God's WORD to His people by whatever means are available.

Conclusion

The Cloak of Esau - the enemy's media - has proved that it can reach out and influence the mass 92% of the people any time it chooses. The problem is that he cannot reach the 5% who are Christian Patriots. Christian Patriots are the most difficult of all to persuade that lies are truth and truth are lies. And, it is these who the 92% will listen to in the long run. Why; "because everyone knows the media lies".

The enemy's desperate lashing out, piling one lie on top of another, shows his desperation. It shows that we have a clear field to reach out to the rest of the 5% and begin to touch the 92%. The media slept too long. It can't reach them and we can.

Each of us is a Scribe of the King of Kings. We have been given a responsibility by God to do *something* to advance His kingdom each and every day. When we have delivered the very last of the 5% into the knowledge of the WORD, all it will take is for the serpent to do something else stupid - to tax us one extra goat; to call on the UN to occupy our land; or to outlaw God the WORD. Whatever they do will be the spark which will spread in an instant to the 92% who will then follow their natural leaders to bring about;

"Thy kingdom come ... on earth".

In the meantime, the serpent is awake and knows that he has but a short time. But, it's too late, snake - you've been had!

NOTICE - THE UN

This is open notice to Americans. The UN has now been in Korea, Vietnam, Africa, Yugoslavia, and elsewhere. They have left death and destruction wherever they have been. The handwriting is on the wall. All this is to condition the people to accept them when they come here.

America, its militias and its citizens must have their minds made up as to what they are going to do when they see the blue helmets with sub-machine guns walking the streets of America. As sure as the sun rises, UN occupation forces are coming here.

Letter From South Africa by K.J.

Every day now brings new communist laws, which do not seem to upset the new National Party as long as they get paid. Neither are many other whites who are fed on sports and gambling. The Afrikaner Bond, infiltrated by freemasonry in the early seventies, are another lot. They have no conscience. Many of them are ministers in Afrikaans churches. For the rest of us, a black communist dictatorship is a most appalling prospect. They are stripping the country of its assets. Blacks blame us for all that is going wrong and they believe the biggest lies fed to them by the Jewish media. When I see how the elderly, orphans and unemployed whites suffer, I come

the the point where I can say I dislike Blacks and Jews intensely.

We had a few lovely warm days and enjoyed the spring flowers and blossoms, but today an icy wind is blowing from the Drakensberge. Today all 12 unions of the civil service went on strike, although it has been on and off for sometime. They want more and the government is spending every cent on itself. It is mostly blacks that strike. If the post office is open you will find a few whites still working.

We got another Alsatian, a huge animal. Blacks moved into a house opposite a friend in a good Pretoria suburb. They built a huge wall around the property and had dogs. All went well until their furniture was taken back because of non-payment and the Alsatian got out one day and the neighbors saw the dog's condition. A liberal family bought a big bag of dog biscuits, but the Alsatian did not see much of it. To avoid the neighbors, the SPCA etc., they tied the dog to a tree in the middle of the property without food or water. When my friend could no longer stand the dog's howling, she offered to buy the dog. As she could not keep him he came to us, a lovely animal, starved for food and love, but well trained. He must have been stolen. The reason why blacks treat dogs so badly, one told our friend, is because they are obedient and blacks see that as weakness. But they do not treat any animal properly.

The gun laws are causing quite a stir among whites and the only way I can see is to keep the pressure on the regime. They still kill whites daily and not one feels safe. As I am writing this letter a 38 revolver lies on the table near me and to leave a door unlocked is a major sin for which I get a severe talking to. I do not see any sign that people like Derby-Lewis will get out of prison soon. Hanis' wife sees to it that he gets the worst

treatment - denied reading matter, computer, etc. Her hatred knows no bounds.

Some of the older gold mines have closed and it's not only the gold price to blame, Black productivity is low, while blacks continue to demand more. Funny, Johanna Brandt warned in one of her books that Blacks must stay out of a fight between English and Afrikaans and she meant in the future, not the time she was living in. According to today's news the government is going ahead with the Firearm Bill. All I can say is that so many are going to disappear from sight and be reported as stolen. The police do not open dockets any longer and we will make use of their slackness. As for the Blacks, there is a whole army of poorly educated young Blacks that can be used as cannon fodder, for whom killing means absolutely nothing.

We have been without a telephone for weeks. They cut the wire to get hold of the copper, but there is no copper in the wire put up this last year. Still it gets cut by Blacks out of malice. To use the word "kaffer" (heathen) was seen as one of the worst sins, but no longer. Ordinary people are beginning to use the word and the worse the Blacks get the more it is used. The use of cell phones is not cheap here but we have little alternative. Two White men came to repair the damage today. With best wishes, K.J.

LETTERS

BUCHANAN: "Hello Richard: Your book *War Cycles / Peace Cycles* is catching flak. Don't feel alone. Buchanan wrote a book saying that before WWII Germany presented no threat to the US. For writing this heresy he is presently being crucified by the media." - L.G. Virginia

DEJA VUE: "Dear Mr. Hoskins: It's interesting about people who write books which are not approved by the establishment. They find them in cars. Dr. Pierce wrote *"Turner Diaries* and the media says a copy was found in McVeigh's car. Some fellow in Florida was arrested for planning to make bombs and the media says that the same book by Dr. Pierce was found in his car. They say they found your book in the California shooter's car, and I'll bet that they find Buchanan's book in the car belonging to the next shooter." A. W. - Nebraska

UPDATE: "Dear Richard; I was horrified with your treatment by the media. May I ask what the repercussions have been?" J.R. - California

RKH: Nothing. You would think that having had one's name dragged through the mud on the front page of practically every newspaper in the country you would get hate mail or something! Besides the "End Racism" bumper sticker mailed from California, that's it. People I have never seen before come up to me and pat me on the back and tell me that they are with me, and they have no idea of what is going on except that whatever the newspapers say must be a lie.

MISSING THE MARK: "Richard; Just a short note. America's media lives in a vacuum. People don't believe them anymore. They have lied so often that people don't believe anything that they say about anything. Waco is a case in point. The establishment is supposed to be taking the country into the third millennium's New World Order with a secret police (FBI) that no one believes or trusts. They now find that 'everyone' believes that the government is guilty of the Waco murders. This forces the government to back up and

start over again to win credibility. They are doing the same sort of thing to you. Don't sweat it. America knows that you have not had your say and that the media reporting is suspect once again." S.A. - Florida

OUTLAWED: "Dear Mr. Hoskins; Children were killed here at a church shooting. The announcers theorized that the shooter was a Phineas Priest and that Richard Kelly Hoskins was somehow responsible. They had nothing to support their statements. They didn't even find your Christian economics book in the shooter's pocket. I suppose you realize that when the Establishment media accuses someone of a heinous crime, publishes his picture and address, they are attempting to *outlaw* him so that anyone is justified in killing him. It appears that the scribes of today are as evil and dangerous as they were in Jesus' day. When they say something - the TRUTH is often the exact opposite. A Phineas priest enforces God's Law - he doesn't break it. The truth is the exact opposite." S.J. - Texas

BLACKS & JEWS: "Dear Mr. Hoskins: In *HR 300* you called Blacks and Jews 'friends'. Explain." P. A. - Oklahoma

RKH: God requires separation. It is easy to be "friends" with separated strangers. Many blacks and Jews also want separation - even violent Black Panther and Jewish Defense League types. Talk peaceful separation - if possible. Peace is easier than war. Be nice. If forced to fight, the war must be fought with an eye to the peace that follows. The WORD which is God is the final authority.

Chapter 302

LYNCHBURG WELCOMES¹ SODOMITES¹

Hegelian Dialectics

Hegelian Dialectics is the method used to force people to do things that they don't want to do. The International Trade Cartel (ITC) wants a Hindu society where "all things", including sodomites, are accepted. On the other hand, REAL Christians don't want to violate God's express Commandment by accepting sodomites. Hegelian Dialectics is the gradualism approach used by Hindu-Christian Scribes & Pharisees to mold America's acceptance.

¹ Faggot: A bundle of sticks. The name traditionally used by Christians to describe homosexuals as - "Fuel for the fires of hell."

First - The ITC states their desired principle or objective. In this case they want; "An open Hindu society - anything goes - including sodomy."

Second - The opposing argument is that everything is ruled by God's Commandments, and God's Commandment in this case is: *"If a man lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death."* Lev 20:13.²

Third - The compromise between the First argument and the Second argument is the Third compromise position. In this case, establishment priests say that God has changed his mind and now sodomites should be accepted by Christians in order to be "saved" - and not put to death. This is a vast improvement over what went before.

Conditions Yesterday

During the 1800s and until the end of WWII in 1945, killing homosexuals attempting to impose their perversion on others was called "justifiable homicide" by juries. It was an ironclad defense.

Following WWII, state priests taught their congregations to accept homosexuals in order to "save their souls".

² *"Moses called the people together ... that they might engage themselves to ... these laws by oath: and that ... in case any one of their own blood ... should attempt to confound or dissolve their constitution of government, they should take vengeance upon them, both all in general, and each person in particular; ... but that if they were not able to take such vengeance, they should still demonstrate that what was done was contrary to their wills."* Antiquities 4:8:45.

Today, the king has outlawed God's Law. Those attempting to obey God's Law, either all-together or individually, will be killed or imprisoned by the king who dotes on his special treasures. Obedience to God can only be expressed by verbal protest. The protest expresses obedience to God. Lack of protest indicates tolerance of both the sodomite and his god.

Then, the fight to bring homosexuals into the mainstream was put on the back burner to make way for the main battle to outlaw the Christian Law prohibiting interracial marriage.³ Once this was done, it was time to return to the battle to force homosexual acceptance.

Reform Christianity

Cartel operations in America's religious, political, and business spheres alarmed America's Christian Patriots. They tired of the lickspittle attitudes of the leaders of mainstream churches which agreed with whatever the infidels said or did and left the mainstream march to apostasy and began a return to basic Christianity. They called the movement - *Reform Christianity*. Reform Christianity holds to a strict interpretation of God's Commandments. The two beliefs making them stand out from today's mainstream are beliefs commonly held by most Christians in prior years. They are:

1) In addition to the 30% of the Bible dealing with personal improvement, the ignored 70% dealing with government should be taught also.

2) The genealogical records filed by Europe's kings such as Charlemagne, Robert the Bruce, Edward I, and the rest, which are on file with the Catholic and Episcopal churches and are in the archives of every Western country, proving descent from Amraham, Isaac and Jacob are true. Since the Saxon nation is of one blood, the ancestry of Saxon kings is the same as the ancestry

³ *"If the priest's daughter also be married unto a stranger (Heb: zûwr - racial alien), she may not eat of an offering of the holy thing (daily food that is blessed), But if the priest's daughter be a widow or divorced, and have no child, and is returned unto her father's house she shall eat of her father's meat; but there shall no stranger (Heb: zûwr - "racial alien") eat thereof." Lev 22:12-13*

of the Saxon people. This means that the patriarch's covenants made with God also belong to all the Saxon nation by right of descent.

Counter-Attack

The alien establishment was shocked. The reform movement they had ignored had grown into the cutting edge of America's militant Christianity. They immediately went to work to suppress this uprising.

Cartel Information Source

The *International Trade Cartel* has two major information sources - the *Anti-Defamation League* and the *Southern Poverty Law Center*. No ITC controlled media speaks on major policy without briefing and data from these organizations.

Since these two sources are anti-Christian and largely manned by infidel strangers, anyone who uses information obtained from them confesses to being cartel assets. This is how America learned that the FBI, ATF, police, teacher associations, and other quasi-state organizations had become assets of the infidel stranger - they almost always use these two organizations as their information source to the exclusion of information from Christian sources.

The ADL is headed by a Jew named Foxman. The SPLC is headed by one Morris Dees. He claims to be Baptist by religion, but his many familial connections are Jewish and most of his far flung organizational satellites are manned by Jews.

Instructing The National Press Club

The ITC prepared their media monopoly for their major attack on Reform Christianity by first giving instructions as

to what they wanted done. To do this Morris Dees came to Washington in 1996 to brief the National Press Club. The following was copied from a *Scriptures For America*'s paper called "Framing Deceit. ("Framing Deceit": Write for free copy from *Scriptures For America*, POB 766, LaPorte, CO 80535, 307-745-5913.)

"Let's consider a speech given to the National Press Club by Morris Dees, the head of the *Southern Poverty Law Center* given April 16, 1996. The president of the National Press Club asks Mr. Dees the following question;

"'Could you assess the role that the press is playing in exposing 'hate groups' and 'hate crimes', and what should the press be doing?'"

"From the wording of the question, it is apparent that Dees is not simply guest speaker; rather, Dees is an instructor who was brought in to tell the members of the press whom to target. Notice his instructions to this group.

"Mr. Dees: 'I think the press is playing a very valuable role. The only thing that I would suggest is that ... we try to get those people who express the true views of the Christian Identity ...'"⁴

This was the 1996 alert given the media by Morris Dees as to what was expected of them. Since then every *Reform Christian* ministry in the country has come under media attack. The media's "blitz" unleashed following the Califor-

⁴ The following description of *Identity* was taken from the Internet website of the ADL: "Hate on the world wide web: A brief guide to cyberspace bigotry/Christian Identity: *A diabolical mixture of racism, anti-Semitism, and religion, the Identity Church movement teaches that Anglo-Saxons are the Jews described in the Bible, that Jews are the descendants of Satan, and that Blacks and other minorities are inferior 'mud people.'*"

nia Community Center Shooting is a continuation of the 1996 "Dee's Plan".

California Community Center Shooting

Three years after the National Press Club briefing, a shooter entered a California community center and wounded some Jewish children and later killed a postal worker. The media alleged that the author's *War Cycles/Peace Cycles*, a book dealing with Christian Economics, was found in the shooters van and then theorized that this economics book inspired the shooter to do his shooting.⁵

Using the alleged book discovery for their springboard, the ITC media went into what appeared to be a carefully prepared "feeding frenzy" - all at the same time. They ALL began telling the world what a horrible thing Reform Christianity is. The author believes that not a single one of the thousands of editors who wrote condemning editorials and newspaper copy had actually read the book. Like the National Press Club, they had gotten their information directly from the SPLC and ADL and had used it without questioning its truthfulness.⁶

⁵ The media also alleges that *The Turner Dairies* was found in McVeigh's car and it inspired him to attack the Oklahoma federal building. The media also theorized that a book alleged to have been found in the possession of a man in Florida, accused of planning to make bombs, inspired him to commit that act. This ploy is getting a bit thin. I dare say that if one of the reporters had a book in their possession by any other *Reform Christian* author, that would have been the book found and that would have suited the media just as well as this author's book.

Lynchburg

In the author's home town, four front-page articles were written against him and his alleged "twisted beliefs", making the national media's Hegelian Dialectic look like this:

Good Guy: Media Hinduism - anything goes

Bad Guy: Reform Christianity - God's Law

Compromise sought: Reject Christian Law - accept
Hindu "anything goes".

Homosexuals Invited

Jerry Falwell announced that he was hosting a summit and that the nationally known sodomite, "The Reverend" Mel White was invited to bring 200 of his kind to meet with Jerry Falwell and 200 of his supporters at the Thomas Road Baptist Church for a lovefest to discuss toning down hatespeech.

It was instantly apparant what was transpiring. A strange god's followers were invited into the sanctuary and fellowship of a Christian Church - a prominent church - one whose example may be copied across the nation! Next, the only "hatespeech" that could be toned down was God's Commands against sodomy! That was the bone of contention.

Media Rhapsodizes Homofest

Lynchburg's *News & Advance* carried front-page articles containing full quotes made by the homosexuals in a series of gushing articles:

⁶ The SPLC further established its reputation as a dispenser of lies when it said that Richard Kelly Hoskins, the author of *War Cycles/Peace Cycles* was a member of the Nazi Party. If England's liable laws were in effect in America both the SPLC and the ADL organizations would be forced to be much more circumspect.

Friday, October, 21, 1999: Front page. Mel White, who ghost wrote some of Jerry Falwell's books and who later "outed", said that after studying King and Gandhi,⁷ he realized that he should not give up on Falwell. He said that the purpose of the meeting was to discuss lowering the level of rhetoric between homosexuals and Christians. He went on to say that "Falwell is breaking bread with '200 queers' sends a message."⁸

The article said that White told skeptical audience members that he thinks Falwell can change. One person asked how he reconciles Biblical passages prohibiting homosexuality. "White responded that the passage in Leviticus that says men should not sleep with men also has a lot of other prohibitions that we no longer take seriously."

Saturday, October 23, 1999: Front Page. Large picture showing "The Rev. Mel White" speaking to 200 of his followers in Lynchburg's 1st Christian Church. Both Pastor Roger Zimmerman and Mayor Pete Warren, a member of

7 King led Blacks against American Saxons. He was an adulterer who talked "peace" but left cities in ruins. He consorted with communists and many said he was a communist. His close friend revealed that he plagiarized his "doctorate". The closest god that identifies with this kind of conduct is a voodoo god: Gandhi led mixed-race Indians against British Saxons. Gandhi was a Hindu, a worshiper of Vishnu and Siva the Indian sex-god. He advocated "peace" but also left cities in smoking ruins. Hinduism traditionally accepts everyone "without regard to race, creed, or national origin."

8 *"If any man that is called a brother be a fornicator ... with such a one, no not to eat."*
1 Cor 5:11

Zimmerman's church, received standing ovations from the sodomites.⁹

The mayor said he saw the interviews of Falwell and White on "Good Morning America" and was elated all day.

"White echoed Warren's sentiments, saying that Falwell's apology for using hate filled language to generalize about all gays was miraculous. White noted that Falwell was the first major Southern Baptist minister to integrate his church ... "Jerry Falwell is serious about loving us". White again said that he owes his ideals to Gandhi and Martin Luther King.

Sunday Oct 24, 1999: Front page. Very large front page picture showing the followers of The Rev. Jerry Falwell and those of "The Rev. Mel White" as they "spontaneously break into song" prior to meeting. "Several local clergy people showed their support for the forum. "It is an important step to tone down the rhetoric," said Episcopal Bishop Frank H. Vest. "I support what they are doing and applaud them."

Page A4 carries a picture of The Rev. Mel White and The Rev. Jerry Falwell and notes that "Falwell, left, and White will pray together today at Thomas Road Baptist Church (pray to the same God? Is this God "Brahma" who permits all things, or the WORD who demands that his followers conform to the WORD?).

The N&A also notes that about 20 people gathered at the *Virginia University of Lynchburg* to pray for unity and reconciliation in Lynchburg (When were homosexuals and Christians ever reconciled?).

⁹ "Can two walk together, except they be agreed." Amos 3:3; "All flesh consorteth according to kind, and a man will cleave to his like." Ecclesiasticus 13:16; "The tree is known by his fruit." Matt 12:33

"The nation is watching as they sit down to talk about who they love and why they love," said The Rev. Ben Harris, pastor of Rose Chapel Baptist Church in Madison Heights. Harris said the church is not just for mainstream people, "The church is a place for everyone, " he said. (This doubtlessly includes the Hindu caveat, "Without regard to race, creed, or national origin," and falls under the condemnation of God the WORD which says, "*Can two walk together, except they be agreed.*" *Amos 3:3*;))

Monday Oct 25, 1999: Front page. Very, very large picture of The Rev. Mel White with hymnbook "singing praise for The Rev. Jerry Falwell's sermon Sunday at Thomas Road Baptist Church."

"Falwell welcomed White and his group, saying, 'I've never met more courteous, gentlemanly and professional people. Mel White, my hat's off to you.'"

The accompanying column said that "The Rev. Mel White" woke up at 4 a.m. Sunday and went on the "Today" show to announce a National Soulforce Campaign Against Spiritual Violence". He complained that "The Rev. Jerry Falwell" had called homosexuals sinners too many times to count and had compared them to alcoholics, drug addicts and unwed mothers. "We have to make a concerted effort against this kind of spiritual violence" (Using this type of reasoning, the quoting of God's Commandments from the Bible can also considered to be "spiritual violence.")

Falwell said in his sermon, "We believe the Bible is the infallible ... word of God." The *N&A* noted that he did not quote scripture on the wrongness of homosexuality.

HR readers must know that Christian preachers in years gone by had to justify their statements by Scripture. Today's

Sodomites Worshiping Their God In Sanctuary Of Lynchburg's 1st Christian Church

Picture on left was (spliced in because camera was not wide lens) is of Ghandi. Ghandi's Hindu religion accepts homosexuality as "normal". The center picture is of "Jesus" with his partner. The picture on the right is Martin Luther King, Jr., plagiarist, communist fellow traveler, adulterer, etc. The above display was described by the N&A as "inspiring". There was also a homosexual concert described by one who attended as "raucous". Following this, several members of 1st Christian Church walked out. The media claimed that there was lengthy applause.

preachers using cartel-owned media are not permitted to do this. They are not allowed to quote God's Commandments on national TV or in the newspapers that are disapproved by the god of the media owners. They may use Biblical parables and they may quote all day from the Bible; but, they may not say things like murder, rape, kidnaping, and homosexuality are punishable by "death". That is censored. "Love" is always the

love of the media owner's god - "Huggy, huggy, kissy, kissy" - or - the Hindu love that loves everyone without regard to "race, creed, or national origin." It is never the love of our God, "*If ye love me obey my commandments.*" *John 14:15*

The N&A also noted that Gary Rimar, a Jewish homosexual from Michigan said that Liberty Students took him to Hyland Heights Baptist Church where he received a warm welcome. He said that they had never met a "normal" gay person before and didn't know what to do with him.

Mel White took the opportunity in the Sunday morning service to again thank The Rev. Roger Zimmerman and Sandy Knowdel of First Christian Church on Rivermont Avenue "for their hospitality and help in organizing the weekend's events".

Tuesday, October 26, 1999: Front page lead article, "White, Falwell meeting a lesson in Non-Violence". Today's article noted that 40 police officers, most working overtime, created a very noticeable presence as the homosexual Soulforce prepared for the summit at First Christian Church. (This is in contrast to the lack of protection given Richard Kelly Hoskins after four front page *News & Advance* articles demonized him and gave his home address. The police chief insisted that he did not have the authority to reveal the identity of the owners of cars who had been following him and whose license numbers were taken down, because, "They didn't actually threatened you!") Mayor Pete Warren said the weekend was a great success, thanks to both the police and all who welcomed White's group. The Rev. Roger Zimmerman, pastor at First Christian, was equally effusive.

Wednesday, October 27, 1999: Today's *N&A* editor summed up the Homosexual-Thomas Road Baptist Church lovefest by tying all the loose ends. He described the sodomites in the following manner;

"So homosexuals are people, too, with lives to lead and hopes for themselves, their jobs and their future just like everyone else. ... if that message got across to the religious right at the meeting designed to tone down the hate speech ... the weekend meetings were a resounding success."

The editor again described Mel White's beliefs and the beliefs of his organization as being based on the writings of Gandhi and Martin Luther King Jr, noting also that White took offense at Jerry Falwell referring to homosexuals as "sinners". He referred to that as "spiritual violence" that also needs to be eradicated.

Against Hate

The theme of this weekend was the "toning down of hateful speech". The word "hate-speech" came up time and again. One homosexual protesting the meeting walked outside carried a sign that boasted, "HATE, Crime-laws soften Falwell's Message".

This points the direction. The establishment fully intends to pass anti-hate legislation that will result in the same thing happening here as is happening in Germany where more than 100,000 people have been tried before establishment tribunals and 10,000 are presently in prison for the crime of "hatespeech".

GOD Commands Both "Love & "HATE"

God the WORD requires love. The most important definition of love is:

"If ye love me obey my commandments". John 14:15

Our God who commands us to "love" also requires us to "hate". The Scripture defines hate:

"I hate them, O Lord, that hate thee. I hate them with a perfect hatred. I count them my enemies." Ps 139:21-22

"Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." II Chron 19:2

Jerry Falwell's Response

Jerry Falwell has received an unexpected avalanche of e-mail, letters, and telegrams attacking his introduction of homosexuals into a Christian church and his comments about "hatespeech" which they interpreted as being directed against God's Commandment against homosexuals.

Stung, he issued a follow-up statement in which he tried to answer his attackers letters one argument at a time. Following are a few of his answers:

Question: "Rev. Falwell, what would you do if one of your sons were gay?"

"ANS: "There is absolutely nothing one of my three children could say or do that would cause me to expel them from my love or from my home."

RKH: God's sentence to homosexuals is death. I should think that when the sentence is prevented from being carried out because the king has protected them, that the least one

could do is to institute the same punishment accorded those who engage in interracial marriage: *"If the priest's daughter also be married unto a stranger (Heb: zûwr - racial alien), she may not eat of an offering of the holy thing (daily food that is blessed), But if the priest's daughter be a widow or divorced, and have no child, and is returned unto her father's house she shall eat of her father's meat; but there shall no stranger (Heb: zûwr - "racial alien") eat thereof."* Lev 22:12-13. If this is so, an unrepentant faggot child is expelled from his father's house and table until he repents.

Falwell: "The Bible calls me and all Christians to ... build a bridge of love and communication to the millions of gays and lesbians in our culture. Can we love God and not our Brother?"

"Whosoever shall do the will of my Father which is in heaven, the same is my brother." Matt 12:50.¹⁰

Falwell: Matthew 15:44 instructs us to *"Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you."*

RKH: Right on! When they do these things to you turn the other cheek. However, if they attack the WORD which is GOD when attacking you it becomes a different matter: Then we obey God's WORD to deal with the blasphemy.

"We must obey God rather than men." Acts 5:29

¹⁰ One who violates God's law is not a brother and is not to be treated as a brother.

Falwell: "The Rev. Fred Phelps of Topeka, Kansas, who protested our summit ... takes a radically different approach. Phelps and his entourage spat out venomous taunts at homosexuals attending the summit, ... I believe Phelps and his ilk are dangerous because their noxious words are motivated by hatred. I believe there is a distinct likelihood that their words can coerce violence."

RKH Isn't Phelps practicing the Scriptural "hate" that the Scriptures direct Christians to practice? What is wrong with hating those who hate God? It is obeying Scripture. Jerry constantly says "Love the sinner - hate the sin." Doesn't Scripture say instead:

"For the ungodly and his ungodliness are both alike hateful unto God." Wisdom of Solomon 14:9

There were a number of other points that Jerry Falwell answered. Most were repeats of "love" and not hating "your brother".

Summary

This so-called nationally proclaimed "summit" has done two things:

1) Jerry Falwell's is the first "conservative" mainstream Christian church who has openly welcomed sodomites into its sanctuary and worship.

2) The "anti-violence", and toning down of hate-rhetoric theme was no accident. It most surely will be followed by legislation outlawing "hatespeech" which will result in banning the teachings of Jesus Christ. After all, all this has been planned for a long time.

"Woe unto you, scribes and Pharisees, hypocrites! for ye are as graves which appear not, and the men that walk over them are not aware of them." Luke 11:44

Letter From S. Africa by H.J.

Dear Mr. Hoskins; We hope you are enjoying some peace after the recent media blitz. I'm afraid I wrote to the pastor who has been attacking you and told him that I prefer your book *Vigilantes Of Christendom* to his book dealing with Christian duty under corrupt government. Our government is not only corrupt but most dangerous. No White knows if he will see the end of the day. How wonderful it will be if through God's mercy, he would send us a leader of His choice - when we humble ourselves and turn from our wicked ways.

What really got me going was the article in the *Jubilee* Jul/Aug. Planted evidence is the easiest thing in the world if one wishes to discredit a person; something the pastor in question should well remember. Perhaps he never has had to face the problem of being accused of some wrong doing when you are innocent.

The latest news on AIDS sounds very grim. Because Blacks cannot see it they cannot understand and continue in their old ways. Now, White students who are sleeping around are getting it. Perhaps they too know better - or so they think.

Before the *Battle Of Blood River*, all the prominent leaders like Gert Maritz, Piet Retiet and Piet Uys had died and the Voortrekkers were in dire straits. It was then they sent for Andries Pretorius. He immediately took things in hand and got ready for that battle which they won - with the aid of God with whom they made "The Covenant". To my mind, Pretorius was sent by God and was a type of Phinehas. He wasted

no time talking to these savages who were bent on killing every White.

The press in England is showing the same old TV propaganda series that they used before on the Anglo-Boer War. A woman announcer said, "The Boere were not as civilized as we were, they wanted to starve the inhabitants. They bombed hospitals so that women and children died." (It was the British who did these things. Ed.)

The Thomas Cook Traveling Agency of England has a problem. A local company using Black drivers had a terrible accident when coming back from a private game reserve. Twenty-six British tourists were killed including their SA tour guide. Another ten are in serious condition. I wonder if Cook will have the courage to insist on White drivers. During the last 7 days 6 buses crashed. Blacks are driving enormous trucks and buses and are simply not capable of responsibility handling the equipment safely and they are involved in accident after accident. It is the same with the mini-buses. They overloaded them and don't keep them properly maintained. They use bad tires and drive at excessively high speeds which often cause unnecessary accidents. They stop anywhere at anytime and change lanes whenever they like with no consideration for others, and, they are all armed with AK47s.

We hope you were not in the areas worst hit by floods.

With best wishes, K.J.

LETTERS

KINDER, GENTLER: "Dear Mr. Hoskins; You certainly are kinder to your stranger 'friends' than they are to you. The Scriptures teach that there will be a separation of the races

and that each race will return to their own land or die. Your being 'friends' isn't helping this." B.T. - Ohio

RKH: You know the story of Judith from the *Apocrypha*. She is one of the greatest heroines in all Saxondom because of her magnificent deed.

How close do you think she would have been allowed to get to the great Babylonian general Holofernes if she had rained curses on him instead of smiles? It doesn't hurt to be nice. Always be nice. If Holofernes were leaving the country instead of coming - one should offer to help to carry his load; offer him food and drink for his journey home; offer him tools and where-with-all to build a house in another land. Smile. Always be nice. Let the stranger know that you will be their friend to help him leave. The obedient among the strangers are entitled to "*crumbs from the table*", and if he has given us the "good Samaritan" treatment - he is entitled to the same in return. We must always let God's Law rule our lives. God gave strict Commandments on how to deal with strangers. Learn them by heart.¹¹

 FRIEND?: "Dear Richard: You call Blacks and Jews 'friend'? You know the Scripture!!" B.W. - Missouri

RKH: Since I have received 50 letters in like vein, let me go over again what to me seems obvious. The Scriptures say;

"Whosoever shall do the will of my Father which is in heaven, the same is my brother." Mt. 12:50; The Scriptures say; "Do not I hate them, O Lord, that hate thee? And am not I grieved with those that rise up

¹¹ "Thus saith the Lord God of the Hebrews, Let my people go, that they may serve me." Ex 9:13; "Israel then shall dwell in safety alone." Deut 33:28; "The people shall dwell alone, and shall not be reckoned among the nations." Num 23:9

against thee? I hate them with perfect hatred: I count them mine enemies." Ps 139:21-22; The Scriptures say, "So shall we be separated, I and thy people, from all the people that are upon the face of the earth." Ex 33:16.

We know what the WORD requires. We know that those who "hate" God are those who disobey his WORD. My "friends" among Blacks and Jews are those who obey the WORD. How many do you think that is? I am old. One thing I have learned is that it is easier to lead a horse to another pasture than to drive him. But, led or driven, to another pasture that horse will go.

 MEDIA REPORTING RACE: "Dear Mr. Hoskins: The media does not report the race of criminals - why is this?"
 L.M. - Michigan

RKH: When a criminal's race is not mentioned people assume that the criminal is white. Most violent crimes are committed by strangers. The omission of the race of the criminal transfers the guilt from the stranger to the white. It is part of the anti- Saxon war.

 REDSKINS: "Dear R.K.; Praise Yahweh and greetings from your favorite redskin. Just thought I'd send a word of support as your name has been plastered all over the papers. Your courage and boldness is an inspiration to us all." M.J. - Florida

RKH: The writer is a stranger. He is one of those who recognizes the Reformed Christian message and believes that the lives of all of us will be better when ruled by the WORD administered by those God chose to do it.

INFIDELS PROTEST INFIDELS: Muslims have called for the death of playwright Terrence McNally because of his play which portrays Jesus Christ as a homosexual now running in London. The Muslims quote the Prophet Mohammed as saying: "Whoever insults a messenger of God must be killed." (From a story in *News & Advance*, p. A2, October 31, 1999.

Instead of paying the judgment, *Indianapolis Baptist Temple*, at 2711 S. East St, (Indianapolis, IN), will appeal the decision by Judge Sarah Evans Barker. Barker's decision allows the federal government to foreclose on the church's property which includes a church, a school and a parsonage where paster Gregory J. Dixon and his wife have lived since 1968. No one from the U.S. Department of Justice, which brought the case would

comment, but Pastor Dixon said, "Our religious faith is not for sale, not for one dollar or a million or 10 million."

The king's message is clear; Bless the king and his policies or the king will destroy you! Proof that the message is being heard and taken to heart is the deafening silence emanating from the the rest of America's so-called Christian Churches. "Separation of Church and State" - Yeah, sure! If you are obedient to the king.

BAD NEWS FOR LIBERALS: According to a poll released in Washington D.C. Aug 16 by Hamilton College of Clinton, N.Y. 50.3% of those polled agree racial separation in America as all right as long as everyone has equal opportunity. Over 1001 participants ranging from ages 18 to 29 were randomly selected by the NAACP and Zogby International co-sponsored the survey. The article, which appeared in the Muslim *The Final Call*, p.8, Aug 24, 1999, went on to conclude that "many young Americans are comfortable with the notion of a segregated society."

ALERT!

(PUBLISHER'S NOTE - The war to destroy Islamic nationalism was advanced ahead of the war on Saxon-Israel. Once Islamic nationalism is contained the following is expected to be activated.))

On the advice of computer experts HR stated months ago that it does not believe that Y2K will produce major dislocations at the first of the year resulting from embedded computer chips. HR continues in this opinion. However, HR has received information that indicates that a Y2K type excuse may be used for America's ruling Red Front to eliminate its anti-communist foes called "Christian-Patriots" by their friends and labeled "Identity Terrorists" by their enemies.

Read the following and decide for yourselves.

Intelligence Gathering

Fact: Before WWII, Japan invaded China. The US made an agreement with the Dutch Government in exile in England to stop the export of oil from the Dutch East Indies to Japan. Japan could then choose to withdraw from China and hope the American-Dutch embargo would end, or go to war with the US and take the oil she needed if she thought the U.S. would use the oil ploy over and over to dictate to the Japanese.

Fact: Soon, American intelligence radio operators detected increased military signals.

Fact: Next, it was learned that the Japanese fleet had left Japan.

Fact: Based on these facts and a few others, US intelligence deduced that Japan had chosen to attack the U.S. rather than withdraw from China.

Fact: They informed U.S. leaders who said that they were not convinced and did little to prepare defenses. The U.S. fleet was destroyed at Pearl Harbor.

Early Warning

On April 16, 1996, Morris Dees of the Southern Poverty Law Center instructed the *National Press Club* in Washington, DC to get "Identity" because, "The Thread that runs through the militia, anti- government extremists in our country is a religious belief called Christian Identity.¹ These people believe that Saxons are the true children of God, the true Israelites." To "know one's identity" was a slang expression used in early days to describe those who identified their

ancestry with the genealogies of the royal families of Europe. The royal genealogies of Europe's kings on file in the Vatican and in England's Anglican Church files trace the ancestry of the kings to the Biblical patriarchs of Israel. Since all Saxon's are of one blood and are in some degree kin, all can claim the same descent. Dees infers that it is all right that Europe's Saxon royalty claims descent from the patriarchs but bad that the rest of the Saxons do the same.

Dees admitted that his organization's secret agents spy on 800 Christian Patriot organizations. He includes in his attacks such disparate individuals as the Rev. Pete Peters, a Church of Christ minister, Richard Kelly Hoskins, an outspoken Christian writer, Dr. William Pierce, an atheist, and Timothy McVeigh, a Catholic - all of whom are smeared with the Dees "Identity brush".²

"Megiddo" Clues

In October, the FBI held a closed-door meeting of the "International Association of Chiefs of Police" in North Carolina. The code name was "Megiddo".

The *Washington Post* obtained a copy of the 34 page report.³

"The threat posed by extremists as a result of perceived events associated with the Year 2000 (Y2K) is very real," the FBI report says. "The volatile mix of apocalyptic religions and conspiracy theories may produce violent acts aimed at

2 America's red-front uses the word "Identity" to include all of America's right wing Christian Patriots.

3 The report may be found at the FBI website www.fbi.gov. In essence it says that local law enforcement officials need to monitor radical groups for behavior such as stockpiling weapons and food that may indicate they are preparing for violence.

precipitating the end of the world as prophesied in the Bible."

The FBI described several groups that it says has members who pose a violent threat. "Christian Identity" followers, comprising loosely knit groups throughout the country provide the "unifying theology" for a number of "right-wing" groups posing a threat. "Odinest" also pose a threat, and possibly "extreme factions of Black Hebrew Israelite groups are preparing for a race war to close the millennium," the FBI report says.

The FBI report said potential targets include military facilities; UN buildings and personnel; institutions associated with the African American and Jewish communities and racial and religious minorities; gay men and lesbians; and foreign military units residing on US bases.

Recently the FBI, SPLC, ADL and the national press have waged a media war against Reform Christianity, labeling them "Identity" and charging them as being, "A diabolical mixture of racism, anti-Semitism, and religion," inferring that anyone believing in God's Biblical Commandments is mentally unstable and violence prone.

The Establishment already has an ongoing campaign against international terrorism and has created an international strike-force to deal with it. This same strike-force can be used equally well against "domestic terrorists", which could be anyone that establishment agents choose to paint with that label.

There is also the code name *Meggido* to be considered. This can refer to the great last-day war of good against evil called Armageddon, or the name "Meggido" can have a different meaning:

"The king of Egypt went up against ... king Josiah ... and he slew him at Megiddo." II Kings 23:29

Josiah was king of Israel. Thus, a king of Israel was slain by the heathen at "Megiddo." Truly an appropriate name if in fact the objective of "Megiddo" is to round up and destroy the Christian-Patriot community, or that part who claim descent from the Biblical patriarchs and who follow the God of Israel.

Let us look at the facts of the case:

Megiddo

Fact: History tells us that in Russia the stranger-owned media demonized the ruling Saxon-Russian ruling class and then turned the Slavs-Turk alliance against them.

Fact: Russian-stranger coalition herded their demonized Saxon- Russian enemies into open gulag prisons where 30 million died of malnutrition, sickness, and starvation.

Fact: After WWII, on orders from Gen. Eisenhower, demonized German POWs were herded into open prisons where 1 million were allowed to die from malnutrition, sickness and starvation.⁴

Fact: In the U.S., open enclosures built with inward slanting barbed-wire at the top designed to hold inmates in, and capable of holding thousands of cattle or many thousands of people, have been built but stand empty.

Fact: Extended power blackouts in urban America have almost always been accompanied by black rioting, looting, rape and mayhem in major urban centers.

⁴ *Other Losses*, James Bacque, 1991.

Fact: US military has been acclimating the American public to the sight of the armed military in their midst by practicing "anti- terrorist" training in urban population centers.

Fact: Police have been acclimating the public to being stopped and interrogated by setting up road blocks and spot checking licenses.

Fact: The establishment's anti-saxonite monopoly media daily vilifies Saxon-Christians. It has just completed a month-long worldwide media blitz vilifying and demonizing all Saxon Christian-Patriots with the label "Identity" and "potential terrorists".

Fact: We know that the "one voice media" has been running a drumfire campaign to take the Saxon nation's guns. An un- Lawful⁵ confiscation of their guns could take place under "martial law" where the only law is the will of the military on the spot.

Already, the media-monopoly blames everything bad happening in America on whites; a power blackout resulting in black urban lawlessness would also most likely be blamed on America's Christian-Patriots. This would provide the excuse. Failing that, government "hot- dogs" could produce the excuse.

You can bet on one thing, government troops being trained to search for and seize guns in urban America (accompanied by the sounds of recorded gunfire) are being trained to search for and seize guns. What else? Gunfire sounds trains the populace to sit quietly at home and not jump to the aid of neighbors when hearing the same sounds at their neighbor's

⁵ *"He said unto them ... he that hath no sword, let him sell his garment and buy one."*
Luke 22:36-38

house next door. Doesn't it? What other reason is there? Do you know any "terrorists"? Next door or anywhere else in your town?

Summarizing

Fact: The Washington Post reported that the FBI briefed The International Police Chiefs in North Carolina. The FBI told them that "Identity" Christian-Patriots might use Y2K disruptions for terrorist acts. They specified the targets that the "Identity" terrorists might attack.

Fact: We know that 30 million media-demonized Russians and 1 million German POWs were herded into open camps and died from exposure and starvation. We know that similar open-air enclosures stand empty in America.

Fact: We know that in the past "extended power black-outs" have usually been followed by black rioting; that the US military is holding urban maneuvers to acclimate the population to their presence in their midst; that the establishment media has been vilifying Saxons; that the FBI refrained from pointing out the potential black menace and pointed to Saxon "Identity" (codeword meaning "Christian-Patriots") as the potential enemy.

Fact: We know that America's utility power switches can be turned "on" or "off" by anyone throwing a switch with or without a Y2K problem.

Fact: We know that last year there was what could be interpreted as a "test" brown out in the American west where there is the least excuse for such a power outage, and that for five months New Zealand underwent a total power blackout for reasons still unexplained, but which could be considered a "practice run" by conspiracy theorists.

Fact: We have been told that trouble is to be expected from "Identity" people because they allegedly believe in an Apocalypse starting on January 1, 2000. We have been told that if disturbance or rioting should occur, that those people will probably be responsible.

Fact: We know that agents of this same FBI have testified that their organization lies and produces manufactured evidence to convict people they have targeted. This same FBI who conducted this briefing also killed a mother holding her child at Ruby Ridge, destroyed the evidence, and did not punish her murderer. We know that this same FBI liquidated 87 men, women and children at Waco, destroyed the evidence, and the murderers have yet to be brought to justice. We know the mercy of the courts that sentenced the Waco survivors to prison and threw away the keys. We know that the very government whom this FBI represents roams the world looking for victims to destroy; the latest being Christian civilian targets in Yugoslavia who were attacked with outlawed cluster bombs which killed multitudes. We know that this FBI almost exclusively uses source material from the anti-saxonite SPLC and ADL which now points its collective finger at America's Saxon Christian-Patriots community as America's #1 potential enemy.

More FBI History

The New York Times of Sept 15, 1995 reported that FBI chemist, Frederic Whitehurst complained that the FBI doctored evidence in the Trade Center case and in the 1991 trial of Walter L. Moody who was convicted of mail-bomb killings.

On February 11, 1976, the late Congressman Larry McDonald inserted evidence into the *Congressional Record* (pages E-617-619) documenting how US terrorist groups were actually being funded and controlled by the federal government. The government secretly funded a section of the *Weather Underground Organization* which was repeatedly involved in terrorist activities - including bombings, arson, and murder.

A January 10, 1976 Associated Press report stated: "The FBI created and funded a ... group called the *Secret Army Organization* (SAO) ..." The SAO was described as a "centrally designed and externally financed infrastructure designed for terror and sabotage. ... These acts were sanctioned by the nation's most powerful and highly respected law enforcement agency: the FBI."; *The San Diego Union* reported that the top SAO leader, Howard Berry Godfrey, was paid the expenses of the secret army, recruited new members, supplied the explosives, and picked out targets. The newspaper reported that Godfrey was paid by the FBI and was their informer.

Another example of Federal- engineered terrorism was demonstrated in the 1965 murder of civil rights marcher, Viola Liuzzo, by Gary Rowe, a paid FBI informer. The 7/10/95 *National Review* reported, "The 1978 investigation implicated Rowe as an agent provocateur, and he was accused of helping plant the bomb that killed four Black girls in a Birmingham church in 1963." The Klansmen accused in the Liuzzo case admitted that they had seen Rowe kill Vola Liuzzo. In 1978, an Alabama grand jury indicted Rowe for first- degree murder. Rowe had moved to Georgia and in 1980 a Federal judge blocked extradition to Alabama, asserting, "A Federal agent has rights that protect him when placed in a

compromising position because of his undercover work." The Federal judge's ruling was upheld by a Federal appeals court and exempted Rowe from any number of possible criminal charges in Alabama. In 1990, an internal FBI file came to light which acknowledged that Rowe had led attacks on Freedom Riders, clubbing them with a lead-weighted baseball bat.

In 1979, in Greensboro, North Carolina, a combined group of Klansmen and Nazis were involved in a shoot-out with members of the Communist Workers Party, which resulted in five dead Reds. In the 1980 trial that followed, it was revealed that Bernard Butkovich, an agent for the Bureau of Alcohol, Tobacco and Firearms (BATF) had, before the shoot-out, suggested a variety of illegal acts. Witnesses said that the BATF agent "urged members to buy equipment to convert semi-automatic guns to fully-automatic weapons, and offered to procure explosives including hand grenades. ..." (7/15/80 *Washington Post*, From *Youth Action News*, PO Box 312, Alexandria, Virginia 22313, Aug 1995.)

Judging from their past acts, it may be prudent to believe that once again the FBI may have funded, staffed, armed and fielded their own terrorists who quietly wait for the Y2K lights to go out and the inner city blacks start to riot. This rioting could be their excuse to commit their own terrorist acts and blame them on Christian Patriots - since the FBI has fingered them. The FBI has a history of committing terrorist acts and blaming them on those the establishment wishes to suppress.⁶

⁶ *The Trust* #269. The Soviets made it a policy of killing their own people and blaming it on the Germans. During "Reconstruction" in the South, government agents posed as KKK and blamed their depredations on Southerners.

Conclusion

It would seem that the clues to the government's "*Meg-gado*" agenda are at least as compelling as the clues the American intelligence had of Japanese war-like intentions before Pearl Harbor. Should this also be your conclusion, it may be prudent that; if the electric power is shut down at Y2K, and the blacks riot or government "hotdogs" put on a violence exhibition and the media blames it on Christian Patriots; and if you live in the city where this is going on - it may be wise to flee to your own people for safety. Once there, remain there until you can discern the extent of the emergency. If it is a false alarm, you can return to your everyday life and live in peace.

If it is not a false alarm, after the first roundup of Christian-Patriots, and after America has had a little time to reflect on what is happening to them, you then must decide what you as an individual must do.

If there is in fact a Pearl Harbor planned called "Megiddo", remember this:

"When thou are in tribulation ... even in the latter days, if thou turn to God and shall be obedient ... he will not forsake thee ... nor forget the covenant of thy fathers." Deut 4:30-31

God also warned the enemy:

"He that toucheth Israel toucheth the apple of His eye." Zech 2:8

paign over the holiday season. (Story in *News & Advance*, Nov 24, 1999)

NOTICE

Since the above was written, the *Anti-DEMONIZATION League*, has authorized its executive director to issue a reply to the FBI's "Megiddo Report" and to send it to all chiefs of police in the country. The editor has read the report and found it excellent.

Most members of Congress, state senators and representatives, city councils, local law enforcement officers and religious leaders have no idea what is actually in the FBI's *Megiddo Report*. The Anti-Demonization League believes that if they actually knew what is being done, many would oppose Megiddo.

The plan is this: There are 13 pages to the report. All who have computers can down-load the report from **www.adlci.org** and send it to your local politicians, law enforcement officers and church leaders. This isn't something that can be put off until tomorrow. It must be done now. If enough people know what is in the works - maybe it can be avoided. At least, let's work to that end.

In any event, the outcome rests in the hands of God Almighty.

Fasting & Prayer

On the 30th of December, America's Christian-Patriots plan to set aside that day as a day of fasting and prayer. If it

is God's will - this thing will pass and we will enter the new millennium in peace.

I am convinced that a similar call to prayer is the only thing that saved the survivors of the Ruby Ridge family after the FBI murdered the family's mother and the U.S. Marshals had murdered one of her children.⁷

If it is not God's will to take this thing from us, remember, most who were rounded up and taken to gulag-prisons never returned alive.

LETTER FROM S. AFRICA by KJ

Die Afrikaner and the *Insider* both had articles on the attempt to start the 3rd WW in Serbia. I must confess I do not know if we have 5% who are Christians here to turn the tide in God's name, but then we never know.

The enemy is bombarding whites with sports day and night, lest they start thinking about what is really taking place. If one of our forefathers or mothers suddenly appeared today, they would not recognize the ways of their descendants who will put up with humiliation from blacks who are not fit for anything. Their "rather red than dead" attitude combined with preachers who should have been defrocked long ago for preaching the communist gospel of "Liberty, equality and fraternity".

Some cannot wait to celebrate the new millennium in Jerusalem and they have tours going to all the holy places. While they are occupied in this manner, the communists through all the media, stoke war against the whites. Even our garden worker has been taken in by what he hears on the radio,

⁷ The courts forced the Government to pay several millions in damages to the family for these murders.

and his work shows it. He never took anything without asking, but no more. Last week he really tried to irritate us by asking for things he does not need. My husband ignored him completely this week. As a rule that works. They hate being ignored.

Our weather is strange. From winter into sweltering heat, and suddenly they remembered the ozone holes and warn us daily about ultraviolet rays. Wonder what they have in mind?

Our forefathers knew about the sun damage and wore suitable clothes. To tan was foolish according to many parents and they found a very light skin preferable.

With limited means, our people held a few memorable commemorations of the Second War of Independence, or Anglo-Boer War. The one held by the government with Mbeki and the Duke of Kent at Brandfort in the Free State had only blacks attending, except for some white reporters and white security. Blacks in a militant mood "toy-toiyed"⁸ past the house where Winnie Mandela had been under house arrest years ago. The press said very little about our events apart from negative references. There are a few English gentlemen fighting it out in the *Citizen's* letter columns, some for and some against us, but mostly lacking in general knowledge of historical facts. The same will happen to Afrikaans children if the parents do not teach them about their history. History is no longer a school subject, and just as well when you see the proposed contents. It seems nationalism and patriotism is reserved for the self-chosen group only.

AIDS has become an important subject. Homes for abandoned white babies in former times now house only black

⁸ The little dance black football players do to celebrate a victory.

AIDS babies. As a health measure, cremation has become an option, but it is against the blacks beliefs. But, in spite of all, they continue as they always have, promiscuous sex and rape. Our problem is to keep white women safe and the same goes for men. Young gangs of blacks rape our women in carjackings. Their orders seem to be to kill as many whites as possible with AIDS, which most blacks already have. Those whites who have no intention to leave the country. DeKlerk, for instance, applied for Australian citizenship in 1996, and it was granted. Pity he will not stay to see the outcome for which he was so richly rewarded by UNESCO, the Oppenheimer cartel, and with the Nobel peace prize.

The Dutch Reform Church is still at it. Their Western Cape Synod just decided to act with love towards homosexuals among the clergy and actually sang, "where there is compassion and love ... there is the Lord", as a prologue to the discussions. The church confessed that it has sometimes acted insensitively and loveless in the past. They now intend to study the Bible to find out what God wants to say to them today (as if God changed), but they seem to serve another god.

While they are occupied with the sin of "separateness" and are adopting new church rules, they do not see that the country is moving into a full communist state. Their members are told to pray for India, China and every one else, but they never focus on the growing number of poor whites who have been kicked out to make place for illiterate blacks who have no intentions of working. As long as they get a huge salary, bigger than any the whites have ever gotten or are getting today, a BMW and a cell phone, they are happy to sit around all day. As they can no longer repair the potholes in the roads of the Free State they want to remove the tar and have gravel

roads. Their backward progress is really something to see every where you go. Compounding matters, the price of petrol is going sky-high and with it all commodities.

We will miss the editor of the *Citizen*, Martin Williams. He had a reputation of objectivity. Frederick van Zyl- Slabbert chairman of Caxton publishers, had him replaced with Tim du Plessis, a Lucius W. Nieman-scholarship holder at Harvard University, and a leftist. Under him the *Citizen* will become another ANC mouthpiece.

Our adopted Alsatian is eating well and filling out nicely, but our daughter is his favorite, putting his head or paw on her lap when she comes on Sundays.

The headlines of a newspaper from England said that Anne will become Queen of Scotland. Afterwards it was explained that the position would be similar to "ambassador". I wonder what the Scottish people had to say about the matter.

Persecution of Christians is growing in India, China and Indonesia. I am sure you will understand the underlying reason.

With best wishes from a very sick South Africa, and may the new year bring relief from the many problems that have descended on our Saxon nation worldwide.

Yours faithfully, K.J.

Separation Of Church & State

The king's priests constantly talk about taking "Christianity", meaning "God's Law", out of government.

Kings traditionally appoint the high priest. The high priest is responsible for appointing and training the priests under him. Their job: to bless the acts of the king.

Before the Revolution, the priests of the king fought our Revolutionary forefathers tooth and nail - preaching the right of the king to pass statutes directed against the people - even when they violated God's Law. When our forefathers at last issued their Declaration of Independence, the king called his priests back home to Great Britain.

Following this, America declared that the state was to establish no state religion having a high priest to approve whatever the government did. This is a far cry from keeping Christianity (or God's LAW) out of government. When you keep God's LAW out of government the king has a free hand to do anything he wants to do - and that's why "state priests" do what they do - bless the king!

Today, King Willie appoints the head of the IRS as high priest. The head of the IRS and his agents train the priests who fall under his jurisdiction. Beware the king's high priest, and beware the words of the mainstream priests he trains. It is their job to drive God's WORD from the king's government. There can't be two Law systems in existence at the same time. People will love the one and hate the other.

Seminary-Trained Preachers

Most mainline preachers proclaim the king's statutes as being supreme even when these statutes nullify the LAW of God. This kind of god that most mainline preachers preach is an arch-enemy of the WORD.

This condition is the result of establishment churches accepting money from corporations, money used to build seminaries to train preachers. Most wealthy corporations are owned by the sons of Esau. All that these generous corporations ask in return for substantial donations is for the corpo-

ration to name the teacher or teachers who will instruct certain subjects. This seems little enough to ask.

This has resulted in some seminaries having either Esau strangers actually teaching the Commandments of the God of Israel to the sons of Jacob. The paradoxical result is that graduates from seminaries have learned about our God through Esau's prophets. They go back to their denomination and preach Esau's god instead of Jacob's God. They are doing just what they are taught to do - which is why Esau's corporations "donated" money to the seminaries in the first place.

The god being preached in most mainline churches today is Vishnu and Siva - tolerant sodomite gods of the sodomite people of Esau - not the Lord God of Israel who separated his people from all others.⁹

Take heed, followers of "*the WORD made flesh*"; beware of seminary graduates who have been taught the ways of Esau that God hates.¹⁰ It is better to have a trusted one of your own teach than to take a serpent to your midst.

LETTERS

CHRISTIAN-PAGAN: "Dear Richard; Here in Ashville, NC, some local leaders see grounds for a Christian-pagan dialogue 'to help dispel fears and stereotypes on either side'. It's a replay of Lynchburg's 'Sodomite Fest' - only this time with witches! Ashville is rife with sodomites and New-Agers." M.P. - North Carolina

⁹ *"They shall not dwell in thy land, lest they make thee sin against me. I Ki 4:21,24*

¹⁰ *"Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." II Chron 19:2; "Jacob have I loved, but Esau have I hated." Ro 9:13; "I hate them, O Lord, that hate thee. I hate them with a perfect hatred." Ps139:21-22*

RKH: This is the Hindu "dharma" influence bringing all together under the benevolent rule of Brahma - whom they mis-name "Jesus". Hindu-Christian preachers are first to open the gates of the sheepfold.

ROYAL WHORE: "Dear Mr. Hoskins: You had it right when you called Princess Diana a whore. *USA Today* (Oct 28, 1999) reports that James Hewitt, soldier and horseman, confesses that he and Diana had a five year affair and that Diana told Prince Charles all about it, and that Prince Charles continued to treat him in the most friendly manner." J. K. - Kansas

UNFILTERED NEWS

GOVERNMENT AXES CHURCH: A federal judge has ruled that the *Indianapolis Baptist Temple* owes the federal government \$5.3 million in taxes. Instead of paying the judgment, *Indianapolis Baptist Temple*, at 2711 S. East St, (Indianapolis, IN), will appeal the decision by Judge Sarah Evans Barker. Barker's decision allows the federal government to foreclose on the church's property which includes a church, a school and a parsonage where pastor Gregory J. Dixon and his wife have lived since 1968. No one from the U.S. Department of Justice, which brought the case would comment, but Pastor Dixon said, "Our religious faith is not for sale, not for one dollar or a million or 10 million."

The king's message is clear; Bless the king and his policies or the king will destroy you! Proof that the message is being heard and taken to heart is the deafening silence emanating from the the rest of America's so-called Christian Churches. "Separation of Church and State" - Yeah, sure! If you are obedient to the king.

INDIA FIGHTS CATHOLICISM: The Vatican issued a statement calling for "collaboration" between India's 820 million Hindus and 23 million Christians. The World Hindu Council replied demanding that the pontiff withdraw Catholic missionaries from India. The Vatican maintains an embassy in New Delhi. (Story in *News & Advance*, A-2 Nov 6, 1999.

RKH: Two opposing law systems can't rule at the same time. Hinduism accepts anyone who will accept them and has few rules. Historically, Catholicism has many rules and is conciliatory until it gains power; it is exclusive. Indian Hindus see the Pope as the political-religious leader of a world-wide movement trying to replace Hindu toleration with Catholic exclusiveness. India's Hindus exterminated many of its Muslims and banished the rest for this very reason. To be tolerant and exclusive at the same time is impossible. It is either the one or the other.

SEPARATION: According to a poll released in Washington D.C. Aug 16 by Hamilton College of Clinton, N.Y. 50.3% of those polled agree racial separation in America is all right as long as everyone has equal opportunity. Over 1001 participants ranging from ages 18 to 29 were randomly selected by the NAACP and Zogby International co-sponsored the survey. The article, which appeared in the Muslim *The Final Call*, p.8, Aug 24, 1999, went on to conclude that "many young Americans are comfortable with the notion of a segregated society."

LIBERIAN CONVERT: *Okaz*, a Saudi newspaper reported Aug 14, that Liberian President Charles Taylor will

convert to Islam on an upcoming trip to Mecca, Saudi Arabia. (Story in *Final Call*, p. 2 Aug 24, 1999.)

RKH: The people of Liberia are descendants of American slaves who were repatriated to Africa in the last century carrying their taught "Christian values" with them. While Saxons are either Christian or not, strangers can and do skip from one religion to another as conditions dictate.

BERLIN "Guido Hombach, Senior Aide to Germany's Chancellor, is touring Iran in an effort to improve relations. German businessman Helmut Hoer awaits the death penalty for 'sexual relations with a Muslim woman'. Iran denies it intends to pardon Hofer (Hofer 'converted' to Islam 12 years ago but Iran has ignored that. At least one state still bars miscegenation. [Aus Ed]) (Nationalist & Internationalist News, POB 635, Strathpine PS 4500, AUSTRALIA) (*Deutsche Welle* TV News Broadcast on SBSTV Mon- Sat 11:30 AM, Tuesday Jan 5, 1999)

GRAVES: "In Germany, graves of Christian Germans are opened up after 20-25 years and emptied of bones which are ground to dust. The headstones are removed. The corpses of newly deceased people are buried in coffins in the previously used graves to save on cemetery space. The graves of buried Jews are left undisturbed in perpetuity. The Germans obviously think more highly of their Jewish dead than of their own." Ernst Zundel

CENSORSHIP: In the past two years alone, repressive, anti-Free Speech law have been passed in Switzerland, Italy, Spain, France, Austria, Belgium and Germany. Censorship follows the conquests of the International Trade Cartel.

POPE URGES WAR: "Alarmed at losses in Romanism Pope John Paul II, in his recent visit to Mexico, called upon the faithful to wage war against Protestantism which he call an untruthful ideology.' *Canadian Revivalist* editor Dr. Frank McClelland noted: 'It is interesting to see his ecumenical colleagues in the so-called Protestant churches squirm.'" *Cavalry Contender*, April 15, 1999, 1800 Sparkman Drive, Huntsville, AL 35816

RKH: Episcopal-type sects (rule from the top down) whether Protestant or Catholic, were set up to advance political-economic agendas. When the leader goes to war he expects his entire organization to follow him; which is the reason the organization was set up in the episcopal manner - rule from the top down.
