Chapter 364

HOUNDS OF HELL

Hunting Horns, Siva & Gurus

On the mantle over the fire place is a commemorative fox horn. It's a trophy. Dad won it at the Appomattox Field Trials in the '30s. Those trials were the biggest gathering of packs of Walker Foxhound and master foxhunters in the country. You just didn't bring your pack to the event - you were invited. I can't tell you the prestige associated with being invited to bring one's dogs to compete.

Dad had the best pack. Probably the best pack in the country. It was a big pack and he ran maybe 15 or 20 hounds with another 10 pups always coming along. Year after year he won first, second and third. Nobody else ever did that. Poor as a church mouse during the depression, after feeding his four children he really had to scramble to feed his dogs. He had an agreement with local butchershops and once a week went around picking up barrels of scraps. Once, when Dad was really hard up, he turned down \$1,000 from a man who wanted to buy one of his dogs - any one of them. The offer was refused "because it will break up the pack". A pup, maybe, but not a member of the pack. Each dog in the pack had a specific job and Dad's pack was a perfect team.

Etched on the horn are likenesses of his dogs. Each identified by his markings. They are shown in full cry after a "red". Dad said red foxes are bigger and smarter than greys. "Prince", "Queen", "Princess", "Duke" - I remember those names. People in Bedford and Amherst Counties knew them, too; at least they knew when they were running - they could hear the dogs and fox horns.

This presentation horn can be blown - if you know how, but the real hunting horns actually used in the field were smaller and shrill to get distance. Most hunters just used the same signals using their voices when calling their dogs - but many used hunting horns. The shrill sound of the fox horn echoing over the Virginia hills was like Gabriel's horn and the dogs understood and responded with increased baying and yelps.

Imagine Dad standing on a hill, eyes half-closed, a smile on his face; his dogs running so far away that you could barely hear them - but he could. There would be silence for a time. Dad would nod to Mr. Shepherd, Dad's hunting pal, and Mr.

Shepherd would blow a shrill message telling the dogs that the fox had doubled back and to hunt around for his new track. There was quiet for a bit longer and then one dog would bugle. Soon they all picked up and were in full cry once again - back on the right trail.

Dad told me which dog it was that first picked up the scent and told the rest of the pack about the new track. He told me what the rest would do - and they did. He said that any fox hunter worth his salt could do that. He learned that as a boy down at Hoskins Creek in Essex County. I couldn't. Never could. But I'm not the fox hunter my father was.

I did learn this much. The master uses his fox horn to talk to his pack. A master might have the best foxhounds in the country, but if thousand dollar dogs ignore their master's horn, if they turn aside to chase deer or raccoons - they are worthless. Dogs that eat but don't earn their keep force the pack-master to get rid of them and put together a new pack - a pack that is obedient.

Rebel Yell

You've heard of the "rebel-yell". Well, lots of our regiments didn't have buglers - they used the fox horn. Just about everyone already understood hunting horn talk. The sound of the "rebel-yell" coming from thousands of men repeating orders from the fox horn was magnificent - I've heard it many times when serving with the 116th Regiment of the 29th Division. Of course, it's not such a joyous sound if you are the one being hunted.

Early Morning

Early one morning, many years later, before anyone else came to work, I was sitting in my chair up on the 18th floor of the Central Fidelity building looking across the hills of Piedmont to the Blue Ridge. I was waiting for sunrise - my favorite part of the day. In my mind I could hear Dad's Walkers.

Then, I heard something else. There were other packs out running. I knew they were foxhounds from their bugling, but they were giving out a strange sound. They weren't hunting like foxhounds. It was like they were hunting something else.

Could it be that other pack-masters were teaching their dogs to hunt rabbit and deer? Foxhounds are not allowed to hunt rabbit and deer. A valuable foxhound that hunts rabbit or deer is worthless as a foxhound. A pack-master who encourages such conduct is worse - he is a traitor to the ancient and honorable craft of the fox hunt.

Reality

I snapped from my day dream and leaned back and contemplated.

The steeples of Lynchburg stood as tall as ever. At one time or another, in my own search for a pack-master whose call I could understand, I had attended a lot of them - most in fact. Often I was asked to speak from their pulpits or teach their Sunday Schools. I knew many of their pack-masters - nice chaps. They repeated the name of God the WORD constantly, and taught their congregations not to "lie, cheat

or steal, to pay their taxes and come to church on Sunday." But they ignored the weightier things of the Law.¹

Then it came to me; the words they were teaching were THEIR words. I was not interested in their words - I wanted to hear an authority greater than the speaker - I wanted to hear the clear cut concise orders from the Grand Master of the Hunt.²

I had much to learn about "organized religion". I knew about foxhounds. They are trained to obey the sharp clear commands of a fox horn. Those that don't are instantly cut from the packs lest they teach other dogs to disobey. But here, in church, these packmasters blew the horn just so the dogs would hear its pleasant sound and think that all was well.

But things weren't well. Anyone with eyes to see could see that wolf-packs were running and catching sheep - and these pack-masters were teaching their charges that all was well - that "all gods are one", that the Laws of God's WORD have been done away so that dogs can now do anything they like.

Well, not exactly - that would be chaos.

You see, if God's Laws are done away - WHO then tells the pack what is "good" and what is "bad"?

You got it! That's it!!

There is no one else except the local packmaster - the very one who denies that the WORD is God. He has made himself a "Guru".

1 *"Woe unto you ... scribes and Pharisees ... for ye ... have omitted the weightier matters of the law ... these ought ye to have done." Matt 23:23*

2 *"Moses commanded ... Take this book of the Law ... that it may be there for a witness against thee." Deut 31: 25,26*

The Guru

What is a "Guru"?

We are taught that "Guru" refers to someone who is smart. This description doesn't come within a mile of what goes through a Hindu's mind when he hears the word "Guru". Try the Hindu definition:

"In Hinduism, Guru means God Himself."³

Those six words can blow your mind if you take time to really think about it. *"Guru means God Himself."* It makes perfect sense from their standpoint.

Since "all gods are one", a Guru searches among Esau's incomprehensible mish mash of beliefs and puts together a belief system pleasing to his followers - a belief system both useful and pleasing. If one agrees with the Guru's selections - he becomes your contact with the gods - your only contact since he is the only one who knows the god he has created for you out of countless other gods. He is the one who understands. You have no choice. You must follow your chosen Guru as you would God himself because he is the only one who knows the way to "nirvana" - the restitution of all things - where good and bad at last come together. Where all is one.

The one who explains all this to you is equal to the gods. This is why, to the Hindu,

"Guru means God Himself."

As payment for turning people away from the Laws of God the WORD that would prevent the wolf from eating sheep, the "guru" is rewarded with "tax exemption", media "notori-

ety," large churches whose chief contributors are employed by wolf-cartels, access to "usury-bank loans", and use of the "media" itself - the road paved with unlimited riches.

You have seen the accompanying table before. You have studied and know the Law of God the WORD. When you see one who advertises himself as a teacher of the WORD, and instead, teaches the opposite - you are dealing with a Guru - a traitor to both God and man. He follows the god who has many names, the principal one which is "Siva" who is - fittingly - the god of sex, destruction and death.

It's not enough to teach people not to lie, cheat or steal. All religions teach that - including Christianity. Lord Siva teaches his followers not to lie, cheat, or steal. Lord Siva also teaches deception - so his followers CAN lie, cheat and steal. He teaches both. His followers don't lie, cheat or steal and they do lie, cheat and steal.

But, there is one thing Siva does not teach - he does not teach the thing the WORD teaches - that kings, usury, monopoly and strangers are banned. Those who follow the WORD teach that. These prohibitions ban Siva himself.

Any "goody-two-shoes" who does not actively support these prohibitions of God the WORD is suspect. If he tolerates teachings banned by the WORD, he is suspect. It indicates that the god he teaches is one he created himself and that he is its Guru - a "living god".

What people say reveals as much as what they don't say.

The Hounds of God are known by their cry -
The Hounds of Hell by theirs.

"If it seem evil unto you to serve the Lord, choose you this day whom you will serve ... but as for me and my house, we will serve the Lord." Josh 24:15

LETTERS

INDIA'S WEALTH: "Dick: If India is the source of our troubles - how did it accumulate so much wealth since the British left following WWII?" G.F. - Texas

RKH: Hindu and Jewish writings say that the world is ruled by seven living "Perfect Masters" in the East who move about as they like. It is an interesting observation.

Countries own and run nothing. They are corporations who manage and control captive populations worldwide.

India's population is mixed-breed. People are made in the image of their gods. Each god has laws. The contending laws of the many contending gods reduced India to a state of Lawless-chaos. The British were instructed to occupy India and restore order. They did. They were then ordered home. They went.

Usury is the world's gold chain. It is a monopoly practice. The big absorb the small and the survivor rules all. Countless attempts have been made to have our own Federal Reserve audited. All failed. This shows that ALL our political rulers "respect", "hold-in-awe", "are obedient" to the banks who own the media which elected them to office. The ultimate usurer practiced his ancient craft in India before history began. He owns the banks that rule the world.

The State of India is a captive state like other captive states. However, its god, Kali, is universal and sovereign because those who rule us obey her. Her practices and rituals permeate the world.

India didn't regain wealth after WWII - its rulers never lost it. The country is a sort of traditional ITC headquarters - whose wealth accumulates in worldwide corporations.

GOOD SAMARITAN: "Dear Richard; Question: If an alien came into a hobo territory would you welcome him or tell him to leave because your God says for strangers to stay away from Saxon people?" N.D. - California

ANS: Remember the Parable of the "Good Samaritan"? A man was waylaid, beaten, robbed and left for dead. A priest came by and passed on the other side. So also did a Levite ruler. Then came a Samaritan (mixed breed Arab-Turk from Samaria) who stopped and rendered aid. Now, who was neighbor? The Samaritan, of course. He obeyed the Law which was disobeyed by the others. He will be rewarded for his good deeds. Under the WORD, alien nations of the world can Lawfully help each other and us, or, unLawfully harm each other and us.

If, however, the same "good" Samaritan who had rendered the Lawful aid should venture to disobey the Law and murder, rape, or rob - or unLawfully enter a Saxon place of worship, or, attempt to eat with the children of Israel, or marry one of its daughters - the punishments written into the Law are activated. ! 4 The Law is supreme over both Jacob and Esau. It is supreme over everyone.

4 *"The stranger (Heb: zûwr - racial alien) that cometh nigh (the tabernacle) shall be put to death." No 1:51; "Thou shall no stranger (2114) eat (398 'akal - to eat (lit or fig) of the holy thing (1697 dabar - "a word", from 1696 - dabar "to speak"), a sojourner of the priest, or a hired servant, shall not eat of the holy thing." Lev 22:10 (This means the Word (see dogs) - or blessed food. ("Sojourner" - temp. resident. p.99 Concordance.); "Then (Holofernes) commanded ... that they should prepare for her of his own meats, and that she should drink of his own wine. And Judith said, I will not eat thereof, lest there be an offense: but provision shall be made for me of the things that I have brought." Judith 12:1-2; "When they heard the Law, they excluded from Israel all the mixed multitude." Neh:13:3; "(A priest) shall take a virgin of his own people to wife." Lev 21:14. (Jesus appointed all Israel kings & priests.)*

UNFILTERED NEWS

GOLD: Europe's central banks have raised the amount of gold reserves to be privatized from 400 tons to 500 over 5 years to the year 2009. *Financial Times*, March 9, 2004, p.25)

RKH: Merchants are granted trading rights in monopoly markets called "countries". Using their state police powers they exact tribute from their captive customers and then privatize it. The world behind Esau's Cloak is an illusion far removed from reality.

INDIAN GOLD RESERVES: New Delhi: Dec 17, 2004. "There is a total of 9000 tonnes of gold reserves in the country, and it is likely to go up to 15,000 soon, Commerce and Industry Minister Kamal Nath said today. ([Http://www.webindia123.com/news/showdetails.asp?id=55389&cat...](http://www.webindia123.com/news/showdetails.asp?id=55389&cat...))

RKH: Let's think now. What will India use to pay for this incoming 6,000 tons of gold? Will it use the gold to offset debts from usury that it is owed? If the gold is exchanged for credit - where will they get this credit? From banks. Whose banks can give this much credit? Theirs! Hindu corporation usury-banks parading under hometown names but in fact owned by the Serpent. Gold for credit. Good exchange! Rome did it - and died a whimpering pauper.

MEDIA: Forty-four journalists have been killed in Iraq since March 2003. (CSM, Oct 27, 2004)

POWELL COAT-OF-ARMS: US Sec State Colin Powell applied for and was granted a Scottish coat of arms based on the Scottish ancestry of his mother, Maude McKoy. (*Atlanta Journal*, May 14, 2004)

RKH: This is an act of those who follow another god. The Law states: "*A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord; even to his tenth generation shall he not enter into the congregation of the Lord ("man").*" Deut 23:2

This tells you all you need to know about the rulers of Britain.

TEXAS: Houston - The number of Anglo-Saxons in Texas has slipped below 50% for the first time since the 1800s, according to a Census Bureau survey.

"If thou wilt not ... do all the words of the law ... ye will be left few in number ... ye shall be plucked from off the land." Deut 58:66

CHURCH CLOSED: Toronto - Anglican Bishop Michael Ingham ordered Holy Cross Church in Abbotsford closed after it refused to support same-sex unions.

"They declare their sin as Sodom, they hide it not." Isaiah 3:9

"According to the Associated Press, as reported in *Christian News* (July 23, 2001, p.3), the seven worst serial killers in the U.S. were all homosexual deviates:

- * Donal Harvey - 37 murders
 - * John Wayne Gacy - 33 murders
 - * Patrick Kearney - 32 murders
 - * Bruce Davis - 28 murders
 - * Dean Corll, Elmer Wayne Henley, and David Owen Brooks - 27 murders

BYWORD: Nigeria's black Archbishop Peter Akinola says the U.S. Episcopal Church has created a 'new religion' when they confirmed a sodomite bishop in N. Hampshire and he wants nothing to do with it.

"Thou makest us a byword among the heathen, a shaking of the head among the people." Ps 44:14

PREACHER ACQUITTED: A confessed sodomite Methodist pastor, Rev Karen Dammann, was acquitted in a church trial by a jury of 13 pastors.

CHINA COMBATS AIDS: China's government is offering rewards of \$40-\$240 to informers reporting Web porn. It is also installing 1,000 condom vending machines in hotels, bars, universities and construction sites in the capital as part of its anti-HIV campaign. The UN estimates China's infected population nears 10m.

INDIA'S AIDS: The Global Fund to Fight AIDS, Tuberculosis and Malaria contends that the number of AIDS infections in India is much higher than 5.1 million. This may make India one of the world's AIDS leaders. Something not surprising considering India's most popular god is Siva - a sex god.

GOD BLESS AMERICA: According to the Human Rights Watch at least 11 Al-Qaida suspects have "disappeared" and are probably being held outside the US without access to the Red Cross or any oversight of their treatment.

ANTI-NATIONALISM: Madrid - Spanish & French authorities cooperated to arrest Mikel Antzo, believed to be

the leader of the shadowy Basque ETA freedom fighters who have long fought for the independence of the Basque nation in SW France and NW Spain. The Basque nation is home to the oldest language in Europe and a society that traces its roots back to before the arrival of the Romans. - Reuters

PROTOCOLS: Walmart stopped selling the *Protocols Of The Learned Elders Of Zion*, after protests. Walmart's web site had said, "If the Protocols are genuine , it might cause some of us to keep a wary eye on world affairs. We neither support nor deny its message." (*THE WEEK*, Oct 8, 2004)

ASSASSINATION: Izz El-Dine Khalil, Hamas leader, answered his cell phone which triggered a bomb in his car. Israeli assassins have a history of detonating bombs remotely by phone. (*THE WEEK*, p.9, Oct 8, 2004)

SEPARATISM: The multi-nation of Yugoslavia dissolved leaving the Orthodox-Serbs, Muslims, and Catholic-Croats, who, having no place to go, gathered around the dispensers of their laws - the priests. Today, the politics of all three groups are dominated by three nationalist parties with religious leaders dispensing law.

SEPARATISTS: Separatist rebels in the Indian states of Assam and Nagaland carried out a campaign of bombings and shootings protesting the flooding of their states with "outsiders." CSM Oct 4, 2004

THE ENEMY: Democratic Gov. Janet Napolitano, Rep Sen. John McCain, and the states's three Catholic bishops are lined up against Arizona's "Proposition 200", a ballot initiative aimed at illegal immigrants. The only ones for it are the

people. A recent poll showed that Arizona voters favor the measure 63% to 23%. (Story in *TIME*, p.23, Oct 11, 2004)

RKH: HR has long pointed out that our enemy, in addition to aliens, are the three castes the ITC has placed in power to rule us.

INVASION: According to Delhi *The Times Of India*, Indians have quietly taken over the diamond industry. Antwerp, Belgium, the world's diamond capital, is teeming with Indians who own and staff top firms. At least 90% of the world's diamonds pass through Antwerp and 2/3s of those go through Indian hands. "Any Jewish, Belgian, or Lebanese *diamantaire* will tell you that the Indians have run away with the business." (*The Week*, Sep 24, 2004)

RKH: It should come as no surprise that alien owned corporations have started using their own people to manage and operate Cartel assets.

COLLECTIVISM: Zimbabwe will abolish private ownership of land, nationalize all white farms, and give 99-year leases on the land to blacks. (The WEEK, Aug, 2004) *The International Crisis Group*, A shadowy independent think tank, recommended that S. African blacks get on confiscating white-owned land and leasing it to blacks for 99 years - the same as is done in Palestine and Britain. The next step will be for the state to "privatize" the land into the hands of Cartel agents. The ITC is predictable and good at what it does.

The Cartel-ruled US demanded that Europeans be removed from ruling Africa at the end of WWII causing Africa to revert to its normal chaos. Every black starving child, every black massacre, every plague, every black fleeing to the West is the fault of America's puppet rulers. Note the silence of

puppet priests, political rulers, and merchants. As long as they get theirs they could care less about who dies or who lives. The "stupidity" defense will no longer suffice at their judgment.

APOSTATE PREACHERS: Today's apostate preacher is either a traitor who follows other gods, a state priest who teaches admiralty law in place of Christian Law, or is the most stupid creature on the face of the earth - something hard to believe.

HE KNEW: A book by the journalist who first reported the Abu Ghraib scandal says that Donald Rumsfeld, US defense secretary, was told in 2002 that prisoners at Guantanamo Bay were being tortured but did nothing about it. (Story in *Financial Times*, Sept 13, 2004)

RKH: Charlemagne, Holy Roman Emperor, lord of the West and right arm and defender of Catholicism, is the grandfather of every pair of Saxon eyes reading these lines. This, our common ancestor, issued an invitation to Saxon kings and chiefs of Northern Europe, worshipers of Oden - to come to a great peace conference. They did and he beheaded all 5,000 of them. "*Ye shall not go up, nor fight against your brethren the children of Israel ... for this thing is from me.*" *I Kings 12:24.*⁵

Our own ancestor did this deed. Each of us has the ability and will to do the same evil, stupid things when deprived of knowledge. We are not better than our fathers. Our calling is to teach our kinsmen. It is easier to talk and teach than it is to fight and kill.

Muslims are aliens. However, the Scriptures teach that God made only man and beast. When dealing with "non-man"

(humans) the Scriptures teach; *"Beasts will not perish, nor all souls of beasts which the Lord created, till the great judgment, and they will accuse man, if he feed them ill."* *Secrets Of Enoch 58:7*. What Rumsfeld has done is neither honorable, Christian, or merciful. One would not do to dogs what has been done to them - unless the intent is to unleash a war between the Christian nation and the Muslim nation. It is the author's opinion that the ones responsible for these acts - all of them from the very top on down - should be brought forward and judged by the WORD.

TURKEY & EU: President Bush called on the European Union to admit Turkey. In essence, a Europe already overrun with Muslims is being asked to open the flood-gates to tens of millions more Muslims. This type of warfare is more deadly than armed conflict. It is meant to destroy Europe's Saxon-Christian nation.

THIRTY-SIX STRATEGIES

To Wage War

China's "yantra"¹ is the *dragon* - their version of the "Serpent of Deception". Japan's "yantra" is the "*Rising Sun*" representing the "Center-of-all-Things".

¹ YANTRA: Hindu symbol representing a complete idea. "*Mantra*" - speaking or chanting the idea; "*Yantra*" - a visual symbol of the idea that one can use for meditation; "*Tranta*" - doing the idea. The 3 concepts go together and are one. "Mantra", "Yantra", "Tantra".

The Korean yantra-sign is the divided circle of the *ying-yang* male-female "sex-symbol". Each represents part of the greater international Hindu-Buddhist world where there is no sin, no heaven and no hell - just reincarnation for now and a promised "nirvana" tomorrow.

Those of their own who live in other lands and who practice any one of a multitude of religions are forever considered their own.²

Chinese believe that they are superior to all peoples on the earth. The Japanese and Koreans believe the same about themselves. Each believes his own are superior because each has mastered the technique of war gained from the *Thirty-Six Strategies*.

These "36-Strategies" are studied by every Chinese, Japanese and Korean from the time he can walk. A housewife purchasing a loaf of bread or a child buying a stick of candy employs them. The electronics or auto manufacturer, or textile salesman employs one or more of the 36 Techniques when dealing with a customer. The Shinto or Confucian priest employs these techniques; the soldier uses them. Everything - every trade, purchase, even in obedience to their gods - every contact with others is done striving for an advantage. One gains or loses an advantage in each transaction. All believe that "*The greatest victory is the victory gained without battle.*" Great victories require a true "Master of Deception". The Orient has many such masters. The Orient constantly is perpetually at war with itself or with others - politically, religiously and economically.

² This is confirmation that all people are made in the "image" of their gods and do not basically change even when putting on or taking off religions.

Selecting Leaders

Long ago, Chinese rulers selected their administrators from those who scored highest on national exams. The son of a poor peasant scoring high on these exams might rise from poverty to riches almost overnight. This causes the Oriental to be pre-occupied with the study of "history", "literature" and "philosophy" - a fact confirmed by their scores when taking Western exams. This results in most oriental leaders being highly intelligent and extremely dangerous to those ignorant of their ways.

When one mentions "Number 15" or "Number 28" of the "36-Strategies" - the educated Chinese conjures up examples from Chinese history to serve as his examples to follow. Unfortunately, I am not as well educated in Chinese history as I would like, and neither are my readers, and must therefore attempt to translate Chinese-Japanese examples into examples more easily understood by Westerners.

The typical Westerner, with his direct method of thinking things through, will find the following tedious but necessary. The fact is - because we have failed to use the safeguards provided by the WORD - we are a conquered race. We were conquered long ago by forces using these 36-Strategies who persuaded us that we ourselves were conquerors of others. We didn't know we were slaves. We were never taught *"The greatest victory is the victory gained without battle."*

Today, the puppet rulers placed over us to keep us docile use these same ancient "36- Strategies."

The Puppet Nation

The industrial, economic, and military might of the United States has been harnessed and is at the beck and call of our

rulers. Puppet political, religious, and business rulers use our harnessed might to advance the agenda of our masters - which includes the subjection of other lands and peoples.

These puppet agents of the "Masters Of Deception" use combinations of these 36-Strategies. These combinations are called "bing-fa". A "bing-fa" is designed to achieve victory in a specific case. These "bing-fa" add to the 36-Strategies so that the total number available to be used is almost unlimited.

A Master Bing-Fa

The "First Gulf-War's" *Bing-Fa*, discussed in HR 2004-#362, is a perfect example. It used "deception", "media-propaganda", "political", "alliances", "electronic", "economic", "hacking" and other techniques together in perfect harmony. This, plus the fact that Esau uses the children of Jacob as his instrument to conquer his own and others, is looked upon by practitioners of the art as a masterful accomplishment.

Our puppet leaders did what they were told to do. The Saxons provide the "cannon-fodder", the prize belongs to Esau, and the "Bing-Fa" came from those who have mastered the "36-Strategies" - the Masters of Deception.

The 36-Strategies

1 - Hide important things in the open for all to see.

A) "USURY" - a fraudulent contract that from conception is impossible to fulfill.³ The evil is concealed by calling it "interest". The public is told that "high interest is bad - low

³ If \$10 is all the money in the world, and it is lent on condition that the borrower repay \$11, he can't do it. The usury contract is a fraud and is a capital crime.

interest is good." ANY interest on a loan is usury and is equally bad. Today, signs on every street corner advertise usury loans and people have been trained not to take offense. Usury is hidden in the open for all to see.

B) The "yantra" of Vishnu, one of Hindu's favorite gods, is also a god of sex and death. His *yantra* is a female triangle pointed down - overlaid with a male triangle pointed up - signifying the union of the male and the female in the sex act. This symbol is employed by Hindu agents all over the world and people have been trained to blindly look on this sign of sexual intercourse and see nothing but a geometric design. It is hidden in the open for all to see.

2 - Help save a state from evil forces by invading them.

Many European countries have invaded much of the world to save them from their sins.

America alone has invaded Mexico, Cuba, Panama, Haiti, Kosovo, Germany, France, Vietnam, Korea, Japan, Yugoslavia, Afghanistan, Iraq and many other countries directly or by employing surrogates. The countries were invaded to save them from something worse.

3 - Use surrogates to do what you don't wish to be seen doing.

A) The ITC finances kings to organize the peoples of the world into manageable trade units called countries.

B) The ITC finances priesthoods to modify people's religious beliefs so that they will NOT use these religious beliefs against the ITC.

C) The ITC appoints great merchants to manage their corporations which hold the wealth extracted from the captive

peoples of the world.⁴ Examples of hiring surrogates to do what one does not wish to be seen doing are without number.

4 - Make impossible demands on potential victims.

Demand Kosovo relinquish traditional Christian lands to Islamic invaders. Britain demanded that S. Africa allow imported mine workers to vote and take over the country. The U.S. puppet government demands that strangers be admitted and allowed to vote to rule Saxons in violation of the WORD with the certain knowledge that strangers will constitute a majority by 2040.

5 - Start a house fire and salvage the contents.

A) Instigate revolutions and while helping suppress them rob the country of everything not nailed down.

Talk *detante* with the Soviets - create an expensive Taliban to fight them; and an expensive space race to force them into bankruptcy. Privatize Russian wealth in the resulting chaos.

6 - Talk one thing - act something else.

A) King talked non-violence and left cities in flames.

B) Peace-talk with Southern emissaries with an invasion fleet already on the high seas sailing to capture their principal harbor.

C) Attack Iraq to detract attention from the on-going alien invasion and occupation of America.

⁴ The US and G. Britain enabled black S. Africa to conquer white S. Africa with the Cartel privatizing the pieces. The US created the Taliban to fight the USSR. It armed Iraq to fight Iran. The USSR appointed puppet rulers in Eastern Europe. Organized Christian religions install Jews to run their usury banks.

D) Advertise products for sale - using alien males with Saxon females - the real purpose is to sell "idealized integration" to the captive Saxon nation to destroy them.

7 - *Create something from nothing.*

A) Stonewall Jackson left burning campfires to fix the enemy's attention while his army flanked them with a night march.

8 - Use an unknown technique.

A) Hannibal used an unknown route through impassable swamps to get behind and destroy a Roman army.

B) Greeks used "Greek-fire" to achieve mastery of the sea. Japs attacked Fortress Singapore from the rear. England used tanks, France - breech-loading rifles, America - Gatling-guns, Germany - subs & blitzkrieg, State of Israel - intelligence & hacking, and the Cartel - usury and media monopoly.

9 - *Help the enemy destroy himself with internal dissensions.*

A) The Russian Revolution that destroyed Tzarist rule was financed from the US.

B) Hispanic La Rasa, the NAACP, and the Communist Party USA were financed by American Corporations.

B) The Black government of S. Africa was headquartered in Britain and financed by both Britain and the U.S. White S. Africa was destroyed.

10 - *Smile with knife in hand.*

Pretend friendship while plotting an enemy's destruction.

Concerned by government brutalities at Ruby Ridge and Waco, citizen defense militias mushroomed. The FBI sent

"goodwill" emissaries to "talk" while identifying militia vulnerabilities. Using this information, they destroyed America's militia movement.

11 - Sacrifice friends to win victory for a greater good."

A) Martin Luther King's excesses caused him to become a liability. He was executed, converting a liability into a martyr-asset.

B) Kennedy's excesses caused him to become an unelectable liability. He was executed, causing him to become a martyr-asset.

C) George Wallace's 3rd Party unexpectedly took on steamroller aspects. The Cartel had him shot - sacrificing one of their own to end a right-wing political revolt.

12 - Quietly pick up property belonging to another and take it home as your own.

Tens of thousands of farms were confiscated to build the Skyline Drive; again to make room for military bases; again to build the Tennessee Valley Authority. Most of the American west bought to be divided remains undivided and in government hands.

All, or any part of these assets, can be privatized at any time.

13 - Make an hidden enemy reveal himself by creating a disturbance.

To incite and bring into view the location and extent of the Christian-Patriot movement in America, the FBI sniper shot the Ruby Ridge mother in the face while she was holding her baby. They also shot her husband, their teen-age son, and a visitor - and the FBI named their base camp at the foot of the

mountain after the dead mother. FBI operatives were reported to be laughing when they talked about it.

It worked.

14 - Pretend the worthless is valuable.

A Chinese company verging on bankruptcy merged with a Western company thereby giving itself value.

15 - Entice an enemy from his place of strength.

Make a conciliatory gesture. Talk peace. Make concessions. A friendly visit to the enemy's camp allows you to view his strengths and weaknesses - a loose word, a valued family member, an opinion or obstacle formerly unknown. Any or all can be used to make him leave his position and take him down.

16 - Never attack a desperate enemy.

Wait. When he tires of waiting and disperses - capture his forces one by one.

About 20 years ago, a black farmer in Georgia was threatened with foreclosure. Armed white farmers went to his aid. Car cavalcades constantly paraded past honking their support. The authorities waited. Days turned to weeks. Weeks into months. The farmers went home. The authorities moved in and foreclosed.

17 - Exchange a rock for a diamond.

Extend honors and compliments to a potential victim. He will feel that this is a preliminary to future advantageous offers and will himself offer things of value.

18 - Make every effort to capture the friendship of the leader of a powerful opposition.

Turn an enemy into a friend if possible. It may help you to your objective. If he cannot be made into a friend it may be necessary to kill him.

19 - If unable to answer problems or ideas - remove or discredit the author or authors of the problems.

A) Examples are many: Marcus Garvey - American Negro separatist; Hendrick Verwoerd - S. African white separatist; Hitler - German separatist; Coligny - French separatist; Wallace - Scot separatist; today's separatists - Basque, Kurd, Tamil, Berber, Islamic and Saxon separatists. All are Cartel enemies and branded "terrorists".

B) Demonize the KKK. Then publicly invite followers of the WORD to KKK gatherings.

20 - Replace an enemy's loss of direction with your own program.

The U.S. deprived Iraq of its leader and is now conducting the election of a puppet government. The same was done in Kosovo and Panama, etc.

21 - Pretend the cicada's empty shell is alive.

The cicada leaves a useless empty shell on the side of a tree. When one operation becomes inoperative - switch to another while pretending the old is still alive.

A) When BATF failed at Waco - the FBI took over.

B) When NATO bogged down - the UN was activated.

C) When the UN failed - the CIA and the World Bank took over.

- D) When all failed - the US operated alone.
- E) At home, when various agencies lose support - Homeland Security is activated.

22 - Denounce friends to establish believable "bona fides".

A) In Russia during WWII, Soviet NKVD state police operatives dressed in German uniforms shot loyal Communist party members to reverse pro-German attitudes.

B) Postwar government KKK attacked blacks and pro-unionists to pressure congress to pass anti-South legislation.

C) US creates, arms, and supported Iraq-Afghanistan resistance organizations - then called them "terrorist organizations" and attempted to destroy them to justify Iraqattack and justify dispensing war contracts that quickly followed.

Denounce or destroy a friend if the reward is worth it.

23 - Keep captive populations intimidated.

Ruby Ridge, Waco, Oklahoma City, Trade Towers I & II, Ongoing KKK trials, drumfire media, religious, business and government "anti-Saxonism" - all orchestrated to keep the Saxon nation intimidated.

24 - Promise one thing - deliver another.

A) NAFTA was said to promote trade and prosperity. It destroyed both.

B) Forced integration was advertised as necessary for peace. It delivered lawlessness and strife.

C) IRAQATTACK promised protection from terror and WMD. It delivered war contracts along with massive Islamic casualties and worldwide enmity.

25 - *Attack enemies within reach - keep others neutral.*

When Rome attacked in the West it made peace in the East.

When it attacked in the East it made peace in the West.

Just because an enemy is active elsewhere and is at peace with you doesn't mean that your turn won't come.

26 - *The hidden message.*

Lambaste one party as a warning to others. Accuse an individual's or group's writings as inciting "terror".

The hidden message - beware opposing Cartel policy.

27 - *Pretend not to notice the approach of an enemy.*

He will think you are preparing dinner while you actually prepare an ambush.

28 - *Destroy the bridge.*

A) Dispose of strong friends who helped you gain power since their strength is no longer needed and they may become a future danger.

B) Allow the enemy to reach a false objective - then activate booby- traps to ruin him as he tries to escape.

C) The Arabs enticed a Crusader army to attack a distant oasis that had no water. They all died of thirst on the march back.

D) Napoleon reached Moscow which had been burned. There was no food. Neither was there food on the way back since the Cossacks had burned it. Napoleon's army starved and froze to death.

Require an unproven ally to do something that will forever alienate him from your enemy.

29 - *Be wise by playing the fool.*

Japan's military effort to win WWII failed. The Emperor ceased the unprofitable venture, humbly surrendered, and ordered his people to quietly rebuild Japan's industries in order to conquer from a different direction. The result is that most Japanese don't believe that they lost WWII. They believe that they are winning the present war.

30 - *Provoke strong emotion.*

A soldier must be willing to die for his country. Make him think the effort worthwhile by portraying the enemy as evil and his destruction as good.

Wise men are indifferent both to praise or abuse.

31 - *The beauty trap.*

Asians feel that their enemies lower defenses when plied with wine, women and song. Women are a natural gift and work wonderfully well as spies.

A) Samson died because of an Edomite woman.

B) Clinton was disgraced.

C) A prostitute betrayed Joseph Paul Franklin.

D) Attila the Hun captured a German princess and she killed him in bed.

E) Much of Congress is presently compromised by their illicit liaisons.

32 - *If weak, appear weaker than you really are.*

Deliberately display weakness. Displaying weakness may make your enemy suspect a trap and hesitate to attack you.

33 - Use double agents.

A) Spend a great deal of money to develop a product, or use a double agent to steal the product for a fraction of the cost.

B) Palestinians rarely execute spies. They turn them into double agents by instructing them in the Koran and by holding their families hostage. So many have become double-agents that the Israelis seldom trust information gained by their Arab spies even when the info is true.

34 - Self inflicted wounds.

Undercover agents burn or blind themselves, or amputate fingers or hands to appear as victims of their own people in order to win confidence of enemies.

35 - Create your own "Bing-fa".

Make combinations of the 36-Strategies that suit conditions. Have many irons in the fire. Use the ones heating up. Never oppose a more powerful enemy by force.

36 - Run.

If overwhelmed - don't fight to the death. Surrender, compromise or run. Flight is strategy - not defeat. Chinese wars often drag on for years and even decades. Each defeat resulting in a retreat saves the army for another day.

Conclusion

Oriental think, breathe, and use variations of these 36-Strategies every day of their lives. Old "friends" smile and shake hands while their minds race devising the best combi-

nation needed to reduce their friend to do their will for that day.

Their homelands have used these 36-Strategies for hundreds of years. In the Orient, each successful *Bing-fa* has been countered in time by an opponent producing a counter *Bing-fa*.

The result has been - stalemate!

No longer is the Orient stalemated!

The West carelessly invaded their lands and has broken their age-old stalemate of contending parties. This has allowed one party to overcome others and gather all power. Most Far East countries are now united under single governments. These governments, while eternally suspicious of each other, are uniting against the one they all identify as a common enemy.

The technologically superior, but naive, West has been a natural steed for ITC masters using these Strategies.

However, the technological superiority is fast evaporating. Our future will be determined by our ability to learn to defend against those using these 36-Strategies against us.⁵

News From Die Afrikaner

Translated from *Die Afrikaner*, Feb 27 - Mar 4, 2004

A letter in *The Wolverhampton Express and Star* pertaining to the treatment of Boer prisoners during the Anglo-Boer War (1899-1902) contained the following:

⁵ Recommended reading: *The Asian Mind Game*, Chin-Ning Chu, NY 1991: *The Japanese Art Of War*, Thomas Cleary, Boston 1991

"We take no prisoners now ... There happened to be a few wounded Boers left. We put them through the mill. Every one was killed."

Walker Henderson-Thompson, a British soldier diarist, wrote as follows;

"Guards over the Boers sometimes got very tired and treated the Boers very well? One example of the good treatment was that of the Mounted Fusiliers. After a long march they were tired and it was very wet and cold and they thought it would be easier to mind corpses than live men, so they bayoneted about 30 Boers and lay down and had a good sleep."

Lt. Lachlan Gordon-Duff of the Gordon Highlanders wrote what happened when his unit on Nov 27, 1900 was involved in a skirmish with Boer soldiers.

"Forty Boers tried to surrender to us the other day and were not allowed to and a fight ensued in which they fought well but were wasted; it is rather extraordinary how they still go on."

These were only three incidents in which about 80 Boer soldiers were murdered. It gives a new perspective to missing Boers statistics in the Anglo-Boer War - plus the thousands of non-combatants (children, women and elder men) murdered by the British and their collaborators the same way - all these besides the tens of thousands murdered in the concentration camps.

The only one I know of who was brought to justice was Breaker Morant. He was an Australian and as cruel as can be. No convention kept the English from treating our people this way.

Letter From S. Africa by K.J

The children have had a good Christmas. Betzy arranged for them to visit their holiday families.

Willie has put a concrete fence around the home. Safety has become a vital necessity everywhere. The gate is electronic.

After 10 years of black democracy our country looks terrible. Hans has to replace two tyres after hitting a pot-hole. An important bridge in Randburg has loose plates, and on it goes. What upsets us most are the innocent ones; white parents without work, the elderly who lost most of their pension and medical aid, or young children stolen by mostly Nigerians who keep them on drugs and use them as prostitutes, or sell them abroad. The Chinese are also a great danger and police who raid their homes find them full of drugs.

On our small place old bread and fruit are put out for the birds and we now find wild animals turning up, like the meerkat, family of the mongoose. There's nothing out there to eat because of the drought. Farmers continue to have the faith to survive in spite of the terrible drought and all the laws the regime uses to force them off their family farms.

A family camped in Natal. The mother got sick afterwards with a problem in her nervous system. After 3 years of treatment she went to our local doctor who saw immediately that a green mambo snake had bitten her. Since that snake has only a small mouth she did not get so much poison as she might have. That snake is highly poisonous.

I resigned from the HNP because of their political shift, but still get "Die Afrikaner". The rich man who runs it owns about 20 companies. I have found it difficult to trust rich people.

Canada is buying big into goldmines and prospecting.

Do you still remember Kaalvoet "Barefoot" Thysie? - Just a shirt, pants and no shoes - one of the last to surrender to the black S. African government. A real soldier. He later left to live overseas. I hope these men will come back when the time comes - when we will need them to defend us against the black hordes.

The present black S. African Defense Force soldiers have behaved badly in the Congo. A shameful lot.

It was nearly impossible for white students to fail in this year's matric exams. The standard has dropped to third world levels and the facts in the text books can't be believed. White parents must teach their children our true history so that they will know who they are, or they will believe what the communists tell them and be blind to everything their forefathers and mothers worked for.

With best wishes, K.J.

Dec 13, 2004

"Dear Mr. Hoskins: Words lack to express our deepest appreciation for the generous donation of R36,250 we received these last two months. Thank you also for the \$500 donation we received to buy the children Christmas presents. They realize that many others won't be so lucky as to receive even one present this Christmas!

With the donated money we received during 2004 we were able to put up a concrete wall at the Children's home for protection and install a security system. The high crime level makes it a necessity.

All The Loeries

The Loeries are all healthy and happy. They had a busy and productive last semester at school and we are satisfied with their progress.

May you and your readers be blessed this festive Christmas season. Thank you for making a difference in the children's lives.

God Bless, Willie Hoffmann, Lorie Youth Centre

LETTERS

GOING HOME: "Brother Hoskins; Enclosed are 12 stamps. Please use them as you see fit. Thank your readers for their work in bringing our people His WORD. I will be released soon back to my family and will be fellowshipping with followers of the WORD. In His service," A.R. - prisoner, California

FINDING THE ROAD: "Mr Hoskins: I truly wish I had known about the HR when I was on the street, I might not be in prison today. I'm sure many prisoners forget you when they get out. I won't. If knowledge is power, I must be getting stronger. I still have 5 years left - I hope you ride this one out with me." M.J. - prisoner, Texas.

Chapter 366

APOCALYPSE

Appearances Can Deceive

During the Berlin Crisis I was called up as a filler for the 100th Airborne and assigned to be 2nd Aide to Gen Rash the Commanding General. I was the oldest 2nd Lt in the US Army. When the Visitors' Bureau was created to welcome visiting dignitaries, Gen Rash put me in charge since he didn't need two Aides. My desk was in Division G2 intelligence and I was detached and placed under command of Col. Kimball, Division G2.

Col Kimball thought it important that the officers under his command pal around. One Sunday he *suggested* that we go to a riding academy and rent horses for the afternoon. There were three of us and three horses to choose from. Col Kimball took the big horse, Capt Bastic took the middlesized horse, and 2nd Lt Hoskins got the littlest horse.

The little horse I had been given was mean as a snake. He wanted to take the bit and go! It was all I could do to keep him under control and seemingly quiet. When going to Lynchburg College 15 years earlier one of my three jobs was breaking horses for the *M-Y Ranch*. The owner had bought Texas barrel racers that hadn't been ridden in years - which was why he was able to buy them cheap. I gentle-broke them. Only twice did I have to do the bucking-bronco-rodeo thing. I could handle the little son-of-a-gun without appearing to, but it was a struggle of wills the entire time.

The big horse of Col Kimball had two gaits - a walk and a fast-walk. He never would go into a proper trot. After twenty minutes Col Kimball was disgusted and suggested we exchange horses. I got on the big horse and Col Kimball mounted the little horse - and that's the last we saw of him. Away he went hanging on for dear life. That part of Arkansas countryside was mostly flat with rolling hills. In an all-out run Col Kimball disappeared into a fold in the ground a quarter mile away and emerged a few minutes later to top the next hill, a distant figure, and then disappear behind the next fold in the ground where he disappeared.

We waited.

After half an hour we saw a faint figure in the distance that got closer and closer. It was Col Kimball racing toward us hanging on for dear life. He dashed up - skidded to a stop -

calmly dismounted and informed us that he thought that "we have enough exercise for the afternoon."

Appearances can be deceiving. In addition to the riding exhibition, in private life Col Kimball was a bank teller and Captain Bastic, assistant G2, was a used car salesman. They were also both geniuses - more than qualified for their important jobs. Many's the time I watched them take bits and pieces of intelligence and put them together into a comprehensive and understandable picture of national importance. I remember the day when Captain Bastic suddenly stood up and exclaimed:

"Our next war will be in Indo-China - Vietnam!"

I was thunder-struck. Vietnam?

Where's Vietnam?

The Simple Pieces

I learned much from these men. They taught me that piece by piece, little by little, one gains understanding. One must look beyond appearances.

Religion Is A Law System

The Encyclopedia Britannica, 14th Edition, Vol 5, p. 635 says:

"Very early, Christianity was conceived to be a new system of law, and faith was interpreted as obedience."

Religion is about law. The WORD created *Adam-man* and created him in the image of the WORD.¹ The Serpent taught

¹ "God created man (adam) in the likeness of God." Gen 5:1; "God created man (adam) in his own image." Gen 1:27

man the way of alien gods. By the time of Jesus - the Serpent's "*Cloak Of Esau*" had concealed the WORD and it was all but forgotten.

Jesus returned the WORD to his people. Those who believed him were looked on as revolutionaries by the kings who had been established by the Serpent and whose followers obeyed different gods and different laws.

Jews

Jews killed Jesus. But which Jews? There are at least three kinds. Let's examine the most recent group of Jews. They are the Khazar-Turk "Jews".

Khazar-Turk Jews

The Khazar Empire was comprised mostly of Mongol-Turks who converted *en masse* to Judaism in the 9th century. The Jews themselves say that over 90% of today's "Jews" are descended from Khazars. These are mostly today's Zionists who are trying to re-establish their ancient Khazar Kingdom in Arab-Palestine which the Arabs took earlier from Christian-man.

These Jews, these refugees from the Khazar Empire that was destroyed about 1000 AD couldn't have put Jesus to death simply because they weren't there. The reason they are so disliked is because the ones who taught them to be Jews, the Hyrcanus Jews, taught them to lie. The Hyrcanus Jews were lying long before the Babylonian Talmud surfaced. As children of the Serpent it is part of their religion to lie. It is

encouraged. Their religion forgives lying a year in advance.² Because of this Jews have been distrusted down through the centuries.

These "other Jews" we are talking about are Hyrcanus-Jews.

Hyrcanus-Jews

The Hyrcanus Jews brought Jesus before Pilate trying to get him condemned to death. Pilate wouldn't do it. The following is how we know these Jews were Hyrcanus Jews;

*"Then said Pilate unto them, Take ye him, and judge him according to your law. The Jews therefore said unto him, It is not lawful for us to put any man to death."
John 18:31*

Everyone knows that this is absolute nonsense. Pilate had given them permission to judge after their law, and the WORD states time after time that murderers, sodomites, adulterers and such must be put to death - and the WORD is *adam-man's* Law system.

Those who deny the WORD follow different gods who have different laws. God the WORD is different from other gods in that he never changes. These Jews followed a different god.

² Kol Nidre, prayer of the Judaic religious ritual, sung at evening service on the Day of Atonement (Yom Kippur). Means "All Vows". "All vows, obligations, oaths, anathemas... which we may vow, or swear, or pledge, or whereby we may be bound, from this day of atonement unto the next... we do repent. May they be deemed absolved, forgiven, annulled, and void and made of no effect: They shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligatory; nor the oaths be oaths." Jewish Encyclopedia, Vol VIII, p. 539. Check your internet search engine for "Jew" and "Kol Nidre".

Hyrcanus Goes For Diversity

"Jews" aren't really Jews - that's a generic name. John Hyrcanus was responsible for introducing aliens into the land who took the name "Jew".

Hyrcanus was high priest 135-104 B.C. and also a war hero of the Maccabean wars.

"John Hyrcanus conquered all of Edom and undertook the forceful conversion of its inhabitants to Judaism. Thenceforth the Edomites became a section of the Jewish people." Ency/Jud Vol 6, 1991 p.378

This was bad news because the people of Edom were cursed by God;

"Jacob have I loved but Esau have I hated." Romans 9:13; "Esau (is) the father of the Edomites." Gen 36:43

The Book of Jasher 29:20 describes Esau.

"Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds." Jasher 29:20

Remember *"designing and deceitful"* - it's the hallmark of Esau- Edom and the Serpent.

It was the children of the hated Esau that Hyrcanus introduced into the land. Something bad was sure to result - and it did. These Edomites organized the atheist Sadducee Party and one of them became King Herod who killed the Israelite children. They spread their poison everywhere so that the land became completely Lawless by the time Jesus arrived with the WORD.

It was about "Hyrcanus-Jews" that Jesus spoke:

"I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan." Rev 2:9; "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them ... to know that I have loved thee." Rev 3:9

He described them this way:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is not truth in him." John 8:47

"Designing and deceitful". Different gods for different people.

The missionary effort of Hyrcanus-Jews much later converted the entire Khazar Empire to Judaism and taught the Khazar-Jews the Kol Nidre *"designing and deceitful"* thing. Khazar-Turk Jews and Hyrcanus Jews even have different DNA. Check the internet. It is the Hyrcanus Jews who are responsible for getting Khazar-Turk Jews into Palestine - where few if any are likely to emerge alive in the days ahead. We'll see the reason for this soon.

But - there is still another Jew - Aristotle's Indian Jew. Now we have three kinds of Jews. Let's try to keep them straight.

Aristotle's Indian-Jew

We mentioned Josephus earlier. Some of his writings are revealing. He recorded an observation by Aristotle found in his *Flavius Josephus Against Apion*, book 1:22 (p.615) in describing someone he had met:

"This man then was by birth a Jew, and came from Celesyria; these Jews are derived from the Indian philosophers; they are named by the Indians *Calami*, and by the Syrians *Judaei*, and took their name from the country they inhabit, which is called Judea."

Aristotle lived 384-322 B.C. This was long before Hyrcanus (135- 104 B.C.) conquered Idumea and made the Idumeans into "Hyrcanus- Jews". So here we have Indians who called themselves "Jews" who were in the land long before Hyrcanus "converted" the Edomites.

Actually, Aristotle lived about the time that Alexander the Great invaded India. This was shortly before India's Asoka the Great boasted that he had conquered the Greeks with his "Dharma". The five Greek kings that Asoka boasted of having conquered with his dharma are identified as Antiochos II Syria (261-246 B.C.); Ptolemy II of Egypt (285- 247 B.C.); Antigonos Gonatas of Macedonia (278-239 B.C.); Magas of Cyrene (300-258 B.C.); and Alexander of Epirus (272-258 B.C.).³ To be conquered by "Dharma" means that you have become a Hindu even while calling yourself by the name of another god. The Middle East had become Hindu several hundred years before Jesus arrived on the scene.

King Asoka went on to say:

"My officers charged with the spread of Dharma are ... empowered to concern themselves with all sects. ... Different officials are thus assigned specifically to the affairs of different religions, but my officers for spreading Dharma are occupied with all sects."⁴

³ FN *The Edicts of Asoka*, N.A. Nikam & Richard McKeon, Univ Chic Press, Chicago 1959, p.29

⁴ Ibid; p.34

These "officers" are the *Dharmamatras* - Hindu missionaries. They go by the name of whatever sect or religion they work with. Dharma is "toleration" - "*One shall not condemn another religion or race by word or deed.*" (*King Asoka. 304 B.C.-232 B.C.*)xxx Hinduism is a religion of integration. The WORD is man's separatist religion. There are many separatist nations in the world - the Hindu is at war with all of them.

Generic Term

"Jew" is a generic term. There are Jewish Muslims, Buddhists, Shintoists, Christians and Taoists among others.

The *Jewish Encyclopedia*, China, p.33, 1893 states:

"It is an unwarranted skepticism to doubt the correctness of the tradition of the Chinese Jews themselves, which traces the first immigration back to the Han dynasty between 206 B.C. and 221 CE. ... The Jews of K'ai-Fung-Foo themselves claim that they received their religion from India."

It would probably be safe to say that it was these same *Aristotle Jew-type Indians* who appeared in China, were operating at the time of Alexander the Great and all the way back to the time of *I Samuel 8* in about 1000 B.C. It was they who persuaded the stupid elders of Israel to break the Law and get a Lawless king to rule them. The WORD has a lot to say about stupid preachers who refuse to obey the LAW, refuse to learn, and haven't learned a thing in 3000 years. It also has a lot to say about stupid sheep who listen to them. It took the writer of these lines 18 years in a Judeo-Christian Church to figure out that he was being snookered. Others figured it out in 20 minutes.

Some accept the assurance of Kol-Nidre Jews that they follow Biblical Old Testament, the Babylonian Talmud, Islam, Jain, Buddhism, Taoism, or whatever. A few understand that their words are the *Cloak of Esau*. Complex philosophies conceal simple beliefs. The Jewish caste exists to fulfill its assigned task.

Direction

The thing that helped years ago was reading *I Adam & Eve* 18:7-9, (Lost Books, p14).

"The Word of God came to the serpent and said ... the ruin of my creatures happened through thee ... And a wind ... carried away the serpent from Adam and Eve ... and it landed in India."

Those who have learned Biblical parables know that *Serpent* means "deception". *Adam & Eve* - is "adam-man". India is the place to look. Further scriptures state:

"God ordered Satan to show himself to Adam plainly, ...And God said to Adam ... look, O Adam, at him, who said of himself that he is God! Can God be black? Would God take the form of a woman?" 2 A&E 4:1-4

Yes, as a matter of fact, the principal Indian god worshiped by more people than any other is black. He is a sex-crazed god named Siva. Siva is also god of death and destruction when manifested as Kali who is also black. Kali kills! She enjoys it. She likes her work. She is pictured with a tongue dripping blood she has been drinking, heads of her victims on a necklace about her neck, a freshly severed head dripping blood in one hand and a bloody sword in another, with serpents of deception wrapped around her arms and neck. She

is standing on the prostrate body of a *white* demon - a demon who has opposed her through the millennia.

I got the following e-mail yesterday:

"You are right, Siva is black, but you are so blind you can't see the destruction coming. It is obvious that all people that aren't hurt by the sun's rays belong here and those that can't take it don't belong. You are an alien race. The white race is doomed. White people cannot travel the world because they risk being be-headed by non-whites. Your time is near!! Your reign is over. Believe me there will be retribution. OM NAMA SHIVAYA!!!! - The coming night of Shiva."

Yes, followers of alien gods recognize that we are different.

Oppenheimer On Vishnu

There is a story about Robert Oppenheimer that the reader might find interesting. He has been called "the innovator behind the creation of the A-Bomb" by the media.

In an interview shortly before his death in 1967 Oppenheimer recalled the words of the Hindu god Vishnu;⁵

"Now I am become Death", he told the human, "destroyer of worlds."

Oppenheimer compared the A-Bomb's power with that of Vishnu - *"destroyer of worlds."*

⁵ (oppenheimer.htm The Integrity Papers - James N. RoseUIU Group) (<http://www.ceptualinstitute.com>) **The wisdom of J. Robert Oppenheimer**

Vishnu's White Horse

Hindus believe that there have been many periods in history in which all life has been destroyed. The present period will also be destroyed and a new age will be brought in by Vishnu on a white winged horse.

It would be as foolish to dismiss this belief as the rantings of crazy people as it would be to laugh at someone holding a pistol to your head.

Kali Yuga

Hundreds of millions of Hindus believe that the world has gone through many cycles. The cycle we are presently in is called "Kali-Yuga" - the age of Kali. It is the worst of all Yugas starting in 3102 B.C.

The color of this age is black. Truth will cease in this age. Everything becomes sexual. Sodomy becomes rampant. Women rule. The scriptures are *Tantras*.⁶ Hollywood whores and whoremongers endlessly act out "mantra", "yantra", and "tantra" and are rewarded with wealth and fame befitting high-priests of death and destruction who are preparing the world for the Apocalypse.

Lord Siva represents sex, his female manifestation *Kali* - death. Disease, starvation, war, and catastrophe come fast one after another in greater rapidity than ever before. Conditions will get worse and worse until existence becomes unbearable; then, all will end in a great apocalypse where all living beings on earth will die. When all life ceases - Vishnu, Siva's brother, will bring in a new age - riding on a winged white horse.

⁶ Mantra, Yantra, Tantra: "Mantra" - hypnotic prayer recitation - "OM"; Yantra - visual concept of subjects worshiped or desired - pictures, TV; Tantra - acting out the thing spoken and seen.

Readers recognize the Hindu "winged" white horse in opposition to Revelation's "White Horse" of the WORD.

Aum Shinrikyo

Japan's Aum (Om) Shinrikyo is a Japanese Hindu religious cult obsessed with apocalypse. In 1995, its members released deadly sarin nerve gas into the Tokyo subway system, killing people and sending many thousands to hospitals. Witnesses said that subway entrances resembled battlefields as injured commuters lay gasping on the ground with blood gushing from their noses or mouths.

Aum Shinrikyo's other activities include yoga, meditation, and breathing exercises. But at the center is the Hindu belief that the only way to quickly stop today's misery and suffering is to end all life. In their eyes they were performing an act of mercy for the entire world by helping Kali.

Some believe that Aum Shinrikyo jumped the gun. To those who don't know the background, the above sounds like the rantings of a deranged mind. However, when one considers that the world's oldest banks originated in India and that usury banking becomes a monopoly because of the nature of lending 10 for 11 when only 10 exist - then - such things become possible.⁷

A banking monopoly provides unlimited wealth. Unlimited wealth permits the purchase of kings, priests and media.

⁷ USURY: 5391 nâshak, to strike with a sting (as a serpent) - lend upon usury. *Strong's Concordance*; Usury is lending 10 units when only 10 units of the thing lent are in existence - while requiring the repayment of 11 of those same units - or forfeiture of assets. This cannot be done. If tolerated, *Usury* logically results in ALL property falling into the hands of one usurer with all others becoming his agents. Ezek 18:13; Deu 23:20.

When one owns kings and priests and also controls the minds of the world - many things are possible.

The White Devil

The opponent of the Apocalypse is the white devil on whose prostrate body Siva dances and Kali stands. The white devil has always opposed Siva and Vishnu and will be destroyed along with the rest of the world.

"For the Hindu, Apocalypse is the natural ending of the world in the fourth age, the Kali Age. In the Kali Age humankind will be utterly destroyed."

From the Hindu Puranas:

The Methodical Attack

Notice how today the WORD is being attacked by the media, politicians, and by religious leaders? The reason is given by Josephus:

"If you ... gain a victory over them (the Israelites), ... persuade them to leave off their obedience to their own laws and the WORD of that God who established them ... for by this means God will be angry at them (and will destroy them)." Antiquities 4:6:6-13

If God the WORD, the Saxon's creator, can be made to destroy his own creation - then the Apocalypse is assured and events will proceed as Vishnu plans.

However, the WORD, the Saxon God points a path for Saxon-man that is different:

"When thou are in tribulation ... even in the latter days, if thou turn to God and shall be obedient ... he will not forsake thee ... nor forget the covenant of thy fathers." Deut 4:30-31

"I will send my WORD and save thee and thy seed." II Adam & Eve 12:6

The Hindu talks about bringing his Apocalypse and DEATH. We talk of Armageddon - and LIFE. We know who wins the contest. We learned piece by piece, little by little. Understanding comes by looking beyond appearances.

We've read the book.

LETTER FROM S. AFRICA by K.J.

We went to Bronkhorstspuit yesterday as some children were arriving. One of them was a 6-year-old. His brother is at the centre. His brother arrived as dirty as can be and had to be taught how to behave, good manners and clean clothes. Today he is a neat helpful youngster - entirely different. They hope to have the same results with his younger brother.

A girl in her early teens also came with her grandma. I don't know if they determined whether or not she will fit in.

This year there will be a poor harvest and many farmers are desperate. The farmer's Co-Ops are now in the hands of Jews and they charge 26% on white farmers' outstanding debt and nothing on the debt of black farmers. Where it will all end is a mystery. Most of those living in the cities don't even see what is coming. They react like "Pavlov's Dog" to the TV stories of black poor. They give to them and give nothing to their own whose situation is as bad. They won't believe that the 6-year-old had no breakfast yesterday morning as there was nothing to feed him.

We had no electricity for 48 hours and that is a worry with refrigerators and alarm systems.

Please thank the kind gentleman who gave money for the children's Christmas party.

Your's faithfully, K. J.

LETTERS

CUNNING: "Dear Richard; '36-Strategies' was one of your best. History shows that cunning rules the brave. Courage without perception and cunning can be disastrous. I believe, based on King James Bible and other esoteric research, that the day of judgment is near. The cleansing will be awesome and terrible." David Lane 14-88, The Order - prisoner Colorado

CALL ON NAME: "Dear Mr. Hoskins: I do wish you wouldn't mention the names of the other gods as the WORD commands. Still, I'm sure you have your reasons." S.J. - Vermont

RKH: *"And in all things that I have said unto you be circumspect: and make no mention of the name of other gods, neither let it be heard out of thy mouth." Ex 23:13*

The Geneva Bible margin note adds, "By swearing by them." The WORD names other gods - "serpent", "devil" "baal" etc. - to identify them, not OBEY them. We have to identify enemies to fight them.

CHRISTMAS: "Mr Hoskins: I was shocked to see that some of the money sent to the orphans in S. Africa was for Christmas presents. I myself don't celebrate 'x-mass' or put up a 'x-mass' tree Idol or bow down to it." F.G. - California

RKH: Money was sent with instructions that it was to be used to buy presents for the children so that they would know that their far-away kinsmen cared about them. I think it was a great gesture!

As for "X-Mass"; If people want to celebrate the re-birth of the *Word made flesh* - pick a date, give it another name if the present one upsets you. Is that OK? If people want to worship a tree at the same time - I think they are somehow missing the point. We don't stop observing Groundhog Day because some worship groundhogs.

Let's keep our eye on the mark - restoring the WORD so that our Saxon nation will be saved - abolish usury, divide the land, banish monopolies, and separate from strangers "*lest we learn their ways*" and follow their gods. This should keep us busy for a while. Getting upset about small stuff will have to wait.

UNFILTERED NEWS

AIDS AMONG BLACKS: Blacks make up 14% of Florida's population, but account for about half of AIDS and HIV cases in the state. AIDS is the leading killer of African-American women ages 25 to 34 and African-American men ages 35 to 44. More than half of all new HIV diagnoses reported in the US in 2003 were black. Black men are seven times more likely than white men to be diagnosed with HIV. Black women represent 72% of all new HIV/AIDS cases and are 18 times more likely to be infected with HIV than white women. (*News-Press*, B12, Feb 6, 2005)

BLACK RULE: Security services must be hired to protect the police who can no longer perform the task. Crime got out

hand long ago and no efforts of the ANC can keep it in check. Charles Ngakula, Minister of Safety and Security, brought this to light in parliament. He acknowledged that two contracts with security firms were entered into with 25 security firms. They are responsible for the guarding of 145 police stations and police installations. The police already began to use these services in 2001. The most amusing part of this affair is that the police protection unit for "Most Important Persons" must themselves also be protected by security guards. The question asked, "Why not abolish the police and let the security forces take over?" (Translated from *Die Afrikaner*, Dec 10-16, 2005)

Lawlessness In England

The message from the English courts was "Burglars are members of the public who must be protected from violent householders." Tony Martin confronted 3 men ransacking his home at night. Armed with an unregistered shotgun he wounded one burglar and killed another. The media treated the dead man as a "lovable rogue". His rap sheet included 29 offenses for burglary, theft and for assaulting police. The record of the other burglars were 35 and 52 times respectively. Martin, a 54 year old farmer had been burglarized at least two dozen times. For defending his home he was prosecuted and convicted of murder and sentenced to life in prison. The surviving wounded burglar received government funds to sue him. Years later Martin was released from prison. (Story in *America's First Freedom*, p.39, Feb 2005.)

RKH: This is complete Lawlessness. The LAW clearly states:

"If a thief be found (entering the premises) and be smitten that he die, there shall no blood be shed for him. If the sun be risen upon him, (don't kill him); for he should make full restitution." Ex 22:2-3

Britain has forgotten the WORD, the God of her fathers, and obeys the laws of another god.

"If you will not obey the voice of the Lord, but rebel against the commandment of the Lord, then shall the hand of the Lord be against you, as it was against your fathers." I Sam 12:15; "If thou wilt not ... do all the words of the law ... ye shall be plucked from off the land." Deut 58:66.

WOMEN & MATH: Harvard Univ pres Lawrence Summers questioned if discrimination explains fewer female engineers and scientists advancing at universities. *American Free Press*, p.2, Jan 31, 2005

RKH: It's basic. Women are created to manage many things; men are created to manage one thing at a time. Together they are a single unit called *Adam-man*.

Chapter 367

TWO GODS Mantrap Empires & A Pig

Mr. Jacob's Drinking

It was in the '50 depression after the Korean War. I was one of many who couldn't get a job. Studying law at William & Mary wasn't for me. "What do you mean the law is whatever the courts say it is? The Law is the LAW - the Law doesn't change!"¹

¹ LAW: "For I the Lord, do not change." Mal 3:6; "Jesus Christ the same yesterday, today, and forever." Heb 13:8; "It is easier for heaven and earth to pass, than one tittle of the Law to fail." Lu 16:17.

My Uncle Alex offered me a job digging ditches for his construction company. The going wage was \$1.00 an hour. I jumped at the opportunity.

Mr. Jacobs also worked for Uncle Alex. He was a good carpenter when sober but he was sober only when he ran out of money. He would work until he got paid on payday and then we wouldn't see him again until he was broke. He went to town, bought a bottle of 86¢ wine, took a drink, and was instantly drunk. I never saw anything like it. A metamorphosis instantly took place. He would stumble to a parking meter outside the liquor store, hold to it for a second, and navigate to the next one - all from one drink. There were all sorts of stories about him.

One time he got paid, got drunk and started home. He lived several miles out on the Sperryville Turnpike at Piney Woods. It was winter and he got tired and lay down on the side of the road and went to sleep. It snowed and covered him up. A snowplow came by and ploughed him up. The driver saw a body flying through the air and called in to say that he had plowed up a body. The police, lifesaving crew and everybody came out and there it was for everybody to see - a pair of legs standing up vertically in the snow-bank with the rest of the body covered up. The lifesaving crew grabbed Mr. Jacobs legs and pulled him out, whereupon Mr. Jacobs woke up and complained,

"What's a'matter, can't a man get a little sleep around here?"

Indignant with the rough treatment he had received, he carefully adjusted his hat, straightened his tie, and staggered on home.

I'll tell you another story about Mr. Jacobs.

Mr. Jacob's Pig

Mr. Yowell, lived on the other side of Yowell's Lake, behind the Kellys. He owned champion pigs. These weren't ordinary pigs, they were wrinkled faced pot-bellied, bushy-tailed pigs from China. Ugly things, but some people really liked them. Anyway, they were champions and won a lot of blue ribbons and things.

The potbellied sow had a litter. There were too many of them and the runt was going to starve so Mr. Yowell got ready to kill it.

Mr. Jacobs was standing there and he begged Mr. Yowell to give him the little pig. Mr. Yowell figured the little shoat was going to die anyway, so he went ahead and gave it to Mr. Jacobs.

Well, Mr. Jacobs took that little pig home and made a bed for it right in his house and fed him from a medicine dropper. The little pig didn't die - he thrived on this attention.

Soon, he outgrew living in the house so Mr. Jacobs fixed the nicest little house for him in the corner of his front yard with a fine mud wallow. And, miracles of miracles, Mr. Jacobs quit drinking and came to work regularly.

With that kind of care and attention that potbellied pig grew up to be the finest of its kind in all that part of Virginia. Mr. Jacobs took to entering him in competitions and he began to win blue ribbons - blue ribbons that Mr. Yowell used to win all the time. That pig was all Mr. Jacobs could talk about.

One day Mr. Jacobs didn't show up at work. That was unusual because he had become prompt and regular in his work habits. After a week of being absent, Uncle Alex told Therlow Dodson to take the pick-up and drive up to Piney Woods to see if there was anything wrong. After a couple of

hours Therlow Dodson came back and said the Mr. Jacobs pig was dead and Mr. Jacobs was drunk.

Naturally, Uncle Alex was exasperated. He asked Therlow Dodson how all this happened, and this is what he was told.

It seems that in the hot weather, Mr. Jacob's potbellied pig took to spending time in the mud wallow like pigs do. He would come out and lie in the sun until the mud dried and he got hot. Then he would get back in the waller to cool off. He did this time after time.

The thing that happened was this: Each time the pig got out a little bit of mud clung to his bushy tail and dried. The next time he went in and got out again a little more mud accumulated. After a while the pig had a ball of mud hanging to his tail almost a foot in diameter.

Carrying this much weight around made what happened next inevitable. The weight of the mud ball pulled the skin back on the pig and held his eyes open and the pig died from lack of sleep.

The Rest Of The Story

The first "Mr. Jacob's story" is true. The last part of the second one stretches the truth a little toward the end. But it's done with a purpose. We hear how too much drinking causes problems and inconveniences. We never hear that strong drink is an act of war.

Strong drink often leaves absolute devastation in its wake. For this reason, it is media policy to present drinking in a favorable manner. The WORD sees Mr. Jacobs, not as an object of merriment, but as a tragedy.

There is a *"God Of This World*. He is the arch-enemy of the WORD which is the Saxon God. One of the other names of this arch-enemy is "The Destroyer".

"The god of this world hath blinded the minds of them which believe not." 2 Cor 4:4

Drunkenness is promoted by *"God of this World"*. What happened to Mr. Jacobs? It would be nice to believe that things worked out all right. But, lets face it, how often have you known things to work out right for drunks?

You already know what happened to Mr. Jacobs.

Strong Drink Law

The LAW of the WORD says who should drink strong drink - and who should not. First:

"It is not for kings to drink wine, nor princes strong drink: lest they drink and forget the law, and pervert judgment." Pr 31:4-5²

Second: The LAW says who IS to get strong drink:

"Give strong drink unto him that is ready to perish." Prov 31:4-6

Act Of War

WE are the appointed kings - *"Jesus Christ ... hath made us kings and priests." Rev 1:5,6*. If the kings who enforce God's Law, which is the WORD, are destroyed - the *"God of this World"* has lost an enemy.

² Jesus made wine. It's a parable. Wine represents "Effervesce" 3196 energy - the kick - the SPIRIT! Bread represents the WORD. You have to have this kind of *wine* and this kind of *bread* or you are worthless. Our fathers told the Romans the "Jesus making wine" parable. The Romans knew all about making wine; nothing unusual about that - and left them alone.

This is why Saxon kings are encouraged to drink strong drink. It is #9 of Esau's "36-Strategies" - "*Help your enemy destroy himself.*" It is an act of war. Destroying rulers destroys the kingdoms they have been appointed to rule.

Esau knows war: Destroy the enemy - encourage him to drink strong drink - while forbidding strong drink to your own. Neither Islam nor Buddhists permit their followers to drink strong drink. Who is Esau's enemy? He named him long ago.

*"I (will) slay my brother Jacob." Ge 27:41.*³

Aum Shinrikyo

HR 2005-#366 "*Apocalypse*" told the story about *Aum Shinrikyo* of Japan. Most people holding these *Aum* beliefs are intelligent and well educated. However, one part of their thought process worries Westerners. It is this - they want to kill everyone.

Not only do they think these thoughts - they act on them - they actually try to kill everyone. They manufactured and released deadly Sarin gas in Japan's subways to kill as many people as they could to help bring an end to the present "*Age of Kali*". This is only one example of many.

Damage Control

The *Aum* attempt at mass homicide presents a problem for the Cartel.⁴ The Cartel doesn't disapprove of killing everyone - it is the Cartel's major objective; the problem is the way

³ "*Esau was a designing and deceitful man, one who hunted after the hearts of man and inveigled them.*" *Jasher 28:20* (The literal meaning of the Hebrew is, "he stole their minds," a beautiful figure in the original to express deceit, falsehood and fraud.)

⁴ "Aum", also "OM". The name of Brahma.

they went about it. They made public this basic aim of the "God Of This World". Westerners now know that there are people in the world who want to kill everyone. This type of thinking is commonplace to the sons of Esau, but to the Sons of Jacob it is not only disturbing - but crazy!

To prevent a Saxon reaction, operators of *The Cloak*⁵ have been instructed to cover up Japan's subway indiscretion - or explain it in terms that will put the blame on the Sons of Jacob - the usual tactic.

Westerners must not be allowed to get upset over this thing!

The Hindu belief that the world is now in the grip of the *Age Of Kali* is the reason for the Subway incident. *Kali* is the Hindu goddess of death. This age produces suffering, misery, death, destruction, lying and deception - an age that is getting worse and worse and will in time become unbearable. It ends only when all life on earth is extinguished. The end of life must take place before the god Vishnu can arrive in the form of a white-winged horse to bring a new age of peace and prosperity.

This belief is held by hundreds of millions and is thousands of years old. It is part of the basic make-up of the sons of Esau who are made in the image of their god - just as we are made in the image of ours.

Problem With The WORD

Kali, Esau's god, brings death. The WORD, man's God, brings "life". As long as the sons of Jacob and Isaac live - the life they bring prevents the destruction of the world and the

⁵ *Cloak Of Esau* (HR 2004-#161) is found in the book of *Jasher* and is key to understanding current events.

birth of Esau's new age. Their mere existence means continued suffering for the sons of Esau. That is why Kali is pictured standing on the body of a white devil eating his flesh.

Cloaking Using Apocalypse Examples

The Cartel damage control strategy is to lump *Aum Shin-rikyo* with other "apocalypse" cases from around the world and call the whole thing "Christian". The following is discussed in Cartel papers:

People's Temple: Everyone has heard of Jim Jones (James Warren Jones). He had a following of some 900. They committed suicide in the Central American jungles, or were killed by other sect members. He was a "Christian" believer of Apocalypse - according to the media.

Restoration of 10-Commandments" in Africa: A few hundred blacks committed suicide, or killed the others. They are said to have practiced "African-Christianity". Another "crazy bunch of Christians" - according to the media.

Uganda Kanungu doomsday cult, This too is a black "Christian" organization - according to the media.

Choma "burn" pseudo-Christian black African cult - perhaps several thousand died in their rituals.

Heaven's Gate led by Marshall Applegate - thirty-nine committed suicide. Another inter-racial "Christian" organization.

Readers who receive foreign newspapers find these incidents discussed over and over.

Incidentally - about the Jim Jones affair. Jones was really an ordained Disciples of Christ minister. The media said he was on drugs and alcohol. We discussed Mr. Jacob's problem earlier. Compounded with narcotics the judgment of kings is

impaired, and one of the results is that you can have a "Jim Jones Affair".

(Another aside: This same "Disciples Of Christ" denomination, to which my father once belonged, includes "First Christian" on Rivermont Avenue where Sodomites and Integrationists meet to plan their activities. They don't have the "strong-drink" excuse. The end result of "sodomy", "integra-

KALI - "God Of This World" - God of death; Posing as Jesus

Kali's other name is Brahma - "God of this World" - manifestation of all gods - God of integration. His law is universal "Admiralty Law".

His arch-enemy is the WORD; the God of Man; God of Abraham, Isaac and Jacob; God of Law and Life. *"By their acts ye shall thow them."*

"Choose whom you will serve" - for you WILL serve either Kali/Brahma or the WORD - Life or Death!

tion", and "drinking strong drink" is only that of degree. All these practices bring "death".)

The Cartel media intends to convince people that it is the *Christians* who are the ones killing people - not the followers of *Kali*.

A Black King

Dr. Martin Luther King, the black plagiarist and adulterer, left cities burning and people dead wherever he went. Ignoring this, the Cartel media made him into an American hero and has instructed every city and state they control to erect monuments in his memory. Lynchburg already has a glass enclosed MLK shrine in the local library with a light shining on the bust of their dusky god. In addition, a street and bridge have also been named after him. City streets and monuments all over the country honor Dr. King. The president set aside a national day of celebration in his honor.

Why?

It helps to know that Martin Luther King is worshiped as a "Perfect Master" by most Hindus. A Perfect Master is a god. In their ashrams, his picture is mounted next to that of Jesus Christ, who, along with Rev. King, is considered another Perfect Master.

Hindus consider both King and Jesus to be manifestations of Kali, and since both *Kali* and King are black (and many now say that Jesus was black) - and black is the color of this *Age of Kali* - the honors King receives also honor *Kali* - the "**God Of This World**".

The Deficane

Most Westerners have never heard of the *Deficane*.

In S. Africa, a young black girl prophesied that if everyone burned his crops and killed his animals - a wonderful new age would be born. The blacks obediently burned their crops and killed their animals - and starved. When Whites came into the Transvaal they found it vacant. Just skeletons lying around. The blacks were all dead. The white settlers re-settled a vacant land. **"For Esau is the end of the world, and Jacob is the beginning of it that followeth." II Esdras 6:9**

Kali, by whatever name known, is in the nature of the children of Esau, but especially the Black. In S. India they predominate. There, the worship of Kali is universal and even excludes other gods.

Remember the Zulu? Everyone in the path of their homicidal march died. Look what is going on in Africa today. It continues. Over 4.5 millions have died since 1990. Massacre after massacre - too numerous to keep count. They kill each other. It's what the sons of Esau do. Look in America's prisons. As much as Esau's media tries to make us forget - we remember what they did to Whites in Haiti when they had the chance. Look at what Palestinians and Khazar-Jews are doing to each other right now. Look at Ghengis Khan and Atilla. They are equally Esau's sons.

Look Beyond The Hill

The WORD, the world's only logical belief system, compels its followers to use the information given them in a logical manner:

Is it coincidence that Joseph Stalin, a "Christian" son of Esau, killed nearly 20,000,000; Mao, another son of Esau, killed 60,000,000; abortion clinics mostly of Esau have killed 60,000,000? Is it coincidence that the governments installed

by Esau's merchants and media led the countries they ruled against each other in WWI and WWII and killed over 100,000,000? For what? What was achieved? "Our" own Esau-selected Eisenhower killed over 1 million German Saxon POWs in death camps after WWII was over. What did that accomplish?

Could it be that the sole objective of all this slaughter was to help bring in a new age? After all, the sons of Esau control both our banks and media which caused the river of blood to flow.

Empire Questions

The mighty Mayan civilization left few records, but it seems suspicious that this mighty Empire - having countless cities filled with teeming millions - died overnight. It also seems strange that the great Inca and Aztec Empires suddenly imploded and vanished.

We note that the Cartel first swept Rome's countryside clean of its self-sufficient farmers - then Rome died. What happened to the millions who once lived in the vast vacant cities seen by Zenophon? What happened that caused Babylon to vanish? the Persian Empire? the Carthagean Empire? What happened to the vanished inhabitants of the ruined jungle cities of Siam?

Is it possible that EMPIRE causes DEATH?

Does the deliberate destruction of the farms of both the American South and South Africa and sweeping the refugees into cities have sinister implications? Was there a sinister purpose in moving 15,000,000 Germans from the farm regions of E. Germany into the overcrowded cities of W. Germany?

Is it logical that empires put together at such great cost in time, effort, and money should die in the twinkling of an eye?

We've been told that in Africa and India beaters line up with drums to drive game to a central place to be slaughtered. Empires appear to serve the same purpose. Could it be that EMPIRE is *Kali's* master creation - of which the U.S. is the latest?

Colonel Cox's Observation

Colonel Earnest Sevier Cox, author of *White America* and *Teutonic Unity* was my friend. He observed that the studies of the great ethnologists agreed that the world's great civilizations began with Teutonic peoples who were subsequently destroyed by integrating with the subjects of their conquests.

Colonel Cox's observation opens the door to further speculation.

If the death of our Nordic peoples can be blamed on empires that demand the empire's integration with the subjects conquered by the empire - the empire-system itself is guilty.

But, that's ridiculous. Why would an empire demand the destruction of its Saxon creators? It makes no sense.

Yet, let's face facts. From the time of the very first empire we see the following:

"And king Nimrod reigned securely, and all the earth was under his control, and all the earth was of one tongue and words of union." Jasher 9:20

Is that integration - or what?

We also remember that King Asoka of India boasted that he had conquered the Greek with his Dharma. Let's see the result;

"King Antiochus wrote to his whole kingdom, that all should be one people, And every one should leave his laws ... that they should follow the strange laws of the land ... To the end they might forget the law, and change all the ordinances." I Maccabees 1:41-52."

This happens with each empire. None of it makes sense - Until one learns of *Kali*.

When *Kali* is revealed, things become clear. Empire is not *Kali's* enemy - it is her creation. It is run by her agents. *Kali* owns both the usury-banks and the Cloak of Esau. Using them as weapons she has placed her servants in all three empire ruling castes - "Priest", "king", and "great merchant". They were installed to obey their master.

To *Kali*, it makes no difference which side wins a conflict - as long as there IS conflict, and, as long as the survivors "integrate" and become one. If they remain separatists refusing to integrate - like Southern rebels - they are branded "KKK" and "racists"; Germans are "Nazis", and South Africans are "bitter enders" believing in "Apartheid".

Kali's servants led Saxons to build Empires as great man-traps. Empires have both the physical and mental ability to force Saxon "integration" with subjects of empire conquests. In this way the Saxon disappears along with the Empire he created which brings the *Age of Kali* ever nearer.

A 70 Year Observation

None of this gloom and doom is likely today.

Why?

Over the past seven decades I have watched the pulpits of America which, with few exceptions, have been silent. But, the ones who have been appointed priests - aren't. Like their fathers before them, thousands and tens of thousands have awakened. Where once there were few - now there are many. Thirty years ago it was rare that people would take time to listen to the Law. Today people will listen who would not listen only 24 months ago. Not only that, I have met people who have flown 10,000 miles to learn what the WORD requires of them.

Camps held to teach the WORD have attendees who have never seen each other before, but when they meet, they discover that all of them speak the same thing.

Choosing

Today the Saxon nation is being divided into two flocks: Those who follow the WORD and those who follow "*The God Of This Land*".

May God have mercy on the souls of those who have chosen to abandon the God of their fathers, for it is certain that those who follow the WORD will enforce the Laws, Statutes and Judgments of their God when they come into their promised kingdom.

ERNST ZUNDEL

Ernst Zundel was kidnapped by government officials under color of law and taken to Canada where he was accused of denying that 6 million Jews were gassed in a crime that produced no gassed bodies and no gassing weapon. Since

Canada's censorship laws are not as harsh as those of Germany, he has been shipped to Germany where he faces lengthy imprisonment.

DENMARK'S SINS LIVE ON: "Dear Mr. Hoskins; An Australian brother sent me a copy of your newsletter where you commented on the joyful divorce between Danish Prince Joakim and 1/4 Chinese Princess Alexandra here in Denmark. Well, indeed it's good news. I've been praying for that a long time. But the bad news is that they succeeded in having two mongrel boys, Nikolaj and Felix. Fortunately, Joakim's older brother, Crown Prince Frederik, has married an Australian woman, but, so far they have no children. This means, at present, the next in line to the throne after Frederik is either the fornicator Joakim or his mongrel son Nikolaj." K.M. - Denmark

Letter From S. Africa by K.J.

The HNP's new leadership wants the organization to take part in the next municipal election where blacks have an overwhelming majority. This would make the HNP a part of what is happening to White S. Africa. Since the new HNP leadership is moving to the political center - a new organization has been formed - the *Afrikaner Nasionalistiese Beweging*. They have a Christian constitution.

The communist party has gotten blacks in squatter camps and black townships to drive their cattle onto white farms. They did this by having black town councils ban cattle on the town commons. These blacks chase their cattle through town streets and white gardens onto White farms. A clever move by the communists - forcing blacks and their cattle onto white farms.

Things could once be shipped safely and quickly by rail. Everything was on time. Now, the railroads are gone. The blacks destroyed them. Things once transported by rail are now shipped by truck. This truck traffic has destroyed long stretches of roads which were not built for such heavy use. Road travel is becoming difficult because in places roads have disappeared. It's worse when it rains.

Margaret Thatcher came here to help her son Mark. He and an Eton friend, Mann, planned to dispose of the president of Equatorial Guinea and replace him with someone who would give them access to oil and minerals. For this adventure they hired a number of the former SA 32 Battalion. Ma paid

Mark's bail and he left the country the next day. All the men he had with him now sit in two terrible prisons, and they will be found guilty. I do not think they will survive the black prisons. That type of Englishman is not welcome. He did not even try to help the men he led into trouble.

I still remember how the Anglican and Methodist churches used to cart blacks down to the Cape from their homelands to work for the English. Once, the Cape was reserved for Coloureds. The Coloureds got preference in work and had their own university.

When van Riebeeck landed at the Cape in the 17th century, there were almost no blacks there. They had died out from the smallpox brought by the Portuguese when they stopped at the Cape depot for supplies on the way to the East.

The Coloureds came into being as a result of the British Army discharging an entire British regiment in that region in 1822. Having no way home and no white women for wives, they found Black women. This is where the Coloureds come from. This resulted in three distinct racial groups on the Cape: Whites, Blacks and Coloureds.

For some reason, the Dutch East India Company did not allow large numbers of blacks to come to the Cape. Only English, but never in large numbers. They also prevented the 1820 British settlers from getting on with the Boere who could have helped them as they never farmed before in their lives. Now they found themselves in a country made difficult by Xhosa raids that took place often - plundering, murdering and burning. The worst part for them was that their own government never came to their aid. Commandos made up of mostly Afrikaners had to drive the Xhosa back over the Fish River leaving their farms and families unprotected while doing so. Then the English government came in and made

peace agreements with the Xhosa, who looked on treaties as worthless pieces of paper.

These actions caused the Great Trek. The English government did all they could to hinder the Afrikaner exodus. Government officials even kept them from taking enough gun powder. They even searched the Voortrekkers in case they had too much.

The English missionaries were on the English government payroll. They sent word to every black tribe that the bad Voortrekkers were coming and that they must kill them. Vegkop was the first battle, but single families who left early were wiped out.

Well, the Communist town council of Pretoria has done it - they changed the name of Pretoria to Tshwane. The word Tshwane means "ape town".

We saw Betzy at the children's home and they have used the paint that had been given them. Two new youngsters came in last week and this week two more. The magistrate came with the mother of the last two to see where the children will stay and they are most satisfied.

We are having difficulty receiving HR. Numbers 362 and 364 disappeared. Please re-send in plain white envelopes. Thank you. Yours faithfully, K.J.

Chapter 368

MAKING MONEY Using Witchcraft

Buying A Car

Becca was six or seven, I forget. She came to me and asked; "Daddy, can I buy your car?"

"Sure, if the price is right." I answered,

"How much?" She asked,

"A dollar seems fair."

"OK." she said and disappeared.

In ten minutes she reappeared with a brand new dollar that she had made with her crayon set and handed it to me. I reached in my pocket and handed her the keys to the car, and told her not to drive too fast.

**Becca - Financial Genius:
Creator of the Becca Buck**

The Deal

Becca bought my car for a dollar that she made herself. That's how it's done.

It's that simple. Now you understand all you need to know about modern finance.

The Usury Scam

We all know how to work the usury scam: We lend 10 of "something" when only 10 exist in the whole world and we persuade the borrower to repay 11. He can't do it because only 10 of the "something" exists. When he can't pay he loses his collateral - his farm or business - that he used to "guarantee" his repayment of a loan that was impossible to repay from the start. This is how usury works. It's crooked before it starts and the usurer knows it..

That's why God the WORD decreed "death" as punishment for engaging in this deception.¹

¹ *"Hath given forth upon usury ... he shall surely die." Ezek 18:13.*

The Midas Touch

Only God and "witches" can make something from nothing. God the WORD makes the real McCoy. Witches make a deception and pretend that the deception is something of value. It's "witchcraft". Just like usury - God decreed death as punishment for engaging in this deception.²

"Nothing" Has Value

Banks make magic money just like Becca did. Except, unlike Becca, banks aren't "play-acting. They mean it and they do it all the time.

The thing that gives "magic-money" value is that the banks used their political contacts to set up tax laws. People are now forced to use "magic money" to pay taxes. On April 15 - by decree of the king - magic money created from nothing has value. The government said so - and you go to jail if you don't pay. You have to have it to pay taxes.

Bank-Created Governments

In spite of media advertisements about "free elections", governments are bank property. They are the subsidiary political departments of the banking-monopoly. Governments do whatever banks tell them to do - or the managers are fired and replaced by others who will.

Public participation is limited to make-believe voting. Voters may choose whomever they wish for public office. However, the only ones they know about are the ones the media-monopoly tells them about. The only ones the media tell them about are Cartel agents.

² *"Thou shalt not suffer a witch to live". Ex 22:18*

The result is that "government officials", with few exceptions, are cartel agents. Making double sure, most of the agents are "officers of the court" - LAWYERS.

Lawyers

Lawyers spend their days eating, sleeping, and studying Cartel admiralty law.xx If they behave - the system sends good things their way. The few who are disloyal live a subsistence existence.

Newspapers raise certain "Cartel loyalists" to prominence by giving them free advertisement. Once in the public eye the public can vote for them. Today, a George Washington or Thomas Jefferson couldn't be elected dog-catchers; newspapers wouldn't mention their names and voters wouldn't know they existed.

Observe that public opinion is almost solid against the ongoing "wetback invasion". Now, count the politicians who support stopping the invasion. This tells who the politicians work for.

Newspapers

Our present religious, economic, political system is made possible because of "magic-money". Banks now have an unlimited supply of purchasing power that they can use anytime they like. They can buy anything they want in any amount they want at any any price they want to pay.

The first thing banks did with their unlimited supply of money was to finish buying newspapers - even the little ones. Now, by selective news release, they not only rule the people with cartel governments, they control their minds. *"People*

are what they think." Pr 23:7. Control people's thinking and they belong to you.

Josiah Stamp's Confession

For years, my big plan was to write a sequel to *War Cycles / Peace Cycles*. I was going to talk about "Making Magic Money". Well, I've waited too long. I've run out of time. Besides, you probably knew about it before I wrote this.

But, just in case there is a reader who has doubts about my brilliant 7-year-old daughter Becca being a financial genius - one who is able to make money out of nothing; how about a second opinion. An opinion from one of usury's top dogs, Sir Josiah Stamp. He was the President of the Bank of England in the 1920s and the 2nd richest man in Great Britain.

Sir Josiah Stamp
(1880-1941)

President of the Bank of England.

"The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight-of-hand that was ever invented. Banking was conceived in inequity and born in sin. ... But if you want to continue to be slaves of the bankers and pay the cost of your own slavery, then let the bankers continue to create money and control credit."

Come on now. This is the thing that Esau's media and our worthless preachers and politicians are paid to cover-up and

certify that all is OK. This is what goes on around us every day; The *witchcraft* of making money out of nothing.

Fair's Fair

Becca can do it; banks can do it - why can't we do it? What say we start a national letter writing campaign to our congressmen. Tell them that we have laws on the books against monopolies and it's not fair that banks should have a monopoly of making money out of nothing. If they can do it - each of us should be able to do the same thing. That way we can make as much money as we want out of nothing and buy whatever we want anytime we want. Banks do it - everyone should be able to do it, I could use a million or two and I know you could, too.

Also, they should be made to stop calling our efforts "counterfeiting". It gives people the wrong idea. Exactly how does one go about counterfeiting something that is already counterfeit?

Dodging Responsibilities

Josiah Stamp said something else that I thought was profound:

"It is easy to dodge our responsibilities, but we cannot dodge the consequences of dodging our responsibilities."

Empires built of make-believe sooner or later step off cliffs. This is the verdict of history - all empires do. They confidently step out into the world of make-believe and illusion and die falling from a cliff they didn't know was there. Survivors see the world as it is. That's what the WORD is all about. "Reality vs Illusion".

Spotting The Con

Magic-money bought the media which tells us how to think. It tells us that there is no evil in monopoly, usury, strangers ruling over us, and undivided land. Common sense tells us that these practices are unjust.³ Everything a liar says is suspect once he tells his first lie. For instance:

Homeland Security does not secure America from alien terrorists. The unopposed wetback invasion is massive, but Homeland Security spends its time intimidating travelers at airports..

Iraq: US cartel leaders said they invaded Iraq because of their weapons of mass destruction. No WMD were found. Therefore - the reason for the invasion and destruction of Iraq is something else.

The WORD Of God: Esau's media loses no opportunity to attack the WORD. It blames God fearing Christians for every *terrorist* attack or possibility of one. Since no Reform Christians have been found among the attackers - there must be another reason for Esau's attack on Bible believing Christians.

Black Rulers: It is generally known that blacks have the lowest IQs in the world.⁴ Therefore, a concealed reason exists for suddenly replacing whites with blacks in top Western business and political positions.

³ *"He that is unjust in the least is also unjust in much." Lu 16:10*

⁴ Blacks, 75. White-black mixture; 85; Australian blacks 90, American Indians, 90; South Asians; 90, Europeans, 100; Orientals, 105., *Scientific Study of Human Nature*, NY, Elsevier, 1997.

More Perks

Cartel's bank-managers buy industry. They use one Cartel industry to buy another until monopolies reign supreme owning everything. The Cartel owns all large corporations. All were bought with magic-money created from nothing.

Cartel corporations endow colleges with magic-money. Large endowments by Cartel industry are conditional on their appointing members to governing boards. These new college boards appoint teachers who teach students the ways of gods-of-illusion.

Destroying The Competition

The Self-Sufficient Farm produced wealth from the land that could be exchanged for other wealth. The ITC waged wars of extermination against the American South and South Africa to destroy this competition. They destroyed their ability to bring real wealth into existence - thereby denying a choice to bank money.

Destruction Of Germany

Germany was destroyed because - if allowed to exist it would destroy the International Trade Cartel and its power to make magic-money. Nine planks of its suppressed 1920 NSW's **25-Points** platform tells the story:

1. Union of all German peoples
4. Only those of German blood may be citizens.
6. Voting limited to citizens.
8. Non-German immigration forbidden. Repatriation of non-Germans.
13. Nationalize multi-national corporations and privatize them to their workers.
17. Confiscate corporation and trust land monopolies.

18. Usurers punished with death.

22. Abolition of the standing army and formation of a national militia.

23. Abolition of the international press and creation of a national press. Editors must be Germans.

The most universally hated symbol in the world today is the Christian swastika cross imbedded in old churches all over Virginia. Before WWII the "Hitler Party" was praised for using this "Christian" symbol instead of the old Imperial Cross that Americans had been taught to hate during WWI. The media changed this perception by using the swastika with every atrocity story - just as they couple the Confederate battle flag with everything negative.

"People are what they think." Pr 23:7.

People can only think with information they are given, and the Cloak of Esau - the media, furnishes the information.

Conclusion

This is the "high finance" involved in Becca making her dollar. This is how banks make \$10 million or \$10 billion or \$10 trillion dollars to pay for a newspaper, a GE, trade-route, drug monopoly or the 100,000 acres nearby. The "Becca Buck" and the \$10 trillion both come from exactly the same place.

Remember what Josiah Stamp said;

"The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight-of-hand that was ever invented. Banking was conceived in inequity and born in sin. ... But if you want to continue to be slaves of the bankers and pay the cost of your own slavery, then let the bankers continue to create money and control credit."

Remember, Esau is a liar. His media is a liar. His is a world of deception. His Cloak of Esau hides truth. His words can control your mind. With reason his people boast, "We control the minds of the world" - and it all is a product of witchcraft's *magic-money*.

But, we have the WORD. The WORD tells us what to see. And what we see is this. The Tower of Bable is built on nothing - illusion. In time it will step off a cliff:

LYNCHBURG'S QUAKERS

We don't have any Quakers around here anymore - they are all gone. But once they were everywhere.

Old John Lynch who founded Lynchburg was a Quaker. He is buried across town in the north-west corner of the Old Quaker Church burying ground. Quakers established the early farms around here in the late 1600s and early 1700s and were energetic and prosperous.

History

The Quakers were just one more non-conformist sect along with the Baptists, Presbyterians, and others. They had a couple of things that distinguished them from other non-conformists.

The law system of Great Britain permitted kings, monopoly, usury, taxes, and trade with strangers. Great Britain existed because it was a legal monopoly - a combination of common law and ecclesiastical law with the king as its head. Competing law systems were suppressed.

To ensure that they remained suppressed the *Test Act of 1673* was enacted.

"The Test Act required every man appointed to an office in the army, navy or the Government, to be a member of the Church of England and to declare that he did not believe that the bread and wine of the sacrament became the actual body and blood of Christ when blessed by the priest. (TKC, p26, Feb 2003)

The first part of the Test Act requiring Church of England membership was directed against non-conformists. No Episcopal church membership - no government job. This was reinforced by fines for worship non-attendance.⁵ The second part was directed against Catholics who believe that the bread and wine is the actual flesh and blood of Jesus.

In other words - "non-conformists" were pushed to the very edge of society.

The WORD prohibits oaths.⁶ Quakers correctly refused to take oaths, especially an oath to be obedient to the head of the Anglican Church - who just happened to be the king. This

5 The second part was directed against Catholics who were taught that the bread and wine of the "Lord's Supper" became the actual flesh and blood of Christ. The Catholics were anathema because they followed the Vatican law system which in essence made every Catholic a citizen of Rome with his own religion, ruler, and laws. A country within a country.

6 "But let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil." Matt 5:37; "Swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation." Jas 5:12

banned them from government service and the army. It also prevented them from joining the militia which was also subject to the king's orders. When exceptions were made to this oath so that they could join, the Quakers had recourse to the 6th commandment which the Church of England had translated to "*Thou shalt not kill*" - meaning pre-meditated murder.⁷

In a day when a man was forced to fight for his landlord as part of his enfiefment agreement - the Quaker refusal to fight was looked upon by many as the high road.

The Quakers had many admirable qualities. They helped all in need regardless of political differences. Their government was presbyterian. Their refusal to take oaths, to fight, their willingness to help, along with their speech and dress, all combined to set them apart.

Quaker Basic Error

Quakers were excellent businessmen. They made money where others failed by helping all needing help. When Virginia militia marched west to fight the French and Indians - Quakers sold supplies and weapons to them. When the French and Indians marched east to fight the British and the Virginians - the Quakers sold to them.

Campbell and Bedford Counties, just outside of Lynchburg, are where most of the Quaker settlements were. This region is also the home of Virginia militias organized in the 1750s to fight the French and Indians.⁸ These people

⁷ There are numerous instances where the WORD commands killing people.

⁸ They in turn were ancestors of Stonewall Jackson's Laurel Brigade, which in turn, was the ancestor of the units of the 116th Infantry that landed in Normandy, suffering more casualties than any other army outfits during WWII.

weren't about to tolerate Quakers selling to both sides - especially guns and powder.

The Timepiece

Man is made in the image of the WORD. The WORD tells them to build their world in which the wheels and springs work together to produce a society which is convenient and right. If any part is bent or destroyed - it affects the whole.

The Quakers were looked on as a broken wheel that delayed the arrival of the Kingdom in Virginia. After doing so many wonderful things, it was money that betrayed them. Their refusal to fight at the whim of a ruler was taken to the extreme of trading with the enemy.

The WORD does not permit trade with strangers, or even having strangers in the land.⁹ Given the option of correcting the King's slavery system by supporting "African Colonization" repatriation, they chose to support "radical abolition".¹⁰

They modified the WORD to continue living their chosen life style. This terminated their presence in central Virginia because the people they lived among now felt betrayed and ceased to deal with them.

Gradually the Quakers drifted away or joined the ranks of the local Christian denominations. So far as I know there is not a single Quaker family in the Lynchburg area, which town was founded by the Quaker, John Lynch.

LETTERS

THANKS: "Mr. Hoskins: Please let your subscribers know that without their help there wouldn't be any orphanage for white children." K.D. - Africa

LETTER TO FRIENDS: "There was a shooting in Minnesota. One of the students killed his grandparents, made his way to school and killed 10, including himself, and wounded several others. He was into a death fixation. Young people into this wear black all the time, black clothes, black fingernail polish (even the guys) and many dye their hair black. It is more than just a style, it is the spirit of witchcraft." Rev Ken Kemble, POB 5204, Uvalde, TX 78802-5204.

UNFILTERED NEWS

OVERLOAD: Multitaskers distracted by incoming e-mail and phone calls logged a 10-point drop in their IQ - twice the drop marijuana smokers showed, according to UK's Institute of Psychiatry. (IBD, p.2, Apr 25, 2005)

RKH: *"Six days thou shalt do thy work, and on the seventh day thou shalt rest." Ex 23:12.* Overload can destroy. Proper rest allows more to be accomplished in less time.

BRAINWASHING: The Air Force Academy is facing charges that some Christian cadets have berated Jews and students of other religious backgrounds. Its solution is to require students - and all employees - to attend courses on religious tolerance.

Since Christian LAW requires its followers to be intolerant of evil - overriding these Christian teachings requires acceptance of a different religion. The only religion tolerant of all other religions is Hinduism. Those completing AF brain-

washing courses should be required to wear the customary "third eye" signifying the "spiritual insight" of their new implanted god. Of course, the more simple solution would be to remove the aliens and their gods.

GERMANY'S POPULATION IMPLOSION: Esau's occupation has created an unfavorable habitat which has caused German birthrates to decline to 1.4 children per woman. 2.1 children are required to maintain a stable population. This is part of Esau's planned genocide against the sons of Jacob.

MEDIAMANAGERS: The LAW forbids gambling. Esau's *Mediamanagers* sponsor gambling shows. Monkey see - monkey do. Gamblers tend to take chances that are often Lawless.

MEDIAMANAGERS: Esau's media policy is to show a white female next to a black male. Monkey see, monkey do.

KANGAROO COURT: Matthew Hale, son of a police officer, was turned in by his security chief, an FBI asset placed there to "get him". He said Hale solicited him to kill Judge Joan Lefkow. Hale argued that he had no reason to have Lefkow killed since Lefkow had earlier ruled in Hale's favor in a trademark case.

Hale was the leader of what was formerly known as *World Church of the Creator*, now called *Creativity*. The media constantly called him a "white supremacist" and "racist". He was convicted in the media of murdering Judge Lefkow's husband and mother before it was discovered that the real killer was another litigant completely unconnected to Hale.

Still, based on evidence produced by the FBI informant - the Federal Judge sentenced Hale to 40 years.

Don't get the idea that I agree with Hale's religious ideas - I don't. But everyone is supposedly entitled to a fair trial. In this case the FBI was involved: Any case in which the FBI is involved is suspect and probably deserves to be thrown out even before it gets started. My files are full of incidents where agents and assets of this out-of-control government organization have incited people to violence, produced tampered evidence and accused innocent people of criminal activity. In the "'80s Sedition Trials" the testimony of all their witnesses was thrown out of court because even the judge found it completely unbelievable.

Remember their Ruby Ridge murders in which the FBI was sued and forced to pay millions? Remember what happened to the survivors of their Waco Holocaust? A jury looked kindly on their defense against the FBI murderous attack on them and gave them a slap on the wrist. The federal "hanging-judge" stepped in, threw out the jury judgments, and imposed draconian sentences.

The WORD warns us: *"The dragon walks the earth seeking whom he can devour."* Be warned - beware of people from out of town, people who just "love you to death"; who hang around for no reason; who are without visible means of support; who follow modified religions that permit violations of the WORD; who don't walk the walk; who repeat hackneyed religious observations over and over and never seem to learn anything new; who do not tithe; who drink. Chances are their god is the enemy of God the WORD. If you are about the Lord's LAWFUL business the lawless will try to stop you.

MILITIA: Since the border militia began their patrols, "wetback" traffic has dropped by 2/3s. Just two days before

the Minutemen showed up for deployment, the Bureau of Customs and Border Protection suddenly announced that it would send 534 border agents and 23 spotter aircraft to Arizona. (Story in *The Week*, p. 19, Apr 13, 2005)

RKH: This begs the question: Why have the feds waited until now? The answer is equally simple - America's cartel government doesn't want aliens kept out. They send their strong-arm boys there only to make sure that the Minutemen don't treat the invaders so rough that they will stop coming.

VLAAMS BLOK: The nationalist Vlaams Blok was on the verge of significant political power in Belgium with 24.1% of the vote. So, the government abolished it citing "racist" links. Vlaams Belang (Flemish Interest) was immediately organized in its place to pick up at the point where ruling liberals killed the old party.

BLACK SLAVES: The Niger River basin is the ancient homeland of the majority of blacks in America. According to the *Christian Science Monitor* of March 18, 2005, the country of Niger still holds slaves by the tens of thousands.

Descendants of Niger blacks in America are campaigning for reparations for their slavery. The thought has crossed many minds that they would be better advised to approach the African blacks who owned and sold their ancestors into slavery in the beginning.

RED LAKE MASSACRE: According to police, as many as 20 teenagers may have known of the intended massacre that left 10 dead on the Red Lake Indian Reservation in Minnesota. (Story In *The Week*, p. 7, Apr 13, 2005)

INDIANS: American Indian teen-agers commit suicide at triple the national rate and die in alcohol-related incidents at 17 times the national average. AP

RKH: They are the same Indians Captain John Smith met in Virginia in 1607. The difference is that Esau's media now instructs us as to what to think about them.

BIBLE: The Colorado Supreme Court threw out a murderer's death sentence because jurors consulted the Bible. *THE WEEK*, p.9, April 8, 2005

RKH: Two gods - two law systems; Admiralty law of Brahma vs the WORD which is God.

BLACK GUIDES: White Afrikaner settlers survived the Blood River attack by black savages. They built the Voortrekker Monument commemorating the event. S. Africa's black puppet government established by the U.S. and Great Britain now has hired black guides at the monument to make sure visitors get the establishment story.

BLACK BEETHOVEN: Minister Louis Farrakhan's *Final Call* of March 29, 2005 carried a page long article explaining why Beethoven was black. According to recent articles in various black publications, Beethoven was black, Moses was black, Egypt was black, and Jesus was black.

UN Sec-Gen Kofi Annan's son received \$300,000 after his company won a \$60 million contract from the UN - almost double the amount previously reported. (*Christian Science Monitor*, p.20, March 25, 2005)

BISHOPS: U.S. Roman Catholic bishops this week launched a campaign to abolish the death penalty. (*The Week*, p. 3, Apr 3, 2005)

RKH: **"Whoso sheddeth man's blood by man shall his blood be shed." Gen 9:6; "Whoso killeth any person, the murderer shall be put to death." Num. 35:29-30.**

Chapter 369

HINDU MEDIA- WEB

Nationalism vs Internationalism

Nationalism" encompasses peoples having various religious, political and racial names. The enemy of Nationalism is "Internationalism". The latter crosses national boundaries to control the world's separate nations and make them one. Its names are - "empire", "international trade cartel", "one world", "NAFTA", "New World Order," "Hinduism".

Your newspaper is not yours. It is theirs. The newspaper rules the minds of its readers.. By ruling the minds of its readers it rules your town, your state, and your country. Its mission is to transform the "national" into the "international".

The Bouncing Ball

The path of the Serpent is easy to see - follow the bouncing ball:

USURY BANKING creates from "nothing" a thing called *credit money*: (HR 2005-#368)

CREDIT MONEY created from nothing is used by banks to buy - among other things - the *media*;

MEDIA - bank owned - controls the minds of the people, who are then allowed to choose one of several media-recommended cartel- agents to be their *king*.

KINGS - media-elected - appoint *judges*.

JUDGES - king appointed - rule that the acts of the king are "just", "legal", and must be obeyed.

How simple can you get?

Questions! Questions!

Because they do not understand this simple process, many in the Saxon world are asking - why is my nation being internationalized; why the flood of aliens? Why abortion? Why school integration? Why Iraq? Why do white girls lie down to aliens and bear alien children? Why are international-integrationists in every public office?

The question has been answered many times through the ages. It can be summed up in a single simple statement:

"Esau hated Jacob ... and Esau said ... I will slay my brother Jacob." Ge 27:41

Esau's war against Jacob is ancient and continuous. It includes deception, illusion, confusion, force and massacre. These techniques are so prevalent they have been formalized into Esau's *36-Strategies Of Deception* (HR 2005-#365),

memorized by many nations, and are used in every facet of their war of extermination against the Saxon.

One Saxon in S. Africa was shocked at the collapse of his country. He investigated to find out who was responsible and recorded his discoveries in a book called *Volksverrad*. He was dumbfounded when he discovered - "they were ALL guilty - ALL OF THEM!"

Rhodesia

Saxons colonized Rhodesia to develop farms and mines. Usury-banking created credit-money which bought the mines for "nothing".¹ Esau imported Blacks to work his mines. "Nothings" from Esau's usury-banking were used to establish Esau's media. Esau's media controlled the minds of the people. The people were directed to choose the Cartel's Ian Smith to be their leader. Esau led the Blacks in a war against the Saxons who were led by the turncoat Ian Smith. The Saxons won the war. Ian Smith negotiated and turned the country over to the sons of Esau. The Saxons who trusted the king that Esau had selected for them have paid the price for their ignorance. Rhodesian Saxons have now been banished, enslaved, or exterminated and their condition and misery has been blacked out by Esau's media so that their Saxon- kinsmen in the rest of the world cannot help. Mission accomplished.

¹ The simple technique of creating credit-money from "nothing" and exchanging this "nothing" for actual commodities under threat of government sanctions was explained in HR 2005-#368.

South Africa

Saxons colonized South Africa and developed farms and mines. Almost no Blacks lived there. Esau's usury banks created credit-money to buy Saxon developed mines, industry and farms for "nothing". Blacks were imported to work the mines, farms and industry. Usury-banking established a media for Esau. The media controlled the minds of the people who were instructed to choose Esau's agent "deKlerk" to be their leader. Esau led the blacks in a war against the Saxons. The Saxons won the war. Then Esau's agent deKlerk negotiated and turned S. Africa over to the black sons of Esau. In S. Africa, the Saxons who trusted Esau's agent deKlerk are paying the price - they are being enslaved, murdered and banished. South Africa's black leader was named "Mandella", the same as *"Mandella*, the Hindu "God of change"

Europe

Isaac's Sons colonized Europe almost a thousand years before Christ.² They developed farms, mines and industry. Few aliens lived there. Usury banks created credit-money to buy Saxon developed mines, industry and farms for "nothing". Blacks and Orientals are imported to work the mines, farms and industry. Usury-banks established an Esau-media to control the minds of the people. This caused them to choose media-selected agents to be Saxon leaders. The Saxons who

² *"And there shall be a highway for the remnant of my people, which shall be left, from Assyria; like as it was to Israel in the day that he came up out of the land of Egypt." Isaiah 11:16; In the Apocrypha, 2 Esdras 13:39-46 is recorded their further journey to "Ar Sereth" (the valley of the River Sereth,). "And they entered into Euphrates by the narrow passages of the river ... For through that country there was a great way to go, namely of a year and a half; and the same region is called Arsareth. II Esdras 13:43-46 "Ar Sereth" - The valley of the River Sereth, a northern tributary of the Danube River, in modern Romania, which still bears the name "Sereth".*

trusted Esau-selected kings are having their jobs sent offshore, are being murdered and robbed by the aliens imported by Esau's kings.³

Their habitat destroyed, the Saxon birthrate has dropped to 1.3 per couple and Europe's Saxons are being destroyed before our eyes.

America

Saxons colonized America. They held at bay homicidal savages - savages who tortured to death ten of their own kind for each Saxon they murdered. Saxons, saved by their own efforts, proceeded to develop farms, mines, and industry. Usury-banking created credit-money to buy the farms, mines and industry for "nothing". Blacks were imported to work the land, mines, and industry. Usury-banking established an Esau-media. The media controlled the minds of the people who chose leaders Esau selected for them in order to enslave the country. Esau's puppet-leaders are now flooding the country with aliens to work the land, mines and industry and to attack America's Saxon people - just as they have done in Rhodesia, S. Africa and Europe. Esau's American industry, which was purchased with "nothing" money, is financing alien groups to attack America's Saxons.

We know what Esau is doing. We know what he has done in other Saxon lands. We know his master plan:

**"Esau said ... I will slay my brother Jacob." Ge
27:41**

We know how he is going about it. He's done it before:

³ *"Whereupon the city was made an habitation of strangers, and became strange to those that were born in her, and her own children left her." I Maccabees 1: 11- 63.*

USURY BANKING creates from "nothing" a thing called *credit money*: (HR 2005-#368)

CREDIT MONEY created from nothing is used to buy - among other things - the *media*;

MEDIA - controls the minds of the people who then choose one of several media recommended Esau-agents to be their *king*.

KINGS appoint *judges*.

JUDGES rule that what the Cartel is doing is "legal".

How simple can you get?

Defense

The WORD says;

"Where two or three are gathered together in my name, there am I in the midst of them." Matt 18:20

Those obedient to the WORD recognize that when two or three are gathered together with the WORD leading them - one can work - the others provide - or all can work while encouraging each other. That's all it takes. Ten would be nice. Their tithe would allow another to devote full time - but two or three are all that are needed.

"Two" almost took control of the political operation of the city of Lynchburg. Six formed a political party in Richmond. All things start with two or three.

We Learn From History

History teaches us to distrust anything Esau's media says unless verified. They are liars as one would expect from an agency of Esau.

History teaches us to beware of Esau's agents. One of their most over-used disguises is to pose as a flag-waving right-winger. It is my personal belief gained from observing for more than half a century that seven-eighths of the right-wing political-religious newsletters and organizations in the country are Esau fronts.

Their "red-flag" is usually their refusal to acknowledge the WORD as their leader. Proclaiming the WORD as leader alienates Esau. Those on Esau's payroll are reluctant to acknowledge God's WORD as their supreme leader because it stops Esau's bribe money and perks.

If we are wise - we learn from others. Some alien nations are as eager to rid themselves of the evil empire as we. The children of Esau fight among themselves constantly, and they are skilled warriors. They have developed interesting ways of solving the problem presented by Cartel appointed politicians, priests, and media.

Conclusion

The Scriptures say that someday there will be an Armageddon. Remember the WORD when preparing for that day:

"He said unto them ... he that hath no sword, let him sell his garment and buy one." Luke 22:36-38

It is the nature of things that all men die. None leave this world alive. The One who gave us life in the beginning will take our life back again at its end. If He asks us to give it in His service - it is no loss to return what is already His.

"Whosoever will lose his life for my sake shall find it." Matt 16:25 "If a man keep my sayings, he shall never see death." Jno 8:51

We know that Esau swore, "*I will slay my brother Jacob.*" We also know that Esau talks a lot.

For our part, we are led by the WORD which is God, and the WORD says:

"God ... shall thrust out the enemy from before thee ... Israel then shall dwell in safety alone." Deut 33:27-28

Sorry, Esau! Your media, your usury-banks, servant-kings and servant-priests will go with you. We shall then "*dwell in safety alone.*"

It's right there in the WORD! So, that's the way its going to be! Better pack, and while packing - be careful that you don't take anything that doesn't belong to you. Remember, there is someone with a list and He is checking it twice.

Letter From S. Africa by K.J.

Dear Mr. Hoskins; We got the parcel containing information pertaining to the treatment of "agent orange". You sent it to us four months ago. You would think it came on a sailing boat considering the time it took to get here, but this is ordinary mail service today. Thank you.

Luckily, the children's home has enough outside space for the children to romp because with the last arrivals the home is overcrowded.

Many such homes dependent on government support have had to close as no funds are forthcoming. This even includes some black homes. Many close because black administrators steal the food provided by the government for black children.

It is estimated that changing the name of Pretoria to "Ape Town" will end up costing a great deal and is done for no other reason than hatred of white Afrikaners.

Since Koos Vorster left - our *Die Afrikaner* newspaper has become just another newspaper. I believe my verdict is correct; beware of rich people. They are rich for a reason and they don't intend to disturb their wealth by rocking the boat.

The submarines the black government ordered built in Germany cannot be sailed to SA as there are no whites left who know how to operate them and blacks can't. It was planned to load them onto transport ships along with newly purchased aeroplanes which could not be flown for lack of skilled pilots. But, ridicule has made them put all transportation plans on hold. We have no idea how the new submarines and planes will get here.

Without a God-fearing white leader - our future in S. Africa looks dark. From a Christian country, we now live in a filthy heathen nest. People buy filthy magazines, videos, etc., and the sitcoms are all racially mixed.

Squatter camps are mushrooming as foreign blacks flood into the country.

Not far from here a promising young white policeman died after being shot in the head by robbers with a shotgun.

Three blacks entered a neighbor's barn. Two had pistols and one a knife. They wounded the farmer and shot his wife in the back. She drew her revolver and shot back killing one. The second one kept shooting but she seriously wounded him. The third was going after her wounded husband but fled when he saw what happened to his two companions. She was rushed to the hospital. They removed a kidney and part of her liver. Thank heavens for people with guts! It is really the only

solution since the regime pardoned many dangerous criminals.

We have recently learned that China has taken over supplying our clothing. S. African firms closed down because they cannot comply with the multitude of rules and Chinese low prices. Other businesses are impacted since not even a one-man business is allowed to be run unless it has a black partner.

It hurts to see white Afrikaners begging, but many firms will not even consider hiring whites. Even in nursery schools the teachers give more attention to black children than white. Every black child, even foreign ones, get a subsidy of R550 a month while we now have 350,000 whites living under the breadline. In fact, one government hospital refuses to treat white people. No employment agency will even take their names. All this is bad for my blood- pressure.

Best wishes, K.J.

THANKS: "Dear Sir; I received "Josephus". I write to let you know I appreciate the generosity of those who made it possible. It is indeed a wonderful book, more than I imagined." V.B. - prisoner Ohio

UNFILTERED NEWS

HACKWORTH: David Hackworth (1931-2005) is dead. Who was David Hackworth? He was America's most decorated Vietnam veteran. In Korea in one ferocious firefight he

killed more than 100 enemy soldiers, and that is only one of his stories. Why haven't you heard of David Hackworth? The Cartel government has no intention of giving captive Saxons a hero whom might become their leader - especially a military leader. Esau's Hollywood actors are substituted to pretend to be statesmen and soldiers. They think Saxons don't know the difference.

WESTERN RACISM: Cartel governments are attempting to quell outbreaks of "racism" exhibited at soccer games. "Spain, Italy, and Eastern Europe are often singled out as the worst bastions of racist crowd behavior". Racism was examined in Slovakia against Roma, or gypsies. (CSM May 12, 2005)

RKH: Europe is presently trying to remove all public display of God. The reason is that God is a Racist - He made *man*; And, He made man in His image. He gave him his power-of-attorney which is racism. "*O children of Israel... You only have I known of all the families of the earth.*" Amos 3:2; "*There are many nations ... all are His, and over all has He appointed spirits to rule ... but over Israel ...He alone is their ruler.*" Jub 15:23; "*These twelve Jesus sent forth, and commanded them, saying, Go not unto the way of the Gentiles, and unto any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel.*" Matt 10:5,6; "*I am not sent but unto the lost sheep of the house of Israel.*" Matt 15:24; "*He showed his word unto Jacob, His statutes and his judgments unto Israel. He hath not dealt so with any nation: and as for His judgments, they have not known them.*" Ps 147:19-20; "*I pray not for the world, but for them which thou hast given me, for they are thine.*" John 17:9; "*Jacob have I loved, but Esau have I hated.*" Ro 9:13. Racism! Racism!

Racism! Better behave yourself, Cartel. Guess who is making a list and checking it twice - you think it's Santa Claus? Think again.

A DIFFERENT GOD: The United Methodist Church reversed itself and decided to reinstate a sodomite female preacher who had been defrocked after revealing her sin. A church panel voted 8 to 1 to set aside an earlier decision to defrock the Philadelphia minister, Irene "Beth" Stroud, for violating the church's ban on clergy being openly sodomite. (Story in *News & Advance*, Apr 30, 2005)

RKH: Sodomy is OK. Just don't tell. Buddhism, the only religion permitting sodomy, is alive and well.

DAVID IRVING A JEW? David Irving is the conservative guru of Saxon WWII history. The German weekly newspaper *Junge Freiheit* published an interview with German playwright Rolf Hochhuth who said "Irving is a half Jew, his mother was a Jewess!" Hochhuth was attacked by the German mainstream media. In defense against these attacks, Hochhuth was quoted by the German daily newspaper *Berliner Morgenpost* on Feb 22, 2005 as follows: "He (Irving) is a reputable historian who researches sources. He had a Jewish mother. ..." (<http://morgenpost.berlin1.de/content/2005/02/22/feuilleton/736591.html>) Hochhuth is said to have repeated this several times in public. Irving's reply to his friend's claim, "He (Hochhuth) is wrong." Sooner or later the truth will surface. It will be interesting if the premier conservative interpreter of Saxon WWII history is a Jew. If this is so, some may look on Irving's recent legal misfortunes as the use of #34 of the Chinese "36- Strategies" - HR #365, 2005.

VLAAMS BLOK: Belgium's highest court banned the Flemish Nationalist Party which won 1/4 of the last national vote. The reason - its objection to the continuing Muslim Invasion of that country. (*Australian Resurgence*, Jan 2005.)

ANTI-TERROR LAWS AGAINST US CITIZENS: The leader of a KKK group was sentenced to 12 years in prison in the nation's 1st conviction under a new anti-terror law. David Hull, 42, was convicted of teaching a government informant how pipe bombs are used. (*Investors Business Daily*, p. 2, Feb 28, 2005)

RKH: This law was supposed to curtail *foreign terrorists* in our country. Instead, the first time this law is used is against American militiamen learning to fashion arms against possible alien invasion of their country. A so-called "pipe bomb" is another name for a cheap hand-grenade used by all soldiers on all sides in all wars. Homemade grenades are as much a necessary militia weapon as a First Amendment rifle.

SECRET POLICE: A former Algerian government journalist has admitted that the role of the media there is to act as spies and informers for the government, not to report facts. Abdou Baya, a political refugee in Perth, said, "We were providing propaganda for a government killing machine. My colleagues were informers who collected political views of individuals and told the secret police who kept a list." Abdou said 57 journalists had been assassinated in three years for their role. (*The Australian*, reported in *STORM*, Feb 2005)

MICHAEL NEW: US District Judge Paul Friedman dismissed the case of former Army Specialist Michael New. In 1996, New was convicted by court-martial of disobeying an

order to wear a UN uniform and serve under a general officer from a foreign country on a "peace-keeping" mission. New contends the uniform was unauthorized, the deployment illegal, and the chain of command unconstitutional. He was not allowed to present any evidence at his trial to support his arguments. (For more info contact Daniel New, Project Manager, 254-796-2173, Michael New Action Fund, POB 100, Iredell, TX 76649)

BIG BROTHER IS WATCHING: The South African National Defense Force raided a museum in Johannesburg and captured two antique Eland armored vehicles, a Ferret scout car and a Ratel infantry combat vehicle. The museum director and two curators were taken into custody and charged with "stockpiling weapons." (- kimh@citizen.co.za.)

RKH: Smithsonian - Watch Out!

SMOKING: An economist at Ohio State Univ found that the net worth of nonsmokers was almost 50% higher than light smokers (one pack a day) and double the wealth of heavy smokers (more than a pack a day). (*Washington Post*)

SMOKING DULLS MIND: "Smokers performed significantly worse than nonsmokers and former smokers on five different cognitive tests ... whether that's organizing their daily life, remembering what to buy at the shops, doing crossword puzzles, or playing bridge." Dr. John Starr, Perth, Australia *Times* (THE WEEK, p.18, Jan 14, 2005)

FINANCING ANTI-SAXONISM: American Indian gambling raked in \$18.5 billion in 2004, nearly double the take from Las Vegas casinos. (*Associated Press*)

RKH: The Islamic world is financed from the oil revenue from Western companies run by Arabs in the Mideast. China's buildup is financed from Western trade, Blacks and Hispanics are given job preference in Cartel corporations and government, and the ITC controlled US government has turned the world against the Saxon. Esau's war against Jacob is alive and well.

AFRICAN IMMIGRANTS: More Africans have moved to the US since 1990 than arrived here in the preceeding 2-centuries - including those brought as slaves. (*NY Times*)

SINN FEIN: Often referred to as the "political wing" of the terrorist group, has long insisted that it has no control over the militants - until now. Irish Justice Minister Michael McDowell named Sinn Fein leader Gerry Adams, his deputy Martin McGuinness, and a member of the Irish parliament Martin Ferris as part of the IRA's seven-man ruling Army Council. The IRA is blamed for the \$50m Belfast bank robbery in December. (*THE WEEK*, p.6, March 4, 2005)

IRAQI ELECTIONS: The U.S. makes an unprovoked attack on Iraq, kills 100,000 of her citizens, destroys her cities, starves her people, elects a puppet government, and expects them to be enthralled with their new "democracy". Really!

FBI AGAIN: The Justice Dept Inspector Gen said the FBI did not take seriously linguist Sibel Edmonds who reported a co-worker and her AF officer husband of possible espionage for Turkey and fired her for reporting it. (*Inves Bus Daily*, p.2, Jan 18, 2005)

CHINA-INDIA, The US will remain the dominant economic and military power, but China-India, the world's most populous countries, will rival the U.S. for global economic supremacy by the year 2020, according to the National Intelligence Council 5- year-look at the global future. (IBD, p2, Jan 18, 2005)

REMEMBER: Remember Fort Sumpter! Remember the Maine! Remember the Lusitania! Remember Pearl Harbor! Remember Gulf of Tonkin! Remember Kuwait! Remember 9/11! Remember Arlington cemetery! Remember the widows and orphans! Remember the destroyed cities! Remember the disease, destruction, and misery that follow! Remember the war contracts, the debt. And we especially remember the people who tell us to "Remember"!

We remember!!

FTAA: "'Bush's Free Trade Area of the Americas 'act' ... will take away more U.S. trade protections, destroy hundreds of thousands of jobs, and further devastate many U.S. business sectors already damaged by NAFTA and job out-sourcing." (*Va Taxpayer's Association*, 1-11-05, POB 663, Lynchburg, VA 24505, tel/fax 434-277-5255)

HOMELAND SECURITY: "Effective in 2005, Soc Sec numbers of all children and DNA biometric identifiers, will be entered on a fed government database. No child will be allowed enrollment in schools, or entitled to state or fed benefit programs without first presenting a certified Homeland Security registered birth certificate. In effect it's an internal passport, designed for all American citizens." (*VTA*, 1-11-05)

MAKGATHO MANDELA: 54 year old son of former S. African President Nelson Mandela, died of AIDS-related complications. (*Time*, p.19, Jan 17, 2005)

RKH: AIDS is no problem to those obedient to the Law.

JOURNALISTS KILLED: Over 50 journalists were killed in 2004 making it the profession's worst year in a decade. (CSM, p.20, Jan 6, 2006)

Chapter 370

MISSISSIPPI BURNING The Key

Declaration Of War

The decision by the Supreme Court to outlaw the display of the WORD in courtrooms is Esau's public declaration of his ongoing war on God the WORD. Not even lip-service to God's LAW will be tolerated in his court-rooms in the future and what people think about it is of absolutely no importance. America's law system is now Esau's universal Admiralty trade law.

Headlines

"Former Klansman Found Guilty!"

"80-year-old Preacher Convicted Of Manslaughter!"

"Justice At Last!"

Background

The above headlines are a continuation of an old, old dispute between brothers.

It is explained in the story of Esau and Jacob. This story is of great interest to those who bear the name of Jacob's son - and the sons of Isaac who are known as Isaacsons - "*Saxons*".

Esau, Isaac's brother, took wives of the strangers about him and through their offspring spread his blood over the entire world. Thus, the world today is either Esau or Jacob.

If a son-of-man,¹ or an *Isaac-son* mates with a son or daughter of Esau - the offspring are NOT sons of Isaac and Jacob - they are "children-of- Esau".² The ongoing campaign to persuade Saxon women to mate with Sons-of-Esau is part of Esau's war against the Saxon.

Rules Of Engagement

The following lists the rules of engagement.

"Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds." Jasher 29:20

The WORD warns us to be on guard:

¹ (Heb: adam - those that blush rosy, *Strong's Concordance*; Son-of-man - son of he who blushes rosy. With reason, Jesus constantly referred to himself as "Son-of-Man".

² "*A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel.*" *De 23:2*

"Son-of-man (son of "adam" - he who blushes red), set thy face against Esau-Edom ... and say ... I am against thee ... because thou hast ... shed the blood of the children of Israel." Ezek 35:2-5

In Hebrew, the name *Israel* means - "he will rule as God". *Strong's Concordance*. It is the same as saying "one who has been given God's power of attorney."

The WORD further warns the sons of Isaac and Jacob that Esau plans to kill them:

Esau said, "I will kill my brother Jacob." Gen 27:41.

The WORD tells precisely who Esau is and how he plans to do this:

"Thy merchants were the great men of the earth; for by thy sorceries were all nations deceived." Rev 18:23

The WORD of God then pronounces judgment:

"Jacob have I loved but Esau have I hated." Romans 9:13

Whenever sons-of-Jacob become weary and appear ready to falter, the WORD promises:

"When thou are in tribulation ... if thou turn to God and shall be obedient ... he will not forsake thee ... nor forget the covenant of thy fathers." Deut 4:30-31

One can ask no more than that.

The War To Date

Using money produced by fraud (HR 2005-#368), Esau's agents purchased Jacob's media. This done, only Esau's voice

is permitted in the land. Esau has no one to dispute him and he can be as deceptive as he likes. The WORD confirms this by reminding us that Esau is *"designing and deceitful"*.

Esau's Media

That Esau is *"designing and deceitful"* is common knowledge. Our proper response to anything Esau's newspapers, radio, TV, or government announcements have to say about ANYTHING is to consider the information:

- 1) misleading.
- 2) setting the stage for another whopper, or,
- 3) an outright lie

This is how one must treat Esau's words which are *"designing and deceitful"*.

Mississippi Burning

One of Esau's courts recently found a son of Isaac guilty of assaulting sons of Esau. The sons of Esau had been sent on a mission to abolish a Saxon voter-registration law that prevented the sons of Esau from ruling over Isaac-sons.³

Judge, Jury & Executioner

The collaborating judge in the case was appointed by a king which had been elected by Esau's media. The jury was a carefully selected kangaroo-jury containing sons-of-Esau who judged a Saxon - a thing unLawful.

The proceedings were held under Admiralty Law, the law of another God, rather than the WORD which is the God of Abraham, Isaac and Jacob.

³ *"Thou mayest not set a stranger (Heb: zūwr - racial alien) over thee, which is not thy brother." Deu 17:15*

The legal arguments were made by scribes long practiced in Esau's Admiralty trade-law deception and who were forbidden to use the WORD which governs the Saxon. And,

The proceedings took place in an area saturated by Esau's media mind-control propaganda.

In this polluted atmosphere - an 80-year old Saxon teacher of the WORD, confined to a wheel chair, was convicted by Esau's legal system of opposing alien "voting rights" which would permit strangers to rule over sons of Jacob.

The so-called offense took place 41 years ago; there were no witnesses, the case had been tried and dismissed before, and the victim of Esau's persecution was not even present at the scene of the incident. This travesty not only violates the WORD; it violates the Admiralty trade-law that Esau's courts say they operate under.

In brief: Three sons of Esau sent to overthrow the voting statute that prohibited strangers from ruling over sons of Jacob were prevented from doing so. In great wrath, the Dragon sent armies of agents to punish anyone defying his decrees.

Esau's Admiralty-trade-law justice system found Edgar Ray Killen, an 80-year old pastor of the WORD - guilty - and imprisoned him for life.

The future of God the WORD and its people will become more and more interesting in the days ahead under the rule of Esau's law.

"No man can serve two masters." Matt. 6:24

Letter From S. Africa by K.J.

Dear Mr. Hoskins: I KNOW what communism is now. Its full weight is coming down on us. However the ANC is not without its own problems. They are making much of their 10 years democratic- communist rule but the blacks are beginning to riot because the promises the ANC made before gaining power are not being fulfilled. They are unable to deliver better living conditions in the Cape Province and Eastern Transvaal.

There are eleven races in S. Africa with eleven different languages. These eleven languages are supposed to be taught in the schools but there are no teachers to do that and no textbooks. The Sunday headlines in the "Rapport" says that most parents think the public education is bad. Even so, what there is is free for blacks while whites must pay. Even the Loerie youngsters must pay.

The number of whites out of work far exceed that of the great depression of the '30s.

The Dutch Reform Church leaders are slyly forcing the Belhar confession on church members. This revolutionary confession was drawn up by Allon Boesak, a criminal ANC communist.

It seems certain that the Dutch Reformed Church (DRC) will have another split. A few churches have already made it clear that they are resigning from the DRC. Their congregations are in full agreement. If there is a textbook on separation it is the Bible, and anyone who is sincere can easily understand what it says.

The University of Pretoria seminary receives R14 million from the state each year while church members provide only

R1.3 million. Since the one who pays the piper calls the tune, DRC preachers teach whatever pleases the state.

A group led by Dr. Jan Grey will visit the seminary at Pasadena, California to see if they can train some S. African students. They distrust all three seminaries here in Stellenbosch, Pretoria and Bloemfontein.

The farmer who complained about the 40 thousand squatters on his farm now complains that they have grown to 70 thousand while the ANC continues to do nothing after promising to remove them.

The Flemish "Belang" Interest party is sympathetic with the Afrikaner problems. They lodged a complaint about the S. African farm murders with the Belgium federal Parliament asking them that all agreements between the EU and ANC must be suspended until the ANC does something about the farm murders. It was noted at the time that farming in S. Africa is the most dangerous occupation in the world. The torture that accompanies every murder was also discussed. It is very clear that the Afrikaner is the target of all these murders.

Flemish is very near to Afrikaans and easy to read. It is between Dutch and Afrikaans. The Flemish and the French part of the population don't get on well.

A little girl of 6 years joined the Lories. Her mother died of cancer and her father lost his job. The two have been roaming through the country while he looked for work. She has settled in well. People do not often see the poor whites as they are ashamed of their present situation.

A local female DRC preacher ignores white children in need and tells her listeners to adopt black AIDS babies. Black children get subsidized till 19 years old. They don't want farms but a house in town. This gives Mbeki three problems

- 1) rioting blacks, 2) Zulus becoming nationalist once again, and now 3) whites are waking up.

Yours faithfully, K.J.

CONTEMPT

Martin Luther King, adulterer, plagiarist, terrorist - has been chosen by America's puppet governments to receive special honor by having bridges, highways and buildings named after him. This shows that the most contemptible of the sons of Esau is preferred before the most honorable of the sons of Jacob.

WHY EVIL

Using credit money created from nothing, Esau bought America - its land, businesses, media, politicians, and preachers - and appointed great merchants to manage this wealth. We live in Esau's cities, beg his permission to practice our trades and drive on his highways. In his view WE are the parasites using HIS wealth and possessions. Esau flaunts his power by refusing to allow Jacob to audit his Federal Reserve banking system that graciously permits us to eat. Today, Jacob belongs to Esau, to do with as he likes. We are his property - he thinks.

There is a reason. The question was asked and answered long ago; "Why does God permit evil?" This was the answer:

"I created man from the invisible and visible ... I appointed him ruler ... to have my wisdom ... I called his name Adam-man, and showed him the two ways, the light and the darkness, and I told him: 'This is good, and that bad,' that I should learn whether he has love

towards me, or hatred, that it be clear which in his race love me." Secrets Of Enoch 30:13-14 (Lost Books)

This is the filter. God's selection is almost complete. Only a handful remain to be processed. Those who love God follow the WORD; those who hate God follow Esau. The obedient stand ready for their orders.

GE INTO RUSSIA

The Cold War was a new kind of war. It was fought between US led Global Usury Capitalism and imperial Soviet nationalism. Global Usury Capitalism advanced the US the credit to build rockets, nukes, atomic subs, mach-fighters and bombers and space stations - things that became obsolescent in 5 years and had to be replaced with new improved updates. Russia matched each new weapon and each new scientific advancement blow for blow - until she spent herself into bankruptcy and disintegrated. Her people now live in a poor 2nd rate nation materially and 2nd rate technologically - barely able to pay her workers.

Victory! The Soviet Union lost! Usury Capitalism won!

To the victor belong the spoils. The FBI opened an office in Moscow, international finance advanced money to the usual overnight billionaires to buy (privatize) Russia's industries, and General Electric announced its first significant investment in Russia by its purchase of Delta Bank, a consumer finance provider. Welcome aboard, Russia. You'll get used to it. We did.

Not long ago I never would have converted to any kind of religion, but page after page, *Vigilantes of Christendom* stated many of my beliefs, and then I read the Biblical references. MISMATCH: "Dear Mr. Hoskins: A couple near here adopted an alien child. Are there consequences?" S.U. - Michigan

RKH: Esau is a predator - Jacob is the prey. Jacob is a sheep - Esau a wolf. Wolves kill sheep. Bring a wolf into a sheepfold and train him to be like a sheep. The wolf is now in the sheepfold. SABBATH OBSERVANCE: Mr. Hoskins: I agree that every day is the Sabbath, however, we must observe the 7th day rest." W. J.

RKH: Right! Your body is the temple of the Lord - it must have its 7th day rest to function at optimum efficiency the

other 6 days. Ideally, it would be good if all activity came to a stand-still for the 7th day. But, blast furnaces can't shut down, ships at sea must be manned, hospitals must stay open. These must observe another 7th day. The Sabbath was made for man - not man for the Sabbath.

UNFILTERED NEWS

LATVIAN SS: About 20 people were arrested in Riga after fighting broke out between pro-Russian and Latvian nationalist demonstrators who were celebrating Legion Day, which commemorates Latvians who served in the German Waffen-SS during WWII. (*The Citizen*, SA, March 17, 2005)

RKH: It is generally unknown to the American public that every European country furnished SS units, and, the reason for their doing so. Esau's media censorship is highly effectiveness.

LAWLESSNESS: The US Supreme Court is a racially mixed body appointed to their office by media-elected presidents. In 1968, they ruled against discrimination in jury selection because of race. This ruling places an alien law over God's Commandment which states, *"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother."* Deu 17:15. RKH: This begs the question - if G-rated are more profitable, why R-rated? "Profit" isn't the reason R-rated are produced. The moral destruction of the Saxon race is worth the monetary cost!

DEBT FORGIVENESS: The ITC bankers may forgive 56 Billion dollars of 3rd world debt. How do they do that? They simply reverse the process they used to create the 56 billion dollar credit in the first place. They created the 56 billion loan from nothing. They certainly lose nothing by sending "nothing" back into the "nothing" from whence it was created.

TEXTILES: Chinese Textiles are flooding the West and destroying its textile industry. DUTCH REFORMED CHURCH IN AUSTRALIA: The DRCA is now officially promoting race-mixing. Composed of equal parts Dutch migrants and recent S. Informants tell us that many CRCA marriages are now white-black: white-Filipino, white-Aboriginal, white-Maori. This church endorses youth in mixed race relationships, often children of elders/deacons, living together before marriage. Ethnicity did not arrive till 1949 followed by Asians in 1979. The Vatican treatment of Cardinal Law is perceived by many to be a message to the Catholic Church's sodomite priests that they will not be abandoned. One rule for rulers - a different rule for the ruled.

NEW MODEL ARMY: America has a bellyfull of foreign adventures that cost money and the lives of foreigners and Americans alike. American discontent will probably express itself in a reduction of the armed services.

Be of good cheer - all is not lost. American Corporations plus the Pentagon and the CIA use highly trained former Green Berets, Navy SEALs, and other Special Forces veterans. The age-old "mercenary army" concept has come to life again. Private security personnel working in Iraq can make more than \$250,000 a year. To hold down costs some companies hire highly trained soldiers from the British firm *Global Risk International*. They have sent Gurkha troops from Nepal and Fijian soldiers to help guard the Green Zone in Iraq.

CIA contractors are operating in Colombia and elsewhere in the world. Replacing US soldiers with paid contractors sidesteps the usual outcry about using US troops in foreign adventures. This cuts financial and psychological war costs; No medical upkeep and retirement benefits, and their deaths

don't even cause a ripple in public opinion. (Story in *The WEEK*, p.15, June 3, 2005)

GERMANY: Support for German chancellor Gerhard Schroeder's Social Democrats plunged in the Saarland. The right-wing National Democratic Party (NDP) did well at the polls in the recent election after surviving Schroeder's attempt to have them banned.

All corporations claiming to hold property "for the people" are "socialist". The *International Socialists* - (communists, NWO, ITC, world-capitalist, etc.) represent one wing. Their media calls the NDP "neo-Nazi" - meaning - *National Socialist*. The Cartel media tells us that "National Socialist" is supposed to be bad and *International Socialist* is good. "Privatize" means transferring asset ownership from one corporation to another - which is usually a transfer from a national corporation to an international *trade* or *religious* corporation. The "billionaire- buyer" handling the transaction is their corporation agent. The words of the Serpent are used to deceive.

NOW HEAR THIS

Undesirable genetic changes are taking place in fish stocks as a result of commercial fishing. Fishing practices today are producing smaller fish that grow more slowly and reproduce less successfully than their ancestors did.

Prof Conover of the State University of NY studied Atlantic Silversides, a small fast maturing species, under laboratory conditions and found that selective harvesting of the largest fish had a big impact on average size after only four generations. It produced a population that was smaller and less fertile.

If fishing stops, there is no selective pressure to force the changes in the opposite direction, so the populations regain their previous character only very slowly. The scientist said a change in fisheries management could relieve the pressure. Instead of regulations specifying only a minimum size of catch, as today, there should also be maximum size limit to allow the biggest fish to survive and to breed. (Story in *Financial Times*, p.1, Aug 29, 2004)

RKH: My father, Dr. John Hundley Hoskins, commented on this phenomenon in the late 40s. He noted that the "Colony" for the mentally impaired across the James in Amherst County sometimes had three generations of retarded people committed there while the recent wars - WWI & II - killed some of Lynchburg's best men. He also noted studies that showed that French soldiers in WWII were about 4 inches shorter than those in WWI.

SA ROADS: Cape Town - An estimated half or more of the country's kilometres of roads, and as much as two-thirds in KwaZulu-Natal, have disappeared, largely due to ineffective administration. (*Citizen*,)

Chapter 371

JUDITH & Her Basket

The *Book of Judith* is one of the books in the censored Apocrypha. It tells the story of the invasion of Judah that took place after the return of Judah from captivity. At that time the Israelites were few in number and relatively weak. The story unfolds in the following manner.

Emperor Nabuchodonosor ruled a vast empire in that part of the world. One of his many provinces rebelled against his rule. He called on the rest of his loyal provinces to send troops to suppress the revolt. All sent troops except Judea and several adjoining provinces.

Nabuchodonosor was infuriated with those provinces who withheld troops when he needed them. He called his general Holofernes and ordered him to take a great army and punish them. History records his orders;

"Holofernes ... decreed (that his army) destroy all the gods of the land, that all nations should worship Nabuchodonosor only, and that all tongues and tribes should call upon him as god." Judith 3:5,8.

Judah's Defenses

The skies were black with smoke as fields, farms and cities went up in flames. Men, women and children were slaughtered by the thousands. You remember the story. Reaching Palestine, he found the Israelites' defense of Judea organized into Scottish type "shieldrons".

To man a *shieldron*, defenders bring water and food and circle a mountain or hilltop. A great army can only form a circle about the few defenders on the top of the mountain, reducing the advantage of having a large army and making it a man- to-man contest. As defenders are killed, the survivors close ranks and back up the mountain thereby keeping the "shieldron's" front intact and making it a long, bloody affair. Wishing to avoid this type of contest, the invading army bypassed the mountain defenses and instead cut off the water to Jerusalem, leaving the city a five days' supply. The city faced draconian punishment from the invaders. Its leaders were in despair.

Judith

Judith, a beautiful widow of three years, told the elders that she would try to stop the invading army. She put on her finest clothes, her finest jewelry, and accompanied by her servant bearing a basket of food, she began walking toward the invading army.

A young officer saw her in the distance and judging by her beauty, fine dress and courteous manner thought that she must be an official sent to negotiate with his own General Holofernes. Accordingly, he gave her an escort of several hundred men who accompanied her to army headquarters.

General Holofernes' personal tent was magnificent. It was encrusted all over with precious jewels that sparkled in the sun and could be seen from far away. He heard the commotion and stood in front of the tent to welcome this "envoy" from the enemy. He was intrigued with her - a woman - a beautiful woman. Most unusual.

As was the custom, most of the day was passed in preliminary courtesies. At last they began serious talk. She told him about the God of Israel. How he always protected his people from their enemies unless they sinned against Him.

The general had his doubts about all this talk about the powers of a local God such as the one of whom Judith was speaking and questioned if it were possible that there could be another God besides his emperor.

"Holofernes, the chief captain (said) ... who is God but Nabuchodonosor? Judith 6:1-2"

But Judith was insistent and her manner was persuasive. She informed the general that Judea had sinned mightily against the WORD which was her God, that her people were doomed, and that she would tell him exactly how to defeat

her evil people without having to suffer the losses that result from the use of force.

The Banquet

Holofernes was eager to hear more about a possible bloodless victory, but first, courtesy demanded that he show his respect by feeding his guest. He commanded his people to bring the very best of victuals and wine for a feast in her honor.

It was then he received a shock. Judith declined. She said that the WORD of God would not permit Israelites to eat with strangers. That was why she had her servant bring food with them. In obedience to their God they would go into the wilderness and eat alone while she talked with her God. She said that she would return the next morning.

Negotiations Resume

True to her promise, Judith and her servant arrived the next morning at the magnificent jeweled headquarters tent of Holofernes to continue their meeting.

However, during Judith's absence conditions had changed. Holofernes had reflected on Judith's beauty and determined to make a double conquest - her people and her. Accordingly, he was in a party mood when Judith arrived, having consumed more wine than he was accustomed. As the day went on, Holofernes drank more and more and at last he passed out.

Judith then walked over to the tent wall where Holofernes' sword hung, drew it, and with two blows severed his head from his body.

She then picked up his head and placed it in the food basket and both she and her servant left the tent and proceeded to walk through the invading army into the desert as they had done the day before. The sentinels were accustomed to this strange behavior and let Judith and her servant go their way. She then continued down the road and on back to her people.

The elders of Judea saw her coming and stood at the gate to meet her - still having a flicker of desperate hope. This turned to elation when Judith opened her basket and held the head of Holofernes by the hair for their inspection.

The Invading Army

Back at the encampment of the invading army, Holofernes body was discovered without his head. The word quickly spread that a woman had killed the greatest general of the empire. This was a bad omen and the army broke into its respective contingents and melted into the hills.¹

LESSONS FROM JUDETH

The *Book of Judith* teaches many lessons

Wine

WINE - Heb: yayin: "To effervesce", wine (as fermented), intoxicating, banqueting, wine (3196)

¹ Many Celts and Germans knew the Scriptures and their examples. In 453, Attila the Hun took Ildico, the daughter of a Germanic chief to bed for the night. The next morning he was found dead in a pool of blood. It is said that Ildico, to revenge her shame of being taken by a stranger, killed him. When word was received that Attila was dead the coalition of Germanic tribes subject to the Huns revolted and threw off Hunnic rule.

There are two kinds of wine. One kind is intoxicating. The other kind is spiritual - "to effervesce", "sparkle", "give life".

In a parable to his people Jesus ordered the one and forbade the other. To be useful one must eat bread (the WORD) and drink the wine (the spirit), or, eat the "flesh" and drink the "blood" - which is the same. The WORD without the spirit is dead.

As for the intoxicating kind: Jesus Christ, the WORD made flesh, appointed us kings and priests.² These are the orders to his army:

"It is not for kings to drink wine, nor princes strong drink: lest they drink and forget the law, and pervert the judgment of any of the afflicted. Pr 31:4-5

And the result of intoxicating drink: *"Give strong drink unto him that is ready to perish."* Pr 31:6. Strong drink permitted Judith to kill Holofernes and save her people. Strong drink is a weapon of war.

And lastly, God the WORD curses those who give their own people strong drink: *"Woe unto him that giveth his neighbor drink."* Habakkuk 2:15

Personally, if a person drinks it tells me all I need to know about him. He might be a nice fellow, but I will not base my opinions or actions on the word of such a person. There have been several times in the past when this has been my only indicator as to the reliability of the speaker. In each case it proved to be a reliable indicator.

² "Jesus Christ... hath made us kings and priests unto God and his Father." Rev 1:5-6

EATING WITH STRANGERS

The book of Judith teaches the benefits of obeying the Law and not eating with strangers. Enemies respect our Law if it benefits themselves - or at least does not hurt them. This respect allowed Judith to do God's will and escape unscathed.

Before eating, we ask God the WORD to bless the food. When food is "God-blessed" it is holy. You are not allowed to give this blessed holy food to strangers:

"I would not that ye should have fellowship with devils (deceivers). Ye cannot drink the cup of the Lord (Lawfulness), and the cup of devils (Lawlessness): Ye cannot be partakers of the Lord's table (the WORD), and of the table of devils (deception)." I Cor 11:20-21

"Thou shall no stranger (2114 racial alien) eat (398 'akal - to eat - lit or fig) of the holy thing." Lev 22:10

"They shall not profane the holy things of the children of Israel, which they offer unto the Lord. Or, suffer them to bear the iniquity of the trespass, when they eat their holy things: for I the Lord do sanctify them." Le 22:15-16

Food blessed by God is holy. Holy food may not be given to strangers. Not even a servant - who is also assumed to be a *zúwr* stranger, may eat the food once it has been "blessed" and is holy.

Virginia farms once had outside kitchens where the "house help" could eat unblessed food separately. America, both North and South in the 1930s, met the problem of feeding strangers with separate eating facilities serving "un-blessed" food to the one, and "blessed" food to the other. This practice

carried over into schools, public facilities, and the military. The scriptures dealing with "blessed-food" continue:

"If the priests daughter be married unto a stranger she may not eat of the holy offerings,"(that which Israelites offer to God before they eat.) "Not withstanding, if the Priests daughter be divorced, and have no child, but is returned unto her father's house, she shall eat of her fathers bread, as she did in her youth: but there shall no stranger (zwer - racial alien) "eat thereof. ... So shall they not defile the holy things of Israel, which they offer unto the Lord." Lev 22:10-15

When the *God of the Land* replaced God the WORD in America, the *God of the land* declared this Law of God the WORD to be "illegal".

GODS

The Book of Judith tells that there are other Gods and it tells who they are.

"Holofernes, the chief captain (said) ... who is God but Nabuchodonosor?" Judith 6:1-2

Did he mean that Nabuchodonosor was God? The WORD answers:

"You are servants to whomever you obey" Rom 6:16:

To make it even clearer; read the following again:

"Holofernes ... decreed ... that all tongues and tribes should call upon him as god." Judith 3:5,8.

He meant that you do what Nabuchodonosor says do just like you do when calling upon your god! When you obey a king just as you obey God - he is a God to you.

This was clear to everyone only a few generation ago. The *American Heritage Encyclopaedia* definition #6 defines God as "a powerful ruler or despot. [Middle English, from Old English]."

Notice how today's preachers avoid reading God's Commandments from the WORD? Why? What are they afraid of? They are afraid of offending their God - the *God of the land* - the king's government.

They all saw the "Indianapolis Baptist Temple" being seized and sold when it refused to collect taxes for the "*God of the land*". They saw *Bob Jones University* lose its tax exemption because it refused to allow interracial dating. They see the *God of the land* forbid churches to endorse political candidates. They see that *God of the land* denies rebels access to its media riches. To them the *God of the Land* is greater than God the WORD and so - while they continue to call themselves "Christian" - their real God is the *God of the Land*.

"*The Love of money is the root of all evil*" is the carrot that tilts the scales: They have a choice: "Tax-exemption" in exchange for obedience, or persecution in exchange for disobedience. They choose the former. Churches that once taught the WORD are now dry deserts. Standing next to the pulpit is the emblem of the *God of the land* while the preacher drones on about a Jesus that is NOT the "WORD made flesh". Reading dry parables without God's Commandments to give meaning is a fruitless endeavor.

"In vain do they worship me, teaching for doctrines the commandments of men." Matthew 15:8-9

The "commandments of men" is the *God of the Land*.

The God Of The World

There is still another God - one greater than the "*God of the land*".

"The god of this world hath blinded the minds of them which believe not (the WORD)." 2 Co 4:4

In my opinion this is the one that the WORD calls the "Devil" - the one who took Jesus to the top of the temple and offered him the kingdoms of the world because both temples and kingdoms are his to offer.

"The God of This World" says that he rules all government *Gods of the land*. There are many government *Gods of the land* but there is a God above them - one who has made himself **universal** by joining himself to each separatist God, calling himself by that God's name; claiming that "all Gods are one" and that this one *God of the world* manifests himself

Esau controls the mind of the world with his "Serpent Of Deception".

as Brahma-Siva-Kali - God of integration, sex, and death - the Serpent that circles the earth.

It is noteworthy that this God speaks of "toleration" of all Gods and accepting all God as equals, but when in power only the "Edicts of Asoka," the Admiralty Law of the international merchant - the *God of the world* is allowed.

Every conflicting commandment of every separatist God is suppressed - look how the puppets of the *God of the world* are going after separatist Islam and replacing its interest-free banks with its own interest banks.

We who follow God the WORD, the God of Adam-man - the God of Abraham, Isaac and Jacob - watch in horror the suppression of the WORD because we know our God has promised a "day of revenge" - not only against those suppressing the WORD - but those who allowed it to be suppressed.

That's you and me!

OMEN

The *Book of Judith* tells us that when the army of Holofernes learned of the fate of their leader, the appointed servant of the *God of the Land*, they took it to be a "bad omen", and fled.

The belief in "omens" was enough to vanquish the great army of the one who was called "*God of the world*" and bring his policy crashing to earth. This may be one of the most important things in the entire book.

"Omens" bear the connotation of "*magic*". There are other descriptive words such as "bewitchment", "enchantment", "incantation", "occultism", "sorcery", "spell", "voodoo", "witchcraft", "wizardry", "medium - channel", "clairvoyant", "spiritualist", "psychic", "horoscopes". The world of Esau is

made up of these things - a vast lawless world - a world of illusion.

To stop this, the Scriptures are full of prohibitions forbidding us to delve into these subjects. To us who are made in the image of the WORD which is Law - "two plus two equals four". The world of Esau is the opposite. "Two plus two" can equal to three or five. Esau is a child of lawlessness - a world of deception, deceit, and misdirection. It is with reason that the WORD very carefully warns us:

"There shall not be found among you any one ... that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer." Deut 18:10-11

If you are seduced - you pass from the Lawful world of Jacob into the Lawless world of Esau and become their slave. Only recently the wife of one of our presidents consulted familiar spirits and passed the information to her husband.

Law or Lawlessness - one or the other.

APOCRYPHA

The history of the children of Jacob from the time of their return from captivity to the coming of Jesus Christ is missing from today's Bible. It appears that it was universally censored from the Bible sometime in the 1830s.

The reason that the Apocrypha was censored, in my opinion, is that it reveals too much information about how to wage successful war against Esau.

It tells how Jacob survived captivity by moving into Europe - nearly a thousand years before Jesus; It tells of the successful Maccabean Wars of independence against over-

whelming odds and it tells of the evils that come from the Children of Esau ruling over the Children of Jacob.

The single Book of Judith tells us that "Wine" destroys rulers; that the Law against "Eating With Strangers" protects our people; that the "*Gods of the land*" are governments whose laws violate the WORD; that "Omens" destroy; and that with God the WORD leading as their general, our nation's survival rests with its men who are obedient to the WORD.

And, it rests equally with our magnificent women - women like Judith.

LETTER FROM S. AFRICA from K.J.

Dear Mr. Hoskins:

A schoolbus painted white with a black driver came onto our property. When questioned as to why he was there he threatened to kill Hans. Hans phoned in the vehicle number to the police but was told that the black driver had lodged a complaint that Hans had threatened him with a firearm and had tried to kill him.

The next day a police van arrived full of black police looking for Hans. One of the black policemen who is my friend told me later that if Hans had been there they would have killed him and thrown his body down a mine shaft. We later learned that the black driver had stolen the bus and had been hiding it on our farm.

The latest is that a black used tools he got from an engineering shop and cut a hole in our security fence. Our Alsatian started barking and kept him out. Blacks have become a curse and law enforcement and courts take their side. They act like they are invincible and can do what they like. Worse, they are

supported by white renegades who hope their fawning attitude will save their lives, but are seen as soft touches by the blacks they help.

Blacks see dogs as the lowest form of life and maltreat them horribly. Not that they treat horses or other animals any better. In townships, horses used to cart coal get little food and water and are lashed and kicked and are bags of bones.

We now learn that Dan Roodt, who did so much to infiltrate and break up our nationalist HNP has a Jewish mother and grandmother. What he writes for "Die Afrikaner" is now very different.

The "Afrikaner Nasionalistiese Beweging" is growing slowly, but their meetings are well attended and their foundation is built on solid ground. I went to a meeting and hope to attend more.

The Dutch Reform Church is splitting. Some congregations have already moved away. A meeting of their church ministers took place in Bloemfontein a few weeks ago. The actions of the rest are despicable in times like this when Christianity has to fight to survive against the full might of communism.

Every day a new anti-White law is passed and anything which reminds them of Afrikaners is removed. Their masters teach them to hate us but at the same time they demand that we pay for their extravagant lifestyle.

As you know, Mbeki is a Xhosa. He is trying to install an all Xhosa government. He got the rumor started that Zuma, the deputy president, is corrupt. He did this to make him resign. It turns out that Zuma, a Zulu, is much more popular than ever before. The Zulus were livid the way their man has been treated and they think badly of the Xhosas. The person appointed in Zuma's position is a female Xhosa. It is only the

Zulu king's weakness that keep them from having a go at the Xhosas. Siener van Rensburg saw a fight between black tribes in one of his visions.

All the blacks now openly worship demons and their forefather's spirits. Ambassadors from other African countries join them in these rituals. A funny thing is that they are like the Jews in some of their rituals. They let water drip from their hands and fingers after dipping them into a pool on the black hill in Pretoria, so that the demons can quietly depart from them in the drops of water.

We went down to see the Loeries yesterday and all is well with the children. Betzy took the two girls to see their mother. The new little 6 year old who came in last is adapting to a new way of life. Most of the children are away with volunteer holiday parents.

In answer to your question - the "Lorie" is a small bird in S. Africa. We call the children "our little Loeries" - "our little birds".

Most countries have electric pylons to transmit electricity. Here it is much more interesting. Blacks break off parts of the electric pylons to sell for scrap. Next, over goes the whole structure - and that too is soon gone. Telephone wires containing copper go the same way. They simply cut or burn off the insulation. No one thinks to stop the market by stopping the scrap metal dealers who buy the scrap.

Our country is being dismantled day by day.

Our best wishes, K.H.

Chapter 372

BARABBAS & Sons Of The Devil

Rome

Rome was a commercial hub of the International Trade Cartel. Everything revolved around trade, including buying and selling loot seized by her armies. Everything had a price and was for sale - if you had the money. You could buy a mine, a mining company, a mining monopoly, a trade monopoly, a manufacturing monopoly, a tax-collecting

monopoly, a religious monopoly. You could even rent the Roman army to invade a foreign nation. You could rape, pillage and loot the invaded victim for a set time period. This was all right. When the time period expired both the army and nation that had been conquered reverted to the Empire. Everything was for sale. This was Rome.

Rome sent administrators to rule her provinces. It was a plum job much sought after. These Roman administrators supervised local administrators who were supposed to attend to local problems. Everything was cushy as long as the Roman administrator didn't do anything stupid causing strife that interfered with trade. Naturally, Roman administrators always tried to get along with local bosses. When local bosses asked the Roman governor for a favor - that wouldn't hurt Roman interests - they usually got what they wanted.

The local bosses were well aware that they could make a Roman governor look bad - a little civil disobedience could make him look bad to the authorities back home. Of course, too much civil disobedience brought down the Roman iron fist. No one wanted that. It had to be the right balance.

Pardoning Prisoners

One way the Roman governors used to win the approval of the people they ruled was to pardon a political prisoner each year.

In Palestine, there were two popular individuals in prison. One was named Barabbas, the other Jesus. The Roman governor was inclined to release Jesus. He seemed harmless enough.

The Jesus Affair

The local preachers didn't agree. They accused Jesus of blasphemy. Getting mixed up in religion was something that Romans really didn't like to do. Jesus' actual crime was teaching the old nationalistic Laws, Statutes and Judgments of the WORD - the separatist *God of Israel*. These Laws taught that the land is to be divided and never sold - monopolies, taxes, kings, and usury are forbidden - and no strangers are to rule over man. These Laws, which Jesus' followers had every intention of enforcing when they came into power, would put the preachers out of business. It would also put Rome out of business. But, the preachers were looking after their own interests first.

The Subversive Religion

Preachers, accused of violating the WORD, looked on those accusing them as incendiary, revolutionary, and subversive to local rule - as well as Roman rule. But, Jesus, the one accused, was tricky and hard to pin down. He taught in parables so that those who didn't know the LAW couldn't understand the true meaning and use it to accuse him.

"Know ye not, brethren, for I speak to them that know the law." Ro 7:1

This parable business made it hard to legally charge Jesus with treason because the WORD in parable meant one thing to those who followed the WORD and something else to those who followed other Gods. And, if he were charged with blasphemy, it would raise eyebrows back in Rome because Rome was a universal trade operation - for the sake of business it tolerated all religions - as long as they recognized that the Emperor and his courts were the final arbiter of catfights between separate Gods and their laws. Or, putting it differ-

ently, the Emperor was "*God of the Land*", and that meant that he ruled "*God the WORD*" along with all the other Gods, and he changed their laws to help Rome's business.

The Barabbas Affair

The Barabbas affair seemed cut and dried. Barabbas had been caught red-handed making a short lived war against Rome in an effort to regain Israelite independence. In the process his followers had been killed and he sat in prison awaiting execution. There were all sorts of stories circulated about him - almost none of them true.

This is the official story:

"The governor was wont to release unto the people a prisoner. ... Pilate said unto them, Whom will ye that I release unto you? Barabbas, or Jesus which is called Christ? For he knew that for envy they had delivered him. ... But the chief priests and elders persuaded the multitude that they should ask Barabbas, and destroy Jesus." Matt 27:15-20

The above quote is loaded. There is more. The following comes from *Philochristus*, Chapter 13:pp.24, p.129.

"Now Barabbas spake with something of austerity ... Therefore I asked him again where he had been of late, and why he had forsaken the disciples. But he answered with still more of passion than before, 'Because I am weary of these idle wanderings about Galilee, which bring forth no fruit. Not to sit on stools at the feet of a Scribe did I and my friends join ourselves to Jesus of Nazareth. Why tarrieth he so long idle? Why is his hand so backward to smite the oppressor? But I bade him be of good cheer, for the hour was not yet come, and Jesus

would know better than we the season fit for our uprising."¹

This puts a different light on things. Barabbas had listened to the nationalist talk of Jesus and had grown impatient. Jesus' strategy was to re-teach an entire people who had forgotten the WORD so that they could bring in the Kingdom. Barabbas plan was to do the same - but get results right NOW. He broke off learning how and did what he considered was his patriotic duty that had worked so often in Israel's past. But, his attempt resulted in inflicting a mosquito bite on the vast Roman Empire, getting his followers killed and himself in prison awaiting execution. Good intentions. Bad timing.

Who Condemned Jesus?

Rome's law system was pretty much helpless to deal with Jesus and his parables, but local law systems weren't. The Scripture told in advance who it would be that would condemn Jesus to death:

"The Son of Man shall be delivered unto the chief priests, and unto the scribes, and they shall condemn him to death." Mark 10:33

All the weasel words in the world won't change the words of Jesus - it was the *chief priests* and *scribes* who persuaded the multitude that they should ask to free Barabbas, and kill Jesus.

¹ "Scribes" means lawyers - they argue the law of their masters; "Pharisees" mean preachers. Some writers consider Jesus to be both.

Why Kill Jesus?

The preachers wanted Jesus dead. He was *"The WORD made flesh"*, They wanted him dead for a very good reason.

**"Jesus ... found in the temple those that sold oxen and sheep and doves, and the changers of money ... he drove them all out of the temple and poured out the changer's money, and overthrew the tables."
John 2:13-17**

The preachers had been using religion to conceal their other businesses, and Jesus, *"The WORD made flesh"*, had gone in, blown their cover, and departed before they could kill him.²

He left, but he told everybody about the preachers who refused to follow *The WORD* - what sort they were:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is not truth in him." John 8:47

Preachers don't like people talking about them like that. But, Jesus wasn't the first to point his finger at the professional preacher caste. Their secret operation had been uncovered long before the time of Jesus:

"Moses commanded the Levites ... saying, Take this book of the Law, and put it in the side of the Ark of the Covenant of Lord your God, that it may be there for a witness against thee. ... behold, while I am yet alive with you this day, ye have been rebellious against the LORD; and how much more after my death." Deut 31: 25-27

² *"(And Jesus) went out of the temple, going through the midst of them." John 8:59*

Moses set the standard to judge preachers. The WORD itself judges. Its Laws, Statutes and Judgments determine whether preachers are obedient to the WORD, the God of Israel, or obedient to other Gods.

Jesus' Strong Words

Jesus named those who pretended to follow the WORD but who actually followed other Gods. He called them "devils". He said *"Ye are of your father the devil!"* If their father was the "devil" - Lawless preachers are descended from the devil and are also "DEVILS". Jesus himself said it. He said that they would follow *"The lusts of your father!"*

It's my guess that the preachers of Jesus' day were doing the same things they are guilty of doing now - pedophilia, adultery, and sodomy. Let's throw in "usury" for good measure.

The papers are full of recent reports of Lawless preachers violating children, stealing parishioners' wives, sodomizing each other and everyone else they can get their hands on, and, who has forgotten the "Vatican Bank", or the '70s rash of Swiss bank defaults whose owner was the Vatican, or the Barings Bank debacle where the Queen, the head of the Anglican Church, was discovered to be an owner. Who can forget that churches all over America sell church bonds to their own parishioners - making them guilty of the crime of usury and subject to the penalty that accompanies the practice of usury.³

In case it hasn't registered yet:

³ "Hath given forth upon usury ... he shall surely die." Ezek 18:13. Usury is a fraud. It is lending 10 units when only 10 units of the thing lent are in existence - and requiring the repayment of 11 of those same units, or forfeiture of pledged assets. Deu 23:20

*"The chief priests and elders of the people took counsel against Jesus to put him to death ... Let him be crucified ... His blood be on us, and on our children."
Matt. 27:1, 22-25*

It was the Lawless preachers and the elders who accepted the blame for killing Jesus, the *"Word made flesh"*. They even asked that the blame be placed on them, the preachers - *"His blood be on us, and on our children."*

"Our Children" refers to those who follow in their steps - today's preachers and elders - the ones who wink at pedophilia, sodomy and usury, or, with their silence, give their approval to these practices.⁴ The descendants of the ones who persecuted Jesus in his day are the ones persecuting the *"WORD made flesh"* today. That's why the vast majority of today's preachers make no effort to get their congregations to study the Scriptures. And, when they themselves quote Scripture, they read pretty parables that are meaningless without the Laws, Statutes and Judgments to explain them - which creates a void that is quickly filled by the speakers own opinion - making his opinion equal to God's opinion.

Jesus Passes Judgment

Jesus said Lawless preachers were devils. This is what else he said:

"Woe unto you, scribes and Pharisees, hypocrites! for ye ... have omitted the weightier [matters] of the law." Mt 23:23

⁴ "To him that knoweth to do good and doeth it not, to him it is sin." Jas 4:17.

"Upon you may come all the righteous blood shed upon the earth." Mt 23:35

All the righteous blood? Does this mean that all the wars fought because man⁵ didn't know that he was forbidden to raise his hands against man,⁶ and all the wars that have been fought because the usury system destroyed the economies of countries, and all the people who have starved in the midst of plenty because they didn't know to divide the land on which to raise sustenance,⁷ and all the lands and men lost because our people didn't know we are to have no strangers in our midst,⁸ that all the tens and hundreds of millions of deaths and oceans of blood - all this will be laid on the heads of those that Jesus called "devils" - those preachers who absolutely, positively, adamantly REFUSE to teach the Commandments of the *"WORD which is God"* that would have prevented the world's on-going holocaust.

That's what it says.

God's WORD Speaks To Us

The *"WORD made flesh"* speaks directly to us and warns us - and all who follow the false teachings of Lawless priests who proclaim that the king is the *"God of the land"* instead of *"God the WORD"*:

5 (MAN - Heb: adam - those that blush rosy, Strong's Concordance)

6 "Ye shall not go up, nor fight against your brethren the children of Israel." I Kings 12:24

7 "The land shall be divided." Num 26:53

8 "When they had heard the law, that they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "And the seed of Israel separated themselves from all strangers (5236 ne^ka^r - strange, alien)." Neh 9:2; "So shall we be separated ... from all the people that are upon the face of the earth." Ex 33:16; "They shall not dwell in thy land, lest they make thee sin against me." Ex 23:33.

"For I say unto you, that except your righteousness shall exceed that of the scribes and Pharisees, ye shall in no case enter into the Kingdom of Heaven." Matt 5:20; Matt 21:31; "The publicans and the harlots go into the kingdom of God before you." Matt 21:31

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Matt 23:33

True Priests

Jesus exposed Lawless priests as serpents and vipers. Jesus revealed who his true priests are and where His temple is:

"Jesus Christ... hath made us kings and priests unto God and his Father." Rev 1:5-6; "The Most High dwelleth not in temples made with hands." Acts 7:48; "Your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own." 1 Co 6:19.

Jesus the Christ said that YOU are to be his priests and his kings.

There remains today a handful of preachers who teach the Laws, Statutes and Judgments of the WORD, but they are remarkable in their rarity. In my opinion, nine out of ten of the professionals are sons of their father and Jesus said that their father was the "Devil".

Blame The Jews

These - whom Jesus calls "devils" - have long kept justice from falling on their heads by the simple process of pointing the finger of guilt at someone else. They pointed to the people who today call themselves Jews. Afraid that they themselves

would be disbelieved, they instructed their followers to it for them. "Blame the Jews!"

There are several reason this won't fly. The Scriptures say **"This is the book of the generations of Adam." Gen 5:1.** Today's Jews themselves say that they aren't adam-man. They claim to be a mixture of adam-man and non-man, and the WORD says, *"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel."* De 23:2. The Book is either about adam- man or it isn't. It is either true or it isn't.

The Jewish Encyclopaedia says that the ancestors of most of today's Jews are 8th-Century Khazar-Turk converts to Judaism. Their ancestors never set foot in Judea until recently. Their ancestors couldn't have crucified Jesus because they weren't there. Scriptures aren't talking about them. The WORD says that these aliens aren't even supposed to be in our lands for us to talk about.

Beware Right-Wing Garbage

Beware being side-tracked by so-called "patriots" who do nothing but follow their master's instructions and do nothing but enumerate the evils committed by today's Jews. Jews don't follow God the WORD, they follow their own God, and this God uses *Kol Nidre* which permits them to do what they do. If you know a professional "Christian" preacher, ask him to explain *Kol Nidre* to you. If he refuses, or pleads stupidity, you've got him! Everyone knows what that is - it's all over the internet - and he's supposed to be the professional who knows these things - and teach us!

Notice how Jew-accusers never disclose their own "Law System" - the one they themselves follow. This confirms the suspicion that they are following orders from a source other than the WORD. Since Genesis says *"This is the book*

of the generations of adam", it seems probable that the "masters" who instruct their mindless followers are also among those that Jesus identified as "DEVILS":

"I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan." Re 2:9; "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet." Re 3:9

If all those who call themselves "Jews" today were sent to Khazaria, Palestine, or Antarctica - the Western establishment's priesthood which advertises itself as "Christian", would quickly get someone else to operate their usury banks, their corporations, businesses and foundations - take the blame for the evils they are constantly doing. This done, things would continue as before with hardly a ripple.

Why do I say this? Because Jews at one time or another have been banished from almost every country in Europe and all the evils of the age that had been blamed on them continued without let-up during their absence.

Do I think today's Jews are dangerous? Of course. The WORD says that all strangers in our midst are dangerous. But the only reason they are here is because the ones Jesus calls Sons-of-Devils who stand in the pulpits of the nation conceal the WORD that banishes all strangers.

I don't think that "Jews" are nearly as dangerous as the ones both Moses and Jesus pointed to as "devils". They are the most dangerous ones because they have taught adam-man to look for the LITTLE anti-christ to keep man from discovering the BIG anti-christ - themselves.

The Devils

Down through the ages those whom Jesus called "devils" have behaved like chameleons. Exposed for what they are, they change into something else having another name, and continue to deceive.

First called "Pharisees", then "Paulicans"⁹, next "Catholic", then "Protestant", and now Episcopal, Methodist, Baptist and all the rest - they have different names and different rituals, but all have one thing in common; while making the motions - they WILL NOT teach the *"WORD which is God"*. If they did - it would result in *"Thy kingdom come, Thy will be done, on Earth."*

Kingdom arriving on earth would be an unmitigated catastrophe for them. If the WORD that is already in men's hearts were confirmed by the WORD heard by their ears - those made in the image of the WORD would instantly destroy the children of the devil in their midst and end their age-old operation.

Man vs Kali-Age

In spite of the devils, the WORD lives. Because the WORD lives, the man the WORD created lives, and because the man lives, the *Kaliyuga* (Age of Kali) cannot destroy the world. But, they try continuously. There are hundreds of millions who pray daily for man's extinction.

⁹ See: *"In The Beginning"*, Hoskins

KALI

Kali - Siva's black incarnation of death - stands against a background of fire as the world is being consumed; a necklace of bloody heads about her neck, a severed head in her hand, a sword in another hand and one hand pointing at the conquered White Devil she stands upon. Note the rosary prayer necklace, the musical drum of pleasure in the dead white devil's hand, and the serpents of deception that caused his death emerging from his vanquished corpse.

In ancient times white Siva was god of the Aryan north and black Kali was god of the blacks in the Dravidian south.

Kaliyuga

The Hindu Piranhas teach: *Apocalypse for the Hindu is the natural ending of the world in the fourth age, the present Kali Age.*

Kali is the central figure - the Destroyer God. Life on earth must be destroyed before Vishnu can bring in the new "Kalki Age" - the age of peace - the Kalkiyuga.

Kamikaze and Banzi attacks, Bataan Death Marches, suicide freedom- fighters, subway poison gas, the Jones mass suicides, the daily attacks by the colored races of the world on Whites - these aren't accidents. It's the instinctive attempts of followers of the death-god to destroy the creation of *God the WORD - MAN.*

The massive nuclear and germ warfare stockpiles wait for the right time. Before Kali can reach final victory and destroy all life on earth - the one devil left on earth that stands in her way to prevent it must be destroyed.

Kali is always pictured standing on the body of this - her greatest enemy - the body of the WHITE DEVIL. This White Devil is YOU! The son-of- Isaac, Isaacs-son, the Saxon. The WORD of the Saxon stands in the way of Kali's long-planned and desperately wished for Apocalypse. Both the WORD and its Saxon creation must be exterminated from the face of the Earth before this can happen.

When this obstacle is removed, the Age of Kali can come to an end with the destruction of all life on earth - then the Kalki Age of Peace can be born - but only when MAN is exterminated.

Why Barabbas?

Long ago the *Chief Priests and Elders* - the ones Jesus called "devils" - instructed their followers to ask for the release of Barabbas and to kill Jesus.

Barabbas fought Rome. Jesus also fought Rome but he openly fought the Priests whose activities he disclosed as being of the DEVIL and whom he identified as the devil's children whose activities would destroy man. The priests were responsible for nailing "*The WORD made flesh*" to the cross then. The priests are responsible for nailing "*The WORD made flesh*" to the cross now. Because Christ the WORD lives - Kaliyuga remains a dead-man's dream.

They will succeed no better today than they did then. There are too many of us whom the WORD appointed to be his priests.

"Thy kingdom come, Thy will be done, On Earth!"

To them the above words are ritual. To us, they are a foregone conclusion. The *WORD our God* is being pried out of the cold dead hands of those who love death - the ones Jesus identified as the Children of the Devil - and when that happens, God's kingdom WILL come on earth!

Chapter 373

THE UNFORGIVABLE SIN

Sin

What is "sin"?

"Sin is lawlessness." I John 3:4-5; "Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law." 1 Jo 3:4

There are two kinds of sins.

You may be able to repent from one kind - a "nasty disposition", "telling a lie", or "kicking your dog", but you don't repent from the "*Unforgivable Sin*". The "Unforgivable Sin" is unforgivable because it kills you. You can't repent if you are dead.

The Unforgivable Sin

Following is a simple first century explanation of the "Unforgivable Sin":

"Now if thou closeth thy mouth and thy nostrils against the winds of heaven and sayest, 'The air is as poison to me, I will not breathe it,' behold thou perishest." Philochristus 13:20-21

In plain English: Stop breathing and see what happens!

Try it. Regardless of your good intentions - if you stop breathing so you won't smell bad air that stinks - you die. It is an unforgivable sin. The result of being dead outweighs the benefit you get from not smelling bad air. You won't smell the bad air because you are dead.

Gravity

Another example is the *Law of Gravity*. It was in existence before the earth was created. It really doesn't matter whether or not you believe in gravity - step off an 18th story building and gravity will kill you. Think anything you want - you are dead. Your mistake of going to war with gravity is an "*unforgivable sin*".

God the WORD is long suffering. However, the Law is the Law. Break God's Law and there will be consequences. Even

violating the minor Laws often turns out serious. The LAW is there for a reason! Better believe it.

Tests

Teachers prepare students for tests by reviewing the material they need to know.

Adam-Man prepares for life's tests by studying the answers to problems he will encounter. The answers to these problems are contained in the WORD which has been compiled over the ages by man's ancestors and has proved itself to answer the problems man is certain to encounter.

Scripture is man's record of past "dos" and "don'ts" with examples; What works and what doesn't. What benefits - and what kills.

The easiest solution to problem solving is to use answers history has proven to be right. By so doing, your chance of survival increases tremendously.

Simply: Obey and live; disobey and die.

Dikes & Levees

New Orleans is built below sea level. The Law allows this - as long as the other Laws involved are observed. Our kinsmen in the Netherlands do it and live on lands reclaimed from the sea. It works for them.

To add protection from storm-caused water-surges they subdivide the country with dikes so that if one part floods - other parts remain safe. Logical. Adam-man created in the image of the WORD properly using God's Laws contained in the WORD accomplish seeming miracles. They do it all the time and think nothing of it.

Strangers Ruling

New Orleans is different. It now has a stranger for mayor to rule the city. The WORD forbids strangers to rule over man. This stranger said that the lack of hurricane preparation wasn't his fault. Its was the state's fault and what wasn't their fault was the fault of the feds.

When the complaint was made to the police chief, who is also a stranger, that the police officers in his charge, who are strangers also, were looting along with everyone else and were all driving brand new cars they had looted - his angry retort was that his police officers had saved those new cars from the looters and that they should be praised for their help.

Strangers committed most of the rape, looting, burning. The excuses that we have heard are the usual ones that accompany the lawlessness of strangers. It is the same the world over. This conduct is one reason for the LAW which states;

"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15

It's the Law. When strangers rule man, sooner or later they will force man to worship (obey) the stranger's God. If he doesn't, they will kill him. If he does, his own God will kill him. There has never been an exception to this Law prohibiting a stranger from ruling over man. It is an *Unforgivable Sin*.

Contact With Strangers

Being ruled by strangers isn't the only unforgivable sin. Man doesn't have to be ruled by strangers. He merely has to be in contact with them.

"They were mingled among the heathen and learned their works." Ps 106:35; "Thou shalt drive them out before thee. Thou shalt make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me." Ex 23:31-33

The lands ruled by strangers exist in what to man is a state of complete, unmitigated, chaotic Lawlessness. What appears to be "order" is in fact ever-changing, arbitrary tyranny. Under their rule things that should be done are not. Things that shouldn't be done are.

The profitable "fun and games" of the "Big Easy" were promoted while her dikes stood neglected. Similar conditions exist wherever strangers rule.

Man-built American cities have now been taken over by large alien populations. All of them are cesspools of crime, rape, murder, filth and disease. The larger the alien population - the more the Lawlessness.

If strangers are permitted to destroy man's habitat so that man dies - it is a violation of the Law and is an *"Unforgivable Sin*.

Economic Necessity

Usury is when you lend \$10 and require the repayment of \$11 when only \$10 is in existence. It can't be done. It is unLawful - and it causes problems:

"Hath given forth upon usury ... he shall surely die." Ezek 18:13.

Paying usury-money (interest) back to the banks siphons off the floating supply of money causing a shortage. If more money is not borrowed into existence - money disappears -

as has happened several times in America's past. The result is mass bankruptcy because there is no money in circulation with which to pay one's debts. Without new money being borrowed into existence the economy collapses into a depression regardless of consumer demand, need, or pretty words. Because of "usury" - war is necessary to force borrowing money into existence.

The Vietnam war cost 50,000 American and some 2 million Vietnamese lives. The good part - \$200 billion was borrowed into existence which gave people money to pay their mortgages and saved the American economy from falling into another deep depression. For those 50,000 American lives that were lost - the war caused by the violation of the Law against *usury* was an *Unforgivable Sin*.

The Invasion of Iraq has cost 2,000 American and unknown thousands of Iraqi casualties. The good part - it has forced Congress to borrow into existence another \$200 billion dollars. This keeps America out of depression for another period. For those who died to produce this "blessing" - the violation of the Law against *usury* was an *Unforgivable Sin*.

The N. Orleans disaster is a double blessing. With the Iraq War winding down - and no good war on the horizon to take its place - we see Congress stumbling over itself promising money to rebuild "Sin City". Thus far the figure spoken of has reached still another \$200 billion. It will be a temporary lifesaver to Americans needing money to pay their usury debts. To those crushed by the resulting taxes, and usury created mountains of debts, and to men, women and children who have died unnecessarily to force money to be borrowed into existence to pay usury contracts - usury is an *unforgivable sin*.

Farmer

The Saxon self-sufficient farmer has been destroyed by produce from alien corporate farms sold below production costs.

"If any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel." I Tim 5:

It is an *unforgivable sin*.

Depleted Uranium

Out of a total of 580,400 soldiers who served in Gulf War I, 325,000 of these troops are disabled by year 2000. Depleted Uranium (DU) distributed by shells, bullets and bombs is largely to blame. There is no known treatment for such casualties. (DU) is a permanent terrain contaminant. Estimates suggest that the damaged soil in Iraq, Yugoslavia and Afghanistan will need centuries to recover from contamination. God created man and appointed him to rule. He has ruled God's land badly.

"But if ye will not... do all these commandments... I will... bring the land into desolation..." Lev 26:14-35.

This is an *unforgivable sin*.

Growth Hormones

Man allows animals to be fed growth hormones. They rapidly grow big and fat. Man eats hormone-fed animals grown big and fat and himself grows big and fat; many of his daughters start their periods at age nine. It couldn't be good or the enemy wouldn't provide it for us.

"Your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own." 1 Co 6:19

It not an accident that man is fed growth hormones. He is being made abnormal in size and weight with side-effects yet to be measured. We do know that "man", the Hindu's "white devil", must die if the world is to be destroyed so that their New Age of Goodness can be born. It is logical that Kali followers open "Organic Food Stores" for their own to avoid the chemical and hormone laced food their corporations have provided for man. For those men being destroyed it is an *Unforgivable Sin*.

Flood

Hindus believe that the present evil world will end in a massive flood and what life is left will be destroyed in an apocalypse. Non-Hindus believe that poor dikes and government delays in providing aid are accidental. For men who needlessly died it was an *unforgivable sin*.

Black Men / White Women

"If you ... gain a victory over (Adam-man) ... Set out the handsomest ... of your (men) ... then ... send them to be near the Israelites ... and when (their women) are enamored of them. ... persuade them to leave off their obedience to their own laws ... for by this means their God will be angry. By making use of (this stratagem) our enemies had well-nigh corrupted the whole multitude of the Hebrews with their wiles." Antiquities 4:6:6-13.

Practically every ad on TV includes a black male with a white woman. This is to accustom viewers to seeing black

males with white women. The intent is to make man forget the Law of the God who made him. It is nothing new. The intent is to destroy man which is an *unforgivable sin*.¹

God's And Their Laws

There is a word that reveals nothing. That word is "GOD".

"GOD" is a generic name covering all Gods. Each God has his own specific law-system and beliefs.

This is why Gods have names. The names of these Gods signify the law system that the specific God spoken of demands that his followers obey.

When one says that he believes in "God" - he is saying that he believes in the law-system of a specific God which he has not named.

Until a person names the GOD he follows - one has no idea what law system that person follows - how he might act or what he might do.

When that person names his god - you had better know the laws of that god so that you will know what you are dealing with.

To choose to obey the wrong God in the mistaken belief that all Gods are the same is an *unforgivable sin!*

The Simple Fact

It is simple to understand that if one chooses to stop breathing he dies. The act is unforgivable - an "*unforgivable sin*". There is something else that is even more important because it can't be seen by just anyone.

¹ This universal ad campaign reveals the single ownership of all corporations.

The violation of ANY of God's Laws can destroy man - it may take longer. In either case one is dead. "*Enter in at the narrow gate, for wide is the way that leads to destruction.*"

Allow the *Unforgivable Sin*" to occur and you may be included in the fallout. You will die because an *Unforgivable Sin* is Unforgivable.

REALITY

The ITC owns the world's great corporations or controls them through loans from its usury banks. The great corporations rule the world and they do what they like with their property.

The ongoing Rhodesian and S. African conquest follows an age-old strategy. First, flood a country with aliens, Next, transfer rule to them, and Third, have them banish or kill Adam-man.

This is the reason for the U.S. "open borders". Next, they will replace Saxon employees with strangers. They can do that - they own the corporations. Finally, they intend to consign unemployed, penniless and degraded Saxons to the ash heap of world history.

It is a race between man's obedience to the WORD and death. Man is beginning to look in his operating manual to see what he is supposed to do. Corporate media says he can't do that. Scripture says that the WORD will win and man will be saved.

LETTER FROM S. AFRICA BY H.K.

Dear Mr. Hoskins: AIDS has now infected 1 of 3 blacks.

Spring in on the way but lack of rain remains a problem. The Limpopo River is dry and white farmers feed the starving hippopotami food which they have to buy. That area has had no rain for three years. These huge wild animals are so desperately hungry they come when farmers call them. Blacks on the farm behind us put up snares to catch them and then fasten them to boundary fences. Hans rescued a few. Blacks and the other races treat animals horribly.

In the Jewish industries, blacks are promoted and whites demoted. Whites are told to train blacks and then the white is dismissed and the black has his job.

Since blacks came to power they have neglected managing the economy of the country. The result is that we sit with constant power failures and not enough water in the cities although the nearby Orange River can provide both.

Our president Mbeki took much of the money we had and gave it to the nextdoor tyrant Mugabe, who has increased his personal fortune to be larger than that of the rest of his country. The abused Zimbabwe blacks are flooding into S. Africa. I feel nothing for them. They could have removed Mugabe long ago by force. Instead they run away and cross the border to become another burden to S. Africa. Of all the the foreign blacks the Zimbabweans and Mozambians are the worst. They will not work as long as they can get what they need handed to them. After that they resort to robbery and murder rather than work.

The Catholic presence is becoming visible as is their method of operation. I never remember seeing one before. All of a sudden we learn that Mugabe is a Catholic and Mandella

was observed taking mass at a Catholic Church. He was visited by the leader of N. Ireland's Catholic revolutionary IRA. Black leaders are trained in their schools. The Jesuits are active.

The new HNP sold their old headquarters and moved to the former Italian Club. They say they got rid of the Afrikaner National Movement rubbish - meaning us. We are the rubbish.

The nearby Abraham Kriel-Maria Kloppers Orphanage is about to close. They thought the state would support them if they took in blacks. They did, but the state didn't help them. Those homes were started just after the Anglo-Boer War for white Afrikans orphans and they did well until the last few years. Now I see mostly dark faces and these black children already get a state subsidy which no white child receives.

Thank your readers again for all they are doing to help our children.

With our best wishes, Hans and Johanna

Bush Visits U.S. Occupied Germany

The following comes from a letter to Dave Barley's *America's Promise Newsletter*, POB 157, Sandpoint ID 83864, concerning President George Bush's visit to Frankfurt, Germany.

"Today we had President Bush's 8-hour visit ... it was sort of a martial law never before experienced.

Around the cities of Mainz, Wiesbaden and some parts of Frankfurt all autobahns and some roads were closed to traffic. Cars parked on streets and lots had to be moved or towed away. Underground and high-rise parking garages were

locked and sealed. All private garages and storehouses had to be locked.

People were forbidden to leave their homes. Windows had to remain closed and one could not step out on balconies. Supermarkets, stores and workplaces had to remain closed because workers could not reach their place of business. Even the Riuesselheim, home of the Opel Manufacturing remained closed because 5000 workers found the roads to the plant blocked.

Our government guards are to announce the costs. A 'political meeting' of such magnitude is unusual.

Shipping on the Rhine and Main Rivers was prohibited - the loss of revenue on these two rivers alone is considerable. The flight traffic to and from Frankfurt was halted for several hours. Normally a plane lands or departs every minute. Sixteen-thousand police and CIA men from the US were posted. Trains were not permitted to run in the vicinity of Bush's motor routes, resulting in a 2-hour train-traffic delay all over Germany. Heavy trucks will reach their destination with a one day delay.

The costs of all this has yet to be calculated. All Germany will be happy and relieved when this is over. (Website:amprom.org)

OTHER GODS: The premier of Ontario, Canada said he won't allow the Muslims in Ontario to use Islamic law to settle their disputes.

Ontario is the most populous province in Canada. Since 1991 it has allowed Catholic and Jewish faith-based tribunals to settle their affairs with their own law systems. The practice

got little attention until Muslim leaders demanded the same right. Ontario officials had to allow this or abolish the existing religious law courts altogether.

They chose to abolish them. The premier said, "There will be one law for all Ontarians" - the "Law of the Land" - of which he and his judges are its priests and guardians. In this case, the "cat- fight" is between local Gods and the "God of the Land" who could see his authority slipping away.²

VATICAN CITY: Pope Benedict XVI's lawyers have asked President Bush to declare the pontiff immune from liability in a lawsuit that accuses him of conspiring to cover up the molestation of three boys by a seminarian in Texas in the 1990s. The reason? He is a head of state.

RKH: This article in the *Lynchburg News & Advance* about the Pope's immunity because he is "Head of State" raises several issues: 1) There is this ongoing reluctance by the Vatican to deal with sodomites among its clergy. This is doubtless one reason whites are leaving the Church en masse and are being quickly replaced by Hispanics who now number 40% and are estimated to soon be the majority. 2) The confirmation of Roberts as a Supreme Court justice will give the Pope, head of a foreign state, four Catholic subjects who look to him as their ultimate ruler on law since all law is based on religion. These four plus the Court's 3 Jews - a people traditionally surrogates of the Catholic Church who manage many Church assets including its banks - give a solid majority of seven. Only time will tell who will be the actual president of the US - Benedict or Bush - and which law system this court will force on the American people: a) Vatican *Canon Law*; b) Jewish *Talmudic Law*; c. ITC *Universal Trade Law*; or d) the usual combination resulting in the constantly evolving law of the *God of the Land*.

The Law of *God the Word* is not in the running since it has no one who is not already committed to another law system.

BRITAIN'S RULE: "British brought Indians to Sri Lanka. The British Empire practiced 'divide and rule'. Where there was no 'divide' they deliberately created one; Indians to Sri Lanka, Fiji, Malaya and Uganda. Chinese to Australia and Malaya. The British ruled Sudan. There has been a Muslim-Christian civil war for 35 years. Britain ruled Nigeria. There has been Muslim-Christian conflict since 1967. In British Cyprus they made the 15% Turk population the police, incurring wrath of the 85% Greek population seeking independence or unity with Greece. Cyprus split in 1974.

Britain ruled Palestine 1917-48. A direct result is 55 years of bloodshed. Many praise the British Empire. It survived 500 years through setting rival races, religions and classes at each others' throats. Both sides would appeal to the British as 'unbiased adjudicators'. A joke but it worked for 500 years." (*Nationalist & InterNationalist News Service*, POB 635, Strathpine Post Shop, Qld 4500, Australia)

RKH: There is black/white antagonism warfare in the US because Britain refused to allow the banning of the importation of black slaves. The last thing a ruling government wants is for contending races to agree peacefully to separate.

Chapter 374

WORSHIP WITH STRANGERS

Thomas Road Baptist Church

The NAACP sent agitators to "integrate" Thomas Road Baptist Church. No sooner had they set foot inside the sanctuary than the church elders grabbed them by the scruffs of their necks and seats of their pants and threw them down head over teacup down the front steps.

Thomas Road has since learned the error of its ways and now welcomes strangers. In fact, a contrite Thomas Road even sent buses into the inner city to bring hundreds of the strangers' children to its Sunday Schools. This stopped when the strangers urinated in the halls, wrote on the walls, and all but demolished the Sunday Schools. Still, there have been interracial weddings in the main sanctuary. Today, Thomas Road is acceptably "politically correct" .

The Quandary

By switching allegiance from the Law of the "God of Jacob" to the law of the "God of Esau" - Thomas Road was just following the leadership of the state. When a church rejects its God to follow state law - it becomes a "state church".

That aside, which of these two courses was the correct one - refusing admittance to strangers - or admitting them?

Magic In Egypt

Worship of strange Gods takes many forms. The WORD tells us with parables and examples.

Moses was confronted by Pharaoh's priests who used magic. Moses bested their magic and led the Children of Israel out of Egypt.

Egyptians and many of the captive children of Israel believed in the magic of the Egyptian priests. If one accepts one act of magic he may accept the next. If he accepts the next he will certainly accept the third and become a follower and servant of the magician.

Egyptian priests could throw their staffs down on the ground and they would turn into serpents. Israelite belief in

Egyptian magic allowed Egyptians to capture their minds. This achieved, the magician-deceivers could make the captive Children of Israel believe whatever was in the Egyptian king's interest. Israelites were captives mentally as well as physically, just as the native Egyptians. Until Moses, *Both worshipped the Gods of Egypt* as revealed to them by Egypt's magicians.

The technique is the same today. Step by step it goes this way:

Scriptures say, "*Esau was a designing and deceitful man, one who hunted after the hearts of man and stole their minds.*" *Jasher 28:20*; We know Esau said; "*I will kill my brother Jacob.*"

We know that the children of Esau control the media-monopoly. We know that Esau has hired sons of Jacob to work for them as announcers, actors, reporters and politicians. We know that servants obey their masters.

Since "*Esau was a designing and deceitful man, one who hunted after the hearts of man and stole their minds*", we know that every news story, every sit-com, every word that comes from the mouths of those who work for the sons of Esau is meant to deceive and capture the mind of the viewer. Like Priests of Egypt who long ago made captives by changing their staffs into serpents - Esau today's steals the minds of the sons of Jacob and makes them captive.

If we believe their words to be true and act upon them, or follow their false teachings because we know nothing else - we unknowingly worship with them and return to Egyptian captivity.¹

To prevent this, God the WORD Commands:

"There shall not be found among you any one ... that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer." Deut 18:10-11

Esau *"hunted after the hearts of man and stole their minds"*. He was a deceiver, illusionist and magician; his children are made in the image of their father. Those children of Jacob who work for, or have allied themselves with Esau's children, do the will of Esau. When one consults horoscopes, fortune tellers or believes media opinion-crafters, he worships Esau's Gods.

Esau's Values

An announcer, a child of Esau, was shot in Denver in 1985. Over 150 FBI agents arrived to search for and apprehend the assailant. This illustrates the importance Esau attaches to the work of his mind-conditioning magicians and the lengths he will go to to protect what they are doing.

It is no accident that Hollywood, Broadway, and the media are monopolies of Esau. It is no accident that its magician hirelings can work a Washington gig as easily as Hollywood.

Those seduced by Esau's illusions worship Esau's Gods.

BALAK

After leaving Egypt and while in the wilderness, the Israelites came in contact with friendly aliens who beguiled

¹ Other words meaning the same as "magic" are "bewitchment", "enchantment", "incantation", "occultism", "sorcery", "spell", "voodoo", "witchcraft", "wizardry", "medium - channel", "vehicle", "clairvoyant", "spiritualist", "psychic".

them by making their women available to them. These women used sex to teach the Israelites to worship their alien Gods.

To prevent this, God the WORD teaches:

"Know ye not that he which is joined to a harlot is one body? for two, saith he, shall be one flesh." I Cor 7:15-16.; "Thou shalt drive them out before thee. Thou shalt make no covenant with them, nor with their Gods. They shall not dwell in thy land, lest they make thee sin against me." Ex 23:31- 33

The Law concerning worship with strangers was posted so all could see:

"The stranger (Heb: zûwr - racial alien) that cometh nigh (the tabernacle) shall be put to death." Num 18:7 and 1:51.

This Law shows the importance God attaches to such conduct. It separates the obedient from the disobedient.² To cohabit with strangers is to abandon God the WORD and worship the God of Esau.

KINGS

Arriving in the land of Palestine; *"The elders of Israel gathered ... and came to Samuel ... and said ... Give us a king"*

This was the answer:

"The Lord said ... the people ... have rejected me, that I should not reign over them. ... The manner of the king that shall reign over them. ... will take your sons (for his

² In spite of the daily prayer *"Thy 'kingdom' (government) come, Thy 'will' (Laws) be done, on Earth"*, God's Laws will be enforced on earth when his followers come into power. Until this time we are forced to *"Render unto Caesar the things that are caesars,"* or Esau and his agents will kill us. Esau has no intention of stepping aside.

army) ... And he will take your daughters ... And he will take your fields ... and give them to his servants.³ And he will (tax you) ... and give to his officers." I Sam 8:11-18

Nevertheless they insisted and got the best king the land had to offer - King Saul. Saul was a disaster. Next, "*One after God's own heart*" - David the giant slayer, who, once he obtained power - changed. He became an adulterer and murderer. After him the "wise" Solomon with his alien wives - he was another disaster going somewhere to happen.

This parable of Israel having kings teaches that there is not one man on earth who can be trusted with the power of a king. A temporary leader for a specific crisis - yes. A king - no! This is why God the WORD made every child of Israel a king; "*Jesus Christ... hath made us kings and priests unto God and his Father.*" *Rev 1:5-6*., Of course, this is only possible with God the WORD ruling as the "King of Kings".

Remember, the Romans sent emissaries to negotiate with the Goth invaders; the well-organized Goths didn't know what a king was. Their highest title was "judge".⁴ Also, remember the Viking's reply when asked who his king was - "We have no king for we are all kings!" Man is made in the image of his God. Each of us is a king.

As expected, when on the throne, Israel's king was tyrannical and caused the land to divide into Israel and Judah. Both then were made captive by aliens. Israel and most of Judah went briefly into captivity near the Caspian Sea and soon escaped through the Caucasian Mountains into Europe. A

³ Few of us own our grandfather's fields. The "king" has taken and given them to his followers.

⁴ *History Of the Goths*, Herweg Wolfram, Univ Cal Press, Berkeley, 1988, p.94

small portion of Judah was allowed to return to Palestine to rebuild their temple.

God frowns on kings because man cannot be trusted with unlimited power.

SAMARITANS

Readers have read the History of the Samaritans - that when Israel was taken into captivity the king of Assyria brought in settlers - whom today we would call Arab-Turks (II Ki 17:6) - to occupy the vacant lands. Vacant lands produce no income.

These Arab-Turk settlers asked for and received a teacher of the departed Israelites who taught them the "Laws, Statutes, and Judgments" of the WORD.

These "Samaritan-aliens" with their new adopted God were in business by the time "Judah" came back from Babylon to rebuild the temple. The Scriptures say:

"Now when the adversaries of Judah and Benjamin heard that the children of the captivity builded the temple unto the Lord God of Israel; Then they came to ... the chief of the fathers, and said unto them. Let us build with you: for we seek your God, as ye do; and we do sacrifice unto him since the days of Esarhaddon king of Assur, which brought us up thither." Ezra 4:1-2

However, the Israelites of Judah had learned their lesson. Instead of welcoming these aliens who proclaimed that they worshiped the WORD - the Israelite fathers refused to worship with aliens:

"The fathers of Israel, said unto them, Ye have nothing to do with us to build a house unto our God; but we ourselves together will build unto the Lord God of Israel." Ezra 4:3

God approved the decision:

"I have seen folly in the prophets of Samaria (aliens); they prophesied in Baal, ... and caused my people Israel to err." Jer 23:13

This should be the defining example for the thick-headed, rebellious, anti-christ preachers of today. Here we have two different peoples living next to each other - the Children of Jacob and the Children of Esau. Both proclaim that they worshiped the God of Israel. But the children of Israel had been burned time after time by fraternizing with the sons of Esau. This time they refused to accept the strangers because it would violate the Law and they would be forced to seize the aliens by the scruffs of their necks and seats of their pants and throw them down the front steps of the temple they were building. They were well aware of the severity of the Law:

"The stranger (Heb: zûwr - racial alien) that cometh nigh (the tabernacle) shall be put to death." No 18:7, No 1:51.

WARS OF THE MACCABEES

The history of these wars is found in the Apocrypha. This book was removed from the Bible in the 1830s because it interfered with Esau's long-range plan to do what they are doing to us today. They didn't want the opposition to Esau to receive the instruction provided by this book.

In short, on Alexander the Great's death, his empire was divided among his generals. Palestine fell under the rule of Syrian-Greeks who flooded the cities of Palestine with aliens to destroy the Israelites by mixing them with strangers;

"Whereupon the city was made an habitation of strangers, and became strange to those that were born

in her, and her own children left her. I Maccabees 1: 11-63.

Anything about this sound familiar?

The old Law excluding strangers from the temple was being violated, the Law which all had observed even from the days of the Persians.⁵

To make matters worse the Syrian-Greeks, who had by now mixed with the sons of Esau, issued a proclamation:

"King Antiochus wrote to his whole kingdom, that all should be one people, And every one should leave his laws ... that they should follow the strange laws of the land ... To the end they might forget the law, and change all the ordinances. Yea, many also of the Israelites consented to his religion," I Maccabees 1:41-52."

In today's jargon - "They banished the Bible!" The new "law of the land" was the "God of the land". Such laws constitute a religion.

As a publicity stunt, a priest of this "state-religion" tried to get the patriarch of the "Maccabee family" to stand before a crowd and violate the WORD by making a sacrifice to another God. Pretending to obey, the patriarch in the act of sacrificing suddenly turned on the infidel priest and killed him.

"But these enemies of mine, which would not that I should reign over them, bring hither, and slay them before me." Luke 19:27

The line was drawn and the die cast. He and his five sons left all they owned and fled into the wilderness. Slowly they

⁵ *"The general of Artazerxes army ... as he was aiming to go into the temple, they forbade him to do so. Anti 11:7:1*

gathered followers and emerged from the hills to attack the Greek-Syrian sons of Esau and their Israelite puppets. The revolt spread. There were many acts of deceit by the enemy and acts of heroism by the Maccabees. At last the aliens were defeated. The defenders had been few and their losses heavy. Only one of the five Maccabee sons was left alive.

Those who survived were hard-core believers who called themselves *Pharisees*.

HYRCANUS

A hero of the Maccabean Wars was Hyrcanus. Trading on his hero status and the Pharisee-zealot spirit of the times, he was accepted as the strong, wise one. He became a ruler of his fellows who had already forgotten the warning against Israel having a king other than the King of Kings.

Since the country had used the WORD as its Constitution - Hyrcanus was looked on as "high-priest". His decrees were accepted as interpretations of God's Law - and he could enforce them since he was also defacto-king. His own edicts modified the WORD and created a new "state-religion". Faith-led Pharisees gradually left the WORD to become followers of Hyrcanus' new state-religion. Among the few faithful, "Pharisee" then became a name of derision.

War

Tyrants love war. War cancels contracts. Martial law allows the victor to seize wealth of the vanquished under color of law. "*The love of money is the root of all evil*". Tyrants love war.

Adding Esau To Jacob

One of the first things Hyrcanus did was to invade the land of Esau-Idumea. He seized their wealth. He didn't drive them out as the WORD demands. Instead, he circumcised them, forced them to accept the Law, and in violation of the Law which states; "*A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel.*" *De 23:2.* He decreed that henceforth these children of Esau were "Israelites". This was "state-law" - Hyrcanus had spoken!

Israel-Judah now had both a forbidden king and forbidden aliens in their midst renamed "Israelites"

Herod the Edomite

Trouble was almost instantaneous. These hybrid Esau-Idumean-Israelites soon had their own Sadducee religious sect who controlled finances. They formed a caste of the rich. It wasn't much longer before Israel had an Esau-Edomite king. His name was Herod. His Herodian Party was powerful. This is what *American Heritage Dictionary* says about him:

"HEROD Known as *the Great*. 73?-4 B.C.. King of Judea (40-4) who, according to the New Testament, attempted to kill the infant Jesus by ordering the death of all children under the age of two in Bethlehem."

Read that again:

Herod, the Esau-Idumean, tried to kill Jesus the "WORD made flesh" by killing the Israelite children. Esau is doing the same thing today with "abortion" and "miscegenation".

The Bible warns against the unholy coalition of Esau and Jacob:

"Take heed, beware of the leaven of the Pharisees, and of the leaven of Herod." *Mark 8:15; "The Pharisees*

went forth, and straightway took counsel with the Herodians against him, how they might destroy him."
Mark 3:6

Esau and Jacob have again joined forces today to fight Jesus, the "WORD made flesh". They do it for the same reason that they once before joined together to kill him.

The Encyclopedia Britannica, 14th Edition, Vol 5, p. 635, tells why:

"Very early, Christianity was conceived to be a new system of law, and faith was interpreted as obedience."

Hey! Hey! What are we talking about here?

We are talking about the Esau-Pharisee fear that Christians will implement the Lord's Prayer - the thing that all Christians say they want with all their hearts - the thing they pray for every Sunday:

**"Thy kingdom come (God's government)
 "Thy will be done (God's LAW enforced)
 "On Earth as it is in Heaven."**

If this terrible event comes to pass - today's Pharisees and their allied Herodians will be judged.

Personal Observation

I've been to many church conferences which met to teach the WORD, and never ever have I seen a judge of "state-law" there, and only once have I seen a lawyer.

Many religious buildings across the country bear the names of rich benefactors. In spite of this, I have never ever seen a rich man at a conference which met to teach the WORD. Neither have I ever seen a politician, unless it was one invited to speak.

And, I have seen many attempts to attract preachers - but the only ones who returned have been the same handful.

Why don't the others come? It's obvious!

The others pay lip service to the WORD while fighting tooth and nail against its implementation. They know what will happen to them when the WORD brings in the Kingdom.

Tomorrow

There is nothing new under the sun. The following letter may well preview the days ahead. I ran across it in *The Library of Historic Characters and Famous Events*, Philadelphia, Art- Library Pub Co, 1897. Vol 9, p. 37:

"The Governor of Syria sent to inform Trajan (the Roman emperor) that an aged man had been arraigned before him on the charge of professing the Christian faith. To force the prisoner to abjure it, tortures were tried; but in vain. Ordered to crucifixion, he died with such constancy that the governor himself was astonished at the fortitude of his victim. The martyr was Simeon, the successor of St. James at Jerusalem....

"Nor was this all ... Numerous arrests of course ensued. 'Of those accused,' continues Pliny, 'some denied that they were, or that they had been Christians. All joined with me in invoking the Gods, and in sacrificing with incense and wine before your statue (Like the Gods, Roman emperors made laws so they too were Gods), besides blaspheming Christ, I ordered to be discharged, inasmuch as they who are really Christians cannot, it is said, be compelled to do any such things. Others confessing that they had been Christians, but denying that they were so at this time, ... declared that this was the sum of their guilt or their error, whichever it might be called. ... I thought it necessary, however, to make sure of the facts in the case by putting two of their

maidens, called ministers, to torture. But I discovered nothing besides a wicked and extravagant superstition." ...

The dispatch closes with a reference to the great numbers "of every age, rank, and sex" adhering to the new faith, "from which," concludes Pliny, "a multitude may be reclaimed, provided an opportunity for repentance is allowed." ...

"Trajan ... was content with moderate measures. "You have done as you ought," he writes of Pliny, ... Yet there is no single rule that can at all times be observed. They must not be sought out. But if they are accused and convicted, they must be punished. Whoever, on the other hand, shall deny that he is a Christian, and make this manifest by his deeds, or, in other words, by sacrificing to our Gods, he, although previously suspected, shall by his repentance obtain pardon."

Limits Of Roman Tolerance

Rome could come to terms with the "offenses" listed above. But, to survive it must war with the teaching of the WORD that would destroy Rome - things like prohibition of usury, dividing the land, abolition of monopoly, banishing aliens, outlawing taxes and the rest. Tolerating the Law system of the WORD meant the death of the Roman Empire.

As the Encyclopedia Britannica says and as the Romans believed:

"Christianity was conceived to be a new system of law, and faith was interpreted as obedience."

Revolutionaries must be allowed to convert back to the law of Rome or be crucified. There was a time when one died for asking "God's will be done on earth as it is in heaven."

"Bona Fides"

Remember the Maccabee who was given the opportunity to sacrifice to the alien God? If he had bent his knee to the alien God, he would have received honors and wealth.

Today, every son of Jacob has the same choice. He may choose to go to work for Esau in exchange for the carrot. But to receive the reward he must first bend his knee to the alien God. This is called - presenting one's "*bona fides*".

Thomas Road Baptist Church once threw aliens down the front steps of their church, but now welcomes them. This is their "*bona fide*." They may now eat the carrot - access to Esau's media and favorable tax treatment.

Conclusion

The signs which first met the Romans in Jerusalem must come down to satisfy Esau and win his rewards. Signs like:

"It shall be Lawful for no foreigner to come within the limits of the temple." Josephus 12:3:4

The Law prohibits strangers to worship with the sons-of-Isaac. Jesus, the "WORD made flesh" brought back the Law. That's why the Pharisees and Herodians conspired together to kill him. That's why they work together to kill him today.

Walk into a church; look around. A two-second glance will reveal who is being worshiped - "God the WORD" or Esau's "God of the land". Then, you may choose to stay or leave.

Whichever, God sees. All will receive their reward at the Judgment.

God hasten the day when -

"God's will be done on earth."

Letter From S. Africa

Dear Mr. Hoskins,

Stopped by the Lorrie Home. Betzy is very busy. First with the food, then with the children's school tasks that had to be in the next day. A furniture factory gave them 26 dining-room chairs, and sandals were given for each child. They are also scheduled to visit a game-farm over the weekend. There is so much involved.

White-owned farms have begun being confiscated at state-set prices. This is certain to result in food shortages as has happened in Zimbabwe, except in our case it will be all the worse with the flood of Black immigration.

Typhoid fever broke out in Delmas, it is the black township. They are not health conscious. These days one dare not put a foot in open water. We take our own bottles of water when we go out. Townspeople add a lot of chlorine to try to make their water drinkable.

Our Best, K.J.

LETTERS

BOOKS: "Dear Hoskins Report: I am writing to tell you what it is like here.

In regards to the book you sent, "*When In The Course Of Human Events*," the Administration refused to give the book to me. They always have an excuse for harassing us. I am left with two options: 1) Pay to have the book sent back. 2) Have it destroyed.

I am told that at other prisons inmates are punished for having your literature sent to them. They are placed on STG (Security Threat Group).

The Administration creates racial tensions with their blatant double standard. Blacks are allowed to receive Nation of Islam literature, including books by Mr. Farrican and Malcom X, which preach that "Whites are the devil", and promote violence against other races, especially Christians. However when anything is mailed to us which states that it is OK to be White and proud - instead of White and ashamed - we are punished. The Nation of Islam is allowed to meet and openly promote violence against Whites, However, NO Christian separatist service is permitted. No white organizations of ANY kind are allowed to gather.

Prison policy states that no more than 6 people can gather at one time. One day 8 of us were approached by an officer who told us to split up. Right next to us were several groups of 10, 13 even 15 blacks. Yet, nothing was said to them. When I asked the officer the reason, his response was that "All officers are required to take a year psychology. In this class, we are taught that when you get a group of blacks together, all they talk about is the 'hood', rims on cars, dope, 'ho's', and the latest music. When a crowd of Whites get together they are discussing much more sophisticated topics which makes them a 'threat'". This was told to me by a prison officer!

The greatest weapon used against Whites is STG. It's easy to be placed on this list. A friend of mine was placed on STG for merely having certain Biblical verses written down (Ezra 9-10, Ex 33:16, Numbers 25, etc). Just Bible Verses! No side notes, only word for word scripture.

Once placed on STG your mail is strictly regulated. Your cell is regularly torn apart by officers. You cannot participate in any group settings, jobs, or even Church! Other races are on this status for only a few months. Whites are on it for years. For me it has been seven long years.

Whenever a White comes in we try to let them know that they are welcome. If they need something we give it to them so they don't end up asking some black guy who has ulterior motives. They can end up with AIDS.

White guys just coming to prison believe the media-illusion that blacks are the same as whites, just different skin color. They quickly learn that this simply is not the case. Unfortunately, by the time they learn it is often too late. Most of the blacks in prison are sodomites. This is no exaggeration. Don't ask them though, they seriously believe that as long as they are acting the part of the male partner they aren't sodomites.

You mentioned that it would help if we could become allies with these people. You may be right. However, I don't see how it is possible.

All my respect, S. B. prisoner - Michigan

RKH: A federal law was recently passed to break the prison censorship log-jam. Religious material is now supposed to be allowed into prisons - except material the warden considers inflammatory. While the law was pending - literature was freely admitted. Since the law was passed, including the part giving the warden the power to judge what is and what is not inflammatory, things are back to where they were before the law was passed. We even had Bibles rejected. Prison censorship seems worse than before the anti-censorship legislation was passed.

Chapter 375

TWO LAW SYSTEMS & the Marcian Solution

Episcopal Church Priests

For many years I was a *Gideon*. Gideons raise money to buy Bibles containing God's Law to place in hotels and give to schoolchildren. They send speakers to churches to give 10 minute talks asking for donations to buy Bibles. Gideons are assigned to arrange meetings - others to speak. It was my turn to arrange meetings.

The first stop was an Episcopal Church here in Lynchburg. There were four or five preachers meeting there. They invited me in. They knew about the Gideons' work so I quickly related my mission and asked for a meeting date.

Something then happened that had never happened before. The meeting took on aspects of an interrogation and I was the one being interrogated. I didn't know what they wanted. I tried to answer the best I could. In the process of answering a question I mentioned "Marcian."

The questioning stopped. There was silence. Then one of them spoke, "What do you know about Marcian?"

"Nothing", I replied. "I just mentioned him."

The group relaxed.

Just what did these fellows know that I didn't? Who was Marcian? What was the problem?

The Problem

The problem noone talks about is simply this:

Two law-systems can't rule at the same time.

The World

There are two mutually exclusive law systems on earth - the law system of Jacob and the law systems of Esau.

Jacob's law system requires that the land be divided and never sold - no taxes, kings, usury or strangers in the land. Enforcing Jacob's law excludes Esau's law.

If Esau is to enter the lands of Jacob he must first exclude Jacob's law system that excludes him. The followers of Esau's law system have traditionally used "persecution", "extermination", and "*deception*", or a combination of the three to suppress Jacob's law system.

"Deception" is immortalized in the *Garden of Eden* story, and has proved to be the most successful method of suppression.

It is a basic fact that two mutually exclusive law systems can't rule in the same place at the same time.

Suppressing Competing Law Systems

The Serpent suppressed God's Law System in *The Garden* by telling Eve that God really didn't mean what He said - He meant the opposite.

India's ruler, King Asoka, got rid of competing law systems by issuing a decree:

"One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C.

This prime directive of Asoka, called religious "Dharma", got rid of the conflicting law systems of India's countless Gods by outlawing racial and religious differences imbedded in the laws of India's many Gods. King Asoka enforced obedience to his decree by punishing offenders.

King Asoka suppressed all law systems except his own. This sole remaining law system managed the country's racial, social and business affairs. People were encouraged to keep the bells, whistles and rituals of their own ancient and separate Gods - but the law system that ruled the land was Asoka's.

Anyone who caused strife by obeying the "old laws" of his God was branded a "terrorist", "rebel" and "revolutionist" by the state - and treated accordingly.

Asoka's solution is the standard used today to suppress other law systems. For instance, Esau ruled Europe passed a law against "racism". This has effectively banished the Chris-

tian WORD - the LAW of Jacob - from Europe. The reason - two law systems can't rule at the same time.

Hinduism Moves West

India's trade system and its Gods moved West and replaced the Gods and laws of Egypt, Greece and Rome. The names of the old Gods remained the same - Isis, Jupiter, Neptune, Hercules, Minerva, and Mercury - but their beliefs were reinterpreted to include "*Dharma*" of India's Gods which turned them into Hindu religions.

Even India's episcopal caste system of "Priest", "King" and "Merchant" - "rule from the top down" - all resting on the work and production of the "Worker caste" was exported west and operated the same as it did in India.

With its one law system, Rome had many Gods but one law ruled all. Its basic - only one law system can rule at a time.

Jesus

Jesus Christ, the "WORD made flesh", returned the ancient Law-system of Adam-man and chaos resulted. Roman trade was impacted as people left Rome's law to return to their ancestor's Law of the WORD.¹ Rome viewed the revival of this ancient, aggressive, unreasoning, uncompromising, destructive Law system as social-economic terrorism. Rome counterattacked with whippings, prison, lions and crucifixions. None worked. Rome then used the serpent of "deception" to fight this invading Law system.

¹ *"Very early, Christianity was conceived to be a new system of law." The Ency. Brit., 14th Ed. Vol 5, p.635*

Marcian

Rome's champion was Marcian. He was Rome's "secret weapon"² - the Billy Graham of his age. Marcian taught that the God of the Old Testament along with his Law died when Jesus was born. A new era started with Jesus.

Since the Law of the God of Abraham, Isaac and Jacob no longer existed, Roman law remained the sole law system to arbitrate differences, and it ruled supreme. People were encouraged to worship the Christian God or any combination of Gods of their choice, as long as the law was left to Rome's rulers.

Marcian's "Christian" Religion

Marcian's new "Christian" religion consisted of a trinity that contained Jesus in the center, Paul on his right and Marcian on his left. Marcian-Christianity contained no sin. Since "*Sin is the transgression of the Law*" *I John 3:4* and the Law no longer existed because God the WORD was dead. No law - no sin. How good can it get?

Stripped of the Law, Marcian was able to give Paul's teachings meanings they were never meant to have. Included in Marcian's canon were Marcian's own writings, that no longer exist, and those of one of the apostles.

Harnoch says "There is wide agreement that the first canon was Marcion ... Marcion is to be regarded as the creator of the Catholic canon." (Harnack)(J. Knox, *Marcion & the N. Test.*, Chicago 1942, pp38) p.23. He also says "Harnach pro-

² MARCIANISM: A Christian heresy of the second and third centuries A.D. that rejected the Old Testament. (Marcian died c. A.D. 160). *Amer Heritage Dict*

nounced that Marcion was the founder of the Catholic Church." p.12,

The law system of Imperial Rome was universal. Stripped of the WORD, Marcian-Christianity was also universal - it accepted everyone. His "Christian" church was quickly flooded with Children of Esau. Marcian-Christianity eclipsed the persecuted Christian WORD in popularity - for a time. Marcian's insistence that the Law of Abraham, Isaac and Jacob was done away left Roman law as the one surviving legal system ruling Rome.

Marcianism Collapses

Marcianism collapsed after about 100 years. "*Marcian & His Influence*", AMS Press, NY, E.C. Blackman, BD, 1948, p.13 says that "Marcianism banned marriage". *Shakers* in America disappeared for the same reason - lack of replacements. All the while the WORD, surviving with the name "Christian", began to grow again as Adam-man returned to God-the-WORD. Growing in numbers they grew in power. There was a real danger that the Law system of the WORD under the name "Christian" would completely destroy the Esau-ruled Roman Empire by stripping it of its authority. Suppressed parts of the gospel brought by Jesus began to be heard once more:

"I am not come to send peace on earth: I come not to send peace, but a sword." Matt 10:34

Installing the Law system of the WORD in place of another's law system is not peaceful - a fact of which Rome's rulers were well aware.

Rome's New State Religion

Marcian-Christianity that was supposed to supplant the WORD of Jesus was itself being supplanted with the Christian WORD, but Esau's serpent wasn't through.

The usury-money system of the International Trade Cartel controlled the Roman caste system of priest, king, and merchant. Of course, as often happens, power struggles caused leadership to rotate within the system's three castes. The king-priest-merchant system at this time was controlled in the person of the king-emperor. His police powers allowed him to take the next step to reclaim authority in himself.

Rome's Marcian-Christianity, weakened by its no-marriage blunder and defection of those returning to the WORD, still existed with an intact organization. Using this old organization to build on, Emperor Constantine pre-empted Christianity. He did this by issuing an executive order which proclaimed that henceforth Christianity was a "State Religion" of which he was its head.

The State appointed puppet Bishops to rule. Provinces changed their names to "dioceses". Marcian's canon was expanded to include other teachings of Jesus and also the Old Testament was added with its Laws, Statutes and Judgements. Sounds good!

This done, Rome claimed that it represented the entire Christian spectrum and then - *they banned the Bible* - it could be read only by Rome's priests.

Under these conditions, state-priests told people what Jesus said, and the priest learned from his puppet-bishop who was instructed by the king-Emperor who appointed him.

The authority of the Roman Empire was saved. There were no longer two law systems in the land - just one - the

emperor's - and it contained *Dharma* and was imposed on all Empire subjects. The rebels had been defeated by absorbing them.

Controlling Both Sides

Understanding the way of the serpent requires that one understand his strategies. He makes sure the outcome of a conflict is resolved in his favor by controlling both sides of a dispute. When one controls both sides of a fight, one avoids the risk of an opponent winning and overthrowing your operation.³ There is no way to lose.

To do this, a ruler must create and finance his own opposition - an opposition in name only. Two genuinely different law systems cannot be allowed to exist side by side lest by chance the rebel law system wins and banishes the cartel's own law system. To continue ruling, the Cartel makes sure that the ruling party, its opposition, and any 3rd party that should arise - are all his creations. The same is true for business and religion.

Review

The Cartel operation has gone on for a long time. In India, the Cartel proclaimed "freedom of worship" for all its many religions but controlled the single law system of the land. Its tool was Asoka's *Dharma*.⁴ Enforcing *Dharma* allowed the state to remain the sole referee, judge, jury, and final authority.

³ This is why industry finances both Democratic and Republican parties; why banks finance both Capitalism and Communism, both East and West; this is why there is constant friction between Roman Catholic, Protestant, Orthodox, Jewish Zionism and Islam. The money financing the conflicts comes from the same source.

⁴ "One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C.

The Cartel's Dharma-religion moved West and reinterpreted the Babylonian, Egyptian, Greek and Roman religions into Hindu trade-religions with the "law" resting in the hands of the Cartel appointed ruler.

Rome's trade-religion was challenged by a return of the Christian WORD and its Law brought by Jesus. Rome counter-attacked with its own "Marcian-Christianity" which proclaimed that the disruptive Christian Law was dead - resulting in the Roman law remaining the sole ruler of the Empire.

Marcian-Christianity fell on hard times with its no-marriage and its disillusioned members who returned to the WORD. This caused the WORD to again become an Empire threat. The WORD again stood on the verge of toppling the Roman Empire.

Rome then preempted the Christian Law-system of God-the-WORD by making Christianity a state religion. This done, a single law system ruled Rome again and the Empire continued - ruled by a different caste.

Marcian-Christianity - now called Catholicism - ruled in spite of periodic revolts for more than 1000 years. State law and state religion were basically the same. The Empire appointed Kings and bishoprics could be bought by merchants. The priests preyed on their parishioners and demanded that they obey one code of conduct while they obeyed none. Canon law allowed trade with people worldwide. In time priestly excesses caused general revulsion in its followers. Many returned to the WORD - led by their own Catholic priests. This revolt was called the Reformation.

This Reformation revolt was briefly successful and was reined in by the Cartel's kings. The kings quickly discovered that while the WORD stripped authority from the Catholic

Church, it also deprived them of their tax tribute, their monopoly of lands and businesses, and their treasured perks. They had formerly ruled by their own Church approved "state-law" and now this was being superceded by the WORD - as had happened to their predecessors in the Roman Empire.

Two law-systems can't rule at the same time. In short order the Protestant kings set up their own state-religion and appointed their own puppet bishops to control what was being taught to the people - just as the Catholic Church had done before. This effectively suppressed the Laws of God the WORD. Protestantism became Marcian-Protestism which was controlled by the kings. The resulting state-religion was whatever the king said it was.

The Law

"No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." Matt. 6:24

It is the Law:

"No man can serve two masters." Matt 6:24

Two law-systems cannot rule at the same time. One must displace the other.

Summary

Today, the Supreme Court of the United States rules the world. Its members are appointed by a puppet president who is elected by the media which is owned by the banks.

It is no accident that the majority of the appointed court members are Roman Catholic - or Marcian-Catholic - whose

law is Canon law. Add two Jews, ! 5 on Protestant Episcopal-Catholic - and one nondescript Protestant and this tell one all he needs to know. It is interesting that the pontiff of one state has its citizens governing another state - and all of them appointed by the leaders of the state that is being ruled.

Thus, the United States is ruled by agents of the oldest episcopal religious institution in Christendom; the wealthiest, and the dominant one. One who helps operate the media, banks and business corporations. Its law is enforced worldwide by the armed forces of the US. The UN is its toy.

In its long history it has alternated its government by being ruled by good men and by being riddled with *Dharmamatras*, ! 6 as are also the Protestant Marcian-Christian sects - including the "holier-than-thou" Saxon-Separatists - many who call themselves "Identity-Christians".

Stripped of the bells and whistles - the struggle is simply the Christian-WORD vs Marican-Christianity without the WORD. One must destroy the other.

In spite of all this seeming control - the WORD made Adam-man. The WORD made him in the image of Himself. Obedience to the WORD brings "life" - disobedience brings "death. Violation of the WORD is Lawlessness.

5 Jews are a "caste" - the cartel's "civil service". They advise cartel installed kings, operate banks and media with the help of subject peoples, and manage cartel corporations containing the wealth extracted from subject peoples.

6 DHARMAMATRAS: "*In the past there were no officers charged with spreading Dharma. I created these posts in the 13th year of my reign. These officers are commissioned to work with all sects in establishing and promoting Dharma.*" *The Edicts of Asoka*, Rock Edict V, p.58, Edicts Of Asoka, Trans. by N.A. Nikam & Richard McKeon, Univ Chicago, 1959

Saxons of all religious persuasions sense Lawlessness when they see it⁷ and many times in the past have abandoned evil for good.

Today, evil is clearly seen in the land. Saxons can see that Marcian-Christians have sodomites and pedophiles for leaders. They tolerate usury, land and business monopoly, taxes, strangers in the land. They refuse to call on the WORD - and those who refuse to call on God-the-WORD cannot represent the WORD.

The result is that our Saxon people are leaving Egypt. Adam-man, made in the image of the WORD, is moving away from those whose leadership will destroy him.

He is abandoning Dharma-dominated establishment churches - all of them - leaving them virtually empty. My own church which had a thousand on a Sunday when I was a boy now has 30 attending. The Catholic Church is the same. In desperation it recruits Esau- Hispanics to fill pews vacated by Jacob-Saxons. Judeo-Christians resort to Marcian-type circuses to draw crowds - crowds who in time will tire of a Marcian God who obeys the Commandments of Esau.

The Secret Is Out

I now know the meaning of the secret glances those Episcopal priests gave each other so long ago. Their secret is out. They didn't want Bibles distributed because Bibles contain the WORD whose Law is the enemy of their Marcian-

⁷ SAXON: "God created man in his own image." Gen 1:27; "They shall no more be remembered by their name." Hos 2:17; "The Lord God shall ... call his servants by another name." Isaiah 65:15; "In Isaac shall thy name be called." Romans 9:7; Isaacsons, "Saxon".

Christian God - the one who teaches that God-the-WORD - the God of Abraham, Isaac and Jacob is dead.

Two law systems cannot rule at the same time.

ROSA PARKS

When Rosa Parks refused to give her seat to a white man, this nullified an agreement made more than a century ago between blacks and whites. The media hype makes one forget that the Rosa Parks' act was directed against BLACKS.

The War Between The States was fought to loot the accumulated wealth of Southern whites. There was no declaration of war. A presidential executive order launched the armed forces of the US to invade Charleston starting a war that cost the lives of a half a million men - and the deaths of God knows how many women and children.

Southern whites were disfranchised, blacks franchised. Southern governments were transferred to blacks. Carpetbaggers instructed them how to vote bond issues. The money raised went to Cartel contractors. Whites were taxed and impoverished. Bankruptcies blossomed. Cartel contractors used money raised by Southern bond sales to buy prime Southern plantation land at black induced tax sales for a few cents an acre - creating some of America's largest corporations.

In time, blacks grew ambitious and tried to take the entire South for themselves. Their treatment of whites was brutal causing many whites to migrate from the South to the West. The blacks planned to also confiscate that Southern wealth

now owned by the Cartel. This was not part of the Cartel agreement with blacks.

To protect their newly gained loot,⁹ Cartel representatives met with Southern white leaders. The two reached agreement that they would reverse media anti-Southern propaganda and Southern whites would be given a free hand to remove black rule. In exchange, the ITC could keep their loot.¹⁰

Media propaganda reversed overnight - whites were now the "misjudged" ones and blacks were the ones who were bad. Whites were able to take back political rule without federal intervention.

To prevent a black-white war - Southern white leaders also agreed to protect black economic interests. Whites passed Jim Crow Laws preventing white merchants from competing with black merchants. Whites were required to trade only with whites - allowing blacks a monopoly of trading with their own kind. Jobs in black education were protected by allowing them to have their own schools, principals and teachers.

Whites had their leaders - blacks had theirs. Overnight new black business districts mushroomed containing black drug-stores, motels and hotels, hardware, clothing, shoe stores and restaurants. By law, whites were allowed to sell to blacks only if no black businesses offered the product requested. A white could stop by a black drug-store on a hot day for a cold soft drink to carry out - the black owner would not allow him to sit. I know, I tried and was told to "move along".

⁹ LOOT: (Hindi) 1. Plunder; booty; esp. the booty taken in war, or the gains of corrupt officials. 2. The action of looting; as the loot of a bank. To plunder or sack, as a conquered city; to rob, esp. by corruption; as, to loot a city's funds. *Websters New Collegiate Dict.*

¹⁰ *The Prostrate State*, Pike. See "*Vigilantes Of Christendom*", Hoskins.

What was not separated was divided. Beaches were separated. Blacks had theirs with their own concession stands and whites had theirs. Neighborhoods were black or they were white. Movie theaters were black or they were white. If blacks wanted to see a movie not shown at a black theater, they entered black reserved sections of white theatres - and vice-versa. Railroad passenger cars were separated, as were buses, streetcars and churches.

After the Cartel had digested the white loot obtained from the war, they then wanted what the blacks had accumulated. Many white merchants also wanted their share of the black trade.

They used Rosa Parks. She sat in a section of a bus set aside for whites. This breached the black-white agreement - separate development collapsed. Black owned businesses vanished virtually overnight - unable to meet competition from discounted white merchandise.

The body of Rosa Parks lies in state in the Capitol Rotunda in DC. She was the one who destroyed her people's "self-development." Vacant storefronts - bankrupt black businesses - this is her legacy.

"We showed you, whitey!"

Yeah - sure you did!

The Cartel and the white merchants who profited love Rosa Parks - today's blacks don't even know that they've been had.
