# Chapter 376

## MANTRA, YANTRA, TANTRA

### Not Guilty!

**T**he whole country should know by now that another son of Esau, this time Lynchburg's mayor, has joined the long list of America's city mayors accused of criminal conduct. A federal grand jury in Roanoke accused Lynchburg's mayor of seven counts including mail fraud, bank fraud, lying to investigators, misappropriation of other people's social security checks, and obstruction of justice.

The indictment says that he was "mired in severe financial difficulty" and turned to criminal conduct to pay down his debts.

The local paper has run front page stories almost daily. Picture after picture of Lynchburg's black mayor have been shown. His resignation from the pulpit of his church, his refusal to step down as mayor, and the comments of the mostly white media-elected city council who chose him to be mayor have also been noted.

Let's remember; this is the age of *Kaliyuga*. Black is the color of Kali and the Kaliyuga age of destruction. To honor black is to honor both. It's Cartel policy.

Complying with the policy, Lynchburg has obediently established a memorial room in the local library honoring black St. Martin.<sup>1</sup> Memorial Avenue, named in memory of Lynchburg's WWI dead, has been renamed for the same saint. The complaint was made that the new regulation-size street signs in King's honor should be replaced with large ones. This was done in an instant.

Now, the Lynchburg newspaper headline says - "Not guilty!" Of course, it comes out in the article that this is only the accused mayor's plea, but this information is hidden deep in the article.

Let us see how the media might go about controlling minds to get a "Not Guilty" verdict. A clue may rest in the lead prosecutor's statement;

"Picking a jury is going to be difficult at best," he told the judge, "Magically, it got transferred to Lynchburg without a hearing or anything."

---

<sup>1</sup> Martin Luther King's portrait hangs between those of Buddha and Jesus Christ in the Ashram 50 miles below Lynchburg on the James River.

Really!

There is a standard way to manipulate men's minds. The International Trade Cartel has been doing it for a long time.

### **Just the Facts**

**A** man can only think with the facts he is given. There is no way he can do differently. Control the facts a man receives and you control his mind. Control a man's mind and you control the man.

*We rule the minds of the world* - the first verse of India's national anthem.

### **Ruling Men's Minds**

Ruling men's minds is simple. Read the following news item:

A California research team from Sonoma State Univ. discovered that the boards of directors of the 10 media giant organizations in the US had only 118 people comprising their board of directors. These 118 people also sit on the corporate boards of 288 national and international corporations. Eight out of the 10 big media giants share common memberships on their boards of directors.

Directors who also sit on boards of corporations controlling the US mass media include Bechtel, Boeing, Carlyle Gr., Chevron/Texaco, Citigroup, Conoco Phillips, Dell, Eli Lilly, Estee Lauder, Ford, GE Investments, GM, Goldman Sachs, Halliburton, JP Morgan, Lehman Bros, Lockheed Martin, Microsoft, Motorola, Proctor & Gamble, and Rothschild Investments. Similar corporate ties are also found in National Public Radio.

Prof Peter Phillips, director of the Project Censored News said:

"Mainstream media no longer produce news for the mainstream population - nor should we consider the media as plural. Instead it is more accurate to speak of big media in the US today as the corporate media and to use the term in the singular tense - as it refers to the singular monolithic top-down power structure of self-interested news giants." (Story in American Free Press, Nov 21, 2005)

### **Loaded**

The above news article is loaded. Take your time. Fix it in your mind - just the basics:

1. It says that we have many thousands of media outlets in the country - but A SINGLE NEWS SOURCE.
2. Only 118 people control the thinking of the world.
3. These same 118 control corporations.

### **Thinking Alike**

Corporations have deep money pockets. With advertising, grants, and jobs to disburse - deep money pockets control businesses, foundations, colleges, political parties, seminar-ies - AND - people. Those who benefit think what they are told to think - or pretend to. They say what they are paid to say. Deep pockets is the piper who calls the tune and rewards the obedient and punishes the disobedient.

This is how the children of Esau are able to "*control the minds of the world*".

For the sake of new readers we should explain how this came about.

### **Aryans Invade India**

**O**ur Aryan nation invaded India long ago. India was occupied by Blacks called Dravidians. The God of these Blacks is also black. His name is Siva (Shiva). Siva is a sex god. He dances the cosmic dance of sex. His every thought - his every act - is sex. His temples are full of idols of male and females in positions of sexual intercourse. His symbol is the "linga" and "yona" (male and female genitalia). Statues of these genitalia are found in front of his temples with the same frequency that crosses are found with Christian churches.

Siva is the God of SEX. His other self is Kali - the God of DEATH, destruction and chaos. She is the one who brings epidemics, disease, starvation and war. Kali can hurt you. She is the one that needs to be appeased. Everyone needs to be nice to Kali and build memorials to her followers and saints and name streets after them - the ones who leave flames, destruction and riots as they pass. The reason Kali exists is to destroy all life on earth so that this present evil age of *Kaliyuga* can end and the next good age can begin.

When you peel back the layers of the Esau onion you will find at the center - Siva "sex" - and Kali "death and destruction".

### **Siva's War Against Aryans**

Aryan's were white - their god was white. His name was Vishnu. He was God of prosperity, gambling, business and good things.

Siva's priests insisted that white Vishnu and black Siva were now brothers living in the same land. Consequently, their followers should be tolerant of each other's differences. "Tolerance" was the opening shot in Siva's counterattack

against the Aryan invaders. It was meant to disarm and deceive.<sup>2</sup>

The Hindu priests used India's Blacks to fight their war - without seeming to fight. Also, they used hand-picked puppet kings - the most famous of which was Asoka the Great.

Asoka issued the following edict:

*"One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C.*

In this manner, "tolerance" was decreed by law. Since Asoka was king he had an army to enforce his edict. This Dharma-peace edict was issued to promote racial intermarriage to destroy the Aryans.

The Aryans tried to protect themselves by installing a caste system to segregate the people. It only slowed the process. In time, racial interbreeding caused the white Aryan nation to vanish from India. Mixed-breed mulattoes were left to show that they had once been there.

### Vishnu - Upper Caste

The Aryans had vanished, but their white god Vishnu remained. Some mixed-breed Indians claimed Vishnu as their God to let others know that they descended from one of the higher castes. However, this God was modified to serve the mixed-breed children of Kali. Kali is always striving to reach *Nirvana*.<sup>3</sup> Mixed breeds claiming high caste can proclaim Vishnu to be their God - but their real God leading them to Nirvana is Kali - the God of sex and destruction. Vishnu's "Yantra" reveals the merger with Kali.

---

2 The "Serpent" is India's symbol of deception. It can substitute for the "Cloak of Esau", "Kol Nidre", "Hollywood", "Bollywood", "media" or the "lie".

3 Nirvana - nothingness. The only way to escape from this present evil age of Kaliyuga is to destroy all life. Then, the next new age of "goodness" can be born.

## Yantra

Hindus make all this easy to understand by using a *Yantra*.

Go to your computer; on your Google search engine, under "images" type "Kali Yantra". You will find page after page of different "yantras". A Yantra is a Hindu form of "coat-of-arms". None are exactly alike since Hinduism accepts all

**Kali Yantra Showing  
Inverted Triangle**

opinions. However, most will show an inverted triangle - like the one at top of the first page and the one shown below. This is the Kali "female" symbol.

The "Kali Yantra" above is a yantra with each part symbolizing something different. It is the full symbol of Kali,

God of destruction, whose devastation will end all life and bring this present evil age to an end.

A regular upright triangle below symbolizes the male sex organ.

When the male triangle overlays the inverted triangle it results in the symbol shown on the next page. It symbolizes the sex-act - the union of Vishnu and Kali, or, the union of Siva and Kali.

Now, go to your computer Google search engine again and type in "*Vishnu yantra*". You will find that as a general rule, the Vishnu

yantra (on next page) shows this union of overlaid triangles. Kali and Vishnu united in the Vishnu Yantra.

Displaying overlaid triangles is like a merchant or professional posting a sign to advertise his services. The symbol to the left is universal

in meaning and is found worldwide.

### Controlling The Mind

We remember the clever way the Hindu priests destroyed the Aryan invaders of India. They used the easy way - they helped their white enemy destroy himself.<sup>4</sup>

The children of Esau use the same method today to teach the sons of Jacob to destroy themselves. It is necessary that they die. It is the white sons of Jacob who stand in the way of world destruction and the birth of the new age that will result. This is why the sons of Esau identify the white man as "the White Devil".<sup>5</sup>

### Mantra, Yantra and Tantra

**M**ANTRA: The object being taught is repeated and repeated and repeated. The word "tolerance" is a powerful weapon since Adam- man prides himself

---

4 HR #365: 36-STRATEGIES: #9 - Help the enemy destroy himself. "The greatest victory is the victory gained without battle."

---

5 "The white race is the cancer of human history." Susan Sontag - celebrated Jewish intellectual.

on being fair-minded and fair-handed.<sup>6</sup> The word is repeated and repeated and repeated.

Then, variations are used expanding its scope; "*Love everyone without regard to race, creed, or national origin.*" Again, and again and again it is repeated. Once the lesson is learned - the next step is:

YANTRA: "Yantra" is what we have just been studying and looking at - it is the VISIBLE rendition of the earlier spoken-mantra - the idea.

Once you understand their meaning, you can see they visibly display "tolerance" and "love everyone" in picture form. These forms appear everywhere that Esau has control. "Feel-good" pictures of prosperous sons of Jacob helping deprived sons of Esau appear in magazines, TV and newspapers. These are "Yantras".

**Vishnu Yantra Showing  
Overlaid Triangles**

So are pictures of racial intermarriage and pictures of daughters of Jacob merely standing next to sons of Esau. These "Yantras" accustom Jacob to seeing his women in the company of sons of Esau. Yantra pictures showing the joys of multi-culturalism abound.

Followers of Siva (Shiva) and Kali are compelled by their natures to present sex and violent destruction over and over

<sup>6</sup> MANTRA TOLERANCE: "The theory goes like this. Our enemy in Afghanistan is religious extremism and intolerance. It's therefore more important than ever to honor the ideals of tolerance - religious, sexual, racial, reproductive - at home." *Spiritual Manna No 55*, Fritz Springmeier.

and over in their media. It is an inner compulsion that they splash all over their media.<sup>7</sup>

Mantra - verbal repeating and having repeated to you; Yantra - the transition from verbal to visual. Last - Mantra and Yantra come together with its finished product - *Tantra*.

The successful conclusion of Esau's war against the sons of Jacob is the "Tantra" conclusion - where Jacob destroys himself by acting out racial intermarriage taught him by Esau's mantra and yantra..<sup>8</sup>

Mixed-breed children are Tantra proof of Esau Victory. They are like seeing dead bodies of an enemy piled on a battlefield! A successful war won by Esau without the use of force!

Mantra, Yantra, Tantra - The ancient weapon of the Hindu who boast eternally - *"We control the minds of the world."*

### The Lynchburg Trial

If the media follows the usual "mantra", "yantra", "tantra" program their MANTRA will keep the subject before the public. It will repeat and repeat and repeat. YANTRA will show the subject in picture after picture after picture. It will give facts and pictures - loads of facts and loads of pictures. Then, at the last it will present the "facts" that it wants followed so that the TANTRA will result in "not guilty".

Already "Not Guilty" has been flashed before the readers. Already the media is printing letters from the Esau portion of

---

7 "Q: What kind of world do you want to leave to your children? A: A world in which there aren't any white people ..." Leonard Jeffries - (Chairman of African-American studies dept of the City College of NY), [Interviewed by T.L. Stanclu and Nishe-Mohammed, *Rutherford Magazine*, May 1995, p.13]

8 "Keep bashing the dead white males, and the live ones, and the females, too, until the social construct known as the white race is destroyed. Not deconstructed, but destroyed." - Noel Ignatiev, Harvard professor, editor of *Race Traitor* magazine [Washington Times, Sept 4, 2000]

the jury pool telling how tender-hearted, wonderful and good the accused is. Later we might expect heavy emphases placed on the statements of the "defense" that prove prosecution prejudice.

If there is a conviction, it will not be far-fetched to hear about a "miscarriage of justice", discrimination or "Jim Crow". If there is a not guilty verdict - perhaps - "justice at last!"

And - the old "ace in the hole."

In Lynchburg one can count on having blacks on the jury. They will be asked to convict one of their own - one of their own accused by "white-man's" justice.<sup>9</sup>

By the time a decision is handed down - it should take no genius to guess how the local media will view the case.

### Conclusion

**E**sau has grown bold. He boasts of his control of the media and corporate deep pockets which he uses to wage war against the sons of Jacob without their knowledge. The ancients called this concealment "*The Cloak Of Esau*".

This "Cloak" has fallen and now we see. Esau believes that he need hide his designs no longer. This is the age the Scriptures prophesied:

***"(God-The-WORD) will destroy ... the covering cast over all people, and the veil that is spread over all nations." Isaiah 25:7***

---

<sup>9</sup> A Son-of-Jacob finding himself judged by juries containing Sons-of-Esau - will be judged by the laws of Esau's Gods. If he demands a bench-trial from a judge instead - the judge will dispense the law of the God-of-the-land. Sons-of- Jacob can expect justice only when judged by other Sons-of-Jacob who are obedient to the WORD which is God.

As for Esau's boast, "*I (will) slay my brother Jacob.*" *Ge 27:41*. It is laughable. The Scriptures relate God's promise;

*"Thus saith the Lord which giveth the sun ... and the ordinances of the moon and of the stars ... If those ordinances depart ... then the seed of Israel also shall cease from being a nation before Me."* *Jeremiah 31:35-36.*<sup>10</sup>

Esau fights God-the-WORD - a war he cannot win.

### Letter From S. Africa by K.J.

---

**T**hings are getting interesting here. There are major problems brewing between the Xhosas, Zulus and other tribes. Each lies to the other and tries to fill their own pockets at the others expense. The ruling Xhosas keep promises to no one.

It is said that 60% of the blacks have AIDS, but others say that the number is much higher. I believe the last statement.

British propaganda has done a good job keeping British settlers and Afrikaners at each others throats. I visited a friend whose mother was British and her father an Afrikaner. After the mother's death we learned from her daughter that the mother and all her English friends had always hated us with an implacable hatred.

She is by no means the only one. Every single story in English newspapers lets no opportunity pass without making a nasty remark about Afrikaners. This attitude does not carry over to pro-empire Afrikaners like Jan Smuts who is their hero in spite of his terrible English.

## DEATH of RUSSIA

### Death of Russia

**T**he following was taken from *Pravda*.

"The birth rate of the Russian Federation ... is below the line of natural reproduction .... If this continues, the Russian population will be reduced to 74-76 million people by 2040.

"Taking the current death and birth rates into consideration, the Russian population can be expected to drop to 25 million people in 100 years." (Viktor Sysenko,

Director, State Research Institute of Family and Up-bringing)

"Approximately 44 million Russians are below the poverty line. They don't get enough to eat, are poorly dressed ... about eight million Russians are currently unemployed ...

"Sociologists say that this demographic decline is connected not only with mass poverty, but also with the destruction of the Russian family and declining morals.

"Regarding divorce, Russia is currently in second place to America. ... The number of illegitimate children made up 21% of the total amount of children born in 1995, and the level reached 28% in 2000. In some regions, the Far Eastern region ... illegitimate children make up 40%." <<http://english.pravda.ru/main/2002/11/25/39935.html>>

### **Lawless Russia**

Russia has been Lawless for a long time. It was made even more lawless by its 70-odd-year experiment with atheist Communism. The result is an incomprehensible, almost unbelievable, crime wave that has enveloped the country making business, government, social and international activity extremely difficult. It is now a land where a man's word means nothing, contracts mean nothing - stealing, deception, lying, manipulation are the way people live to survive. "Mafias" replace government. There are hundreds and thousands of them. Russia's corporations have been privatized into their hands. They have branches in other lands. Murdered men lie in the streets. The country is almost ungovernable.

Russia is dying. *Pravda's* prediction is that in 100 years it will virtually cease to exist.

Same old - same old.

### India Again

**A**s we have noted before, long ago our Aryan kinsmen invaded India where they encountered black inhabitants called Dravidians. How they conducted themselves must be compared with how they should have conducted themselves.

The WORD is our operation manual. It instructs us how to act in any given situation. First, it establishes its authority:

*"This is the book of the generations of Adam." Gen 5:1*

It tells us;

*"God created man in the likeness of God." Gen 1:27*

Man who obeys the WORD his creator - lives. Those who disobey die. It's that simple.

*"He that sinneth against me loves death." Prov 8:36*

The WORD gives the solution to every problem that man has or will ever have. When dealing with strangers man is commanded to act in the following manner:

*"Thou shalt drive them out before thee. Thou shalt make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me." Ex 23:31- 33.*

In India our kinsmen built magnificent cities. Archaeologists working today in the ruins of these cities wonder what happened to the builders. They can stop wondering. They disobeyed the WORD and God destroyed them.

*"They were mingled among the heathen and learned their works." Ps 106:35; "If thou wilt not ... do all the*

*words of the law ... ye will be left few in number." Deut 58:66*

The Aryans disobeyed and the curse came. India became a pesthole of deception, disease and war - like Russia today.

In a desperate effort to retrain Russian citizens not to lie, cheat, or steal so that they can be governed, Russia's rulers have done the unthinkable, they have invited Western evangelicals to come and spread the "good news" - the news that Russians must not lie, cheat or steal - and they must obey their government.

### **Buddhism vs The WORD**

**T**o compare Buddhism with the ancient WORD - God of Adam-man - one must know the 10 Commandments.

#### **Ten Commandments**

*1 - Only one God - Ex 20:3*

*2 - No substitutes or graven images - Ex 20:4*

*3 - Don't take His name in vain by asking for things unLawful - Ex 20:7 (Matt. 5:33)<sup>1</sup>*

*4 - Rest 7th day - (Ex 20:8-9; Ezek 20:12; Luke 13:14)*

*5 - Honor parents - (Ex 20:12; Lev 19:3; Deut 5:16; Eph 6:2)*

*6 - No Murder - (Ex 20:13; Rom 13:9)*

---

<sup>1</sup> The unLawful unforgivable sin: "Now if thou closeth thy mouth and thy nostrils against the winds of heaven and sayest, 'The air is as poison to me, I will not breathe it,' behold thou perishest. ... If he shall say knowing in his heart ... 'I will call good evil, and the Holy Spirit I will call unholy: then lo, his spirit dieth within him, and he can no more enter into the life of God.' ... (or) 'Lo, the truth is not pleasing to me, ... it is hateful, therefore I will call it evil.'" Philochristus 13:20-21.

**7 - No Adultery - commercial, written, verbal,  
religious, racial - (Ex 20:14; Deut 5:18)**

**8 - No Theft - (Lev 19:11)**

**9 - No Lying - (Ex 20:16; 23:1; Deut 5:20)**

**10 - No Coveting another's possessions - (Ex  
20:17)**

These ten basic Laws with their examples comprise 1/3 of today's King James Bible and form a platform on which the other 2/3 of God's Commandments that establish God's government for Israel can be built.

The other 2/3s instruct Jacob not to have kings, monopolies, taxes, and that the land is to be divided and never sold; they are not to war with their kinsmen - unless directed to do so by the WORD - and there are to be no strangers in their midst.

The above are just some of the statutes telling what the WORD requires to build a sound government. The following tells us not to worry about other nations and their Gods, or compare them and their Gods with us and our God:

*"There are many nations ... all are his, and over all has he appointed spirits (Gods) to rule ... but over Israel ... he alone is their ruler." Jub 15:23;*

The Sons of Jacob are made in the image of their God. Other peoples are made in the image of their Gods. To avoid having strangers turn on us and rend us, we are ordered to take our "pearls" to our own people and be separate from strangers. Esau attacks us with guns, planes, explosives and media invented by our own kind.

*"Neither cast ye your pearls before swine, lest they ... turn again and rend you." Matt 7:6.*

This Commandment is of such extreme importance that it is repeated again and again and again:

*"Son of man, go, get thee unto the house of Israel, and speak with my words unto them. For thou art not sent ...but to the house of Israel." Ez 3:4-5;*

*"For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land." Ezekiel 36:24*

*"For thou didst separate them from among all the people of the earth, [to be] thine inheritance, as thou spakest by the hand of Moses thy servant, when thou broughtest our fathers out of Egypt, O Lord GOD." 1Ki 8:53*

*"He showed his WORD ... his statues and his judgments unto Israel. He hath not dealt so with any nation." Ps 147:19-20.<sup>2</sup>*

We learned earlier that after Jesus, "the WORD made flesh", an anti-christ named Marcian held sway and insisted that the God of the "Old Testament" was dead along with his Laws - and that he, Paul, and Jesus comprised the new trinity.

---

<sup>2</sup> *"You only have I known of all the families of the earth." Amos 3:2; "For thou didst separate them from all the people of the world to be thine inheritance." 1 Ki 8:51; "The Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth." Deut 7:6; "Ye shall be holy unto me: for I the Lord am holy, and have severed you from other people, that ye should be mine." Lev 20:26; "Ye shall be a peculiar treasure to me above all people: for all the earth is mine." Ex 19:7; "So shall we be separated, I and all of Thy people, from all the people that are upon the face of the earth." Ex 33:16; "Separate yourselves from the people of the land, and from the strange wives." Ezra 10:11; "Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitudes." Neh 13:3; "And the seed of Israel separated themselves from all strangers (5236 nekar - strange, alien)." Neh 9:2*

Marcian taught that God's Commandments were abolished and everyone should follow the laws of Rome.

Since "Marcianism" in its many forms is still around, a footnote below is provided to debunk this nonsense once and for all. God's Law - His Commandments - remain alive and well in the NEW Testament as well as the OLD. The New Testament is merely a continuation of the Old Testament.<sup>3</sup>

## War Of The Gods

There is Jacob and there is Esau; Jacob is a nation - Esau is multi-national - a mixture of many nations. Jacob's God is God the WORD. Esau has many Gods - almost all containing the teachings of Buddha minus the Biblical Commandments on setting up a government.

## BUDDHA

**B**uddha: Originally Siddhartha Gautama. 563-483 B.C.. Indian mystic and founder of Buddhism. He began preaching after achieving supreme enlightenment at the age of 35. (*American Heritage Dict*) It is supposed that his teachings were the salvaged remnants of the WORD that had arrived with the near-vanished Adam-man.

## Buddhism

Buddhism as we know it today developed in three stages.

\* First, there was Buddha.

---

<sup>3</sup> "These twelve Jesus sent forth, and commanded them, saying, Go not unto the way of the Gentiles, and unto any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel." Matt 10:5,6; "I am not sent but unto the lost sheep of the house of Israel." Matt 15:24; "As my Father hath sent me even so I send you." John 20:21; "I pray not for the world, but for them which thou hast given me, for they are thine." John 17:9; "Come out from among them, and be ye separate, saith the Lord." 2 Cor 6:17.

- \* Second, King Asoka, his disciple, added his opinions.
- \* Third, Brahmins of the Hindu religion absorbed Buddhism, and added *Nirvana*.<sup>4</sup>

### **Buddhist Precepts**

Buddhism is often said to be the most moral religion in the world - after Christianity. Buddhist law is mostly a compilation of parables. In addition, Buddhist monks must promise to obey the following:

1. *Not to destroy life.*
2. *Not to steal.*
3. *To abstain from impurity.*
4. *Not to lie.*
5. *To abstain from intoxicating drinks, which hinder progress and virtue.*
6. *Not to eat at forbidden times.*

In Buddhism, personal indulgence, theft and murder would cause the one who committed them to be expelled from the company of other Buddhists. Buddhist monks are allowed to possess only eight articles: three robes, a girdle for the loins, a begging bowl, a razor, a needle and a water cup. However, his religious order was allowed to own property - a whole lot of property.

### **Asoka Adds To Buddhism**

More people know the name "Asoka" than know the name "Jesus Christ". The official story is that Asoka converted to

---

<sup>4</sup> NIRVANA: Oblivion, nothingness, death.

Buddhism, added his own opinions in the form of edicts, and then used his form of Buddhism to conquer the world.

Asoka's missionaries were highly trained and well looked after. With this sponsorship their Buddhist message quickly spread to Tibet, China,<sup>5</sup> and Mongolia. It spread to Japan and parts of SE Asia and Ceylon. Asoka sent missionaries overland to China and by sea to South China.

Missionaries went to SE Asia - Burma, Siam (Thailand), Cambodia, Java, Borneo, and Malaya. It was taken by Chinese monks in middle 5th century to Korea and from there to Japan in middle 6th century.

For many centuries, this area surrounding the S. China Sea was a kind of 'Further India', ruled by Indian princes, filled with Indian traders, and instructed by Indian religions, mostly Buddhist.

Buddhism became the official religion of Japan. The emperors used it to spread their power. In Japan, most are Shintoist-Buddhist. In China, Buddhism-Confucianism/Taoism.

Buddhism and Asoka were both creations of India's Brahmin priesthood. Following are the stories of how these momentous events were brought about.

## Temple Wealth

King Asoka long ago "privatized" the people's wealth by transferring 1000 million gold pieces to the Monastery of Kukkutarama and to missionary work.<sup>6</sup> One thousand million

gold pieces was a lot of money in those days. It's the type of thing that the International Trade Cartel puts governments in power to do.

### How To Install A King

Before Asoka's time, the ruling king was named Dhana Nanda. This king seriously offended a Hindu priest, a brahmin named Kautalya. In India, to offend a Brahmin is worse than murder or high treason. The offended Hindu priest removed the ruling king who had offended him and replaced him with one more docile. This is how he went about it.

He found a boy of royal blood living in poverty whose name was Chandragupta Maurya. He used this boy as a figurehead leader of a revolt by claiming he was actually the true ruler who had been kidnaped when he was born. Tax protesters joined in and the revolt was successful. The year was 321 B.C.

Thus, we see that the founder of the powerful Maurya dynasty was created by the Hindu priesthood using the serpent of deception. This explains why his grandson, King Asoka, transferred 1000 million gold pieces to the Monastery of Kukkutarama. Kings then were agents of Hindu priests and did what they were told to do - just as they do today.

### Asoka's Edicts

**A**soka the Great, agent of the Hindu Brahmins, used Buddhism as a state religion to control his turbulent subjects by controlling their minds. He took Buddha's basic beliefs and modified them by adding his own

---

<sup>6</sup> *India's Royal Missionary*, Emil Lengyel, Franklin Watts, Inc., 575 Lexington Ave, NY NY 10022, c1969, p.132

edicts called "Rock Edicts". They were called "Rock Edicts" because he had them chiseled into rock monuments and placed at crossroads all over his kingdom.

Basic Buddhism combined with Asoka's edicts were exported over the world - changing to adapt to differing conditions - and conquering each nation it entered. Asoka's Buddhism requires its followers to be obedient to their government. Local rulers themselves could do as they liked while requiring their subjects to obey Buddhism that taught individuals not to lie, cheat or steal, and to obey authority. Once indoctrinated, people began to behave as sheep which are the kind of subjects that all rulers like. Chaos became a thing of the past - for a little while.<sup>7</sup>

Following is a one liner that synthesizes Asoka's Buddhism. It is the most quoted Buddhist mantra:

*"One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C.*

"Tolerance" was the basic theme. The following is an example:

"Alone among the major world religions, Buddhism does not condemn homosexuality or premarital sex. The emphasis on Buddhism is on achieving a state of enlightenment, but the religion provides only guidelines, not strict commandments, as to how individuals should strive for this. Rape and adultery are considered misconduct, but an individual is free to engage in consenting sexual acts that do not violate marital monastic commitments." *Church Policies on Gay Concerns*, pp 234-239.

---

<sup>7</sup> Buddha is worshiped as a god in many lands. King Asoka's wheel is India's symbol.

Since Esau is multi-national, his variations of the Buddhist religion are also multi-national. Following are other edicts Asoka added to Buddhism. They can be found in the book *The Edicts Of Asoka*, Translated by N.A. Nikam & Richard McKeon, Univ. Chicago Press, ©1959 by Univ. of Chicago.

- \* **Charity and kinship of all mankind.** Rock edict XI p.44
- \* **Dharma tolerance** - "the most important conquest." p.27.

### **Missionary Work**

This following inscription reveals the technique used to spread Buddhism:

"King (Asoka) says: My officers charged with the spread of Dharma are occupied with various kinds of services beneficial to ascetics and householders, and they are empowered to concern themselves with all sects. ... Different officials are thus assigned specifically to the affairs of different religions, but my officers for spreading Dharma are occupied with all sects."<sup>8</sup>

Adapted to today's conditions in Christendom, all Protestant and Catholic sects are infiltrated by Buddhist (or Hindu) Dharmamatrass trained specifically to deal with the group to which assigned. Some pose as Protestant evangelists - others pose as Catholic Jesuits. Episcopal religions - rule from the top down - are especially targeted and vulnerable since controlling a few permits control of many. Think about it.

In Asoka's lifetime the charge was made that Asoka had changed Buddhism into something else. His propaganda machine responded this way:

"Brahmins began to appear in the guise of Buddhist monks. Asoka began to worry that they were trying to 'reinterpret' Buddha in line with their own interests."<sup>9</sup>

This makes it appear that Asoka was aware of the threat and was taking steps to prevent it. In fact, the entire Chandragupta dynasty including Asoka were cartel creations. There was no threat - the takeover of Buddhism was an accomplished fact.

## Proof Of Conquest

Engraved in stone for future generations to ponder was this statement as to the effectiveness of Asoka's Buddhist mind control.

"King (Asoka) considers moral conquest (that is, conquest by Dharma), the most important conquest. He has achieved this moral conquest repeatedly both here and among the peoples living beyond the borders of his kingdom, even as far away as six hundred (yojanas) (about 3000 miles), where the yona (Greek) king Anti-yoka rules, and even beyond Antiyoka in the realms of the four kings named Turamaya, Antikini, Maka, and Alikasudara, and to the south among the Cholas and Pandyas (in the southern tip of the Indian peninsula) as far as Ceylon."<sup>10</sup>

The above reveals the extent of Buddhist-Hindu religious-political conquests in far distant lands. The date 258 BC is the latest date at which all five Greek kings could be referred to simultaneously and therefore fixes the approximate date of the edict.

The Buddhist state-religion from India exported to the Greek and Roman classical world is why the WORD had virtually disappeared there. Jesus - "the WORD made flesh" - returned the WORD to save his people from *Nirvana* - the universal death desired by the Hindu and spread by the Buddhist missionary.

---

<sup>10</sup> "The five kings referred to have been identified as follows: Antiyoka = Antiochos II Theos of Syria (261-246 B.C.); Turamaya = Ptolemy II Philadelphos of Egypt (285-247 B.C.); Antikini = Antigonos Gonatas of Macedonia (278-239 B.C.); Maka = Magas of Cyrene (300- 258 B.C.); and Alikasudara = Alexander of Epirus (272?-258 B.C.) *Ibid*, p.29.

## **Hindu Merchants**

While this was going on, Hindu-Brahmins, who controlled usury banking, sent their agents through the doors opened by Buddhism to lend borrowers ten for 11 when only 10 of the thing lent was in existence - thereby reducing the borrowers to slavery and in time - death.

## **Russia Revisited**

Today, Russia's population is imploding. Her economy is in shambles and Lawlessness is rampant. Her wealth has been privatized to strangers. This is how it is supposed to be. It was planned this way.

Survivors of the conquering Khazarian Empire were allowed to remain in Russia and Poland after those lands had been reconquered by the Russians and Poles instead of being driven back where they came from in obedience to the WORD. They were allowed to remain and their usury practice allowed them to conquer the people who had conquered them.

Russia's king was head of the Eastern Orthodox Christian Church and he appointed nobles to help him rule the Russian people.<sup>11</sup> In a time of crisis, the aliens fomented a revolution, took over the country and killed more than 20,000,000 Russian- Saxons - most of them dying unspeakable deaths in gulags. To prevent a counter-revolution, the new rulers suppressed the entire Law system of the WORD and the country gradually descended into chaos. With nothing more to be gained, most of the aliens migrated to greener pastures.

---

<sup>11</sup> Dharmatized populations and markets require a king to manage the merchant's wealth and servants. He enforces his employer's directives as the law of the land superseding the WORD.

Today, Russia's rulers want Dharma-trained "Christian" evangelists to come from other lands to Russia to teach Russians not to "lie", "cheat" or "steal" - just that - nothing more. They want nothing to do with the 2/3s of the Scriptures that teach how Christian "government" is to be run. They just want everyone not to "lie", "cheat" or "steal" and, of course, *obey the king*.

### **Christianity - Two Kinds**

There is *Christianity* and there is *Christian-Buddhism*; One teaches people the Laws, Statutes and Judgments; the other teaches people not to lie, cheat or steal - and leaves government to the rulers.

\* The first teaches; *"We must obey God rather than men."*  
*Acts 5:29*

\* The second teaches; *"One shall not condemn another religion or race by word or deed."*

### **Conclusion**

Many years ago, Esau said, *"I (will) slay my brother Jacob."* *Gen 27:41*. This was not an easy thing to do because Jacob was invincible when he obeyed the orders of his God, so Esau resorted to trickery, a thing he did naturally, for as the Scriptures say, *"Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds."* *Jasher 29:20*.

His plan was simple: he would create a counterfeit God and substitute his counterfeit for the real one. In this way he would steal their minds.

First he created a counterfeit money system called "usury"<sup>12</sup> Usury gave Esau an unlimited supply of money.

Next he created a counterfeit religion. He did this by taking the teachings of a religious scavenger named Buddha, combining them with Asoka's Edicts, and placing the concoction in the hands of Brahmin rulers. The result was a counterfeit religion whose true object was "*nirvana*".

Esau then used his wealth to train Dharmamatra agents. These were sent worldwide. They hired locals as agents to substitute Esau's counterfeit religion in the place of Jacob's - for a price. Esau knows Jacob's weak spot. Jacob's Scripture warns: "*The love of money is the root of all evil.*" I Tim 6:10.

Dharmamatras hired Jacob's own children to be his agents and betray their own brothers for a few pieces of silver, simple tax exemption, larger salaries or pulpits, or, access to the riches of Esau's media; These hirelings agreed to turn their own people from the WORD to the counterfeit God of Esau, a counterfeit Jesus, who speaks the words of Buddha.

This is why the WORD curses them;

*"Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves."* Matt 23:15

In this manner, many of Jacob's sons have been persuaded to kiss the feet of Buddha thinking he is Christ. No longer are the words taught forbidding usury, monopoly, sodomy and strangers in the land.

---

<sup>12</sup> Usury is lending 10 units when only 10 units of the thing lent is in existence - while requiring the repayment of 11 of those units, or forfeiture of assets. This creates an oxymoron. An "oxymoron" is an impossibility. Given time, *Usury* logically results in ALL property falling into the hands of one usurer. Ezek 18:13; Deu 23:20

No longer is Jacob taught *"So shall we be separated, I and all of Thy people, from all the people that are upon the face of the earth;"*

Instead he is taught *"One shall not condemn another religion or race by word or deed."*

Russia is dying. The West is dying. We see God's promise being fulfilled before our eyes;

*"If thou wilt not ... do all the words of the law ... ye will be left few in number ... ye shall be plucked from off the land." Deut 58:66*

Jesus, the WORD made flesh said: *"I am come that they might have life, and that they might have it more abundantly."* John 10:10.

He said, *"The land is mine."* Lev 25:23. He will enforce his WORD in his own land.

Unfortunately for the Children of Jacob who, for whatever reason, follow Buddha instead of the WORD - there is this command;

*"Mine enemies, which would not that I should reign over them, bring them hither, and slay them before me."* Luke 19:27

Those who teach Jacob not to "lie", "cheat" or "steal" while allowing them to violate the rest of the Law - sin against God. It is written, *"He that sinneth against me loves death."* Prov 8:36

Buddha offers *Nirvana* - death. Jesus, *"the WORD made flesh"*, offers life. Woe unto you who follow Buddha to your reward.

## LETTERS

---

PROGRESS REPORT: "Dear Mr. Hoskins: Positive news. I arrived 6 months ago and found our kind prey for the other tribes of Esau. Our people are few, scattered and vulnerable - the young ones were hard pressed to trade sex for favors - a death sentence because of AIDS. Since then we have grown to 20. We meet to discuss our religion, our history, and what our God expects from us. They are all younger with short sentences to do and want to make a difference.

"There is overwhelming sense of hope in the air. I can feel it! It's no longer a long and hard fought battle to get guys to see the light. Now, it only takes a few minutes, if that, and they're bought in into God's Covenant. I think it is due to the fact that everyone is becoming more and more aware that multiculturalism is a lie. They finally are realizing that they have a duty and a right to maintain their identity. Even the ones who don't know the true history behind "slavery" and "WWII". When I first meet them they have no guilt about it. It is a refreshing breath of crisp, clear air. In other words, people are beginning to see through the media nonsense on their own, without any guidance.

"There is a backlash to Esau's media. People in other facilities write and tell me the same thing. There is a refined sense of hope! While I still have to go through heated debates with some guys before they come around, more and more are already halfway there. And, if this is happening in here where a guy will be put at great risk for even mentioning that they believe the Biblical teachings, imagine what is going on out there! I think this is truly something to be thankful for. With

that I will close. Merry Christmas and a joyous new year."

## MATRIARCHAL FAMILIES

### Eastern Europe

**T**he June 2005 *National Geographic* had an interesting article about a people called the *Csángó* (pronounced "Chahn-go") who live in the Romanian region of Moldavia in Eastern Europe near the Black Sea. These people are descended from followers of Arpad, Hungary's<sup>1</sup> founder,

---

<sup>1</sup> "Hungary - land of the Huns."

and according to them are lineal heirs of Attila the Hun some 700 odd years ago. Ethnologists say their belief systems are directly related to those of certain Kazakh tribes in northern Mongolia.

Most are Catholic-Christians who are often witches and fortune tellers. Many resemble Europeans with whom they have intermarried. But, after 7 centuries they still carry the hallmarks of the nomads of the Mongol-Turks of the east.

They are matriarchal. The woman is head of the family. This system seems strange to Europeans who are taught that the "family" is a husband and wife with the husband accountable to the WORD.

This Western world view is not shared by nomads where a man is seldom around the house. It is usual that the man is out food gathering or, in the case of the predator races, away trading, raiding and killing neighbors to obtain their wealth.

Hun men, the Csángó forebears, were warlike predators who often lived away from their women for extended periods - sometimes years. The women had no way of knowing whether their men were living or dead. This resulted in Hun women having to care for themselves and survive on their own.

"Marriage" among these people doesn't mean the same as it does to us. A raider might return with loot from raids and think nothing of finding his family increased by several little additions left by substitute "husbands" during his absence. The Hun male on the move had little in the way of worldly possessions and what he gathered he brought to his "wife". Once again, the "husband and wife" concept is not the same to Esau as it is to Jacob.

To manage her "family wealth" the wife of the nomad was aided by an uncle or some other family member. It was a

complicated society. Families traced their ancestry through the mother - the only practical thing to do when it was possible that none of the children had the same father.<sup>2</sup>

### Two Door Cabins

Many early Virginia families with large families had homes with two front doors. One entered the ground floor passing through the bedroom of the mother to reach the room where the daughters slept. The other front door led to the 2nd floor bedroom or "loft" where the boys slept. This system carried over into rooming houses, colleges, and hotels. Since it is unlawful for Saxon men to marry women who are not virgins, parents went to great lengths to ensure that their daughters were virgins otherwise a man would not take her as his wife.<sup>3</sup>

It was different with the *Csángó*. Their cabins also had two doors in front. One door was for family use, the other door was for the use of their teen-age daughter's lovers to come and go. When they talk to Westerners they say that this practice has long been discontinued - a statement one expects from Esau's people who practice the "36- *Techniques of Deception*" (see HR 365).

---

2 ITC installed governments usually introduce government forms requiring the "mother's name" - a normal requirement when the current "father" may have nothing to do with a person's biological existence.

---

3 "(A priest) shall take a virgin of his own people to wife." *Lev 21:14*; "And if a man entice a maid that is not betrothed, and lie with her, he shall surely endow her to be his wife." *Ex 22:16*; "Let the Hebrews marry... virgins... and no... harlot, whose... prostitution of her body, God will not receive... If any one has been espoused... to a virgin, and does not afterward find her so to be, let him... accuse her... if the damsel be convicted, as having been corrupted... let her be stoned, because she did not preserve her virginity till she were lawfully married." *Antiquities 4:8:23*

### Today's World

Not much has changed. Instead of being away raiding distant nations, most of the men today are away working, or doing their thing, in other parts of the world. They send their money back - as one might expect - and when they return often find their family grown by several little members.

Marriage customs are not that different elsewhere in the world of Esau. Many African tribes have a custom that forbids the "husband" to enter his own hut if he sees the spear of his wife's male visitor leaning against the doorway.

Certain American Indians felt slighted if whites did not "marry" one or more of their women for a few days while visiting.

Eskimos are said to hospitably offer their women to warm a visitor's cold nights.

One should note that in Tibet a woman may have several husbands, usually they are her husband's brothers, but not always.

### Deva Dasi

**I**n India there was a custom called *Deva Dasi*. This is how it is described in *Am I A Hindu*, Ed Viswanathan, Halo Books ©1992, San Francisco, p.234-235.

"The Deva Dasi system was set up initially somewhat like the Christian nuns, where girls from good families were donated to God for taking care of temples.

...

"They used these young girls as temple prostitutes. ... A girl was donated to the temple at the age of seven or eight. The girl was immediately married to the deity, which was usually Lord Krishna. Later the temple priest

or someone in the royalty would make her lose her virginity. ...

"When a Deva Dasi girl became a woman .... she was allowed to wander around the country leading a life of prostitution. ..."

The article goes on to say that *Deva Dasi* is no longer practiced, but our eyes tell a different story. Esau's Hollywood practices a flagrant *Deva Dasi* system. Its painted trollops sporting new Saxon names, along with their boy-toys, often travel to India to study various forms of Hindu-Buddhism, or study the Kabbalah and Talmudism from rabbis to justify their lifestyle. At one time their rotating mates were given the title "husband". Now they don't bother with this hypocrisy. Their children have as many different fathers as their *Csángó* cousins to the East. The latest male in their lives is often expected to be just as temporary as those who went before.

*Deva Dasi* is the standard Esau's media wishes to make universal.

### Jacob's Love

The love of Esau is a Hollywood "huggy-huggy, kissy-kissy" love - something entirely different from Jacob's love - which is dictated by love of God's LAW.

*"For the Law ranks above affection for parents, so that a man may not for their sakes surrender his virtue, and it overrides love for a wife, so that if she transgress, a man should rebuke her, and it governs love for children, so that if they are naughty a man should punish them, and it controls the claims of friendship, so that a man should reprove his friends if they do evil.*

*"And do not think it a paradoxical thing when Reason through the Law is able to overcome even hatred, so that a man refrains from cutting down the enemy's orchards, and protects the property of the enemy from the spoilers, and gathers up their goods that have been scattered." 4 Maccabees 1:40-41 (Lost Books)*

### Back To Basics

**T**he WORD is in two parts: One-third orders the individual, two-thirds orders the nation. To ignore the first is to destroy one's self. To ignore the second is to destroy the nation. Scripture; divided two parts

The WORD divides the world into the world of Jacob and the world of Esau.

In our world the sons of Jacob are to have no wives of the daughters of Esau. Just as Moses put away his alien wife - so must all others do the same. The Scriptures say:

*"Let all them of our habitations that have strange wives come at the time appointed. And with them the rulers and judges of every place, till we turn away the wrath of the Lord from us for this matter. ... All these had taken strange wives, and they put them away with their children." I Esdras 12-13, 36*

Just as Jacob is not to take Esau's women - Esau is not to take Jacob's women.

### Dinah

**O**ne of the best known stories is the one about Dinah, the sister of Jacob's sons. She was raped by a stranger. Jacob's sons retaliated and destroyed both the rapist and his entire people because they made no effort to prevent the defiling of one of God's people.

*"They brought by force Dinah, the daughter of Jacob ... the Hivite prince of the land slept with her and defiled her ... Jacob and his sons ... slew all the men ... because they had dishonored their sister Dinah. ... and never again shall it be thus in Israel, that a daughter of Israel be defiled. And if there is any man in Israel who desires to give his daughter or his sister to any man who is of the seed of the Gentiles, he shall surely die ... And to this law there is no limit of days and no ceasing and no forgiveness ... Moses, commanded the children of Israel ... that they shall not give any of daughters to the Gentiles and that they shall not take any of the daughters of the Gentiles ... and if they blind their eyes to those that commit uncleanness ... then shall the whole people together be punished." Jubilees 30:1-13*

### Whores

**T**he WORD assumes that the reader knows the basic Law *"Thou shalt be no whore of the daughters of Israel."* Deut 23:17. This prohibition is reiterated time after time.

*"Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make them the members of a harlot? God forbid. What? know ye not that he which is joined to a harlot is one body? for two, saith he, shall be one flesh." I Cor 7:15-16<sup>4</sup>*

And since a Saxon family is an undivided unit consisting of both a man and his wife - the prohibition against whoredom is directed at both man and woman:

---

<sup>4</sup> *"They shall bring out the damsel ... and the men ... shall stone her ... that she die: because she hath wrought folly in Israel, to play the whore." Deut 22:21.*

*"Whoremongers and adulterers God will judge." I Cor 6:9*

The WORD organizes families of the children of Jacob - which consists consists of a man and his wife. The two are one - a unit - one body. It is *patriarchal*. The man leads - his wife helps and advises. The work and accomplishments of this unit is often phenomenal.

BETTY FRIEDAN

Credited with laying the groundwork of the modern feminist movement with her 1963 bestseller, *"The Feminine Mystique."*

## Matriarchy & Women's Lib

Recently, Betty Friedan died. Esau's media mourned her passing. She was a daughter of Esau - one of several who skillfully taught the matriarchal system of her ancestors - today called "woman's lib" - to a whole generation of Saxon women. The results have been disastrous.

The number of matriarchal families in the West has mushroomed as woman's lib has destroyed traditional marriage and the resulting divorces have largely destroyed the "patriarchal" system. Saxon women with a child or two in tow find it difficult to secure a husband to take care of them and their offspring. The consequence is that they often tend to live near the poverty level. The number of Saxon children raised this way, without male influence and guidance, has soared. These children tend to accept matriarchy as normal.

Matriarchy has also encouraged birth control and abortion. Over 40,000,000 of our children have been slaughtered as offerings to Kali. *"They sacrificed their sons and their daughters unto devils." Ps 106:37*<sup>5</sup>

Esau's media promote women for election to public office to rule over the men - which the WORD considers a curse. *"As for my people, children are their oppressors, and women rule over them." Isaiah 3:12*

Compounding the evil, Esau's women often seek temporary mates from among the children of Jacob while their own "husbands" are away.<sup>6</sup>

## Communist Manifesto

Fifty years ago the Communist Manifesto was castigated in the Esau's media. While the public soaked up the Communist-bashing, the politicians elected by the same media busily enacted the Manifesto's ten planks into law. Now, criticism has become *passé*, it has become law.

Of interest is its 8th plank, section ii. It states that Communism requires *"... an openly legalized community of women"*. This is its way of saying that Esau's women - the "wives" of often absent predator-warriors - will be looked on as a force in their own right - including recognition of a code of conduct that Western host nations consider abominable.

---

<sup>5</sup> *"Before I formed you in the womb, I knew you; and before you came forth from the womb, I sanctified you, and I ordained you." Jer. 1:5; "Whosoever he be of the children of Israel that giveth any of his seed unto Molech, he shall surely be put to death" Lev 20:2*

---

<sup>6</sup> *"We have trespassed against our God, and have taken strange (zêwr) wives of the people of the land ... Make a covenant with our God to put away all the wives, and such as are born of them." Ezra 10:2-10*

This results in sodomy taking place among Esau's distant warriors being tolerated as well as sodomy among their women who are left behind. It explains the ready acceptance of having the state care for their offspring who are often ignored, abandoned, or orphaned by distant sires.

This is a logical solution for people like the nomad *Csángó*, and when introduced into the lands of Jacob where a man and woman function as a team, the consequences are disastrous.

Saxon men - taught to be able to care for a wife before they marry and have sex - no longer have to wait; Esau's media says that whoredom is acceptable, Esau's controlled pulpit is silent, and Esau's political agents enforce acceptance and see to it that the state cares for accidental offspring.

"State aid" for illegitimate children places a heavy financial strain on traditional families forcing them to make personal financial sacrifices. This tends to limit the number of their own children.

The result - since Jacob permitted the stranger into his lands he grows fewer in numbers. Only 1.6 children are born per Western family instead of the minimum 2.1 required to maintain a constant population.

If this is allowed to progress to its logical end, the white devil will be removed and the door opens to *nirvana*.

## Conclusion

Esau's women are different. In times of national emergency, Saxon women have stepped forward to do jobs that no one else could. Scripture acknowledges this fact; "*O Woman, nobler to resist than men, and braver than warriors to endure.*" 4 Maccabees 7:22.

It was was Judith who took the head of *General Holofernes* and delivered the Israelites from the armies of Emperor Nabuchodonosor (HR 371). It was Ildico, the German princess taken by Attila the Hun to defile, who killed him - accomplishing a feat beyond the ability of the combined Goth-Roman armies (HR 215).

The accomplishments of our Israelite women are without number. However, their real glory is acting as help-mates and advisors to their husbands. Jacob's combined man-wife team makes fewer mistakes and accomplishes more than Esau's "women's-libers" have ever done.

Khazar cousins of the *Csángó* brought "woman's lib" to the lands of Jacob where it has created chaos. This is part of Esau's ongoing war with Jacob.

In history, Esau's apparent string of successes ended when their leaders were taken from them. In addition, Esau's worst enemy remains Esau. He eternally fights with himself. We watch his method of warfare and learn the techniques he employs against his brothers which he intends to use against us tomorrow. This will occur as the law systems of the many Gods who have accompanied Esau's people to our lands come into conflict with each other. When that happens, matriarchy will be burned away in the fiery furnace as a new-tested Saxon nation emerges with its man and wife family unit as its cornerstone.

### **Letter From S. Africa by K.H.**

---

Blacks are flooding S. Africa from other places. The ones squatting on nearby river banks complain about conditions.

They expected VIP treatment when they crossed the border instead of being ignored.

There was a commotion in Diepsloot when a small monkey turned up. The blacks suddenly discovered that it was bewitched and had turned into a much larger baboon. They are a primitive and superstitious people.

They have now polluted the surrounding water sources so that we can expect cholera to appear anytime. It will have a devastating effect on them.

The black regime has issued a new decree. Trials are to be held for our soldiers accused of "crimes under apartheid". DeKlerk and his cabinet never saw to it that our soldiers who fought bravely against communism in lands outside S. Africa would get amnesty. In the forefront is the red Desmond Tutu and SACC.

Namibia accused our men of killing their SWAPO soldiers. But at that time the UN was in command under Marti Ahtisaari and our men had been disarmed and sent home to S. Africa. A few were left as border-guards. SWAPO saw this as their opportunity to invade S. Africa. The border soldiers warned the UN about the enemy build-up, but nothing was done. At last, a phone call was made to Perez de Cuellar, secretary-gen of the UN and he gave permission to repulse the invasion. As our men had been disarmed they were forced to use their own personal firearms to drive SWAPO back in a series of 63 encounters. Not possessing vehicles or helicopters, we lost many men unnecessarily, but the invaders were driven back over the borders in nine days.

Peter Stiff was our war correspondent and he made careful notes and published them in a book on the incident. SWAPO left their dead for our men to bury. The story of a mass grave

was false. The men serving in that battalion were the best in the world in bush warfare.

With the black revenge campaign under way against whites, not a word is said about the daily on-going rapes. It is a low intensity war, but a war no less. It forces us to be on alert at all times.

Last Sunday, Hans saw a few blacks in the distance hiding in the long grass next to the road leading to our house. He used a large mirror to reflect sunlight on them as a way to distract them. While they tried to hide from the reflected sunlight, Maria turned the bend in the road and saw two large rocks they had placed where the road turns - a perfect ambush. Luckily, Hans kept the five blacks occupied long enough for Maria to roll the rocks away and drive into a neighbor's place. Hans then went and escorted her home. The English press is mostly silent about this new kind of warfare.

We only have 9 heart specialists left in the whole country. The rest have moved to greener fields. To think of all the successful transplants that were done here in the Groote Schuur hospital - . The same goes with other medical branches. Even family doctors are in short supply. More of us have to turn to homeopaths. Unfortunately, they are just as expensive. Strangely, the anesthetist, who only sees a patient for a few minutes, charges three times as much as the surgeons.

We went down to see the Loeries. Two of the children went home as their parents situation improved and I think two new children have come to take their place.

The TV E-news last night said that the regime will begin large scale confiscations of white farms starting next month. My heart bleeds for those who persevered through all those difficult years only to have this happen to them. The Jews and

Indians behind all this will be most satisfied with the results of their labour of many years in getting rid of whites.

The hour is late but if our people would get rid of their false priests, and pray to God to deliver them from these enemies who covet their possessions, things will be different. When the blacks get the farms they are never eager to pay the price the state has determined they must pay. Some people have been waiting for two years or more for their money and have had to sell their few possessions to stay alive.

Blacks became rich overnight when given our property and appear in the English newspapers as important people at big events, while whites become poor. Jews simply give mines and partnerships in big companies to these savages because it will make them to serve their purposes in the future.

Black judges make no secret of their hatred of our Afrikaans language, calling it a disgusting language. I do not think one can get a fair trial from a black judge.

With our best wish, Hans and Johanna

BLACK WATCH: "The concept of *mantra*, *yantra*, *tantra* sheds a new light on an argument I had with a black some years ago. I was discussing the Scottish *Black Watch* with someone else when this black interrupted with 'I can't wait until there are no more white people.' He actually thought that the Scottish *Black Watch* was a black thing. When I laughed and said that was not going to happen, he replied 'it happened in India'". M.B. - California

LEARNING: "Dear Teacher; I spent 6 years flying in the Canadian Air Force in WW2 and believed the gassing story

that the Jews were killed in Germany's 'death camps'. Then, AFTER the war, it was proved that NO 'death camps' were in Germany - a mistake had been made and they were in Poland - I started to research the matter. I finally realized the entire 'death camp' story was just a money making scheme. Surprise! Surprise!" H.A. - Tennessee

P.S. Your recent HR pointing out the rules for Israel to follow matched perfectly Germany's suppressed 1920 NSWP's 25 Points platform for government. It appears that Christian Germany had searched the scriptures when making rules for its government. No wonder they are hated.

CONDITIONS SA: "Greeting from S. Africa; I am also an Afrikaner. We are a small minority, fighting for our survival, just like our ancestors at Blood River. The battle now is just much more subtle. They are attempting to drive us off our farms by murdering and intimidating our farmers, keeping the prices of our farm products down, and discriminating with labor laws. They create unemployment by reserving employment (affirmative action) and contracts for blacks only. By enforcing mixed schools and then demanding that the teaching medium should be English (not Afrikaans). And so I could continue.

"Our churches reject the truth of God's everlasting Covenant with Abraham, Isaac and Jacob and their seed. So we need another miracle like Blood River. I believe that our Heavenly Father will keep His promise and come to our aid at the right time. Yours in His Kingdom Service, *A Pastor from S. The tax system puts the self-made exceptions back into the struggling crowd in a few short generations. The Cartel allow very few families to have wealth who follow the WORD. JACOB vs ESAU: "Dear Mr. Hoskins: I wonder at your constantly identifying with Jacob vs Esau. In the Bible, Jacob is a sneak, liar and thief." S. R. - New York

RKH: True, Jacob was a sneak, liar and a thief. The story is a parable. The moral is that a sneak, liar and thief is hands-down better than one who declares war on God the WORD by marriage to a stranger. God said, "*I loved Jacob, and I hated Esau.*" *Malachi 1:1*. Why? "*Esau ... came as far as the field of Seir, the same is Edom. ... And Esau there saw in the land of Seir the daughter of a man of Canaan, and her*

*name was Jehudith ... And Esau took her for a wife." Jasher 29:20-23. Esau chose to divorce himself eternally from his brother Jacob whose God the WORD had Commanded: "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord (Israel)." Deut 23:2.*

## CHETTIARS

### British Empire Moneylenders

#### Success Vs Failure

**I**t is an observable fact that Lawless people rise high in politics, religion, and finance. Lawful people don't. You remember reading in *War Cycles / Peace Cycles* and *Vigilantes Of Christendom*<sup>1</sup> how Andy Jackson went to war

---

<sup>1</sup> *War Cycles / Peace Cycles*, ; *Vigilantes Of Christendom*, Hoskins, VPC, POB 997, Lynchburg, VA 24505

with the "*2nd Bank of the United States*". He had discovered that Biddle, the head of the bank, was using bank credit to buy up newspapers and then turning their editorial policy against him. Biddle also used bank credit to buy up land and business.

Jackson had uncovered the plot to establish bank control over the people of America from top to bottom. The discovery took place in the 1830s. Andy Jackson's election was the last free election before bank-owned media totally captured the minds of the American people. This brought them war and the destruction of their self-sufficient farms that had created for them renewable wealth for over two and a half centuries. Its replacement was the usury-money system.

Jackson also discovered two other things; his long time "friends" who had promised help in his run for president were silent. They had become debt-slaves to *The 2nd Bank of the U.S.* - Jackson's enemy. If they supported Jackson, their loans might be called and they would be forced into bankruptcy.

The other thing that Jackson learned was that after he caused the collapse of the *2nd Bank of the United States*, the list of the bank's stockholders became public revealing that most resided in Great Britain. This meant that after fighting two wars with Great Britain, America remained a captive colony by "other means".

### **Lynchburg Business**

Every few weeks in Lynchburg's McDonald's, top managers from out-of-town arrive and hold business meetings with local store managers and staff. I see them when I visit. Most of these top managers are black.

In Lynchburg, bank branch managers and bank tellers increasingly are black; managers of multi-million dollar food stores are black;

TV stock market reports reveal that a surprising number of corporate Chief Executive Officers are black; The *Investor's News Daily* reveals that the presidents of some of America's largest companies are black.

This is interesting since the results of blacks managing South Africa are not impressive and here in the American South we also have had a first-hand experience of living under black government for an extended period. It was not an experience that excited confidence.

Only a fool ignores what his eyes see.

### **The Indian Story**

**W**e have just noted how Britain led the U.S. around by her financial nose in spite of being bested in two wars. There's more.

The other day I ran across an interesting story in *Financial Times*, W23, March 11-March 12, 2006. It was about *Chettiars*. It is the first time I had heard the name. The story had to do with their fantastic mansions in South India's Tamil Nadu region. These mansions were built at tremendous expense, and after building them the Chettiars just walked away. With few exceptions they stand deserted today. I've seen the pictures - they are really impressive and supposedly there are 75 villages full of them. Not many people in the world have that kind of money.

The article said that Chettiar merchants who once lived there were clannish, partial to marrying their first cousins, financially brilliant, and now "their vacant homes stand as memorials to a by-gone era."

Following is the part of the article that really caught my eye:

**"In the 1920s the Chettiars were appointed official moneylenders of the British Empire", and "after the Second World War the Chettiars ... recast themselves as pharmaceutical giants and business tycoons."**

I didn't know that - did you? Britain is still in the usury business! Their agents can transform themselves into pharmaceutical giants and tycoons! It's nice to have enough money so that you can switch vocations from banker to pharmaceutical giant or business tycoon if you like. It beats working in a fast-food outlet.

Let's look back a bit.

### Two Plus Two

**W**hen the Aryans invaded India, they pushed the black Dravidians into southern India and took over India's north. In time the Dravidians learned to use religion combined with the usury contract as a weapon.

This weapon culminated in "Dharma". Dharma taught the Aryans to *"Love everyone without regard to race, creed or national origin."* If you refused, the government came after you. The result was predictable - the Aryans destroying themselves through racial intermarriage - which of course was the plan.

It is the same today. One must "love everyone" to receive promotion at work, advancement in college, the pulpit, or to get a loan - a BIG loan. The old saw is still true: "The one who pays the piper calls the tune."

The Aryans in India had been more powerful militarily, architecturally, culturally, and in almost every other way to

the black Dravidians - but were absorbed by them and vanished from the world's stage leaving their monuments behind.<sup>2</sup>

### **Alexander The Great In India**

What makes one talented leader a "winner" and another talented leader a "loser"? The answer I received at military school when I was 15 was "God is on the side of the big battalions." While the truth of this may be debated, another question must be answered;

What determines who has the "big battalions" and who doesn't?

Money! Money hires soldiers.

There is no doubt that Alexander was the most talented soldier of his age but, since the Law says "*The borrower is slave to the lender*", the real leader of Alexander's well paid empire-conquering battalions was the one who paid them.

Alexander invaded northern India, united the "separatist" states, turned them over to King Chandragupta, collected his pay - and marched away. Job completed.

### **Britain In India**

Lawless India again fell into disarray having divided itself into countless ungovernable separatist states. Great Britain, cast as a modern day Alexander, was hired to straighten out the mess. She came, united India, suppressed dissidents and terrorists, policed it, organized a government so that it could

2 Dravidians, wearing many religious guises, are made in the image of their God - Siva/Kali - God of death and destruction. They work tirelessly for their God bringing sexual perversion, death and destruction to all around them. The Garden will not support both Adam and the Serpent. Where the serpent appears - Adam disappears.

be ruled as a unit, taught them "English" so that Indians would have a common language and then, collected their pay and marched away. Same old - same old.

The article said that one of the things they did before leaving was to "appoint the Chettiars the official money-lenders of the British Empire."

The boast at that time was "the sun never sets on the British Empire". Thus, appointing the Chettiars as the official moneylenders of the British Empire was actually an announcement to the world that they had better pay their debts when due or the British Empire would step in and collect for them. Britain was their enforcer and collector.

This is what Britain was paid to do. This is why bankers pay to make their agents kings of subject states. There is no good lending "10 for 11" when only ten is in existence unless you have a powerful collector standing by to force victims to give up their collateral when forced into the inevitable default guaranteed by usury.

### **Researching Chettiars**

When I first heard the name "*Chettiars*", I looked it up in the *British Encyclopedia* 11th edition. Nothing. I looked it up in *E/B* 14th Ed. Nothing. I looked it up in the on-line *American Heritage Encyclopedia*; again nothing.

Then I looked it up on *Google* internet search engine and found tons of information all over the place. Here are some of my gleanings.

Chettiars have been around a long time in spite of being blacked out in the West. They trace their present evolution to an overthrow of Kalabhras in the late 6th Century. The Kalabhras were an early "government" who had the audacity

to confiscate properties that had been gifted to the "Gods and the Brahmins" - meaning a temple and a priesthood, which we would call today a church organization<sup>3</sup> or more accurately - a temple corporation whose function includes banking - just like today. This just says that the "system" had been around a long time before the 6th century.

In India "temple worship" was and is the thing. The individual can't find his way to *Nirvana* without the help of priests. Gifts of land and money to the temples have always been looked upon as meritorious acts that encourage priests to work harder to get the giver to *Nirvana*.

This made the temples the richest landlords in India - owning through gifts and purchase practically everything of value in the country. The appearance of mercy and benevolence was maintained by having their premises house both hospitals and schools. The temple was the most important ancient credit institution of India.<sup>4</sup>

Many modern banking practices come from this group:

"Chettiars are the Pioneers of Modern Banking. They introduced a new concept of 'Double Entry Bookkeeping.' ... known to all of us as Debit & Credit in English." (Http://members.fortunecity.com/herkappai /origin.htm)

Pictures of "Chettiars" reveal what appear to be ordinary blacks except for their dress. Could it be that among all the various races of blacks there is a special super-black? Perhaps - perhaps not.

---

<sup>3</sup> ((<http://uni-koelai.delphil-fak/indologie/kolam/kolam3/indira02.html>)

<sup>4</sup> Appadurai, A., "*Economic Condition in South India*" 1936, pp288f & pp434f.

One might speculate that the Chettiars are a repeat of the Saudi Arabian experience where rulers often have a higher degree of black blood than the average Arab because of a history of bringing blacks into their harems. The offspring are actually mulattos who have greater power, wealth and privilege than other Arabians - not because they are smarter or more talented - but simply because they inherited them.

The same may be true in India. Esau's descendants have few inhibitions about sex and taking strangers for wives. Over time, strangers could replace the original banker families and inherit their profession and their wealth.<sup>5</sup> It is a fact that in black south India where Chettiars live, the per-capita income level is almost twice that in the lighter colored northern part. The Chettiar wealth "spill-over" could be the reason.

And, as we have learned, the "10 for 11" usury system once established only needs new borrowers to perpetuates itself indefinitely. It is a monopoly system having many branches but a single source.

## Deductions

The discovery of the existence of Chettiar bankers may answer many questions.<sup>6</sup>

---

5 Usury is a weapon. The Children-of-Esau often employ Children-of-Jacob as agents, ones who are traitors to their God and their nation, to be their *king-enforcers*, *priests* to reinterpretate God's LAW, and *managers* of their vast corporate wealth. To show their good faith and to secure employment in these cushy jobs, many of these types mate with Children-of-Esau. This allows Esau to ease into the family of Jacob and change it into the family of Esau.. Sen. Strom Thurman sired a mulatto. President Bush's brother married a Hispanic, Gore's daughter married a Jew; Sen Phil Gramm, TX married an Oriental, Princess Ann married a Turk; President Reagan 's first wife was a Jew; and the treason continues.

---

6 It is logical that Kali followers support the "usury system" - the system that brings slavery, death and destruction; just as it is logical that followers of the WORD support "scrip" and the "renewable-wealth" system that comes with the self-sufficient farm.

It would answer why black managers come to Lynchburg to instruct McDonald's managers, why there is suddenly a rash of black bank-branch managers, and why there is a sudden rash of black CEOs and black corporate presidents. It would answer why Hindu castes suddenly appear managing motels and hotels.

If the Biddles of the world, agents of the Children-of-Esau, buy up newspapers, land and corporations for their masters, well, then Esau owns the big corporations of the world. They can do with their property as they wish.

### **Honors**

As long as we are speculating about a subject that has been hidden for a long time, let's speculate further.

When someone makes a large donation to a college, a library, or a ball park, he is often honored by having a building, street, or bridge named for them. Powerful leaders are honored by having statues built and by receiving state funerals when they die.

Now suppose we have a people whose God is a God of Destruction and Death - who burns cities and revels in destruction, deception, lying and sex. It would be fitting to have a representative of that group honored by naming buildings, streets, bridges after him - even have a national holiday in his name. It would explain why his picture hangs between pictures of Buddha and Jesus Christ at the Hindu ashram down the James from Lynchburg.

## Letter From S. Africa

---

Dear Mr. Hoskins: Winter is coming and the black government is scrambling to head off a massive electricity crisis.

The newspapers say that even greater crises lie ahead because of poor planning, the failure to replace aging equipment and the failure to anticipate growing demand has forced the electricity grid to operate at full capacity. The report is that a single breakdown at any power plant could plunge whole regions into cold and darkness.

The Sunday Times said that 1/6th of the power capacity was off-line already causing mass blackouts. An emergency at our Koeberg nuclear power station shut that one down. The other nuclear plant crashed last Saturday. This will cost the country more than R1- billion.

The government says to expect rolling blackouts when it gets cold. One director said "This is a nightmare beyond comprehension." Plants and mines operate for a while and stop, start up again for a while and stop again, as power goes off and on. Big firms have bought up every generator in the country, both gas and battery. They don't say that the real reason for the trouble is that they dismissed all the white engineers and replaced them with blacks. Now the government is trying to hire back 90 former white engineers, most of whom have probably left the country to find jobs.

These power outages will affect our own alarm system here and ability to pump water from wells. Either one would be serious by itself. Last night the electricity was out for hours and in this unseasonable cold weather it is serious. It is said the Eskom management company knew they would run short of power back in 1992 but did nothing about it.

While this is going on, the Herald newspaper reports that the government plans to spend millions to expand and upgrade power stations in Zimbabwe and billions on buying white farms on which nothing will be grown. What about the power crisis?

On to other subjects: They have passed a law limiting the number of cats and dogs people will be allowed to have. It is not impossible for the corrupt police to take the extra animals away and sell them to the Chinese - they eat dogs and cats. For the life of me I cannot see a difference between blacks and those of the east. We were told years ago that the Chinese have such a high civilization. To me that is a blatant lie. One factory after another closes down where they take over. They pay whites very low wages while blacks get paid very well.

A prison in the north had problems, so both prison wardens and criminals set the prison alight. They were on the way out but white farmers kept them there and none escaped. The black police did nothing as usual.

The lead-free petrol is another mess. No planning. As of Jan 1, 2006 all petrol must be without lead. The outcome is that many petrol stations are without fuel and many cars can't use unleaded petrol.

Visited the Loeries and they are all well.

Our best wishes, K.J.

## MILOSEVIC DIES

---

A "separatist" is an enemy of the International Trade Cartel (ITC). The cartel wants integration - the world wants separation.

Rudolf Hess was held in prison decades after WWII. The charge was waging wars of aggression. The Russians said that

they were going to release him. People waited to hear what he had to say about what had *really* transpired between Germany and the Allies. Unfortunately, he was strangled in prison. The US called it "suicide".

The US invaded Panama and jailed its president. Something to do with "drugs" we are told.

The US invaded Yugoslavia and put Slobodan Milosevic, her president on trial following his arrest five years ago. He was tried, and tried, and tried - and he demanded that his persecutors use the same rules on themselves they were using on him. World opinion leaned his way. Despairing of obtaining a conviction Milosevic conveniently dropped dead from a heart attack bringing an end to the show-trial. Independent forensic investigators made an inconvenient discovery - "Doctors said Milosevic had traces of a drug in his system that hadn't been prescribed and that could have induced his death." This is a roundabout way of saying that he was poisoned.

Even more strange was the announcement in The NEWS 3/17/06, p6, six days before the strange death of Milosevic that revealed that the former leader of Croatia's rebel Serbs, Milan Babic, and a strong ally of Slobodan Milosevic, also had killed himself in his jail cell in The Hague. "Dutch authorities refused to reveal his method of suicide". This wraps up the Yugoslav affair.

Now, on to the trial of Saddam Hussein. The US media are pushing for his execution which would prove his guilt. But Saddam is another who insists on speaking out - inconveniently winning public support.

Complicating matters is the dispute that has come to the fore with the outbreak of Iraqi civil war as to whether or not to kill Saddam for mass murder or to reinstate him as Iraq's

president to bring order out of the chaos caused by the US invasion of that country.

LOOT RECOVERED: North Carolina's copy of the 1789 *Bill of Rights* stolen by the army of Gen. Wm. Tecumseh Sherman in 1865 was recovered in an FBI sting operation. (Story in CSM, Aug 8, 2005)

RKH: Interesting argument. The feds told us that we couldn't leave the union, had never left the union, and that's what the war was all about. "Slavery" was thrown onto the scales when the legality of the invasion was questioned. The following should have been made required reading;

*"There are things ... we ought to do in common to all men ... treat those that are esteemed our enemies with moderation; for he doth not allow us to set their country on fire, nor permit us to cut down those trees that bear fruit: ... He hath also provided for such as are taken captive that they may not be injured, and especially that the women may not be abused." Josephus, Against Apion 2:30.*

North Carolina is lucky to get back this little bit that has been looted. Down in Tidewater, Virginia, the invaders sowed farmland near our farm with salt. The children of the owner went hungry for years because the land would not grow crops. Houses were looted of everything movable. Furniture left behind disappeared into fireplaces as troops quartered there used it for kindling. Women were treated like dirt. Five hundred year old silver engraved with family arms disappeared. Like few others, we Southerners understand and sympathize with the more recent tribulations of our South African and German kinsmen. We know what they have gone through - the same things were done to us. ## TRANSFER AGREEMENT

### German Chaos

In 1918, Germany agreed to an Armistice based on President Wilson's 14 points which included *no territorial aggrandizement*. In other words, everyone was to go back to where they were before the war started. This sounded reasonable since there was general war-weariness, millions had died, and the war was bogged down and going nowhere. Allied and German armies held their positions while politicians talked.

Back home revolution broke out and the Kaiser abdicated and went into exile. Government became virtually non-existent overnight. Lack of organization disrupted supplies to German armies at the front forcing the soldiers to make their way home as best they could.

The allies, finding no German army in front of them, trashed the Armistice, and imposed the infamous Versailles Treaty that stripped away German provinces, placed millions of Germans under foreign rule, took away her colonies and imposed impossible reparations.

The princes and leaders of the old German states that made up the German Reich took this opportunity to settle old scores and gain back the authority they had lost to the Kaiser's central government. Jewish Bolsheviks stepped out of the shadows and commenced the same atrocities in Germany they were doing in Russia.

It seemed that fighting was everywhere. Conflict enveloped cities and ruled the streets - a mirror picture of what was going on in Russia. Germany was breaking up into its component states. Soldiers of the returning German army were recruited by 50s and 100s into *Freikorps* units and thrown into the maelstrom as private armies to protect the property of special interests. They sometimes found themselves fighting not only communists, but former comrades.

The Allies couldn't fully harvest the fruit of their victory in the midst of chaos, so they helped set up a puppet Weimar Republic to restore order using elements of Freikorps. Most places gradually quieted down except where the Red Front was well organized and financed.

As the dust settled, Germany could be seen trying to return to the old days. Protestant parties were actively attempting to reintroduce the edicts of the deposed German Empire; Catho-

lic parties attempted to impose their Canon Law; Bolsheviks attempted to impose revolutionary rule, and princes and nobles of the various states demanded special consideration from a central government that was broke, in debt, and without power to enforce its decrees.

There was also soaring inflation which brought out the international Jewish merchant who walked the streets waiting until starving Germans were forced to sell their properties for pennies on the dollar to buy bread. There were unbelievable numbers of people out of work, and this state of affairs continued on and on - throughout the 1920s.

### Religion

**B**oth Imperial Protestant State Lutheranism and universal Roman Catholicism were empire-religions. To justify their belief in universal-Christianity vs the first century separatist- Christianity - both had re-interpreted Scripture to deal with kings, monopolies, taxes, usury and strangers, and both suppressed those who would not accept their re-interpretations - driving them and their beliefs underground.

In spite of a history of long rule, the German chaos made it impossible for either of these state religions to enforce their revised law systems. When a semblance of order was restored, followers of Traditional Christianity emerged with their philosophy fully developed. They were instrumental in creating a document called the *25-Points*.

## NSWP 25-Points

The new National Socialist party used the 25-Points for its platform. Its leader wholeheartedly adopted its beliefs. He stated:

"The Reich sees in Christianity the unshakeable foundation for the ethics and morality of the volk."  
German Chancellor Adolph Hitler 1934

The new party called itself the National Socialist Workers Party. Its motto regarding religion was:

*"Neither Protestant nor Catholic - but Positive Christianity!"*

The "25-Points Platform appeared Feb 25, 1920 (HR #245). They brought hope and sanity to a Germany gone mad - and they worked!

Selected points in brief:

**#4. \* Only those of German blood may be citizens.**<sup>1</sup>

**#8. \* Repatriation of non-Germans.**<sup>2</sup>

This one had interesting repercussions which we will touch on later.

**#17. \* Confiscation of corporation and trust land monopolies.**<sup>3</sup>

---

1 *"The eternal God ... shall thrust out the enemy from before thee; ... Israel than shall dwell in safety alone." Deut 33:27-28; "Thus saith the Lord God of the Hebrews, Let my people go, that they may serve me." Ex 9:13; "A bastard (Heb: manzêr - mixed breed, mongrel) shall not enter into the congregation of Israel." Deut 23:2*

---

2 *"I will deliver the inhabitants of the land into your hand; and thou shalt drive them out before thee. Thou shalt make no covenant with them ... they shall not dwell in thy land". Ex 23:31-33*

---

3 *"Ye shall dispossess the land and dwell therein: for I have given you the land to possess it. And ye shall divide the land by lot for an inheritance among your families" Numbers 33:52-54*

Most of Germany was owned by corporations and trust monopolies. Foreign corporations acted as great siphons sucking away the remaining wealth of the country. What land not held by the nobility was owned by the Protestant and Catholic Churches.

**#18. \* Usurers punished with death.**<sup>4</sup>

**#23. \* Creation of a national press. Editors must be Germans.**

**#25. \* Non-German media forbidden.**

Alien-owned German media had long replaced the pulpit in disseminating morality and substituting Esau's Gods for the WORD. They controlled the minds and souls of the people.<sup>5</sup>

#23 & #25 of the Party's *25-Points* above gave the enemies of Saxon Germany fair notice of what they were up against. The platform had been posted for all to see for more than a decade. But by then, misery had gone unchecked for so long that Germany appeared to be a shambles regardless who ran things. Since everything else had been tried and had failed - National Socialism's *25-Points* appeared to be Germany's only hope.<sup>6</sup>

6 It's interesting that Germany's Finance Minister, Hjalmar Schacht, and Bank of England's, Sir Joshua Stamp, met and found they agreed about money. (*Confessions of The Old Wizard*, Hjalmar Schacht, ©1956, NY.) Readers will remember that HR 366 "Making Witchcraft Money", carried Stamp's profound comment about the world's money system.

## Russian Bolshevism

The Red Terror in Russia greatly influenced German thinking. The Bolsheviks had murdered the Tzar and his family and were killing the Russian people by the millions. Leaders such as Lenin and Trotsky and others with few exceptions were Jews. The same was true in Germany. Germany's "red-front" was led by Jews.

The NSWP party came into power in January 1933. On March 23, 1933 the Chancellor was given power to implement the 25-Points. On March 27, just five days later and before they had a chance to take over government functions, international Jewish organizations initiated a world wide boycott of Germany beginning with a great rally held in Madison Square Garden that attracted tens of thousands. Among those attending were a number of churchmen including Catholic bishops.

Jewish leaders in America bragged that they had brought the Russian Czar down by denying him loans. They boasted that they gave the Japanese a \$100m dollar loan to purchase weapons which allowed them to win its war with Russia.<sup>7</sup> This was the powerful Jewish group - the "Capitalist" Jews.

There was another group of Jews called "Zionists". The objectives of this group were often at cross purposes with the moneyed Capitalist Jews for reasons that will soon become apparent.

Germans tended to look on Jews as divided into three groups: "Bolsheviks", "Capitalists" and "Zionists".

## The German Miracle

The implementation of the *25-Points* resulted in what was called "The German Miracle". The NSWP came to power and did what they said they were going to do and Germany leapt out of the depression while the rest of the countries of the world remained mired in depression miseries until WWII. The world looked on in amazement.

## SS

The SS was the apparatus to impliment the German National Socialist Party program. The key branches, whose duties often overlap, are listed below:<sup>8</sup>

**ADMINISTRATIVE MAIN OFFICE** - Economic, Police, Intelligence, and Security Service - Gestapo, Waffen SS - Military.

**REPATRIATION** - charged with helping Germans return from alien lands and repatriating alien populations to theirs. Later, when wartime conditions prevented repatriation of security-risk populations, security risks were sent to internment camps for the duration of hostilities as was done in the US.

**SS Marriage Bureau** - Authenticated genuine Western ancestry of would-be SS brides.

**Care For Out-of-Germany Kinsmen**

**Waffen SS** - fighting SS: Comprised of over 39 divisions with 15 nationalities.

---

<sup>8</sup> *Waffen SS*, The Asphalt Soldiers, ©1970, p.11, Ballantine, NY

## Waffen SS

In spite of the labor involved compiling genealogies that had to be authenticated proving German descent which allowed one to enlist - recruits poured in - particularly from the German aristocracy and former officers of the armed services.

Among the recruits was the Crown Prince of Germany accompanied by Prince von Waldeck - Pymont, Prince von Mecklenburg, Prince Lippe-Biesterfeld, Prince Hohenzollern-Sigmaringen, and the Archbishops of Brunswick and Freiburg.<sup>9</sup>

In the days before racial aliens were admitted to special units of the SS - the twin collar lightning runes were themselves enough to open doors in most of Germany. Between January 1931 and January 1933 the SS grew from around 400 to over 50,000.

## Foreign SS Divisions

The other peoples of Europe saw the German miracle and compared it with their own mismanaged countries. They wanted the miracle for their own people, but this would never happen if the Bolshevik juggernaut overran Germany and the rest of Europe.

To prevent this, many of Europe's young men volunteered to fight in the SS. Many came from Saxon countries, but many others were racial aliens. No one, neither Saxon nor alien, wanted to be ruled by Germany but all agreed that Germany must survive to help implement the *25-Point* rebellion against Cartel rule.

---

<sup>9</sup> *Ibid*, p.34. Many holders of ancient titles gladly enlisted as private soldiers. The SS is said to have contained the social register of Germany - it certainly contained the world's Saxon physical and mental elite.

To handle these new volunteers and to deal with their special situations, the *Waffen SS* organized additional divisions.

### Non-German SS

Shown below are the insignia of the various foreign SS divisions. Division insignia for all SS divisions can be found in *Waffen SS*, p.138. There were also Islamic, Hindu, and

Catholic contingents - all fighting for the ideal of separation from the International Trade Cartel.

In the last days when the Communists were fighting their way into Berlin - it was the *34th French "Charlemagne"* (insignia p.83) that was the last division defending Berlin. In the ruins of the city 400 fresh recruits from the Netherlands, still in civilian clothes, were sworn in as new members of the SS, given rifles, and sent to their posts. Over half of this million man SS army became casualties defending the ideal of separation.

Today the ideal of separation from Hindu integration, in spite of nonstop persecution, is still very much alive in Russia, India, Islam, and even clandestinely in Europe, in spite of the risk of showing the odd-shaped Christian cross symbol. Right now a mention of its slogans can bring a 5-year prison sentence and there is talk of outlawing the Bible because it is a racist book. More than half a century after WWII, scarcely a day passes without media documentaries being shown to condition people against the NS *25-Points* and indirectly the Scriptures on which most of the points are based.

## **Repatriation**

As mentioned before, most Europeans looked on Jews as being one of three groups - Capitalist, Communist, or Zionist.

There are major disagreements between Jewish groups. Because of their wealth and media control, the "capitalist" Jew is the dominate one. Still, the Capitalist had to deal with their own Zionists who wished to reconstitute their ancient Empire of Khazaria.

Planning ahead, the "capitalists" had to visualize what the Zionists might do once they had their own state. If they went

off on their own like their ancestors did and became "separatists", then the International Trade Cartel would have problems.

Unable to prevent the formation of a Jewish state because of the popularity of the Zionist idea - efforts were made to control the state once built. Instead of offering the lands of the ancient Khazareans in Southern Russia - the Zionists were directed to Palestine - a God forsaken land surrounded by millions of hostile Islamic peoples. This made the new Zionist state dependent on perpetual outside help from their brother Capitalist Jews for survival.

### **Problem Rise - Problem Solved**

After finding a state, the next big problem for the Zionist was to secure colonists. European Jews didn't want to become colonists and go to Palestine. They didn't know how to farm to keep from starving and they were quite happy where they were. This problem was quickly solved with the arrival of the National Socialist Party's *25-Points*.

**Point #18** did away with usury. Banishing usury removed German assets beyond the reach of Jewish banks who were privatising defeated post-war Germany. A multi-billion dollar operation was slipping out of their fingers.

**Point #8** required the repatriation of non-Germans. This applied to those operating the banks.

**Point #17** required the confiscation of corporation and trust land monopolies<sup>10</sup> and pre-empted vast wealth that Jewish capitalists considered their own property.

---

<sup>10</sup> *"The Program of the National Socialist German Workers' Party."*, HR #345.

## The Boycott

Fifty-one days after the NS came into power, the massive rally was held at the Madison Square Garden that involved tens of thousands of Jews.<sup>11</sup> The boycott protested that the Germans were committing atrocities against Jews.

The Germans retaliated with the counter-threat that if the Jewish boycott was not quickly terminated, Germany would in turn boycott Jewish merchants in Germany. Since Germany had already stated that they were going to banish usury and seize corporations and trusts - the Capitalist Jews continued the boycott. As promised, the NS began their boycott of Jewish merchants. This is just what the Zionists wanted.

Ongoing Jewish atrocity propaganda from America combined with an actual German boycott of Jewish goods in Germany frightened many Jews. They changed their minds about emigrating to Palestine.

## Working Together

The Zionists were estatic. They went to the German National Socialists and discussed Platform Point #8 - *Repatriation of non-Germans* and struck a deal with them.

The German Zionists rounded up Jewish settlers willing to go to Palestine and sent them to SS camps to be trained to become farmers on Palestinian kibbutzim.

"On August 7, 1933, leaders of the Zionist movement concluded a secret pact with the NSWP which transferred some 60,000 Jews and \$100 million to Jewish Palestine."<sup>12</sup>

---

<sup>11</sup> *The Transfer Agreement*, Pact Between The Third Reich and Jewish Palestine, Edwin Black, p.34, ©2001. Carroll & Graf Publishers, NY

<sup>12</sup> *The Transfer Agreement*, p.xi

Of course the actual figure is debated, some stating that the figure is many times larger than 60,000. Regardless, the fact remains, the Israeli state owes its existence to the Nationalist Socialist Party of Germany.

The President of the German Zionist Federation Kurt Blumenfeld summed it up: "After all, both Nazis and Zionists agreed that Jews did not belong in Germany."<sup>13</sup>

Both Jewish nationalists and German nationalists committed themselves to work together for the common goal of separating from each other.<sup>14</sup>

# Chapter 381

## SCOTLAND'S DECLARATION & STONE OF SCONE

There are two kinds of people: the Children of Jacob and the Children of Esau.

Esau swore he would kill his brother Jacob. Jacob can be killed only if he is separated from God the WORD who created him and protects him.

Esau's plan is to separate Jacob from his God so that he can be killed. To do this, Esau's children pretend to be Jacob's children. They then say that the WORD belongs to them - therefore the children of Jacob are not entitled to the promises of protection.

Saxons who believe Esau's lying words leave the shelter of the WORD and die. The strong grow stronger knowing the history of their people and the promises God made to their ancestors are theirs by right of descent.

### **My Situation**

**K**nowing none of the above, I agreed to follow the WORD on 28 April 1965 at 4:00 in the afternoon while sitting in my green rocking chair on the front porch of my house.

The atheist law system taught to me by a college heavily endowed by Esau's corporations was not working out. Not knowing what to do next, I located an operation manual and studied how to act and live in the strange new world governed by the Law system of The WORD.

Almost the first thing I read was to get right with my enemies. That was tough. I got a yellow legal pad, drew a line down the middle, and filled two columns with the names of my enemies and went to see them. It took me a year and a half to see them all.

The WORD said that my body was not my own, that it was made in the image of the WORD. I had no idea what that meant - that it was holy and I had to take care of it. I made changes in my life-style and things began looking up.

### **Running Into The Big Problem**

Part of the agreement I had made was that I would go to church on Sunday - it was my *bona-fides*. Church-going was a learning experience! I attended most of the churches in Lynchburg and found that no two taught the same thing, and none taught the simple cut and dried "Laws, Statutes and Judgments" that I was daily reading in the Bible.

### **We Aren't Under The Law**

One by one I cornered the pastors and asked, "Why not teach and live by Biblical Laws?" Some replied that they didn't teach the Law because we were no longer under the

Law, that it had been "nailed to the cross". I researched this argument and found that our grandfathers believed that this applied only to the many priestly ritual-laws, and that we were supposed to obey God's Laws.

These preachers said that the only laws we were obligated to follow were the ones given us by the government.

At Thomas Road Baptist Church, which I attended for 18 years, I raised the question about the Bible's prohibition of "usury" and was told that I would have to ask the local Jewish Rabbi because only Jews were under the Law. The Law did not apply to non-Jews.

### **War Cycles / Peace Cycles**

I had assumed Christians obeyed the Laws written in the Bible because that's what Christians were supposed to do.

Things came to a head when writing *War Cycles/ Peace Cycles* that dealt with usury. If the Law was done away as the Judeo/Christian preachers said it was, I was wasting my time. The story might be interesting to the usual money-freaks always interested in stories about money, but didn't necessarily apply to Christians. People could follow their conscience and there was no Law to prevent them from practicing usury or not practicing usury. In fact, they could do just about anything they wanted to do that wasn't against government statutes and didn't offend the preachers' ideas of right and wrong.

My writing stopped until I could sort this out.

### **Finding A Path**

My break came when I looked up an old story. It was a story I was told when I was seven years old while sitting

before the fire and listening to my grandmother's talk about our ancestors long ago in Scotland.

I went to the history books - and there it was. Other people knew the story. A lot of other people knew. In fact, there is a picture of it on the first page of this report.

### Scottish Background

Those having Scottish ancestry know, or should know, the story of the *Scottish Declaration Of Independence*. I've told it before. It's basic when trying to understand the differences between the old Scottish belief in Biblical Law for the people and England's state church law which teaches a Law that the king had modified to allow him to continue the practice of monopoly, usury, undivided land, and having strangers in the land - the things Bible Law forbids. The story goes this way:

Edward II of England invaded Scotland and suffered a humiliating defeat at Bannockburn, June 24, 1314, as everyone who saw the movie *Brave Heart* well knows. Undaunted, Edward attempted to do with diplomacy what he could not do with his armies.

Edward held his lands *en fief* from the Pope. As part of the agreement, the Pope was after him to furnish English armies to help his re-conquest of the Holy Land. Edward agreed, but asked one small favor in return. He asked that the pope, Pope John XXII, "give" Scotland to him to rule.

Since the Catholic Church claimed all lands in the West by right of being "Peter's heir", of "Constantine's Bequest" and by right of being "spiritual Israel" - and because all Western kings held their titles and lands *en fief* from him - giving Scotland to the English king to rule was a mere formality. In 1317, he ordered it done.

## The Scottish Declaration Of Independence

The news that Robert the Bruce was being ousted and Scotland was being given to the English king to rule did not sit well with the veterans of Bannockburn. In 1320, Robert the Bruce called a Scottish Parliament. They met at Arbroath Abbey and compiled the following letter, which reads in part:

"To the Most Holy Father ... ours, to wit the nation of the Scots, has been distinguished by many honours; which passing from the greater Scythia though the Mediterranean Sea and the Pillars of Hercules and sojourning in Spain among the most savage tribes through a long course of time, could nowhere be subjected by any people however barbarous; and coming thence One thousand two hundred years after the outgoing of the people of Israel, they by many victories and infinite toil, acquired for themselves the possessions in the West which they now hold after expelling the Britons and completely destroying the Picts ... In their kingdom one hundred and thirteen kings of their own royal stock, no stranger intervening, have reigned, ... King of Kings even our Lord Jesus Christ, after His passion and resurrection, called them though situated at the uttermost parts of the earth almost the first to His most holy faith, nor would He have them confirmed in this faith by any one less than His first Apostle, although in rank second and third, to wit, Andrew the most meek the brother of St. Peter.  
...<sup>1</sup>

This letter to the Pope said in effect that all the enfiefing agreements made with prior popes were still in effect and that the Scots expected the present pope to honor them. That if he

<sup>1</sup> *Scottish Record Office*, Edinburgh, Scotland, also, *The Scottish Declaration of Independence*, Artisan Sales, PO Box 1529 W. Shawnee, Mustcogee, OK 74402

didn't and if Edward set foot in Scotland again there would be war between Scotland and England.

The pope did not want to get a war started between England and Scotland, the same Scotland that had defeated the English at Bannockburn. He needed the English army in the Holy Land. So, he reconsidered.

The above document sent to the Pope is called the *Scottish Declaration Of Independence*.

Along with the document was filed proof of Robert the Bruce's right to make the claim - his genealogy - which can be found in Scotland's College of Lyons, and is certified as legal.

### Genealogies

**T**he reason for posting genealogies was to search for counterfeit applicants, and to see if agreements with prior fief holders allowed the present one. The genealogy posted by Robert Bruce went back to Ireland, from there to Spain, from there to Egypt, from there to Israel, and from there the Bible genealogy takes it back to Adam.

Charlemagne's genealogy was similar. The primary difference being that Charlemagne traced his through Europe's rivers from France back to Israel. Internet articles about Charlemagne declare that all Europeans and those of European descent can claim Charlemagne as their ancestor. After all, that's what a nation is - a family of kinsmen where all are blood kin.

### Stone Of Scone

**T**here is another story concerning Scotland that I had heard all my life and which was brought to mind when an old friend recently sent me a brochure he got when

recently visiting Westminster Abby. It contained a description of the stone on which Britain's kings sit when being crowned. It says:

"The Coronation Chair was made for Edward I to enclose the famous Stone of Scone, which he seized in 1297, and brought from Scotland to the Abbey, where he placed it under the Abbots's care. The Scots made repeated and vain efforts to induce Edward to give it back. Tradition identifies this stone with the one upon which Jacob rested his head at Bethel - 'And Jacob rose up early in the morning, and took the stone that he had put for his pillow, and set it up and poured oil upon the top of it' (Gen. 28:18). Jacob's sons carried it to Egypt, and from thence it passed to Spain with King Gathelus, son of Cecrops, the builder of Athens (Ed: this was long before the Diaspora which occurred in 721 B.C.). About 700 B.C. it appears in Ireland, whither it was carried by the Spanish King's son, Simon Brech, on his invasion of that island. There it was placed upon the sacred hill of Tara (Ed: Remember "Gone With The Wind"), and called Lia- Fail, the 'fatal stone', or 'stone of destiny', for when the Irish Kings were seated upon it at coronations the stone groaned aloud if the claimant was of Royal race, but remained silent if he was a pretender. Fergus II (d. 501), the founder of the Scottish monarchy and one of the Blood Royal of Ireland, finally received it in Scotland, and King Kenneth (d. 860) finally deposited it in the monastery of Scone (846). Setting aside the earlier myths, it is certain that it had been for centuries an object of veneration to the Scots, who fancied that while it remained in their country, the State would be unshaken.' Upon this stone their Kings, down to John Balliol, were crowned, and it is said that the following had been engraved upon it by Kenneth:

*"Ni falla fatum, Scoti quochunque locatum  
Invenient lapidum regnare tenentur ibidem.*

"A prophecy which was fulfilled at the accession of James VI of Scotland I of England".(From the *National Message*, London, England; copied from TKC)

These two stories alone should be sufficient to direct us back to the study of the WORD which is our God. When we look we find many other proofs of who we are and what is expected of us as the Israel of our God. This is why we claim the promises God made to Abraham, Isaac and Jacob. They are our ancestors and these promises are ours by right of descent. They belong to no other.

### **Finishing The Book**

These stories, combined with the many other Biblical proofs, were more than enough to prove the Saxons' descent from ancient Israel. This revealed that the Saxon is obliged to obey his God's Law system because of the covenants made by their God with their ancestors, and this included the prohibition of usury. Knowing this I was able to complete *War Cycles / Peace Cycles*.

As for the rest; the present condition of Saxon-Israel, its deplorable state is temporary. *"The eternal God ... shall thrust out the enemy from before thee ... Israel then shall dwell in safety alone."* Deut 33:27-28

Men of the WORD know that *"Esau was a designing and deceitful man."* Jasher 29:20 They know his hired kings, priests, and media- banking merchants think as their master tells them to think, and in time they will share the fate of their master.

Once again; Jacob's children know that Esau's children are made in the image of their sire. He was a "*designing and deceitful man*". So are his children. The Law is not done away; the LAW has not been given to the children of Esau; the LAW is ours - ours by right of descent.

*"He showed his word... his statutes and his judgments unto Israel. He hath not dealt so with any nation: and as for his judgments, they have not known them." Ps 147:19-20*

### **Listen America - News From S. Africa**

---

S. Africa may be the grim model of the future Western world, for events in America reveal trends chillingly similar to those that destroyed our country.

America's structures are Western. The American trait of either getting involved or ignoring politics is peculiarly Western; it is not the way most of the world operates.

White Americans may soon find themselves unable or unwilling to stand up to challenge the new political methods that will be the inevitable of ethnic change now taking place. Unable to cope with the new rules of the game - violence, mob riots, intimidation through accusations of racism, demands for proportionality based on racial numbers, and all the other social and political weapons used by the have-nots to bludgeon treasure and power from the haves - Americans will no doubt cave in. They will compromise away their independence and ultimately their way of life.

That is exactly what happened in S. Africa. I know, because I was there and I saw it happen.

Faced with revolution in the streets, strikes, civil unrest and the sheer terror and murder practiced by Nelson Mandela's African National Congress (ANC), the white government simply capitulated in order to achieve "peace."

Westerners need peace. They need order and stability. They are builders and planners. But what we got was the peace of the grave for our society.

The Third World is different - different peoples with different pasts and different cultures. Yet Westerners continue to mistake the psychology of the Third World and its peoples.

Sierra Leone is in perpetual civil war, and Zimbabwe - once the thriving, stable Rhodesia - is looting the very people (the white men) who feed the country. Yet Westerners do not admit that the same kind of savagery could come to America when enough immigrants of the right type assert themselves. The fact is, Americans are sitting ducks for Third World exploitation of the Western conscience of compassion.

It is already too late for S. Africa, but not for America if enough people strengthen their spines and take on the race terrorists, the armies of the "politically correct" **and most dangerous of all, the craven politicians who believe "compassionate conservatism" will buy them a few more votes, a few more days of peace.**

In S. Africa today, only 9% of murderers end up in jail. Court dockets are regularly purchased and simply disappear. Magistrates can be bribed as can the prison authorities, making escapes commonplace.

Above all, don't put yourselves to the test of fighting only when your backs are against the wall. You will probably fail.

Millions around the world want your good life. They care not for the high-minded ideals of Jefferson and Washington,

and your Constitution. What they want are your possessions, your power, and your status.

And they already know that their allies among you, the "human rights activists," the skillful lawyers and the left-wing politicians will fight for them, and not for you. They will exploit your compassion and your Christian charity, and your good will.

They have studied you, Mr. and Mrs. America, and they know your weaknesses well.

They know what to do.

Do you?

## LETTERS

---

STRANGERS: "Dear Richard. We live 11 miles from 4 native reserves. They are invading our town to escape their own violence. We are now 'blessed' with native gangs and crack houses but must show tolerance and understanding! There are only 6,000 residences in our town but everywhere you look you see variously coloured people with trophy wives and mixed offspring. This just proves deliverance is coming." Sincerely, H.K. - Canada

CHETTIARS: "Dear Brother Hoskins: As soon as I read the name 'Chettiars', and your explanation, I now (after 45 or so years) begin to understand my grandfather's tales of India. He had 41 years continuous British Army service with 19 or so in the Indian States. When Grandfather talked of his service years India was his favorite topic. He served in S. Africa during the Boer War, Hong Kong, Egypt, the Middle

East area (Aden), Russia, Canada, Kenya and so on, but, its the term 'cheaters' he used often when discussing India that never made sense to me as a kid listening. As I read HR #379, I began to understand that the word wasn't 'cheaters', it was *Chettiars*. Grandfather's stories began to make sense." W. S. - Florida

## LYNCHBURG'S MAYOR GUILTY

---

Lynchburg's black mayor was convicted on all counts: Social Security fraud, mail fraud, bank fraud, making a false statement to a federal official, and obstruction of justice. Federal prosecuting attorneys played it smart and tried the case in Roanoke instead of allowing it to be held in Lynchburg where a mixed-jury would have had it dismissed.

It is my understanding that the initial indictment of Lynchburg's mayor was national news. It is also my understanding that his conviction was a media "non-event" - another of Esau's children being convicted of criminal activity is really not news. Also, Esau doesn't like to have his children's escapades advertised.

***"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15***

NOTE: The black judges and black power figures shown on TV are Esau's methods of conditioning the Saxon population to accept the planned black overlordship similar to that in S. Africa. After all, Esau owns the media, banking, and banking profits storehouses called "corporations". They can elect or appoint anyone they choose to manage their assets - and tomorrow it won't be us.

# Chapter 382

## ENEMY Of GOD & MAN

**Who is this new God?  
Where is the old one?**

### **Philip Morris**

Ikey Hoard was a fixer at the Southside Philip Morris plant. He fixed the broken cigarette machines and was the

union representative. I was being trained to be a shift foreman and was pretty helpless. Ikey had broken in a lot of new managers. He took me under his wing and told me stories about the depression.

Jobs were hard to get. Women were oftentimes the sole support for their families. Dark skinned plant inspectors from NY who could scarcely speak English would come to Richmond and walk down the aisles between the machines and point to this woman or that and she would have to have sex with him - or lose her job and her children might starve. Jobs were scarce.

The story violated the Law about having strangers rule over you and having strangers in the land.

*"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deut 17:15; "Their nobles shall be of themselves, and their governor shall precede from the midst of them." Jer 30:21*

Every minister of The WORD in Richmond was obligated by LAW to teach their congregations the LAW and the consequences of Law violation .

*"When they heard the Law, they excluded from Israel all who were of foreign descent." Neh: 13:3; "Obey the voice of the LORD, and do all his commandments." Deut 30:8; "Read this law before all Israel ... that they may ... do all the words of this law." Deut 31:11-12; "Fear God, and keep his commandments: for this is the whole duty of man." Eccl 12:13*

If the preachers had done their duty - the things described would never have happened - but they didn't teach the people, and things like that did happen.<sup>1</sup> I heard the stories from Ikey and a few old timers - not from the preachers. The preachers

turned their collective backs on God-the-WORD rather than offend the children of Esau or their corporations.

### **Massacres Of 1622 & 1642**

Strangers are not allowed in our land.

*"They shall not dwell in thy land, lest they make thee sin against me." Ex 23:33; "I will deliver the inhabitants of the land into your hand; and thou shall drive them out before thee." Ex 23:31.*

The stacks of mutilated bodies comprising almost half the white men, women and children of the Virginia Colony resulted from the Indian massacres of 1622 and 1642. The colony almost ceased to exist before the thick-headed prelates of the Church of England noticed that the modified Scriptures they were teaching cost the Crown more than they gained. Many more settlers had been scalped, skinned and burned alive than could be made good with red converts.

### **African Colonization**

The King, head of the Church of England, was a stock holder in the company that sold black slaves into Virginia. Twice Virginia petitioned to get the trade stopped. Twice the Crown warned Virginia not to protest the trade or "risk royal displeasure".

After gaining independence, a Baptist minister organized the African Colonization Society. Its purpose - buy black slaves, teach them to farm, and then colonize them back in Africa. The price paid for the slaves was to be used to hire white replacement workers from Europe.

---

<sup>1</sup> *"To him that knoweth to do good and doeth it not, to him it is sin." Jas 4:17*

Almost everyone belonged; Tom Jefferson belonged; my great-grandfather owned more than 100 slaves - he belonged. Tens of thousands of slaves were bought, trained, given seed, implements, and farmland and returned to Africa. The Crown, responsible for bringing slaves here, had nothing to do with their return.

A handful of white industrialists financed "radical abolition" - free the slaves WITHOUT paying for them.<sup>2</sup> Radical abolition would deprive farm owners of money to hire white replacement help from Europe.<sup>3</sup> It was designed to destroy the South's self-sufficient farm system.

Col. Earnest Sevier Cox was "Colonization" chairman when I lived in Richmond. Every Session of the Legislature he would go before the Virginia assembly and ask for money to pay transportation costs for black colonists to go back to Africa. Thousands of blacks filled the galleries, halls, porches, and yards. Every Session the Virginia assembly would applaud long and loud - and do nothing.<sup>4</sup> The preachers could have generated the support needed, but they didn't.<sup>5</sup>

2 "Thou shall not steal." Ex 20:15; "Whoso is partner with a thief hateth his own soul." Pr 29:24; "Know ye not that .... thieves ... shall (not) inherit the kingdom of God." I Cor 6:9,10

3 "Next, Karl Marx. The Protocols say, 'The aristocracy of the peoples, as a political force, is dead ... but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they live. It is essential therefore for us at whatever cost to deprive them of their land.'" *The Controversy of Zion* by Douglas Read, Noontide Press, Newport Beach, CA, 1985. p. 219

5 "When a person ... sins ... about an event he saw, or knew, if he does not relate it, he shall bear his crime." Le 5:1

## Two Gods

Western man has two Gods; the genuine and the fraud. The genuine is the separatist God-the-WORD. The fraud is the integrationist WORD. The genuine God- the-WORD says;

*"For I the Lord,  
do not change." Mal  
3:6<sup>6</sup>*

The enemy attempts to modify the WORD by combining him with other Gods to gain that which is unLAWFUL. God-the-WORD warns against kings, usury, strangers, undivided land and monopolies, and those who desire them: *"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!" Isaiah 5:20-21.*

The WORD tells us how to discover true from false. *"By their acts ye shall know them." Matt 7:20* A false God is one who maintains that a thing is true when the WORD says it is false.

**Hari-Hara - God of  
Integration - Posing as the  
Christian God**

<sup>6</sup> *"Jesus Christ the same yesterday, today, and forever." Heb 13:8; "The scripture cannot be broken." John 10:35; "It is easier for heaven and earth to pass, than one tittle of the Law to fail." Lu 16:17*

## The False God

The greatest enemy of the WORD is Brahma. He is the combination of all Gods. His primary weapons are gold and deception. He uses them to buy kings and priests and capture the minds of the people.

His greatest enemy is Adam-man - the "White-devil". Adam-man must be destroyed so that this evil age can end and a new age can begin. Adam-man has always stood in the way of the destruction of the earth.

Brahma's manifested symbol of death and destruction is *Kali* - standing on the body of a blue-eyed white-devil while holding a severed head in her hand.

Brahma's manifested symbol of integration-warfare against Adam-Man is *Hari-Hara*. Hari-Hara is a mixed-breed - half white and half black (seen on the facing page). He is the God that destroyed Adam-man in India and many other places in the world. Hari-Hara is the primary weapon of the sons-of-Esau. Their followers use him against Adam-man today.

## Survival Lesson

God-the-WORD established a training manual for his people which says; *"This is the book of the generations of Adam." Gen 5:1*. It is man's history book. Other races have their own Gods and their own holy books. God- the-WORD is Adam-man's God.<sup>7</sup>

---

<sup>7</sup> "ADAM" in Hebrew is *Man*: "MAN - Heb: adam - those who blush rosy") *Strong's Concordance*. "Adam- man".

## Beasts

The WORD speaks of "Beasts". God created man and beast. The *American Heritage Dictionary's* third definition of BEAST is "A brutal, contemptible person." We think of him as Lawless non-man with the nature of an animal. This brutal, Lawless "Beast" wears clothing in *Johah* 3:8, "Beast", "*cries mightily unto God*". *Johah* 3:8, "Beast" has hands. *Exodus* 19:13, "Beast" capable of mixing with man. *Jer.* 31:27, "Beast" keeps the vineyard. *Song of Solomon*, Chap 1., Jesus called the Syro-Phoenician woman a "dog". Dogs, swine, beasts, are descriptive words for Lawless, brutal, contemptible beings.

The instructions from the WORD are strict when dealing with "beast"; "*If a man (Heb:adam - "man" - blush red) lie with a beast, he shall surely be put to death: and ye shall slay the beast. And if a woman ... lie down thereto, thou shalt kill the woman and the beast.*" *Leviticus* 20:15-16, *Lev* 18:23; *Ex* 22:19

The curse for man's disobedience is, "*I will send wild beasts among you which shall rob you of your children.*" *Lev* 26:22. The coupling of man and beast results in more beasts, fewer *man*, and increasing problems.

The story is old: "*A multitude of beasts came all around them (Adam & Eve). It was satan's doing ... in order to wage war against Adam through marriage.*" *I Adam & Eve* 69:11. The war of racial interbreeding has been waged against man since the beginning.

Look at the mathematics - a beast kills a man and substracts one man. He breeds a man's woman and man is deprived of one of his own kind and the beast gains one of his own kind - a double victory. It is the easiest and most practical way to

vanquish the obstacle to Brahma's long awaited *nirvana* (See HR #366).

### **The WORD Orders Separation**

From the very first the WORD commands man to be separate from other peoples of the earth: *"So shall we be separated, I and all of Thy people, from all the people that are upon the face of the earth."* Ex 33:16.

Not only from aliens but from kinsmen who have been mixed with aliens *"Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitudes."* Neh 13:3; *"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel."* Deut 23:2

Servants of Hari-Hara, posing as Christians, constantly modify the WORD. To answer them one must know some of the basic stories from the WORD.

### **Sarah's Sorrow**

Isaac had two sons - Jacob and Esau. Esau broke his parents' hearts because he took strangers for his wives:

*"Esau was forty years old when he took to wife Judith the daughter of Beeri the Hittite, and Bashemath the daughter of Elon the Hittite: Which were a grief of mind unto Isaac and to Rebekah."* (Gen. 26:34) *"And Rebekah said to Isaac, I am weary of my life ... if Jacob take a wife of the daughters of Heth, such as these which are of the daughters of the land, what good shall my life do me?"* Gen. 27:46; *"And Isaac called Jacob ... and charged him, and said unto him, Thou shalt not take a wife of the daughters of Canaan. ... And Esau seeing that the daughters of Canaan pleased not Isaac his*

*father; Then went Esau unto Ishmael, and took unto the wives which he had Mahalath, the daughter of Ishmael Abraham's son ... to be his wife." Gen 28:1, 8-9.*

Esau not only disobeyed his mother and father by being an integrationist, he was also a murderer. Here's this story;

### **Esau Murders Nimrod**

*"And king Nimrod reigned securely, and all the earth was under his control, and all the earth was of one tongue and words of union." Jasher 9:20*

*"Nimrod ... rebelled against the Lord, and taught all his subjects and the people of the earth his wicked ways." Jasher 7:23-46*

Nimrod had a special cloak that he had inherited and when he wore that cloak people believed his words and he was able to rule the world. Esau coveted that cloak and vowed to take it. This is how he did it;

*"Esau started suddenly from his lurking place, and drew his sword, and hastened and ran to Nimrod and cut off his head ... and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land." Jasher 17:7,10*

This cloak is said to be the reason that Esau is as powerful as he is to this day. Some say that today's media are Esau's cloak. Others say that the modified-WORD is Esau's Cloak. Regardless, it is written;

*"Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds." Jasher 29:20*

Esau's murders and deceptions are the reason that God said:

*"Jacob have I loved but Esau have I hated." Romans 9:13*

The thing that makes Jacob cautious when dealing with Esau is Esau's promise;

*"Esau said ... I (will) slay my brother Jacob." Ge 27:41*

### **Dinah - Road To One People**

Integrationists say that rape is not serious. Scripture relates this story:

Isaac had a daughter named Dinah. Dinah was raped by a stranger who then wanted her for a wife. He also wanted his people and Isaac's people to integrate and become one people. This is how the dual problem of rape and integration was handled.

Shechem, an alien, the son of Hamor the Hivite, prince of the country saw and desired Dinah. He lay in wait for her and when she passed he seized and raped and defiled her.

Shechem then asked his father to get Dinah as a wife for him. Hamor came to Jacob and said, *"Pray, give her to my son to wife, and make ye marriages with us, and give your daughters unto us and take our daughters unto you."*

And the sons of Jacob answered deceitfully because Shechem had used deceit and had defiled Dinah their sister.

*"We will give our daughters unto you, and we will take your daughters unto us ... and we will become one people. .... if ye will be circumcised." Gen 34:15-16*

They agreed to become circumcised, and on the third day when they were sore - the sons of Jacob took their swords and slew all the males with edge of the sword and took Dinah out of Shechem's house because they had defiled their sister.

The lesson of Dinah teaches that there is no way that the children of Isaac will ever become one with another people; there is no way they will ever tolerate or forgive the rape of one of their daughters; and there is no way that circumcision, or a promise, or a ritual, or an oath will purify an alien to prepare him to become one with Israel. The reason is simple. It is forbidden by Law.

*"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord; even to his tenth generation shall he not enter into the congregation of the Lord (Israel)." Deut 23:2*

### **The Return From Captivity**

Integrationist servants of Hari-Hari say that the Sons-of-Esau can become one with the Sons-of-Jacob by simply accepting the teachings of the Lord God of Israel. That's not what the WORD teaches.

There is a story in Scripture where aliens moved into the land of Israel, adopted their religion, built temples to the God of Israel and desired to become one with Israelites - but were still rejected. The story is as follows:

The Children of Israel had been taken into captivity. While in captivity in Babylon they asked permission to return to their old homeland and rebuild their destroyed temple. The king thought it a good idea to appease as many gods as possible and so he permitted them to return.

When the Israelites arrived back in the land of Israel they encountered an alien people. The ancestors of these people

had been brought in to live and work in the vacant lands after the children of Israel had been removed so that the lands would remain productive. Teachers of the WORD had also been imported so that these aliens would know the proper God to worship.

These so-called Bible-believing aliens wanted to work with the returning Israelites to rebuild the temple. They filled every requirement that modern day apostate preachers accept about aliens who wish to incorporate themselves into the body of Israel. This was the result:

*"Now when the adversaries of Judah and Benjamin heard that the children of the captivity builded the temple unto the Lord God of Israel; Then they came to ... the chief of the fathers, and said unto them. Let us build with you: for we seek your God, as ye do; and we do sacrifice unto him since the days of Esarhaddon king of Assur, which brought us up thither.*

*"But ... the fathers of Israel, said unto them, Ye have nothing to do with us to build a house unto our God; but we ourselves together will build unto the Lord God of Israel." Ezra 4:1-3*

Best read that again. The rule is - that under no circumstances are the children of Esau allowed to worship with or marry the children of Israel. They can learn the Laws, get baptized, make offerings, get circumcised, perform the rituals and do whatever else they like, and the answer will always remain the same;

*"The fathers of Israel, said unto them, Ye have nothing to do with us to build a house unto our God; but we ourselves together will build unto the Lord God of Israel."*

Even the Romans who came later knew about and respected this requirement of the WORD.<sup>8</sup>

## The Greeks

We remember how Alexander The Great invaded India and then departed thinking that he was the conqueror. However, the Indian journals record the incident quite differently;

*"King (Asoka) considers moral conquest (that is, conquest by Dharma),<sup>9</sup> the most important conquest. He has achieved this moral conquest repeatedly both here and among the peoples living beyond the borders of his kingdom ... where the yona (Greek) king Antiyoka rules." The Edicts of Asoka, N.A. Nikam & Richard McKeon, Univ Chic Press, Chicago 1959, p.29. (The footnote to this: "The king referred to has been identified as follows: Antiyoka = Antiochus II."*

This Greek King Antiochus took his new-found Hindu knowledge and put it to work in the lands he ruled in the Near East. The Book of Maccabees records the following:

*"King Antiochus wrote to his whole kingdom, that all should be one people, And every one should leave his laws ... For the king has sent letters ... that they should follow the strange laws of the land ... to the end they*

---

8 *"When you go through these (first) cloisters, unto the ... temple, there was a partition made of stone all round, ... upon it stood pillars, at equal distances from one another, declaring the law of purity, some in Greek and some in Roman letters, that 'no foreigner should go within that sanctuary'." Josephus, Wars of the Jews 5:5:2*

9 *"One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C. (Father of Buddhism)*

*might forget the law, and change all the ordinances ... Then many of the people were gathered unto them, to wit, every one that forsook the law." I Maccabees 1:41-52."*

If one will take the time to go to his computer and type in the name of a Greek or Roman God and the word "Hindu" right afterwards - he will learn the Hindu name of the Greek and Roman Gods. Thanks to Antiochus, the re-interpreted Greek Gods were actually Hindu Gods with Greek names. Roman and Greek Gods were Gods imported from India.

Many Israelites refused to integrate with the alien peoples brought into the land or accept the new alien Gods brought from India by Antiochus. Their protest started the long drawn out Maccabean Wars - so vividly related in the *Apocrypha*.<sup>10</sup>

## HYRCANUS

Following the victorious Maccabean Wars a war hero took control of the country and became both king and high-priest. His name was Hyrcanus. He was a talented military man.

Hyrcanus invaded Edom - the land of Esau - and took over its rich trade. But, he did not drive the Idumeans away. He made both the land of Idumea and its people a part of his own kingdom. He forced the Idumeans, who had been cursed by God, to be circumcised, and he made them promise to obey the Laws. He then pronounced them "Israelites". He could easily pass for a modern integrationist.

---

<sup>10</sup> The Apocrypha was removed from the KJ Bible circa 1830s in preparation for a reintroduction of Antiochus' decree. This decree took the form of the enactment of the 14th Amendment permitting strangers to vote and rule over man; This, plus the decrees of the High Priest of the God of the Land, Earl Warren, that struck down the Saxon nation's law of right of association which brought them in line with the Hindu Dharma Law of Asoka the Great.

Hyrchanus forgot the fate of the strangers who raped Diana, Hyrchanus ignored that fact that the children-of-Esau remain children-of-Esau - even when circumcised, converted, baptized and covered with promises, blessings and benedictions.

These newly conquered and "converted" Edomites were allowed to enter the mainstream of Israel. They quickly formed their own Sadducean Party that recognized "no heaven" - a Hindu belief. They cornered economics - a Hindu "usury" monopoly - and they ended up ruling the land through their son Herod the Edomite (*"Thou shalt not have a stranger rule over thee"*) - the one who killed the Israelite Children.

Later, in the war with Rome, these Sadducees helped divide the surrounded and beleaguered Jerusalem into three contending parties, parties that fought each other and killed more of their own respective groups than were killed by the Roman soldiers.

Hyrchanus, king and high-priest, disobeyed God the WORD and destroyed Judea and its people.

### **Return Of The Word**

The virus of Hinduism brought by Antiochus and those like him spread throughout the Greek and Roman world and had well nigh destroyed the people of Israel before the WORD-made-flesh returned with the WORD to save his people - with this proviso:

*"I am not sent but unto the lost sheep of the house of Israel." Matthew 5:24*

### **Marcianism**

Rome discovered that the WORD had spread into its borders and was destroying Rome's Hindu Gods. To fight this

new foe Rome introduced a substitute Christianity called Marcianism (HR #239, #375).

This substitute Christianity did away with the Laws, Statutes, and Judgments and opened the religion to everyone in Rome's vast empire. With new bells and whistles, this revised import from India, Brahma's reinterpreted Marcian-Christianity, remains the primary foe of the WORD.

### **Today**

With few exceptions, little remains in Western Christianity recognizable as "Christian" except the name and the ritual.

However, the children of Abraham, Isaac and Jacob have eyes to see: They see that the wealthy mainline churches are losing members in a flood and they see the new temporary circus-churches gaining members in a flood. A quick investigation inside their doors will disclose the common denominator - Esau is there, and there is a general refusal to teach the WORD - God's Law.

Today Caesar and his agents use unLawful taxes, usury, monopoly, racial aliens, and the use of undivided lands. All this would be impossible if Caesar tolerates the LAW of GOD the WORD which forbids them.

So, neither mainstream nor circus-churches teach God's LAW. When God's LAW is not taught it is easy for the lost to forget the WORD of their master:

*"Do not think that I came to abolish the Law or the Prophets; I did not come to abolish but to fulfill. For truly I say to you, until heaven and earth pass away, not the smallest letter or stroke shall pass from the Law until all is accomplished." Matt 5:17-18*

Not knowing the Law makes it easy to forget how the LAW orders the lives of each of us;

*"For the Law ranks above affection for parents, so that a man may not for their sakes surrender his virtue, and it overrides love for a wife, so that if she transgress, a man should rebuke her, and it governs love for children, so that if they are naughty a man should punish them, and it controls the claims of friendship, so that a man should reprove his friends if they do evil. "And do not think it a paradoxical thing when Reason through the Law is able to overcome even hatred, so that a man refrains from cutting down the enemy's orchards, and protects the property of the enemy from the spoilers, and gathers up their goods that have been scattered." 4 Maccabees 1:40-41 (Lost Books)*

### Conclusion

At last, matters have become simple.

*"You are servants to whomever you obey" Rom 6:16:*

*"No man can serve two masters." Matt 6:24*

You can choose one of two Gods to rule you: God the WORD:

**"O children of Israel... You only have I known of all the families of the earth." Amos 3:2; "Fear God, and keep his commandments: for this is the whole duty of man." Eccl 12:13**

Or, you can cast aside the Scriptures of the Christian faith that condemn integration. Christians are told to *"Come out from among them and be ye separate."*

Buddhist-Hindu writings support integration. They are told, *"We must love everyone without regard to race, creed*

*or national origin." Asoka the Great, the Father of Buddhism.*

Brahma manifests himself as Hari-Hara - the God of integration.

Integrationists who worship Hari-Hara, the God of Integration, while calling him "Jesus" - are simply anti-Christ heathen - enemies of both God and Man.

### **Letter From S. Africa by K.J.**

---

The Africanization of S. Africa continues. Black workers are striking. From security guards to bus drivers. When school buses failed to turn up, the black children burnt 50 of them. No firm seems keen to sign a government contract because earlier companies never got paid.

At present, the country is kept running by a few whites. Government matters are getting to be like the war planes the black government recently bought in Europe which can't be flown because they no longer have white pilots. The government asked if they had enough black pilots - and hands were raised everywhere. Blacks will tell you they can do any kind of work - until time comes to do it. Now, the expensive planes sit on the ground without pilots.

Elderly English have been taught to take black babies to shop with them, treating them like their own grandchildren. They follow a different God.

In the Cape, coloured gangs fight constantly. The climate is ripe for revolution and Mbeki tries to take the blame away from himself and his government and place it on the whites by constantly using the word "apartheid" and how the whites still oppress them.

Two members of the "Boeremag escaped from prison and we hope they are far out of reach. They have been in CMax for 3-years while nothing has been found against them. They are two nice young men, not the earring type. Best, K.J.

RECRUIT: "Dear Mr Hoskins: It has been seven years this September since I accepted the faith while reading one of your books. Thank you.

I plan to start my own newsletter and send it to ten people  
C.R. - Prisoner Oklahoma

RKH: Good. Suggestions: The newsletter can be a daily or once a year. Every reader should have a big or small mailing list and the ability to quickly print labels It's not important that you write your own newsletter. Someone else can write it, or, you can excerpt parts of others' newsletters. The purpose is to pass on news and ideas as fast as you can. Make your newsletter short. People read short before long. A small newsletter can quickly network into several hundred in an emergency. Last: people are interested in subjects, not you. Keep your own opinions to a minimum - your readers have

their own - they want new information. You may be the only one who can give it to them. Good luck!

OPINION: "Dear Dick; I can't imagine what could have possessed you to praise the anti-Christian, re-paganizing Nazis and their SS. The Nazis were wholly despicable + thoroughly opposed to the religion of Jesus Christ. How you could praise them escapes my comprehension. You are misleading your readers + sinning against the Gospel + Jesus Christ." S.F. - Tennessee

RKH: Which Jesus Christ? Whose gospel? After WWII it was customary for the Red Front to smear Germany and its armed forces as being anti-Christian to conceal the Red-Front killing of 30 million Russians, burning to death half-million refugees in the German open-city of "Dresden", and starving to death more than 2 million surrendered German soldiers after the war was over as revealed in "Other Losses" and other publications. It is also general knowledge that there are no six-million bodies, no gas chambers, no human soap and human-skin lampshades. Scads of "witnessess" have recanted and informed the world that German Nuremberg Confessions were obtained by torture - that seems not to bother you at all. Ancient Red Front propaganda won't change the fact that Germans and Jews worked together and devised a "Transfer Agreement". to separate Jew from German. Separation - not integration- is the future.

# Chapter 383

## RATS & PIGS

I have had trouble walking. To exercise my dogs, I drive to a stretch of unused road and open the door. My Rotts and my little Terrier jump out to start their morning exploration, sniffing, and what have you. Old Sarah stays in the car and keeps me company.

I drive along at 2 miles an hour in the middle of the road. In the unlikely event someone speeds down this isolated dead-end road they must slow for me and also the dogs.

At the end of my driving dog-walk, I toot the horn, the dogs hop in and off we go. They've had their exercise, I've pushed the steering wheel back and forth. Everybody's happy.

## **Crutches & Slowdown**

A year ago I was returning from a long walk when my left knee collapsed. It was all I could do to reach the car 100 yards away. Just that simple.

I don't know if I'm saying this right, but the cushion between the upper and lower leg bone collapsed and bone was rubbing on bone. The doctor washed out bone fragments and stopped much of the pain. Still, for the last year walking has been difficult.

## **Quick Fix**

Problems bring solutions. I quickly learned that everyone in Lynchburg has had knee replacements and now I have one.

My progress is satisfactory, however, my medicine has affected my concentration, so, this newsletter will just contain odd and ends from the past.

## **Eating Rule**

**O**ne way we used to get to know a new acquaintance was to ask him where he went to church. Sounds harmless, but it was a loaded question. His answer generally revealed the "law-system" he operated under which told us how to deal with social occasions like eating.

In the early days of Virginia, those appointed to rule the state were members of the king's modified state religion. They ruled over the non-conformists - the Puritans, Covenanters, Huguenots, etc., who were often treated as potential revolutionaries and banned from holding government office.

Actually, it was a dangerous situation for those in government. IF people insist on obeying the WORD as written in the Bible instead of the king - it would cause a revolt that would

put the king out of business. After all, do away with taxes, usury, monopoly, and ban the integration of alien nations into the work force and what need is there for a king?

The predictable result was that the ruling state religion and the non-conformists locked horns all the time, and this included disputes about food.

Knowing where someone went to church helped avoid embarrassment at the dinner table.

### **Salt Water Scavengers**

**I**n Virginia in the old days, people either ate shrimp, oysters, crabs, lobster, etc. - or they didn't. It depended on their religion. Most dissenters didn't because the Bible said not to while those who went to the king's church did.

Time has added practicality to faith in the disagreements about food that both sides now understand or ought to understand..

For example: My daughter is an emergency room nurse at a Virginia Beach hospital. The greatest number of emergencies they have are people who suddenly become ill from eating salt-water scavengers - oysters, shrimp, clams, crabs, lobster, etc.

When someone eats a salt-water scavenger he is eating a delicacy that can kill him. A salt-water scavenger is nature's garbage processor. It removes filth from the water. If the scavenger feeds on rotten decaying matter - there is a possibility that when you eat the same scavenger you also eat the same rotten decaying poison matter the scavenger has taken into its system. The result - your breathing may suddenly begin to shut down. If it does before aid arrives - you're dead.

It happens all the time in the emergency room down at Virginia Beach.<sup>1</sup>

### Staying Alive At Jamestown

**B**artholomew Hoskins arrived at Jamestown at age 15 in 1615. We've been told his brother was a protestant minister to a Catholic king - a job similar to bomb-disposal today. The family wanted him out of England to ensure that at least one family member would survive if things turned nasty.

Before the age of newspapers, radio and TV, the church was the place where the king's announcements were read to his subjects - every Sunday. The pastor would read the royal proclamations and those who were absent from services were fined.<sup>2</sup>

The Hoskins were dissenters. But the crown fined those who didn't attend service. It was expensive being fined month after month for none-attendance so most of Virginia's dissenters went to the state church to avoid the expense. Attendance allowed them to hold office and go into businesses otherwise closed to them. The Hoskins went to the state church every Sunday like most everyone else but kept Bible Law at home and when among their friends.

<sup>1</sup> Forbidden: Eels & shell fish, scavengers, Lev 11:10-20; pig, Lev 11:7; Duck, goose, swan, sea-birds & web-footed birds, scavengers. Prohibition includes their eggs. Lev 11:13-20; Deut. 14:12-18

---

<sup>2</sup> FOOTNOTE: Virginia was a cheap producer of tobacco for the crown monopoly. It was sent to Britain, processed, and sold at a large markup elsewhere. Black slaves were introduced to lower labor cost. Pigs to feed them were introduced since they are cheaper to raise than beef or mutton. The king's state-church blessed the undertaking - which is what state-churches were created to do.

## Religion In Transition

The king was a tyrant in America and elsewhere. England invaded and conquered Scotland twice - in 1715 and 1745. Thousands upon thousands of Presbyterian Scot prisoners' of war were unloaded at Yorktown and sold as indentured slaves to pay their passage. These POWs were mostly well educated and were quickly set to work educating the children of Virginia planters, children like George Washington, Thomas Jefferson and the like.<sup>3</sup>

This input helped bring along a war with Britain that had long been smoldering - a war the Americans won. The king's priests went back to England and for a long time afterward Virginia's state churches stood empty. Gradually, other denominations moved in and began holding services. Same people, same building - but this time teaching the unmodified WORD.

Old habits die hard. Virginia had followed England's state religion for two and a half centuries. The fact is that business and social cliques were pretty well set around this fact of life. England's state church, through its agents, remained a power behind Virginia's scenes. As an example; my uncle Andrew Jackson Montague was a Baptist. He ran for governor several times and was defeated every time. It was quietly suggested that he better become an Episcopalian if he expected to be elected governor. He did and he was. .

---

<sup>3</sup> Scot POWs were accused of teaching Americans Latin, Greek, Hebrew, math, and to hate the English.

### How Dr. William Got 10,000 Acres

**D**r. William Hoskins married Janet Carter Roy. Her brother, Capt Charles Roy, aged 19, was killed at the Wilderness. They never found his body. Charles was supposed to inherit his father's plantation, which now went to Janet and her husband, Dr. William Hoskins. This is how he got 10,000 acres of plantation land.

A plantation isn't a farm as we think of farms today. It is a place to plant people - hence - a plantation. Just about everything in the new world was plantation land. There was Plymouth Plantation, Virginia Plantation, etc. The land was divided among the people to be passed on to their descendants forever.<sup>4</sup> Laws were even passed to prevent the sale of plantation land outside of families.

Initially, Virginia had been established by investors who called themselves *The Virginia Company*. When the company became profitable, King James I dissolved the company and made Virginia his own royal colony.

Kings and their backers aren't interested in plantations. They are interested in profits, cheap labor, and managers. To them land is a commodity to be bought and sold. This resulted in all sorts of trouble between the King and the colonists when the King tried to sell land where people had established plantations for themselves and their descendants.

---

<sup>4</sup> "Joshua divided the whole land by lots to Israel for an inheritance, as the Lord had commanded him." *Jasher* 90:19; "The land shall be divided for an inheritance ... To many thou shalt give the more ... to few thou shalt give the less ... the land shall be divided by lot: according to ... their fathers they shall inherit." *Num* 26:53-55; (GB) "Ye shall not offer unto the Lord ... an offering thereof in your land." *Lev* 22:24; (Family records show that back in Scotland our family gave land to the Catholic Church in exchange for praying dead family members out of Purgatory.) "Ye shall hallow the 50th year ... and ye shall return every man unto his possession." *Lev* 25:10; "If thou wilt not ... do all the words of the law ... ye shall be plucked from off the land." *Deut* 58:66

### Land Seizures

**T**he South was invaded and lost the War Between the States. Conquered Virginia was turned into a military district occupied by a federal army and governed by blacks. Whites were not allowed to vote. The blacks passed horrendous taxes on land which produced almost nothing for owners who had no way to pay the taxes. Bankruptcies were universal. Plantations became farms overnight - mere merchandise to be bought and sold. He couldn't pay the land taxes and feed his family at the same time. Like so many others he felt fortunate to find a Yankee land company who took the 10,000 acres off his hands for a few cents on the dollar. The fact that Dr. William Hoskins owned 10,000 acres - well, that and 50¢ will get you a cup of coffee.<sup>5</sup>

### How Dr. Hoskins Stopped Drinking

**D**r. Hoskins lived down in King and Queen County. The Federal occupation government had taken his land so he moved from the old Dragon Plantation to an office at Carlton's Corner. There were more people and more patients there.

One of the things Dr. Hoskins enjoyed was meeting at the end of the day with his old war comrades for a few drinks. They met across the road at Carlton's Store - in spite of the promise he had made to his wife not to drink.

One evening, Dr. Hoskins was enjoying the company of the local gentry when a colored servant rushed in and told him that he'd better get home fast that Missus had packed up the family coach, had loaded the children and was fixing to go back to her parents at Ashdale. This was serious. He had married Jannet Carter Roy, and when he promised her he

---

<sup>5</sup> I've seen a handful of plantations which have survived having ten or twelve generations buried in the same family cemetery.

would stop drinking she really expected him to keep his promise.

Dr. William walked back across the road and saw that his wife Jannet was really going to leave. The coach was loaded and fixing to leave; so he made the best of a bad situation - he repeated once more his promise to stop drinking and straighten up - and he did.

That's how Dr. William Hoskins stopped drinking. Not only did he become a teetotaler for the rest of his life, he went to church service every Sunday and was the first white man to be elected to the state legislature from King & Queen County after the War. I saw his picture in the Capitol building.

### Wagons

People aren't interested in wagons today, but some day they may need to become interested again. The wagons of the 1800s were different from the wagons of the 1600s and 1700s. The early ones were bigger - they were designed to navigate rougher roads - roads that received little maintenance. A lot of roadwork was done from the late 1600s through the 1700s, so from then on, wagons were built smaller. It worked this way.

People from Tidewater going to Richmond, Baltimore, Boston or Charleston usually went by water. Most roads were local and only went to nearby boat landings where they picked up shipments. By the 1800s overland roads had received some maintenance, but in the 1600s and 1700s maintenance was rare and most overland roads had potholes remarkable for their size. They could easily wreck a modern car. To navigate these hazards required large wheels - very large wheels. They could roll over most deep potholes with only a slight "bump".

Large wheels require large wagons. The Conostoga wagons that settlers used to go West in the mid-1800s are examples of the type of overland wagons needed for really rough terrain. They weren't designed for working in the fields - they were cross-country vehicles - great big things.

The Hoskins family coach that Jannet Carter Roy used was old and it was big - a big family coach used infrequently. It would carry a surprising number of passengers and some lasted more than a century.

The wheel size alone on family coaches and cross-country wagons of the 1700s and the 1800s Western expansion would make Hollywood movie stagecoaches look small.

### Hookworm

**D**addy told me about hookworm. Lots of white people in Essex and King & Queen were sick when he was young. No one knew why. They were listless, wouldn't eat, couldn't work, couldn't go to school, and died young. It appeared to affect only white people - the colored didn't seem to be greatly affected.

Dr. Bagby from upper Essex County discovered that the white population was eaten up with hookworm - a disease brought to America by black slaves. Most American doctors had never heard of hookworm. This changed when Dr. Bagby set up a demonstration at a meeting of the Virginia Medical Association in Richmond complete with rows of microscopes so the doctors could see for themselves. It was the first time it had ever been done and it caused a sensation.

Families which had been sickly for generations suddenly got well. They stood up and led normal lives. Once doctors knew what to look for - hookworm virtually disappeared from Virginia in a few short years.

A recent edition of *National Geographic* included a piece about Andersonville Prison where so many northern prisoners died during the War Between The States. It appears that the primary killer of Union prisoners wasn't the Southern guards, bad food, or Commandant Wirt who was in charge of the camp and who was hanged after being blamed for camp conditions. It was hookworm.

This alien endemic disease of the Negro killed their deliverers by the tens of thousands.

### **Aliens & Their Diseases**

**T**he Bible has much to say about consorting with aliens. Let's remember that non-venereal syphilis contracted by Spanish explorers from the American Indians and taken back to Europe killed half of Europe's population.

Once again, fleas on rats brought the Black Plague from Islam where it is endemic in places like Saudi-Arabia. While in Arabia the disease comes and goes - in Europe it killed half the population before it left.

### **AIDS**

AIDS appears to have the characteristics of an epidemic. I have been told that it is difficult for Whites to catch the disease except from someone who already has the disease. While reaching epidemic proportions among strangers, it is rare for Whites to contract the disease except from sexual contact with alien carriers. It would seem to be sensible advice to warn our people to terminate relationships with anyone who engages in interracial relationships. Sexual intercourse should be reserved for Saxon men and wives only. Even simple physical contact could become deadly.

## Conclusion

The WORD was given to the Saxon to save him from things that would destroy him. The future may reveal that avoiding forbidden food and avoiding consorting with Lawless people may be a matter of life or death.

## PIGS

I was brought up loving sugar-cured Virginia ham. We always had several curing in the smokehouse at the farm and when we moved to Lynchburg we always had several curing in the attic.

Except for a few, most Virginians felt the same way we did about Virginia ham. After I was saved on 28 April 1965, I started studying, and my studies ran into the part about diet.

*"Thou shalt not eat any abominable thing. ... the swine, because it divideth the hoof, yet cheweth not the cud, it is unclean unto you: ye shall not eat of their flesh, nor touch their dead carcass." Deut 14:3,8*

That's pretty cut and dried. There was something else. There was a time when eating pig was considered submission to the alien God-of-the-land, and refusal to eat pig was considered rebellion. Following is a case of the latter kind where a man believed his life was of less value than submitting to eating pork:

## Eat Pig Or Fight

*"In those days arose Mattathias ... "The king's officers, such as compelled the people ... to make them sacrifice ... came unto ... Mattathias ... Then answered the king's officers, and said to Mattathias on this wise, Thou are a ruler, and an honorable and great man in*

*this city ... Now ... fulfill the king's commandment ... and thou and thy children shall be honoured with silver and gold, and many rewards.*

*"Then Mattathias answered ... Though all the nations that are under the king's dominion obey him, and fall away every one from the religion of their fathers, and give consent to his commandments ... God forbid that we should forsake the law and the ordinances. We will not harken to the king's words, to go from our religion, either on the right hand, or the left...." I Mac 2:1-22*

Mattathias then wreaked vengeance on the violators of God's law and thus began the Maccabean Revolt that freed the land from lawless strangers. It all started with the eating of pig - an animal that God forbade his people to eat.

### **What To Do?**

I was told that this Law was no longer obeyed because of the clean conditions pigs were raised under and meat raised this way could in no way present a danger.

I then talked to others who explained that a pig is a scavenger like a skunk or a buzzard. The scavenger's entire body is made to dismember and dissolve rotten poison carrion. The process of dissolving begins the instant one contacts the scavenger. From the moment one eats a delicious mouthful of good old Virginia ham the ham begins its natural job of dissolving one's digestive tract.

In short, scavengers are created to dissolve offal in their special acid filled bodies. The entire scavenger body works to digest whatever it comes in contact with. It continues working whether you are inside it - or it is inside you. If inside you it attacks whatever is already weak within your system.

Very often it is your immune system that is first damaged while trying to ward off the scavenger's attack. I have heard that one can feed a pig strychnine, a deadly poison, without making him sick.

### **My Experience**

**A**s mentioned before, my father was raised near Hoskins Creek in Tidewater and kept the old eating habits taught by the old state religion. Dad said he could tell the river an oyster came from by its taste. Maybe he could. As far back as I can remember our family enjoyed oysters, crabs, Virginia ham, and bear meat when we could get it.

As a child I had chronic earaches. When the pain became more than I could bear Daddy would lance them. When I was a teen-ager I had boils. I played football games with boils. I haven't words that will describe that experience.

This last may be a coincidence, but it is a fact. As I said before, I accepted the WORD on April 28, 1965. I read the Scriptures against eating scavengers. I stopped eating them. I haven't had an earache or boil since. Just like that!

Coincidence?

I don't think so.

### **Virginia Hospitality**

My wife has an aunt who married a preacher sixty years ago and moved away. Her husband died and she came back home to be near her family.

In Lynchburg, when there is sickness in a family, friends often drop off a meal to help out.

During my recent convalescence, my wife's aunt dropped off supper - the best smelling BBQ you ever saw -

Pork Barbeque!

## FORGET THE MIDEAST REMEMBER THE BORDER

---

Remember, America is undergoing a mass invasion by aliens on our southern border. The hue-and-cry became so loud that the president sent an unarmed national guard to the border to help with guard duties - an unarmed national guard having neither weapons nor ammunition.

When this stratagem failed to quiet his critics, a war was expanded in the Mideast that has thus far cost 2,500 American and countless Arab lives.

Every newspaper, TV and radio broadcast is full of the Mideast fighting - and all the while the invasion of America's southern border continues unabated - pushed off the front page - but ongoing as if it had never been mentioned - millions

upon millions upon millions of invaders. Remember Number #6 of the "#36 Strategies" the Children of Esau use against us; **6 - Talk one thing - act something else.** C) Attack Iraq to detract attention from the ongoing alien invasion and occupation of America.

## THOSE DESERVING HONOR

### A MATTER OF TIMING

*"To every thing there is a season, and a time to every purpose under the heaven." Ec 3:1*

Scripture tells us not only whom to honor, but lists the proper order in which honor is to be tendered and things done. Our minds are to be trained in good things and away from bad things.

*"As a man thinketh ... so is he." Pr 23:7*

### **Barabbas's Timing**

According to the Book of Philochristus, Barabbas was devout and sincere, but he did not know God's WORD and therefore his timing was of his own and not God's timing. The result was a disaster:

*"Now Barabbas spake with something of austerity ... Therefore I asked him again where he had been of late, and why he had forsaken the disciples. But he answered with still more of passion than before, 'Because I am weary of these idle wanderings about Galilee, which bring forth no fruit. Not to sit on stools at the feet of a Scribe did I and my friends join ourselves to Jesus of Nazareth. Why tarrieth he so long idle? Why is his hand so backward to smite the oppressor? But I bade him be of good cheer, for the hour was not yet come, and Jesus would know better than we the season fit for our uprising.'" (Philochristus, Chapter 13:pp.24, p.129).*

God The WORD is man's God. Scripture says, *"For I the Lord, do not change."* Mal 3:6. Kings justify their Lawlessness by appointing priests who will modify and change The WORD to allow the king to do unLawful things.

Their modified Christianity permits them to exact taxes, form monopoly, practice usury, and allow strangers in the land when such things are forbidden by the WORD.

### **Mass Modification**

For instance, the first editions of the "King James Bible" were cheaply printed by the Crown to replace the troublemaking Geneva Bible containing "margin notes" included by the reformers. The first KJ Bible contained the nationalist books of the "Apocrypha" just as the first Geneva Bibles had done. Today's KJ Bible does not. They are gone. Vanished.

They've been censored out of the Bible to keep Saxons from learning and becoming aroused against their leaders by reading their own history.

*"As a man thinketh so is he." Pr 23:7.*

Control a man's mind and you control the man.

### **Discovering Those Deserving Honor**

One of the Apocrypha's censored books is the book of *Ecclesiasticus*. This book lists three who are worthy of study and honor.

When the book was written everyone knew who "Adam-man", "Isaac's-son", and "The WORD made flesh" were. We can no longer assume that this is true since all media are censored and Esau pays Jacob's turncoat priests to keep silent about the matter.

The following is basic to understanding:

First:

*"(God's) name is called The Word of God." Re 19:13*

Next:

*"God created man in the likeness of God." Gen 5:1*

The WORD of God is known by its Laws, Statutes and Judgments. Man is made in the image of these Laws, Statutes and Judgments. We are made in the image of God the WORD.

According to *Strong's Concordance*, the meaning of MAN is the Hebrew word: Adam 119 - "to show blood (in the face), ie: to flush or turn rosy: - be (dyed, made) red (ruddy).

Man or Adam-man is our name. We have another name:

*"In Isaac shall thy name be called." Romans 9:7*

We are "sons of Isaac", "Isaacsons", "Saxons". Our name alone can cause panic among our enemies which is the reason their media is careful not to repeat the name - "Saxon". We are named by our own God - God the WORD - after our father Isaac. We are *Saxons*. In addition to these two names we have still a third name:

*"And God said, Let us make man in our image ... and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth." Gen 1:26*

God selected man to govern the earth and gave him the power to do it, and gave him a name befitting the task - *Israel*.

*Israel* in Hebrew means - "he will rule as God" *Strong's Concordance*. The same as "one who has been given God's power of attorney." Certain rebellious Sons of Isaac - Saxons - deny *Israel* descent attempting to escape restrictions decreed by the WORD which is God. To them, denying that they are *Israel* gives them a license for Lawlessness.<sup>1</sup>

God-The-WORD gave us the world to rule justly - according to the Laws, Statutes and Judgments of the WORD.

Our three names are *Man* (*Adam-man*), *Saxon*, and *Saxon-Israel*.<sup>2</sup>

---

1 "After the death of Saul the ten tribes arrogated to themselves this name, as if they were the whole nation (2 Sam. 2:9, 10, 17, 28; 3:10, 17; 19:40-43), and the kings of the ten tribes were called "kings of Israel," while the kings of the two tribes were called "kings of Judah." ... "After the Exile the name *Israel* was assumed as designating the entire nation." *Easton's Bible Dictionary*

2 Only Esau, his agents, or ignorant people call a black an "Adam-man" or "man"; a Chinaman a "Saxon"; or a Khazar-Turk an "Israelite". Such comparisons are oxymorons but valuable to expose the mental state of the speaker.

### Three Worthy Of Honor

Scripture clearly identifies those three who are worthy of honor and praise.

#### FIRST IN HONOR

**A**ccording to the censored *Book of Ecclesiasticus*, the very first deserving of honor is "man" himself - the creation and image of God.

*"Adam (was in great honor) above every living thing in the creation." Ecclesiasticus 49:16*

Whether high or low, *man* should always be held in honor. When he is loyal and faithful to the WORD he should receive the honors prescribed by the WORD. When he is naughty he is still to be honored by receiving the judgments and punishments directed by the WORD. Never are we to take the Law into our own hands and administer punishment according to what we think is right or wrong. We simply accept the judgment of God.

#### SECOND IN HONOR

**A**fter man himself, we are to praise and study those of our nation who are famous and who are second in honor. The following is from Ecclesiasticus 44:1-23 45:1-17

*Ecclesiasticus 44:1. "Let us now praise famous men, and our fathers that begat us. ... 16. Enoch pleased the Lord and was translated, being an example of repentance to all generations. Noah ... in the time of wrath he was taken in exchange for the world, therefore was he left as a remnant unto the earth when the flood came. ... 19. Abraham ... who kept the Law ... 22 With Isaac*

*did he establish ... the covenant. 23 And made it rest upon the head of Jacob...*

*45:6 "He exalted Aaron ... 7. An everlasting covenant he made with him, and gave him the priesthood .... neither did ever any stranger ... but only his children and his children's children perpetually. ... 15-17 Moses... He gave unto him his commandments ... that he should teach Jacob the testimonies and inform Israel in his laws. ..."*

We are instructed to honor first - "Adam-man" and second to honor our heroes and prophets.

### THIRD IN HONOR

**T**o have Law, someone must enforce the Law. Third in honor is the one who enforces God's Laws.

*Ecclesiasticus 45:23. "The third in glory is Phinees (Phineas) the son of Eleazar, because he had zeal in the fear of the Lord, and stood up with good courage of heart when the people were turned back, and made reconciliation for Israel, 24. Therefore was there a covenant of peace made with him, that he should be the chief of the sanctuary and of his people, and that he and his posterity should have the dignity of the priesthood for ever. 25. According to the covenant made with David son of Jesse, of the tribe of Juda, that the inheritance of the king should be to his posterity alone: so the inheritance of Aaron should also be unto his seed. 26... to judge his people in righteousness, that their good things be not abolished, and that their glory may endure for ever." Ecclesiasticus 45:23-26 (see Num 25)*

## Choice

The first in honor is "**Adam-Man**". He is made in the image of God the WORD, is destined to be conformed by the Law into one acceptable by the WORD, who also bears the name Israel - meaning having God's power of attorney - and has added the name of Isaac - Saxon.

The second we are to honor and study are the great **prophets and leaders** of the past. We study their stories because each has a lesson to teach us.

The third in honor are **followers of Phinees** - *"Because he had zeal ... when the people were turned back ... that he and his posterity should have the dignity of the priesthood for ever." Ecclesiasticus 45:23-26 (see Num 25)*

## Esau's Deception

Esau boasts that he controls the minds of the world. He does this with his usury and media monopoly.

*Jana - Gawa - Mana* - "Thou are the ruler of all minds."

Adam-man honors the WORD. Esau's media glorify sex and violent death. His heroes are glorified to capture the mind of man and increasingly are the color of Esau's God Kali. Man and his heroes and prophets are erased by simply ignoring that they exist.

*"As a man thinketh ... so is he." Pr 23:7*

## Positive Result

As is his way, Esau has overdone things. His actions are educating man. The things that Esau is trying to teach Jacob to honor and worship are now easy to identify:

*"A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not good fruit is hewn down and cast into the fire. Wherefore, by their fruits ye shall know them." Matt 7:18-20<sup>3</sup>*

We see corrupted pulpits, thrones and trade-counters and these things have taught us to use the WORD to judge. God's people are beginning to study the WORD. Our enemies have become obvious in what they do and man is learning to make fewer mistakes.

### **Barabbas**

We spoke of Barabbas. Barabbas was asked why he deserted Jesus and why he and his followers rose up against Rome, a decision that resulted in getting his followers killed and him in prison awaiting execution.

Barabbas failed because the time was not right - there were not enough in the land who knew the WORD to support his efforts. Remember, too, the reason Rome survived as long as it did was because it stayed on top of discontent that might develop into insurrection.

### **Rome Incites War**

In 87 AD, the time was still not right. To keep nationalism from growing, the Romans sent soldiers to Jerusalem to provoke the nationalist Israelites to fight before they were ready. It was interesting how they did it. They paraded their soldiers before the walls, turned them around and had them raise their garments revealing their behinds - a real insult in

---

<sup>3</sup> *"And God ordered Satan to show himself to Adam ... And God said to Adam, 'Look at this devil ... and look O Adam, at him who said that he is God! Can God be black?'" II Adam & Eve 4:1-4*

those days. Jerusalem's inhabitants acted as the Roman's expected - they poured out of the city after Roman blood and the war was on. They weren't ready and the war was a disaster - as planned. Rome won by provoking a war before their enemy was ready.

### **Fort Sumter**

The trick is to get the victim to strike the first blow. Lincoln told S. Carolina's peace emissaries meeting with his government in Washington DC that there would be peace.

Hearing this, Virginia immediately voted against secession. Actually, while the peace conference was in progress, Lincoln had secretly ordered the U.S. fleet loaded with an invasion army to storm Charleston. The fleet arrived off Charleston Harbor and waited until an unforeseen storm subsided so that they could storm the city.

Shocked at the sudden appearance of the invasion fleet while peace talks were going on, Charleston's defenders opened fire on Fort Sumter before the invaders could land and unite with the garrison inside the fort.

Hindsight says that it would have been better public relations to allow the invaders to sack and burn Charleston. This sacrifice would have rallied support from the entire country - North and South. They didn't and the war Lincoln promoted was a disaster to the South. The time was not right.

### **Bob Mathews**

There was a young fellow named Bob Mathews. He was distressed by things being done to his people. In the 1980s he organized a group called the Order. They took money from armored cars and gave much of it to farmers being foreclosed

by the banks. His group was betrayed and he was tracked down and burned alive as an example to others.

Mathews' followers were rounded up and most are still in prison. A story similar in many respects to the Barabbas story. Such actions seldom succeed when the people are not ready.

### **Sons Of Liberty**

In Tappahannock, on the main street leading to the river a half a block down from the court house on the left hand side of the street is an old story and a half house with lots of dormers. It belonged to a wealthy Tappahannock merchant who owned a fleet of ships that did business with Britain. A group known as the *Sons Of Liberty* had posted a decree forbidding trade with England and this merchant violated the decree.

Early one morning, the merchant answered a knock on his door and was confronted with a street full of men standing quietly. Their leader briefly stated that further trade with England would result in the merchant's house and ships being burned and he himself being whipped and tarred and feathered.

When the king's soldiers arrived to protect this merchant they stood alone and received no help from the community. The surrounding countryside stood solid with the protesters. England was isolated, incensed - and helpless. The merchant wisely stopped trading with England. The time was right.

### **Living Under The King's Law**

The whole system of King's law collided with the WORD. Neither gave ground. The king's lawmen and army enforced the King's law - and the Sons of Liberty and their like

enforced the Law of the WORD. It had taken many humiliations, confiscations and lives before public opinion in Essex County supported defiance.

The crisis had been building a long time.

### **The Royal Road**

The lawless edicts of the Crown resulted in the Indian massacres of 1622 and 1644. Lawless crown edicts caused Bacon's Rebellion, ruinous taxes, monopolies, confiscations, imported slaves, trade and treaties with warlike Indians.

All this lawlessness made possible the Tappahannock event. The people had suffered and were now organized and able to prevent further suffering. They were able to use to their advantage every mistake the king's agents made. The time was right. The successful Revolutionary War followed.

### **Abortion Clinic**

A different type war has now evolved. The other night, I watched on TV a woman who was an abortion clinic manager in Alabama. She was listing her problems. The biggest one was the scarcity of doctors to perform abortions.

Business had dropped to a fraction of what it had been earlier and it was questionable whether or not she would be able to continue to keep the doors open. Doctors who had worked for her found that when it became public knowledge that they practiced abortion their private practice dropped drastically. Most said that they were unwilling to risk losing patients in order to perform abortions under present conditions.

Public opinion has done what other means couldn't. This is a different warfare but just as effective. The time is right.

## **Bruce Pierce**

The other day I received an interesting letter. It was from Bruce Pierce, a member of The Order who has been in prison for more than a quarter of a century:

"Dear Mr. Hoskins: I'm very well save for my knee. It needs replacing. Trouble is, I'm too young - at 52! The doctor suggested I wait as long as I can cope with the pain.

"While traveling through the local country to my hospital visit I was struck by how much more good I/we might have done if we tried instead to reach out to people in the language they'd understand about our message. Endeavoring first to be Godly men before our family and kin, then to our community - including work - demonstrating what a Spirit-led man is.

"When is the last time you've heard anyone, preacher, prophet or lay person teach about the Messiah? It's been a long time. I think we've lost sight of whose we are.

"Yah bless, still serving our people and truth,  
Bruce Pierce - The Order" - Prisoner Pennsylvania

## **My Opinion**

In my opinion one would do well to take note of this letter from Bruce Pierce. He is no less the warrior today that he was a quarter century ago - but more mature. He has had time to judge what is possible.

Today is the time for learning, and teaching our kinsmen the wisdom of those who are SECOND in honor - our prophets and leaders of yesteryear - giving them the respect that is their due.

This done - the Lawlessness of the king will in time result in another 1622 type Indian massacre. That will be the time to honor the last who are due honor. It will make no difference what the Saxon thinks about anything - he will fight to survive. By this time mankind will know the meaning of the words:

*"Thy Kingdom come Thy will be done!"*

Esau and his Christian-Hindu servants already know their meaning, and reading Luke 19:27 describes that day to perfection.

### **Letter From S. Africa by K.J.**

---

Our homes are more suited for summer and this is the coldest winter in memory. Nature is really upside down. I think we had one month with rain here while places not far distant were so wet that they cannot harvest last year's corn crop.

Government mismanagement has allowed pollution to become a major problem. Lanserig airport is to the West, the huge and rapidly growing black township to the south, and a major sand and stoneworks in the East. The air is unfit to breathe.

The only grass left to the back of us went up in flames when a black put a match to it. The wind was gale force and the poor animals had great difficulty in escaping.

One distrusts blacks when meeting them. They are no longer afraid to kill a white. In fact, it gives them great pleasure. We worry when our daughters and grand-daughters are on the road.

Black empowerment is becoming more dangerous by the day. Companies must have at least 80% blacks on their staff to be able to make a bid on a government project. A black with no education or expertise is made chairman. He comes in once a month to pick up his large salary and disappears until the next month. Most believe that the government plans for blacks to totally take over white industries as they have done in other parts of Africa. This has caused economic disasters when working capital disappears and incompetents take over.

A speech made at the OAU (Organization for African Unity) and AU (African Unity) appeared in print. They talk of rivers flowing with the blood of whites and incredible hatred against the entire white population. White newsletters warn against letting police into homes or even past the garden gate. Often the police are criminals themselves or criminals who have stolen police uniforms. Beware of letting anyone in who is supposed to be a workman for the telephone or electric company.

We have also been alerted to stay on high alert since an all-out attack may not be far off. May God forgive us for our past sins and protect us against these ever growing hordes of murderous, thieving aliens.

We received HR #380 late. It had been sent to the Philip-pines.

We went down to the Children's Home. In spite of being overcrowded Betzy took in five more children; two from the Cape, one boy who had been abandoned, and two more.

Our best, K.J.

RKH: Times have changed. Young is now a black nationalist. These types don't like whites either. They want a society where blacks can help blacks and whites can help whites without either interfering in the others' business. CRIME: \* Blacks are seven times more likely than other Americans to commit murder. \* HISPANICS commit violent crimes at 3 times the rate of whites. \* Of 770,000 violent

inter-racial crimes involving blacks and whites, 85% are committed by blacks. \* The imprisonment rate in the U.S. tripled between 1980 and 2003. \* Blacks are 82% more likely to commit hate crimes than are whites or Hispanics. \* Between 2001 and 2003, blacks were 39 times more likely to commit violent crimes against whites than the reverse. During this period there were on average 15,400 rapes and 12,762 sexual assaults committed on whites by blacks each year. \* In 2002, blacks were 16 times more likely to murder whites or Hispanics than the reverse \* Social disadvantage has little causative effect on crime rates. Race rather than poverty, is a better predictor of the crime rate in most areas of the U.S. [*The Colour of Crime: Race, Crime & Justice in America* (New Century Foundation, Oakton, VA 2005)]

"... (Germans) were being victimized - brutalized, beaten, starved, raped and murdered - by those whom the German sacrifice also would have liberated from the claws of usury.

"Ultimately, that's what this WWII struggle by the Germans was really all about! It's the best-kept secret of that war, because these international financiers do not want prying eyes to delve into that underlying reason. When I raised that issue with the leading lights of Revisionism, not one understood that this was the root cause.

"... Hitler's war on usury, on interest slavery, was the reason - his successful policy of substituting barter, instead of allowing banks their huge interest cut on international financial transactions and loans.

"... J.F.C. Fuller, the prolific author and military historian, quotes Bernard Baruch - stating that this was the punishment for Hitler and for Germany, for daring to try to phase in a fairer-to-all international trade and financial order ..." (Story in POWER, July 12, 2004 .zundelsite.org)

# Chapter 385

## THE DEVIL'S THRONE

### Need For The Parable

**M**any times man has been ruled by strangers - strangers eager to kill him if he shows the first sign of revolt.

Since the WORD rules against the ways of strangers - against having kings, taxes, monopolies, integration with strangers, usury, war with one's own kind, and the requirement that land is to be divided and never sold - all this is seen by the ruling strangers as "sedition", "rebellion", and "treason" - and they are quick to punish with a heavy hand those who express such opinions. Because of the fierce retribution from our conquerors, man has learned to speak to each other

in parables. The things the WORD says to us we understood, while the very same things mean something entirely different to our conquerors and their hirelings.

## **The Parable**

Parables are constructed to have two meanings: the obvious and the hidden. Those who know and obey the hidden are "saved". The "lost" see the obvious and follow its path to destruction.

## **Simple Bread & Wine Parables**

Sons-of-man know that Jesus made wine. Those who are lost use this to justify their drinking and they perish as is their due. It is a parable.

Bread is the "WORD" that gives us life; "the bread of life". Wine is the "spirit" - the desire and resolve to live by the WORD. The two go together. Bread without wine accomplishes nothing.

Remember this one:

## **Two Kinds Of "Dead"**

*"Another of his disciples said unto him, Lord, suffer me first to go and bury my father. But Jesus said unto him, Follow me; and let the dead bury their dead." Matt 8: 21-22*

This is easy. *"Let the dead bury their dead"*. One without the WORD is dead. His life is a one way trip to chaos. Look around you. There is little real difference between the living dead and the actual dead. Look at them!

Another easy one is the parable of Peter walking on water. When I worked on Wall Street there was always someone

proclaiming that he had the faith to walk on water. A crowd would gather and he would walk down to the end of Wall Street and step out into the East River only to be dragged out by the harbor patrol half drowned. He violated God's Law about specific gravity. Now, the real story.

Peter, (the "rock") asked Jesus ("the Word made flesh") to allow him to walk over the water (water means "peoples"). He started walking, doubted, and began to sink into the waters. Jesus, (the Word-made-flesh) reached out and lifted him out of the waters to safety.

The enemy can't make hide nor hair out of that one in spite of it going on around them all the time.

Then, there is little David hurling a stone that hit big Goliath in the head. This one is too obvious to bother to comment - and there are many others.

Now, let us raise the mark a bit. We'll turn it into a puzzle - you work it out: It's easy if you think about it.

## THE CLOAK

**T**here was once a cloak. It was made by God to clothe Adam after he had been turned out of the Garden.

This cloak descended to Noah who bequeathed it to Shem. Noah's outcast son, Ham, stole the cloak. His son, Caanon, received it from him. In time, it fell into the hands of Nimrod.

This was not an ordinary cloak. It possessed special powers. It allowed the one who owned it to capture men's minds.

When he put on the cloak, Nimrod became ruler of many nations and many peoples because he had "*captured their minds.*"

Nimrod began to build a great tower to reach and take over heaven, but the workers began speaking different languages causing the construction to come to a stop.

One day Nimrod went for a stroll in the cool of the evening. Two guards were with him. Esau saw Nimrod approaching. He hid himself, and waited in ambush.

Esau sprang from concealment and with his sword slew all three. Seizing the cloak from Nimrod's lifeless body, Esau fled. Nimrod's followers followed hot on his heels.

Esau arrived in the camp of Isaac, his father, frightened, weary, and despairing of his life. He demanded that his brother Jacob trade his meal to him in exchange for the birthright due him as the eldest son. His birthright was of little value since he expected to be killed before the sun set. He kept the cloak. This story can be found in the book of Jasher chapter 27.

### **Esau's Cloak**

Nimrod's cloak is now owned by Esau's descendants. They have taught not only their own people but their servants its use. Whoever possesses it is able to rule peoples and nations without their being aware. Their eyes become blind. When in its power, lies can be told for truth, and sawdust given for treasure.

### **Answers Needed**

What stopped the building of the Tower? How did the cloak capture men's minds?

We know who has the cloak today, but that knowledge is of no use unless we know what the cloak is. What does this cloak do?

The foolish see the cloak story as just another fanciful flight of man's imagination. The key that unlocks the secret to the cloak parable is found in the following temple parable.

### Logic

It is logical to assume that in states ruled by Esau, every political, economic and religious person of consequence is either an actual son-of-Esau or his agent, and that the Law system that is enforced in that state has been modified to be approved by Esau.

### Night Meets Day

**T**he story of the Devil tempting Jesus is so important that it is placed in the first book of the New Testament - Matthew 4:3-10. It unlocks the cloak parable, and opens the door to understanding the rest. The rest of the New Testament is filtered by this story:

1. *"Then was Jesus led up of the Spirit unto the wilderness to be tempted of the devil. ...*

3. *"And when the tempter came to him, he said, If thou be the the Son of God, command that these stones be made bread*

4. *"But he answered, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.*

5. *"Then the devil taketh him ... and setteth him on a pinnacle of the temple,*

6 *"And saith unto him, If thou be the Son of God, cast thyself down: for it is written, ... his angels ... shall bear thee up. ...*

7. *"Jesus said ... It is written ... Thou shalt not tempt the Lord thy God.*

8. *"Again, the devil ... showeth him all the kingdoms of the world, ...*

9 *"And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.*

10 *"Then saith Jesus unto him, Get thee hence, Satan; for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve." Mt 4:1-10*

### **The Parable Key**

The above was written when Rome was looking for an excuse to wipe followers of the WORD from the face of the earth. However, they looked and could not see and so the key remains.

There are so many key words and important disclosures in the above ten verses that it is difficult to know where to start or to speak of them briefly.

1. "Jesus" - the WORD made flesh; "Wilderness" - a place like Washington D.C., NY or London; "Devil" - Lawlessness - those who follow Lawlessness.

3. "Stones into bread" - a Lawless act.

5. "Pinnacle of the temple" - the Devil's throne.

6. "Throw thyself down" - defy the Law of Gravity.

8. "Kingdoms of the world" - are created to control the devil's possessions. Each kingdom consists of three ruling castes: The "king" enforces Lawlessness; the "temple" cloaks religion and controls the people's minds; the "merchant" manages media, usury and trade. The devil can give them to whom he will to enjoy and manage because he established them.

9. "Great merchants" are given money to manage from the never-ending flood of usury money. Today's "kings" are

media-elected to enforce Lawlessness. "Preachers" are given wherewithal to establish large churches along with media access in exchange for proclaiming a point or two of righteousness and ignoring the raging flood of lawlessness.

10. Obey God only.

### The Cloak Key

With the above as a guide it should be simple to decode "The Cloak of Esau". The cloak that was given by God to protect the Adam-man he had created. It covers and protects him from all evil.

However, long ago Esau discovered our love of money and, using this knowledge, Esau learned to infiltrate established religions and modify them to make them say what Esau needs them to say<sup>1</sup>.

Many peoples worked to build the Tower Of Babel. Their different languages caused confusion and the work on the tower stopped because the workers didn't understand each other.

What languages? The *different law systems* each group brought with them and in whose image each group was made. These law systems conflicted - the peoples could not understand each other. What was right for one was wrong for another. Their work suffered. The work-force building the Tower fell apart.

We must remember that the cloak of Esau allows Esau to rule the world while concealed by his cloak. He has changed our God-the-WORD into a manifestation of *Siva* (sex) and

---

<sup>1</sup> "The love of money is the root of all evil." I Ti 6:10; "Money answereth all things." Ec 10:19; "And Jesus went into the temple of God, and ... overthrew the tables of the money changers." Matt 21:12

*Kali* (death). Sex and death and little else comprise the content of Esau's media today. The temple priests ignore the chaos which is interpreted by the masses as being approved by the priests. People are being conditioned to accept death, slaughter and whoredom as normal - and the corrupt priesthood allows it to happen and does not protest.

The Hindu has named this age - the *Age of Kaliuga* - the age of death. Everything done by his kings, priests, and merchant-money managers is focused on bringing about *nirvana* - the destruction of all life on earth. The one obstacle is the ancient obstacle - *adam-man*. Kaliuga can only end when the last man on earth is dead - then all life on earth can perish and a new age can be born.

## CHEERS

Don't sweat it. Everything is in good hands. Jesus prepared for this long ago.

Guess who he appointed to be the new priests and new kings to lead the way into the new world? It's right there.

*"Jesus Christ ... hath made us kings and priests unto God and his Father." Rev 1:5-6*

How do you like that? You've been drafted. Don't sweat it - you are in good hands. Your leader has never lost a battle. What can go wrong? We got our certificates and it's time to get off our duffs and follow orders.

Remember, he promised us a crown or two for doing what we are supposed to be doing anyway. That's better pay than you've been getting.

Now - two questions:

The Devil's throne is - WHERE?

Jesus appointed WHO to be king and priest?  
Look it up again and don't forget it!

The hell of *Nirvana* is for Esau - not for Jacob - whom God chose to be Israel. God made Adam-man and commanded him to govern God's kingdom on earth - justly.<sup>2</sup>

### LETTER FROM S. AFRICA by K.J.

At "The Home", Betzy had to spend time with the six new children, and since the boys' room was full they had to build new rooms. We hope to see everything when we go down again. Betzy takes the children to the RPC church on Sundays - it's just down the road. A good old man comes on Wednesdays and they read and discuss the Bible.

Slowly the very cold winter is slipping away. The garden is getting attention and it is time to plant seed and seedlings.

Crime has become so bad that N. Zealand told their citizens not to come here as it is so dangerous - and they are not the only country doing this. We often get updates on danger spots via internet.

Willie Marais is of the opinion that the black regime will not last till 2010 when they are scheduled to have the big soccer affair here. If the government cannot fix the expansion joints of a bridge in a year, how will they build all the needed stadiums and facilities? Only Cape Town has the frame up for one. Soccer has become a black sport here and it is mismanaged. They lose every game. They hire new coaches

## UNFILTERED NEWS

---

**LIBERAL SCIENCE:** Physicist Stephen Hawking is ready to retract his theory that a black hole destroys everything sucked in by its gravitational force. Like the unproven theory of evolution - easy come - easy go.

Other wild unsubstantiated theories follow chaotic thinking and Lawlessness. "*Diversity*" for one. The word means separateness but cartel word-crafters twist it to mean "integration". In their minds it is easier to "*de-separate*" than to "*de-integrate*" once "*de-separated*".

They want Jacob to be "*de-separated*" - and be like Esau who is "*diversified*".

**ICELAND:** Iceland's government passed a law preventing media concentration. Iceland's president, Olafur Ragnar Grimsoon, vetoed the law.

RKH: The media advertises its agents so voters will elect them. Then, those elected protect cartel interests. This one did.

PAYOUT: The Roman Catholic Archdioceses of Los Angeles and Orange County are prepared to pay \$1.5 billion to settle claims of sexual abuse by priests.

RKH: "In Hinduism, 'guru' means God Himself." *Am I A Hindu* (The Hinduism Primer), p.2, Halo Books, 1992, POB 2529, San Francisco, CA 94126

Acting as God, gurus (preachers) make laws for their followers. As lawmaker, the laws he makes for himself may be opposite from those made for his followers. Thus, a guru may forbid his followers from being sodomites and pedofiles but may be one himself. Such Gods can do anything. It is also logical that God-the-WORD will hold them accountable.

SALVATION ARMY: The Salvation Army is poised to install its first black leader - Commissioner Israel L. Gaither. His was the first interracial marriage in the Salvation Army. William Sinkford, president of the Unitarian Universalist Association. The number of Salvation Army officers has dropped 1/3 in the past five years. # Chapter 386

## 2nd VA CAVALRY & LATHAM'S BATTERY

**N**ations have histories. The world empire of the International Trade Cartel (ITC) has its own entirely different history

When the ITC makes a conquest - it replaces national history with its own version of history.

When Iraq was invaded, its museums containing thousand year old artifacts were looted and destroyed, the Iraqi children's schooling was censored, and every word spoken by an Iraqi was judged.

It was necessary for the invaders to first destroy the Saddam rule. To do this the conquered country was divided into three nations - one racial and two religious. These three nations were encouraged to go at each other's throats and exhaust themselves. Then, it was planned that the newly established puppet government of the conqueror would unite them and bring the whole into the cartel..

However, things don't seem to be working according to plan. Only Esau can fight himself and at the same time unite to fight outsiders. They proved this when Saladan united the Arab world during the Crusades.

Presently, Esau is developing a new kind of warfare. The objective is simple. Anyone connected with the invaders in any way is a possible target. Every enemy killed is heralded as a great victory and every Iraqi killed is mourned as a martyr.

In many respects our West is in a similar condition. We were conquered long ago. We are ruled by puppet governments, have puppet priests, and furnish slave labor for our conquerors' industries. But we see and we learn. Sons of Vikings don't endure chains forever.

### Virginia

**T**his week I passed a "dog-leg" and reached the "Lynching Tree".

We learned about dog-legs and the Lynching Tree in school, and almost everyone knew where a "dog-leg" was and had visited the Lynching Tree.

We were taught that men owning land once had more power than the state of Virginia. They were kings of their kingdoms. They ruled by Bible Law.

If Virginia wanted to put a road across a man's property and he didn't want them to, the state would have to go around. The result: Virginia is loaded with "dog-legs" where the road suddenly ends and you must make an abrupt left or right turn. After driving for a while there is another abrupt turn that sets you on your original course. It's a "dog-leg". There are a lot of them on the back roads of Virginia. Private land in Virginia was once beyond the reach of the state.

They don't teach about "dog-legs" anymore. The idea that at one time people had greater power than the state is a "no-no".

### **Lynching Tree**

That same day I drove past Judge Lynch's house, the one with the Lynching Tree. During the Revolutionary War people with land- boundary disputes went to Judge Lynch. They sat together under the big old tree in Judge Lynch's front yard - the "Lynching Tree" - and received Judge Lynch's opinions concerning the old land-grant boundaries.

The reason was that the King had called all his land-judges back to England. There were few men left who knew land-grant rules and claims. "Judge Lynch" was one of them. He had been a clerk in one of the land-judge's offices and knew more about land, boundaries and ownership than anyone else, so his neighbors made him a land-judge. The old tree where they sat is now gone. But the true story is at variance with the media story. No one, black or white, was ever hanged on Judge Lynch's tree - the "Lynching Tree". If the rest of the country ever learned the true story it would ruin the media's "lynching" fable, so they've stopped teaching the true story about the Lynching Tree.

## Black Reparations

Something else; blacks want reparations for their time spent as slaves. I'm all for it. Let me tell you why.

Today's media says that slavery is all our fault - that all Southerners ever did was to sit on front porches, sip mint juleps and whip slaves. They won't let people know that Virginia didn't want slaves and petitioned the Crown twice to stop the trade. The Crown warned us that if we petitioned them again the petition would be treated with "severe displeasure". Why?

The other night I was reading the Encyclopedica to relax before I turned off the light and guess what I found:

"The Treaty of Utrecht (1713), which closed the war (King William's War (1689-1697 - French & Indians vs England in America), ceded to England the Hudson Bay region, Newfoundland and Nova Scotia, and allowed to it the monopoly of the slave trade in the colonies." *The World Book*, W.F. Quarrie & Co, Chicago 1927, p.2329

How do you like that? England had the slave monopoly won from France in a war. No wonder the King didn't want to hear that his subjects objected to his selling his black slaves here. He was making money hand over fist in the slave trade that belonged to him.<sup>1</sup>

If America's blacks want money as compensation for their slave labor - go for it! Just go to the one responsible for them being here in the first place - England. We did our level best

---

<sup>1</sup> The "King" is the ceremonial representative of the cartel's British market. Its old civil service has been banished. Britain's new rulers can be seen in the faces of its new nobility and priesthood. In fact, if you would care to become a baron - its really not that expensive.

to keep blacks out of this country and it isn't our fault that they are here now.

Maybe we, too, should petition England to get paid for the money we've had to spend on England's blacks since they forced us to take them.

We can say that they had better pay both of us or risk our "severe displeasure".

### **Once Upon A Time**

Wars are never over. Rome conquered Gaul. When they were through smiling and making new agreements, the people of Gaul were penniless Roman slaves.

While visiting Scotland I discovered few Scot families who had owned their land more than a couple of generations. I found lots of Scots living in six-story walkups in Glasgow whose ancestors had been swept off the land to make way for sheep. The Cartel traded Scots for sheep. Scots become unhappy when reminded of that fact which is why the cartel media doesn't remind them.

In America, not one Southerner in a hundred owns his great-grandfather's land. In one form or another the enslavement goes on and on and on. The last thing in the world the conqueror wants is for the subjects he has conquered to learn about their old heroes, their past days of greatness, and the injustices they have endured. They just might try to emulate the deeds of their fathers. The Cartel doesn't want people going around asking each other if they live on their grandfather's land? It causes problems. Following is an example.

### 2nd VA. Cavalry

**B**efore the War, Lynchburg had only about 8,000 people, and that was only when people came to town during tobacco harvest and the winter off-season holidays. In growing season, the population dropped to about 4,000 because everyone was working his land.

When Lincoln announced that he was going to invade Virginia, the local farmers gathered at what is now Lynchburg's Miller Park, elected officers, called themselves the 2nd Virginia Cavalry, and rode off to the war. This regiment fought many desperate battles before they came home. But, their arrival home was an extravaganza.

This is what happened. At the end of the war, my grandfather Major William Hoskins, surgeon, 59th Virginia Infantry surrendered with General Lee and the Army of Northern Virginia at Appomattox - 20 miles east. He knew the story of the 2nd Virginia. The old timers used to talk about it.

Lynchburg's 2nd Virginia refused to surrender. Along with Latham's Battery from Lynchburg, they formed battle-line and charged through the entire Yankee army - pistols banging and sabers slashing - it was a breathtaking spectacle. The handful of survivors rode the rest of the way to Miller Park in Lynchburg, called roll one last time, hid their battle flags and dismissed the regiment. They never did surrender.

There's more.

### Latham's Battery

Latham's Battery, also from Lynchburg, rode with the 2nd Virginia in the last charge. On their ride from Appomattox, they stopped briefly to bury their six gun battery in a creek-bed somewhere between Appomattox and Lynchburg.

The occupation armies searched with no success. Some say that the secret of their location has been passed down from generation to generation. If Virginia is ever forced to defend herself again the guns can be dug up.

Everyone knew these stories once. Now few do. The exploits of our men are seldom mentioned by the media or the government schools, and when they do they are related in a disparaging way. The media are the reason.

### **Other Censored Things**

Virginia's budget was recently released. The Horse Center in Lexington received \$2 million dollars, Poplar Forest, Jefferson's home 6 miles away, received \$750,000, and the Museum of the Confederacy received \$50,000 of the \$700,000 requested. It doesn't have enough money to stay open more than a couple of days a week.

The Confederate flags have been taken down at Miller Park and at Lynchburg's Confederate Cemetery where 3,000 of our boys are buried. Robert E. Lee Jr. High has been renamed, as has Garland-Rodes School, named for Lynchburg's boy generals. "Dixie" hasn't been heard at a football game for 40 years. All the history that would make a Virginian a nationalist has been erased. Virginia is no longer proud or rebellious.

### **Governor Allen**

**S**till, news slips through. Lynchburg's *News & Advance* of Sept. 20, 2006, carried a short little article buried deep on page C3 revealing that Senator George Allen of Virginia, who is seeking re-election, was upset because his mother revealed to a reporter that she is Jewish - which makes Senator Allen Jewish.

When the question arose at one of his political rallies, Allen replied, "Who cares?" The paper related that the audience of about 600 business executives booed and hissed that the question was asked.

The booing of his supporters stopped the old question about whether or not Allen had prayed the *Kol Nidre Prayer*. Did he or didn't he? Suppose he said that he didn't? Could he be believed? After all, different nations have different laws.<sup>2</sup> *Kol Nidre* kept Jews from voting or holding office in England for hundreds of years.

### Fifty Years Ago

**G**loom and doomers really don't understand how much things have improved in the past 50 years.

For instance, right after the Korean War I was living in Richmond. Late one night there was a knock on the door. A tall middle-aged fellow, whose name I've forgotten, came in and asked me if I wanted a printing press.

Lots of people had mimeograph machines, but a printing press was big-time. That's when I learned that back then the government required printing presses to be registered. I didn't know that.

I remember that when the Communist government of Poland was overthrown - one of the first things the U.S. did was to ship printing presses there - lots of them. Because of this, the minds of Poland's people became controlled by the U.S. puppet Polish press. That was interesting. Printing

presses were sent to Lenin when he moved his operation to Russia.

Being a Southerner, I already knew that one of the first things the invading Union Armies did was to take over local newspapers to control the minds of its captive populations.

A few years ago the Lynchburg *News & Advance* was bought by a Cartel newspaper chain out of Richmond. The editor of the old paper was immediately fired along with the old reporters and an entirely new crew of internationalist newspapermen arrived. Instantly, history and traditions vanished from its pages. Lynchburg's news diet became strictly internationalist, globalist - one world.

### **Ruling Technique**

I quickly learned how the Cartel Media rules a community. It happened before my eyes. Cartel papers receive advertising money from the great Cartel corporations - while denying advertising to competitors. The several protest newspapers who tried to start up received no advertising from the big international companies and soon went out of business.

As a virtual news monopoly, newspapers give publicity to those of like mind and ignore those who aren't. In short-order, the city councils, school boards, state and national politicians, and well known media clerics became cookie-cutter likenesses of media views. If individuals don't parrot the one-world line - they are blacked out and their existence is unknown to the voters.

This is how the ITC rules the minds of the people of its market area. There is one viewpoint - that of the International Trade Cartel. Any nation wishing to break away and follow

its own law-system is their enemy - be they Black, White, Jewish, American Indian, or Mexican.

I understood none of these things 50 years ago. But now - almost everyone is beginning to understand.

Where one man furtively offered me a printing press 50 years ago - almost everyone now has a computer with world-wide printing capabilities - and many use their new capability to e-mail to hundreds, even thousands. Not only are we beginning to get uncensored information - people are beginning to recognize and complain about mind-control information provided by the Cartel media.

### Targets

**T**he American invasion of Iraq has triggered a deadly Islamic reaction. Islamic nationalists correctly noted that the intent of the "American media" in Iraq was to control the minds and attitudes of the Iraqi people. To stop this, anyone having anything to do with the media has become a target, from newspaper boy, TV announcer, cameraman, secretary, to station executive.

Never mind how low on the media ladder, every time a media person is killed the insurgents claim a victory and announce the inability of America to defend its puppets. The US is placed in the position of having to defend every single Iraqi who works for them. That presents a problem because America doesn't have that many troops in the world - much less Iraq. The task of defending Iraqi allies is impossible. They can't be everywhere at once. The Iraqis have learned to fight back against media mind-control.

The Lynchburg *News & Advance* p.2, Oct 13, 2006 carried an interesting AP story, excerpts of which follow:

"Baghdad, Iran - Staff members at Shaabiya TV were working to get the new station ready to begin broadcasting ...

"At 7 a.m. ... militiamen, some dressed as police, broke into the station and gunned down 11 Iraqi executives, producers and other staffers - the deadliest attack against the media in Iraq where at least 81 other journalists have been killed in the past 3 years. ...

"In another attack on Iraqi media, the body of a Kurdish radio reporter was identified at the Baghdad morgue ...

"At least 51 journalists - mostly Iraqis - have been kidnaped in Iraq ... The latest was the editor of a weekly magazine ...

"Many kidnap-slayings ... have been carried out by gunmen in police uniforms ..."

The thing I found most interesting was that on the very next day in a different newspaper was another story dealing with the same subject - this time in Russia. We must not forget that Russia was roughly occupied by the Mongol-Turks for several centuries and the Russian memory is long.<sup>3</sup>

The following is excerpted from the *Financial Times*, p.3, Oct, 14-15, 2006.

"Contract murders became a feature of Russian life after the collapse of the Soviet Union ... Professional killings mushroomed from 100 in 1992 to 563 by 1994. They largely replaced the court system as a way of settling disputes. ...

---

<sup>3</sup> During the great Tartar invasion of Europe in 1240-1242, mongol massacre of Russians was a regular practice. "At Moscow (Batu) ordered a general massacre, and 270,000 right ears are said to have been laid before him in testimony to its accomplishment." *Marco Polo II*, FN2, p.493, Yule-Cordier Edit, Dover Pub, NY.)

"Similar methods started being employed in the mid 1990s against journalists and politicians ....

"Rights activists say political killings, including those of journalists, have already got worse under Mr. Putin. The NY based Committee to Protect Journalists says Ms Politkovskaya was the 13th Russian journalist to die in a professional killing since 2000. .. such cases as hers and that of Paul Klegnikov, the editor of Forbes Russia murdered in 2004, may be the tip of an iceberg of attacks on journalists. Many, because they occur at local level, never get reported ...."

In closing, the article makes an interesting observation;

"Such crimes ... parallel with the rise of extreme and sometimes violent far-right groups in Russia ... though experts say (Ms Politkovskaya) recent murder did not look like a racist attack."

The use of the word "racist" indicates that many if not most of the other attacks may also have been racist attacks. The Cartel often accuses a national enemy as being racist.

This "racial" view describes the on-going Russian civil war - which IS racial. It is the continuing warfare between Mongol-Khazar-Turks who overthrew the Tzar's government and still control most of the wealth of the country, and the Nordic-Slav alliance which is trying to regain it. At present the struggle seems focused on trying to regain media control which will determine who controls the minds of the Russian people.

## **Background**

The West has been meddling in the affairs of the Middle East for a very long time. It helped carve Iraq out of the Ottoman Empire. It then included within Iraqi borders 3

different hostile nations. Next, it incited them to fight each other to exhaustion. The plan was then to have the docile remnants herded unprotestingly into the Cartel. Things don't seem to be working out that way.

### **The Coming War In America**

In the years up to and including 1999, the cartel media blamed America's Saxon reform-Christians for almost every act of violence and injustice that occurred. The media reported rumors and false alarms almost weekly to create paranoia.

It was reported that Russian tanks were photographed being transported on American railroad flat cars; more Soviet military equipment was discovered hidden in government warehouses. German planes and pilots were spotted stationed in Texas; Russian armies were organized in Canada and Chinese armies were on maneuvers in Mexico. Foreign invasion was said to be imminent.

Patriot militias were organized nationwide in a panic. Many had government agents planted in their groups that announced that the militias were making illegal machine guns and bombs and were capable of illegal acts.

The media blamed whites for every act of interracial violence, in spite of most violent acts being committed by blacks - bringing racial tensions to a high.

Then came the red alert about militias becoming a national danger; there was Ruby Ridge, Waco, Oklahoma City and the first Towers bombing - the media connected all in some way to Saxon patriots and Christian reformists.

## **The Switch**

Saxon-bashing suddenly stopped. The media hesitated. They were seemingly confused as to whom was to be blamed for Oklahoma City - American Patriots or Islamic terrorists? This was the first that most of us had heard of Islam having terrorists in America.

Then came the Towers incident. That decided things. The media reported that this was definitely the work of Islamic terrorists. This took American Patriots off the hook and put them on ice for the duration of the war to suppress Islamic separation.

## **Conclusion**

The war against Islamic separatism in Iraq is now winding down. Muslims are fighting among themselves like cats and dogs - as usual in Islam. However, all Islam agrees on one thing - the mutual enemy of all are the U.S. and the Iraqi rulers they have appointed, the media spokesmen, and the American soldiers still visible on Iraqi soil.

In the foreseeable future, American armies will leave Iraq. Washington will then have to choose a new enemy to justify continuing as "protector of the country" - and, of course, to keep the economy going.

Will it be China again? Russia? Or, will it be one closer to home, one who with little effort can be taken out of the ice-box, brushed off, and abused?

If it is - it would be unfortunate. Years of Anti-Saxonism has had the effect of pushing Saxons together. Saxons now talk - worldwide. This is something that they haven't done for years. They also observed Iraq and have learned the ways of Esau.

If, in fact, America's puppet government again turns on its Saxon Christian Patriots - it would be unusual indeed if someone wandering along a creek between Appomattox and Lynchburg didn't find a rusty old relic from the time of the Late Unpleasantness - and remember the story of the gallant men who put it there - the ones who wouldn't surrender.

### LETTER FROM S. AFRICA

---

Dear Mr. Hoskins: The black laws are getting worse by the day. They recently passed one where a person driving a car must pay to enter a town. Since public transportation collapsed there is no transportation available other than one's own personal car - excluding the death-trap taxis. It is one more hardship our people must endure.

The price of electricity is going up since the smaller electric plants shut down and the Koeberg nuclear power station was damaged.

In Northern Transvaal a cash-transit vehicle was robbed. It was ambushed and pushed off the road. The bandits killed one black guard, removed the cash, and pushed the three whites back into the van, poured petrol over them, and burned them alive. Their families could not identify their bodies. You can imagine how this makes us feel toward blacks.

One million highly qualified whites of working age that we know of have already left the country. Blacks tolerate the rest of us because we continue to generate wealth and make things run for the rest of the country.

The latest statistics show that there are 52 murders a day not counting rapes, robberies and hijackings. These figures appear acceptable to the black Minister of Safety and Security.

A druggist told me that AIDS combined with TB is killing larger and larger numbers of blacks. Last night's TV news reported that many more mortuaries are being planned for the near future, so the story must be true.

I recently received a letter from a U.S. pastor whom I thought was a Saxon patriot. He said that he feels very good that Mexicans are coming into the U.S. and that he likes them as a nation. I don't know if he ever has lived near any of the dark races, but here it is hell on earth.

Our best regards, and thank your readers for doing for us what circumstances prevent us for doing for ourselves, K. J.

### **Balance Of Payments**

---

A negative balance of payments gives aliens funds to buy America - which is why America's puppet leaders encourage a negative balance of payments.

### **ITC**

We've heard stories of \$10 lent at 6% at the time of Christ now being worth more than a ball of gold many times the size of earth.

The simple question is - what is the usurer to do with the flood of usury money that pours in year after year?

The answer - they invest it!

Where?

In businesses.

What businesses?

Look around! All sorts. Yearly the lenders' flood of money is parceled out to hired billionaire managers who buy businesses that buy smaller businesses and get bigger and bigger. They are called corporations; giant corporations; interna-

tional corporations; everyday names. The whole is part of the *International Trade Cartel*.

Utilities, oil companies, shipping companies, manufacturing companies, land companies, banks, media, the multi-billion dollar holdings of religious organizations - all are owned by the Cartel who lent that first dollar at the time of Christ. This is what they do with their money.

To keep the serfs quiet, Cartel religious managers modify the teachings of the world's Gods. They use their media and their hired religious spokesmen to condition captive populations to accept these modifications, how to think, and to accept cartel government dictates. We are taught that happiness is obedience to the "Lord of the Land".

## THE DAY Of The WHITE HORSE

### Solzhenitsyn

**A**lexander Solzhenitsyn served with distinction in the Soviet Army during WWII. But, at its end, he criticized the Soviet government, and for this he spent years in a Russian prison - the *gulag*.

Upon his release he wrote books critical of the Soviet regime which were passed around among close friends. One

of these took his books to the West where they were printed and received wide acclaim. These writings opened the door on what was really going on in the Soviet Union. The word was out. The Soviets deported him.

At the time, the Western media welcomed anyone who had anything bad to say about the Soviets - that is until Solzhenitsyn said that he found the same things happening in the West that he had left behind in the Soviet Union. This was unacceptable. The media blackout slammed down. Except for his books scattered over the West, one would never know that a Solzhenitsyn had ever existed.

One of the things Solzhenitsyn said was that Americans are brain-washed just like the Soviets. He described the quality of education in America's colleges in this manner:

"What sort of education can you get from a professor who is scared stiff of losing his job?"

His observation of the first almost hysterical acclaim of his writings in America was this:

"And I sat there and I thought: If the first tiny droplet of truth has exploded like a psychological bomb, what then will happen in our country when whole waterfalls of Truth burst forth? And they will burst forth. It has to happen." Alexander Solzhenitsyn, *Gulag Archipelago*.

Good question. What will happen when those who need to know actually learn? What will be the trigger? Let's look at the past to find the trail of the enemy.

### Trail Of The King

**W**hen Greece ruled, Greece insisted that Greek-style buildings be erected in the lands they ruled - from Sicily to India. When Rome ruled, Rome insisted

on Roman architecture in the lands they ruled. The same was true of India, Egypt, China and the Aztec. Virginia architecture was British Colonial architecture.

The rule is - the ruler replicates his style of architecture in the land he rules. It has always been this way.

### **Before My Eyes**

In my grandfather's day, the farm was the center of his universe. The nearby town was where he briefly met neighbors to exchange goods, information and buy a few necessities and luxuries. The courthouse was the biggest building, next the churches. Most main street stores were converted houses. Not now.

Today, one can view the skyline of Lynchburg, Cleveland, Paris - cities in Saudi Arabia, India and Singapore - Tokyo, Peking and even Timbuktu in the middle of the desert - and with a few differences, they look alike - the architecture appears the same - tall office and apartment buildings.

This tells us that there is someone who rules world-wide. This is HIS architecture. We are accustomed to it so we don't notice, but it is clear as a calling card inscribed "Globalization". One power rules the world.

### **What To Expect**

All empires die; a natural catastrophe occurs, or some unforeseen fluke happens - it always does. One of the following could topple Babylon's Tower.

**BUSINESS:** Rome conquered and annexed Egypt. The Nile valley was the richest farming area in the world. The new Roman owners of Egypt shipped Egyptian food to Rome and under-sold local farmers driving them from their farms. In Virginia after the War, the occupation government taxed the

people so heavily that the farmers were driven from the land. Untold millions of acres are now owned by corporations and, like Rome, our farmers have moved to the cities. Once there, they opened grocery stores, drug stores and worked in shoe factories.

Now, the corner grocer and the corner druggist have been absorbed into supermarkets and national drug chains and the shoe factories have been moved offshore.

World corporations contain the vast accumulated wealth of the world's usury system. "Billionaire" managers are appointed to manage them. These billionaires and their lessor directors receive honors based on the profitability of the companies they manage. Unprofitable corporations transfer their assets to others, and fade away to keep the system going. Regardless, the corporation assets remain the property of their owner and this owner will destroy anyone who would attempt to take the corporations from him.

**CHURCH:** All nations have their own religion. Religions are law-systems.

For corporations to operate in lands having hostile religious law-systems, they must create a competing religious-corporation whose job it is to modify the old religious law-system so that it becomes a tolerant religion.

The result is that in every land there are two active religions claiming to represent the same god. One is intolerant of other law-systems and the other is tolerant of other law-systems. In spite of their many likenesses, one is the genuine national religion and the other is a modified counterfeit.

### **Southern Baptist**

I ran across the following article in my files:

"Southern Baptists and Roman Catholics, the nation's two largest denominations, generally have been regarded as doctrinally far apart, *but their scholars find they basically agree...*

"The 163 page report is seen as the most full-scale, mutual examination of respective positions of the two traditions. Achieving it was an unprecedented experience for Southern Baptists, commonly averse to ecumenical affairs ...

"The talks, sponsored by the Catholic Bishops' Committee on Ecumenical and Interreligious Affairs and the Southern Baptist Department of Interfaith Witness, involved 18 meetings between 1978 and 1988." *The Bakersfield Californian* Aug 27, 1989

It's interesting to learn that Jerry Falwell spoke admiringly of the Pope and has recently joined the Southern Baptist Convention.

There was another interesting report:

"At his invitation (Pope John Paul II), Leaders from the religions of the earth gathered ... in the tranquil medieval Italian town of Assisi ... . The assemblage included ... believers in creeds once labeled 'heathen' and 'pagan' by a church that for centuries has preached unambiguously that there was no salvation outside its walls. The astonishing variety of the invited group also raised suspicions among some Christians that Assisi represented a heretical step toward syncretism, the amalgamation of various conflicting religions." *Time*, Nov. 10, 1986

Here's another:

"Concerning the recent Israeli/Vatican accord/treaty, Shimon Peres said, 'It is an agreement between two great religions, not just between two diplomatic enti-

ties." In ranking the Vatican accord in terms of its importance with other Israeli treaties, he said, "A day will come when a third partner will join this agreement (between Israel and the Vatican), and I mean the Islamic world." *America's Promise Ministries*, p3. Feb 1995, PO Box 157, Sandpoint, ID 83864,

There is one last quote that I thought interesting. The heir to the British throne is Prince Charles. As such he is also the head of the Anglican Episcopal Church - "Champion of Christianity." The following came from the CBN News:

"Prince Charles would like to represent all religions in multi-religious Britain." (CBN News, 10:25 AM on June 28, 1994)

We have pictures of him with the Hindu all-seeing eye painted in the middle of his forehead.

All the above indicates the progress of the world's corporate religions to modify the religions of nations.<sup>1</sup> into merchants' tolerant religion - whom the ancients called "Hindu".

### Modified

**T**he International Trade Cartel has established within the world's nations: parallel religions; parallel businesses; and parallel political representation. One is national and the other a modified likeness.

---

<sup>1</sup> Rabbi Meir Kahane, Zionist nationalist and founder of the Jewish Defense League, was shot by an Egyptian-born Muslim who was acquitted of the killing. Muslim nationalist clerics are separating Islam from the ITC - bringing down on Islam war after war and general devastation. Catholic leaders of National Socialist Germany attempted to reclaim the wealth taken by international Corporations, and outlaw usury. The ITC crushed the German nation and executed its leaders. America's and S. Africa's self-sufficient farm systems were obliterated, their countries occupied, and reconstructed.

With unlimited funds from its usury banks, the corporation overwhelms the efforts of nations to rule themselves. They own the world's media which allows them to control the minds of the people much as cattle are controlled in the Chicago stockyards.

Once, a state in India could virtually wipe out the population of another state leaving dozens of other states intact. That India is no more. Today India is one state.

Once a Chinese province could virtually wipe out another province leaving dozens of others armed and intact. Now China is one state.

Once the United States was a union of many states but now it is one state - and there is a movement under way to unite the United-state with Mexico and Canada creating one mega-state.

This union of states and peoples has predictable results - the most obvious is that a Lawless ruler will commit a Lawless act from which there is no return. History is rife with such examples.

**URBAN LIFE:** Nimrod built the first city. The purpose of a "city" is to gather workers to be exploited by the ruler. Tax money is converted into the ruler's pockets through public works programs. In time, workers stop having children to maintain a livable standard of living, or they migrate to find better living conditions, or they starve because the lack of their own self-sufficient farm denies them food in an emergency.

**MONOPOLY:** Rome monopolized professions and work. She produced no food herself. Cheap food was provided by the Egyptian monopoly. Great food carrying ships

brought food from Egypt to Rome. Viking ships swept the Mediterranean and destroyed the great grain carriers and Rome starved. Her unpaid mercenary armies dispersed and German invaders marched past vacant Roman cities.

**EXTERMINATION:** Mongol invaders dealt with cities they encountered in different ways. Many were spared. Many others were destroyed - killing every man, woman and child - fifty, a hundred, and several hundred thousand at a time. Some cities were exterminated because the Mongols wanted the land turned into pastures for their flocks.

Races in Africa have often virtually exterminated other black races leaving wide areas devoid of all human life.

**STARVATION:** A section of Russia was inhabited by independent self-sufficient farmers. A son of Esau, Joseph Stalin, ruled. He ordered Soviet troops to seize all food in the area of self-sufficient farms. The people in that area starved en masse. Many of those who survived were deported to Siberia.<sup>2</sup>

**FORCED INTEGRATION:** For the sake of the trade monopoly, the British government decreed that Virginia colonists accept Indians regardless of their Lawlessness. Those who refused were heavily fined. To avoid problems with their own government most colonists adopted government "integrationist" policies.

Protected by this policy, in 1622 the Indians stormed white settlements killing every man, woman and child in half of them. 1644 was a repeat of 1622. This was followed by a war

---

2 "To control nations, control oil; to control people, control food." Henry Kissinger

in 1675, and Indian war followed Indian war every 20 years afterwards well into the 1800s - sprinkled in between with smaller raids and massacres

**BIOLOGICAL:** Whenever two races come in contact, the diseases of one harms those who have no immunity to them. The crew of Columbus' ships contracted non-venereal syphilis from the Indians and transported it to Europe where it killed one third to one half of Europe's population.

The plague was brought to Europe by sailors from the near east. It too, killed one third to one half of the population of Europe.

**INTERBREEDING:** The builders of the world's skyscrapers are also believed to be the rulers of the banking system and the world's mind-controlling media. The religion of these people tell them that "white" is evil and "black" is good. Integration is being forced on every Saxon nation in the world. It is effective. Racial interbreeding destroyed the children of Jacob in India, China, Syria, Palestine, Turkey, Greece, N. Africa, Southern Italy, Sicily, Southern Spain, Central and S. America, and elsewhere. It is the most successful single form of warfare and is an unforgivable sin.<sup>3</sup>

**ECONOMIC WARFARE:** Usury is the creation and monopoly of Esau. It is the system where if only \$10 exists and one lends it to another and demands a return of \$11 - it cannot be done since \$11 doesn't exist. Anyone unable to pay his contractual debt for whatever reason may lose his collateral. The possibility of money disappearing from circulation

---

<sup>3</sup> *"When they heard the Law, they excluded from Israel all the mixed multitude." Neh:13:3; "A bastard (Heb: manzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord." Deut 23:2; "Not everyone shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven." Matt 7:21. (Deut. 13:6-11)*

in an instant which would prevent repayment of debts is real; having happened four times before in American history. (See *War Cycles / Peace Cycles*, Hoskins)

"Derivatives" are new. Few people understand them. *Investor's Business Daily* estimates that there are \$365 billion in derivatives outstanding at this moment. I know one person who made a million dollars a week selling derivatives before a sudden reversal bankrupted him, his customers, and almost brought down his firm. The person in question knew how to trade derivatives, but he didn't really understand his product. Neither did his customers nor did his firm.

The sudden disappearance of money could have dire consequences and our enemies would like to see such a thing come to pass.

### **The Reason**

The reason for enumerating the above is because they have the real possibility of severely harming us, and Jacob is making no effort to avoid them.

Esau has sworn to kill Jacob, and Esau has the means to do so since he rules the monetary system and he rules the minds of the world and the governments of nations through his media.

### **The Trigger**

One looks to the Western sky in the morning and judges the day's weather. We look and see clouds - the kind predicted long ago - the kind of clouds that herald a new day and the fulfillment of our age old prayer:

*"Thy kingdom come - thy will be done, On Earth."*

But, for it to come Scriptures say:

*"The coming of our Lord Jesus Christ ... that day shall not come, except there come a falling away first."*  
2Th 2:1,3

That's happening! There is a "falling away". Not only do people refuse to live Lawfully - many refuse to hear the WORD of the Law.

When people fall away from obeying the Law of the WORD - and begin disobedience to the Law - chaos results. Man does not flap his arms and fly nor does he breath water and live. God's Law forbids it.

Chaos will cause man to either die or return to the teachings of *"the Word made flesh."*

The Book of Revelations tells of The One on the white horse.<sup>4</sup> This One is the WORD. The beast is lawless Babylon. Those who practice lawlessness are the devils.<sup>5</sup>

The devils were slain by the sword that proceeded out of the mouth of Him who sat on the white horse.

*"I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. And the beast was taken, and with him the false prophet ... with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire ... And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth ..." Rev 19:19-21*

---

4 *"Behold a white horse; and he that sat upon him ... His name is called The WORD Of God." Rev 19:11,13.* The white horse is the traditional symbol of the Saxon.

5 DEVIL: Satan: Heb. adversary, arch-enemy of good. (Strong's 7854.); Gr. 4567 the devil: - Satan.; Law vs Lawless; Gr 1228 - false accuser, devil, slanderer. 1140 - a demonic being, a deity: - devil, god; Devil: Bearer of Lawlessness vs Lawfulness; Devil: "He has a devil". Lawless behavior. Lawlessness vs Lawfulness.

### **In a Capsule**

The WORD says that before God's kingdom can come there must first be a "falling away" from the Law. This is necessary and is happening. The "falling away" means that God's Law is being rejected. A Lawless society commits acts which bring chaos and death. Chaos demands that man return to the Word or die.

We must look and see what will be involved in this event that we have asked for, that "*Thy kingdom come*". Who is it that is betraying us? Who stands in the way of the return to God's Law?

### **Volksverrad**

**R**emember the book "Volksverrad" by Piet Pretorius - the story of the betrayal of our kinsmen in S. Africa? The author was in position to know exactly who had betrayed South Africa. Remember what he said? He said that they were ALL guilty - ALL of them. All the politicians, the generals; the religious leaders; the money managers - ALL of them. All the ruling castes of S. Africa. He could hardly believe his findings. They ALL had a hand in it - they were all guilty!

### **Today**

Let us put all this into a possible scenario. The population of the United States at present is perhaps 300,000,000 - half of whom are aliens. The Scriptures say that the half who are children of Esau will flee to their own lands. This could be a peaceful event through mutually beneficial "transfer agreements" activated in the 1830s and the 1930s. If the transfer is not peaceful then the exodus will occur under the following conditions. LAW; last days

*"They will each turn to his own people, and each one will flee to his own land. Anyone who is found will be thrust through, and anyone who is captured will fall by the sword. Their little ones will also be dashed to pieces." Isaiah 13:14-16<sup>6</sup>*

This will leave half who are sons of Jacob - some 150,000,000. Of these the Scriptures say;

*"And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off and die; but the third shall be left therein." Zec 13:8*

We can guess that this evil 2/3rds part of Jacob who are to perish are the ones who refuse to return to the WORD and remain lawless. They are the Lawless ones who worked with Esau to keep their brothers in Esau's slavery - those who refuse to heed the clarion call of the WORD. Their demise leaves 50,000,000 - or 1/6 the number now living in the land.

## Conclusion

After the day of Armageddon - or Ragnarack as it is called by our ancestors - after the enemies of the WORD are dead<sup>7</sup> or departed - and the land is again divided - there will be land sufficient for each of the children of Jacob to have his own self-sufficient farm where he will never have to bend his knee to beg his bread from another; With a cottage industry to supply his needs - where he is a King and a Priest and bows only to the WORD which is his GOD.

---

<sup>6</sup> This is why it is important that Saxon nationalists cultivate and work with the other nationalists of the world who would benefit by separation from us as much as we would benefit by separation from them.

---

<sup>7</sup> *"But these enemies of mine, which would not that I should reign over them, bring hither, and slay them before me." Luke 19:27*

When drops of knowledge grow into a deluge of truth, as is now taking place, we will soon have our kingdom on earth and our enemies will learn that there is a real place called hell.<sup>8</sup>

---

---

<sup>8</sup> *"The Lord is king for ever and ever; the heathen are perished out of his land." Ps 10:16; "Woe to you, ye powerful, who with power strike down righteousness; for the day of your destruction shall come." Enoch I 95:8; "I beheld the angels of punishment ... Then I inquired ... for whom those instruments were preparing. He said: These they are preparing for the kings and powerful ones of the earth, that by this shall they perish." I Enoch 52:3-5. "And (they) showed me there a very terrible place, and there were all manner of tortures in that place: cruel darkness and un-illuminated gloom, ... murky fire .. and there is a fiery river ... and that whole place is everywhere fire ... and everywhere there is frost and ice, thirst and shivering ... and the angels fearful and merciless ... This place, O Enoch is prepared for those who dishonor God, who on earth practice sin against nature, which is child-corruption after the sodomic fashion, magic-making, enchantments and devilish witchcrafts, and who boast of their wicked deeds, stealing, lies, calumnies, envy, rancor, fornication, murder, and who, accursed, steal the souls of men, who seeing the poor take away their goods and themselves wax rich, injuring them for other men's goods; who being able to satisfy the empty, made the hungering to die; being able to clothe, stripped the naked; and who knew not their creator ... for all these is prepared this place, for eternal inheritance." Enoch 10: 1-3>*

## LETTER FROM S. AFRICA

---

Dear Mr. Hoskins: Two Muslims came by the other day looking to buy land to build a housing complex. But, after considering the matter they now find that it is too dangerous to live here.

It is difficult for Hans and me to go anywhere together. We are a good distance from stores and post office, and one of us must stay behind to watch over things.

They say that a thousand blacks die every day from the new combination of TB and AIDS. They are fatal and fast, but there is no way to keep track of the black population because of the inflow of illegals.

We saw Betzy and Rina yesterday. Many of the children are taking exams. Their holidays start on December 1 and she will be taking the children to a hot thermal spring holiday resort for a week, after which they will be going to spend the holidays with their holiday parents.

The black authorities are changing white names of places for black names - names that we never heard of before. They are trying to remove every trace of our past and present; the flag, our anthem and all traditional songs, even the Union Building and Jan Smuts airport. Their mismanagement is causing everything to fall into ruins and that causes them to hate everything white.

The former state president P.W. Botha died. He was at age 90. He made a lot of mistakes but he built the S. African army of his day into one of the best and is also responsible for the building of six nuclear plants without which S. Africa today would be a complete basket case.

The Dutch Reform Church has their first black minister. They look around but see no poor whites but make their

members sign pledges for black children in Zambia who have AIDS. Ordinary people are now becoming outspoken in their opinions of the above church.

Our best wishes, K. J.

RKH: Think that over.

ARMY: Blacks constitute only 13% of our population but make up 25% of the Army. This does not count Hispanics and orientals. To expect a friendly army to save the people from a tyrannical government appears unlikely.

CIVIL WAR: "I have been warning that the immigration policies of the U.S. are making civil war inevitable. Many now agree with me. The latest being Congressman Tom Tancredo in his new book, *In Mortal Danger*." Warren Brown, in *National Times*, USA. IMPACT

CRIME SA: The SA murder rate compared with the US with a population six times that of SA is compelling. In 2005, SA police recorded a total of 18,793 murders, (40.3 murders per 100,000 people.) In the US just 16,137 murders (5.5 murders per 100,000 people) were recorded in 2004. SA is believed to be second from the top in murder rates after Colombia in S. America. BUSH: The first President Bush bought a Paraguayan estate between 100,000 and 173,000 acres. Paraguay had promised to grant American soldiers immunity from the jurisdiction of the International Criminal Court. Last month, Paraguay announced that it would not renew the immunity treaty. The writer of the article Juventud Rebelde (Cuba) believes that someday, George Bush may be brought to justice over war crimes committed in Iraq. "Only by denying him asylum can the Paraguayans keep their integrity and their sovereignty." NEWS, p.14, Nov 3, 2006

LARGE FAMILIES: Most Amish families have 11 or 12 children, some many more. As a result, their population doubles every 20 years. NEWS, p.11, Nov 3, 2006

RKH: It is my belief that urban stress impacts Saxon reproduction and lack of stress in rural life increases it.

MORE & MORE: "The Palestine Info Centre (June 6, 2005) cited a report compiled by the US Dept of State and intended for the American President. It stated that Israeli and foreign agents sent to Iraq by Israel's secret service Mossad, in cooperation with the US, killed 350 scientists and 200 university professors and academic personalities. ... According to the report, Mossad agents had been operating in Iraq with the aim of liquidating Iraqi nuclear and biology scientists and prominent university professors. ... American security service provided Israel with complete biographies of the Iraqi scientists and academics to facilitate the Mossad operation." [Al-Jezeera (May 9, 2006), IMPACT p8, Aug/Sep 2006]
