# Chapter 424

## ANTI-CHRISTS And A NEW DAY

### Seventh Day Revival

**D**eep in the *Financial Times* of December 5-6, 2009, p.7, was an article that alerts the world of Esau that trouble is on the way from the House of Jacob.

Germany's federal constitutional court ruled that "Sunday shopping" is unconstitutional. Mercantilism has long clashed with Germany's postwar constitution. That document incorporates language from the 1919 Weimar Constitution to the effect that Sunday shall be a day of rest from work.

The Catholic and Evangelical-protestant churches, which brought the complaint, were not the only ones delighted with the ruling. So were trade unions, small shopkeepers, and most

of the German population, religious or not, simply because they like a seventh day of rest.

"The judges described Sunday as a time not just for prayer but also for the pursuit of secular goals, such as personal rest, contemplation, recuperation and diversion".

The head of the Evangelical governing council justified the ruling as a means of protecting the public from "collective burnout".

### Implications

The announcement that our people are beginning to return to the Law was not given front page headlines; it was hidden inside an internationally read newspaper. *"Thy kingdom come Thy will be done ON EARTH"* is sedition to Esau.

It will be interesting to see how many preachers of today's modified-Christianity will announce the "good news" that God's 4th Commandment, the "Day Of Rest", is being returned to Jacob-Israel. There are nine more Commandments to go after this one.

Now, let's look at the anti-Christ's who would prevent this day from coming.

### Christ & Anti-Christ's

*"In the beginning was the WORD and the WORD was with God and the WORD was God." The WORD, our God, created "adam-man" and gave him the world to rule. "God said, Let us make man in our image ... and let them have dominion over ... all the earth." Gen 1:26*

Christ is the WORD. His WORD is LAW.<sup>1</sup> Opposition to the WORD is "anti-Christ". When one follows another way

or another god it is called "idolatry". The universal name for "idolatry" is "Hinduism" - the religion of the international merchant and his people.

Hinduism, the merchants' religion, was created so far back in time that there is no record of its creation, but we know that writings read by the first century Christians relate the following:

*"When the accursed serpent saw Adam and Eve it ... made straight for Eve, and ran after her ... Then the Word of God came to the serpent, and ... a wind came to blow from heaven by command of God that carried away the serpent from Adam and Eve, and threw it on the sea shore, and it landed in India." I Adam & Eve 18:1-9<sup>1</sup>*

This verse is one reason for the belief that India is the early home of Satan the serpent - the anti-Christ. In India, gods are usually depicted in company with serpents, the sign of deception.

Another interesting verse comes from *I Adam & Eve* 69:9-11;

*"Adam and Eve returned from the mountain ... and went down ... to the place where their corn was, but when there, a multitude of beasts came all round them. It was Satan's doing ... in order to wage war against Adam through marriage."*

Bible students know that "mountain" in Scripture can mean a large political or religious force, a "hill" means a small one. Students also know that God created "man" and "beast". He did not create the mixed-breed, now called a "human", or

---

<sup>1</sup> *Adam & Eve* is found in the *Lost Books*, VPC, POB 997, Lynchburg, VA 24505

"hued-man". That word is of more recent vintage. The fact that beasts came to *"wage war against Adam through marriage"* reveals the kind of beasts of which we are speaking.<sup>2</sup>

This is an early example of the anti-Christ using racial intermarriage as warfare to destroy adamic-man.

### Hindu Religion

To the Western mind, the Hindu religion is a hodge-podge of mis-information, imagination, magic, evil-spirits, gurus, witches, and make believe. Hindu merchants were among the first, if not the first, to use usury, a form of make-believe magic where one attempts to repay ten items with eleven when only ten items exist. This sleight-of-hand has allowed them to amass virtually unlimited wealth.

The open handed disposition of this make-believe wealth has allowed them to make slaves out of otherwise clear-headed men. As it is written, *"The love of money is the root of all evil." I Ti 6:10*. The WORD condemns usury which is why Christians condemn usury, *"Hath given forth upon usury ... he shall surely die." Ezek 18:13*

Those caught in the usury web will often accept the teachings of Hinduism to ingratiate themselves to their lenders. Others accept these beliefs simply to enrich themselves. The sons of Esau accept the teachings because it is natural for them to do so. *"Esau was a designing and deceitful man, one*

---

2 "Beast" wears clothing in Jonah 3:8, "Beast", "cries mightily unto God". Johah 3:8, "Beast" has hands. Exodus 19:13, "Beast" capable of mixing with man. Jer. 31:27, "Beast" keeps the vineyard. Song of Solomon, Chap 1., Jesus called the Syro-Phoenician woman a "dog". Dogs, swine, beasts, descriptive words for lawless non-man.

*who hunted after the hearts of men and he stole their minds."*  
*Jasher 29:20*

## **Kaliyuga**

The world is not naturally chaotic. The chaos is the result of the thinking of those who possess the world's wealth.

A basic Hindu belief is that time is divided into 20,000 year increments called "yugas". The present age is *Kaliyuga* named for Kali the black goddess of death. Hindus believe that the present day is a bad age full of deception, disease, wars, suffering and death. The only way that this evil age can be ended and a new "good-age" can be born is for life on earth to be extinguished. There are many people worldwide who hold this belief.<sup>3</sup>

## **Black**

The color of the age of Kaliyuga is *black*. India's gods are black - its devils are white. There is a widely held belief that just when a great catastrophe is about to end life on earth so that a good age can be born, white devils step forward with their doctors to end epidemics and provide food to prevent mass starvation, which keeps this evil age from ending and a new age of goodness from arriving. Therefore, the world's greatest enemy is the white devil. White people are called "white devils" in most non-white countries of the world.

There has been many attempts to kill the "White devils", but most efforts only cause the survivors to unite in common defense.

---

<sup>3</sup> "Kalki" who is yet to appear, will be revealed in the sky, seated upon a white winged horse, with a drawn sword like a blazing comet." (*Error's Chains*, p.301.)

### **Killing The White Devil - Softly**

Esau knows Jacob's Law. Jacob's Law says, "*A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord (Israel).*" De 23:2. When whites allow their offspring to become mixed-breeds they are no longer Jacob-Israel and are no danger to Esau. The way to destroy the white race, with the least backlash is by racial intermarriage. It has worked many times in the past. The country of India was once half black and half white. Now it is half black and half mixed-breed, and ALL Esau - a victory gained by integration.

### **Buddhist Dharmamattas**

Hindus have schools that teach Buddhism and Yoga. Both are missionary arms of Hinduism. Special priests, called "Dharmamattas" travel worldwide teaching "Dharma"; "*One shall not condemn another religion or race by word or deed.*" King Asoka. 304 B.C. - 232 B.C.;<sup>4</sup>

"In the past there were no officers charged with spreading Dharma. I created these posts in the 13th year of my reign. These officers are commissined to work with all sects in establishing and promoting Dharma." *The Edicts of Asoka*, Rock Edict V, p.58. Trans. by N.A. Nikam & Richard Mckeeon, Univ Chicago, 1959

In brief, Dharma teaches "tolerance" - tolerance of things that the Law of the God of Abraham, Isaac and Jacob does not tolerate.

---

<sup>4</sup> Dharmamatra converts are called different names in different countries; In the West they are called by the names of the religious sects they infiltrate, or just plain "liberals".

Today, Dharma is spread by Esau's corporations that endow seminaries and colleges, and by establishing public schools whose curriculum is set by puppet governments elected by Esau's media. Dharma, the mind-set of Esau, is taught to the children of Jacob.

### **Integration**

The LAW says, "*A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord.*"  
*De 23:2*

England was ruled by Lawless kings appointed by the great merchants of the world. These kings created a Lawless empire that accepted children of Esau. The priests of the king modified their state religion to make this possible - the king's priests taught that the king's word was sacred.

The English king demanded that the Jamestown colonists integrate with the Indians. Aliens were made knights and nobles of the British Empire. The Indian massacres of 1622 and 1644 slowed the process.

The Lutheran and Roman Catholic state religions demanded the same of its people. The result is that practically every Catholic land has become, or is in the process of becoming, a mixed-breed land of Esau. The same may be said of lands ruled by Protestant state religions.

### **Civil War - Traitor**

The effort to free the Blacks and remove them from America to Liberia was not acceptable to integrationists who served as agents of Esau. Removing them did not achieve their objective of integration which is necessary to destroy Jacob-Israel.

To understand what Esau's agents expect we have the writings of the integrationist David Croly (1829- 1889) as an example.

"It is idle to maintain that this present (Civil War) is not a war for the negro. It is a war for the negro. Not simply for his personal rights or his physical freedom ... it is a war if you please, of amalgamation, so called ... a war looking, as its final fruit, to the blending of the white and black ... Let it go on until ... church ... state ... society recognize ... the necessity of the fusion of the white and black." ...

"The ideal or type man of the future will blend in himself all that is passionate and emotional in the darker races, all that is imaginative and spiritual in the Asiatic races, and all that is intellectual and perceptive in the white races. He will also be a composite as regards color. The purest Miscegen will be brown, with reddish cheeks, curly and waving hair, dark eyes, and a fullness and suppleness of form not now dreamed of by any individual people." *Miscegenation*, David Croly (1829-1889)

### **Ian Smith - Traitor**

The following is an open letter to Ian Smith by a fellow Rhodesian who objected to his integration efforts:

"Former Prime Minister of Rhodesia, at first resisted, then surrendered a whole nation to Communists....

"Smith knew that White control of Rhodesia meant that farms would be run efficiently, that everyone would be fed and that Western law and order would be maintained. Handing Rhodesia over to Black rule in 1965 meant a corrupt and

tyrannical Black tribal chief would take over the country and drive it into the ground....

"Ian Smith declared Rhodesia independent in 1965. From 1972 to 1979, a war with Communist rebels took place. The Communists butchered White and Black civilians and even shot down two civilian airliners in terrorist attacks. White mercenaries from all around the world joined the Rhodesian Army to fight the Communists.

"Due to political maneuvering by the leftist Jimmy Carter administration, the US cut a deal with South Africa to betray Rhodesia. South Africa began an embargo of many items which Rhodesia needed. Instead of holding out through tough times, Ian Smith capitulated and handed over Rhodesia and hundreds of thousands of Whites to Black Communist rule.

"Despite this shameful capitulation, some White people foolishly think Ian Smith is not a traitor to the White race. Of course the battle with the Communist insurgents became more difficult without South African help, but Rhodesia produced its own food and the Rhodesian Army was killing dozens of communist troops for every one of their soldiers lost. They literally could have rearmed their army with captured enemy AK47s and kept fighting indefinitely....

"Did Smith hold out as long as he possibly could? NO! ... Did Smith GIVE the Black Communists total control of Rhodesia? something which the Blacks may never have been able to win on the battlefield? Yes, he did and he deserves our eternal contempt for that....

"The false sense of security that the peaceful transfer of power that Ian Smith signed onto led to many White families being butchered on their farms by Mugabe's thugs and who knows how many White women raped by Black savages. Nice job, Ian.

"Sure, the South Africans betrayed him, but he was still in charge of Rhodesia. .... If anyone doesn't think a lone White-led force could hold out very long in Africa cut off from outside help, read about von Lettow-Vorbeck in World War One. He resisted superior enemy forces in German East Africa (Tanzania) from 1914 to the end of the war in 1918. He only disbanded his force after learning of the end of the war in Europe weeks after it was over."

by James Buchanan - November 25th, 2007, (*Google:ian smith traitor*)

I was told by an American who had fought with Rhodesia that the communists were beaten and the country was quiet when Smith suddenly turned the country over to the communists. Rhodesians were flabbergasted! They didn't believe that he was actually doing it.

### **F.W. de Klerk - Traitor**

On Wednesday, January 21, 2009, Afrikaner Petrus van Eeden published the following open letter to South Africa's last white president, Frederick W. de Klerk, who together with the country's first black president Nelson Mandela received the Nobel Peace prize. Van Eeden writes to De Klerk

-

"With great sadness and deep disappointment, I address myself to you. In 1989 you became president of South Africa. ... in 1990, you gave away South West Africa without even once consulting the voters of South Africa about this important decision. You took a decision without having any mandate for it.

"In 1992 we did hold a referendum about the question whether you as president, would be allowed to negotiate with the African National Congress. The referendum question was 'negotiation' not 'surrender'. You made a promise at this time: that there would be a second referendum after you had completed your 'negotiations'. We never saw this second referendum.

"You handed over the country to the African National Congress without any mandate from the white electorate.

"During your negotiations with the ANC, a proposal was also placed before you to turn South Africa into a federal state similar to the Swiss canton-system: i.e. one language and one culture per canton. This successful recipe has been used since 1 August 1291 in Switzerland. And multilingual countries such as India, Canada and Belgium also use this winning recipe to become canton-style Federations. ...

"During the 1992 referendum, a full 68.73% of the voters agreed that you were allowed to negotiate with the ANC. Negotiate, not surrender.

"In 1994, you decided unilaterally to give away a South African harbour, Walvis Bay. You had no mandate to give away bits of our territory. You just did it.

"Within five years, you destroyed the centuries-old dream of the Afrikaner to rule himself over his own little bit of land. This motivated all our forebears; the Great Trek, the Anglo-Boer war. It was all for nothing. Five destructive years under your rule. Then you snuck off quietly from the political scene.

...

"Today, many of my people are being murdered. Tomorrow, planeloads of Afrikaner emigrants depart from our airports. Our schools are being deliberately Anglicized. Our universities, paid for out of our own pockets, are over-

whelmed by black students where white students are being denied access. We now are a nation with the threat of genocide hanging over all of us ... .

"You have betrayed us Mr F W de Klerk."

Petrus van Eeden - Open Letter To F.W. de Klerk  
(Google: *fw deklerk traitor*)

### **Tony Blair - Traitor**

"The huge increase in immigration into Britain over the past decade was a deliberate attempt to engineer a more multicultural Britain ... said Andrew Neather, a speech writer who worked in Downing Street for Tony Blair and in the Home Office for Jack Straw and David Blunkett ... Labour's relaxation of controls was a plan to 'open up the UK to mass migration'. ... Ministers hoped to change the country radically". (London *Daily Mail* reporter.) (*Impact* Dec/2009/Jan 2010)

### **Establishment Traitors**

**Lou Dobbs** built a large following among American patriots using his CNN show to take strong stands against the incoming immigration flood and against off-shoring American industry.

Recently he left CNN with an \$8 million severance package and is hinting that he may run for elective office.

The Wall Street Journal's Peter Wallsten notes that Dobbs is working to repair the damage he has done with the Hispanic community. He is now positioning himself as a champion of that ethnic bloc. In a little noticed interview Dobbs told Spanish-language network *Telemundo* he now supports a plan to legalize millions of undocumented workers, and,

"Whatever you have thought of me in the past, I can tell you right now that I am one of your greatest friends and I mean for us to work together." (see *Nationalist Times*, Dec 2009, p.23.)

Dobbs' betrayal was startling in its abruptness but not unexpected. Media opinion-makers must be assumed to have "the mind-set of Esau" or they wouldn't have been hired in the first place. *"Shouldest thou help the ungodly, and love them that hate the LORD? therefore [is] wrath upon thee from before the LORD."* 2 Ch 19:2

**Pat Buchanan**, the great opinion-making conservative who ran for president, hoisted Esau's flag when he selected a black to run as his vice-president. *"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother."* Deu 17:15

**Ron Paul** remains America's great white hope but he will not commit himself on race or immigration. *"To him that knoweth to do good and doeth it not, to him it is sin."* Jas 4:17

### **Media Mission**

Esau controls the media. Its mission is to change the Jacob mind-set into an Esau mind-set so that Jacob can be easily destroyed through Dharma "tolerance".

A prime method has been to make heroes of the children of Esau while ignoring those of Jacob. Its present handling of the Tiger Woods affair is educational.

## Tiger Woods

The black golfer "Tiger Woods" is said to have been found lying in the street with what appeared to be the print of a golf-club on the side of his head. His white wife was supposedly standing next to him holding a golf club.

The media had long held forth that Tiger Woods was a squeaky-clean black, married to a beautiful white woman. The "squeaky-clean" image of the interracial marriage was destroyed. Then, the media claims that a dozen or so white women have pushed their way forward each eagerly claiming to be his mistresses. Each new claim is hammered home to teach the American public the desired mindset.

The media runs picture after picture of their two half-breed children. Beautiful mongrel children. This is the world of Esau. This continues Esau's Hollywood aristocracy adopting children from Africa and Asia as an example to Jacob.

## The Children

What is to be done with Tiger's half-breed children? It is said that the white mother wants to take them back to Sweden. Sweden is said to be a Christian country. If in fact it is - the Law that will be obeyed is:

*"When they heard the Law, they excluded from Israel all the mixed multitude." Neh:13:3.*

The Law deals with their white mother:

*"If the priest's daughter also be married unto a stranger (Heb: zûwr - racial alien), she may not eat of an offering of the holy thing (daily food blessed by God), But if the priest's daughter be a widow or divorced, **and have no child**, and is returned unto her father's house .... she shall eat of her father's meat;*

*but there shall no stranger (Heb: zûwr - "racial alien") eat thereof." Lev 22:12-13*

Simply put, if she wishes to return to a Christian Sweden she must first dispose of her half-breed children.

## Judges

Esau's governments, courts, and media are judging this matter today, but it will not always be so. The ones who will ultimately judge this matter are those of the house of Jacob whom God made kings and priests:<sup>5</sup>

As things presently stand, if Tiger's white wife wishes to return to her father's home in Sweden she must do the same as Abraham did. She must *"be a widow or divorced and have no child."*

It is the Law.

## Conclusion

The earth's market areas are called "countries". Esau's agents keep peace between their customers within each country by teaching Dharma; *"One shall not condemn another religion or race by word or deed."*

There are two basic types of money systems; Esau's system called the "usury" system and Jacob's system called the "non-usury" system.

The American South had a largely non-usury system as did South Africa. Both were invaded, their people slaughtered and their lands confiscated with taxes and usury. Germany attempted to revive a non-usury monetary system; she was

---

<sup>5</sup> *"Jesus Christ... hath made us kings and priests unto God and his Father." Rev 1:5-6*

invaded, her people slaughtered, and her lands taxed and confiscated.

The Law System of the God of Jacob forbids usury as well as business and social dealings with sons of Esau. Esau uses his money system to rule the lands of Jacob. He selects Jacob's kings, priests, and great merchants. Dharma has replaced The WORD.

But, the The WORD says:

*"Jacob have I chosen ... I have chosen thee, and not cast thee away. Fear thou not; For I am with thee; be not dismayed; for I am thy God ... and they that strive with thee shall perish." Isaiah 41:8-11*

The future peeks over the horizon like the first rays of morning. Already, one of the lands of Jacob has reinstalled the "Day of rest". The arrival of the rest of the Commandments can't be far behind. God graciously answers our prayers; *"Thy kingdom come, thy will be done, **ONEARTH!**"*

Esau, run while you can, and take your servants with you, for we know who they are.

## LETTER FROM SOUTH AFRICA

---

Dear Mr. Hoskins; Betzy had a difficult time. Two boys got hurt and one developed an infected foot. She had no option but to take him to the government hospital. I did not

ask what nationality the doctor was, but without proper investigation he simply wanted to amputate the foot. Betzy saw to it that they opened the wound, properly cleaned it and removed the pus. It looked fine and healed well. No need for an amputation. We've come a long way from 1985.

We are busy, holidays and visitors. Happy New Year, K.J.

### Naval Academy Clearances

"Of the 1,230 plebes who took the oath of office in the Naval Academy in Annapolis this week, 434 were members of minority groups," according to the Washington Post.

Bruce Fleming, an English professor for 22-years, who sat on the board of admissions, objects to a race-based admissions program that was used to create a class that is 35% minority.

According to Fleming, white applicants must have all As and Bs and test scores of at least 600 on the English and math parts of the SAT to even qualify for a "slate" of 10 applicants from which only one will be chosen.

"On the other hand, if you are African-American, Hispanic, Indian or Asian, SAT scores to the mid 500s with quite a few C's in classes may produce a vote of "qualified" with direct admission to Annapolis. Those with scores and grades down to the 300s and C's and D's may be sent to Naval Academy Preparatory School.

Fleming quotes the Superintendent of the Naval Academy, Vice Adm. Jerry Fowler as saying, "diversity is the number one priority" at the academy. He wants Annapolis graduates who "looked like" the fleet, where 42% of enlisted personnel are non-white. (Condensed from *Opinion*, Patrick J. Buchanan, p.4A, July 10, 2009)

## The Best Bible

**O**ur Bible says;

*"In the beginning was the WORD, and the word was with God and the WORD was God." John 1:1; "I am the God of thy fathers, The God of Abraham, and God of Isaac, and the God of Jacob." Ex 3:6*

God The WORD requires obedience to his WORD; He states;

*"For I the Lord, do not change." Mal 3:6; "All scripture is given by inspiration of God." 2 Pet 1:20; "The scripture cannot be broken." John 10:35; "Jesus Christ the same yesterday, today, and forever." Heb 13:8; "It is easier for heaven and earth to pass, than one tittle of the Law to fail." Lu 16:17*

Still, anti-christs demand forbidden things. They want kings, monopolies, usury, and to bring strangers into our midst.

### **Getting Around The WORD**

"Kings" are forbidden. Israel demanded kings. When they got kings, conditions became progressively worse.

King *Omri* is an example. He was Israel's most renowned king. Micah 6:16 says that he substituted his own "statutes of Omri" in place of the commandments, statutes, and judgments of the WORD.

When a king has an armed force strong enough to enforce his wishes, he can take the people's land for himself and create his own monopoly. He can force his subjects to pay forbidden taxes; he can bring strangers into his lands to provide cheap labor and provide more profit.

Powerful "strangers" living in other lands can hire an anti-christ king as their agent to conquer and hold Jacob-Israel in bondage. Then, the Strangers can replace The WORD with their own laws

### **The WORD In Early Days**

The WORD has always existed. When Adam-man obeyed The WORD he prospered. Disobedience to God's Laws is always punished.

In spite of the consequences, there are those who wish to censor the Scriptures so that they might do evil and say that God permits them to do so.

The fear of Lawlessness bringing catastrophe down on everyone's head is why people study to learn what the Scrip-

tures *really* do and do not allow. There are several ways of doing this.

## Memory

To this day, in Ireland there are exceptional men who have remarkable memories. They are able to quote extensive genealogies and literatures almost exactly line for line and word for word time after time.

In the old days, important things were kept in memory to avoid the heavy hand of evil rulers. Rulers can force people to change written documents, but they can't force people to change their minds and be sure that they have actually done it.

It is said that a number of these remarkable people can quote the Bible from beginning to end without a single mistake.

## Greek

Alexander the Great (356-323 B.C.) conquered the ancient world. Before he died, he divided his newly conquered empire among his generals. This is how Egypt came to be ruled by Greeks.

In the 3rd century B.C., the Greek ruler of Egypt established a library at Alexandria. It was the greatest storehouse of knowledge in the world. Every place ruled by Egypt was required to send copies of manuscripts in their possession to this library. Scrolls were brought from foreign lands to add to the collection.

Jerusalem had been ordered to send copies of her manuscripts. One day a rumor reached the Egyptian ruler that there were "concealed" works that had not been sent. There were

men in Judea who had memorized ancient stories and records and these had not been recorded and sent to the Egyptian library as commanded.

To rectify this, Egypt's ruler sent for seventy-two of these wise men. When they arrived, he put each in a room separate from the rest and ordered them to write the Scriptures that they had memorized. They were warned that if any one of them wrote something different from the others he would be put to death. The result was identical copies.

This is why the earliest written Scriptures are in Greek and also why they were named *Septuagint*". Septuagint means "seventy".

### The Return

Israel and Judah were taken into captivity. Judah and Benjamin returned from Babylonian captivity to find much of the land that they had left was inhabited by the children of Esau - the Edomites.

Making matters worse, the land of Judea was now ruled by a harsh Greek ruler. Scripture records the following;

"King Antiochus (the Greek king) wrote to his whole kingdom that all should be one people, and every one should leave his laws: so all the heathen agreed according to the commandment of the king. Yea, many also of the Israelites consented to his religion, and sacrificed unto idols, and profaned the sabbath." I Macc 1:41-43 (Apocrypha)

The suppression of The WORD and the enforcement of the Laws of foreign rulers triggered a series of revolts known as the *The Maccabean Wars*.

The wars went on year after year as the Judean-Israelites fought the armies sent by the Greek rulers combined with the

local Edomites and renegade Israelites who had accepted Antiochus' decree to leave their Laws.

At last, they were victorious and the Greeks left them alone and allowed them to worship their own God.

### **Sadducees**

In the years that followed, an Israelite ruler named Hyrcanus conquered the Edomites to the south of Judea. In violation of the WORD, he made these aliens honorary-Israelites by giving them the choice of swearing to obey The Word and be circumcised or being put to death. Most chose to become Judeans. They entered the nation of Judea where most gathered in a cult called "Sadducees".

These Sadducees became a nation within a nation. They claimed to be Israelites but did not believe in an after-life and ignored all except written secular laws. They were lax and worldly minded aristocrats who favored Greco-Roman culture, and were negative toward religious questions. Josephus, in Antiquities 13:6:6 said, "The Sadducees are able to persuade none but the rich." King Herod, king of Judea, the one who killed the Israelite children, was an Edomite.

### **Jerusalem**

In time, the Roman Empire conquered the Greek Empire.

In 87 AD, Judea revolted against Roman rule. Josephus, the leader of the armies of northern Judea near the Sea of Galilee, was heavily outnumbered by the Roman army and forced to surrender. Since the Roman army had suffered few casualties, the people of Galilee were spared the wrath of the Romans.

It was different when the Romans reached Jerusalem. The city resisted fiercely. Many were killed in the fighting before the city was finally stormed and destroyed. The citizens who were not killed were enslaved and sent to work on the canal from the Nile River to the Red Sea in Egypt.

The Romans allowed Josephus to enter the temple in Jerusalem just before it was destroyed and take out many priceless manuscripts which Josephus included in his writings. Some of them were almost identical to the Greek Septuagint written in Egypt 400 years before.

### **Rome's Problem**

The people of Judea had learned to follow the teachings of the heathen gods of Greece and Rome. This changed when Jesus Christ brought back the WORD. It spread like wildfire.

The WORD caused problems. It required believers to do things that would destroy an "empire". One cannot be an Israelite-Christian and a Roman Imperialist at the same time. The WORD taught that kings, monopolies, taxes and usury were forbidden and Israelites were not to have dealings with strangers.

These requirements destroy an empire if they are carried out. To survive, empires must suppress the WORD.

### **Christianity Nationalized**

The Roman Empire tried to destroy the WORD with crucifixions, executions and feeding its followers to the lions. Failing in this, Rome changed its technique and took over Christianity and made it Rome's state religion. The state selected its bishops who in turn selected its priests who taught

Rome's subjects what the Empire wanted them to know - and censored what they did not want them to know.

### **Roman Manuscripts**

It wasn't until 367 AD, that a "Christian" Canon was approved. It was still later that they stopped adding and removing books.

We are taught that there were just 66 books in Scripture and that is all there have ever been. This is not true. At the time of Jesus, and for hundreds of years before, there were many versions of the books contained in what is now called the "Old Testament". Most contained the same Laws, Statutes and Judgments as the rest, but, each added interesting details.

For instance, one of these manuscripts tells how Moses became a general in the Egyptian army and became ruler of one of Egypt's new provinces. The Laws, Statutes and Judgments remained the same, only in this case the story of Moses was expanded.

### **The New Testament**

At the time of Jesus there was no New Testament. It hadn't been written. When Jesus' Disciples spoke of The WORD they referred to the Old Testament. In time the New Testament was added.

### **Choosing The Books**

While putting together what we now call the "New Testament", Rome tried to please everyone. In the City of Rome the book of *Mark* was most popular - so they chose this;

*Matthew* came from Antioch, *John* came from Ephesus, *Paul* came from Marcion's "The Pauline Epistles".<sup>6</sup>

In spite of everything, the effort was chaotic. A priest named Jerome was appointed to restore order. The "Jerome" revision of the Scriptures is known as the *Vulgate*."

When Roman Christianity was made the "state religion" other religions were banned. Roman "provinces" were re-named "dioceses", and it was decreed that only priests were allowed to read and teach the Scriptures. The WORD was then whatever the priest said it was and secret agents of the Roman state put an end to most home churches.

With this, many religious manuscripts that had been in existence for centuries faded into oblivion. Following is a list of some of the manuscripts that have been lost:

### Recovered Books

In recent years a number of ancient manuscripts have been recovered from Egyptian tombs, distant temples, and from the archives of the great temple in Constantinople and the one in Madrid. Some of these are known to the readers; They include "*The Book Of Enoch*, from the Ethiopic; *The Book of Jubilees*, also from the Ethiopic; *The LOST BOOKS*, which contain 26 such books, the *Apocrypha* - and others which can now be found in book stores.

### Bible History

To select the Bible to study that suits you we must review history;

1,500 B.C.: The Ten Commandments were delivered to Moses, written on stone.

500 B.C.: All Original Hebrew Manuscripts which make up The 39 Books of the Old Testament were in existence in one form or another.

300 B.C.: The Septuagint in Greek containing The 39 Old Testament Books and 14 Apocrypha Books

1st Century AD: All 27 Books of the New Testament existed.

382 AD: Jerome's Latin Vulgate containing 80 Books (39 Old Test.; 14 Apocrypha; 27 New Test). Latin: Only Language Allowed for Scripture.

995 AD: Anglo-Saxon (English Translations of The New Testament produced)

1384 AD: Wycliffe; First (Hand-Written) manuscript copy of the Complete Bible; All 80 Books.

1455 AD: Gutenberg Printing Press; The First Book Printed is the Bible in Latin.

1522 AD: Martin Luther's German New Testament.

1560 AD: The Geneva Bible Printed; The First English Language Bible to add Numbered Verses to each Chapter (80 Books). Included politically sensitive margin notes by the authors. It was the first Bible brought to America and was used exclusively for the first 50 years.

1609 AD: The Douay Old Testament; added to the Rheims New Testament (of 1582); First Complete English Catholic Bible; Translated from the Latin Vulgate (80 Books).

1611 AD: King James Bible; printed with all 80 books.

1791 AD: Isaac Collins and Isaiah Thomas Produce the 1st Family Bible & 1st Illustrated Bible printed in America; all 80 Books.

1833 AD: Noah Webster's Bible.

1885 AD: The "English Revised Version" Bible; The First Major English Revision of the KJV. The Apocrypha was removed in 1885 leaving only 66 Books. Much of the Apocrypha teaches resistance to state religions which is interpreted as "sedition". This makes it hard to control people's minds so those who would be kings had it censored from the Bible.<sup>7</sup>

1901 AD: "American Standard Version"; American Revision of the KJV - Apocrypha censored.

1971 AD: The "New American Standard Bible" - Apocrypha censored.

There have been a number of other Bibles printed since 1971.

---

<sup>7</sup> *"So they joined their forces and smote sinful men ... So they recovered the Law out of the hand of the Gentiles and out of the hand of kings." I Macc 2:44,48*

### **Status Of Bibles Available**

There have always been attempts by state religions to censor the Law and replace it with their own edicts.

The Geneva Bible with its margin notes was replaced by the KJV; the 14 books of the Apocrypha were censored from the Bible in 1885; Bibles such as the *Scofield Reference Bible* have controversial footnotes.

On the other hand, much has been added with the discovery of the so-called "*Lost Books*". The *Strong's Concordance* remains a wonderful help, not forgetting Biblical additions and deletions and mis-translations which have been discovered and corrected in recent years.

### **Today's Enemy**

Today's enemy is the same enemy our people have had in days gone by. Kings and their followers want tribute from the rest of the population - a process that in time leaves the people destitute.

Jacob's enemy Esau, who has sworn to kill his brother Jacob, continues his age-old effort. He and his agents are busily importing immigrants to clear Western lands of Christian Israelites. These immigrants can also borrow money into existence and produce wealth for less, which lowers the Western standard of living which in turn lowers Western birth-rates.

Esau and his agents are also busy removing every evidence of the WORD from the government, its courts, its coinage and schools.

## Today's Reaction

Much of Esau's warfare against Jacob is a continuation of the age-old war with this exception; tomorrow's leaders of our people are studying the WORD. In spite of media disinformation and actions of our dusky king, those whom God has chosen have begun using the WORD to judge matters. This is a quantum leap from the way things were only twenty years ago.

The prophecies of the WORD are coming to pass exactly as written. The great churches have failed and most stand nearly empty as increasingly desperate people look elsewhere for their salvation.

They look to the WORD. In our land today there are tens of thousands who are becoming expert in the Law. Esau's media and money changers promote evil everywhere to capture men's minds. When Esau's world breaks down, as it always does, those whom God has appointed kings and priests will step forward as leaders.

## Which Bible?

Which Bible should you choose? Any Bible contains useful information. You will never find a Bible that someone hasn't tried to tamper with, but within each you will find the Laws, Statutes and Judgments. This is the important thing. It's not the Bible that is important - it's what's in the Bible - and the Law that is in them has never changed. The Law is the Law.

As has been said before, the skeptic may not believe in the law of gravity, but stepping off an 18 floor building will settle the matter. The law of gravity is one of God's Laws. The same is true with the rest of the Laws.

The answer to our problems lies in His WORD, and His word says;

*"Jesus Christ the same yesterday, today, and forever." Heb 13:8*

### Letter From South Africa

---

A Christmas card came from the Loeries drawn by one of the children along with a letter and a photo.

Betzy went to Wilke's Home at the sea with some of the children. Dalene remained behind with the others and there were some who went to weekend parents.

Donors are responsible for help with the building of three extra dormitories for the boys who formerly had to do with one dormitory. The number of boys exceed the number of girls.

The adopted son of Betzy just wrote his matric. He is Wayne Willems and spends all his school years at the Loeries.

They are collecting money for a 13 year old who was born with a cleft palate and a harelip which have to be repaired surgically.

The people around Brondkhorstspruit saw to it that each child got a small present. The youngsters seem so happy and well behaved.

We wish you the best for the New Year. With God's blessing, K.J.

SHARIA LAW: ISLAMIC law has been officially adopted in Britain, with sharia courts given powers to rule on Muslim civil cases. The government has quietly sanctioned the powers for sharia judges to rule on cases ranging from divorce and financial disputes to those involving domestic violence.

Rulings issued by a network of five sharia courts are enforceable with the full power of the judicial system, through the county courts or High Court. It has now emerged that sharia courts with these powers have been set up in London,

Birmingham, Bradford and Manchester with the network's headquarters in Nuneaton, Warwickshire. Two more courts are being planned for Glasgow and Edinburgh.

Under the act, the sharia courts are classified as arbitration tribunals. The rulings of arbitration tribunals are binding in law, provided that both parties in the dispute agree to give it the power to rule on their case.

The disclosure that Muslim courts have legal powers in Britain comes seven months after Rowan Williams, the Archbishop of Canterbury, was pilloried for suggesting that the establishment of sharia in the future *seems unavoidable* in Britain.

# Chapter 426

## ADAM'S CLOAK

**T**he following is the story of "Adam's Cloak". It is understood by those of our people who understand parables.

Today, "Mankind" is enveloped in the "Cloak of Esau" in which deception has replaced God's Law. Esau's Cloak looks like Adam's Cloak in many respects, but behind its curtain one will find the serpent of deception.

### Basics

The Bible says *"This is the book of the generations of Adam."* Gen 5:1. God made Adam in His image. The Hebrew word "Adam" means "MAN: Heb: Adam 119 - "to show blood (in the face), ie: to flush or turn rosy: - be (dyed, made) red (ruddy). *Strong's Concordance.*"

The Bible is Adam-man's history book containing solutions to our problems and ensures our survival.

### Adam

The ancient Scriptures say that because of the Serpent's deception Adam was banished from the Garden while the Serpent was banished to the shores of India.

*"The Word of God came to the serpent and said unto it ... the ruin of my creatures happened through thee ... And a wind came to blow from heaven by command of God that carried away the serpent from Adam and Eve, threw it on the shore, and it landed in India." I Adam & Eve 18:7-9 (Lost Books);*

Scripture tells us that there are two Gods. Our God, the God of Abraham, Isaac and Jacob whom we call "God the WORD"; and, one who opposes the WORD who goes by many names but is here called the "Serpent". The other God is further revealed:

*"God ordered Satan to show himself to Adam ... And God said to Adam, 'Look at this devil ... and look O Adam, at him who said that he is God! Can God be black? Would God take the form of a woman?" II Adam & Eve 4:1-4.*

In India the Serpent is the personification of "deception". He is always found near India's Gods - especially the favorite black sex-god Sheva, and Kali, the female incarnation of Sheva who is the black goddess of death. Black Sheva can impersonate any of the world's gods. The color "black" is holy to the anti-christ.

## Adam's Garments

When Adam was banished from the Garden of Eden he found himself exposed to the cruel elements. He had no clothing to protect himself, so God furnished him a garment. Following is the story of this garment from the time it was given to Adam until today.

*"The garments of skin which God made for Adam ... Noah took them and brought them to the ark ... Ham stole these garments ... Ham begat Cush, he gave him the garments ... And Cush ... gave (Nimrod) those garments ... And Nimrod became strong when he put on these garments ... and ... Nimrod strengthened the hearts of the people who went with him ... and they fought against their enemies ... and subdued them, and Nimrod placed standing officers over them ... and they were all servants to Nimrod and to his brethren. ... And Nimrod ruled over all the sons of Noah." Jasher 6:24-38*

Please note that Nimrod became strong when he put on Adam's garments that had been handed down to him, and because of that, his followers willingly did his bidding.

## Nimrod's Tower

There is much written today about "one world", "multiculturalism" and "universalism" as if this was something new. These are modern words for the story called the *Tower of Babel* built by Nimrod and his followers. The building of this Tower was made possible because of the garments worn by Nimrod.

*"And the whole earth was of one language, and of one speech. ... And they said, let us build us a city and a tower, whose top may reach unto heaven. ... And the Lord came down to see the city and the tower, which the*

*children of men builded. And the Lord said, Behold, the people is one, and they have all one language ... let us go down, and there confound their language, that they may not understand one another's speech. ... Therefore is the name of it called Babel; because the Lord did there confound the language of all the earth." Gen 11:4- 9*

We have no idea what language was spoken by Nimrod and his followers in their attempt to build the Tower. It may have been one of many ancient languages; then again it may have been God's WORD that had been perverted into Nimrod's WORD - a word containing fallacies, rules and edicts that would not support a Tower that reached to heaven. Whatever it was, the result was that the Tower would not stand - and it fell to the ground when its builders could no longer understand each others' speech.

The Cloak that had protected Adam, that had saved Noah from the flood, and that had been passed down to Nimrod, looked the same but had been changed into *Nimrod's Cloak*. The Cloak had the appearance of Adam's Cloak but that's where the similarity ended.

## **Esau**

Esau, the son of Isaac & Rebekah and elder twin brother of Jacob, married Judith and Adah, both Hittites. He afterwards wedded Mahalah the daughter of Ishmael. These inter-racial marriages were in defiance of the wishes of his parents and violated God's Laws.

*"Let them marry ... only to the family of the tribe of their father." Numbers 36:6<sup>8</sup>*

### **Esau Steals Nimrod's Cloak**

When Nimrod wore Nimrod's Cloak all who heard him believed him and became his servants. He used these deceived servants to build Babylon and the great Tower of Babel. Following is how Esau obtained this cloak from Nimrod.

### **Esau Steals Nimrod's Cloak**

One day Nimrod went for a stroll in the cool of the evening. Two guards were with him. Esau saw Nimrod approaching. He hid himself, and waited in ambush.

*"And Nimrod ... came ... when Esau started suddenly from his lurking place, and drew his sword, and hastened and ran to Nimrod and cut off his head ... and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land." Jasher 17:7,10*

Seizing the cloak from Nimrod's lifeless body, Esau fled. Nimrod's followers followed hot on his heels. Esau arrived in the camp of Isaac, his father, frightened, weary, and despairing of his life. He demanded that his brother Jacob give his meal to him in exchange for the birthright due him as the eldest son. His birthright was of little value since he expected

---

8 *"Thou ... shall go ... to my kindred, and take a wife." Gen 24:3,4; "They have dealt treacherously against the Lord: for they have begotten strange (Heb zúwr - racial adultery) children; Hosea 5:7; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "A bastard (Heb: mamzér - mixed breed, mongrel) shall not enter into the congregation of the Lord." De 23:2*

to be killed before the sun set. He sold his birthright but kept the cloak.

### Esau's Enemies

Ancient stories say;

*"Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds." Jasher 29:20*

He traveled the world's trade routes and deserts as a merchant and a conqueror; and he took wives from among all the alien peoples of the world mixing his blood with theirs which turned their descendants into "children-of-Esau".

Because of this mixture, regardless of a person's race, creed or color, if one bears the blood of Esau he is a child-of-Esau. Thus there are only two peoples on this earth - the Children-of-Esau and the Children-of-Jacob, and Esau has never forgotten that he gave his birthright to Jacob while fleeing Nimrod's avengers nor has forgiven Jacob for taking it.

And the WORD says;

*"Esau hated Jacob ... and Esau said ... I (will) slay my brother Jacob." Ge 27:41*

But, God said;

*"Jacob have I chosen ... I have chosen thee ... and they that strive with thee shall perish." Isaiah 41:8-11*

As for Esau - God said;

*"Jacob have I loved, but Esau have I hated." Ro 9:13*

## Under The Cloak Of Esau

Today the lands of Jacob are covered by the Cloak of Esau. Truth is layered with deception. We have a Communist, Republican and a Democrat party. Each is responsible for the deaths of millions of the sons of Jacob.

Esau's Cloak has given us a stranger to rule us,<sup>9</sup> and a black billionaire with a white wife and stablefull of white mistresses<sup>10</sup> whose claim to fame is that he hits a ball with a stick.

We have a government which is responsible for placing our people in Africa under the rule of Esau<sup>11</sup>. Because of this there are now sons of Jacob whose children are hungry<sup>12</sup> in that land while America pours aid to children of Esau elsewhere. We have had another president who was trained by Esau in Hollywood<sup>13</sup> and an anti-saxonite media which curses everyone and everything white.<sup>14</sup> Scripture says WE are the temple of God. The media which we allow in our homes to teach our families are the serpent of Esau.

---

9 *"Their nobles shall be of themselves, and their governor shall precede from the midst of them."* Jer 30:21

---

10 *"Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "Thou ... shall go ... to my kindred, and take a wife." Gen 24:3,4; "They have dealt treacherously against the Lord: for they have begotten strange (zūwr - racial alien) children." Hosea 5:7; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3*

---

11 *"Thou mayest not set a stranger (Heb: zūwr - racial alien) over thee, which is not thy brother." Deu 17:15*

---

12 *"If any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel." I Tim 5:8*

---

13 *"No man can serve two masters." Matt 6:24*

---

14 *"We are confounded, because we have heard reproach: shame hath covered our faces: for strangers (Heb: 2114 zūwr - foreigner, strange, profane, adulterous) are come into the sanctuaries of the Lord's house." Jer 51:51*

Worse, we have false shepherds in pulpit and government who know that the WORD teaches that we are not to throw "*pearls before swine*".<sup>15</sup> But they pretend that Jacob is really Esau and Esau is Jacob - meaning that the God they worship is really a son of Esau - one of those whom God said he hated.

### Conclusion

The Lawlessness that permits Esau to rule Jacob is hidden in Esau's Cloak. When the Lawlessness is at last removed from Esau's Cloak we will find *Adam's Cloak*, and the children of Jacob will be freed to enforce God's will on earth.

### LETTER FROM SOUTH AFRICA

---

Our postal service is hopeless. We assume that the sorters are asleep.

The news these last few weeks is almost entirely of Haiti. Recalling their history is difficult to feel very sympathetic. Most of them seem to be waiting for the world to come to their aid instead of asking for heavy machinery to move debris and rebuild themselves.

The doctors and medical technicians that come from here were not able to do much. They first were not even allowed to go in. It is the same with our blacks. They expect whites to do everything. They wait for whites to do the unpleasant job of going into water searching for decomposing black bodies while other blacks stand on the banks and watch.

---

<sup>15</sup> "He who says he knows Him, and does not keep his commandments, is a liar." 1 Jn 2:3-4

We had two murders here in two days. It was not a case of robbery, it was simply to kill whites. The town of Glen Austin is not far from here and there are three huge black townships that have grown up nearby which makes it easy for criminals to get away.

I think it wonderful that Germany is reinstating Sunday as a day of rest, although I do not think the merchants will be very glad. They always seem to have specials on Sundays.

F.W. deKlerk is now trying to promote the white Afrikaans language - after all the damage he has done to the country. Without a shot he gave away the country to the barbarians who have completely ruined it, and all that had been built by my people. So many whites now live in poverty and are unemployed. Those who are qualified must go to other countries for work.

One never sees any of the traitor generals and politicians who led us into this morass, or even see their names in the English newspapers.

May God keep you safe, K.J.

The *Liberty* crew managed to broadcast an SOS over a make-shift antenna. When the appeal reached US aircraft carriers nearby, the commanders immediately launched fighter planes to defend the ship. Informed of the launch, President Johnson ordered the rescue planes to turn back immediately.

For the first time in history, forces of the US Navy were denied the right to defend a Navy ship under attack. Johnson said, *I don't care if the ship sinks, I am not going to embarrass an ally.* " Those were his exact words, heard by Navy personnel listening to radio relays. The ally Johnson refused to embarrass was Israel. ... Johnson magnified the day's infamy by ordering a cover-up of the truth. *Liberty* survivors were sworn to secrecy. # Chapter 427

## ESAU'S CLOAK

**B**ecause he listened to the Serpent, God drove Adam from the Garden of Eden. Unprepared for the harshness of the world outside the Garden, God gave Adam a cloak to protect him.

### **Nimrod's Cloak**

Adam's Cloak contained extraordinary powers. It was handed down to his descendants. It saved Noah from the flood. It was later stolen by Ham and given to Nimrod who subverted its use and used it to deceive and rule over the children of Noah. Nimrod appointed standing officers to rule those he conquered and he deceived people into helping him build the Tower of Babel with which he intended to reach heaven and contend with God.

*"And Nimrod ... came ... when Esau started suddenly from his lurking place, and drew his sword, and hastened and ran to Nimrod and cut off his head ... and Esau took the valuable garments of Nimrod, which Nimrod's father had bequeathed to Nimrod, and with which Nimrod prevailed over the whole land." Jasher 17:7,10*

Esau took Nimrod's Cloak and has used it ever since to rule people's minds.

### Adam-Man

God made Adam-man a priest and a king. He ordered the land to be divided so that each man would have his own kingdom to rule.

*"As the LORD commanded Moses, so the children of Israel did, and they divided the land." Jos 14:5; "The land shall be divided by lot: according to the names of the tribes of their fathers they shall inherit." Num 26:55<sup>16</sup>*

### Esau's Land

Esau knows God's Commands and uses his money power to overthrow them.

"The aristocracy of the goyim as a political force is dead ... but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon they live. It is essential therefore for us at whatever cost to deprive them of their land. This

---

<sup>16</sup> *"The land shall not be sold for ever: for the land is mine; ... If thy brother be waxen poor, and hath sold away some of his possession ... in the jubilee ... he shall return unto his possession." Lev 25:23, 28*

object will be best attained by increasing the burdens upon landed property - in loading lands with debt." Protocol #6, p.165, *Protocols of the Learned Elders of Zion*. Translated from the Russian Text by Victor E. Marsden, 1934.<sup>17</sup>

### Esau's Cloak

We know that "*Esau was a designing and deceitful man, one who hunted after the hearts of men and he stole their minds.*" *Jasher 29:20*. Esau has possessed Nimrod's Cloak for a long time and changed it so as to capture the minds of the people of the world - including many children-of-Jacob who are being changed into Janissaries in Esau's state schools. Janissaries were Western children who had been kidnapped and trained in the Islamic religion and studies and who in time became the first wave of the advancing Islamic armies while others served in the Islamic government. They may be compared to today's liberals who have been trained to worship other gods and fight against their own people.

### The Key Weapon

Knowing the WORD, Esau knows that "*The love of money is the root of all evil.*" *I Ti 6:10*; and that "*Money answereth all things.*" *Ec 10:19*. He has long used this knowledge to fight Jacob.

---

<sup>17</sup> Today, few Saxons are self-sufficient on their own debt free land since "*The borrower is servant to the lender.*" *Prov 22:7*

## Kings

In ancient days, the merchants of Esau selected agents to rule as kings the lands in which they wished to trade. They were given money to hire armies which were used as a perpetual police force. The king, representing Esau, "*... set over his subjects and people, princes, judges and rulers, as is the custom amongst kings.*" *Jasher 7:40*. It is for this reason that the WORD condemns the unrepentant rich. "*How hard is it for them that trust in riches to enter into the kingdom of God! It is easier for a camel to go through the eye of a needle than for a rich man to enter into the kingdom of God.*" *Mark 10:24-25*<sup>18</sup>

## Merchants

God's Commandments forbid usury. Esau's Cloak conceals this commandment so that it is reversed and usury is now acceptable. Usury generates a perpetual river of money. Esau assigned this money to select merchants who are instructed to go about the land and buy up businesses. These businesses are then organized into "corporations".

Great corporations buy merchandise in great quantities at discount prices. This forces smaller competitors out of business. The result is that in the lands ruled by Esau, the rich become richer and the poor become poorer. In time, there are left few sons-of-Jacob who own land or own independent businesses. Most work for Esau's corporations and obey his commands so that they can continue to feed their families.

---

<sup>18</sup> "*Cease from thine own wisdom. Wilt thou set thine eyes upon that which is not? For riches certain make themselves wings; they fly away as an eagle toward heaven.*" *Prov 23:5-6*

## **State Religion**

To ensure that subjects remain loyal, kings monopolize state religions. They appoint bishops who appoint priests. Edicts are passed from kings to bishops to priests and from them to the people, and are treated as if the king's edicts were God's Word. Today, one might change names a bit and call kings "presidents" and bishops "judges". Their pronouncements are treated by most as if they were god's commandments.

In ancient days, the king was called the "God of the Land" and his edicts were called the "law of the land." Regardless of denomination or ritual - state religions are still organized to enforce the edicts of "the king of the land".

## **Today**

In recent years, "state-religion", which at one time had been the king's primary means of communicating with his people, has taken a backseat. Esau's corporations endowed seminaries and colleges, which gratefully placed Esau's agents on their board of directors. These new directors in turn, selected teachers, preachers and administrators like themselves and promoted Esau's interests.

Colleges, seminaries and churches became Esau's liberal spokesmen overnight. But, there was something more effective than churches and colleges.

## **The Media Evolves**

The printing press brought with it a new age. It produced books and newspapers. These were followed by radio, TV and the internet. Esau used his vast wealth to buy up book companies, newspaper companies including small county newspapers, as well as radio and TV corporations.

Esau's primary use of these media is to form public opinion. Whatever information reaches the public first passes through Esau's Cloak and is crafted to capture people's minds. Using the media and the pulpit is vastly easier and more effective than having the government use its heavy hand to hammer its will on the public. The heavy hand is especially not needed when people are forced to work for Esau's corporations to make a living and dare not bite the hand that feeds them.

The media have another purpose. They gather and have on file voluminous information on individuals who might conceivably become a future "person of interest". It is a foolish person who considers a media reporter anything other than an intelligence agent working for Esau whose information goes straight to his master to be used as he chooses.

### **Double Minded**

Episcopal State Religions (rule from the top down), can easily develop split personalities. Good administrators often produce good results. Bad administrators often produce evil results. Religion has the ability to cross state lines as if they were not there. A state religion can turn a man into a double-minded person as he serves two masters. *"A doubled minded man is unstable in all his ways."* James 1:8 . One must use care when dealing with a follower of a state religion.

### **Money**

There are many things that can be used for money. In lands without usury, farmers trade wheat for milk, or, potatoes for labor. States have paid its employees with "scrip" and removed it from circulation as people pay to use toll roads, toll bridges, and for services such as garbage collection, etc. Scrip

was used in America for more than 200 years before being replaced with bank notes.

To force people to use the bank-note usury system, tyrannical states levy taxes - especially when there are still those who own their own land. We remember the Protocols directive; *"It is essential therefore for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property - in loading lands with debt."*

### **Obtaining Tax Money**

The Southland fought a 4-year war against invaders having overwhelming strength. To pay its soldiers and buy supplies it printed its own "scrip". When the South was conquered, Southern scrip was declared worthless and "U.S. Dollars" were demanded for taxes.

Southern Whites were deprived of the vote and blacks were enfranchised and began to rule the white population. One of the first things the black legislators did was to pass taxes on land.

Southern trade with foreign countries had been lost during the war - there were few foreign markets to which agricultural goods could be sold for dollars.

With dollars to pay land taxes virtually non-existent, land-owners went to the newly-established banks to borrow dollars to pay taxes hoping that when the loans came due there would be money available to pay them.

Such was rarely the case. The loss of foreign markets, the high casualties of the war and the loss of black labor combined to put the farmland of the South on the auction block where prime-farmland selling from \$300 to \$800 an acre in 1858

sold for 50¢ to \$1 to newly formed land companies. Like their ancestors before them in Germany, Scotland, England, and Ireland, Southerners were forced from the land to live in newly built cities where they lived in company houses, bought from company stores, and worked in cotton mills for starvation wages.

### **Tom Jefferson's Neighbor**

Thomas Jefferson had a prosperous neighbor whose farming business amounted to more than \$20,000 a year. In that day that much money could buy a China clipper ship and provide it with a cargo.

The neighbor transacted all this business and closed his year-end books with only \$24, a comparatively insignificant amount. He had a choice of paying this \$24 in gold coins, Lynchburg city scrip, Virginia scrip, Lynchburg tobacco notes, or notes redeemable in flour from a nearby mill. Hardly anyone used bank notes to pay bills because bank notes were the result of usury and usury was forbidden by the WORD.

Most states in America operated the same way. I have mentioned this before. Some day in the future - a state, or a group of states may wish to to throw off Esau's Cloak that is strangling them to death. All that is necessary is for them to issue their own scrip.

### **Conclusion**

The West has recently experienced the results of banks refusing to lend money to debtors so that they can pay their debts. Borrowers, unable to pay loans, default. The result is

that trillions of dollars worth of property has been transferred to the lenders.

The Law on the subject of usury is clear. *"Hath given forth upon usury ... he shall surely die."* Ezek 18:13. This is why Esau is eager to disarm individuals who are indebted to him. If he doesn't, they may turn on the lenders.

The day is approaching when Esau's Cloak will self-destruct. When it does the sons-of-Jacob will need only follow the Laws, Statutes and Judgments of the WORD to regain the protection of the Cloak that God gave Adam.

### Letter From South Africa

---

Dear Mr. Hoskins: It has finally come out that the state has taken most of the civil servant's pensions for themselves, leaving most of these poorly paid people destitute. Municipalities are all in the red. The small number of white taxpayers pay for everything. The blacks get everything free and also their children get free schooling and subsidies but not white children.

Zuma and his wives #1 and #2 were royally welcomed in England by the Queen. They even slept at Buckingham palace for two nights. We are told that the ordinary people did not like it at all.

We are expecting problems with the upcoming international soccer tournament. The so-called black team is at the bottom of the list but have been known to riot well. Billions have been spent on stadiums, etc. that may be used this once and never again.

The farmers want the farm commando system back. When they were operating there was much less murder and theft.

The blacks wanted land and they insisted on taking it from white farmers. After they got the land, most of it now lies fallow and the blacks are stealing from the remaining white farmers for things they wouldn't produce themselves. Racial feelings are getting worse all the time. Wishing you only the best. K.J.

ETHICS: "Is 'legal ethics' an oxymoron? ... the Justice Department found that Bush administration attorneys who'd ginned up the legal rationale to justify waterboarding and

# Chapter 428

## ASSASSINATION And MARTYRS

### **Terre'Blanche Assassinated**

**C**arefully concealed by America's "red front" media, one of South Africa's white leaders has been assassinated.

Eugene Terre'Blanche, 79, had undergone a heart operation. Two blacks entered his home and used a machete and a club to cut and beat him to death. His friends said that his body was unrecognizable.

Terre'Blanche was leader of the AWB, an organization whose objective was to separate whites into their own nation under their own rule.

President Zuma of South Africa had appointed Julius Maleuma to be his youth leader. Maleuma is accused of being

**Andre Terre'blanche**  
**Martyred**

responsible for the attack. He traveled the length and breadth of South Africa making anti-white speeches and singing the song "*Shoot the Boer*" to black youth groups. The agitation has borne fruit. Over 3,000 white Afrikaner farmers have been killed and more are being killed every week. Eugene Terre'Blanche is the latest martyr.

### **Betrayal**

Most people have forgotten the story of white South Africa, how it was betrayed by its own leaders. The International Trade Cartel (ITC) wished to clear Whites from Africa to allow its raw materials to be seized and used by the enemies of the white man. Countries such as communist China now have its workers in Rhodesia and South Africa extracting minerals and working the land.

To facilitate the changeover, Cuba, East Germany, Russia and a number of local blacks raised an army of over 50,000 and attempted to overthrow the nationalists in Angola in Africa's Southeast. They were met and thrashed by 11,000 South Africans who beat them at every turn.

Foiled in this attempt, Great Britain and the US threatened boycotts and an invasion of South Africa if they did not turn the country over to blacks.

Nelson Mandela was the leader of the black insurrectionists and was responsible for the death of thousands of blacks who were his enemies. He was able to continue the attack on white South Africa because of the help he received from Great Britain.

"In 1996, Nelson Mandela was asked by BBC interviewer Sue McGregor what his 1962 trip to Britain had been all about. He said he had been seeing British government ministers and officials about arms 'for the struggle'. 'I had no other business', he said." (*Impact*, June/July, p. 9, P.O. Box 28233, Sunnyside 0132, Rep. of SA, \$30/yr. cash, add \$25 for checks.)

In addition to arming black insurrectionists, the media of the ITC fomented internal revolt. They supported white South African traitors calling them "patriots".

Today's white liberal is similar to yesterday's "Janissary" of the Turks. Janissaries were white children kidnaped in Europe and raised as Mohammedans. When thoroughly indoctrinated, they were enlisted into the Turkish ruler's private army. Others became Turkish civil servants. This was done to reduce the constant fighting between Turkish factions which is normal. Europe considered these Janissaries the most dangerous of all Christendom's enemies.

Today, government public schools and endowed schools of higher learning furnish Esau with the same kind of well-indoctrinated servants - white graduates trained to be black-supremacists. Incidentally, when the Turkish ruler considered the Janissary's work accomplished, he had them all killed - tens of thousands of them.

### **Hendrick Verwoerd**

Before white South Africa could be overthrown, Hendrick Verwoerd, the patriotic white leader of S. Africa had to be removed. This was done by having him stabbed to death by a parliamentary messenger in 1966. The assassin was a mulatto named Dimitri Tsafendas. He was later declared insane and committed to a mental institution. He has since been released. The death of Verwoerd opened the door for the Trojan Horse.<sup>18</sup>

### **DeKlerk**

Frederik Willem de Klerk has been accused of causing the collapse of white South Africa. DeKlerk was born in Johannesburg on March 18, 1936, the son of Senator Jan deKlerk. His brother is a liberal newspaperman.

F.W. deKlerk graduated with a law degree from Potchefstroom University in 1958 and practiced law in Vereeniging in the Transvaal. In 1972, he was elected to Parliament as National Party member for Vereeniging.

In 1978, deKlerk was appointed Minister of Posts and Telecommunications and Social Welfare and Pensions by

<sup>18</sup> All of this is recorded in the book VOLKSVARRAD. You can obtain the book by writing to Adv. P.J. Pretorius, PO Box 1456, Warmbaths 0480, S. Africa. (SA Update Feb-Mar 1998)

Prime Minister Vorster. Under Prime Minister P.W. Botha, he held a succession of ministerial posts. In 1985, he became chairman of the Minister's Council in the House of Assembly. On December 1, 1986, he became the leader of the House of Assembly.

As Minister of National Education, F.W. de Klerk was a supporter of segregated universities, and as a leader of the National Party in the Transvaal, he was not known to advocate integration of the races. In February 1989, de Klerk was elected leader of the National Party and in September 1989 he was elected State President.

DeKlerk's career prior to becoming president of South Africa appeared to be an open book except in one respect. The one indication that he was in fact a left wing liberal was that he is not known to have based his social or political stance on the Law of Saxon Israel as did the old S. African rulers. This happens when one either doesn't know God's Law or follows an opposing law system. In deKlerk's case he quickly made his disobedience to the WORD clear, that he intended to follow the law of the International Trade Cartel.

In his first speech he called for an integrated South Africa and for negotiations about sharing rule with the blacks. He lifted the ban on the ANC and released the terrorist Nelson Mandela. He brought racial separation to an end, canceled the law against racial intermarriage, and opened the way for the drafting of a new constitution for the country based on the principle of one person, one vote, which would turn the country over to black majority.

### Post DeKlerk

An advisory election was held to be followed by a primary election. DeKlerk used the advisory election as an excuse to actually turn the country over to black rule.

Black rule developed as expected. The police and military were led by Janissary-whites who obeyed every order given them by their new black rulers. As whites were removed from public office, the country began the process of becoming Africanized. Whites began to be persecuted at every turn. The decision to capitulate to the demands for "one man, one vote", a decision described in May 1994 by the well-known intellectual, Paul Johnson, in the following terms:

"South Africa under Mr. F. W. de Klerk has made a suicidal leap to universal suffrage. Within ten years the country may be the theatre of one of Africa's endless civil wars. In any case it will develop into an industrial rubble heap, beastly, bloody and bankrupt". (J.S. Marais, Leader of the HNP, 6 Jan 1999)

Today, DeKlerk is making profitable speech tours in Europe and the United States, and black S. African legislators are building palaces and buying estates in Scotland with money extorted from whites. Almost a quarter of the white population has fled abroad, a half million more have been turned out of their homes and jobs and are living in tent cities. Farms have been confiscated.

We in the American South are not in the least surprised at these events, having undergone the same treatment by the same ITC who used blacks to do their dirty work here as well.

The following is a chapter from a small unpublished manuscript sent to me in 1981 by the Southern National Party.

It confirms what is written in *The Prostrate State* by James S. Pike, one of the most important books written in the 19th century and the first to penetrate the media's red curtain over America.

### **The Black Death**<sup>19</sup>

"In 1868 Carpetbag Rule, Black Supremacy, and "Gig (Jig) Society" took over Columbia, South Carolina - just as they did in every other Confederate state that year, as a result of the general election.<sup>20</sup> Within a year, the streets were filled with trash, filth, and rubble. Fine mansions were in decay; their aristocratic owners driven away, the houses now served as flophouses, wino havens and public toilets for passers-by. Gambling dens, saloons, liquor houses and whorehouses flourished. Africans jammed dance halls which had once known only cavaliers and chivalry, gentry and polite society. State universities were taken over completely by Negroes, and scholastic standards fell into nothingness. Blank arrest warrants were issued by the stack to Negro policemen, sheriffs and constables, to be served upon anyone as the situation arose. The arrestee would then be taken and tried by a Black or Carpetbag judge, before a jury of half-drunken jeering, cajoling Negroes - that is, if he did not have the bribe money to buy his release.

"Intoxicated in the glow of political victory in a mockery of an election that "legally" instituted what Southerners came to call 'the Black Plague' and the 'the Black Death,' Negroes

<sup>20</sup> In violation of the WORD, Blacks were given the franchise while Whites were denied the vote.

swarmed through the streets that were now theirs as an arrogant, obstreperous, and dangerous mob, assaulting whites as they encountered them, discharging their pistols at whatever targets struck their fancy, and in a thousand other ways making plain their intent to undo five thousand years of white civilization. Columbia had been Africanized, just as the government of the United States of America had intended.

"Those who would openly oppose this devolution found their homes or barns burned, their wells poisoned, their animals dead - or themselves ambushed, their homes shot up, their families slain.

"The stench of violence, vice and depravity grew so foul that the few better Negroes, unable to bear it any longer, went back to their former masters and asked to grow poor with them. Prior to black supremacy, southern negroes had been associated with gentlemen, ladies and high civilization. An African-Dixie was just more than they could stomach.

"The story was the same in every state. After the election of 1868, graft and corruption skyrocketed. School bonds, railroad funds and tax proceeds were divided and pocketed. Judgeships, congressional seats and political appointments were bought and sold. Treasury funds were paid out for imaginary roads, and to cover gambling losses. Hotels and other private business places were built with state funds, and in Georgia alone, 42 newspapers were bought by the state for Republican propaganda purposes.

"Expensive gifts went to favored "Lady friends," and paid for with state funds. Hams, oysters, liquors, baskets of delicacies, champagne by the carload, perfumes, complete wardrobes, gloves, fancy pistols, gold watches, stickpins, diamond earrings, expensive jewelry, entertainment, the remodeling of "houses," and anything else immoral men can think to buy for

trashy women were bought with tax money and chalked off as "school fund appropriations," "building improvements," and other such false covers.

"Coal and wood, purchased by the state to heat asylums, went instead into the home furnaces of carpetbaggers, scalawags, and important negroes. Bonds for colored orphans were converted into cash. Billions of dollars worth of railroad bonds were floated during Reconstruction, for which hardly a mile of track was laid. Elaborate liquor stores were constructed next to state houses, or, as in the case of South Carolina, directly adjoining the Capitol Building. Most of the "urgent business" of the South Carolina Legislature was conducted across the street from the Capitol Building, in the tax-supported brothel over 'Fine's Saloon.' During legislative sessions, forty bedrooms were supplied at state expense, ostensibly as 'committee rooms.' North Carolina outdid all the other states by having a bar and a whorehouse within the Capitol Building itself.

"Upon the floors of the various congressional houses, black and white trash engaged in endless, meaningless, and often incomprehensible discussion and debate. Drunken "statesmen" lay passed out in the floors, urinating and vomiting as drunks will. Raucous laughter, shouts, swearing and obscenities spiced the air. 'Amendments,' too obscene to print, were offered on the spur of the moment, and were followed by great roars of laughter. Blackamoor 'spectators' filled the galleries, window ledges, and vacant seats 'voting' with the legislators with shouts, hoots, boos and hysterical laughter. Usually soaked with whiskey, these 'spectators' often fought with each other, chasing one another across the floor with guns drawn and knives flashing.

"Rooms just off the floors were provided for the 'consultations' attendant to bribe-taking, and legislators often bragged about the amount they received. More revealing than the fact that they could be bought, is the fact of how cheaply they were bought. The litter on the floors of Southern congressional buildings included corks, empty whiskey bottles, tobacco quids, bread crusts, rotten fruit, picked chicken bones, peanut hulls and bags, and other such items.

"And in this atmosphere these Esquires of New Africa make 'Law.'

"There were bills to disarm all whites and to arm the whole black populations with the newly invented repeating arms; bills to make Confederate Gray the garb of convicts; bills to make possession of Confederate flags an offense punishable by death; various bills to make white men remove their hats in the presence of various categories of blacks; bills to make it illegal for white men to walk on sidewalks, bills to place nighttime curfews and other restrictions on whites; bills to integrate schools and all other public institutions and places; and - unbelievably - bills to annul all marriages between whites, so that more white women would be more available; and to make any future white-and- white marriages illegal.

"Ancient Rome at its absolute worst had nothing on Reconstruction Dixie at its absolute blackest. Caligula did no worse in making his horse a consul than the Republicans did in making the negro a statesman."

## **Redemption**

To provide some sort of law and order, Confederate veterans approached Gen Robert E. Lee to lead a clandestine

police organization. Because of his health, Gen. Lee declined, but recommended Gen Nathan Bedford Forrest.

Under Forrest's leadership the Ku Klux Klan was organized in 1867, and quickly disbanded in 1868 because of the vicious attack by America's media. These media attacks were used by the radical Republican congress to pass additional anti-South legislation, legislation that left the South heavily in debt and in absolute destitution for decades after the war. I remember many of the children sitting with me in grade school had walked to school with bare feet through the snow.

Deprived of KKK 'atrocities' on which to pin anti-Southern legislation, federal occupation forces furnished their own bogus KKK which committed outrages to generate anti-Southern sentiment. Thus we have a federal 'false-flag' KKK being opposed by local white militias who fought quick deadly affairs. The dead quietly disappeared in nighttime burials in local cemeteries hidden from the occupation forces and the media. This local sporadic warfare continued as long as the federal occupation of the South lasted.

The original KKK 1867-1868 had a short life. It was replaced by local militias under other names. The KKK was not revived until 1915 and then primarily as a political organization. It controlled 24 statehouses with 7 million members. It faded in 1941 with the US entry into WWII. Most KKKs today have been infiltrated by the FBI and are used by the media to manipulate public opinion as before - creating anti-Southern sentiment to justify "anti-white" laws.

The use of the WORD or the lack thereof reveals the true loyalties of such organizations and its members.

### The FBI Destroys The KKK

The FBI destroyed the Klan in the late '60s and early '70s using the age old art of deception. Membership dropped as much as 70%. Paranoia over infiltration reached such heights that Klan leader Robert Shelton, threatened to use polygraph and truth serum on his own members to screen out infiltrators.

In 1964, the Johnson administration directed the FBI to destroy local militias going under the KKK label. J. Edgar Hoover sent 150 agents to Mississippi alone. The feds used anonymous letters, phone calls to employers, and cooperation with the local media which ran derogatory news stories about the Klan and its members.

"The 1965 murder of Viola Liuzzo, a white woman who marched in Selma, Alabama, played a key role in passage of the 1965 Voting Rights Act. She was shot and killed, allegedly by a man who was apparently an FBI agent, but the agency tried to pin the crime on the Ku Klux Klan." *Straight Talk*, p. 4, July 13, 1995.

The ground was now ready. The American public had been prepared to support foreign adventures. The mass-media had indoctrinated the population to believe that the world was either "conservative" or "liberal" - "American" or "Communist". People were one or the other. The American-conservative was *good*; The Communist-liberal was *bad*: The average Southerner could not comprehend that the Cartel really didn't care what you believed as long as you went along with Cartel policy.

Southerners took the bait. They admired Hoover's crusade against bad-liberal-communism. This gave the FBI a natural "in", and they worked this "common interest" for all it was worth. A few dollars combined with stories about such-and-

such organization being a secret anti-American group was all it took to recruit a cloud of collaborators. Soon, the FBI knew more about most Klans than the Klans knew about themselves.

As a substitute for Klan members, the FBI set up the *National Committee for Domestic Tranquillity*, a phony organization tailored to Klan member's religious beliefs and desire to "support our boys in Vietnam". They were told that their enemies were all part of a great conspiracy of Jews, Communists and Catholics. FBI *agents provocateur* promoted this paranoia with one atrocity after another - all which were blamed on the Klan by a willing, cooperative press.

The FBI subjugation of the South and its Klan militia was a result of its ability to grasp the motivations, and concerns of the everyday Southerner and misdirecting them. Repeating this success today requires the same process.

The media's job is to keep the white population calm while a global war is being waged against them. Following are excerpts from an old article that I discovered in my files. Matters are much worse since this report first came out, but it illustrates the seriousness of affairs.

### **The Race War**

A few years ago an article called "The Race War" was making the rounds. It was updated whenever new statistics became available. Nothing has basically changed: The war continues. When I first got a copy it was called *"The Race War of Black Against White"* by Paul Sheehan of the *Morning Herald*. Following are excerpts:

The longest war America has ever fought is the Dirty War, and it is not over. It has lasted 30 years so far and claimed more than 25 million victims ...

The American news media do not want to talk about the Dirty War, which remains between the lines and unreported. In fact, to even suggest that such a war exists is to be discredited. So let's start suggesting ...

No matter how crime figures are massaged by those who want to acknowledge or dispute the existence of a Dirty War, there is nothing ambiguous about what the official statistics portray: for the past 30 years a large segment of black America has waged a war of violent retribution against white America. And the problem is getting worse, not better.

During the past 20 years, violent crime has increased more than four times faster than the population. Young blacks (under 18) are more violent than previous generations and are 12 times more likely to be arrested for murder than young whites.

Nearly all the following figures, which speak for themselves, have not been reported in America:

According to the latest US Department of Justice survey of crime victims, more than 6.6 million violent crimes (murder, rape, assault and robbery) are committed in the US each year, of which about 20 per cent, or 1.3 million, are inter-racial crimes.

Most victims of race crime - about 90 per cent - are white, according to the survey "Highlights From 20 Years of Surveying Crime Victims," published in 1993.

Almost 1 million white Americans were murdered, robbed, assaulted or raped by black Americans in 1992, compared with about 132,000 blacks who were murdered,

robbed, assaulted or raped by whites, according to the same survey.

Blacks thus committed 7.5 times more violent inter-racial crimes than whites even though the black population is only one-seventh the size of the white population. When these figures are adjusted on a per capita basis, they reveal an extraordinary disparity: Blacks are committing more than 50 times the violent racial crimes of whites.

According to an annual report on murder by the Federal Bureau of Investigation, most inter-racial murders involve black assailants and white victims, with blacks murdering whites at 18 times the rate that whites murder blacks.

These breathtaking disparities began to emerge in the mid-1960s, when there was a sharp increase in black crime against whites, an *upsurge which, not co-incidentally, corresponds exactly with the beginning of the modern civil rights movement.*

Over time, the cumulative effect has been staggering. Justice Department and FBI statistics indicate that between 1964 and 1994 more than 25 million violent inter-racial crimes were committed, overwhelmingly involving black offenders and white victims, and more than 45,000 people were killed in inter-racial murders. By comparison, 58,000 Americans died in Vietnam, and 34,000 were killed in the Korean War.

When non-violent crimes (burglary, larceny, car theft and personal theft) are included, the cumulative totals become prodigious. The Bureau of Justice statistics say 27 million non-violent crimes were committed in the US in 1992, and the survey found that 31 per cent of the robberies involved black offenders and white victims (while only 2 per cent in the reverse).

When all the crime figures are calculated, it appears that black Americans have committed at least 170 million crimes against white Americans in the past 30 years. It is the great defining disaster of American life and American ideals since World War II. All these are facts, yet by simply writing this story, by assembling the facts in this way, I would be deemed a racist by the American news media. It prefers to maintain a paternalistic double standard in its coverage of black America, a lower standard. (ends quote).

### **The Saxon Nation Today**

Today, America, like South Africa, has a black president, the result of collaboration between Esau's media and what is widely believed by many to have been a bogus election. In the words of Joseph Stalin; *"Those who cast the votes decide nothing. Those who count the votes decide everything."* The fact is, electronic voting machines can be set to produce the result desired. And, those who opposed the election of an alien to be their leader stated their reason:

***"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15;***  
***"Their nobles shall be of themselves, and their governor shall precede from the midst of them." Jer 30:21***

There is no reason to say more. Those who disagree with the WORD are enemies of our God. An enemy of our God is our enemy.

### **France**

France is being overwhelmed by aliens from Africa and the Near East. It also has a growing conservative sector. However, it has a Jewish president and a red-front media.

## **Germany**

Germany is an occupied state whose conquerors maintain an armed presence more than half a century after WWII. The conquerors have opened the doors to mass Islamic immigration. The White birth rate has dropped to 1.5.

## **Great Britain**

Great Britain is being overwhelmed by aliens from all over the world. London's crime rate is far greater than that of New York. While its red-front media reigns supreme, a small right wing party has made its presence known.

## **South Africa**

White traitors turned South Africa over to blacks. Once in power, black rulers opened the doors to black immigration from the rest of Africa. Whites, once superior in numbers, are now outnumbered by blacks more than 10 to one.

However, many of the black tribes in S. Africa are hereditary enemies. The history of Africa reveals constant strife between Africa's black tribes. Perhaps that will be the salvation of the white man in South Africa.

## **Assassination & Martyrs**

The red-front media has created dozens of alien leaders and honored no white leader. Would-be white leaders die mysteriously in plane crashes or are hacked to death by aliens.

Blacks murdered South Africa's Andre Terre'blanch. The black ANC Youth League leader, Julius Malema, travels about the country singing "Dubula ibhunu! Dubula!

Bubula!", or "*Shoot the Afrikaners! Shoot! Shoot*" - and blacks do. Afrikaner martyrs are increasing rapidly.

The USA TODAY, April 23, 2010, 2A let slip the news of the assassination of the anti-communist, anti-red-front lawyer Richard Barrett, 67, by a 23-year-old black. He was stabbed, beaten and set on fire.

Barrett operated the Nationalist Movement, appeared on numerous television and radio programs against communism and anti-white civil rights laws, and was on the 1968 presidential campaign staff of Alabama Gov George Wallace.

A recent news article told of a white principal of a black school in Washington DC who was recently beaten to death by blacks because it was thought that he was gaining too much power over blacks.

### Conclusion

Today Esau rules Jacob and kills his children daily. But, it will not always be so.

As the time appointed God the WORD will speak, and

*"They will each turn to his own people, and each one will flee to his own land. Anyone who is found will be thrust through, and anyone who is captured will fall by the sword. Their little ones will also be dashed to pieces." Isaiah 13:14-16*

Aliens who insist on entering our lands may wish to re-think their decisions, and those who help them may wish to do the same.

## FBI Notes

### Empire

**E**mpire: A political unit having an extensive territory or comprising a number of territories or nations and ruled by a single supreme authority. *American Heritage Dictionary*

In the writer's opinion, organizations such as the FBI, CIA, Homeland Security, media, state-religions, etc. are agencies created to control the peoples of states which were once sovereign but are now merged into an empire. One of the jobs of the FBI appears to be to quiet rebellious empire subjects while its armed forces are spread paper thin over the world in an ongoing effort to conquer other lands.

Following are a few notes that I have kept on the FBI over the years. *By their acts ye shall know them.*

## FBI

**FBI Arrests 9 Christian Militia April 2010:** FBI arrests 9 members of Hutaree Christian Militia accusing them of plotting to kill a policeman and killing many more of his comrades when they attend the dead policeman's funeral.

Defense attorneys accuse FBI of being unprepared. Judge orders the rebels released. *News & Daily Advance*, A3, 5/5/10

**FBI visits 6/19/09:** On Friday, June 19, 2009, 2:10 pm, there was a knock on my office door. I opened the door to see two men standing there. One in a short sleeve shirt with badge and an automatic pistol prominently displayed; the other nicely dressed in a suit. The first person introduced himself as a Lynchburg police detective and the other introduced himself as a member of the FBI living in Lynchburg.

I asked what I could do for them and they said they wanted to question me about the recent shooting at Washington's Holocaust Museum in Washington. I told them to contact my lawyer, gave them his name, said "good-by", and went back to work. These visits started with the publication of my books on Biblical Law.

**FBI Blamed OK City:** "Convicted Oklahoma City bomber Terry Nichols says he and Timothy McVeigh worked under direction of FBI Agent Larry Potts and that the Feds were behind the entire criminal operation - the Clinton White House wanted to pin blame on 'domestic terrorists'". Texe Marrs, *Power of Prophecy*, May 2007 (Vol 2007-05)

**FBI Fires Whistle Blower:** FBI translator Sibel Edmonds was fired in 2002 after alleging a co-worker was spying for foreign interests, a claim the agency failed to pursue. Robert

Mueller, FBI Director, says she was dismissed for being a "whistle blower" who exposed security lapses. (Story in *Investors Business Daily*, A2, July 30, 2004)

The Justice Dept Inspector General said the FBI did not take seriously linguist Sibel Edmonds who reported a co-worker and her AF officer husband of possible espionage for Turkey and fired her for reporting it. (*IBD*, p.2, Jan 18, 2005)

**FBI Destroys KKK:** In 1964, the Johnson administration directed the FBI to destroy local militias going under the KKK label. J. Edgar Hoover sent 150 agents to Mississippi alone. The feds used anonymous letters, phone calls to employers, and cooperation with the local media which ran derogatory news stories about the Klan and its members.

**FBI Trade Center:** "The FBI not only knew in advance of the car bombing of the World Trade Center in February 1993, they furnished the ingredients for the bomb." (*NY Times*, Oct 28, 1993; *Aid & Abet*, p.8, Fall Issue 2003)

**Herbert A. Philbrick:** "There are more names of ministers than any other profession on the list of Communist supporters in this country." Herbert A Philbrick, former FBI agent.

**FBI Misidentifies Fingerprints:** The FBI apologized to Brandon Mayfield after a judge in Portland, Oregon, dismissed the case in which he was jailed as a material witness in the Madrid train bombings that killed 191 and injured 2,000. A lawyer, Mayfield's fingerprints were mistakenly tied to the terrorist attack. The FBI said that a computer error led to the misidentification of his fingerprints and that they

would review their practices. (C.S.Monitor, p.20, May 26, 2004)

**FBI Investigates:** FBI: April, 2004 - Two FBI agents entered a neighbor's store and proceeded to question them about me. They asked if I wrote under a pseudonym? Why the covers of my books were black and white? How did they feel about me being their friend? How did they feel about my writings? etc. My friends answered each question with, "I don't know."

**FBI Scam Pennsylvania:** FBI: Feb 18, 2004 Washington, PA: "The FBI set up a phony Ku Klux Klan group and encouraged them to build bombs and acquire automatic weapons, according to the former FBI informant and leader of the group who was jailed when his relationship with the feds went bad. The leader recently told the *Washington Observer-Reporter* that he set up a phony Ku Klux Klan group in Western Pennsylvania to hurt another locally based white supremacist organization ... and that he did so under the guidance of another FBI informant, and his FBI handler." (*Nordwave*, p.4, POB 5901, Lake Worth, Florida 33466)

**FBI frames Beckwith:** Picture of retired FBI agent who swore that two of his former colleagues framed Beckwith on a 1973 charge of transporting dynamite. *Anatomy Of A Fix*, Media Bypass, Oct 1995, p 11.

**FBI In The News:** FBI: The conviction of an inmate who spent 10 years in prison has been overturned because an FBI scientific expert gave false testimony and withheld evidence. Agent Michael Malone was transferred from the lab but continued to work for the FBI until his retirement in Dec 1999

after the case was brought to light. (Story in *News & Advance*, p.2, May 28, 2003)

**FBI Probes Self:** The FBI cites lost trust and will investigate itself. Allegations have surfaced that punishments are inequitable. The investigation will be led by ex-Attorney Gen. Griffin Bell and Lee Cowell, ex-FBI associate director. (Story in *Investors Business Daily*, p. 2, May 27, 2003)

**FBI - Homeland Security:** FBI has been given jurisdiction over the Homeland Security Department's "terrorism-related financial investigations". *IBD*, p2, May 27, 2003

**FBI Witness;** The AP reports that FBI explosives expert Steven Burmeister who told federal investigators that his lab colleagues had performed shoddy work in the Timothy McVeigh case was promoted to FBI lab's chief of scientific analysis and abruptly retracted several statements before appearing as a prosecution witness at trial, a transcript shows. FBI lab director Dwight Adams said "I can state categorically that Steve Burmeister has never felt pressure to change any testimony to help the McVeigh prosecution." (Story in *News & Advance*, p10, May 5, 2003)

**FBI Recruiting;** "Historically, the FBI has been perceived as being largely white and male, and we have made significant progress toward changing that perception by aggressively hiring minorities. ... To accomplish that, the FBI is actively recruiting in various ethnic minority communities ... " (Advertisement *New York Times*, Apr 13, 2003)

**FBI Expands;** "The FBI plans to open offices in Kabul, Jakarta and eight other foreign capitals as part of a decade-long overseas expansion that officials say is crucial to fight

the global threat of al-Qaida and other terrorist groups." (*Investors Business Daily*, 12644 Beatrice St. Los Angeles, CA 90066, p. 14, Mar 31, 2003)

**FBI Visits Libraries** "The FBI is visiting U.S. libraries, checking the reading records of people with suspected terror ties, library officials say." (*Investors Business Daily*) A2, 12644 Beatrice St. Los Angeles, CA 90066, June 25, 2002)

**The Prince:** "It has been the custom of princes, in order to be able to hold their state securely, to erect fortresses as a bridle and bit to those who have designs against them... Therefore, fortresses may or may not be useful according to the times... " *The Prince*, Macheveilli.

**Rudolph:** The FBI set up a base in Andrews, NC - "Rudolph country" and manned it with several hundred operatives. The reason - the county is 99.9% Saxon. Such a gathering of Saxons unleavened with aliens is certain to produce a center of resistance to Admiralty Law in time. The existence of the FBI base actually did produce discontent and distrust of the government. So, after several years and after a number of government agents merged into the local population, the base has been greatly downsized - seemingly.

This is an example of a mobile modern day fortress. Its downsizing and placing covert agents in the local population is the governments' public relations answer to the problem of fortresses.

"The best fortress is to be found in the love of the people, for although you may have fortresses they will not save you if you are hated by the people." *The Prince*, Macheveilli, p.108.

**Hoskins Slandered:** On February 26, 2003, I received a telephone call from a friend in Norfolk. He said that a public school had just held an assembly on "Foreign and Domestic Terrorism". The speaker was a retired FBI agent, a member of the "Society of Former FBI Special Agents". I was told that an entire section of his presentation was dedicated to Richard Kelly Hoskins. He was said to have told the students that Mr. Hoskins had been indicted and although the case did not reach court, Richard Kelly Hoskins was sentenced to life in prison.

Since I was Richard Kelly Hoskins, and was not in prison, had not been indicted, and have not been accused of terrorism by any credible authority, I called the principal to learn more. The principal's secretary took the call and asked who I was and the subject to be discussed. I told her. She said that the principal was out of the office but would return my call shortly.

Not having my call returned, I called again the next day, and the next and the next. At last, I told the secretary that if I did not hear from the principal shortly that he would have to deal with my lawyer.

Within 20 minutes the phone rang. It was the former FBI agent who had given the talk. I questioned the truthfulness of his accusations. He said that he must have gotten faulty information. He was vague about his sources.

I found this caller a personable sort. He was a Virginian and had gone to VMI where he was brother-rat with my first cousin whom he knew.

We got off on Ruby Ridge and Waco where he stated that the FBI victims were the aggressors and got what they deserved. He appeared to believe that it was unimportant that at Ruby Ridge a boy had been shot in the back, a mother holding

her baby was shot in the face. What was important was that "they had broken the law". He didn't believe for one minute that Ruby Ridge was the result of a federal "frame-up". He firmly believed that the Waco Branch Davidians got what they deserved. "They shot federal agents". He was insistent that they shot first and later committed mass suicide. He instantly discounted the heat sensitive film taken from a helicopter at night showing FBI shooting down Davidians as they fled the flames.

On that note, we said good-by and hung-up.

Later inquiry revealed that this FBI agent had been head of the FBI's Norfolk Station - a responsible position. He had also held an important position in New York. I mention this to say that while several who know him say that he is sharp, he was in position to get correct information about Ruby Ridge and Waco, and about me, even after he retired. If what he told the school children came from FBI sources - the FBI sources are in need of updating. If his purpose in talking to school children was to shape their opinions, his comments did that.

**Hanssen - Soviet Spy:** "FBI agent, Robert P. Hanssen told his wife and a Catholic priest he had given information to the Soviets in exchange for money." *News & Advance*, Lynchburg, VA June 17, 2001, A-3.

**FBI Bites FBI:** Larry O. Potts, the commander of the 1992 FBI assault on the Weaver cabin in Idaho has charged in a letter to the Justice Department that the FBI's review is a cover-up intended to shield top officials. The *Spokesman Review* of May 10, 1995 says: "Commander Eugene F. Glenn charges that the FBI review blamed him for managerial lapses in the Idaho operation and sought to let off Freeh's top aide,

Larry A Potts, with a mild rebuke. ... Potts helped draft the plan for the Waco assault and was the primary supervisor from Washington in the standoff with Weaver. Potts now has overall responsibility for the Oklahoma City investigation." (The Weavers sued the FBI and were awarded millions.)

**Bomb In Murrah Bldg:** "The U.S. government planted the bomb in the Alfred P. Murrah Federal Building to create a pretext for a crackdown on the secretive militia movement. ... more than 600 ... citizens listened in rapt attention (to) ... former FBI agent Ted Gunderson and Michigan paramilitary leader Mark Koernke ... " *Chicago Tribune*, May 9, 1995

**Treason Or Wisdom?** Some Militia leaders are working with the FBI to "contain terrorism". Jim McKinzey, commander of the 51st Missouri Militia has struck a surprising partnership with the local FBI agent. They work together to identify potential terrorists. McKinzey said, "We're not enemies. We have to build bridges." Montana militia leaders have also been sitting down with FBI agents to exchange information. "We talk to them (FBI)," said John Trochmann, "because we want to be sure they know where we're coming from."

In Bloomfield, Ind., federal agents and members of at least a half dozen local militia groups met last month. "Militia members have provided information helpful in criminal investigations, John Bell, the FBI special agent-in-charge of the Indianapolis field office said. "A militia leader passed on a tip last month involving a member who had been expelled from the group." In Kansas City, FBI Agent Kinnally says that his office has fielded similar calls from the 51st Missouri Militia.

Some militia leaders consider the cooperation no less than treason. "The FBI has no interest in opening a dialogue", said

Bob Wright, commanding officer of the 1st Brigade New Mexico Militia. "They're interested in gathering intelligence. They're interested in finding some weak-minded fools to hustle." The leopard does not change his spots. Many forget that the reason for the re-emergence of militias is so that American citizens will have someone who will protect them and their families if the FBI decides to do another Waco. An easy way to determine if there has been a fair exchange of information is if the FBI has told local militia leaders which militia members are paid FBI *agents provocateur*. After all, that's the sort of thing the FBI does. (Story in *The Detroit News*, 9A, Dec. 3, 1999.)

**KING Conspiracy:** A jury found a widespread government conspiracy responsible for the assassination of The Rev. Martin Luther King, Jr. A US House committee concluded in 1978 that Earl Ray killed King but may have had help from a small group of "racists". The jury found that government agencies were involved. The list included the FBI, CIA, and organized crime. (Story *News & Advance* A-3, December 12, 1999)

RKH: This communist tactic is called "The Trust", or, "False Flag" - doing the act and blaming it on your opponent. The communists killed their own people and blamed the killings on their opponents.

King had become a liability. His usefulness was over. Before his assassination he was one of the most hated people in the country. The darling of the media, he came preaching peace but left American cities burning, gripped in uncontrollable riots. The American public had turned against him. His only future use had become that of a martyr. He was executed and white "racists" were blamed. The same thing

happened to Kennedy - another of the most hated people in America. When it was announced that he had been shot, the people in the brokerage office in which I worked stood and cheered. The media immediately blamed whites in Dallas. Media "re-interpreters" are paid to tell what they want you to believe.

**CRIME:** According to the most recent FBI crime report, the black minority (12%) is responsible for 70% of all murders. Whites are now statistically combined with Hispanics, Asiatics and other non-Black races. This was not true in 1986. The 1986 FBI report revealed that Hispanics commit 3.2 times more murders than Whites. If this ratio is still true and has not increased, the combining of Black and Hispanic murder totals reveal that they commit 90% of all murders in the U.S. To put it another way, without Blacks and Hispanics, murders in the U.S. would drop 90%. Now think! If the politicians REALLY wanted to stop the high US murder rate - what would they do? Right! They would lengthen prison terms, build bigger prisons, hire more guidance counselors, and teach higher self-esteem to the populations producing the murderers.

**Skew Tests:** Buried on page B8 of the *New York Times* of Sept 15, 1995 was a story titled "FBI Chemist Says Experts Are Pressured To Skew Tests." An FBI chemist, Frederic Whitehurst, complained about the handling of the evidence in the Trade Center case and in the 1991 trial of Walter L. Moody, convicted of mail-bomb killings. Louis J. Freeh, now the Director of the FBI, led the prosecution of the mail-bombing case. Frederic Whitehurst worked for 13 years for the FBI. He received a doctoral degree from Duke and was the FBI's

top bomb-residue expert. In 1994, he was demoted after taking his complaints to his superiors.

**Larry McDonald Report:** "On February 11, 1976, the late Congressman Larry McDonald inserted evidence into the Congressional Record (pages E-617-619) documenting how various US terrorist groups were actually being funded and controlled by the federal government. The government secretly funded a section of the Weather Underground Organization (which was repeatedly involved in terrorist activities - including bombings, arson, and murder).

**Secret Army Organization:** A January 10, 1976 *Associated Press* report stated: "The FBI created and funded a ... group called the Secret Army Organization (S.A.O.) ... in the early 1970's the San Diego Union reports." The newspaper described the S.A.O. as a "centrally designed and externally financed infrastructure designed for terror and sabotage. ... These acts were sanctioned by the nation's most powerful and highly respected law enforcement agency: the FBI."

"*The San Diego Union* reported that the top SAO leader was Howard Berry Godfrey, who 'paid the expenses of the secret army, recruited new members, supplied the explosives, and picked out targets.' The newspaper reported that Godfrey was also a paid FBI informer. Godfrey testified before a grand jury in 1972, admitting that he had helped found the SAO on orders from the FBI. "While he led the SAO, Godfrey testified, he was in constant touch with his FBI supervisor, ... making daily reports on his activities."

**Viola Liuzzo:** "Another example of Federal-engineered terrorism was demonstrated in the 1965 murder of civil rights marcher, Viola Liuzzo. After being gunned down, allegedly

by three Klansmen who were riding in a car, those three Klansmen were quickly arrested. The fourth Klansman in that car, Gary Rowe, was a paid FBI informer.

"The 7/10/95 *National Review* reported on a 1978 examination of the background of Gary Rowe: 'The 1978 investigation implicated' Rowe 'as an *agent provocateur*, and he was accused of helping plant the bomb that killed four Black girls in a Birmingham church in 1963.' The Klansmen accused in the Liuzzo case later admitted that they had been in the car, and that they had seen Rowe kill Vola Liuzzo. In 1978, an Alabama grand jury indicted Rowe for first-degree murder in the killing of Liuzzo.

"At that time, Rowe had moved to Georgia and in 1980 a Federal judge blocked extradition to Alabama, asserting that 'a Federal agent has rights that protect him when 'placed in a compromising position because of his undercover work'." The Federal judge's ruling (upheld by a Federal appeals court) 'exempted Rowe from any number of possible criminal charges in Alabama."

"In 1990, an internal FBI file came to light which acknowledged that Rowe had led attacks on Freedom Riders, clubbing them with a lead-weighted baseball bat. The FBI paid the medical bills for Rowe's own injuries and gave him a \$125 bonus."

In 1979, at Greensboro, North Carolina, a combined group of Klansmen and Nazis were involved in a shoot-out with members of the Communist Workers Party, which resulted in five dead Reds. In the 1980 trial that followed, it was revealed that Bernard Butkovich, an agent for the Bureau of Alcohol, Tobacco and Firearms (BATF) had infiltrated the Klan-Nazi group.

"Many witnesses from inside the Klan-Nazi group swore that on several occasions, before the shoot-out, Butkovich suggested a variety of illegal acts.' Witnesses said that the BATF agent 'suggested the murder of a rival klan leader, urged members to buy equipment to convert semi-automatic guns to fully automatic weapons, and offered to procure explosives (including hand grenades). ... **DIED:** "DIED: Bobby Frank Cherry, 74, former KKK member convicted in 2002 for the deadly 1963 bombing of the 16th St Bapt Church in Birmingham, Ala; of cancer; at the Kilby Correctional Facility near Montgomery. The attack, which followed the desegregation of Birmingham's schools and for which two of Cherry's associates were also convicted, killed 4 black girls." *Time*, p.23, Nov 29, 2004:

**TERROR:** "The most bizarre bits of retaliation against the White Knights of the Ku Klux Klan has largely been forgotten, ... the FBI and the Klan descended into guerrilla warfare in those hot Mississippi nights. ... The Klan bombed the building. Then they bombed the rabbi's house. ... they began bombing Jewish folk in Meridian, about 80 miles away. ... said Meridian police chief Roy Gunn. And, after playing by the book for years with no results, neither did the FBI ... FBI agents used that to pay off, threaten and coerce Klan members - including the man who killed the Philadelphia civil rights workers - for information.

"In fact, the FBI had a pair of informants hire the Klan's top bombing expert, Thomas Albert Tarrants III, and one of its most notorious leaders, Danny Joe Hawkins, to bomb a Jewish leader's home the night of June 29, 1968.

"Then FBI agents and a few trusted city cops set out to do their duty - assassinate them in the act. This wasn't just entrapment. This was murder. This was war.

"Nelson, then a Los Angeles Times correspondent, broke the story in 1970. The wrath of J. Edgar Hoover followed, and the FBI director tried to wreck Nelson's career.

"Nelson is now chief of the LA Times Washington bureau. It's just a story about a few cops who broke the law to stop the nation's most notorious terrorist organization.

"Over the weekend, the media were awash in Summer's revelations about the late FBI director's secret homosexuality and the fact that he sometimes dressed as a woman for parties held in the Plaza Hotel." *Terror In The Night*, Jack Nelson, Simon & Schuster, p.287, \$22. **Hoover recruited Mafia To Fight KKK** *A-2 News & Daily Advance*, Lynchburg, VA, June 22, 1994.

NEW YORK (AP) - Thwarted in trying to solve the 1964 disappearance of three civil rights workers in Mississippi, the FBI turned in desperation to the Mafia, the Daily News reported Tuesday.

FBI Director J. Edgar Hoover pitted one adversary, organized crime, against another, the Ku Klux Klan. The ploy paid off.

Gregory Scarpa Sr., a Brooklyn mobster turned FBI informant, terrorized a Klansman under suspicion in the slayings into revealing the location of the bodies, the Daily News said, citing unidentified federal law enforcement officers.

In an account marking the 30th anniversary of the case, the newspaper said Scarpa put a gun borrowed from an FBI agent

into the suspect's mouth and threatened to "blow your ... brains out" if he didn't confess.

The slayings of two white New Yorkers, Andrew Goodman, 20, Michael Schwerner, 24, and a black Mississippi civil rights volunteer, James Chaney, 21, inspired at least four books and a movie, "Mississippi Burning."

FBI spokesman Paul Bresson refused to comment Tuesday on the Daily News story. Former FBI Inspector Joseph Sullivan, who led the investigation into the murders, denied Scarpa had anything to do with the case.

Of the three law enforcement sources cited by the newspaper, Sullivan said "there is no federal official who can accurately make such a statement."

Goodman, Schwerner and Chaney vanished in Neshoba County, Miss. They were helping a black voter registration drive at the start of Freedom Summer.

Their whereabouts remained a mystery for 40 days, until FBI agents, reportedly using information from the terrorized suspect, who was an appliance dealer, found their bodies Aug. 4 in an earthen dam not far from Philadelphia, Miss.

Four months later, federal agents arrested 20 men, among them the local sheriff, a deputy and Samuel Bowers Jr., an Imperial Wizard for the Klan.

In 1967, an all-white jury convicted Bowers, Deputy Cecil Price and five others of conspiracy to violate the civil rights of the three volunteers. The seven served prison terms ranging from three to 10 years. The appliance dealer wasn't charged.

## Conclusion

Usurers, aliens, outlaws - followers of alien gods - have entered our lands, and corrupted our people. Our people "...

*were mingled among the heathen and learned their works."*  
*Ps 106:35.*

We are a conquered people, but it is still God's land, and we will take it back and rule it according to the Law, and the Law says, *"Thou shalt drive them out before thee. Thou shalt make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me."* Ex 23:31-33.

As for our own people who follow the teaching of the strangers' Gods, the Law is clear:

*"If a false witness rise up against any man to testify against him that which is wrong ... Then shall ye do unto him, as he had thought to have done unto his brother ... And those which remain shall hear, and fear, and shall henceforth commit no more any such evil among you. And thine eye shall not pity; but life shall go for life, eye for eye, tooth for tooth, hand for hand, foot for foot."* Deu 19:16-21

### Letter From S. Africa

---

Dear Mr. and Mrs. Hoskins: I phoned Betzy and we discussed the security at the Loeries. They have installed every security obtainable and they are connected to an armed response security company should an emergency arise. The children have been made aware of the dangerous situation, they do not venture out of the grounds and Betzy takes them to school and extramural activities. The safety gates are controlled from inside the house and are only open once the person has been verified.

After graduation, the Loeries who have parents will return to their parents if they are able to support them. Rina and

Betsy keep a close eye on the parents and even the weekend parents to insure that the parents are looking after the child.

The parents are not likely to allow their children to leave the country and thus losing contact. The other concern is that they are Afrikaans speaking and would not fit into a new and strange environment which would be English speaking.

Betsy also found that white children are not allowed to leave the country as in the case of a white couple wanting to take twin girls to America but were refused by the government. With Malema our situation may change quickly and the only way left is evacuation. Malema reminds me of Dingaan, a Zulu King in the Voortrekker time, who killed unarmed men. Dingaan was both sly and cruel. In that case Maria will send a message via the computer.

After the murder of Eugene Terre Blanche, the three main right- wing groups, HNP, AWB and Verkkeners (Scouts), a young white group, will restart the commando system that will patrol the country. They have received request for training as far afield as the Cape Coast. The training will be by former army officers on how to handle situations and accurate marksmanship.

Pamphlets protesting the murders of S. African whites are being distributed in America. Several protest marches have been held in Sweden, London and Washington. There are plans to obtain radio broadcasting stations in other parts of the world as well as messages on the internet.

Sweden had the murder of Eugene on their TV for a week. Behind the worst murders, we find a black, Malema, who has close ties to the CIA. He sings an anti Boer war song at every meeting he holds which is felt to be instigating the brutal murders. He is neither Zulu or Xhosa but from a northern tribe. He is a militant youth leader of the ANC. He ignores

court orders. It is felt that there is a connection between the brutal murders of the 17 year old girl whose hands were cut off and raped, and the murder of Eugene with a panga (machete) and a club. His face was unrecognizable to his brother as it was so battered.

The plan to kill Eugene was in place and opportunity presented itself as Eugene age 69 had just had an operation and was still recovering. The first investigating team was recalled. They must have found evidence that the government did not want the public to know, like the old servant who was found dead in Venters Dorp Street as she was on the way to tell Eugene of the plot.

Thousands of people far and near arrived to attend Eugene's funeral, which must have been a surprise to the English press. The funeral service was held at the Afrikaans Protestant Church which proved far too small. They had to open the side doors where tea is normally served on a Sunday after church. Some people filled the street in front of the church. Martie, Eugene's wife, discussed the funeral arrangements with the undertaker and everything went smoothly. All the neighbors pitched in to help, one used a big scraper to level the farm road, others bricked the grave out and others assisted with providing refreshments in tents. The Reverend held an hour long sermon in which he made appeal against drink, drugs and gambling. The HNP arrived in a large group and had a two full page spread in *Die Afrikaner*. Both their leader and deputy leader are excellent orators like Eugene. This murder has opened some eyes and is getting the Afrikaner to work together.

A Jaco Barnard-Naude writes in the *Rapport* newspaper on the 25 April that Malema is what any psychoanalyst would find not quite sane. I would call him a psychopath.

Not long after the other attacks a one year old baby girl was beaten so badly that she stopped breathing three times before the neighbors could get her to the nearest clinic. Her minder was beaten unconscious. They both suffered head injuries, their attackers consisted of two Mozambicans and one local who was also their leader.

A boy of 15 years who slept on a camp bed next to his mother to protect her was shot dead.

We greatly appreciate your concern for the children and will keep you informed. With our best wishes, K..J.

# Chapter 430

## INVINCIBLE WEAPON

### Lone Rider

**M**any years ago, a holy man was born in a land now known as Saudi Arabia. He said that he spoke for god. Many believed him. As time passed, his following and influence grew. This brought him in conflict with the powerful King of Arabia.

To escape the hostile King's army, he took his followers east along the Silk Road until he arrived at an oasis many days travel out in the desert. He then fortified the oasis and forbade caravans to pass. This caused consternation among the powerful merchants who had invested great sums in their caravans.

Complaints reached the King of Arabia, whose job it was to protect the caravans and he sent his army to subdue these

rebels. But, after the several days' ride through the desert to the fortified oasis, the King's army had only a few hours to make an assault before having to return to their base for lack of water. All efforts to dislodge the rebels failed.

After the silk-route trade had been disrupted for a year, a single camel rider rode down the Silk Route from India with the message that the King of Arabia must step down. The leader of the rebels was now to be the new King of Arabia whose job it was to protect the caravans. The rebel's name was Mohammed.

### **The Rider's Master**

The lone rider had given Mohammed the authority to protect and in exchange take tribute from the camel-trains traversing the spice route. This income allowed Mohammed to hire soldiers for his army. With this new army he conquered the near-east, North Africa, Sicily, Southern Italy and Spain.

Who was it that dispatched the lone rider who delivered the message that appointed Mohammed ruler? Who was this shadowy figure who has the power to set up the world's kings and pull them down? Where are the armies and navies that back his power?

### **The Law**

The followers of God the WORD have often departed from obedience to the WORD and as a result have been conquered. When conquered and serfs to another people, they learned to understand the nuances of their ancient Laws. This allowed them to speak to each other with the enemy hearing but not understanding their words. This is the "parable".

## The Parable

God the WORD created Man in his own image. The word "man" is not the same as "person", "fellow", "human", etc. It has its own distinctive meaning.<sup>21</sup> The word "man" pertains to only one special people. Man's lineage descends from Abraham who had two sons - Jacob who was obedient and Esau who was disobedient and who mixed his blood with all the races of the world except with the descendants of Jacob. When Jacob disobeys God's WORD he is either killed or taken captive by the sons of Esau who are sworn to kill their kinsman Jacob.<sup>22</sup>

Today, Esau and his followers are called by a new name - "human".<sup>23</sup> Man and humans have different customs and gods. They do not think alike. This is the reason our ancestors were able to successfully speak in parables.

## Temple Parable

Parables reveal the location of the one who ordered the camel messenger to make Mohammed King of Arabia.

*"Then the devil taketh him (Jesus) up into the holy city, and setteth him on a pinnacle of the temple." Mt 4:5*

The devil speaks from the top of the temple.

*"Again, the devil ... showeth him all the kingdoms of the world, ... "And saith unto him, All these things will*

---

21 MAN - Heb: adam - those that blush rosy, *Strong's Concordance*; "Son-of-man" - son of those who blush rosy.

---

22 The offspring of a son-of-Esau and a man is not half white and half something else - he is entirely an alien son- of- Esau.

---

23 HUMAN: From the Latin "hu" meaning color, and "man". Thus, "human" means "man with color" or colored man. They are different breeds.

*I give thee, if thou wilt fall down and worship me." Mt 4:9*

This tells us that the forces of evil who speak from the top of the temple have power over the kingdoms of the world. Kingdoms are his to bestow on his followers. All that is required is obedience.

Another parable repeats the same thing:

*"We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Eph 6:12*

The force of evil has something to offer that makes obedience to the devil attractive.

*"The love of money is the root of all evil." I Ti 6:10*

## Money Fountain

The devil has an inexhaustible fountain of money which he uses to bribe the sons-of-man. This money fountain is called Usury. Usury is a scheme to defraud borrowers of their property. The punishment for those practicing this unlawful scheme is severe;

*"Hath given forth upon usury ... he shall surely die." Ezek 18:13<sup>24</sup>*

## Using Usury To Seize Land

The Law says:

*"As the LORD commanded Moses, so the children of Israel did, and they divided the land." Jos 14:5*

---

<sup>24</sup> *"Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury." Deu 23:20*

The land belongs to God. He ordered it divided among his children so that each man can produce his own sustenance and wealth and be independent of others. Further:

*"The land shall not be sold for ever: for the land is mine; ... If thy brother be waxen poor, and hath sold away some of his possession ... in the jubilee ... he shall return unto his possession." Lev 25:23, 28*

"Love of money" allows the merchants' Usury to seize God's land that was given to our fathers. Rulers appointed by the International Merchant protect the usurers and refuse to invoke the "Jubilee" to force its return.

## Taxes

When money is in short supply, taxes can be imposed on the people to force them to borrow from usurers to pay the taxes, using their land as collateral.

After the War Between The States, whites were disenfranchised and blacks were put in office to rule them.<sup>25</sup> One of the first things the blacks were instructed to do was to tax the land. Since there was no money to pay the taxes, the land owners went to the new banks that were springing up in every Southern town, to borrow tax money - their farms were their collateral.

Unfortunately, the markets for Southern farm products had been lost during the war and over the next thirty years millions of acres were defaulted and seized when sold at auction. This was the start of the great land corporations that own Southern land, and the reintroduction of the serf-system which was

---

25 *"Thou mayest not set a stranger (Heb: zūwr - racial alien) over thee, which is not thy brother." Deu 17:15*

activated when displaced Southern farmers were cleared from the land and forced to move to cities and work for corporations for slave wages.

### Ignoring The Law

Ignoring the WORD has repercussions. Usury soaks up the floating supply of money causing people to default their property. Men without land are unable to feed themselves and they are unable to create wealth to trade for items they don't produce.

Usury has forced on us kings under other names. Kings who obey their masters, who tax us and have taken our land. The loss of our land has caused still other problems. It affected man's ability to Lawfully marry. The Law says;

*"Prepare thy work without, and make it fit for thyself in the field; and afterward build thine house." Prov 24:27*

In short, start your business before starting your family. This is difficult after usury has soaked up the money causing deeds to property to fall into the hands of usurers. One may work for the usurer in the usurer's own factory, but this is no longer certain. The factory owner may take the factory overseas to obtain cheaper labor. Without a job, marriage can be difficult if not impossible. Without marriage, the birthrate can fall precipitously.

*"If thou wilt not ... do all the words of the law ... ye will be left few in number ... ye shall be plucked from off the land." Deut 58:66*

## War

To relieve economic depression, war must be started to jump-start the economy by forcing the people to borrow money into existence. Without war, economic depressions can go on for many years - depriving men of the opportunity to establish businesses and keeping them from marrying and raising children.

God's Laws dealing with marriage are simple and *racist* in the extreme:

*"Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "Thou ... shall go ... to my kindred, and take a wife." Gen 24:3-4; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel." Deut 23:2*

When otherwise Lawful men are unable to marry because usury has made it impossible for them to support a family, it is easier for them to fall into the sin of *adultery*.

The rules of marriage include these:

*"(A priest) shall take a virgin of his own people to wife." Lev 21:14<sup>26</sup>*

LAW violations can pile up one upon another because the LAW dealing with usury is not enforced in the beginning. A man cannot marry if he has no way to make a living for his family.

---

<sup>26</sup> "Jesus Christ ... hath made us kings and priests unto God and his Father." Rev 1:5,6; "Let the Hebrews marry... virgins... and no... harlot, whose... prostitution of her body, God will not receive... If any one has been espoused... to a virgin, and does not afterward find her so to be, let him... accuse her... if the damsel be convicted, as having been corrupted... let her be stoned, because she did not preserve her virginity till she were lawfully married." Antiquities 4:8:23

The LAW also says:

*"(Strangers) shall not dwell in thy land, lest they make thee sin against me: for if thou serve their gods, it will surely be a snare unto thee." Ex 23:33*

There are few in government who are not bought and paid for with the wealth provided by the usury of strangers. There are few great corporations in our land that are not owned by strangers. Most media speak for the stranger day and night and teach God's people to serve other gods. Cursing, fornication, murder, sacrilege is the daily lesson the stranger-owned media preach to the children of Jacob. Down to the smallest thing such as *swearing*. We are taught that swearing is such a small thing that we should pay no attention. But, the Law says;

*"But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation." Jas 5:12*

TV actors constantly exclaim, "I swear.." It conditions the viewer to ignore the Law against swearing.

Once I was chosen for jury duty. The Clerk said to me "Do you swear to tell the truth, the whole truth, and nothing but the truth?"

I answered, NO!

Without blinking an eye, he continued, "Will you tell the truth?" I answered, "Yes!"

The answer, "Yes" or "No", is often sufficient to tell the lawyers what kind of juror is hearing his case.

## Results

Because of lawlessness, the birthrate of our people in Europe, S. Africa, Australia and the Americas is plunging. There are too few babies being born to replace the old people who are dying. *"You will become few in numbers."*

## Hinduism

The great merchants of India practice a religion called Hinduism. Hinduism accepts all religions as different interpretations of their one basic religion. The missionary arm of Hinduism is Buddhism. Hinduism has many traditions similar to Christianity but has no law as we understand law.

There is an offense, while not a capital crime, is critical to Hindu world trade; that is "separation". A people who insist on being separate cannot become customers of the international merchant and are therefore obstacles to be overcome. This condition was described by the *Cavalry Contender*.

"The coming Buddha, Lord Maitreya, through his New Age channeler, says: 'The crime of separation must be driven from this earth. I affirm this as my purpose.' (6/96 Chr. Cons.) New Agers say that it is ok to believe in ANY god, just don't claim that YOUR god or belief is EXCLUSIVE." (*Cavalry Contender*, Aug 1, 1996, 1800 Sparkman Drive, Huntsville, AL 35816)

The basic difference between Hinduism and Christianity is *Integration vs. Separation*. The Hindu would have all become "integrationists" to facilitate international trade. The WORD forbids this. Since the Hindu has unlimited wealth to buy agents to promote integration - integration is the basic belief-system promoted by his agents.

The WORD warns again and again against the evils of integration. An integrationist is an enemy of the WORD. If an integrationist claims to be a Christian he is a Hindu-Christian and an enemy of both the WORD and his people.

### **Islam's Solution**

In the early 1900s, most of Islam was ruled by the International Trade Cartel who installed puppet rulers and religious leaders. But, on street corners and back alleys ordinary Muslims taught the Koran. The rulers paid little attention to these upstarts since the great holy places were occupied by carefully selected religious leaders and that's where the crowds went.

But, times changed. Wars came and the upstart teachers continued to teach the Arabs and Turks the words of Mohammed. Today, Islam is mostly free from Cartel imposed rule. Most Islamic countries have even banned cartel usury banks; their families are more than twice larger than ours. Millions of Muslims have invaded Western lands bent on conquest.

### **Christian Solution**

The solution to our problem is simple. Already we have tens of thousands of Believers who teach the LAWS of the WORD to their families and neighbors. Once our nation returns to the Law we will declare a jubilee to force a return of our property, and since God has appointed us kings and priests we will then step forward and rule and teach our kinsmen. The Law is God's invincible weapon.

*"For the WORD of God is quick, and powerful, and sharper than any two-edged sword." Heb 4:12*

When we speak and teach the WORD - God will keep his promise:

*"Thus sayeth the Lord, who giveth the sun ... and the ordinances of the moon and of the stars ... who divideth the sea ... If those ordinances depart ... then the seed of Israel shall also cease from being a nation before me forever ... If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all they have done, sayeth the Lord." Jer. 31:35-37*

## LETTERS

Mr. Hoskins: Richard Barrett recently had the Florida Department of Corrections lift their ban on our Identity literature. Sadly, Mr. Barrett was stabbed to death April 21, 2010 in his home in Learned, Mississippi by a 23 year old black. Mr Barret, an attorney and founder of the Nationalist Movement, published "All The Way" magazine. It was an American Nationalist magazine featuring skinheads who believed in what Mr. Barrett called - "Positive Christianity." He won many legal battles from NY to CA dealing with one's right to sdisplay the Confederate flag and to freely protest in public plus prisoner's rights to receive American Christian literature such as Hoskins Report. Dear Dick: The cell phone puts out a signal that can be traced even when turned off. Remove the battery to stop all signals. N.H.- Florida

Dear Mr. H.: Explain "communion". E.K. - Virginia

RKH: Communion is ritual and parable. The bread is the WORD and the wine is the Spirit. The WORD without the Spirit accomplishes nothing. The Spirit without the WORD accomplishes nothing. The two go together. The reason that grapejuice is used instead of wine is because of the following: *"It is not for kings to drink wine, nor princes strong drink: lest they drink and forget the law, and pervert the judgment of any of the afflicted. Pr 31:4-5. Who are these kings and priests? "Jesus Christ ... hath made us kings and priests unto God and his Father." Rev 1:5,6*

Dear Brother Hoskins: This is truly becoming the time when His children are beginning to wake up. Hello Mr. Hoskins: It's been my honor and privilege to sit under your teaching. I've been in prison now a little over 10 yrs with 5 yrs remaining on my sentence and I must admit it has been a learning experience I won't soon forget. ## Letter From S. Africa

---

Dear Mr. Hoskins; I did not realize that so many people would turn up at the Loeries ten-year celebration. Everything was very well organized. The town's people helped put up a tent and arranged the tables very tastefully. The Loeries children all had Loeries shirts and sang a few songs. Two have already been accepted at Potchefstroom University because of their good marks.

Some of the children have been Loeries since the beginning. Things got organized when Betzy and 8 children turned up at Willie Hoffman's house. Some of them slept on the ground the first night, but with help of local people they all had beds the next day and in this way they grew. Next, they obtained a small holding when the owner went to an old age home. HR readers are responsible for much of the rest.

The cities have clamped down on any news that is bad. English newspapers censor reports of attacks on Afrikaners. People see much more of what is going on from their TVs.

Will write more next time, K.J.

# Chapter 431

## COMING Out Of EGYPT

### Esau

**E**sau left his family and married alien wives. His mixed-breed descendants are now spread world-wide - from the blacks of Africa; the Arabs of the mideast, the Indians and Chinese of the East, to the breeds of Mexico. Because their interests are different, they constantly fight over prey, or for an advantage.

### Joseph In Egypt

Man has ancient history books relating his history including his dealing with aliens. One such book is the Bible; *"This is the book of the generations of Adam." Gen 5:1*

This book contains the parable of Joseph in Egypt. Joseph was sold as a slave into a lawless land. Quietly he obeyed the WORD when he could - which got him in trouble. But, in time, his wisdom brought him to the attention of the Pharaoh who made him a ruler. As a ruler of a land of strangers, Joseph obeyed the Pharaoh and ruled in the manner pleasing to the ruler;

*"And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's. And as for the people, he removed them to cities from one end of the borders of Egypt even to the other end thereof." Gen 47:20-21*

### Recap

To achieve absolute power and remove means of revolt, Pharaoh's agent deprived those under him of their land. Without land, they were unable to produce their own wealth. Without their own wealth they were forced to go to cities to work as serfs for the Pharaoh and his corporations to earn their daily bread.

This same plan was used later against the freemen of the American South. First, the catastrophe of war took their wealth. Next, their land was heavily taxed. Since their foreign markets had disappeared during the war, they were unable to sell their produce to gain tax money and were forced to sell their land to land corporations at greatly reduced prices. These economic circumstances forced them to move to cities to work for Esau's corporations to eak out a living. White America has been converted into a land of serfs dependent on Esau for their daily bread.

South Africa's land and wealth were taken from her during the Boer War. Slowly she managed to retake political sovereignty and began to repossess the wealth taken earlier from her. The aliens assassinated South Africa's Saxon leader, and used white renegades in their pay to betray the people. This returned the land and its wealth back into the hands of the wolf. White South Africa is also a nation of serfs.

Germany's wealth was taken after WWI. Soon, she found a leader, rebelled, and took it back. This brought on WWII. The alien-ruled countries allied themselves, and they sent their serfs to war to repossess German wealth for themselves. White Germany herself was pulled back into serfdom.<sup>27</sup>

### Lesson

The parable of Joseph in Egypt teaches several things. First, Esau uses natural or contrived catastrophes to deprive people of their land. This deprives them of means of creating wealth which they can use to maintain their independence or finance revolt. This empties the countryside as people are forced to go to the cities to work for wolf-enterprises to earn their daily bread.<sup>28</sup>

Next, those sons of Jacob who work for Esau can be expected to conform to the rules of Esau - or lose their livelihood - even if it means denying the WORD which is their God.

Lastly, rulers who regulate the people's income by decree and taxation produce a wealthy class of favorites who almost

<sup>27</sup> Protocol 15 - slay those who take arms to oppose our kingdom.

<sup>28</sup> In the early '80s I visited Scotland and drove from Edinburgh down to the borders. I scarcely saw two people working the land during the entire drive.

unanimously support the king of the land rather than the Laws of their own God the WORD.<sup>29</sup> This system also reduces the rest of the people to a condition of destitution.

### **Government**

Our religious history tells us that when Jacob-Israel came under the rule of the Egyptians, their government of the following kind:

*"(Pharaoh) placed officers over them from amongst the children of Israel (collaborators), and over these officers he placed taskmasters from amongst his servants." Jasher 77:10*

As noted earlier, the officers from the children of Israel appointed by Pharaoh can be expected to be the type that will do the will of Pharaoh.

### **Successful Revolt**

The sacred books handed down to us through the ages tell how we are able to break our chains and come out of Egypt:

*"In those days the hand of Pharaoh continued to be severe against the children of Israel, and he crushed and oppressed them until the time when God sent forth his WORD and took notice of them." Jasher 71:16.*

### **Bank In Richmond**

When we were first married, my wife Ann worked in a bank in Richmond. Her job was to process real estate loans. When there were enough of them, they were packaged and

---

<sup>29</sup> "His name is called The Word of God." Re 19:13

sold to a life insurance company in a large northern city. These big institutions were the mortgage owners while the local banks only handled detail work. Local borrowers who thought that they had a loan at a local bank were misled. This technique is thousands of years old.

### Legislature

The job of the "*Taskmasters*" is to manage the officers selected from the children of Israel. They supervise the newspaper writers and editors they have hired. The taskmasters then select those sons of Jacob they wish to be elected to public office.

The newspapers encourage people to go to the polls and vote. Once there the only ones they can think of to vote for are those advertised in Esau's media. In this way our *taskmasters* select those least obedient to Saxon Israel's Law to be masters of the children of Israel. These newly-elected politicians are rewarded with handsome salaries and benefits and are obligated to Esau who raised them from nothing to their present exalted positions. They continue their longevity in office by protecting Esau's interests.

### Simple Solutions To Problems

We are told that unemployment is reaching double digits. We expect our elected politicians to help make jobs available for us. Millions of jobs can easily become available overnight by deporting the tens of millions of illegals; illegals who also cost us billions in social-services and who send billions of untaxed dollars out of the country. The subject of jobs and "illegal aliens" is on the tip of everyones' tongues. But:

How many politicians in Washington are demanding that Congress deport these illegals? Almost none. Illegals provide cheap labor for Esau's merchants. The politicians I know are more interested in supporting the interests of Esau's merchants than those of the people who voted to put them in office.

### **Offshore**

The media-elected politicians permitted our taskmasters to off-shore American industry without protest. Even today they stoutly protect Esau's interests against the interests of their own people. American overseas industry is thriving while home and industry remain in the doldrums.

### **Friends & Enemies**

Separating friend from foe is simple: Legislators who demand that illegals be sent home to provide jobs for us are friends. Those who DO NOT speak out about sending illegals home are our enemies. They stand guard over our *taskmasters'* interests.

### **Preachers**

Most preachers are graduates of seminaries. Most seminaries receive grants from corporations and individuals who work for the *taskmasters*. Seminaries usually select their board of directors from large donors. These directors select seminary presidents of like-mind who in turn select seminary teachers. All teach their student preachers to protect the *taskmasters'* interests. These student-priests graduate and go to wealthy churches where they teach Bible stories and also teach that God's Law is done away which allows Esau to do

what Esau does. In this way, most in America remain ignorant of God's solutions to the presence of the anti-Christ.

### **Billionaire Taskmasters**

We have heard the stories about individuals who arrived penniless in our country. Each saved his nickels and dimes and now have accumulated billions of dollars. Those who believe these stories need a wake-up call. These are *taskmasters* arriving to take up their duties.

This is one such billionaire who owned most of the newspapers in Europe. His papers were responsible for setting up and pulling down European governments.

Then the word went out that there was trouble. No one was sure what it was. In due time the billionaire was found floating in the Atlantic.

There were a number of theories about the cause of his death but they were soon swamped with other news. It seems that this billionaire was transferring his newspaper holdings to his family and private trusts - and they weren't his to transfer. Pandemonium ensued as banks all over Europe descended on his estate demanding the return of their media that they had hired him to manage.

This is the first we knew that overnight billionaires can be administrators of "*taskmasters*" wealth.

### **Coming Out Of Egypt**

We have read that Israel was in Egyptian captivity for 400 years. We have been in America for 400 years - most of that time as slaves. The WORD says;

*"I will send my WORD and save thee and thy seed."  
II Adam & Eve 12:6. (Lost Books)*

The WORD sent a leader. His name was Moses. He went to the Pharaoh whose wise men used magic tricks to capture his mind. Moses had learned their magic tricks and used them against Pharaoh's magicians. When Pharaoh was still reluctant to release Israel from bondage, God the WORD first had Moses instruct the Israelites to put blood on their door posts. Blood represents the *spirit* that gives strength to the WORD. God then slew the first-born of the Egyptians - both high and low. Then Pharaoh let the children of Israel go.

### Today

Today, Saxon-Israel is coming out of Egypt.

They have begun studying the WORD and they are finding that the WORD that has been taught to them by today's priests is a Hindu-Christianity, and the priests themselves have been selected and trained by Pharaoh to be false priests: They are learning that the Israelites chosen to rule them are no more than jailers who represent Pharaoh's interests; and they are learning that "Hollywood" and the media are owned by Esau and exist only to capture their minds.

For the first time in years, they are able to go to the internet and not depend on Esau's media. Yes, Saxon-Israel is coming out of Egypt and in the process they see two distinct races emerge - Jacob and Esau.

In time, Pharaoh will freely release all of Jacob-Israel from captivity - when he finds that Israel's slavery only results in the death of Egypt's first born children, and the first born of all who do not have the blood of the WORD on the sides of their doors - the blood that confesses to the world the occupant's obedience to God-the-WORD.

**LETTERS**

---

BARRETT: GREETINGS: I wanted to add to your letter about the late Richard Barrett. Mr. Barrett was a wonderful American and Christian man. I am a corespondent for his magazine "All The Way" as well as a Nationalist Skinhead. Mr Barrett taught us that our most important tool in the spreading of our message was the American people themselves. He taught me to stop using old dead symbols and ideas that only turn people away, and instead focus our intellect and activities on today's issues and problems, and to be positive and productive activists. He changed my whole way of thinking. He was a great man - a righteous patriot. There is no doubt in my mind that his murder was related to Terre Blanch's in South Africa. I received a letter from Mr Barrett two days before his death saying he needed a bump up in headquarters security due to the office being set on fire, and the local police refused to investigate!

He brought up Mr. Terre Blanch's death which had just happened and he needed protection. It is also curious that his killer's story is the same as Mr Terre Blanch's killer! "Yard work money owed etc.." This is pure nonsense! Mr. Barrett would never hire a negro for yard work when he had dozens of young Skinheads around who would have been happy to help him out! Mr. Barrett's death deserves more notice than was given. The HR is the only one who mentioned it. He was a martyr and a Christian American! May he rest with Yhvh. Times are changing and we are entering a time of revolution! Just watch the news!! P.A. - California.

WINE: "Dear Mr. Hoskins: I disagree with your idea of no wine in churches. Our church has always served wine at communion, and it certainly hasn't hurt me." J.H. - Kentucky

RKH: Once I worked with a fellow who was an alcoholic. He accepted the Lord and went on the wagon. He was sober for a year and wanted to go back to his church. I saw nothing wrong with that. His Church had communion the Sunday he attended and served wine. With that one little taste of wine he was back being a drunkard.

As an ex-alcoholic myself, I have absolutely no sympathy or tolerance for alcohol. It has played the mischief in my family and so many others I've known through the years. For every one who claims to be a "social-drinker" I've known ten whom it has devastated. In my 20s I bragged that I was a "social drinker". By the time I was 35 I was in over my head. It is only by the grace of God that I'm alive today.

Robert E. Lee said this: "Whiskey, I like it, I always did, and this is the reason I never use it." The following are a few notes in the back of my Bible: "*And the Lord spake ... Do not drink wine or strong drink ... when ye go into the tabernacle ... it shall be a statute for ever throughout your generations.*" Lev 10:9; "*And the Lord spake ... Do not drink wine or strong drink ... when ye go into the tabernacle ... it shall be a statute for ever throughout your generations.*" 1 Tim 3:3; "*Woe unto him that giveth his neighbor drink.*" Habakkuk 2:15; "*Woe to them that are mighty to drink wine.*" Isaiah 5:22; "*Give strong drink unto him that is ready to perish.*" Prov 31:4-6; "O'

*Lemuel, it is not for kings to drink wine, nor princes strong drink: lest they drink and forget the law, and pervert the judgment of any of the afflicted. Pr 31:4-5; "Ye have not ... drunk wine or strong drink: that ye might know that I am the Lord." Deu 29:6; "Be not drunk with wine, wherein lies excess." Eph 5:18; "I drank not wine to be led astray thereby." Testament of Issachar 2:7;*

## LETTER FROM SOUTH AFRICA

---

The Sunday newspapers in Afrikaans and English had entire pages about a certain Afrikaans organization that is full of spies. The handler stays in Ireland since last year, but has locals who work for him. Their job is to ferret people out who might harm the regime.

This organization poses as conservative but has as its leaders some of those who helped to put a communist government into power in S. Africa. How high is the price we have to pay when a white person dies every 12 hours and many live in the greatest poverty because a black rules over the white man? A crust of bread is all that many of our people have to survive on.

If things were bad when Jan Smuts, a servant to the money power, ruled - things are ten times worse today. The very rich blacks rule with the money they get through fraud. They are forever holding meetings served with lots of expensive liquor and food, live in expensive houses in rich suburbs with lots of guards and servants. They travel overseas trying to look important at world meetings of any kind. They swim in the nation's treasury but pay no taxes themselves.

One of the reason your readers are a blessing to the Loeries is that at one time their families did not even have a slice of

bread. Your help came at just the right time. They are now happy children doing well at school. Two are in their final year and have such good marks that Potchefstroom University already has accepted them for next year's classes. An elderly man promised to pay their class and accommodation fees.

Agent Orange has appeared again on Hans' hands and they are in a terrible state, swollen and since the first time no skin on the palm of the hands. They itch and burn. One feels helpless as no-one knows what to do. A friend found a young chemist/homeopath in Pretoria and his treatment seems to help.

After the competition of the soccer matches many blacks want to strike for more money, not more work, be it nurses, teachers, or electrical workers. Their soccer made the white taxpayer bankrupt. Whites do not play soccer.

The government borrows from Goldman Sachs and will end up like Greece without a cent, while China rakes it in.

I sat last night and read an article on the Balmoral concentration camp here in South Africa where it gets very cold. 400 victims who averaged 6-years old died there and I cried.

We would like to congratulate your daughter on her engagement. May their lives be happy and we wish the rest of the family everything of the best.

The Zimbabwean involved in the assassination of Eugene Terre Blanche appeared in court on the 13th July. He got bail and was released. The case will continue in November but - no prison for him. Eugene's family and friends are shocked. Nothing keeps him from slipping over the border. Poor Clive Derby-Lewis has been in prison since the blacks took over though he killed no-one. Two sets of laws - one for whites and one for blacks. His parole hearing came and went but they will not let him go

This Mamela is in the forefront and said just after the soccer they will start a full-scale attack on Afrikaners, and so far the attacks have increased. An Afrikaner is killed every 12 hours.

People still don't realize that we are in a war. Zuma tried to keep information out of the media so as not to upset the sport. Strike after strike takes place and if the blacks are not satisfied with the results they burn whatever they can get at - be it buses, trains or a library - not that they use a library. After all, they don't need to study, they are just given a certificate. They burned a school because the road to the school was not tarred.

It is sickening to see how they shoot rhinoceroses. They kill them and cut their horns off, export them to the far East where they are made into witchcraft potions. They use Soya Sauce in everything. Money is no object and blacks are armed and game rangers are easy to buy.

About 150 cows and calves were killed just because they were owned by whites and their suffering still makes me sick. Hardened farmers also felt sick. They had hand-reared these animals. "Petty theft" said the black police. Best Wishes K.J.

This at the lower end of such estimates, which range from 2.1 million to 6.0 million If we take only the expellees into account, Konrad Adnauer, very much a friend of the West, found himself able to say that among those expelled "six million Germans ... are dead, gone." *Emerging Truth, by Dwight D. # Chapter 432

## WHITE EVE And BLACK KALI

### Snakes

**D**ad was discharged from the army after WWI and bought a medical practice in Hazard, Kentucky.

Some of his patients lived only four miles away, but they lived on the other side of the mountain. That presented a problem. The mountains around Hazard are not only tall, they are great long mountains. By road, sometimes you would have to drive 50 miles to reach a mountain pass and 50 miles back on the other side of the mountain to reach a patient who lived only 4 miles away. A 200 miles round trip. It was easier

and quicker to saddle a horse and ride the 4 miles over the mountain than drive.

Dad had made the trip over the mountain many times and had seen only an occasional snake. One day he rode over the mountain and while visiting a patient there came a cloudburst - a real gully-washer lasting several hours. At last the rain stopped and Dad started back over the mountain. When he was halfway back he noticed snakes. Only a few at first, but then hundreds and then thousands. They were everywhere. He was afraid that they would strike his horse. Fortunately, they didn't. But that made a lasting impression on him. Those snakes had been there all the time, it just took a cloudburst to bring them into the open.

Nothing's changed. Today's cloudburst is forcing them into the open.

### Saved

I was saved 28 April 1965, 4:00 o'clock in the afternoon, sitting in the green rocking chair on the front porch of my house. Not knowing what to do, I started reading my Bible and going to various churches. At last I settled on Thomas Road Baptist Church where I went for 18 years. They taught me to tithe, go to church on Sunday, and how to be a "goody two-shoes".

I'm a slow learner. After 18 years I found that my Bible reading and my church teachings didn't agree. Thomas Road taught that God's Law was done away. The Bible I was reading said "*If you love me obey my commandments.*" To learn right from wrong at Thomas Road one had to ask the preacher.

The Bible was put together by the Roman church and there were a number of books mentioned in the Bible that weren't included in the Bible. I began searching them out and reading them. None disagreed with the Bible - they just expanded on the stories that were in the Bible. Things began to come together.

### **Adam & Eve**

God created Adam in his own image. Seeing that Adam needed someone to help him, He created Eve. *"Male and female created he them, and blessed them, and called their name adam."* Gen 5:2 "By giving them both one name, he noteth the inseparable connection of man and wife." (Geneva Bible margin note)

And God said to Eve, thy desire shall be to thy husband and he shall rule over thee.

### **The Serpent**

The serpent came to Eve and showed her the trees of the Garden of Eden which produced fruit that was good to eat. Then he showed her one certain tree - the "tree of the knowledge of good and evil" - whose fruit God had forbidden them to eat and the serpent persuaded her to eat anyway. She did and gave the fruit to Adam and he too ate.

God discovered this disobedience and banished them from the garden and He also banished the serpent and pronounced eternal enmity between man and the serpent.

### **Women**

All this gave rise to Scripture which has come down to the present.

*"O Woman, nobler to resist than men, and braver than warriors to endure." 4 Maccabees 7:22 (Adam & Eve)*

*"As for my people .... women rule over them." Isaiah 3:12; "I suffer not a woman to teach nor to usurp authority over the man." 1 Tim 2:12*

*"Women are overcome by the spirit of fornication more than men." Testament Of Reuben 2:15*

A great deal has been written about these comments. In spite of their warning, women today have been made rulers, judges, teachers of men, serve on juries; are soldiers, police and CEOs of corporations who rule and hire and fire men. During this recent recession the female rate of unemployment has been much lower than that of men. There is a reason women are being placed over men. The serpent prefers dealing with women.

### **Beasts & Woman**

After God expelled Adam and Eve from the Garden, a series of events dealing with beasts took place;

*"Adam and Eve returned from the mountain ... and went down ... to the place where their corn was, but when there a multitude of beasts came all round them. It was Satan's doing ... in order to wage war against Adam through marriage." I Adam & Eve 69:9-11*

This is the first mention of "beasts" breeding with man that I've run across. On the other hand, everyone is familiar with the LAW dealing with man having sexual relations with beasts:

*"If a man (#120 - blush red) lie with a beast, he shall surely be put to death: and ye shall slay the beast. And*

*if a woman ... lie down thereto, thou shalt kill the woman and the beast." Lev 20:15-16<sup>30</sup>*

### Again The Serpent

The serpent, the symbol of deception, was responsible for man being driven from the Garden of Eden. Having deceived Eve once, the serpent again went after her again;

*"When the accursed serpent saw Adam and Eve it ... made straight for Eve, and ran after her ... "*

This was logical seeing that Eve was the weaker of the two; but then we read the rest of the Scripture;

*"They came to .. a very high mountain, ... the Devil drew near to Adam and Eve, and made them go up to the top ... wishing, as he did, to throw them down and kill them, and to wipe off their name from the earth; so that this earth should remain to him and his hosts alone." I A&E 28:10*

Fearing that the serpent of deception would destroy his creation, God separated man from the serpent in the following manner;

*"Then the Word of God came to the serpent, and ... a wind came to blow from heaven by command of God that carried away the serpent from Adam and Eve, and threw it on the sea shore, and it landed in India." I A&E 18:1- 9 (Lost Books)*

---

<sup>30</sup> "Beast" wears clothing in Jonah 3:8, "Beast", "cries mightily unto God". Johah 3:8, "Beast" has hands. Exodus 19:13, "Beast" capable of mixing with man. Jer. 31:27, "Beast" keeps the vineyard. Song of Solomon, Chap 1., Jesus called the Syro-Phonocan woman a "dog". Dogs, swine, beasts, descriptive words for the lawless hued-man.

## India

The mention of India hit me like a bombshell. I had never read scripture connecting the serpent with India before. This verse is the reason many have come to believe that India is the original home of the anti-christ.

## India's Gods

India has three principal gods. "Brahma" the creator. "Vishnu", the god of everyday affairs pictured as resting on a giant snake, and "Siva", the god of sex and death pictured

**KALI - GODDESS OF DEATH**

dancing with a serpent in his hand. The serpent is the symbol of India. His female side is Kali.

The evil angel was first called a "serpent", next "Satan", later - the "Devil", and still later - "hater of all good." All refer to the original fallen angel - or serpent.

### **Serpent Teaches Hand Shake**

Something interesting, when I was a boy I noticed that my grandfather would not shake hands with people to whom he was introduced or with those with whom he was making a business deal. There were others in Culpeper County who would not shake hands either. Many years later I learned the reason:

*"Adam ... said ... 'speak the word of God' ... And Satan said unto him 'Swear, and promise me that thou wilt receive it.' Then Adam said, 'I know not how to swear and promise.' And Satan said to him, 'Hold out thy hand, and put it inside my hand.' Then Adam held out his hand and put it into Satan's hand; 'Say, now - I will not break my promise, nor renounce my word.' And Adam swore thus." I A&E 70:11-16*

### **Noah Takes All Into Ark**

Most anti-Christ integrationists wish to destroy Adam through intermarriage with the earth's beasts. They claim that all races are descended from Noah and are therefore of one blood, and are equally "man". Jasher puts an end to this nonsense when he said that Noah took both man and beast into the ark - which is how both man and beast survived the flood - not because the beasts are descended from Noah - but because both were in the ark.

*"Noah brought into the ark from all living creatures that were upon earth, so that there was none left but which Noah brought into the ark." Jasher 6:8*

Thus, the WORD stands:

*"If a man (Heb: adam - "man" - blush red) lie with a beast, he shall surely be put to death: and ye shall slay the beast. And if a woman ... lie down thereto, thou shalt kill the woman and the beast." Leviticus 20:15-16*

### **Hindu Organization**

Discovering that the serpent landed on the shores of India opened new doors of study. I soon discovered the writings of British civil servants who had lived in India. As British civil servants their job was to rule India in an orderly manner. They were precise in noting things that seemed to contribute to India's perpetual disorder.

India is mid-way between east and west - the natural location of a merchant society serving both. Indian merchants would take their caravans to foreign nations and return with gold and silver. Religious temple complexes were built in India to hold and invest the mass of wealth.

A mongol army once invaded India and captured one of these temple complexes. It took the entire transport of that army weeks and weeks to remove its wealth - and this was just one temple complex of thousands.

### **Religion**

With its wealth, India's religious leaders were the most powerful force in the land. They selected India's political leaders. Their Hindu religion was designed to rule the minds of the Indian people as well as those of their customers. This

was done by making different religions seem as one. It was taught that different religions are merely different manifestations of the world-God called *The Force*, or *Brahma*. One can be an Islamic-Hindu, a Confucian-Hindu, or a Christian-Hindu and never once mention a Hindu God or even hear of them. All that is required is that the customer's religion accept "Dharma".

*"One shall not condemn another religion or race by word or deed." King Asoka. 304 B.C.-232 B.C.*

This acceptance is done through the teachings of Indian *Dharmamatras*. A Dharmamatra is a Hindu or Buddhist missionary order created by King Asoka circa 275 B.C. to spread Dharma. They select and finance kings, priests, and great merchants in puppet states and are their advisors. They operate the Cartel's civil service. A Dharmamatra spends years learning the language, religion and customs of the land to which he will be posted. Backed by unlimited amounts of money accumulated by India's merchants, he is able to influence the rulers of puppet states and their religious leaders to make them pliable to the wishes of Indian rulers.

"In Hinduism alone one can see the strange co-existence of an atheist, an agnostic and a theist." *Am I A Hindu*, p.30, Ed Viswayathan, Halo Books, San Francisco 1997

## Hindu Order

There is something particularly interesting about India's gods. India has 300,000,000 gods. Every village has its own distinct god. Most are goddesses and they are black:

*"God ordered Satan to show himself to Adam plainly ... And look, O Adam, at him who said of himself that he*

*is God! Can God be black? Would God take the form of a woman? II A&E 4:1- 4*

This is odd considering that in general Indian women are among the most abused people in the world. The blacker they are the more abused they are.

There are other things about Hinduism that Westerners consider odd:

"Alone among the major world religions, Buddhism does not condemn homosexuality or premarital sex. The emphasis on Buddhism is on achieving a state of enlightenment, but the religion provides only guidelines, not strict commandments, as to how individuals should strive for this. Rape and adultery are considered misconduct, but an individual is free to engage in consenting sexual acts that do not violate marital monastic commitments." (Church Policies on Gay Concerns, pp 234-239.)

Within this seeming laissez faire religion where "anything goes" there are certain strongly- held beliefs. One is the absolute necessity of the belief in racial integration. At times, this belief is expressed in strong language:

"We need to forcefully engage in... an action that is intolerant of intolerance... It is an action that sets company, church, synagogue, mosque and organizational policy to remove from employment or membership any who practice racial, religious or other prejudice. Giving bias, bigotry and racism no quarter and treating discrimination and prejudice the way we treat harassment will send a message to all..." Jeffery B. Spence, E. Dir., Nat Conf Christ & Jews. *News & Advance*, p. F5, Dec 10 1995. Article says that he lives in Richmond.

Hinduism not only does not condemn sodomy and free sex, there is an obsession with sex. The Hindu god universally worshiped is Siva. Siva wears a male earring and a female earring. He has a male side and a female side. As a male god he is a sex-god. His temples have both the male and female genitalia merged together in statue form at the entrance.

The female incarnation of Siva is Kali. Kali is the black goddess of death mentioned earlier. She dances on the body of a white devil (all whites are devils) holding a severed head in one hand, a bloody sword in another, a necklace of severed heads about her neck, a belt of severed hands about her waist, and the ubiquitous Hindu serpent about her neck. Most Indians worship Siva in her female form - Black Kali - which seems odd considering Indian treatment of women.

### **Kaliyuga**

Things come together when one learns that Hindus believe that the world passes through cycles lasting about 20,000 years called "Yugas". The one that we are in today is the Kaliyuga. It is the age of black Kali - an age of evil, stealing, murder, wars, deception and starvation. It will come to an end when life is extinguished on earth at which time a new age will be born - an age of peace, goodness and plenty.

The thing preventing the apocalypse in which all life is extinguished is the devil on which Kali stands - the white devil.

### **The Problem**

Western civilization is being destroyed. It isn't as if this is the first time we have had this trouble. As always, the blame

is misdirected. Kali's followers point us in a false direction while The WORD tells us WHO is really responsible.

There are several formulas we can use:

\* *"The love of money is the root of all evil." I Ti 6:10;*

\* "Money answereth all things." Ec 10:19

Also, the WORD says:

*"By their acts ye shall know them." Matt 7:16*

### Let's Review

\* Adam and Eve are called "man" because they are to be inseparable and act as one. Man is not to be ruled by Eve.

But today, woman is placed over man to rule countries, states, cities, and corporations and act as judges. A woman's help makes man accomplish 4 times more than he can alone. A woman ruling alone is often opinionated, rigid and destructive. Examples are given of the serpent going after Eve in order to destroy man. (The Serpent wishes to destroy man so that the earth will be his alone. \* God threw the Serpent from the Garden and it landed on the shores of India.)

### The War

Hindu priests control the minds of the world by the use of Dharma. *"One shall not condemn another religion or race by word or deed."* One may be a Hindu and be an atheist, agnostic, or theist. He may keep the rituals of his own local religion and still be a Hindu by "being nice" and not condemning other religions or races.

To teach Dharma to the world, the Hindus created a missionary priesthood called Dharmamatras. With unlimited

money derived from their international usury, the Dharmamātras are able to set up kings, establish seminaries, influence religions, hire armies, buy businesses, endow charitable orders, and buy the media of the world. Their governments are ordered in the following manner:

*"(Pharaoh) placed officers over them from amongst the children of Israel (collaborators), and over these officers he placed taskmasters from amongst his servants." Jasher 77:10*

### Media & Pulpit

The LAW forbids monopolies. Newspapers, magazines, radio, and TV are practically all owned by corporations. These are monopolies or monopolies in the making. Who owns the corporations? No one knows. There are many billionaires who manage corporations for others - usually banks - who in turn are owned by other unknown entities. Politicians are elected with the support of donations from the wealthy and media support. Politicians represent those who put them in office.

Hollywood promotes sex and violent death. Living together without marriage is an accepted lifestyle. Miscegenation is pictured in almost every advertisement displaying Eve in the arms of a beast. Music is jungle rap. Judges

**Hari-Hara**

Mixed breed god of integration.

and juries are black - and increasingly female.

Which of the world's religions condones this?

### Siva's Sign

The triangle pointing down represents the female while the triangle pointing up represents the male. Overlapping they represent the sexual act. Displayed by Hindu merchants worldwide.

Notice how today's preachers avoid reading God's Commandments? Why? They don't wish to offend the *God of the land* who resides in Washington. They saw that the "Indianapolis Baptist Temple" was seized and sold

when they refused to collect taxes

for the "*God of the land*". They saw *Bob Jones University* lose its tax exemption because it refused to allow interracial dating. They see the *God of the land* forbid churches to endorse political candidates. They see that *God of the land* denies rebels access to media riches.

"*The Love of money is the root of all evil*" tilts the scale. Given the choice to obey the WORD that is the Lord God of Abraham, Isaac and Jacob, or - obey the "*God of the land*" - they choose the latter. Temples that once taught the WORD are now dry deserts. Standing next to the pulpit hangs the emblem of the *God of the land* while the preacher teaches parables which, without God's Commandments, signify nothing.

*"In vain do they worship me, teaching for doctrines the commandments of men." Matthew 15:8-9*

## The God Of The World

There is still another evil God who is greater than even the "God of the land". He is the *God of the world* who is spoken of in Revelations.

*"The god of this world hath blinded the minds of them which believe not (the WORD)." 2 Co 4:4*

In my opinion this is the one that the WORD calls the "Devil" - the one who took Jesus to the top of the temple and offered him the kingdoms of the world because both temples and kingdoms are his to offer.

*"The God of This World"* says that he rules all *Gods of the land*. The one who makes this claim is the one who manifests himself as Brahma-Siva-Kali - God of integration, sodomy, sex, and death. When this God speaks of tolerance, it is noteworthy that only the Edicts of Asoka are allowed while every commandment of God-the-WORD, the God of Adam-man is suppressed. Black is worshiped as a holy color. Black Kali is raised on a pedestal and worshiped by her followers. Integration is proof of their support for Kaliyuga.

**Hinduism's  
Universal Symbol**

It is important that Saxons realize what their alien leaders and their integrationist hirelings have planned for them.

## Haiti - 1793

Haiti was settled by whites who brought in blacks to work their plantations. Incited by white integrationist renegades the blacks revolted and massacred the whites on the Island. Many

refugees came to Virginia telling stories of horror. This triggered the growth of The African Colonization Society to rid the country of blacks by sending them back to Africa.

### Difagane

In South Africa, the Voortrekkers, fleeing harsh British rule, found their way into the Free State and Transvaal along about 1836. They found the country desolate and empty.

This was the period after the Difagane. The Zulus began attacking neighboring tribes. Fleeing from the Zulus, these tribes in turn again attacked their neighbors and drove them into more distant neighbors. The slaughter continued until 28 distinct tribes had annihilated each other. In the Free State and Transvaal the Voortrekkers only found burned out kraal (villages) and white skeletons scattered about.

These were the territories into which the Voortrekkers moved. The towns in Northern Transvaal carry the names of the Voortrekkers. They were the ones who laid out these towns and established civilization. Not one town in Northern Transvaal was established by blacks or by black tribes.

Gold was discovered. White farmers wouldn't work in the mines so Jewish mine owners brought workers from Europe and imported hundreds of thousands of blacks from the interior. To keep wages low the mine owners continued bringing black workers as standby help.

When the mines worked out the Jewish owners moved elsewhere and left the blacks to fend for themselves.<sup>31</sup>

31 "Nearly all Jewish communities show a substantial proportion of African Negroid marker genes, such as to imply a total Negroid admixture of the order of 5 to 10%." A. E. Mourant, "The Genetics of The Jews" 1978 Clarendon Press, Oxford

## **Decolonization**

Europe has been ruled by the International Trade Cartel from the time kings were appointed to rule European trade areas. As time went on, these rulers required whites to settle in Africa to cheaply remove raw materials. Following WWII, they were then instructed to leave Africa because the cheap African raw materials almost guaranteed that Europe would become the world's foremost power - a condition not desired by the ITC.

With the whites gone, the blacks again commenced their fratricidal wars, killing millions upon millions of their own kind - wars that continue to this day.

## **Report From Haiti**

"A weary French medical doctor, who had been practicing in Haiti for four years, said 'The poverty here has not been caused by the earthquake. It is traditional. There is no future for Haiti.'" No comment needed. Good luck to France, Germany, Spain, the US and Canada!" *Impact*, p.15, August/September 2010

## **Media Propaganda**

The objective of the Kaliyuga is to remove life from earth so that a new and better age can be born. The cartel rulers have used their media to place blacks in positions of authority in business, politics and religion, in spite of the Christian law which says;

*"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15;  
"Their nobles shall be of themselves, and their governor shall precede from the midst of them." Jer 30:21*

To further degrade the WORD, the ITC is changing the sex of their media judges, police, and politicians to alien females - thereby bringing the WORD into further degradation.

### **Tea Party**

Today there is an instinctive revulsion among mankind - an instinctive will to live. The politicians, newsmedia, and priests who do not speak and teach God's Commandments are the enemy and will be first the people will blame.

If they are not blamed, if the false actors Kali has selected continue to lead, then black-Kali will continue her Kaliyuga with its suffering and chaos until man returns to God the WORD for protection and salvation - because it is written that he will return.

### **BRUCE CARROLL PIERCE - Bruder Schweigen - P.O.W.**

---

Dear Brother Hoskins: Bruce Pierce of The Order died after a very short struggle with cancer. I am honored to have known him. We stood with our Bruders against the tyranny of corruption and enslavement of our Race. We fell as God's men who stood up and did what millions of others have only whispered and prayed about. For over a quarter of a century we have watched from the living grave of Amerika's prisons as things have only gotten worse. As a Primitive Christian, Bruce would say as I do that God's Will is done. That while our racial nation may be under punishment for whoring herself out to the mongrelized spirit of every social perver-

sion, God will spare a remnant of His Race that will thrive. Nothing is over with us.

I do not mourn Bruce's passing, I mourned his imprisonment. He is now free and has joined our friends who have gone on before. David C. Tate - The Order

### LETTER FROM SOUTH AFRICA

---

Dear Mr. Hoskins; Blacks are getting more militant by the day and with the courts and police on their side there is not much hope for law and order. They disrupt classes and white teachers are at their wit's end. At the end of the year the blacks are given a report that says that they passed, then, they sit in the university doing the same thing. But you cannot fail them.

An old age home for whites burned to the ground and the elderly, who were hardly able to help themselves, were burned to death. The fire spread in such a way it is believed that it was arson. Same with a house housing a mother, her children and two dogs. The heat was so intense that those who came to help could not get near.

In another case, a youngster of 17 heard his father struggling with burglars while the youngster was working on the computer. The only weapon he had was a steak knife and he took it and rushed in and stabbed one of the four so hard that the knife broke in the black's head. Even though they were armed they fled to a waiting car. The youngster phoned the security firm and a friend came immediately. Between them they saved their father. It is high time people fight back. Never mind what false preachers say about "love your neighbor".

Many animals behave better and are thankful for what they have.

Indians have taken over my daughter's company and one of them made her work until two in the morning and it was not even her department. The dark low-caste Indians really think they are something. The blacks and the rest love to tell us we had it good in the past but things are going to be different now.

My grandparents came through the Anglo-Boer war. They lived in the open veld. There was nowhere to hide and they had to scrape together two rations since grandpa was with the commandos until the end of the war and she had to find food for him as well as herself.

Grandma was imprisoned in a British concentration camp which was in the open veld. Grandma's sister was, too. She lost 4 children. Her father was on horseback and she and two children were on a wagon when the enemy shot at the wagon and captured them. When the war was over everything had been burned. All they had left was a few bent iron sheets which they made into a shelter. Four families stayed together. As they did not surrender their rifles they were able to get deer meat now and then.

You remember the Jewish Rand Lords. Well, they mined the entire Rand underground until it is one great underground hole. As soon as a certain sector was no longer profitable, they just abandoned it. In time the wooden poles which supported the roof rotted and water filled the mine and mixed with the cyanide which now has come to ground level and pollutes all drinking water, streams and dams, like Vaal dam. Not many years from now buildings on the surface will start collapsing. It is a huge area. East, South, West and Central Johannesburg.

Mine engineers have warned the government, that they are supposed to supervise matters, but it looks as if they don't intend doing anything.

After the Anglo Boer unemployed whites went to work for the mines - many died from mine typhus. Johannesburg was never an Afrikaans-friendly city. Most of the Jews moved there in later years and owned large properties, shops and factories. Blacks called it "the city of gold". 'Til next time, K.J.

# Chapter 433

## Your Enemy

**A**lexander, son of Philip of Macedonia, conquered Darius, king of the Persians and Medes. He gathered a mighty army and conquered and ruled over countries, nations and kings. After 12 years, he fell sick and died, but first he divided his empire amongst his generals who put on crowns and purple robes and each ruled his appointed land with his own decrees being the law of the land.

King Antiochus ruled the subject people of Israel harshly and taxed the people of Jerusalem so harshly that the city became an habitation of strangers, and became strange to those who were born in her; and her own children left her. And her dishonor increased.

In those days went there out of Israel wicked men who persuaded many, saying: Let us go and make a covenant with the heathen. Then certain of the people went to the king, who

gave them license to do after the ordinances of the heathen. Moreover, king Antiochus wrote to his whole kingdom that all should be one people, and every one should leave his laws and follow the laws that he should give them; so all the heathen agreed according to the commandment of the king, and whosoever would not do according to the command of the king, he should die.

Then many of the people were gathered unto him, to wit, every one that forsook the law; and so they committed evils in the land. And whosoever was found with any book of the testament or if any consented to the law, the commandment was that they should be put to death.

Howbeit many in Israel were fully resolved to die that they might not profane the holy covenant.

### Israel's Enemy

The enemy in this case is easy to see: it was the alien government that substituted the law of the king for the WORD. Next, there were those who accepted the alien law and joined with the strangers to become "one people". These were the *integrationists* and "*mongrelizers*" who were enemies of both the WORD and their nation.

### Moses & The Levites

There are other enemies. Moses recorded the Law. The Levites were chosen to perform rituals, teach, and help enforce the WORD. Moses did not trust them and before he died it is recorded;

*"Moses commanded the Levites, which have the ark of the Covenant of the Lord, saying, Take this book of the Law, and put it in the side of the ark of the Covenant*

*of the Lord your God, that it may be there for a witness against thee." Deut 31: 25-26*

Today we search the book of the Law and find that Moses' prediction has come to pass - most Levites tell Bible stories, but do not recognize, teach or obey God's Law which makes them enemies of the Word. Today, hundreds if not thousands of them are accused of sodomizing countless children - and the Law punishing sodomy remains hidden.

### **Priests**

The teachings of priests go directly to the control of people's minds. People are taught that obedience or disobedience to priestly teachings determine whether one will or will not enter eternal life. If one controls what a religion teaches he also can control the believer's thoughts.

In the days of the Maccabees, a conquering army appointed an agreeable Hebrew priest to be *high-priest*. Since the people believed that the only Law was the never changing WORD, the appointed high priest was able to speak the wishes of the nation's conqueror as if they were the word of God. To disagree was dangerous, his pronouncements were backed by the army of the invaders. The law then became whatever the high priest said it was.

The high priest was expected to obey the invaders and the people were expected to obey him. Disobedience was interpreted as sedition by the foreign invaders of Judea. It was a way of changing God's Law into a different alien law-of-the-land. The people became afraid to speak the WORD aloud - like today.

### Another Priest

In the 50s, I was an organizer for Virginia's *Defenders Of State Sovereignty*. We were trying to save our schools from government control. It was a time when the federal government was taking over control of public schools from the states. In Little Rock, the 101st Airborne bayoneted protesting parents.

We had more than 10,000 dues paying- members and everybody who was anybody belonged. We needed a state chaplain.

In college I was taught to be an atheist. I didn't know about God's Law. The directors of the Defenders selected an Episcopal bishop to be state chaplain. He was a regular guy; congenial, and could bend an elbow with the best of them.

I remember asking him a question. "Is there anything in the Bible against racial intermarriage?" He grew thoughtful and gravely replied; "No, not a single thing."

Ten years later I got saved and started reading my Bible and taking notes. In a short time my notebook containing prohibitions against mongrelization had grown so large it was unwieldy. The bishop was either ignorant or had lied to control my mind.

*"Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "Thou ... shall go ... to my kindred, and take a wife." Gen 24:3,4; "They have dealt treacherously against the Lord: for they have begotten strange (Heb zûwr - racial adultery) children; Hosea 5:7; "When they had heard the law ... they separated from Israel all the mixed (mongrel) multitude." Neh 13:3; "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord." De 23:2*

I learned that there are different kinds of priests calling themselves "Christian". One kind teaches the Laws, statutes and Judgments of the WORD; most of the other kind use their position to teach people to "be-nice", but omit God's Law and substitute the King's "law-of-the-land" in its place. Since the merchant, the politicians, and the rich pay the big salaries, these law-of-the-land preachers work hard to serve their paymaster.

## Hell

A good way to discover the identity of our enemies is to see who it is who is being denied entry into the kingdom of God.

*"How hard is it for them that trust in riches to enter into the kingdom of God! It is easier for a camel to go through the eye of a needle than for a rich man to enter into the kingdom of God." Mark 10:24-25*

When you thread a needle to mend your sox, the eye of the needle is the place you run the thread through. Now, picture a camel going through that same tiny hole. It is easier for a camel to go through that hole than for a rich man to enter the *Kingdom of God*. While you are at it - count the number of rich men in government and you will understand why we are having the problems we are having.

In addition to rich men, scripture adds kings and powerful ones:

*"I beheld the angels of punishment ... preparing for the kings and the powerful ones of the earth." Enoch I 52:3,5*

Hell itself was also described:

*"And I was led up on the Northern Side, and saw there a very terrible place, and there were all manner of tortures in that place: cruel darkness and un-illuminated gloom, ... murky fire .. and there is a fiery river ... and that whole place is everywhere fire ... and everywhere there is frost and ice, thirst and shivering ... and the angels fearful and merciless ...*

*"This place, O Enoch, is prepared for those who dishonor God, who on earth practice sin against nature, which is child-corruption after the sodomic fashion, magic-making, enchantments and devilish witchcrafts, and who boast of their wicked deeds, stealing, lies, calumnies, envy, rancor, fornication, murder, and who, accursed, steal the souls of men, who seeing the poor take away their goods and themselves wax rich, injuring them for other men's goods; who being able to satisfy the empty, made the hungry to die; being able to clothe, stripped the naked; and who knew not their creator ... for all these is prepared this place amongst these, for eternal inheritance." Enoch 10:1-3*

## **The Serpent**

The WORD from the beginning speaks of the serpent - meaning *deception*. Practitioners of deception include kings, the rich and powerful, and actors who serve them to keep people enslaved. The actor can scarce play his part without violating the Law - which teaches his audience to do the same.

## **Actors**

Rulers have long pondered how to keep their subjects from studying and obeying the Law. Lawful subjects are a danger for a lawless ruler. In ancient days the king sent storytellers

from castle to castle and court to court. People came from miles around to hear tales about their heroic king.

***"There shall not be found among you anyone ... who casts a spell." Deut 18:10-11***

An actor can do all things - he is above condemnation. People have been taught to worship them as gods; their income is fantastic; their homes mansions; their faces are forever before the public. The actor has the ability to become whomever he chooses to be. He is given honors, wealth and acclaim. He can make people believe that he is a genuine statesman and can even make people believe that he is material fit to be president, Actors are sex symbols, philanthropists or space travelers. They have the attributes of gods with the ability to be reincarnated when dead.

Today's actors are teachers of sex and violence - the two attributes of Siva, the sex god, and Kali - the goddess of death.

### **Profession of Deception**

The two professions most despised by the Romans were *actors* and *gladiators*. We know that today's actors are mostly whores and whoremongers while today's "wrestling gladiators" are mostly actors. Both are professions of deception.

In Virginia in the 18th century, an acting group attempted to land and ply their trade and were forbidden to do so. Their efforts were certain to corrupt the lawful minds of the people with make-believe replacing fact.

### **Magicians**

When governments are tyrants the identity of the nation's true heroes is suppressed to prevent them leading revolts

against the establishment. In their place are make-believe heroes - actors.

*"He that saith, I know him, and keepeth not his commandments, is a liar;" I John 2:4; "A thief is better than a man accustomed to lie." Ecclesiasticus 20:25; "Liars shall have their part in the lake that burneth with fire." Rev 21:8*

It is normal for those who infest the stage to be the scum of the earth, the sweepings of the charnel floor, the damned of all mankind, the shunned by all who are decent and honorable. That such beings exist is a blight on mankind. *"As a man thinketh ... so is he." Pr 23:7*

## Lawyers

The "law-of-the-land" changes constantly. There are so many changes a class of professionals called "lawyers" are required to untangle the morass of conflicting ruler-edicts to keep the land from falling into utter chaos.

In effect, the ruler is the lawmaker; the ruler appoints judges to declare that his edicts are lawful. The judges instruct lawyers what the ruler wants the law to be, and the lawyers guide the general population as to the meaning of the ruler's latest law-of-the-land. They act as the ruler's priests and are called "officers of the court".

Those remaining obedient to the ancient Laws and statutes of the WORD are looked upon by lawless rulers as potential revolutionaries to his regime. It is for this reason the *Ten Commandments* have been removed from courthouses and *prayers* in classrooms and public functions are banned. For a lawyer to be a vocal associate of people of "the WORD" often determines his professional future.

I've spent years attending religious camps where hundreds came to be instructed in the Law and the WORD. In all that time I never met a judge - and only one lawyer. Judges and lawyers represent the law-of-the-land - a different god from God the WORD. It is difficult for a man to serve two masters.

### Media

When I was seven years old my Dad went back to medical school to specialize in surgery. My mother and the rest of the children went back to her father's farm in Culpeper.

Culpeper had two newspapers; the "*Star*" and the "*Exponent*". The Star was bought by someone from out of town and began receiving advertising from big name companies. In time, he bought the Exponent. Now Culpeper has one paper - the *Star-Exponent*. The combined newspapers are now part of a newspaper chain and reads like your own local newspaper - which is probably owned by the same or another newspaper chain - all of which are probably owned by a banking chain. ***"Woe to them that call evil good, and good evil." Isaiah 5:20***

Since then the Cartel media has expanded to include the big city newspapers and most county newspapers. It also includes book publishers, TV, Radio, and Hollywood. The Cartel media speaks the same in New York, San Francisco, London, Berlin, Moscow, Beijing, and Singapore. In the world today, there is one world view - that of the International Trade Cartel.

Little publishers, such as this one. are tolerated, and are even considered necessary, since they act as safety valves. They help let off pressure that might otherwise become explosive in time.

## Reporters

I really dislike condemning an entire profession because it is certain that somewhere out there there is an honest, truthful, cartel reporter but other than the ones I knew many years ago before their papers were taken over by the Cartel, I haven't found one I trust - and I have had to deal with many reporters.

As regards the TV, Peter Jennings damned it when he said that his job was not to report the news but to "form opinions". Mr. Jennings followed the rule maker who signed his paychecks. Aleksandr Solzhenitsyn had this to say:

"Such as it is, the press has become the greatest power within the Western World, more powerful than the legislature, the executive and judiciary. One would like to ask; by whom has it been elected and to whom is it responsible?"

***"He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the Lord." Prov. 17:15; "Woe to them ... that justify the wicked for reward." Isaiah 5:22-23***

The media speaks with one voice. This indicates single ownership or control.

***"Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." Prov. 18:21***

***"If a false witness rise up against any man to testify against him that which is wrong ... Then shall ye do unto him, as he had thought to have done unto his brother. Deut 19:16-21***

## Twisting Scripture

The WORD says

*"And ye, my flock, the flock of my pasture, are Adam-man, and I am your God, saith the Lord God." Ez 34:31; "The LORD thy God hath chosen thee to be a special people unto Himself, above all the people that are upon the face of the earth." Deut 7:6<sup>32</sup>*

As regards to strangers dwelling in the land, the WORD says;

*"They shall not dwell in thy land, lest they make thee sin against me." Ex 23:33; "I will deliver the inhabitants of the land into your hand; and thou shall drive them out before thee." Ex 23:31.<sup>33</sup>*

Cartel propagandists loudly proclaim that the *War Between The States* was fought over slavery.

The WORD says that man is never to be made a slave.

*"Your relatives of the children of Israel are men, and your brothers; you shall not reduce them to slavery." Leviticus 25:44-46 (Ferrar Fenton)*

If, in spite of the Law, strangers are in the land, then, the ownership of strangers as slaves is allowed. Different rules apply for the stranger.

---

<sup>32</sup> (MAN - Heb: adam - those that blush rosy, Strong's Concordance; ("Son-of-man" - son of those who blushes rosy).

<sup>33</sup> *"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel." De 23:2; "We are confounded, because we have heard reproach: shame hath covered our faces: for strangers (Heb: 2114 zûwr - foreigner, strange, profane, adulterous) are come into the sanctuaries of the Lord's house." Jer 51:51; "The stranger (Heb: 2111 zûwr - racial alien) that cometh nigh (the tabernacle) shall be put to death." No 1:51; No 3:10; 16:40*

When "adam-man" first settled America, many could afford the passage only by pledging their labor as an indentured servant for seven years.

***"If thy brother, a Hebrew man, or a Hebrew woman, be sold unto thee, and serve thee six years; then in the seventh year thou shalt let him go free from thee. ... thou shalt not let him go away empty: Thou shalt furnish him liberally out of thy flock, and out of thy floor." Deut 15:12-14***

This Law applies to adam-man. The law dealing with strangers is different:

***"As for your men and women slaves, however, you may buy from among the nations that surround you. They shall be your slaves. You may also buy the children of the foreign residents among you, and from their families who are without who are born in your country, and they shall be your property. You may also bequeath them to your sons after you, to hold them as property forever; and they shall serve you. But your relatives of the children of Israel are men, and your brothers; you shall not reduce them to slavery." Leviticus 25:44-46 (Ferrar Fenton)***

According to Scripture it is not permitted to reduce a man to slavery, but, man is allowed to own a slave who is a stranger until such time as all strangers are banished from our land and we are to live by ourselves alone.

In other words, those who say that the *War Between The States* was fought over slavery don't know Scripture, or, they twist Scripture to justify man going to war to kill man.

## Slavery in America

British law forbade America from producing manufactured goods, and the things she did produce had to be sold to Great Britain at a price determined by them.

England profited greatly from Virginia tobacco. They demanded that all tobacco raised be sold to them at a price set by them. They processed the tobacco and re-sold it to the rest of the world at a tremendous markup. The problem was that England could not get enough tobacco.

Tobacco is labor intensive. By the time white indentured servants had become proficient tobacco farmers, it was time to release them from their 7-year indenture. To make it economically worthwhile to grow tobacco, Great Britain sold black slaves to Virginia farmers at cheap prices if they were used to raise tobacco. Tobacco production soared as did the profits for its re-sale in Europe.

All of this was done in spite of God's Law which states;

***"When they heard the Law, they excluded from Israel all who were of foreign descent." Neh: 13:3***

Virginia wanted the slave trade stopped and the slaves already here repatriated to Africa. They protested to the king.

The king profited from the slave trade and informed the Virginia Colony that the crown would take offense if Virginia made any more such protests.

When America won its independence, slave-owning Virginia took its western lands and divided them into new states under condition that black slaves were to be excluded.

Then, in obedience to God's Law, a nationwide organization was formed to buy the black slaves, train and supply them with farming equipment and set them up in their own country

in Africa. The money received for the slaves was to be used to import white labor from Europe. *"Israel then shall dwell in safety alone." Deut 33:28*

Robert Finley, principal founder of the colonization society, found much support among prominent men, notably Henry Clay. Money was raised with help from the federal government when (1819) Congress appropriated \$100,000 for returning blacks to Africa.<sup>34</sup>

### Economic Monopoly

To prevent this, abolition groups were organized and financed. Their object was simple. Take the black slaves from their owners - keep them in America and add them to America's labor pool to compete against white labor, thereby keeping costs low.

The propaganda argument used was that slavery was against the WORD. It was unlawful to reduce a *man* to slavery. (But blacks were strangers and lawful to own.)

Next came *"radical abolition*. It was designed to free the African slaves without paying for them. *"Thou shall not steal." Ex 20:15; "Know ye not that .... thieves ... shall (not) inherit the kingdom of God." I Cor 6:9,10*

Radical abolition was designed to do two things - free black slaves before replacement could be made for them from Europe's white workers. This would bankrupt the powerful Southern plantation owners and transfer their political power to the corporation owners in the north. It also increased the labor pool which kept labor cheap.

<sup>34</sup> See P. J. Staudenraus, *The African Colonization Movement* (1961); W. L. Garrison, *Thoughts on African Colonization* (1832, repr. 1968). *The Columbia Electronic Encyclopedia*, 6th ed. Copyright B) 2004, Columbia University Press.

The Brown gang was hired to incite a war. Besides outright murder, they cut off the arms of Southern sympathizers who were their prisoners. The media made Brown into a hero, which incensed the entire Southland. Otto Scott tells the story of the industrialists who financed the John Brown operation in his book *"The Secret Six"*.

The president of the United States was a powerful railroad lawyer. Knowing that he could not get Congress to declare war on the the South, he used executive orders to call up militia to invade Virginia and other Southern states. He sent a fleet of troop ships to Charleston harbor, but a storm kept them from combining forces with Fort Sumpter. To defend themselves, South Carolina was forced to reduce Fort Sumpter before it could combine forces with the invading fleet.

This started an unLawful war in which more than half-million Saxons died.

***"Ye shall not ... fight against your brethren the children of Israel." I Kings 12:24; "Thou shalt not avenge, nor bear any grudge against the children of thy people." Lev 19:18. "Blessed is the man who does not direct his heart with malice against any man." Enoch 44:3.***

### **God's Priesthood**

Those who brought black slaves to America performed an unLawful act. Those who refused to help return them to Africa performed an unLawful act. Those who took them without compensating their owners were thieves, and those who made war on their own people to take their land and power, deny them the vote and place blacks to rule over them as soldiers, legislators, police and juries denied the WORD and are anti-Christ.

Today, Saxon-Israel is rising - in America, Europe, Australia and South Africa. But, it is rising with no leadership and an unknown destination.

In America there are TV actors to pretend to be great patriots - but they do not quote the WORD. One held a great freedom rally in Washington and used as its model a revolutionary black named Martin Luther King. Another leader whose daughter has a bastard child talks freedom but worships the jews.

One may have Tea Parties one after another, but until Saxon-man proclaims the WORD as his God, they will remain servants to the god-of-the-land and run after the actors he has hired to lead them in circles..

That day may be close at hand. It is the opinion of many that the black clouds that hang over our people will force them to finish the job that God appointed for them in the beginning.

*"Jesus Christ ... hath made us kings and priests unto God and his Father; Rev 1:5,6*

It will not be our enemies - the king, his priests, or the great merchants or one of their actors playing Moses or George Washington that will deliver us - it will be the WORD with you and I raising the banner and doing the job that God appointed us to do.

# Chapter 434

## ABANDONED CHURCHES

### Virginia Church History

**O**nce, the only churches in Virginia were Episcopal Churches and they were all abandoned at the same time.

### Test Act of 1673

The king had a law passed called the *The Test Act of 1673*.

"The Test Act required every man appointed to an office in the army, navy or the Government, to be a member of the Church of England and to declare that he did not believe that the bread and wine of the sacrament became the actual body and blood of Christ when blessed by the priest." (TKC, p.26, Feb 2003)

The first part of the Test Act requiring Church of England membership was directed against non-conformists. If one did not have an Episcopal church membership- he could not obtain a government job. This included Anabaptists, Baptists, Presbyterians, Lutherans, Puritans, etc.

The second part was directed against Catholics who were taught that the bread and wine of the "Lord's Supper" became the actual flesh and blood of Christ. The Catholics were anathema because they followed the Vatican canon-law system which, in essence, made every Catholic a citizen of Rome and a follower of its religion, ruler, and laws... a country within a country. Of course, a Catholic didn't actually have to believe that the bread and wine turned into the actual flesh and blood of Christ - he just had to say that he did - sort of a code-word. Hospital examinations weren't available at the time to establish the actual truth or falsity of the belief.

### **Independence**

When America was a colony of England the English law also said that one had to go to the Episcopal Church on Sunday or pay a fine. If one missed two Sundays with no acceptable excuse the fine was very heavy.

The Episcopal Church was a state church. Its head was the king who appointed its ministers. The king's edicts were read each Sunday from the pulpit and treated as part of the Christian doctrine. To avoid punishment and keep in the good graces of the Crown, Virginians attended Episcopal churches - regardless of their actual religious belief.

When America revolted, the king called his preachers and judges back home to England leaving the Episcopal Church buildings in Virginia vacant. For years these old Episcopal

Churches remained vacant until they fell into ruin or were taken over by Protestant denominations which had been formerly banned. This is the first time Virginia's churches were abandoned.

### Empty Churches

My oldest son lives out in Bedford County. A number of years ago he bought an old run-down tobacco farm and spent a long time turning it into an apple orchard. His biggest job was cutting and uprooting two hundred year old briar hedges that had spread every which way and which even a rabbit had difficulty getting through.

Driving out to his place, one sees a number of empty churches surrounded by old grave yards. Virginia's countryside is full of deserted country churches. The front doors are usually unlocked. You can walk in and sit on the hard wooden benches and listen to the hornets busily building their nests.

Long ago, I talked to my father about these empty churches. He said the reason the churches were empty was that the farmers who attended the churches were either killed in the war or had to sell their land at auction and move to town when they couldn't pay land-taxes levied by Virginia's occupation government and enforced by the occupation armies.

We have all heard that the victor writes the histories. It's true. The invaders justified their actions in history books and prevented us from explaining our reactions. Not many have read that these same politicians and carpetbaggers were privately called "anti-Christ's" by those they conquered and lorded over.

### Anti-Christ

Anti-Christ detest hearing the word "anti-Christ", especially when applied to them. In fact, I don't believe that I have ever heard an anti-Christ talk about antiChrist and what brands someone as an anti-Christ. The word "anti-Christ" has been banned for so long that many no longer know its meaning.

The definition of the word is simple and was well known to our grandfathers.

**ANTI-CHRIST:** "Adversary of Christ ... Extends to any persons who deny Christ or oppose the Fundamental Doctrines of Christianity." *Am Dict Of the Eng Lang. 1828*

Remember that last part - "oppose the Fundamental Doctrines of Christianity." "*If you love me obey my commandments*". *John 14:15* The reverse is; "*He that loveth me not keepeth not my sayings.*" *John 14:24*

Nothing could be more simple. If you obey God's Commandments you are a "Christian". If you disobey you are an "anti-Christ".

To keep from being branded an "anti-Christ", those who flagrantly break God's Commandments claim that God's Commandments have been done away. If God has no Commandments one cannot break them and become an "anti-Christ". Clever. Of course, to reach this conclusion one must step over the following:

***"If ye love me obey my commandments." John 14:15***

When one ignores the above - nothing more needs be said - he is an anti-Christ who must be dealt with.

### The Occupation

After our land had been reduced to starvation and ruins, our representatives went to Washington. They were told to vote to free the slaves if they knew what was good for the Southland. They did, even though the ones who sold us the slaves did not compensate us for reclaiming them - which was "stealing" (Leviticus 23:44-46 (Ferrar Fenton).

Then we were told to vote for a Constitutional Amendment that would allow the newly freed slaves to vote - = - which meant that they could rule over us on juries, as judges, mayors, police, congressmen, senators, etc. - which constitutes further anti-Christ violation of God's Law. (*"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15*)

This amendment to the Constitution violated the Law and was "anti-Christ", so our congressmen refused to vote for it. Because of their refusal, Southern Whites were stripped of their right to vote and Blacks were enfranchised and set to rule us. This, too, was an anti-Christ law. (*"Their nobles shall be of themselves, and their governor shall precede from the midst of them." Jer 30:21*)

The South had no money. The strangers ruling us were instructed to tax our land so as to take it from us; (*"The land shall be divided for an inheritance ... " Num 26:53; "The land shall not be sold for ever: for the land is mine." Lev 25:23.* Having no tax money, the land owners borrowed from newly-established banks, and when they couldn't pay the principal and interest, the land was sold at auction to great land corporations. (*"Hath given forth upon usury ... he shall surely die." Ezek 18:13*)

From that time, the people of the Southland lost their ability to care for themselves from the proceeds of their own land and became serfs to the great corporations.

### **Memorials**

Today these empty churches dot the countryside serving as memorials to the lawless conquerors who killed, robbed, and stole the land and forced a once-free people into cities to work for alien corporations for starvation wages.

### **New Churches**

The Southland had few cities of any size before the war. The farms were mostly self-sufficient and the towns were places where one traded for the few things the farm didn't produce. After the war, the little trading centers grew rapidly with the arrival of destitute farmers from the countryside seeking work, and speculators arriving from the North building factories and barracks-like housing to make use of the cheap labor.

Cities like Roanoke grew from nothing into large railroad and manufacturing centers. Street-light poles were erected in open pastures beside yet-to-be-built city streets. A fine brick building was constructed in each block. Churches of all sizes were built - mostly by the managers of the new industries who had their names inscribed on the windows. I went to school with children from cotton hill who had walked barefoot to school in the snow.

### **Lynchburg Churches**

Lynchburg is known as "The City of Steeples." The First Baptist Church was one of many big churches built after the

War. Its main sanctuary seated 2,000, and about 1500 attended every Sunday. In addition there were two big adult Sunday school classes - one for men and the other for women. Then there were the Sunday School classes for children. There were two big children's Sunday School rooms and at least 20 small classrooms. It's a big church

Adult and children's Sunday Schools were taught by local teachers. They held classes before the main service and then all gathered in the main sanctuary for the Sunday sermon held by a preacher who was the product of a seminary.

The preacher had been chosen by the deacons who were mostly wealthy bankers, factory owners and managers newly arrived from the north to manage their Southern investments. The main service was conducted by preachers trained in these corporation-endowed seminaries. The sermons taught in the main sanctuary were different from the service taught in the Sunday Schools by local teachers.

I remember asking my Sunday School teacher questions. He went to the Bible and answered me chapter and verse. In the main sanctuary the preacher addressed the same subject, except his answers were entirely different. I asked my mother who was right? She hushed me and told me that the preacher was young and would change when he got more experience. My mother was an optimist.

### **Corporations**

The small town of Lynchburg was once full of small businesses. This changed when Nationwide Insurance, GE, and Babcock Wilcox moved their operations to town. These were followed by other big corporations. Many Lynchburgers worked for these corporations.

The Law states that we are not to deal with strangers;

*"Thou shall make no covenant with them, nor with their gods. They shall not dwell in thy land, lest they make thee sin against me." Ex 23:32-33*

Strangers have studied our Law so as to subvert it. One way is to conceal their existence through ownership of corporations. It is practically impossible to trace corporate ownership through countless bank trust departments. The corporation which employs you might be owned by the stranger who hates you most and you would have no way of knowing it.

Regardless, most of our troubles come from strangers hidden in these corporations who use their money to buy our politicians, judges and preachers.

In Lynchburg in my lifetime, grocery stores have been absorbed into supermarkets; outlying farms have been absorbed into corporate land-companies; drugstores have been absorbed into drug-chains; media outlets have been absorbed into media chains; governments have been absorbed into the International Trade Cartel (ITC).

A young man running for state office came by my house soliciting my vote. He said all the right things and even rang the religion bell when he discovered that was my interest. He was elected.

Soon after, he was put on the board of directors of a corporation, then another, and another. He sold the modest home and moved into a much more expensive home. The local newspaper, which is owned by a newspaper corporation, supports him in each election. Corporations govern Virginia through people like this.

We are familiar with the saying; "Talk about anything but politics and religion." First Baptist Church and its Sunday Schools stopped teaching the Laws, Statutes, and Judgments and relating the injustices done to the people by anti-Christians who now own everything we once owned. Since the church stopped teaching the people about God's Law - the people had no reason to attend church and gradually stopped coming. This was true all across the Southland.

My sister still goes to First Baptist. She was one of 15 attending service last Sunday. I had the opportunity recently to go through the the First Baptist Sunday schools. The floors were deep in dust; no one had walked across the floors of the classrooms in years. That great church which once had 1,500 attending now has 15 attending service.

There are still a few well- attended Disney-World type churches operating in town. Each has a gimmick that attracts a certain crowd, but all those attending get is kindergarten ritual and parables that are told to children. So far, except for those who hold services in their homes, I haven't found one that teaches God's Commandments. The rest are being deserted. Many are being closed.

Most of Virginia's churches have forgotten God's Commandments and their people are deserting them in droves. This is the third time.

### **New Era**

Almost everything we read or see on TV is calculated to program our minds. However, there are things that can't be hidden any longer.

We are at war with Islam because Mohammedans no longer listen to their political leaders selected by corporations

to rule them. It has nothing to do with oil or politics. To force submission, the corporations have sent surrogate countries to destroy Islamic cities and kill their people. It's a win-win affair. Moslems will either settle down and accept the leaders given them, or they will form an undying hatred for the Saxon people the corporations have sent against them. After all, the destruction of the Saxon is the real objective of the ITC.

A new era is dawning in the West. Political and religious corporation puppets have opened the borders for strangers to pour in. The media are hiding the casualty statistics of this war - statistics showing that 90% of America's interracial crime victims result from attacks by strangers on Saxons.

Many of those who are abandoning the churches see the danger surrounding our nation and are learning what God requires of us. They know that a Christian could not vote for a stranger to rule over them as president - it violates the Law and is the act of an "anti-Christ".

They know that the land is to be divided and never sold.

They have learned that there are to be no strangers in the land lest we learn their ways.

It is becoming common knowledge that we are not to be taxed, and that usury is a capital crime.

They know that sodomy is another capital crime.

Logic tells us that a tea party that wins 100% will soon revert to the old ways without God's Law to guide them.

### **Third Abandoned Church**

Today, people are leaving the churches in droves. This is the third time. Churches have lost their reason for existence. They have stopped teaching the Laws, Statutes and Judgments of Abraham;

*"In vain do they worship me, teaching for doctrines the commandments of men." Matthew 15:8-9*

### Fourth Church

The thing that is taking the place of the Godless vacant churches are home churches teaching people to believe and teach the WORD.

Tea Party sympathizers who talk about the Constitution but still praise Martin Luther King are anti-Christ. Church, business, and political leaders who practice and promote sodomy, pedophilia and miscegenation are anti-Christ. The media which teaches our men, women and children bloodshed and immorality must be dealt with God's way. *"Thou shall make no covenant with them ... they shall not dwell in thy land, lest they make thee sin against me." I Ki 4:21-24*

The time is approaching when the person who does not stand and proclaim his position in relation to The WORD so that all may hear - will lose our support and win God's curse.

Anti-Christ's cannot support Christian Law when it will cause him to lose the support of other anti-Christ's. Neither can he openly support other anti-Christ if it will cause him to lose Christian support.

People forget the power of God. If Christians had proclaimed God's WORD before the last election we would not have the president we have: *"Thou mayest not set a stranger (Heb: zûwr - racial alien) over thee, which is not thy brother." Deu 17:15*

If anti-Christ's wish to argue with God - let them. It is a difficult argument to win.

When people begin to stand up and call on God the Word to direct them - a new church age will have been born.

## PABLO PICASSO

"When art ceases to be the soul-nourishment of the best minds, the artist is permitted to exploit his talents by employing all the tricks of an intellectual charlatan. Most people today can expect neither comfort nor uplifting from art. The 'spiritualised', the wealthy, the professional loafers crave only that which is devious, sensational, twisted and scandalous in modern art.

"I myself have fed these people what they desired, and I presented the critics with the most ridiculous thoughts that entered my mind. The less they understood, the greater was their admiration! And, as I played this game with them, I became famous - and very rapidly, indeed. For the painter fame means that he can sell his works and become prosperous. That is why I was feted, and that is why I am rich.

"Privately, however, I do not consider myself to be an artist ... I am just a common clown, a mountebank. I understood the time I lived in, and merely exploited the stupidity and vanity of my contemporaries ..." ## THE BANK OF NORTH DAKOTA by Stephen Goodson

---

"The current financial crisis has high- lighted the inherent flaws and weaknesses of the fractional reserve banking system. ...

"Negative growth rates and escalating unemployment have brought into sharp focus the need for central banks to convert into state banks that can then create each country's money supply free of debt and free of interest.

"An admirable example of a state bank that has served its people successfully for the past 91 years is the Bank of North Dakota in the United States ...

"Currently, 46 of the 50 US states are reported to be insolvent ... With the exception of North Dakota and Montana, all the states have a budget deficit... 49 of the 50 state have been experiencing increasing unemployment - except North Dakota, where employment levels have been rising.

"Last year North Dakota had a budget surplus of \$2.2-billion. Between 2000 and 2009 its GNP grew by 56%, personal income by 43%, and salaries and wages by 34%. ...

"The bank pays over all its profits in the state, which last year exceeded \$50-million. Over \$330-million has been paid to the state in the past 10 years. A large portion of these funds is used to offset taxes.

"The bank provides a secondary market for real estate loans, guarantees for new business ventures, loans for farmers at an interest rate of 1% per annum, and low interest rate loans for students, of which there are over 184,00 loans outstanding

...

"North Dakota has become the most financially viable and prosperous state in the USA. ([www.banknd.nd.gov/](http://www.banknd.nd.gov/))

US WAR DEATHS: In May 2007, the Dept of Veterans Affairs, Gulf War Veterans Info System reported the following: More Gulf War veterans have died than Vietnam veterans. Total Military Gulf War deaths: 73,846 - Deaths amongst Deployed 17,847 - Deaths amongst Non-Deployed 55,999. (ww1.va.gov)

How come the government numbers of 3,777 as of 9/7/07 are so low? The answer is simple. The government does not want the 73,000 dead to be compared to the 55,000 US soldiers killed in Vietnam. What the government is doing is only counting the soldiers that die in action before they can be gotten into a helicopter or ambulance. Any soldier who is shot but gets into a helicopter before he dies is not counted. (Clive Boustred, OpEdNews)

# PHANTOM ENEMY

**Create a phantom for your enemy to fight.**

*Thirty-Six Techniques Of War, #7, HR 365*

## **Desert War**

**I**n recent years the United States, accompanied with her usual surrogates, fought two wars in the mideast. Both wars inflicted heavy casualties on an Islamic enemy while suffering virtually no casualties themselves. These wars were spoken of as "overnight affairs".

Soon after the first war, a Chinese intelligence report was leaked onto the internet. It was written by two Chinese military intelligence writers summarizing the war and its effect on future wars.

In short, the report concluded that the recent mid-east war had returned old-fashioned prop-driven planes and helicopters to the battlefield armed with sophisticated rockets which made them a new weapon that was virtually invincible.

The rocket-armed infantry soldier had also reached a new pinnacle of importance. These rocket-armed warriors have put an end to modern warfare. Gone was the former master of the battlefield - the tank, as well as low flying infantry support aircraft. Neither could outrun nor hide from the shoulder-fired rocket. Nothing could move on the battlefield within range of these rockets. Modern warfare was over. A new age had arrived.

### **China Sees 5 New Battlefields**

As noted in HR #365, "*36-Strategies*", (2005 HD, \$12), orientals study the 36-Strategies of war almost from the time they are born. If one strategy doesn't work, there are 35 others that may. The ideal war is described as "*The greatest victory is the victory gained without battle.*"

With this guide these Chinese authors selected five current types of warfare which they believe contain the seeds of victory today:

- 1. George Soros - Economic War.** This "overnight billionaire" uses his money-media monopoly to hire expert financial manipulators and politicians. Their efforts caused the collapse of the economies of a dozen or so Asian countries - doing more damage than several recent wars. Asian assets were reduced to pennies on the dollar and were then swept into Soros' coffers.

**2. Bin Laden - Terror.** The concern is whether or not "terrorism" in its countless forms will become the "weapon of choice" by those who have no other effective weapon. *There is presently no defense against terror.*

**3. Escobar - Drugs.** Westerners look on Escobar as a corner drug dealer. The Chinese look on Escobar and remember China's 1800s Opium Wars with the British that forced China to accept opium sales. Millions of Chinese became addicts and lay around until they died of starvation. Because of this, China believes nothing the West has to say about anything. To the oriental, drug sales are warfare.

**4. Matsumoto - Aum Shinrikyo.** The 2004 *Council on Foreign Relations* publication explained it this way:

"Aum Shinrikyo is a doomsday cult whose teachings are based on tenets borrowed from Hinduism and Buddhism. Its more benign attributes include yoga, meditation, and breathing exercises. But at the center of the group's belief is reverence for Shoko Asahara, Aum's founder, who teaches that the end of the world is near. Their nerve gas attack against the general population is the cult's way to hasten the apocalypse." These teachings have permeated oriental thinking and have resulted in recruits willing to become human bombs and kamikazes.

**5. Kevin Mitnick - Hacker.** Kevin Mitnick is the renowned computer hacker used as an example of tomorrow's hero. He played the mischief with American business computers and found no difficulty breaking into government computers. This top spot might be occupied today by the 16

year old Austrian hacker who more recently shut down the computers of eastern Europe - and in so doing largely shut down eastern Europe itself. It is entirely possible that in the wrong hands, hacking can develop to the point that civilization as we know it can be brought to a standstill.

### Adam-Man

God created the world and all that is in it in six days. The last thing he created was Adam-man. The word "man" means (MAN - Heb: adam - those that blush rosy, Strong's Concordance;) ("Son-of-man" - son of those who blush rosy). The history of Adam-man is given in a book called the Bible. In the first part of the Bible it states, *"This is the book of the generations of Adam." Gen 5:1.* The Bible further states, *"And God said, Let us make man in our image ... and let them have dominion ... over all the earth." Gen 1:26*

Since the Bible is the history of Adam-man, the names of the other races God created weren't "Yellow", "Brown", "Red", or "Black"; they were called simply "beasts". God created man and beasts. On the other hand, alien peoples almost universally record in their holy books that their name for Adam-man is "White-Devil".

### The War

Isaac was an Adam-man. He had two sons, Jacob and Esau. Jacob was good and was loved by God. Esau was evil. God said, *"Jacob have I loved, but Esau have I hated." Rom 9:13.*

Esau said *"I will kill my brother Jacob."* From that day a state of war has existed between the descendants of Jacob and the descendants of Esau. Esau left Jacob and settled among

the rest of the peoples of the world and spread his blood among them so that they too became blood kinsmen of Esau and enemies of Jacob.

### **Strategy**

Successful Wars are largely a matter of making an opponent believe things that may cause him to make fatal mistakes. For instance, he may send agents to his enemy to attempt to persuade him that the enemy is far away when he is close. Or, persuade him that the enemy is weak when he is strong. This false information can cause one to make a wrong disposition of his forces causing his downfall. There are many variations of this theme.

### **Five New Battlefields**

Today we are told that traditional warfare is a thing of the past and that there are five new kinds of warfare developing that may destroy us: "Financial warfare"; "Terrorism"; "Drugs"; "Kamikaze self-destruction warfare"; and "Computer hacking warfare". Some believe that the mention of these types of warfare is itself a deception and that the primary attack on Adam-man is coming from still another direction. After all, Esau revealed that his objective was to "*kill my brother Jacob*". The means employed are matters of indifference.

### **The Real War**

Readers of HR are familiar with Asoka the Great, the St. Paul of Buddhism, a king known by more people than Jesus. His motto was "*One shall not condemn another religion or race by word or deed.*" King Asoka. 304 B.C.-232 B.C.

## Missionary Warfare

King Asoka organized and trained a group of missionaries called Dharmamattas. They were sent throughout India, Indo-China, China, Japan, Africa, and Europe. Their job was to use the unlimited wealth provided them by India's corporations to travel to targeted countries and become part of those countries religious activities. When they had been accepted they proceeded to add *Dharma* to the local religion. *Dharma* added to the WORD nullified its prohibitions against mixing with other peoples and their Gods.

## The Law

The Law of the God of Abraham, Isaac and Jacob is extensive and strict about mixing with alien peoples.

*"In the beginning was the WORD, and the word was with God, and the WORD was God." John 1:1, and "The WORD was made flesh, and dwelt among us." John 1:14 (Jesus); "God created man in his own image." Gen 1:27; "When the tabernacle is to be pitched ... the stranger (Heb: zûwr - racial alien) that cometh nigh shall be put to death." Numbers 1:51; "We are confounded, because we have heard reproach: shame hath covered our faces: for strangers (2114 Heb: zûwr, racial aliens) are come into the sanctuaries of the Lord's house." Jer 51:51; "Ye shall make no league with the inhabitants of this land; ye shall throw down their altars." Judges 2:2; "Let them marry ... only to the family of the tribe of their father." Numbers 36:6; "Thou ... shall go ... to my kindred, and take a wife." Gen 24:3,4; "They have dealt treacherously against the Lord: for they have begotten strange (Heb zûwr - racial adultery) children; Hosea 5:7; "When they had heard the law ... they separated from Israel all the mixed*

*(mongrel) multitude." Neh 13:3; "A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of the Lord." Deut 23:2; "Not everyone shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven." Matt 7:21.*

In short:

*"When they heard the Law, they excluded from Israel all the mixed multitude." Neh:13:3*

But still, Asoka's Dhamamatras have done their job well. They have made traitors of certain men who will gladly sacrifice a half-million of their own kind to fulfill Asoka's Edicts: The following are quotes from the anti-christ David Croly (1829-1889)

"It is idle to maintain that this present (Civil) war is not a war for the negro. It is a war for the negro. Not simply for his personal rights or his physical freedom ... it is a war, if you please, of amalgamation, so called ... a war looking, as its final fruit, to the blending of the white and black ... Let it go on until ... church ... state ... society recognize ... the necessity of the fusion of the white and black." ...

"The ideal or type man of the future will blend in himself all that is passionate and emotional in the darker races, all that is imaginative and spiritual in the Asiatic races, and all that is intellectual and perceptive in the white races. He will also be composite as regards color. The purest Miscegen will be brown, with reddish cheeks, curly and waving hair, dark eyes, and a fullness and suppleness of form not now dreamed of by any individual people." *Miscegenation*, David Croly (1829-1889)

### Legal Mixed Marriage

"By the 1920s, 38 states prohibited whites from marrying blacks, 'mulattos,' Japanese, Chinese, Indians, 'Mongolians,' 'Malays', or Filipinos" *NY Times*, November 26, 2007; California was the first state to permit mixed race marriages in 1948; other states followed until all states permitted it by 1967.

The Lynchburg *News & Advance* of Oct 24, 1998, p2. said this about Bob Jones University. "The school's ban on interracial dating or marriage prompted the Internal Revenue Service to revoke its tax exempt status in 1970, a decision upheld by the U.S. Supreme Court."

Asoka's Dharma has banished God's Law from America's government.

### Major Propaganda Themes

There are two methods of eliminating man. First - war. Second, racial interbreeding. The second is preferred because it fulfills Esau's ancient rule "*The greatest victory is the victory gained without battle.*" Racial interbreeding also removes Jacob-Israel, the one about whom God said, "*He showed his word unto Jacob, his statutes and his judgments unto Israel. He hath not dealt so with any nation: and as for his judgments, they have not known them.*" *Ps 147:19-20*

### Wheat From Chaff

The unseen owners of the world's big corporations are able to dispense their trillions of dollars to elect governments, advance priests, and pass laws as they choose.

Besides the individuals who are faithful to the WORD there are priests who also remain true to the God of our

fathers. These are easy to find. They are known by their words and acts. Preachers who publicly stand against the admission of aliens into our land, who are against racial intermarriage, who protest aliens ruling over us as president; is against sodomy - these are the true defenders of our Saxon nation.

Those who don't have been bought in some way by Esau. They keep their silence to win endorsement and rewards from Esau's newspapers and keep donations arriving to their campaign funds; the priests win greater and more profitable pulpits and the chosen few priests are allowed the use of Esau's media to obtain its riches. All that is required is that they help silence the WORD's Laws, Statutes and Judgments. This will do far more to destroy the Saxon West than "China's 5-New Battlefields." For it is written:

"Our nation shall not be punished, neither can the sword prevail against them, except they sin against their God." Judith 11:10

Esau is paying Jacob's own sons to turn man against his maker. This is doomed to failure. It is written:

*"Woe to the nations that rise up against my kindred! the Lord Almighty will take vengeance of them in the day of judgment." Esther 10:17 (Apocrypha)*

### **Dharmamatras**

The great enemy of the Hindu merchant, greater than marching armies and atomic bombs, is the WORD.

If mankind can be persuaded to reject the commandments of their maker and accept the commandments of the king of the land - the demise of the WORD becomes a matter of time.

The commandments of Jesus Christ require that man reject kings, usury, sodomy, marriage with aliens, taxes, and trade

with aliens. This constitutes rebellion to the international merchant and the rule of the kings and priests that Esau has placed over man.

In the beginning, Christianity was looked upon by the Romans as a different law system. Then it was looked upon as sedition and its followers were fed to the lions or crucified. This failed and the next attack consisted of a dharmamatra-devised religion to replace Christianity. It contained Christian rituals, tolerated kings, and left out the Law, and was called *Marcianism* and then *Paulicanism*.<sup>35</sup>

A more recent religion has been created called *Judeo/Christianity*. It is an oxymoron where Jews claim that Jesus was a Jew and that they are the only ones chosen of God - ignoring the following; *"If ye love me obey my commandments." John 14:15.* And;

*"And ye, my flock, the flock of my pasture are men and I am your God, saith the Lord God." Ezek 34:31*

Jews may be called many things, but never "man". They are a mixed breed race who run afoul this Law; *"A bastard (Heb: mamzêr - mixed breed, mongrel) shall not enter into the congregation of Israel." Deut 23:2*

Their own holy book, The Talmud contains the following; "Jesus died like a beast and was buried in a dung hill. Zohr III 282; The Lord is referred to as a "fool and a clown". (Schabbath, 104b);

They even deny that Jesus is the Christ, which is condemned by the next Law.

---

<sup>35</sup> Marcian #239, HD 1994; #375.HD 2005

*"For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an anti-Christ. 2 John 7.*

There are men who join the Jews and insist that Judeo/Christianity is the proper religion of mankind. Its followers deny the commandments of the WORD which damn them as anti-Christ. It is rare when you hear a politician or a priest base his argument on the Commandments of God the Word.

### **Conclusion**

Since the Christian/Hindu teaching is obviously false, and has cursed our people, many are falling away and returning to the WORD of their fathers which teaches:

*"Thou art a holy people unto the Lord thy God: The Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth." Deut 7:6; "And ye, my flock, the flock of my pasture are men and I am your God, saith the Lord God." Ezek 34:31*

God the WORD created the Adamic race as his own. He created them to rule this world he created and called "good". One after the another we have discarded the false religions given us by Dhamamatras and are again adopting the WORD in whose image our God made us in the beginning.

A new world is being born.

## LETTER FROM SOUTH AFRICA

---

October brought warm weather. Unfortunately, it also brought lots of pollen and hay fever.

Locally, the blacks still strike, even those in emergency services. Black babies die in intensive care wards because the staff doesn't feed them. White clinics take them in as in some cases those who work in black clinics are driven out and the gates are locked. In Standerton, they went as far as to knock a white female dentist unconscious.

The white townspeople obtained two homes and set them up to work from. This was necessary since poor whites cannot afford to go to the expensive clinics. They all demand huge payments. Heaven knows where the money is going to come from since the government ministers spend everything they get their hands on to support their extravagant lifestyles.

Mixed schools with white and black students simply do not work. Blacks swear at whites in their own language and they all carry knives. How wise Dr. Verwoerd was to keep races apart. Each race was first taught in their own language by their own teachers. Later other languages were added.

The constant electric blackouts come from poor quality coal. The coal mines furnishing the coal belong to black owners.

A niece writes that where she lives some public roads have been closed. There was virtually no repair work and they had gotten so bad that people avoided them. It was hole after hole, some so deep that cars were badly damaged when they fell into them and had to be abandoned. They just stand there.

Included in this letter to you is an article about Clive Derby Lewis who got the death sentence. He was accused of killing Chris Hani although he knew nothing about it. Gaye his wife

stood by him for 17 years and went to see him every Sunday. She saw to his health otherwise he would be dead because of prison neglect. He fell and hurt himself. The wound did not heal and turned gangrene and a place on his forehead turned into skin cancer. Gaye, his wife, got a solicitor and between the two they got him into a private clinic.

Clive is a real gentleman. He was a MP in the last white parliament. We were at their wedding and I often got books from them, like those written by Ivor Benson.

The police seized Ratte and some youngster saying that they were planning an uprising against the regime. But in my mind Constand Viljoen was the real traitor not to forget the Groenewalds. These are not peaceful times and one avoids many people.

You have mentioned the Hindu religion. They are a horrible people who sell their daughters to brothels. Here they are more cautious. They would rather marry a white man. It gives them a higher status. Strange how many dark nations hate us while getting all they can from us.

The dairy where we get our milk is run by an Afrikaner who married an English lady. They have been there for 20 years - just a few streets away from the *Irene Concentration Camp Cemetery*. No, they never heard of the place nor do I think they care about it.

We wish your whole family the best. K.J.

T. Shipman *London Daily Mail*

RKH: I met Griffin a number of years ago in Richmond at a rally and had a long talk with him. His answers to my questions led me to believe that he was a turncoat posing as a white nationalist. It was my opinion that if the British elect him as their leader he will take them right where they are right now.
